THIS DECLARATION is made this 6th day of June, 1975, by J. RON STACEY and GERALDINE (JERI) H. STACEY, husband and wife, FRED FROERER, JR., Trustee, (all of whom are hereinafter referred to as "Owners").

WITNESSETH:

1. Owners hold title to a certain parcel of land situate in Weber County, Utah, more fully described in Exhibit "A" attached hereto and made a part hereof. The foregoing parcel is sometimes hereinafter referred to as the "Tract."
2. A first Deed of Trust is about to be granted on a portion of the Tract by J. Ron Stacey and Geraldine (Jeri) H. Stacey, his wife, in favor of Prudential Federal Savings and Loan Association ("PFS") to secure a loan.
3. The Tract has partially been developed and may continue to be developed with commercial, industrial, and other buildings and improvements.
4. Currently included in the Tract are certain rights-of-way, all of which are described on Exhibit "A"; and in the future development of the Tract as aforesaid, the Owners or some of them may erect, construct, and install in the Tract other rights-of-way, all of which will be intended to serve and to provide access to, from, and around the various buildings and other structures which are constructed or which may be constructed within the Tract.
5. In addition to the Deed of Trust in favor of PFS, one or more of the Owners may from time to time hereafter create separate mortgage liens on portions of the Tract. Portions of the Tract may also hereafter become vested by sale or otherwise in different owners.
6. The Owners intend by this Declaration to provide during the term of this Declaration for reciprocal easements for the use, in common with the Owners, of the rights-of-way by the holder of the PFS Deed of Trust, by the holders of any other future mortgages upon the Tract or portions thereof, and by any future separate owners of the Tract or portions thereof.
7. Owners desire to provide for the maintenance and the responsibility to maintain the existing rights-of-way and any other rights-of-way that may be created hereunder.

NOW, THEREFORE, Owners do hereby, for themselves and their successors in interest, grantees and assigns, declare and provide as follows:

ARTICLE I

Wherever used in this Declaration, the following terms shall have the following respective meanings:

1. "Rights-of-Way" shall mean all roadways as may be presently constructed on or affecting the Tract or any portion thereof, including the various rights-of-way described on Exhibit "A" hereto. "Rights-of-way" shall also include any roadways hereafter constructed on or created with respect to the Tract or any portion thereof with the written consent of the then owner and the then Mortgagee of that portion of the Tract affected by said roadway.
2. "Mortgage" means any lien or security interest outstanding on the Tract or any portion thereof, including, but not limited to, Deeds of Trust and Mortgages.
3. "PFS" means Prudential Federal Savings and Loan Association as the holder of a Mortgage upon a portion of the Tract or upon the portion thereof remaining subject to said Mortgage after release from time to time of parts thereof, and its successors and assigns.
4. "Future Mortgagee" means each holder of a separate Mortgage created during the term of this Declaration upon any part or parts of the Tract, including, without limitation, each separate Mortgage created upon any part or parts thereof released from the Mortgage held by PFS, and the successors and assigns thereof.
5. "Owners" means the parties named above making this Declaration and their successors, whether owner of the entire Tract or owner of any part or parts of the Tract.
6. "Future Owner(s)" means those successive owners (including without limitation, the purchaser at foreclosure sale under a Mortgage or the grantee under any deed in lieu of foreclosure) in whom title shall hereafter vest during the term of this Declaration in and to any part of the Tract.
7. "Tenants" means the persons who are from time to time legally entitled to the use and occupancy of buildings and structures located within the Tract or any part thereof.
8. "Permitees" means the following persons: The officers, directors, employees, agents, contractors, subcontractors, patrons, visitors, and invitees of an Owner or of any Future Owner.
9. "Successor" means successors by merger, consolidation, reorganization, or other form or manner of corporate succession, and successors in title or interest.

ARTICLE II

Owners hereby grant to:

1. PFS, for the benefit of any part or parts of the Tract which come to be subject to the Mortgage held by it;

2. Each Future Mortgagee, for the benefit of any part or parts of the Tract which come to be subject to the respective Mortgages held by each of them; and

3. Each Owner and each Future Owner, for the benefit of any part or parts of the Tract which are or come to be owned by the Owner or Future Owner concerned, and for the benefit of the respective tenants and permittees of each Owner or Future Owner;

The following easement, to-wit:

The use of all portions of the Rights-of-Way as a means of appropriate pedestrian and vehicular access to and ingress and egress to and from the Tract or any part thereof.

ARTICLE III

Each part of the Tract which becomes subject to a Mortgage, and each part of the Tract title to which is or hereafter becomes vested in separate ownership, shall be and become and is hereby made subject to, the easements granted pursuant to Article II hereof for and during the term of this Declaration for the benefit of the parties set forth in Article II hereof and of all other parts of the Tract as herein provided. The said easements granted with respect to the various parts of the Tract, and the obligations imposed by the following Article IV, are intended to be and shall constitute mutual and reciprocal benefits and servitudes which shall run with the land.

ARTICLE IV

As used in this Article IV the term "Parcel" shall mean each portion of the Tract which, at the point in time concerned, is separately owned. Each Owner or Future Owner shall be obligated at his sole cost and expense to maintain in a passable, usable, and paved condition, and in a state of good condition and repair, that portion of any Right-of-Way which traverses his Parcel if both of the side lines of such portion are wholly contained within his Parcel and if neither of such side lines is coincident with a boundary of his Parcel. Each part of a Right-of-Way other than the portion described in the preceding sentence shall be maintained in a passable, usable, and paved condition, and in a state of good condition and repair, jointly and at their sole cost and expense by each Owner or Future Owner whose Parcel abuts upon, is contiguous with, or is traversed by, such Right-of-Way, with the part of such Right-of-Way being required to be jointly maintained being that part which lies within the boundary lines of each Parcel or such boundary lines as extended. The liability of each Owner and Future Owner under this Article IV shall be joint and several, and such liability may be enforced by any Owner, any Future Owner, PFS, or any Future Mortgagee.

~~BOOK 1088 PAGE 358~~

2. Altered, amended, and modified from time to time in any respect, including without limitation, the extinguishment and release of any one or more of the easements provided hereby by an instrument in writing executed jointly by all Owners, all Future Owners, and all Mortgagees, who at the time of such termination or alteration have an interest in the Tract or any portion thereof.

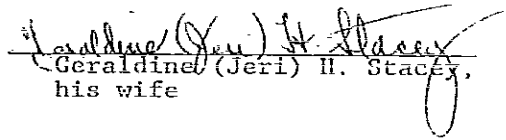

No consent, approval, or agreement of any Tenants or of any Permittees shall be required at any time for the termination, amendment, modification, or extinguishment of this Declaration or of any of the easements granted or obligations created hereby, it being the intent hereof that any rights, privileges, benefits, or obligations of any Tenants or Permittees shall be dependent upon and derived from the rights reserved and obligations created herein with respect to Owners and Future Owners.

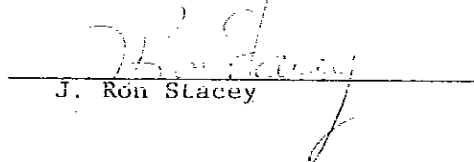

In any event, this Declaration shall automatically terminate with respect to, but only with respect to, such portion of the Rights-of-Way as may hereafter be dedicated as public roadways and accepted by the appropriate governmental authority.
