1.25. "Trustee" or "Trustees" shall mean a member or members of the Board of Trustees of the Association.

ARTICLE 2. SUBMISSION OF PROPERTY; PROPERTY DESCRIPTION; EXPANDABILITY

2.1. Submission of Property. The property described in Exhibit "A" is to be subject to the provisions of this Declaration, and shall be held, transferred, sold, conveyed, encumbered and assigned subject to the provisions herein.

2.2. Division into Lots. The Project is hereby divided into Lots as set forth on the Plat Maps. Each Lot currently consists of a Building and an appurtenant undivided percentage interest in and to the Common Areas as set forth in Exhibit "C" attached hereto.

2.3. Expandability. All or any portion of the additional land within the area described in Exhibit "B" attached hereto may be annexed pursuant to the terms of this Declaration by the owner thereof without the consent of the Members within twenty (20) years from the date of recording this Declaration at the office of the Utah County Recorder, State of Utah. In that event, each Owner of any Lot contained in the additional land annexed pursuant to the terms herein shall become a Member of the Association and all Common Areas in such annexed property shall be governed by this Declaration. If the Project is not expanded within twenty (20) years, this expandable option shall expire. No assurances are made as to the location of any Buildings, structures, or improvements that may be constructed on any portions of the additional land annexed to the Project. No assurances are made as to the number of Lots to be designated on any portion of the additional land added to the Project. No assurances are made with regard to the creation of any Common Areas and facilities (in terms of the type, size, etc.) within any portion of the additional land added to the Project. Any annexed land is restricted exclusively to the uses permitted by the Association and applicable zoning and other laws.

2.3.1. If and when annexed into the Project, the real property described in Exhibit "B" is anticipated to have one (1) or more Lots with surrounding Common Areas. Each Lot Owner in the Project will then own an undivided ownership interest in all the Common Areas

based upon the percentage of each said Lot Owner's rentable square footage attributed to the Building on its Lot compared with the total rentable square footage attributed to the Buildings on all the Lots in the Project.

2.3.2. The number of Lots and the Buildings constructed, or to be constructed, on any of the additional land described in Exhibit "B," should not overload the capacity of the Common Areas and facilities of the Project.

2.3.3. If annexation occurs, all or any portion of the land described in Exhibit "B" may be annexed. All or any portion of the additional land described in Exhibit "B" may be annexed simultaneously or at different times.

2.4. Special Duties of Lot Owners in Annexed Land. Prior to annexation of all or any part of the additional land described in Exhibit "B" into the Project, the Owner or proposed Owner of such additional land, as applicable, shall provide a site plan of the additional land designating the Lot(s) and Common Areas thereon. Upon approval of the site plan by the Association and applicable governmental authorities, as required by this Declaration and applicable laws and ordinances, the additional land shall be annexed into the Project by recording in the office of the Utah County Recorder, State of Utah, an appropriate amendment to this Declaration and a Plat Map; at which time said additional land will become part of the Project and be subject to the provisions of this Declaration. Because the site plan will only contain a footprint of the Lot (upon which a Building is to be constructed in the future) with zero rentable square footage allocated thereto, the Lot Owner will not initially own any membership interest in the Association, nor will said Lot Owner own any undivided interest in the Common Areas. Said Lot Owner will be responsible for obtaining the requisite approvals and permits from the Association and applicable governmental authorities in order to proceed with the construction of the Building(s) on the Lot(s) and the improvements on the Common Areas. Said Lot Owner shall be solely responsible for all costs and expenses associated with the construction of its Building(s), and the construction of the improvements on the Common Areas, including the maintenance, and repair thereof. It is understood and agreed that said Lot Owner shall be responsible for all improvements, maintenance and repair of the said Common Areas until such time as: (a) all improvements on the Common Areas are completed by the said Lot Owner; (b) the improvements on the Common Areas have been paid in full, and satisfactory evidence thereof has been presented to the Association (so as to prevent any mechanic's liens from being filed and recorded thereon); (c) the Building(s) is (are) completed and the Lot Owner has received an occupancy permit issued by the applicable governmental authorities; and (d) an appropriate amendment to this Declaration and an Amended Plat Map have been prepared, approved by applicable governmental authorities, and recorded in the office of the Utah County Recorder, State of Utah. When the above four (4) items have been satisfied, the said Common Areas will be maintained by the Association, the cost of which will be apportioned among the Lot Owners in proportion to their respective undivided interest in the Common Areas assessable by the Association. The above referenced amendment to this Declaration and Amended Plat Map will set forth with respect to the said Lot, among other relevant items: (i) the Lot number/letter and street address; (ii) appurtenant undivided percentage ownership interest in the Common Areas, percentage membership interest in the Association and voting percentage; and (iii) size in rentable square footage. In addition, the amendment to the Declaration will designate for all Lot Owners in the Project the revised percentages for appurtenant undivided percentage ownership

interest in the Common Areas, appurtenant percentage membership interest in the Association, and voting percentage as a result of the annexation.

ARTICLE 3. NATURE AND INCIDENTS OF OWNERSHIP

3.1. Lot Title. Title to a Lot may be held or owned by any person or entity and in any manner in which title to real property may be held or owned in the State of Utah, including, but without limitation, joint tenancy or tenancy in common.

