Should Trustor subsequently obtain knowledge that such representation was or is untrue, Trustor shall immediately notify Beneficiary as to the untrue nature of said representation and agrees to take such action as may be necessary to cause such representation to become true.

**ARTICLE 2.
COVENANTS AND AGREEMENTS**

Trustor further covenants and agrees for the benefit of Beneficiary, its successors and assigns, as follows:

SECTION 2.1 PAYMENT OF INDEBTEDNESS; OBSERVANCE OF COVENANTS.

Trustor will duly and punctually pay each and every installment of principal, premium, if any, and interest on the Note, all deposits required herein, and all other Indebtedness, as and when the same shall become due, and shall duly and punctually perform and observe all of the covenants, agreements and provisions contained herein, in the Note and any other Loan Documents, as such instrument may be amended, modified, restated and in effect from time to time.

SECTION 2.2 MAINTENANCE; REPAIRS.

Trustor agrees that it will keep and maintain the Premises in good repair and operating condition free from any waste or misuse, and will comply with all requirements of law, municipal ordinances and regulations, restrictions and covenants affecting the Premises and their use, subject to Article 5 hereof, and to the extent Beneficiary makes insurance proceeds available, will promptly repair or restore any buildings, improvements or structures now or hereafter on the Premises, which may become damaged or destroyed, to their condition prior to any such damage or destruction. Except for the removal and replacement of personal property and fixtures in the ordinary course of Trustor's business, Trustor further agrees that without the prior written consent of Beneficiary, it will not remove or expand any improvements on the Premises, erect any new improvements or make any material alterations in any improvements which will alter the basic structure, adversely affect the market value or change the existing architectural character of the Premises, and agrees that any other buildings, structures and improvements now or hereafter constructed on or in the Premises or material repairs made to the Premises shall be completed in a good and workmanlike manner, in accordance with all applicable governmental laws, regulations, requirements and permits and in accordance with plans and specifications previously delivered to, and approved in advance and in writing by Beneficiary. Trustor agrees not to acquiesce in any rezoning classification, modification or restriction affecting the Premises without the written consent of Beneficiary. Trustor agrees that it will not abandon or vacate the Premises. Trustor agrees that it will provide, improve, grade, surface and thereafter maintain, clean, repair and adequately light all parking areas within the Premises, together with any sidewalks, aisles, streets, driveways and curb cuts and sufficient paved areas for ingress and right-of-way to and from the adjacent public thoroughfare necessary or desirable for the use thereof and maintain all landscaping thereon.

SECTION 2.3 PAYMENT OF OPERATING COSTS; LIENS; AND OTHER INDEBTEDNESS.

Trustor agrees that it will pay all operating costs and expenses of the Premises; subject to the provisions of Section 2.5, keep the Premises free from mechanics' liens, materialmen's liens, judgment liens and other liens, executions, attachments or levies (hereinafter collectively referred to as "Liens"); and will pay when due all permitted indebtedness which may be secured by a deed of trust, lien or charge on the Premises, whether prior to, subordinate to or of equal priority with the lien hereof, and upon request will exhibit to Beneficiary satisfactory evidence of such payment and discharge.

SECTION 2.4 PAYMENT OF IMPOSITIONS.

Subject to the provisions of Section 3.2, Trustor will pay when due and before any penalty or interest attaches because of delinquency in payment, all taxes, installments of assessments, water charges, sewer charges, and other fees, taxes, charges and assessments of every kind and nature whatsoever assessed or charged against or constituting a lien on the Premises or any interest therein or the Indebtedness (hereinafter collectively referred to as the "Impositions"); and will upon demand furnish to Beneficiary proof of the payment of any such

Impositions. In the event of a court decree or an enactment after the date hereof by any legislative authority of any law imposing upon a Beneficiary the payment of the whole or any part of the Impositions herein required to be paid by Trustor, or changing in any way the laws relating to the taxation of mortgages or debts secured by mortgages or a Beneficiary's interest in mortgaged premises, so as to impose such Imposition on Beneficiary or on the interest of Beneficiary in the Premises, then, in any such event, Trustor shall bear and pay the full amount of such Imposition, provided that if for any reason payment by Trustor of any such Imposition would be unlawful, or if the payment thereof would constitute usury or render the Indebtedness wholly or partially usurious, Beneficiary, at its option, may, upon 90 days prior notice, declare the whole sum secured by this Deed of Trust with interest thereon to be immediately due and payable, without payment of a Prepayment Premium (as such term is defined in the Note and hereinafter referred to as the "Prepayment Premium"), or Beneficiary, at its option, may pay that amount or portion of such Imposition as renders the Indebtedness unlawful or usurious, in which event Trustor shall concurrently therewith pay the remaining lawful and non-usurious portion or balance of said Imposition.

SECTION 2.5 CONTEST OF LIENS AND IMPOSITIONS.

Trustor shall have the right to contest in good faith the validity or amount of any Imposition or lien arising from any work performed at or materials furnished to the Premises which right, however, is conditional upon (i) such contest having the effect of preventing the collection of the tax, assessment or lien so contested and the sale or forfeiture of the Premises or any part thereof or interest therein to satisfy the same, (ii) Trustor giving Beneficiary written notice of its intention to contest the same in a timely manner, which, with respect to any contested tax or assessment, shall mean before any such tax, assessment or lien has been increased by any penalties or costs, and with respect to any contested mechanic's lien claim, shall mean within thirty (30) days after Trustor receives actual notice of the filing thereof, (iii) except to the extent Trustor has paid such taxes under protest, Trustor making and thereafter maintaining with Beneficiary or such other depository as Beneficiary may designate, a deposit of cash (or United States government securities, in discount form, or other security as may, in Beneficiary's sole discretion, be acceptable to Beneficiary, and in either case having a present value equal to the amount herein specified) in an amount no less than One Hundred Twenty-Five Percent (125%) of the amount which, in Beneficiary's reasonable opinion, determined from time to time, shall be sufficient to pay in full such contested tax, assessment or lien and penalties, costs and interest that may become due thereon in the event of a final determination thereof adverse to Trustor or in the event Trustor fails to prosecute such contest as herein required, or in lieu thereof, Trustor providing to Beneficiary title insurance over such matters in form and substance reasonably acceptable to Beneficiary, and (iv) Trustor diligently prosecuting such contest by appropriate legal proceedings. In the event Trustor shall fail to prosecute such contest with reasonable diligence or shall fail to maintain sufficient funds, or other security as aforesaid, on deposit as hereinabove provided, Beneficiary may, at its option, liquidate the securities deposited with Beneficiary, and apply the proceeds thereof and other monies deposited with Beneficiary in payment of, or on account of, such taxes, assessments, or liens or any portion thereof then unpaid, including the payment of all penalties and interest thereon.

SECTION 2.6 PROTECTION OF SECURITY.

Trustor agrees to promptly notify Beneficiary of and appear in and defend any suit, action or proceeding that affects the value of the Premises, the Indebtedness or the rights or interest of Beneficiary hereunder. All of the above required statements shall be prepared in adequate detail and shall conform to generally accepted accounting principles. In the event Trustor fails to furnish any of the above statements and such failure continues for ten (10) days after written notice from Beneficiary, Beneficiary may cause an audit to be made of the respective books and records at the sole cost and expense of Trustor. Beneficiary also shall have the right upon 48 hours prior notice and during normal business hours to examine at their place of safekeeping all books, accounts and records relating to the operation of the Premises and make copies thereof or extracts therefrom and to discuss the affairs, finances or accounts with the Principal(s) (as such term is hereinafter defined) and employees of Trustor and its independent accountants. Said examination shall be at Beneficiary's expense unless Trustor's statements are found to contain significant discrepancies, in which case the examination shall be at Trustor's expense. Trustor shall also furnish a rent roll of all tenants having leases on the Premises, certified by Trustor as to accuracy; the rent roll shall include the following information: tenant name, suite/unit number, if any; net rentable square feet covered by the applicable Lease; annual rent rate per net rentable square foot; commencement and expiration dates of the Lease; next rental adjustment date; and any options for renewal and/or rent concessions. The Trustor shall also provide on an annual basis (within one hundred twenty (120) days of the close of Trustor's fiscal year) a separate balance sheet and a separate income and expense statement for the Premises certified as to accuracy by an appropriate authorized representative of Trustor if such information is not otherwise included in the balance sheet and income and expense statement of the Trustor. In addition, within thirty (30) days of Beneficiary's request, the Trustor shall provide a balance for the Premises, an income and expense statement for the Premises and a rent roll for the Premises (with the information as required above) all for the most recently completed calendar quarter and each certified as to accuracy by an appropriate authorized representative of Trustor.

