THIS REAL ESTATE EASEMENT AGREEMENT (this "Agreement") is made on October 4, 2019, by and between Built Works LLC, a Utah limited liability company, of 615 North Star Mill Lane, American Fork, Utah 84003 (hereinafter "Grantor"), and MDP Land LLC, a Utah limited liability company, or its assigns, of 3900 N Traverse Mountain Blvd, Lehi, Utah, 84043 (hereinafter "Grantee").

**Recitals**

A. The Grantor is the owner of certain real property commonly known as 701 South 600 East, American Fork, Utah, 84003, and more fully described on the attached Exhibit A (the "Servient Estate").

B. The Grantee is the owner of certain real property legally described on the attached Exhibit B (the "Dominant Estate"), which real property is located east of the Servient Estate.

C. The Grantee desires to acquire certain rights in the Servient Estate.

1. Grant of Easement. For valuable consideration, Grantor hereby grants to Grantee a non-exclusive easement (the "Easement") upon that portion of the Servient Estate legally described on the attached Exhibit C-1 and depicted diagrammatically on the attached Exhibit C-2 (the "Easement Area") solely for the purposes described herein.

2. Character of Easement. The Easement is solely for the purpose of vehicle parking in the non-designated parking spaces located within the Easement Area, together with the right to use the drive aisles located on the Easement Area for the purpose of vehicular and pedestrian ingress and egress to and from the Dominant Estate in connection with the use of such parking spaces, for the benefit of the Master Plan Community of Lake City Row containing the Dominant Estate and for any future development within the boundaries of the Lake City Row Master Plan. The shared parking area will be located on the most easterly 200 parking stalls, currently constructed, and will eventually connect to future parking in the Lake City Row Master Plan. The Easement shall allow for circulation to and from the Dominant Estate.

3. Duration and Binding Effect. The Easement including its reciprocal provisions shall endure 99 years.

4. Limitations. It is expressly agreed that the Easement, rights, and privileges conveyed to Grantee are limited to overflow parking for the residential components of the Lake City Row Master Plan. Furthermore, Grantor and the occupants of the Servient Estate shall have priority rights to use the parking spaces within the Easement Area during normal Grantor/tenant business hours on the Servient Estate.

5. Non-exclusiveness of Easement. The Easement, rights, and privileges granted by this Agreement are non-exclusive, and Grantor reserves and retains the right to convey similar easements and rights to such other persons as Grantor may deem proper.

6. Grantor's Rights and Duties. Grantor shall have the duty to repair and maintain the Easement Area. Grantor also retains, reserves, and shall continue to enjoy the use of the surface of the Easement Area for any and all purposes that do not materially interfere with or prevent the use by Grantee of the Easement. Grantor's retained rights include, but are not limited to, the right to build and use the surface of the Easement Area for drainage ditches and private streets, roads, driveways, alleys, walks, gardens, lawns, planting or parking areas, and other like uses, and to modify the same from time to time. The Grantor further reserves the right to dedicate all or any part of the Easement Area to any city for use as a public street, road, or alley, if the dedication can be accomplished without extinguishing or otherwise interfering with the rights of Grantee in the Easement. If the Grantor or any of Grantor's successors or assigns dedicates all or any part of the Easement Area, the Grantee and its successors and assigns shall execute all instruments that may be necessary or appropriate to effectuate the dedications.

7. Grantee's Rights and Duties. Grantee shall not have the duty to repair and maintain the property subject to the Easement but shall keep the Easement Area free and open for the benefit of Grantor and any other concurrent user. Grantee shall act so as to safeguard Grantor's property. Grantee shall have the right to keep access to the Easement Area open by removing vegetation and by cutting, trimming, and disposal of trees that may encroach on the Easement Area. Grantee shall have the right to connect the shared parking with the parking on the Dominant Estate in order to allow for vehicles and pedestrians to access both parking areas. Any costs associated with this connection will be paid for by the Grantee. Grantee will give a minimum of 60-day notice prior to any connection being made.