3.2. No Separation. No Lot may be divided or separated from its respective appurtenant undivided interest in the Common Areas. Accordingly, each Lot and its respective appurtenant undivided interest in the Common Areas shall always be conveyed, devised, encumbered, and otherwise affected only together and may never be separated from one another. Every gift, devise, bequest, transfer, encumbrance, conveyance, or other disposition of a Lot shall constitute a gift, devise, bequest, transfer, encumbrance, conveyance, or disposition, respectively, of the entire Lot, together with all appurtenant rights created by law or this Declaration.

3.3. Membership in Association. Every Owner upon acquiring fee simple title to a Lot (subject to the terms and conditions set forth in SECTION 2.4) shall automatically become a Member of the Association with respect to such Lot and shall remain a Member thereof until such time as its ownership of such Lot ceases for any reason, at which time its membership in the Association with respect to such Lot shall automatically cease and the successor Owner shall become a Member. Membership in the Association shall be mandatory and shall be appurtenant to and may not be separated from the ownership of a Lot.

3.4. Exhibit "C"; Undivided Interest in Common Areas; Voting. Exhibit "C" attached to this Declaration and made a part hereof furnishes the following information with respect to each Lot: (a) Lot number/letter and street address; (b) appurtenant undivided percentage ownership interest in the Common Areas, percentage membership interest in the Association and voting percentage; and (c) size in rentable square footage. Each Lot Owner shall have, for each Lot owned, the specified undivided interest in and to the Common Areas set forth in Exhibit "C" attached hereto. Subject to SECTION 3.9 of this Declaration, with respect to any matter properly submitted for a vote of the Owners, each Owner entitled to vote shall have the right to cast, in person or by proxy, the voting percentage appurtenant to the Lot(s) owned by such Owner, as set forth in the Association's Bylaws attached hereto at Exhibit "D."

3.5. Use of Common Areas. Subject to the limitations contained in this Declaration, each Lot Owner shall have the non-exclusive right to use and enjoy the Common Areas designated herein and on the Plat Maps.

3.6. Partition. The Common Areas shall be owned in common by all the Owners of Lots as provided in this Declaration, and no Lot Owner may bring any action for partition thereof. Each Lot Owner hereby waives any right to partition the Common Areas.

3.7. Duty of Owner to Pay Taxes on Lot Owned. Each Lot and its respective undivided percentage interest in and to the Common Areas in the Project is subject to separate assessment and taxation of each taxing authority and special district which has such jurisdiction

over the Project for all types of taxes and assessments authorized by law, and that as a result thereof no taxes will be assessed or levied against the Project as a whole with respect to separate Lots. Accordingly, each Lot Owner will pay and discharge any and all taxes and assessments which may be assessed against such Owner relative to its Lot and appurtenant undivided interest in the Common Areas.

3.8. Duty to Pay Association Assessments. Each Lot Owner is obligated to pay and discharge all Assessments and charges levied by the Association as set forth herein.

3.9. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, any vote relating to such Lot shall be exercised as such Owners may determine among themselves, but in no event shall there be more than one unanimous vote cast with respect to any Lot. A vote cast at any Association meeting by any such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is made at the meeting by another Owner of the same Lot. Multiple record Owners of a single Lot shall be unanimous in their vote for such Lot; otherwise such Lot shall not be represented by a vote.

3.10. Record of Ownership. Every Owner shall promptly cause to be filed of record the conveyance document (or in the case of a contract buyer, a copy of the sales contract or memorial thereof) of its Lot and shall file a copy of such conveyance document, along with the name and address said Owner desires any notices under this Declaration to be sent to, with the Secretary of the Association, who shall maintain a record of ownership of the Lots. Any Owner who mortgages its Lot or any interest therein by a Mortgage which has priority over the lien of any Assessment provided herein shall notify the Secretary of the Association of the name and address of the Mortgagee, and also of the release of such Mortgage; and the Secretary of the Association shall maintain all such information in the record of ownership.

3.11. Lot and Building Maintenance. Each Owner shall, at its own cost and expense, maintain and keep in good order and repair and in a clean and sanitary condition its respective Lot and the Building, structures, and improvements located thereon. Without limiting the generality of the foregoing:

3.11.1. Concrete. Each Lot Owner shall at all times keep the curb and gutter surrounding its Lot in good condition and shall be responsible for repairing any cracks or breaks in such concrete within a reasonable time, not to exceed sixty (60) days, after receiving notification from the Board of Trustees to do so.

3.11.2. Rubbish. Unless otherwise provided by the Association, each Lot Owner shall be responsible to have and maintain a sanitary container sufficient to maintain rubbish generated or accumulated on such Lot and the Building and structures located thereon.

ARTICLE 4. ASSOCIATION

4.1. Status and General Authority of Association. The Project shall be managed, operated, and maintained by the Association of the Lot Owners. The Association, through its Board of Trustees and Officers, shall have the power to do any and all things which may be authorized, required, or permitted to be done under law and by virtue of this Declaration and the

Bylaws, including the power to levy and collect Assessments as hereinafter provided. Without limiting the generality of the foregoing, the Association shall have the following authority and powers:

4.1.1. The authority to grant, create, or vacate on such reasonable terms as deemed advisable, utility and similar easements over, under, above, across, and through the Common Areas.

4.1.2. The authority to execute and record, on behalf of all Lot Owners, any amendments to the Declaration, Bylaws or the Plat Maps which have been approved by the vote or consent of the Lot Owners necessary to authorize such amendments as provided in this Declaration or the Bylaws, as applicable.