SECTION 2.8 ADDITIONAL ASSURANCES.

Trustor agrees, and hereby authorizes Beneficiary to file on its behalf, upon request by Beneficiary to execute and deliver further instruments, replacement documents, correcting documents, financing statements and/or continuation statements under the Uniform Commercial Code and assurances and will do such further acts as may be necessary or proper to carry out more effectively the purposes of this Deed of Trust and to provide the requisite loan documentation, security and collateral as contemplated by the loan application or loan commitment submitted or issued in connection with the Loan and without limiting the foregoing, to make subject to the lien hereof any property agreed to be subjected hereto or covered by the granting clause hereof, or intended so to be. Trustor agrees to pay any recording fees, filing fees, stamp taxes or other charges arising out of or incident to the filing, the issuance and delivery of the Note, the filing or recording of this Deed of Trust or the delivery and recording of such further assurances and instruments as may be required pursuant to the terms of this Section.

SECTION 2.9 DUE ON SALE.

A. In the event Trustor shall request the consent of Beneficiary to any transfer in accordance with this **Section 2.9**, Trustor shall deliver a written request to Beneficiary together with complete information regarding such conveyance or encumbrance (including complete information concerning the person or entity to acquire the interest conveyed). Beneficiary shall be allowed thirty (30) days after receipt of all requested information for evaluation of such request. In the event that such request is not approved within such thirty (30) day period, it shall be deemed not approved. Beneficiary may charge an administrative fee to process any such sale, conveyance, transfer, Deed of Trust or other encumbrance. Approval may be conditioned upon

payment of a transfer fee and such modifications of the loan terms, interest rate, and maturity date as determined by Beneficiary in its sole discretion. Consent as to any one transaction shall not be deemed to be a waiver of the right to require consent to future or successive transactions.

C. If the Premises should be transferred to a partnership, to a trust, to a privately held corporation or to a limited liability company pursuant to the terms of this Section 2.9 during the term of this Deed of Trust, thereafter a subsequent transfer of a partnership interest, a beneficial interest, a corporate stock interest or a member interest in either the successor entity or in any entity which holds an ownership interest in such successor entity shall constitute a conveyance for purposes of this Section 2.9, and the consent of Beneficiary shall be required.

D. Notwithstanding to the contrary in this Section 2.9, Trustor shall have a one-time right, provided there is no default or an event which, with notice or the passage of time, or both, could result in a default by Trustor under the Loan Documents, to assign, sell or transfer all of the Premises (the "Permitted Transfer") to a party with experience, satisfactory to Beneficiary, in managing property similar to the Premises, and whose financial condition is satisfactory to Beneficiary ("Permitted Transferee"). The Permitted Transfer shall be further conditioned upon:

(a) The payment by Trustor to Beneficiary of a transfer fee equal to 1% of the outstanding principal balance of the Note (a nonrefundable \$5,000 deposit toward such transfer fee shall be due at the time Trustor initially requests a Permitted Transfer, the balance of the transfer fee shall be due on the closing of the transaction);

(b) The reimbursement of all of Beneficiary's expenses, including legal fees, incurred in connection with the Permitted Transfer;

(c) The Permitted Transferee and such general partners or principals of Permitted Transferee as Beneficiary may request, assuming, in form and substance satisfactory to Beneficiary, all obligations of Trustor under the loan documents (said loan documents not open to negotiation), including, without limitation, the Environmental Indemnity Agreement and Guaranty, with the same degree of recourse liability as Trustor and subject to the same exculpatory provisions;

(d) Beneficiary's receipt of a title policy complying with the requirements of this Application, updated to the date of the Permitted Transfer, evidencing that such Permitted Transfer will not adversely affect Beneficiary's first and prior lien on the Real Property and Improvements or any other rights or interests granted to Beneficiary under the loan documents;

(e) Beneficiary's receipt of opinions of counsel acceptable to Beneficiary that all previous opinions, pertaining to Trustor are true with respect to the Permitted Transferee and the Permitted Transferee has duly assumed the loan documents, and same are valid and enforceable against Permitted Transferee and the Real Property and Improvements and that Trustor has the requisite power and authority to properly transfer the Real Property and Improvements;

(f) The Real Property and Improvements having maintained a Debt Coverage Ratio of not less than 200% for the 12 month period ending 30 days before the date of the Permitted Transfer and the Real Property and Improvements having a projected Debt Coverage Ratio for the next 12 months based on the most recently approved and certified financial statements and annual rent roll of not less than 200%;

(g) Beneficiary's receipt and approval of the purchase and sale contract and copies of the proposed transfer documentation;

(h) Beneficiary's receipt and approval of the Permitted Transferee's resume and financial statements;

(i) Beneficiary's receipt and approval of an updated MAI appraisal by an appraiser satisfactory to Beneficiary (prepared at Trustor's expense) specifically confirming a loan to value ratio of no more than 50%;

(j) The rights granted to Trustor in this Section are personal to Trustor, shall be extinguished after the exercise thereof; shall not inure to the benefit of any subsequent assignee, owner or transferee of the Real Property and Improvements, and shall be binding upon any subsequent holder of the Note; and

(k) Definitions:

(1) Net Operating Income ("NOI"). For the purposes of this Application, projected "Net Operating Income" shall mean:

(i) All gross operating revenues received during the previous twelve-month period as of the date of such request based on leases in effect and all miscellaneous income (collectively "Gross Revenues"), less:

(ii) All actual amounts for the operation or maintenance of the Real Property and Improvements for the previous twelve-month period, including ground rents, the cost of property management, maintenance and repairs, cleaning, security, landscaping, parking maintenance, utilities, and stabilized real estate taxes and other assessments, insurance premiums, repairs, and future replacement reserves. In no case shall the annual expenses be less than the Beneficiary's underwritten amount or the previous year's actual expenses, assuming stabilized real estate taxes.

ARTICLE 3. INSURANCE AND ESCROWS

SECTION 3.1 INSURANCE.

Trustor shall obtain and keep in full force and effect during the term of this Deed of Trust at its sole cost and expense the following insurance:

(a) commercial property insurance written on a "Special (Cause of Loss) Form" basis with full replacement cost coverage and a covered event deductible not greater than \$25,000.00, but larger deductibles may be approved on a case by case basis in Beneficiary's sole direction. In no event shall the property and improvements limit of the policy be less than the outstanding Principal Balance of the Loan (unless prohibited by applicable law). If applicable, coverage for flood, mold, earthquake, sprinkler and sprinkler leakage and boiler/machinery breakdown are required if available at a commercially reasonable premium as determined by Beneficiary. Also, this policy shall provide coverage for loss of business income (including rental value) for a twelve (12) month period (with a loss payee clause naming Beneficiary). The insurance policy shall also include a Beneficiary clause naming Beneficiary as loss payee in the event of a covered loss.

(b) commercial general liability insurance written on an "Occurrence Form" basis with coverage for bodily injury and property damage for claims arising from any insurable activity in, on or about the Premises. The limit of liability shall be not less than \$3,000,000.00 per occurrence/annual aggregate with a per occurrence deductible not greater than \$25,000.00. Insurer shall grant the Beneficiary additional insured status on this policy.

(c) all other appropriate insurance as Beneficiary may require from time to time and in the amount Beneficiary may require from time to time.

All policies shall have a waiver of subrogation provision acceptable to Beneficiary.

