PCS SITE AGREEMENT

12-18-95

Site Name: N/A

Site I. D.: 440/R-300-A

1. Premises and Use. Owner leases to Sprint Spectrum L.P., a Delaware limited partnership ("SSLP"), the site described below:

- Real property consisting of approximately 800 square feet of land;
  - Building interior space consisting of approximately 22 square feet;
  - Building exterior space for attachment of antennas;
  - Building exterior space for placement of base station equipment;
  - Tower antenna space;
  - Space required for cable runs to connect PCS equipment and antennas.
- In the location(s) ("Site") shown on Exhibit A, together with a non-exclusive easement for reasonable access thereto and to the appropriate, in the discretion of SSLP, source of electric and telephone facilities. The Site will be used by SSLP for the purpose of installing, removing, replacing, maintaining and operating, at its expense, a personal communications service system facility ("PCS"), including, without limitation, related antenna equipment and fixtures. SSLP will use the Site in a manner which will not unreasonably disturb the occupancy of Owner's other tenants.

2. Term. The term of this Agreement (the "Initial Term") is five years, commencing on the date ("Commencement Date") SSLP signs this Agreement. This Agreement will be automatically renewed for four additional terms (each a "Renewal Term") of five years each, unless SSLP provides Owner notice of intention not to renew not less than 90 days prior to the expiration of the Initial Term or any Renewal Term.

3. Rent. Rent will be paid annually in advance beginning on the Commencement Date and on each anniversary of it. Until the earlier of (a) the date which is 30 days after the issuance of a building permit for installation of the PCS, or (b) the first day of the month following commencement of physical preparation of the Site, the rent will be \$100.00, the receipt of which Owner acknowledges. Thereafter the annual rent will be \$4,800.00, partial years to be prorated. The annual rent for each Renewal Term will be the annual rent in effect for the final year of the Initial Term or prior Renewal Term, as the case may be, increased by twenty percent (20%).

4. Title and Quiet Possession. Owner represents and agrees (a) that it is the Owner of the Site; (b) that it has the right to enter into this Agreement; (c) that the person signing this Agreement has the authority to sign; (d) that SSLP is entitled to access to the Site at all times and to the quiet possession of the Site throughout the Initial Term and each Renewal Term so long as SSLP is not in default beyond the expiration of any cure period; and (e) that Owner shall not have unsupervised access to the Site or to the PCS equipment.

5. Assignment/Subletting. SSLP will not assign or transfer this Agreement or sublet all or any portion of the Site without the prior written consent of Owner, which consent will not be unreasonably withheld, delayed or conditioned; provided, however, SSLP may assign or sublet without Owner's prior written consent to any party controlling, controlled by or under common control with SSLP or to any party which acquires substantially all of the assets of SSLP.

6. Notices. All notices must be in writing and are effective when deposited in the U.S. mail, certified and postage prepaid, or when sent via overnight delivery, to the address set forth below, or as otherwise provided by law.

7. Improvements. SSLP may, at its expense, make such improvements on the Site as it deems necessary from time to time for the operation of a transmitter site for wireless voice and data communications. Owner agrees to cooperate with SSLP with respect to obtaining any required zoning approvals for the Site and such improvements. Upon termination or expiration of this Agreement, SSLP may remove its equipment and improvements and will restore the Site to the condition existing on the Commencement Date, except for ordinary wear and tear.

8. Compliance with Laws. Owner represents that Owner's property (including the Site), and all improvements located thereon, are in substantial compliance with building, life/safety, disability and other laws, codes and regulations of applicable governmental authorities. SSLP will substantially comply with all applicable laws relating to its possession and use of the Site.

9. Interference. SSLP will resolve technical interference problems with other equipment located at the Site on the Commencement Date or any equipment that becomes attached to the Site at any future date when SSLP desires to add additional equipment to the Site. Likewise, Owner will not permit the installation of any future equipment which results in technical interference problems with SSLP's then existing equipment.

10. Utilities. Owner represents that utilities adequate for SSLP's use of the Site are available. SSLP will pay for all utilities used by it at the Site. Owner will cooperate with SSLP in SSLP's efforts to obtain utilities from any location provided by Owner or the servicing utility.

11. Termination. SSLP may terminate this Agreement at any time by notice to Owner without further liability if SSLP does not obtain all permits or other approvals (collectively, "approval") required from any governmental authority or any easements required from any third party to operate the PCS system, or if any such approval is canceled, expires or is withdrawn or terminated, or if Owner fails to have proper ownership of the Site or authority to enter into this Agreement, or if SSLP, for any other reason, in its sole discretion, determines that it will be unable to use the Site for its intended purpose. Upon termination, all prepaid rent shall be retained by Owner.

12. Default. If either party is in default under this Agreement for a period of (a) 10 days following receipt of notice from the non-defaulting party with respect to a default which may be cured solely by the payment of money, or (b) 30 days following receipt of notice from the non-defaulting party with respect to a default which may not be cured solely by the payment of money, then, in either event, the non-defaulting party may pursue any remedies available to it against the defaulting party under applicable law, including, but not limited to, the right to terminate this Agreement. If the non-monetary default may not reasonably be cured within a 30 day period, this Agreement may not be terminated if the defaulting party commences action to cure the default within such 30 day period and proceeds with due diligence to fully cure the default.

13. Indemnity. Owner and SSLP each indemnifies the other against and holds the other harmless from any and all costs (including reasonable attorneys fees) and claims of liability or loss which arise out of the use and/or occupancy of the Site by the indemnifying party. This indemnity does not apply to any claims arising from the sole negligence or intentional misconduct of the indemnified party.

14. Hazardous Substances. Owner represents that it has no knowledge of any substance, chemical or waste (collectively, "substance") on the Site that is identified as hazardous, toxic or dangerous in any applicable federal, state or local law or regulation. SSLP shall not introduce or use any such substance on the Site in violation of any applicable law.

15. Miscellaneous. (a) This Agreement applies to and binds the heirs, successors, executors, administrators and assigns of the parties to this Agreement; (b) This Agreement is governed by the laws of the State in which the Site is located; (c) If requested by SSLP, Owner agrees promptly to execute and deliver to SSLP a recordable Memorandum of this Agreement in the form of Exhibit B; (d) This Agreement (including the Exhibits) constitutes the entire agreement between the parties and supersedes all prior written and verbal agreements, representations, promises or understandings between the parties. Any amendments to this Agreement must be in writing and executed by both parties; (e) If any provision of this Agreement is invalid or unenforceable with respect to any party, the remainder of this Agreement or the application of such provision to persons other than those to whom it is held invalid or unenforceable, will not be affected and each provision of this Agreement will be valid and enforceable to the fullest extent permitted by law; and (f) The prevailing party in any action or proceeding in court or mutually agreed upon arbitration proceeding to enforce the terms of this Agreement is entitled to receive its reasonable attorneys' fees and other reasonable enforcement costs and expenses from the non-prevailing party.