4.1.3. The power to sue and be sued.

4.1.4. The authority to enter into contracts relating to the Common Areas and other matters over which it has jurisdiction, so long as any vote or consent of the Lot Owners necessitated by the subject matter of the agreement has been obtained.

4.1.5. The power and authority to purchase, or otherwise acquire, and accept title to, any interest in real property so long as such action has been authorized by the vote or consent which is necessary under the circumstances.

4.1.6. The power and authority to add any interest in real property obtained pursuant to SECTION 4.1.5 above to the Project, so long as such action has been authorized by the necessary vote or consent.

4.1.7. The authority to promulgate such reasonable Rules and Regulations as may be necessary or desirable to aid the Association in carrying out its function or to ensure that the Project is maintained and used in a manner consistent with the interests of the Lot Owners. All such Rules and Regulations adopted by the Association shall be set forth in writing.

4.1.8. To the extent not assessed to or paid by the Owners directly, the Association shall pay all property taxes and assessments levied upon any portion of the Common Areas, provided that the Association shall also have the right to contest or compromise any such taxes or assessments.

4.1.9. The Association shall obtain and maintain in force such policies of insurance required by the provisions of this Declaration, and such insurance policies or bonds as the Association may deem appropriate for the protection and benefit of the Association, the Owners, and any employee, agent, guest, lessee/tenant, customer, licensee, or invitee of the same.

4.1.10. To have the power and authority to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration or any Rules and Regulations promulgated by the Association, or to enforce by mandatory injunction or otherwise all of the provisions of this Declaration and such Rules and Regulations.

4.1.11. The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Association and the Lot Owners. Any instrument executed by the Association relating to the Common Areas of the Project that recites facts which, if true, would establish the Association's power and authority to act thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

4.1.12. In fulfilling any of its duties under this Declaration, the Association shall have the power and authority to: (a) pay and discharge any and all liens placed upon any Common Areas on account of any work done or performed in the fulfillment of any of its obligations and duties of maintenance, repair, operation, or administration; and (b) obtain, contract for, pay for, or otherwise provide for: (i) construction, maintenance, repair, and landscaping of the Common Areas on such terms and conditions as the Association shall deem appropriate; (ii) such utility services, including, without limitation, water, sewer, trash removal, electrical, telephone, cable television, communication, and natural gas services, as the Association may from time to time deem desirable; (iii) the services of architects, engineers, attorneys, certified public accountants, and such other professional or non-professional services as the Association may deem desirable; (iv) fire, police, and such other protection services as the Association may deem desirable for the benefit of the Project and the Owners; and (v) such materials, supplies, equipment, services, and labor as the Association may deem necessary.

4.2. Composition of Association; Board of Trustees; Officers; Election; Vacancy.

The Association is comprised of all the Members/Lot Owners in the Project. The Board of Trustees shall be elected by the general membership of the Association by majority vote as more specifically provided in the Bylaws. The Board of Trustees shall be composed of three (3) Members; provided, however, that any one Member may be elected to fill two or more of the Trustee positions, and any elected Member may appoint an individual to serve on behalf of such Member, in the sole discretion of such Member. The following Officers of the Association shall be elected from the member(s) of the Board of Trustees, be it a Member or an individual appointed by an elected Member: President, Vice President, and Secretary/Treasurer; provided, however, that any one Member or individual appointed by a Member may be elected to fulfill two or more of the Association officer positions. The Trustees shall be elected each year at the annual meeting of the Members of the Association, and shall hold office for a period of one (1) year or until their successors are elected. At the annual meeting, each Lot Owner may vote its percentage of undivided ownership interest in favor of as many Trustee positions as there are to be filled (not to be construed as permitting cumulative voting).

4.3. Rights and Duties. The Association shall be responsible for the general management and administration of the Project.

4.4. Maintenance of Common Areas. The Association shall maintain, repair, replace, and landscape the Common Areas and improvements, and each Lot Owner shall maintain, repair, and replace the Building, structures, and improvements on its Lot. The sole remedy of an Owner in connection with any failure of the Association to maintain the Common Areas is an action for specific performance brought more than thirty (30) days after written notice to the Association of the specific duty owed to the Owners by the Association which has not been timely or properly performed.

In the event that the need for maintenance or repair of the Common Areas is caused through the willful or negligent acts of an Owner, or through the willful or negligent acts of the guests, customers, tenants or invitees of the Owner, the cost of such maintenance or repair shall be immediately due and payable and added to and become part of the Assessment to which such Owner's Lot is subject.

4.5. Destruction or Condemnation of Common Areas. If at any time the Common Areas are damaged, destroyed or condemned, whether in whole or in part, all of the Owners irrevocably appoint the Association as the Owners' true and lawful attorney-in-fact in their name, place and stead for the purpose of dealing with all issues pertaining to the Common Areas arising from or related to such occurrence. As attorney-in-fact, the Association shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or other instrument with respect to the interest of an Owner which the Association deems necessary to appropriately exercise the powers herein granted.

4.6. Right of Delegation to a Manager. The Association may carry out any of its functions which are capable of delegation through a Manager. The Manager so engaged shall be responsible for managing the Common Areas and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself. All agreements between the Association and a Manager shall be in writing.