Such insurance policies shall be written by insurance companies licensed to do business in the State where the Premises are located, having a minimum noncontingent rating in Best's Key Rating Guide of A-, with a financial class size of VI or better and shall otherwise be satisfactory to Beneficiary as to amount, form, deductibles and insurer, and must cover all risks Beneficiary requires. Trustor shall replace any required insurance in the event of insurer's insolvency or if the financial rating of the insurer shall fall below the required rating. Such insurance policies and endorsements (i) shall be manually signed (unless waived by Beneficiary in writing), (ii) shall name as the insured parties Trustor and Beneficiary as their interests may appear, (iii) shall be in amounts sufficient to prevent Trustor from becoming a co-insurer of any loss thereunder, (iv) shall bear a satisfactory first Beneficiary clause in favor of Beneficiary with loss proceeds under any such policies to be made payable to Beneficiary, and (v) shall contain such other endorsements as Beneficiary may require. All required policies of insurance or acceptable certificates thereof, together with evidence of the payment of current premiums therefore, shall be delivered to Beneficiary and shall provide that Beneficiary shall receive at least thirty (30) days' advance written notice prior to cancellation, amendment or termination of any such policy of insurance. Trustor shall, within thirty (30) days prior to the expiration of any such policy, deliver other original policies of the insurer evidencing the renewal of such insurance together with evidence of the payment of current premiums therefore. Trustor shall at its expense furnish evidence of the replacement value of the improvements on the Premises in form satisfactory to Beneficiary on renewal of insurance policies or upon request of Beneficiary. Insurance coverage must at all times be maintained in proper relationship to such replacement value and must always provide for agreed amount coverage. Failure to maintain proper insurance shall be an Event of Default hereunder. In the event of a foreclosure of this Deed of Trust or any acquisition of the Premises by Beneficiary, all such policies and any proceeds payable therefrom, whether payable before or after a foreclosure sale, or during the period of redemption, if any, shall become the absolute property of Beneficiary to be utilized at its discretion. In the event of foreclosure or the failure to obtain and keep any required insurance, Trustor empowers Beneficiary to effect insurance upon the Premises at Trustor's expense and for the benefit of Beneficiary in the amounts and types aforesaid for such period of time as Beneficiary deems appropriate, including a period of time covering the time of redemption from foreclosure sale, and if necessary therefore, to cancel any or all existing insurance policies. Trustor agrees to furnish Beneficiary copies of all inspection reports and insurance recommendations received by Trustor from any insurer. Beneficiary makes no representations that the above insurance requirements are adequate protection for a prudent company. If a tenant of Trustor is required to maintain insurance under any lease terms and provisions, Beneficiary will accept such policy or policies, provided the same meet the requirements hereinabove recited. In the event that the tenant fails to maintain such insurance, Trustor will obtain the policy or policies required herein. Trustor may provide the required insurance through a blanket policy.

SECTION 3.2 **ESCROWS.**

Trustor shall deposit with Beneficiary, or at Beneficiary's request, with its servicing agent, on the first (1st) day of each and every month, commencing with the date the first payment of interest and/or principal and interest shall become due on the Indebtedness, a deposit to pay the Impositions and insurance premiums (hereinafter collectively referred to as the "Charges") in an amount equal to:

(a) One-twelfth (1/12) of the annual Impositions next to become due upon the Premises; provided that, with the first such deposit, there shall be deposited in addition an amount as estimated by Beneficiary which, when added to monthly deposits to be made thereafter as provided for herein, shall assure to Beneficiary's satisfaction that there will be sufficient funds on deposit to pay the Impositions as they come due; plus

(b) One-twelfth (1/12) of the annual premiums on each policy of insurance required to be maintained hereunder; provided that with the first such deposit there shall be deposited, in addition, an amount equal to one-twelfth (1/12) of such annual insurance premiums multiplied by the number of months elapsed between the date premiums on each policy were last paid to and including the date of deposit; provided that the amount of such deposits shall be based upon Beneficiary's estimate as to the amount of Impositions and premiums of insurance next to be payable and may require that the full amount of such payment will be available to Beneficiary at least one month in advance of the due date. Beneficiary, or its servicing agent will, upon timely presentation to Beneficiary by Trustor of the bills therefor, pay the Charges from such deposits. Trustor agrees to cooperate and assist in obtaining of tax bills when requested by Beneficiary or its servicing agent. In the event the deposits on hand shall not be sufficient to pay all of the estimated Charges when the same shall become due from time to time, or the prior deposits shall be less than the currently estimated monthly amounts, then Trustor shall immediately pay to Beneficiary, or its servicing agent, on demand, any amount necessary to make up the deficiency. The excess of any such deposits shall be credited towards subsequent Charges.

If an Event of Default shall occur under the terms of this Deed of Trust, Beneficiary may, at its option, without being required so to do, apply any deposits on hand to the payment of Charges whether then due or not or to the Indebtedness, in such order and manner as Beneficiary may elect. When the Indebtedness has been fully paid any remaining deposits shall be returned to Trustor as its interest may appear. All deposits are hereby pledged as additional security for the Indebtedness, shall be held for the purposes for which made as herein provided, may be held by Beneficiary or its servicing agent, shall be held without allowance of interest thereon and without fiduciary responsibility on the part of Beneficiary or its agents and shall not be subject to the direction or control of Trustor. Neither Beneficiary nor its servicing agent shall be liable for any act or omission made or taken in good faith. In making any payments, Beneficiary or its servicing agent may rely on any statement, bill or estimate procured from or issued by the payee without inquiry into the validity or accuracy of the same. If the taxes shown in the tax statement shall be levied on property more extensive than the Premises, Beneficiary shall be under no duty to seek a tax division or apportionment of the tax bill, and any payment of taxes based on a larger

parcel shall be paid by Trustor and Trustor shall expeditiously cause a tax subdivision to be made.

ARTICLE 4.

Trustor hereby authorizes Beneficiary to cause any financing statement or fixture filing to be filed or recorded without the necessity of any signature of Trustor on such financing statement or fixture filing.

SECTION 4.3 REPRESENTATIONS AND AGREEMENTS.

Trustor represents and agrees: (a) Trustor is and will be the true and lawful owner of the Collateral, subject to no liens, Charges, security interest and encumbrances other than the lien hereof and the Permitted Encumbrances; (b) the Collateral is to be used by Trustor solely for business purposes being installed upon the Premises for Trustor’s own use or as the equipment and furnishings leased or furnished by Trustor, as landlord, to tenants of the Premises; (c) the

Trustor further authorizes Beneficiary to file such amendments or continuation statements as Beneficiary determines necessary or desirable from time to time to perfect or continue the lien of Beneficiary's security interest in the Collateral.

SECTION 4.4 MAINTENANCE OF PREMISES.

Subject to the provisions of this Section, in any instance where Trustor in its discretion determines that any item subject to a security interest under this Deed of Trust has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary for the operation of the Premises, Trustor may, at its expense, remove and dispose of it and substitute and install other items not necessarily having the same function, provided, that such removal and substitution shall be of comparable quality and shall not impair the operating utility and unity of the Premises. All substituted items shall become a part of the Premises and subject to the lien of this Deed of Trust. Any amounts received or allowed Trustor upon the sale or other disposition of

the removed items of property shall be applied only against the cost of acquisition and installation of the substituted items. Nothing herein contained shall be construed to prevent any tenant or subtenant from removing from the Premises trade fixtures, furniture and equipment installed by it and removable by such tenant under the terms of its lease, on the condition, however, that all damages to the Premises resulting from or caused by the removal thereof be repaired at the sole cost of Trustor if such tenant shall fail to so repair.

SECTION 4.5 PLEDGE OF MONIES HELD.

Trustor hereby pledges to Beneficiary any and all monies now or hereafter held by Beneficiary or its servicing agent or escrow agent, including, without limitation, any sums deposited in the account for Charges in accordance with Section 3.2 hereof, any net Insurance Proceeds or condemnation awards deposited with Beneficiary in accordance with Sections 5.1 and 5.2 hereof (collectively, “**Deposits**”), as additional security for the Indebtedness until expended or applied as provided in this Deed of Trust.

ARTICLE 5. **APPLICATION OF INSURANCE AND AWARDS**

SECTION 5.1 DAMAGE OR DESTRUCTION OF THE PREMISES.

Trustor will give Beneficiary prompt notice of any damage to or destruction of the Premises, and hereby assigns, transfers, and sets over to Mortgagee the entire amount of Insurance Proceeds (hereinafter defined) for damages for all or any part of the Premises and in case of loss covered by policies of insurance, Beneficiary (whether before or after foreclosure sale) is hereby authorized at its option to settle and adjust any claim arising out of such policies and collect and receive the proceeds payable therefrom (the “**Insurance Proceeds**”) Upon receipt by Trustor of any Insurance Proceeds from an Insured Casualty, Trustor shall deliver the same to Beneficiary to be held and applied pursuant to the provisions of this Article 5. Any restoration, repair or rebuilding of the Improvements upon the Premises shall be to the same condition as prior to the Insured Casualty. Any expense incurred by Beneficiary in the adjustment and collection of Insurance Proceeds (including the cost of any independent appraisal of the loss or damage on behalf of Beneficiary) shall be reimbursed to Beneficiary first out of any such Insurance Proceeds. Except as specifically provided in Section 5.3 below, the Insurance Proceeds or any part thereof shall be applied to reduction of the Indebtedness then most remotely to be paid, whether due or not, or to the restoration or repair of the Premises, the choice of application to be solely at the discretion of Beneficiary. In the event Beneficiary does not make Insurance Proceeds available for restoration and applies the Insurance Proceeds to payment of the Indebtedness no Prepayment Premium shall be due on the Insurance Proceeds so applied so long as there is no Event of Default. Notwithstanding the adequacy of the Insurance Proceeds, but so long as Beneficiary makes the Insurance Proceeds available for repair, Trustor shall restore the Premises to its condition prior to the casualty.