8. Indemnification and Insurance. While the Easement is in effect:

8.1 Grantee shall indemnify, defend and hold harmless Grantor and its officers, directors, managers, employees, agents and members against any and all claims, demands, costs, expenses and liabilities arising from the death of or any accident, occurrence, injury, loss or damage whatsoever caused to any person or property of any person as may arise out of Grantee's use of the Easement Area, except to the extent caused by the gross negligence or willful misconduct of any contractor, employee, agent or invitee of Grantor.

8.2 Grantee shall provide commercial general liability insurance naming Grantor as an "additional insured" under the policy or policies, for a combined bodily injury and property damage limit of liability of not less than Two Million Dollars (\$2,000,000) per occurrence, Three Million Dollars (\$3,000,000) aggregate. The insurance company providing such insurance shall be rated at least A- / VII, A.M. Best's rating. Such insurance may be a part of blanket liability coverage carried by a party so long as such blanket policy does not reduce the limits or diminish the coverage required herein.

8.3 All policies of insurance required to be carried by Grantee pursuant to this Agreement shall insure Grantee's performance of the indemnity obligations contained in this Agreement, shall name Grantor as an additional insured, and shall contain a provision that the

insurance company will provide all parties with not less than twenty (20) days' advance written notice of any cancellation or lapse, or of the effective date of any material reduction in the amounts or scope of coverage. Grantee shall deliver to the other a certificate or statement from Grantee's insurance company that such insurance insures the performance by Grantee of the indemnity obligations herein and the existence of the insurance coverage to the limits herein required.

9. Termination. This Agreement and the Easement may be terminated by written agreement signed by all owners of record and other successors to the respective interests of Grantor and Grantee in the Dominant and Servient Estates. Grantee, his/her heirs, successors, and assigns may execute and record a release of the Easement at any time. This Agreement and the Easement shall also terminate if the purposes of the Easement cease to exist, are abandoned by Grantee, or become impossible to perform.

10. Failure to Perform. Should Grantee fail to perform any covenant, undertaking, or obligation arising under this easement, Grantor shall notify Grantee of such failure and allow Grantee 120 days to perform. If Grantee refuses to perform after being so notified, all rights and privileges granted shall terminate and the provisions of this Agreement creating the Easement shall be of no further effect. In such a case, within thirty days of receipt of a written demand from Grantor, Grantee shall execute and record all documents necessary to terminate the Easement of record. Should Grantee fail or refuse to record the necessary documents, Grantor shall be entitled to bring an action for the purpose of declaring the Easement to be terminated.

11. No Public Dedication. Nothing contained in the Agreement shall be deemed a gift or dedication of any portion of the Servient Estate to the general public or for the public or for any public purpose.

12. Attorney's Fees. If legal action is initiated by either party for the purpose of enforcing or interpreting this Agreement, or to compel the recording of a release, the prevailing party shall be entitled to recover from the losing party reasonable expenses, attorney's fees, and costs.

13. Covenants Run with the Land. Each right and obligation in this Agreement (whether affirmative or negative in nature) (a) shall constitute a covenant running with the land; (b) shall benefit and bind every person having any fee, leasehold or other interest in any portion of the Servient Estate or the Dominant Estate to the extent that such portion is affected or bound by the right-of-way, easement, covenant or restriction in question, or to the extent that such right-of-way, easement, covenant or restriction is to be performed on such portion; and (c) shall benefit and be binding upon any person whose title is acquired by judicial foreclosure, trustee's sale, deed in lieu of foreclosure or otherwise. If either Grantor or Grantee transfers the Servient Estate or the Dominant Estate, respectively, the transferee shall automatically be deemed to have assumed and agreed to be personally bound by the covenants and agreements of such party contained in this Agreement. The grant of the Easement hereunder to Grantee is limited in use for the benefit solely of the Dominant Estate and cannot be used by, or transferred for the benefit of, any other property.