4.7. Payment of Services; Etc. The Association may obtain and pay for the services of any person or entity to manage its affairs, or any part thereof, to the extent it deems advisable, as well as such other personnel as the Association shall determine to be necessary or desirable for the proper performance of its function in the Project, including but not limited to with regard to enforcing this Declaration. The Association may arrange with other persons or entities to furnish snow removal, ground maintenance, and other services to the Project, whether such personnel are furnished or employed directly by the Association or contracted for. All agreements between the Association and other persons or entities for services shall be in writing.

4.8. Personal Property Ownership and Use. The Association may acquire and hold for the use and the benefit of all the Owners personal property that the Association specifically designates in writing is intended for such use and benefit. The Association may establish Rules and Regulations from time to time to govern the ownership and use of such personal property, as set forth below in SECTION 4.9.

4.9. Rules and Regulations. Subject to applicable zoning and other laws, and consistent with the terms of this Declaration and the Bylaws, the Association may make reasonable Rules and Regulations governing the operation and use of the Common Areas; use of personal property; architectural standards, guidelines, and procedures governing the construction, repair, and replacement of Buildings and other structures and improvements; and any other matters concerning the Project. The Association may suspend any Owner's voting rights at any meeting for periods during which such Owner fails to comply with the said Rules and Regulations, or with any other obligations of such Owner under this Declaration. In order to suspend an Owner's voting rights in any manner, the Association must first provide written notice to such Owner of the proposed suspension and then hold a hearing on the matter. The Board of Trustees of the Association must unanimously agree upon the decision to suspend an Owner's voting rights and all terms and conditions relating thereto. The Association may also

take judicial action against any Owner to enforce compliance with such Rules and Regulations or other obligations or to obtain damages for noncompliance, all to the extent provided by law.

4.10. Capital Improvements. There shall be no structural alterations, capital additions to, or capital improvements of the Common Areas without the prior approval of the Board of Trustees of the Association. Except as provided in SECTION 2.4 dealing with annexed land, any single item structural alteration or capital improvement in the Common Areas in the amount of Fifty Thousand Dollars (\$50,000) or more in any given fiscal year shall require the unanimous consent of the Board of Trustees of the Association. Except as provided in SECTION 2.4 dealing with annexed land, any structural alterations or capital improvements in the Common Areas that in the aggregate amount to One Hundred Thousand Dollars (\$100,000) or more in any given fiscal year shall require the unanimous consent of the Board of Trustees of the Association. Any matters involving the resurfacing or sealing of the roadways or parking areas in the Common Areas shall require the unanimous consent of the Board of Trustees of the Association. The Association has the discretion to require that any structural alterations or capital improvements in the Common Areas be paid directly by the Lot Owners in proportion to their relative ownership interests in the Common Areas to accomplish tax reporting and accounting purposes of the Lot Owners.

4.11. Extended Rights. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

4.12. Architectural Control. The Board of Trustees of the Association shall act in all matters pertaining to architectural control, and may establish from time to time Rules and Regulations for submitting plans for approval of any and all construction, alteration, remodeling, etc. of Buildings or other structures or improvements in the Project.

4.13. Limitation of Liability and Indemnification of Trustees and Officers. No Trustee or Officer of the Association acting in good faith shall be liable to any Owner, employee, agent, guest, lessee/tenant, customer, licensee, invitee, or any other person or entity for any error or omission of the Association and its representatives and employees. Each Trustee and Officer shall be indemnified and held harmless by the Lot Owners against all costs, expenses, and liabilities whatsoever (excluding knowingly fraudulent and/or criminal actions) including, without limitation, attorneys' fees reasonably incurred by such Trustee or Officer in connection with any proceeding to which it/he/she may become involved by reason of its/his/her being or having been a Trustee or Officer of said Association.

4.14. Association. The conveyance of each Lot and its proportionate share of the Common Areas shall be subject to the covenants, conditions, restrictions, easements, charges, and liens as contained in this Declaration and any supplements or amendments thereto recorded in the office of the Utah County Recorder, State of Utah. This Declaration provides, inter alia, that all Lot Owners in the Project shall, upon becoming the same, automatically become members of the Timpanogos Research & Technology Park Owners Association, Inc., a Utah non-profit corporation, which said Association shall maintain and administer certain facilities, maintain Common Areas in the Project, enforce this Declaration, and collect and disburse the Assessments and charges created herein. The Association has been established for the benefit of the Lot Owners in the Project.

4.15. Lot L. The Lot Owners understand and agree that Lot L is and has been utilized to provide services for the benefit of the Owners in the Project, including without limitation from time to time, a food services establishment, a fitness center, and a credit union (the "*Lot L Services*"). Accordingly, until such time as the Association decides to terminate or change any or all of the Lot L Services or require the Owner of Lot L to manage and/or provide the same at such Owner's sole expense, the Association will be responsible for the operation and management of the Lot L Services (and may contract with third parties to provide the operation and management of the Lot L Services). Until such time as the Association decides to allocate the responsibility, costs and expenses of providing the Lot L Services to the Owner of Lot L, the costs and expenses of providing the Lot L Services to the Owners in the Project may be assessed and apportioned by the Association among the Lot Owners in proportion to their respective undivided interest in the Common Areas as a Common Expense.

4.16. Variance from or Exception to Provisions of this Declaration. The Board of Trustees may, at any time, after receiving written application stating the basis therefore, grant variance from or exception to any of the requirements of this Declaration if it determines that (a) the strict application of any provision of this Declaration would result in exceptional practical difficulties to, or undue hardship upon, the Lot Owner so applying, (b) strict application of the provision or restriction is unnecessary to carry out the general purpose of this Declaration and (c) the variance or exception would not be detrimental to any other Lot within the Project.