SECTION 5.2 CONDEMNATION.

Trustor will give Beneficiary prompt notice of any action, actual or, to Trustor's knowledge, threatened, in Condemnation (as defined herein) or eminent domain and hereby assigns, transfers, and sets over to Beneficiary the entire proceeds of any award or claim for damages, or payments made in lieu thereof ("**Condemnation Proceeds**"), for all or any part of the Premises taken or damaged under the power of eminent domain or condemnation ("**Condemnation**"), Beneficiary being hereby authorized to intervene in any such action and to collect and receive from the condemning authorities and give proper receipts and acquittances for such Condemnation Proceeds. Trustor will not enter into any agreements with the condemning authority permitting or consenting to the taking of the Premises unless prior written consent of Beneficiary is obtained. Any expenses incurred by Beneficiary in intervening in such action or collecting Condemnation Proceeds (including the cost of any independent appraisal) shall be reimbursed to Beneficiary first out of the Condemnation Proceeds prior to other payments or disbursements. Trustor shall deliver all Condemnation Proceeds to Beneficiary within five (5) days of receipt thereof and shall at Beneficiary's request direct the condemning authority to deliver the Condemnation Proceeds to Beneficiary. The Condemnation Proceeds or any part thereof shall be applied upon or in reduction of the Indebtedness then most remotely to be paid, whether due or not, or to the restoration or repair of the Premises, the choice of application to be solely at the discretion of Beneficiary. In the event Beneficiary does not make Condemnation Proceeds available for restoration and applies the Condemnation Proceeds to payment of debt, no Prepayment Premium shall be due on the Condemnation Proceeds so applied so long as there is no Event of Default. Notwithstanding the adequacy of Condemnation Proceeds, Trustor shall restore the Premises, to the extent possible, to its condition prior to the Condemnation.

SECTION 5.3 BENEFICIARY TO MAKE INSURANCE PROCEEDS AVAILABLE UNDER CERTAIN CONDITIONS.

Notwithstanding the provisions of Section 5.1 above, in the event of any insured damage or destruction of the Premises or any part thereof (hereinafter an "Insured Casualty") and if, in the reasonable judgment of Beneficiary, the Premises can be restored to an architectural and economic unit of the same character and not less valuable than the same was prior to the Insured Casualty, then Beneficiary shall make the insurance proceeds (the "Insurance Proceeds") available to Trustor for purposes of repairing and restoring the Premises, in accordance with the provisions of Section 5.4 hereof, provided:

(a) The Improvements at the Premises can be restored to a complete architectural unit pursuant to plans and specifications acceptable to Beneficiary such that in Beneficiary's opinion the Premises and the Improvements have the same economic value and use after repair or restoration as prior to the Insured Casualty.

(b) The insurers do not deny liability to the insured and the Insurance Proceeds are not paid by the insurer with reservation of rights.

(c) The Insurance Proceeds are sufficient to complete such repair or restoration, or Trustor deposits with Beneficiary prior to commencing repair or restoration such additional amount as is necessary to assure completion.

(d) Disbursement of Insurance Proceeds is made pursuant to prudent construction lending procedures as reasonably determined by Beneficiary as set out below. At Beneficiary's election, the disbursements may be administered by the title insurer (or its agent) that issued the Beneficiary's Title Insurance Policy.

(e) The Insurance Proceeds shall be held by Beneficiary without interest, or at its option, deposited in a time deposit account of a financial institution whose accounts are insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund (NCUSIF) with immediate withdrawal rights.

(f) Beneficiary must receive adequate evidence at the time of disbursement that the cost of restoration has been incurred or paid and shall be given such lien protection as Beneficiary shall require including lien waivers and an endorsement to Beneficiary's title policy.

(g) No event of default under the terms of the Note, this Deed of Trust or the Loan Documents then exists and is continuing beyond any applicable grace period provided for cure of the same in the Note, this Deed of Trust or the Loan Documents.

(h) Trustor shall pay any administrative expenses Beneficiary incurs related to the casualty including any such expenses for title insurance, administration of disbursements, inspections, architect's or reasonable attorney's fees.

(i) At least Seventy Percent (70%) of the total leasable space in the Improvements has been leased by bona fide arm's length tenants which are not controlled or affiliated (directly or indirectly) with Trustor or Guarantor ("Arm's Length Tenants") at rates equal to or exceeding the average rental rates in effect immediately preceding the Insured Casualty for similar space in the Premises or other buildings with similar characteristics in the surrounding area.

(j) The restoration or repair shall be done under the supervision of an architect or contractor acceptable to Beneficiary and pursuant to plans and specifications approved by Beneficiary.

(k) The minimum appraised value of the Improvements as determined by a state certified appraiser acceptable to and approved by Beneficiary, after such restoration or repair shall result in a loan to value ratio not to exceed Forty Percent (40%).

(l) No right to use insurance proceeds for restoration shall be applicable during the six (6) months prior to the Maturity Date of the Note.

SECTION 5.4 DISBURSEMENT OF INSURANCE AND CONDEMNATION PROCEEDS.

Should any insurance or condemnation proceeds be applied to the restoration or repair of the Premises in accordance with this Article 5, the restoration or repair shall be done under the supervision of an architect or contractor acceptable to Beneficiary and pursuant to site and building plans and specifications approved by Beneficiary. The proceeds shall be held by Beneficiary for such purposes and will from time to time be disbursed by Beneficiary through a title company or other servicing agent acceptable to Beneficiary to defray the costs of such restoration or repair under such safeguards and controls as Beneficiary may require and in accordance with standard construction loan procedures. All costs and expenses associated with the disbursement of such proceeds shall be paid by Trustor. Prior to the payment or application of Insurance Proceeds or a condemnation or eminent domain award to the repair or restoration of the improvements upon the Premises, Beneficiary shall be entitled to receive the following:

(a) Evidence that no Event of Default exists under any of the terms, covenants and conditions of this Deed of Trust, the Note, or the other Loan Documents.

(b) Evidence that all requirements set out in **Section 5.3** have been met.

(c) Satisfactory proof that such improvements will be fully restored free and clear of all liens, except the lien of this Deed of Trust. In the event such Insurance Proceeds or eminent domain award shall be insufficient to repair, restore or rebuild the said improvements, Trustor or its lessee shall deposit with Beneficiary, or a title company designated by Beneficiary, funds equaling such deficiency, which, together with the Insurance Proceeds or eminent domain award, shall be sufficient to restore, repair and rebuild the Premises.

(d) A statement of Trustor's architect, certifying the extent of the repair and restoration completed to the date thereof, and that such repairs, restoration and rebuilding have been performed to date in conformity with the plans and specifications approved by Beneficiary, together with appropriate evidence of payment for labor or materials furnished to the Premises, and total or partial lien waivers substantiating such payments.

(e) A waiver of subrogation from any insurer who claims that it has no claim as to Trustor or the then owner or other insured under the policy of insurance in question.

In the event Trustor shall fail to commence and diligently pursue the restoration, repair or rebuilding of the improvements upon the Premises, then Beneficiary, at its option, and upon not less than thirty (30) days written notice to Trustor, may commence to restore, repair or rebuild the said improvements for or on behalf of said Trustor, and its tenants, and for such purpose, may perform all necessary acts to accomplish such restoration, repair or rebuilding. In the event Insurance Proceeds or an eminent domain award shall exceed the amount necessary to complete the repair, restoration or the rebuilding of the improvements upon the Premises, such excess may, at Beneficiary's option, be applied on account of the last maturing installments of the Indebtedness, irrespective of whether such installments are then due and payable without

application of a Prepayment Premium, or be returned to Trustor. In the event Trustor shall fail to commence and diligently pursue the restoration, repair or rebuilding of the improvements upon the Premises, and if Beneficiary does not restore, repair or rebuild the said improvements as herein provided, then Beneficiary may, at its option, apply all or any part of the Insurance Proceeds or condemnation or eminent domain award on account of the last maturing installments of the Indebtedness whether then due or not, without application of a Prepayment Premium, or return the same to Trustor.

