(Section B) The purposes of the redevelopment project area plan are the following:

- a. Removal of structurally substandard buildings to permit the return of the project area land to economic use and new construction.
- b. Removal of impediments to land disposition and development through assembly of land into reasonably sized and shaped parcels served by improved public utilities and new community facilities.
- c. Rehabilitation of buildings to assure sound long term economic activity in the core area of the city.
- d. The elimination of environmental deficiencies, including among others, small and irregular lot subdivision, overcrowding of the land and inadequate off-street parking.
- e. Achievement of an environment reflecting a high level of concern for architectural and urban design principles, developed through encouragement, guidance, appropriate controls and professional assistance to owner participants and redevelopers.

- f. The strengthening of the tax base and economic health of the entire community and the State of Utah, its subdivisions and agencies.
- g. Provisions for improvements of public streets, curbs, and sidewalks, other public right-of-ways, street lights, and landscaped areas.
- h. Provision of adequate off-street parking.
- i. Provide improved pedestrian circulation systems.
- j. Coordinate and improve mass transportation and shuttle system.

(Section C) The redevelopment project area plan as adopted and approved by the Neighborhood Redevelopment Agency is hereby adopted by reference and incorporated herein for all purposes, and designated as the official Redevelopment Plan Project Area.

(Section D) The Board of Commissioners of Clearfield City, Utah, having met in a special meeting on March 12, 1985, makes the following findings:

- a. The project area is a blighted area, the redevelopment of which is necessary to effectuate the public purpose declared in this act,
- b. The redevelopment plan would redevelop the area in conformity with this act and in the interests of the public peace, health, safety and welfare,
- c. The adoption and carrying out of the redevelopment plan is economically sound and feasible,
- d. The redevelopment plan conforms to the master plan of the community.
- e. The carrying out of the redevelopment plan would promote the public peace, health, safety, and welfare of the community and would effectuate the purposes and policy of this act.
- f. The condemnation of real property, if provided for in the redevelopment plan, is necessary to the execution of the redevelopment plan and adequate provisions have been made for payment for property to be acquired as provided by law.

- g. The agency has a feasible method or plan for the relocation of families and persons displaced from the project area if the redevelopment plan may result in the temporary or permanent displacement of any occupants of housing facilities in the project area, and
- h. There are \_\_\_\_\_ being provided in the project area or in other \_\_\_\_\_ not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial project area, decent, safe, and sanitary dwellings equal in number to the number of an available to such displaced families and persons and reasonably accessible to their place of employment; and
- i. That the legislative body is satisfied permanent housing facilities will be available within three years from the time occupants of the project area are displaced and that pending the development of such facilities there will be available to such displaced occupants adequate temporary housing facilities at rents comparable to those in the community at the time of their displacement.

## SECTION II