4.17. Violations of Restrictions. Violation of any of the covenants, conditions, restrictions, stipulations, or agreements contained in this Declaration shall give the Board of Trustees the right to enter upon the Lot on which said violation or breach exists, and to summarily abate and remove, at the expense of the Owner, any erection, thing or condition that may be or exist thereon contrary to the provisions hereof, without being deemed guilty of trespass. The result of every action or omission whereby any covenant, condition, restriction, stipulation, or agreement of this Declaration is violated, in whole or in part, is hereby declared to be and constitute a nuisance and every remedy allowed by law against a nuisance, either public or private, shall be applicable against such condition. Such remedy shall be deemed cumulative and not exclusive.

ARTICLE 5. ASSESSMENTS

5.1. Personal Liability and Lien. Each Owner shall, by acquiring or in any way becoming vested with an interest in a Lot, be deemed to covenant and agree to pay to the Association the Assessments described in this ARTICLE 5, together with interest, costs, and attorneys' fees, if and when applicable. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such Assessment is made until fully paid; and (b) the personal joint and several obligation of the Owner or Owners of such Lot at the time the Assessment becomes due. A lawsuit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may exempt itself or its Lot from liability for payment of Assessments by waiver of its rights in the Common Areas or by abandonment of its Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all such unpaid Assessments, interest, costs, and attorneys' fees which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

5.2. Purpose of Assessments. Assessments levied by the Association shall be used for the purpose of promoting the best interests of Lot Owners in the Project. Without limiting the generality of the foregoing, the use made by the Association of funds obtained from Assessments may include payment of the cost of: (a) taxes and insurance on the Common Areas; (b) maintenance, repairs, and improvements of the Common Areas; (c) establishment and funding of a reserve to cover major repairs, replacements or improvements in the Common Areas (contingent upon the prior unanimous consent of the Board of Trustees of the Association); and (d) any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under this Declaration or the Bylaws.

5.3. Annual Estimated Assessments. The Association shall determine annually on a fiscal year basis, the total Annual Assessment amount for the Project based upon advance estimates of cash requirements by the Association to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and the Project.

5.4. Apportionment of Assessments. Expenses attributable to the Common Areas and to the Project as a whole shall be apportioned among the Lots in proportion to their respective undivided interest in the Common Areas assessable by the Association.

5.5. Establishment, Notice, and Payment of Assessments. The Association shall determine the Annual Assessment amount for the Project (as set forth in SECTION 5.3 above) and give written notice to each Owner as to the amount of its share of the Assessment with respect to its Lot (divided into monthly installments) not less than thirty (30) days prior to the beginning of the next fiscal year; provided, however, that the first Annual Assessment shall be for the balance of the fiscal year remaining after the day fixed by the Association as the date of commencement of the Assessment. The Annual Assessment amount may be increased by the Association each fiscal year by not more than twenty-five percent (25%) more than the highest Annual Assessment of the previous three (3) years without the unanimous consent of the Board of Trustees of the Association (specifically excluding increases in the Assessment amount due to tax liability). The Annual Assessment shall be payable by each Lot Owner in equal monthly installments due on or before the first (1st) day of each month. Each monthly installment of the Annual Assessment shall accrue interest at the rate of one and one-half percent (1½%) per month, assessed and compounded daily, from the date it becomes due and payable if not paid within ten (10) days after such date.

5.6. Special Assessments. In addition to the Annual Assessments authorized hereunder, subject to any applicable approval requirements set forth in this Declaration, the Association may determine the amount and levy Special Assessments payable over such period as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Common Areas of the Project or any other part thereof, shortfalls in the Annual Assessments, or for any other expenses incurred or to be incurred as provided in this Declaration. Any amount assessed pursuant thereto shall be assessed to Owners in proportion to their respective undivided interest in and to the Common Areas. Notice in writing of the amount of any such Special Assessment and the time for payment thereof shall be given promptly to the Owners. A Special Assessment, or any portion thereof as determined by the Association, shall bear interest at the rate of one and one-half percent (1½%) per month, assessed and compounded daily, from the date it becomes due and payable if not paid within ten (10) days after such date. Unless otherwise agreed to by

the unanimous consent of the Board of Trustees of the Association, all major repairs, replacements, or improvements in the Common Areas that are anticipated to cost One Hundred Thousand Dollars (\$100,000) or more for any single item or in the aggregate, in any given fiscal year, will not be paid from any reserve funds maintained by the Association, but will be paid for by Special Assessment of the Lot Owners in proportion to said Lot Owners' respective undivided interest in the Common Areas.

5.7. Reimbursement Assessments on a Specific Lot. In addition to the Annual Assessments and any Special Assessments authorized herein, the Association may levy at any time Reimbursement Assessments: (a) on every Lot especially benefited by any improvement made by the written request of the Owner of the Lot to be charged; (b) on every Lot whose Owner or occupant has caused any damage to the Common Areas necessitating repairs; and (c) on every Lot as to which the Association shall incur any expense for maintenance or repair work performed, or enforcement action taken, pursuant to the provisions of this Declaration. The aggregate amount of any such Reimbursement Assessment shall be determined by the cost of such improvements, repairs, maintenance, or enforcement action, including all overhead and administrative costs, and shall be allocated among the affected Lots according to the special benefit or cause of damage, maintenance, repair work, or enforcement action, as the case may be, and such Reimbursement Assessment may be made in advance of the performance of work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to a Reimbursement Assessment against the Lot(s) benefited.