ARTICLE 6.
LEASES AND RENTS

SECTION 6.1 **LEASES.**

Trustor will, at its own cost and expense, perform, comply with and discharge all of the obligations of Trustor under any Leases and use commercially responsible efforts to enforce or secure the performance of each obligation and undertaking of the respective tenants under any such Leases and will appear in and defend, at its own cost and expense, any action or proceeding arising out of or in any manner connected with Trustor's interest in any Leases of the Premises. Trustor will not borrow against, pledge or assign any rentals due under the Leases, nor consent to a subordination or assignment of the interest of the tenants, thereunder to any party other than Beneficiary, nor accept the rents thereunder for more than one (1) month in advance or reduce the amount of rents and other payments thereunder without the prior written consent of Beneficiary. A Permitted Lease is any Lease between Trustor and a tenant which (a) uses the standard form lease which has been delivered to and approved by the Beneficiary as the basis for all new Permitted Leases or renewals of existing Leases which would otherwise qualify as Permitted Leases; (b) is for a space which is less than Ten Percent (10%) of the square footage of the Improvements; and (c) is for an initial term of Six (6) years or less. Trustor will not enter into any additional Leases which are not Permitted Leases of all or any portion of the Premises without the prior written consent of the Beneficiary. Trustor may enter into and amend Permitted Leases without the prior written consent of Beneficiary on the conditions set out above. In addition, Trustor covenants and agrees that, with respect to all Leases: (a) it shall use commercially reasonable efforts to lease all space on the Premises at market rental rates unless approved in writing by the Beneficiary and (b) any action taken with respect to any lease shall be taken in the ordinary course of Trustor's business in conformance with commercially reasonable, prudent and sound business practice. Upon Beneficiary's written request, Trustor will deliver copies of all Lease amendments and new Leases to Beneficiary within thirty (30) days after execution whether or not the prior written consent of the Beneficiary was required for such amendment or new lease. Beneficiary's approval of any new Lease or amendment for which Beneficiary's approval is required shall not be unreasonably withheld, conditioned or delayed be deemed granted unless Beneficiary objects in writing within five (5) business days after Beneficiary's receipt of the proposed Lease or amendment.

SECTION 6.2 BENEFICIARY'S RIGHT TO PERFORM UNDER LEASES.

Should Trustor fail to perform, comply with or discharge any obligations of Trustor under any Lease of all or any part of the Premises beyond all applicable notice and cure periods or should Beneficiary become aware of or be notified by any tenant under any such Lease of a failure on the part of Trustor to so perform, comply with or discharge its obligations under said Lease beyond all applicable notice and cure periods, Beneficiary may, but shall not be obligated to, and without further demand upon Trustor and without waiving or releasing Trustor from any obligation contained in this Deed of Trust, remedy such failure, and Trustor agrees to repay upon demand all sums incurred by Beneficiary in remedying any such failure including, without limitation, Beneficiary's reasonable attorneys' fees together with interest at the Default Rate (as defined in the Note). All such sums, together with interest as aforesaid shall become so much additional Indebtedness, but no such advance shall be deemed to relieve Trustor from any default hereunder.

SECTION 6.3 ASSIGNMENT OF LEASES AND RENTS.

Trustor does hereby unconditionally and absolutely sell, assign and transfer unto Beneficiary all of the Leases, rents, issues, income, Lease termination fees or similar charges and profits now due and which may hereafter become due under or by virtue of any Lease, whether written or verbal, or any agreement or license for the use or occupancy of the Premises, whether now existing or entered into at any time during the term of this Deed of Trust, all guaranties of any lessee's obligations under any such Lease and all security deposits, it being the intention of this Deed of Trust to establish an absolute transfer and assignment of all such Leases and agreements and all of the rents and profits and other fees from the Premises and/or Trustor's operation or ownership thereof unto Beneficiary and Trustor does hereby appoint irrevocably Beneficiary as Trustor's true and lawful attorney in Trustor's name and stead, which appointment is coupled with an interest, to collect all of said rents and profits and other fees; provided, Trustor is hereby given a license by Beneficiary to collect and retain such rents and profits and other fees unless and until an Event of Default exists under this Deed of Trust. Trustor assigns to Beneficiary all guarantees of lessee's obligation under Leases, all Lease termination fees or proceeds from settlements relating to terminations of Leases and all claims for damages arising from rejection of any Lease under the bankruptcy laws. Trustor agrees that notwithstanding the foregoing and whether or not any Event of Default has occurred hereunder, any Lease termination fees or similar payment (whether explicitly provided for in a Lease or by separate agreement of Trustor and tenant) made by a tenant shall be deposited with Beneficiary to be held in escrow by Beneficiary for use in costs of re-letting (such as leasing commissions or tenant improvement expenses) the space vacated or, if an Event of Default exists, be applied to the unpaid principal of the Note (without Prepayment Premium). Upon the occurrence and during the continuance of an Event of Default and whether before or after the institution of legal proceedings to foreclose the lien hereof or before or after sale thereunder or during any period of redemption existing by law, forthwith, upon demand of Beneficiary, Trustor shall surrender to Beneficiary and Beneficiary shall be entitled to enter upon and take and maintain possession of the Premises and any Leases thereunder and collect and retain any rents and profits from the

Premises and hold, operate, manage and control the Premises and any such Leases and to do such things in its discretion as may be deemed proper or necessary to enforce the payment or security of the rents and profits of the Premises and the performance of the tenants' obligations under any Leases of the Premises, with full power to cancel or terminate any Lease for any cause or on any grounds which would entitle Trustor to cancel the same and to elect to disaffirm any Lease made subsequent to this Deed of Trust or subordinated to the lien hereof. All rents and payments received by Trustor after Beneficiary has exercised any of its rights under this assignment shall be held by Trustor in trust for Beneficiary and shall be delivered to Beneficiary immediately without demand.

Beneficiary shall not be obligated to perform or discharge any obligation or liability of the landlord under any of said Leases and Trustor shall and does hereby agree to indemnify and hold Beneficiary harmless of and from any and all expenses, liability, loss or damage which it might incur under said Leases or under or by reason of this Deed of Trust except to the extent arising solely out of Beneficiary's gross negligence willful misconduct. Any amounts incurred by Beneficiary in connection with its rights hereunder, including costs, expenses and reasonable attorneys' fees, shall bear interest thereon at the Default Rate, shall be additional Indebtedness and Trustor shall reimburse Beneficiary therefor immediately upon demand. Beneficiary may apply any of said rents and profits received to the costs and expenses of collection, including receivers' fees and reasonable attorneys' fees, to the payment of taxes, assessments and insurance premiums and expenditures for the upkeep of the Premises, to the performance of the landlord's obligations under the Lease, to the performance of any of Trustor's covenants hereunder, and to any Indebtedness in such order as Beneficiary may determine. The entering upon and taking possession of the Premises, the collection of such rents and profits and the application thereof as aforesaid shall not cure or waive any Event of Default under this Deed of Trust nor in any way operate to prevent Beneficiary from pursuing any other remedy which it may now or hereafter have under the terms of this Deed of Trust nor shall it in any way be deemed to constitute Beneficiary a Beneficiary-in-possession. The rights hereunder shall in no way be dependent upon and shall apply without regard to whether the Premises are in danger of being lost, materially injured or damaged or whether the Premises are adequate to discharge the Indebtedness. Trustor represents and agrees that no rent has been or will be paid by any person in possession of any portion of the Premises for more than one installment in advance and that the payment of none of the rents to accrue for any portion of the Premises has been or will be waived, released, reduced, discounted, or otherwise discharged or compromised by Trustor; provided, Trustor may waive, release, reduce or discount rents under a Permitted Lease. Trustor waives any right of set off against any person in possession of any portion of the Premises. Trustor further agrees that Trustor will not execute or agree to any subsequent assignment of any of the rents or profits from the Premises without the prior written consent of Beneficiary. The rights contained herein are in addition to and shall be cumulative with the rights given in that certain Assignment of Leases and Rents ("**Assignment of Leases**") dated of even date herewith from Trustor to Beneficiary, assigning any leases, rents and profits of the Premises. To the extent inconsistent with the terms of this Article 6, the terms of the Assignment of Leases shall control.

ARTICLE 7.
RIGHTS OF BENEFICIARY

SECTION 7.1 **NO CLAIM AGAINST BENEFICIARY.**

Nothing contained in this Deed of Trust shall constitute any consent or request by Beneficiary, express or implied, for the performance of any labor or services or for the furnishing of any materials or other property in respect of the Premises or any part thereof, nor as giving Trustor or any party in interest with Trustor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would create any personal liability against Beneficiary in respect thereof or would permit the making of any claim that any lien based on the performance of such labor or services or the furnishing of any such materials or other property in such fashion as would create any personal liability against Beneficiary in respect thereof or would permit the making of any claim that any lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the lien of this Deed of Trust.

