**4.3. Vested Rights Granted by Approval of this MDA.** To the maximum extent permissible under the laws of Utah and the United States and at equity, the City, Owner and Master Developer intend that this MDA grants Master Developer all rights to develop the Project in fulfillment of this MDA, the City's Vested Laws and the Concept Plan except as specifically provided herein. 4.4.6. Planning and Zoning Modification. Changes by the City to its planning principles and design standards such as architectural or design requirements, setbacks or similar items so long as such changes do not work to reduce the Maximum Residential Units, are generally applicable across the entire City to the respective Zones within the Project and do not materially and unreasonably increase the costs of any Development.

4.4.7. Compelling, Countervailing Interest. Laws, rules or regulations that the City's land use authority finds, on the record, are necessary to avoid jeopardizing a compelling, countervailing public interest pursuant to Utah Code Ann. § 10-9a-509(1)(a)(i) (2016).

The City should endeavor to make all of its redlines, comments or suggestions at the time of the first review of the Development Application unless and changes to the Development Application raise new issues that need to be addressed.

**6.2. City Denial of a Development Application.** If the City denies a Development Application the City shall provide a written determination advising the Applicant of the reasons for denial including specifying the reasons the City believes that the Development Application is not consistent with this MDA, the Concept Plan and/or the City's Vested Laws (or, if applicable, the City's Future Laws).

**6.3. Meet and Confer regarding Development Application Denials.** The City and Applicant shall meet within fifteen (15) business days of any Denial to resolve the issues specified in the Denial of a Development Application.

**6.4. **7. Application Under City's Future Laws.** Without waiving any rights granted by this MDA, Owner or Master Developer may at any time, choose to submit a Development Application for some or all of the Project under the City's Future Laws in effect at the time of the Development Application so long as Owner or Master Developer are not in current breach of this Agreement. Any Development Application filed for consideration under the City's Future Laws shall be governed by all portions of the City's Future Laws related to the Development Application. In the event Owner or the Master Developer elects to submit a Development Application under the City's Future Laws the City may elect to enforce the City's Future Laws for the remainder of the Project and all future Development Applications.

**9. Tax Benefits.** The City acknowledges that Owner or Master Developer may seek and qualify for certain tax benefits by reason of conveying, dedicating, gifting, granting or transferring portions of the Property to the City or to a charitable organization for Open Space. The City shall reasonably cooperate with Owner and Master Developer to the maximum extent allowable under law to allow Owner or Master Developer to take advantage of any such tax benefits.

12.6. **Emergency Defaults.** Anything in this MDA notwithstanding, if the City Council finds on the record that a default materially impairs a compelling, countervailing interest of the City and that any delays in imposing such a default would also impair a compelling, countervailing interest of the City then the City may impose the remedies of Section without the requirements of Sections 12.5. The City shall give Notice to Owner and Master Developer of any public meeting at which an emergency default is to be considered and Owner and Master Developer shall be allowed to address the City