5.8. Liens for Unpaid Assessments. All sums assessed to any Lot pursuant to this ARTICLE 5, together with interest thereon as provided herein, and all costs, expenses, and attorneys' fees incurred, with or without lawsuit or before or after judgment, in collecting delinquent Assessments or accounts or foreclosing against the Lots concerned, shall be secured by a lien on such Lot in favor of the Association and, upon recording of a Notice of Lien by the Association shall be a lien upon the Lot prior to all other liens and encumbrances, recorded or unrecorded, except: (a) first-position Mortgages; and (b) tax and special assessment liens on the Lot in favor of any governmental assessment authority or special improvement district.

5.9. Consent by Lienors. All lienors acquiring liens on any Lot after this Declaration shall have been recorded shall be deemed to consent that such liens shall be inferior to future liens for Assessments, as provided herein, whether or not such consent be specifically set forth in the instrument creating such liens.

5.10. Notice of Lien. To evidence a lien for sums assessed pursuant to this ARTICLE 5, the Association may prepare a written Notice of Lien setting forth the amount of the Assessment, the due date, the amount remaining unpaid, the name of the Owner of the Lot, and a description of the Lot. Such Notice of Lien shall be signed by or on behalf of the Association and recorded in the office of the Utah County Recorder, State of Utah. No Notice of Lien shall be recorded until there is a delinquency in payment of the Assessment or any installment thereof. Such lien may be enforced by foreclosure by the Association in the same manner in which Mortgages on real property may be foreclosed in the State of Utah. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of filing the Notice of Lien, and all reasonable attorneys' fees. All such costs, expenses, and attorneys' fees shall be secured by the lien being foreclosed. The lien shall also secure, and the Owner shall also be required to pay to the Association, any Assessments against the Lot

which shall become due during the period of foreclosure. The Association shall have the right and the power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale to acquire, hold, convey, lease, rent, encumber, use, and otherwise deal with the subject Lot as the Owner thereof.

5.11. Release of Lien. A Release of Notice of Lien shall be executed by or on behalf of the Association and recorded in the office of the Utah County Recorder, State of Utah, upon payment of all sums secured by a lien which has been made the subject of a recorded Notice of Lien.

5.12. Payment by Encumbrancer. An encumbrancer holding a lien on a Lot may pay, but shall not be required to pay, any amounts secured by the lien created by this ARTICLE 5, and upon such payments such encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including priority. The Association, upon written request, payment of a reasonable fee, and evidence of such encumbrance, shall report to any encumbrancer of a Lot any unpaid Assessment remaining unpaid for longer than thirty (30) days after the same shall have become due and payable.

5.13. Information Concerning Unpaid Assessments. Upon payment of a reasonable fee, and upon written request of any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Lot, the Association shall issue a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Lot; the amount of the current Assessment and the portion thereof, if any, which has theretofore been paid; and credit for advance payments of prepaid items, including but not limited to, an Owner's share of prepaid insurance premiums. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.

5.14. Personal Liability of Purchaser. The personal obligation of an Owner to pay unpaid Assessments against its Lot as described herein shall not pass to successors in title unless assumed by them. However, a lien to secure unpaid Assessments shall not be affected by the sale or transfer of the Lot and shall not relieve any subsequent Owner from personal liability for the payment of future Assessments.

5.15. Assessment and Collection by Association. The Association under this Declaration will maintain the Common Areas of the Project, except as otherwise contained herein. The Association is authorized to determine the amount of Assessments and levy the same for the purposes of performing functions it is authorized to perform with the Project. With respect to the Lots in the Project, the Association is authorized to collect from the Lot Owners and enforce liability for the payment of Assessments levied pursuant to this Declaration.

5.16. Tax Liability. It is the objective of the Association to minimize its overall tax liability. To accomplish this Objective, the Lot Owners acknowledge and agree that the Assessments will be closely monitored and controlled by the Association in timing and amount so that the Assessments and expenses match as closely as possible for tax reporting and accounting purposes of the Lot Owners. In the event that the Association incurs any tax liability, such tax liability shall be apportioned among the Lot Owners in proportion to their respective undivided interest in the Common Areas assessable by the Association. In the event that applicable consolidation rules for federal and state income taxes require any Lot Owner to include the Association in said Lot Owner's consolidated income tax returns, then the

Association shall enter into an appropriate Tax Sharing Agreement with all Lot Owners to assure that any and all income tax liability borne by the particular Lot Owner as a result of the consolidation of the Association into said Lot Owner's consolidated income tax returns will be apportioned, assessed, and paid by all the Lot Owners in proportion to their respective undivided interest in the Common Areas.