SECTION 7.2 **INSPECTION.**

Beneficiary or its authorized representatives shall have the right, upon delivering prior written notice and subject to the rights of tenants, to enter the Premises at all times during normal business hours for the purpose of inspecting the same, subject to the rights of tenants under the Leases; provided Beneficiary shall have no duty to make such inspections and shall not incur any liability or obligation for making or not making any such inspections.

SECTION 7.3 **DISHONORED PAYMENTS.**

In the event any funds for any two (2) or more monthly payments in any twelve (12) month period are not paid to Beneficiary when due, Beneficiary shall have the right, at its sole option, to require that all future payments be made in a form other than as is presently prescribed in the Note. For example, Beneficiary may at any time require payment by preauthorized Automated Clearinghouse transaction, by certified check, by wire transfer or other method of delivering immediately available funds.

SECTION 7.4 **RELEASES; RESORT TO OTHER SECURITY.**

Without affecting the liability of any party liable for payment of any Indebtedness or performance of any obligation contained herein and without affecting the rights of Beneficiary with respect to any security not expressly released in writing, Beneficiary shall have the right, at any time and without notice to or the consent of Trustor or any party in interest with respect to the Premises or the Note, to: (a) release any person liable for payment of all or any part of the Indebtedness or for performance of any obligation herein; (b) make any agreement extending the time or otherwise altering the terms of payment of all or any part of the Indebtedness or modifying or waiving any obligation, or subordinating, modifying or otherwise dealing with the lien or charge hereof; (c) accept any additional security; (d) release or otherwise deal with any

property, real or personal, including any or all of the Premises, including making partial releases of the Premises; or (e) resort to any security agreements, pledges, contracts of guarantee, assignments of rents and leases or other securities, and exhaust any one or more of said securities and the security hereunder, either concurrently or independently and in such order as it may determine.

SECTION 7.5 WAIVER OF APPRAISEMENT, HOMESTEAD, MARSHALING.

Trustor hereby waives to the full extent lawfully allowed the benefit of any homestead, appraisal, evaluation, stay and extension laws now or hereinafter in force. Trustor hereby waives any rights available with respect to marshaling of assets so as to require the separate sales of any portion of the Premises, or as to require Beneficiary to exhaust its remedies against a specific portion of the Premises before proceeding against the other and does hereby expressly consent to and authorize the sale of the Premises or any part thereof as a single unit or parcel. To the extent permitted by applicable law, Trustor, on behalf of Trustor and all other persons or entities acquiring any interest in the Premises subsequent to the date of this Deed of Trust, also hereby waives any and all rights of reinstatement and redemption from sale under any order or decree of foreclosure pursuant to rights herein granted.

**ARTICLE 8.
EVENTS OF DEFAULT AND REMEDIES**

SECTION 8.1 EVENTS OF DEFAULT.

The occurrence of any of the following shall be deemed an event of default under this Deed of Trust (each hereinafter referred to as an “**Event of Default**”):

(a) Any principal, interest, or Prepayment Premium payable under the terms of the Note is not paid on or before the third (3rd) day after the date the same is due (whether at the stated maturity or at a date fixed for any installment payment or any accelerated payment date or otherwise); or

(b) Any other sum of money required to be paid pursuant to the terms of the Note, this Deed of Trust or any other Loan Document is not paid on the date the same is due and such default is not remedied within three (3) business days after notice thereof by Beneficiary; or

(c) Trustor shall fail to comply with any non-monetary term, covenant or condition of the Note, this Deed of Trust or any other Loan Document other than a default described in **Sections 8.1(a), 8.1(b) and 8.1(d) through 8.1(i)** and such default shall continue for a period of ten (10) days after written notice to Trustor from Beneficiary specifying the nature of such default; provided, however, that if such default is of a nature that it cannot be cured, in Beneficiary’s good faith reasonable discretion, within such thirty (30) day period, then Trustor shall not be in default hereunder if it commences good faith efforts to cure the default within such ten (10) day period, demonstrates continuous diligent efforts to cure the default in a manner

satisfactory to Beneficiary and, within a reasonable time, not to exceed ninety (90) days after the date of the original written notice of default, completes the cure of such default; or

(d) Trustor shall fail to comply with any term, covenant or condition contained in **Sections 2.9, 2.10** or **3.1** of this Deed of Trust or **Section 2.11**, if a violation of **Section 2.11** is reasonably likely to result in Borrower's assets being subject to a substantive consolidation claim; or

(e) Any representation or warranty made to Beneficiary by or on behalf of Trustor, any person or entity holding an ownership interest in Trustor (individually and collectively, if more than one, "**Principal**") or any person or entity guaranteeing any portion of the obligations of Trustor (individually and collectively, if more than one, "**Guarantor**") by execution of a separate Guaranty concerning the Loan (a "**Guaranty**") in connection with the Loan secured hereby proves to be untrue in a material respect; or

(f) If (i) Trustor or any Guarantor shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, adjustment, liquidation, dissolution or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or any substantial part of its assets, or Trustor or any Guarantor shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against Trustor or any Guarantor any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief or any such adjudication or appointment or (B) remains undismissed or undischarged for a period of sixty (60) days; or (iii) there shall be commenced against Trustor or any Guarantor any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets which results in the entry of any order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (iv) Trustor or any Guarantor shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii), or (iii) above; or (v) Trustor or any Guarantor shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or

(g) Any judgment in excess of Seventy-Five Thousand and 00/100 Dollars (\$75,000.00) is entered in any court against Trustor and is not satisfied in full within thirty (30) days after all rights to appeal from the same have expired (or such later time as permitted by the court issuing the judgment), or any writ in execution or attachment or similar process is issued or levied against any part of the Premises or any interest therein; or

(h) Trustor or any Guarantor shall fail to comply with any term, covenant or condition of the Environmental Indemnity Agreement (executed by such Guarantor and Trustor

of even date herewith) or the Guaranty, which default shall have extended beyond any period of grace provided therein; or

(i) Any Guarantor shall die and Trustor either (i) has failed to notify Beneficiary of such death within thirty (30) days thereof or (ii) has failed to provide Beneficiary with an acceptable substitute guarantor, in the sole judgment of Beneficiary, who shall have executed a Guaranty and an Environmental Indemnity in the forms of those executed by the Guarantors, before the earlier to occur of (A) ninety (90) days from the date of such person's death or (B) the date on which the first distribution of assets has been made from such person's estate to any devisee, heir or other beneficiary.

SECTION 8.2 REMEDIES.

Upon the occurrence of any Event of Default, Trustor agrees that Beneficiary may take such action, without notice or demand, as it deems advisable to protect and enforce its rights against Trustor and in and to the Premises, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as Beneficiary may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of Beneficiary:

(a) declare the entire unpaid principal balance of the Note together with all other Indebtedness, which Indebtedness shall include a Prepayment Premium when required pursuant to Paragraph 8 of Note, calculated in accordance with Paragraph 8.b. of the Note, with the date of the Event of Default being assumed to be the date of prepayment of the Indebtedness, to be immediately due and payable, which unpaid sums shall bear interest at the Default Rate from the due date until paid; and/or

(b) with or without entry, institute proceedings, by judicial action, advertisement or such other statutory procedures as are available in the state where the Premises is located, for the complete or partial foreclosure of this Deed of Trust under any applicable provision of law in which case the Premises or any interest therein may be sold for cash or upon credit in one or more parcels or in several interests or portions and in any order or manner, any partial foreclosure to be subject to the continuing lien and security interest of this Deed of Trust for the balance of the Indebtedness not then due, unimpaired and without loss of priority; and/or

(c) sell for cash or upon credit the Premises or any part thereof and all estate, claim, demand, right, title and interest of Trustor therein and rights of redemption thereof, pursuant to power of sale, judicial decree or otherwise, at one or more sales, as an entirety or in one or more parcels; and/or

(d) institute an action, suit or proceeding in equity for the specific performance of any covenant, condition or agreement contained herein, in the Note or in the other Loan Documents; and/or

(e) recover judgment on the Note either before, during or after any proceedings for the enforcement of this Deed of Trust or the other Loan Documents; and/or

(f) apply for the appointment of a receiver, trustee, liquidator or conservator of the Premises, without notice and without regard for the adequacy of the security for the Indebtedness and without regard for the solvency of Trustor, any principal or any Guarantor or of any other person, firm or other entity liable for the payment of the Indebtedness in accordance with and in the manner prescribed by applicable law in the state where the Premises is located and in accordance with the terms of **Section 8.5** below; and/or

(g) enter into or upon the Premises, either personally or by its agents, nominees or attorneys and dispossess Trustor and its agents and servants therefrom without liability for trespass, damages or otherwise and exclude Trustor and its agents or servants wholly therefrom, and take possession of all books, records and accounts relating thereto and Trustor agrees to surrender possession of the Premises and of such books, records and accounts to Beneficiary upon demand, and thereupon Beneficiary may exercise all rights and powers of Trustor with respect to the Premises including, without limitation:

(1) the right to use, operate, manage, control, insure, maintain, repair, restore and otherwise deal with all and every part of the Premises and conduct the business thereat; and/or

(2) the right to make or complete any construction, alterations, additions, renewals, replacements and improvements to or on the Premises as Beneficiary deems advisable; and/or

(3) the right to make, cancel, enforce or modify Leases, obtain and evict tenants, and demand, sue for, collect and receive all rents of the Premises and every part thereof;

(h) require Trustor to pay monthly in advance to Beneficiary, or any receiver appointed to collect the rents, the fair and reasonable rental value for the use and occupation of such part of the Premises as may be occupied by Trustor; and/or

(i) require Trustor to vacate and surrender possession of the Premises to Beneficiary or to such receiver and, in default thereof, Trustor may be evicted by summary proceedings or otherwise; and/or

(j) apply the receipts from the Premises, any Charges and interest thereon and/or any unearned Insurance Premiums paid to Beneficiary upon the surrender of any insurance policies maintained pursuant to **Section 3.1** hereof (it being agreed that Beneficiary shall have the right to surrender such insurance policies upon the occurrence of an Event of Default), to the payment of the Indebtedness, in such order, priority and proportions as Beneficiary shall deem appropriate in its sole discretion; and/or

(k) exercise any and all rights and remedies granted to a secured party upon default under the Uniform Commercial Code in accordance with the terms of **Section 8.6** below, including, without limiting the generality of the foregoing:

(1) the right to take possession of the Collateral or any part thereof, and to take such other measures as Beneficiary may deem necessary for the care, protection and preservation of the Collateral, and

(2) request Trustor at its expense to assemble the Collateral and make it available to Beneficiary at a convenient place acceptable to Beneficiary. Any notice of sale, disposition or other intended action by Beneficiary with respect to the Collateral sent to Trustor in accordance with the provisions hereof at least ten (10) days prior to such action, shall constitute commercially reasonable notice to Trustor. Upon any foreclosure or other sale of the Premises pursuant to the terms hereof, Beneficiary may bid for and purchase the Premises and shall be entitled to apply all or any part of the Indebtedness as a credit against the purchase price.

In the event of a sale, by foreclosure, power of sale, or otherwise, of less than all of the Premises, this Deed of Trust shall continue as a lien and security interest on the remaining portion of the Premises unimpaired and without loss of priority. Notwithstanding the provisions of this **Section 8.2** to the contrary, if any Event of Default as described in clause (i) or (ii) of **Subsection 8.1(f)** shall occur, the entire unpaid Indebtedness shall be automatically due and payable, without any further notice, demand or **other** action by Beneficiary.

SECTION 8.3 APPLICATION OF PROCEEDS.

The proceeds and avails of any disposition of the Premises, or any part thereof, or any other sums collected by Beneficiary pursuant to the Note, this Deed of Trust or the other Loan Documents, may be applied by Beneficiary to the payment of the Indebtedness in such priority and proportions as Beneficiary in its discretion shall deem proper.

SECTION 8.4 RIGHT TO CURE DEFAULTS.

Upon the occurrence of any Event of Default, Beneficiary may, but without any obligation to do so and without notice to or demand on Trustor and without releasing Trustor from any obligation hereunder or curing or being deemed to have cured any default hereunder, make or do the same in such manner and to such extent as Beneficiary may deem necessary to protect the security hereof. Beneficiary is authorized to enter upon the Premises for such purposes, or appear in, defend, or bring any action or proceeding to protect its interest in the Premises or to foreclose this Deed of Trust or collect the Indebtedness, and the cost and expense thereof (including reasonable attorneys' fees to the extent permitted by law), with interest as provided in this **Section 8.4**, shall constitute a portion of the Indebtedness and shall be due and payable to Beneficiary upon demand. All such costs and expenses incurred by Beneficiary in remedying such Event of Default or such failed payment or act or in appearing in, defending, or bringing any such action or proceeding shall bear interest at the Default Rate, for the period after

notice from Beneficiary that such cost or expense was incurred to the date of payment to Beneficiary. All such costs and expenses incurred by Beneficiary together with interest thereon calculated at the Default Rate shall be deemed to constitute a portion of the Indebtedness and be secured by this Deed of Trust and the other Loan Documents and shall be immediately due and payable upon demand by Beneficiary therefor.

SECTION 8.5 RECEIVER.

Upon the occurrence of an Event of Default, Beneficiary shall be entitled as a matter of right without notice and without regard to the solvency or insolvency of Trustor, or the existence of waste of the Premises or adequacy of the security of the Premises, and without giving bond to apply for the appointment of a receiver in accordance with the statutes and law made and provided for who shall collect the rents, and all other income of any kind; manage the Premises so to prevent waste; execute leases within or beyond the period of receivership, pay all expenses for normal maintenance of the Premises and perform the terms of this Deed of Trust and apply the rents, issues, income and profits to the costs and expenses of the receivership, including reasonable attorneys' fees, to the repayment of the Indebtedness and to the operation, maintenance and upkeep and repair of the Premises, including payment of taxes on the Premises and payments of premiums of insurance on the Premises and any other rights permitted by law. Trustor does hereby irrevocably consent to such appointment. The receiver may, to the extent permitted under applicable law, without notice, enter upon and take possession of the Premises, or any part thereof, by force, summary proceedings, ejectment or otherwise, and remove Trustor or any other person or entity and any personal property therefrom, and may hold, operate and manage the same, receive all rents, earnings, incomes, issues and proceeds and do the things the receiver finds necessary to preserve and protect the Premises, whether during pendency of foreclosure, during a redemption period, if any, or otherwise.

SECTION 8.6 RIGHTS UNDER UNIFORM COMMERCIAL CODE.

In addition to the rights available to a beneficiary of real property, Beneficiary shall also have all the rights, remedies and recourse available to a secured party under the Code including the right to proceed under the provisions of the Code governing default as to any Collateral as defined in this Deed of Trust which may be included on the Premises or which may be deemed non-realty in a foreclosure of this Deed of Trust or to proceed as to such Collateral in accordance with the procedures and remedies available pursuant to a foreclosure of real estate.

SECTION 8.7 RIGHT TO DISCONTINUE PROCEEDINGS.

In the event Beneficiary shall have proceeded to invoke any right, remedy or recourse permitted under this Deed of Trust and shall thereafter elect to discontinue or abandon the same for any reason, Beneficiary shall have the unqualified right to do so and in such event Trustor and Beneficiary shall be restored to their former positions with respect to the Indebtedness in which case this Deed of Trust and all rights, remedies and recourse of Beneficiary shall continue as if such action or exercise of a right had not been invoked.

SECTION 8.8 WAIVERS.

Trustor also waives the benefit of all laws now existing or that may hereinafter be enacted providing for (i) any appraisal before sale of any portion of the Premises, and (ii) in any way extending the time for the enforcement and collection of the Note or this Deed of Trust or creating or extending a period of redemption from any sale made in collecting said debt. To the full extent Trustor may do so under applicable law, Trustor agrees that Trustor will not at any time insist upon, plead, claim or take the benefit or advantage of any law now or hereafter enforced providing for any appraisal, evaluation, stay, extension or redemption and Trustor, to the extent permitted by law, waives and releases all rights of redemption, valuation, appraisal, stay of execution, notice of election to mature or declare due the whole of this Deed of Trust and marshaling in the event of foreclosure of the liens hereby created.

Acceptance by Beneficiary of any payment which is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of Beneficiary's right to demand payment of the balance due, or any other rights of Beneficiary at that time or any subsequent time.

SECTION 8.9 DEFAULT INTEREST AND LATE CHARGES.

Trustor acknowledges that, without limitation to any of Beneficiary's rights or remedies set forth in this Deed of Trust, Beneficiary has the right following an Event of Default to demand interest on the principal amount of the Note at the Default Rate and late payment charges in accordance with the terms of the Note.

SECTION 8.10 RIGHTS CUMULATIVE.