ARTICLE 6. PROPERTY RIGHTS; CONVEYANCES; EASEMENTS

6.1. Easement Concerning Common Areas. Each Owner shall have a non-exclusive right and easement of use and enjoyment in and to the Common Areas. Each Owner shall have the right to vehicular and pedestrian ingress and egress over, upon, and across the Common Areas necessary for access to its Lot. Each Owner shall have the right to utilize the roadways, parking areas, and landscaped areas within the Common Areas. Such right and easement shall be appurtenant to, and shall pass with, title to each Lot and in no event shall be separated therefrom. Any Owner may delegate the right and easement of use and enjoyment described herein to any employee, agent, guest, lessee/tenant, customer, licensee, invitee, contract purchaser, or other person or entity that uses and/or occupies such Owner's Lot. Notwithstanding the foregoing, no Owner shall have any right or interest in any easements forming a portion of the Common Areas except for the necessary parking, access, communication, utility, drainage, and sewer purposes for which such easements are intended for use in common with others.

6.2. Form of Conveyancing. Any deed, lease, Mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved by said Lot's specific number/letter as shown on the Plat Maps on record in the office of the Utah County Recorder, State of Utah, and in substantially the following form:

The following described tract of land situated in Utah County, State of Utah, to wit:

TOGETHER WITH the undivided ownership interest in the Common Areas which is appurtenant to said Lot as more particularly described in said Declaration and said Plat Map (as said Declaration and Plat Map may have been amended or supplemented).

SUBJECT TO restrictions, covenants, easements, and rights-of-way of record, visible by inspection or otherwise.

Whether or not the description employed in any such instrument is in the above-specified form, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

6.3. Leasing. A Lot Owner may lease all or a portion of the Building on its Lot in accordance with the use and occupancy requirements set forth herein. All leases and subleases of all or a portion of the Building on a particular Lot shall be in writing executed by the appropriate parties, and, except for leases or subleases in existence prior to the date of this Declaration, shall be subject in all respects to the provisions of this Declaration and the Bylaws of the Association, and any failure by the lessee/tenant to comply with the terms of such documents shall be a default under the lease.

6.4. Limitations on Common Areas. An Owner's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

6.4.1. The right of the Association to govern by Rules and Regulations the use and operation of the Common Areas by the Owners.

6.4.2. The right of the City of Orem, County of Utah, State of Utah, and any other governmental or quasi-governmental body having jurisdiction over the Project to have access to and rights of ingress and egress over and across any street, parking area, sidewalk, walkway, or open area contained within the Common Areas for the purpose of providing police and fire protection and providing any other governmental or municipal service.

6.4.3. The right of the Association to dedicate or transfer any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association; provided that such dedication or transfer must first be consented to in writing by: (a) all holders of Mortgages secured by Lots; and all Owners of the Lots.

6.5. Easement for Utility Services. There is hereby created a blanket easement upon, across, under, and over the Common Areas for ingress, egress, installation, replacing, repairing, and maintaining all utilities, including but not limited to, water (irrigation and culinary), drainage, sewer, natural gas, telephone, cable television, communication, fiber optic cables, network cabling conduits, electricity, and other utility services, as shall be under the control and direction of the Association. Within such easement, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities.

6.6. Easement for Encroachments. If any part of the Common Areas now or hereafter encroaches upon any Lot, a valid easement for such encroachment and the maintenance thereof, so long as it continues, shall exist. Such encroachments shall not be considered to be encumbrances on either the Common Areas or the Lots. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original placement and construction of the Building(s) on the Lots, by error in the Plat Maps, by settling, raising, or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

6.7. Easement for Construction and Development Activities. The Association and each Lot Owner, including Owners of annexed land as set forth in SECTION 2.4, shall have such

easements and vehicular and pedestrian rights of ingress and egress over, under, upon, across, and through the Project, and the right to make such noise, dust, and other disturbance as may be reasonably incident to or necessary for the: (a) construction of Buildings and other improvements on the Lots; (b) improvement of the Common Areas and construction, installation, and maintenance of roads, parking areas, sidewalks, walkways, structures, landscaping, and other improvements designed for the use and enjoyment of some or all of the Owners; and (c) construction, installation, and maintenance on lands within, adjacent to, or serving the Project of roads, walkways, and other facilities planned for dedication to appropriate governmental authorities.

7.2.3. The primary construction of the exterior of the Buildings is a combination of brick, rock, and aluminum panel.

8.2. Use of Lots. Each of the Lots in the Project is intended to be used for professional and commercial uses as permitted by applicable zoning and other applicable laws.

8.3. Enforcement of Declaration. The following persons or entities have the right to exercise or seek any remedy at law or in equity to enforce strict compliance with this Declaration: (a) any Owner; or (b) the Association. The prevailing party in an action for the enforcement of any provisions of this Declaration shall be entitled to collect court costs and reasonable attorneys' fees from the non-prevailing party.

8.5. Miscellaneous Restrictions.

8.5.1 Nothing shall be done to or kept in or on any Lot or the Common Areas or any part thereof which would result in the cancellation of the insurance of the Project or any part thereof, or increase the rate of the insurance on the Project or any part thereof over what the Association, but for such activity, would pay, without the prior written consent of the Association. If any activity occurring or materials stored or used on a Lot or the Common Areas results in an increase in any insurance premium for the Project, the Owner responsible must pay

the increase in the premium, due at the time the premium is due. The cost of such increase shall be assessed against the Owner responsible therefor and such Assessment shall be secured by a lien on such Owner's Lot in favor of the Association in accordance with SECTION 5.8.

8.5.2 Nothing shall be done to or kept in or on any Lot or the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental body.

8.5.3 No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or any employee, agent, lessee/tenant, guest, customer, licensee, or invitee of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all losses resulting from any such damage or waste caused thereby.

8.5.5 No noxious, destructive, or offensive activity or occurrence shall be conducted or permitted in or on any Lot or the Common Areas or any part thereof, nor shall anything be done therein which may be or may become an annoyance or nuisance to any other Owner in the Project. If the day of the annual meeting of the Members is a Saturday, Sunday, or legal holiday, the meeting will be held at the same hour on the following day which is not a Saturday, Sunday, or legal holiday.

3.2 Special Meetings. Special meetings of the Members may be called at any time by the Board of Trustees or at least fifty percent (50%) of the votes of all of the Members.

3.3 Notice of Meetings. Written notice of each meeting of the Members shall be given by, or at the direction of, the Secretary of the Association, by mailing a copy of such notice, postage prepaid, at least ten (10) days but not more than sixty (60) days before such meeting to each Member entitled to vote thereat, addressed to the Member's address appearing on the books of the Association or supplied by such Member to the Association for the purpose of notice. Such notice shall specify the place, day, and hour of the meeting, and in the case of a Special Meeting, the purpose of the meeting.

By resolution of the Board of Trustees, the Trustees may be paid their expenses, if any, of attendance at each meeting of the Board of Trustees, and may be paid a fixed sum for attendance at each meeting of the Board of Trustees or a stated salary as Trustee. No such payment shall preclude any Trustee from serving the Association in any other capacity and receiving compensation therefore.

4.15 Emergency Power. When, due to a natural disaster or death, a majority of the Trustees are incapacitated or otherwise unable to function as Trustees, the remaining members of the Board of Trustees shall have all the power necessary to function as a complete Board, and, for the purpose of doing business and filling vacancies, shall constitute a quorum until such time as all Trustees can attend or vacancies can be filled pursuant to these Bylaws.

4.16 Informal Resolution of Board of Trustees. Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within ten (10) days after the due date, the Assessment shall bear interest from the date of delinquency until paid in full at the rate of one and one-half percent (1½%) per month, assessed and compounded daily, and the Association may bring an action at law against the Owner personally obligated to pay the same and/or foreclose the Lien against the Lot, and interest, costs, and reasonable attorneys' fees of any such action shall be added to the amount of such Assessment. No Officer or Trustee shall be personally liable for any obligations of the Association or for any duties or obligations arising out of any acts or conduct of said Officer or Trustee performed for or on behalf of the Association. The Association shall and does hereby indemnify and hold harmless each entity or person, and its/his/her shareholders, directors, officers, managers, employees, and other agents, heirs, executors, and administrators, who shall serve at any time hereafter as a Trustee or Officer of the Association from and against any and all claims, judgments, and liabilities to which such entities or persons shall become subject by reason of its/his/her having heretofore or hereafter been a Trustee or Officer of the Association, or by reason of any action alleged to have been heretofore or hereafter taken or omitted to have been taken by it/him/her as such Trustee or Officer, and shall reimburse each such party for all legal and other expenses reasonably incurred by it/him/her in connection with any such claim or liability, including power to defend such party from all suits or claims; provided, however, that no such party shall be indemnified against, or be reimbursed for, any expense incurred in connection with any claim or liability arising out of such party's own gross negligence or willful misconduct. The rights accruing to any party under the foregoing provisions of this Section shall not exclude any other right to which such party may lawfully be entitled, nor shall anything herein contained restrict the right of the Association to indemnify or reimburse such party in any proper case, even though not specifically provided for herein. The Association, its Trustees, Officers, employees, and agents shall be fully protected in taking any action or making any payment, or in refusing so to do, in reliance upon the advice of counsel.

10.2 Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding as contemplated in this Article may be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon a majority vote of a quorum of the Board of Trustees and receipt of an undertaking to repay such amounts advanced unless it is ultimately determined that indemnification by the Association is not authorized by this Article or otherwise.

10.3 Other Indemnification. The indemnification herein provided shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any law, agreement, vote of Members, or otherwise, both as to action in such party's official capacity and as to action in another capacity while holding such office, and shall continue as to an entity or person that has ceased to be a Trustee, Officer, employee, or agent, and shall inure to the benefit of the successors, assigns, heirs, executors, and administrators of such party.

10.4 Insurance. The Association may, but is not required to, purchase and maintain insurance on behalf of any entity or person who is or was a Trustee, Officer, employee, or agent of the Association, or is or was serving at the request of the Association as a trustee, officer, employee, or agent of another corporation, partnership, limited liability company, joint venture, trust, or other enterprise against any liability asserted against such party and incurred by such party in any such capacity, or arising out of such party's status as such, whether or not the Association would have the power to indemnify such party against liability under the provisions of this Section.

10.5 Settlement by Association. The right of any entity or person to be indemnified shall be subject always to the right of the Association by its Board of Trustees, in lieu of such indemnity, to settle any such claim, action, suit, or proceeding at the expense of the Association by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

10.6 Payments and Premiums. Any indemnification payments made, and the insurance premiums for any insurance maintained pursuant to this Article, may constitute a Common Expense of the Association and be paid by way of Assessment against the Owners, as determined in the sole discretion of the Board of Trustees.

ARTICLE 11. GENERAL PROVISIONS

11.1 Waiver of Notice. Whenever any notice is required to be given to any Member or Trustee of the Association under the provisions of these Bylaws, the Articles of Incorporation of the Association, or the Declaration, a waiver thereof in writing signed by the entity or person entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.