The rights and remedies of Beneficiary as provided in this Deed of Trust, the Note and any other Loan Document and the warranties contained herein or therein shall be cumulative and concurrent, may be pursued singly, successively or together at the sole discretion of Beneficiary, may be exercised as often as occasion for their exercise shall occur and in no event shall the failure to exercise any such right or remedy be construed as a waiver or release of such right or remedy. No remedy under this Deed of Trust, the Note or any other Loan Document conferred upon or reserved to Beneficiary is intended to be exclusive of any other remedy provided in this Deed of Trust, the Note or any other Loan Document or provided by law, but each shall be cumulative and shall be in addition to every other remedy given under this Deed of Trust, the Note or any other Loan Document or now or hereafter existing at law or in equity or by statute.

SECTION 8.11 TRUSTOR NOT RELEASED.

No delay or omission by Beneficiary in the exercise of any rights or remedies arising under this Deed of Trust, the Note or any other Loan Document at any time following the happening of an Event of Default shall constitute a waiver of the right of Beneficiary to exercise such rights and remedies at a later time by reason of such Event of Default or by reason of any subsequently occurring Event of Default.

ARTICLE 10.

MISCELLANEOUS

SECTION 10.1 RELEASE OF DEED OF TRUST.

When all Indebtedness has been paid, this Deed of Trust and all assignments herein contained shall, except as otherwise provided herein, terminate and shall be released by Trustee at the request of Beneficiary at Trustor's expense.

SECTION 10.2 TIME OF THE ESSENCE.

Time is of the essence with regard to the performance of the obligations of Trustor in this Deed of Trust and each and every term, covenant and condition herein by or applicable to Trustor.

SECTION 10.3 GOVERNING LAW.

This Deed of Trust and the rights and obligations of all parties hereunder shall be governed by and construed in accordance with the laws of the State or Commonwealth in which the Premises are located.

SECTION 10.4 JURISDICTION.

The parties hereto irrevocably (a) agree that any suit, action or other legal proceeding arising out of or relating to this Deed of Trust may be brought in a court of record in the state or commonwealth in which the Premises is located or in the courts of the United States of America located in such state or commonwealth, (b) consent to the non-exclusive jurisdiction of each such court in any suit, action or proceeding, and (c) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts and any claim that any such suit, action or proceeding has been brought in an inconvenient forum

SECTION 10.5 INTEREST LIMITATION.

All agreements between Trustor and Beneficiary are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration of maturity of the Indebtedness or otherwise, shall the amount paid or agreed to be paid to Beneficiary for the use, forbearance, loaning or detention of the Indebtedness exceed the maximum permissible under applicable law. If from any circumstances whatsoever, fulfillment of any provisions of this Deed of Trust, the Note or of the other Loan Documents at any time given shall exceed the maximum permissible under applicable law, then, the obligation to be fulfilled shall automatically be reduced to an amount which complies with applicable law, and if from any circumstances Beneficiary should ever receive as interest an amount which would exceed the highest lawful rate of interest, such amount which would be in excess of such lawful rate of interest shall be applied to the reduction of the principal balance evidenced hereby and not to the payment of interest. This provision shall control every other provision of all agreements between Trustor and Beneficiary and shall also be binding upon and available to any subsequent holder of the Note. All sums paid or agreed to be paid to Beneficiary for the use, forbearance, or detention of the Indebtedness shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term of the Note until payment in full so that the rate or amount of interest on account of the Indebtedness does not exceed the maximum lawful rate of interest from time to time in effect and applicable to the Indebtedness for so long as the Indebtedness is outstanding.

SECTION 10.6 USE OF LOAN AND PREMISES.

Trustor represents and warrants to Beneficiary that the Indebtedness evidenced by the Note is a business loan transacted solely for the purpose of carrying on the business of Trustor and not a consumer transaction, that the Premises does not constitute the homestead of Trustor, and that the Premises are not used for agricultural purposes.

SECTION 10.7 CAPTIONS.

The captions to the sections of this Deed of Trust are for convenience only and shall not be deemed part of the text of the respective sections and shall not vary, by implication or otherwise, any of the provisions of this Deed of Trust.

SECTION 10.8 NOTICES.

Any notice which any party hereto may desire or may be required to give to any other party shall be in writing and either (a) mailed by certified mail, return receipt requested, or (b) sent by an overnight carrier which provides for a return receipt. Any such notice shall be sent to the respective party's address as set forth above in this Deed of Trust or to such other address as such party may, by notice in writing, designate as its address. Any such notice shall constitute service of notice hereunder three (3) days after the mailing thereof by certified mail or one (1) business day after the sending thereof by overnight carrier.

SECTION 10.9 SEVERABILITY.

The parties hereto intend and believe that each provision of this Deed of Trust comports with all applicable local, state and federal laws and judicial decisions. However, if any provision or any portion of any provision contained in this Deed of Trust is held by a court of law to be invalid, illegal, unlawful, void or unenforceable as written in any respect, then it is the intent of all parties hereto that such portion or provision shall be given force to the fullest possible extent that it is legal, valid and enforceable, that the remainder of this Deed of Trust shall be construed as if such illegal, invalid, unlawful, void or unenforceable portion or provision was not contained therein, and the rights, obligations and interests of Trustor and Beneficiary under the remainder of this Deed of Trust shall continue in full force and effect.

SECTION 10.10 SUCCESSORS AND ASSIGNS.

This Deed of Trust and each and every covenant, agreement and other provision hereof shall be binding upon Trustor and its successors and assigns, including, without limitation each and every person or entity that may, from time to time, be record owner of the Premises or any other person having an interest therein, shall run with the land and shall inure to the benefit of Beneficiary and its successors and assigns. As used herein the words “**successors and assigns**” shall also be deemed to include the heirs, representatives, administrators and executors of any natural person who is a party to this Deed of Trust. Nothing in this Section shall be construed to constitute consent by Beneficiary to assignment of this Deed of Trust by Trustor.

SECTION 10.11 NO ORAL MODIFICATION.

This Deed of Trust may not be modified or discharged orally, but only by an agreement in writing signed by Trustor and Beneficiary.

SECTION 10.12 INDEMNITY.

Trustor agrees to indemnify, protect, hold harmless and defend Beneficiary from and against any and all losses, liabilities, suits, actions, obligations, fines, damages, judgments, penalties, claims, causes of action, charges, costs and expenses (including reasonable attorneys' fees, disbursements and court costs prior to trial, at trial and on appeal) which may be imposed on, incurred or paid by, or asserted against Beneficiary by reason or on account of, or in connection with or arising from, (i) the construction, reconstruction or alteration of the Premises, (ii) any action or inaction of Trustor or any tenant of any portion of the Premises or any of their respective agents, contractors, subcontractors, servants, directors, officers, employees, licensees or invitees, or (iii) any accident, injury, death or damage to any person or property occurring in, on or about the Premises or any street, drive, sidewalk, curb or passageway adjacent thereto, except to the extent that the same results directly and solely from the gross negligence or willful misconduct of Beneficiary. Any amount payable to Beneficiary under this Section shall be due and payable upon demand therefor and receipt by Trustor of a statement from Beneficiary setting forth in reasonable detail the amount claimed and the basis therefor. Trustor's obligations under this Section shall survive the repayment or any other satisfaction of the Note and shall not be

affected by the absence or unavailability of insurance covering the same or by the failure or refusal of any insurance carrier to perform any obligation on its part under any such policy of insurance. If any claim, action or proceeding is made or brought against Beneficiary which is subject to the indemnity set forth in this Section, Trustor shall resist or defend against the same, in its own name or, if necessary, in the name of Beneficiary, by attorneys for Trustor's insurance carrier (if the same is covered by insurance) approved by Beneficiary or otherwise by attorneys retained by Trustor and approved by Beneficiary. Notwithstanding the foregoing, Beneficiary, in its discretion, if it disapproves of the attorneys provided by Trustor or Trustor's insurance carrier, may engage its own attorneys to resist or defend, or to assist therein, and Trustor shall pay or, on demand, shall reimburse Beneficiary for the payment of, all reasonable fees and disbursements of said attorneys.

SECTION 10.13 REPRESENTATIONS OF TRUSTOR.

Trustor affirmatively represents and warrants that the written terms of the Loan Documents, and each of them, accurately reflect the mutual understanding of Trustor and Beneficiary, as to all matters addressed therein, and Trustor further represents and warrants that there are no other agreements or understandings, written or oral, which exist between Trustor and Beneficiary relating to the matters addressed in the Loan Documents.

SECTION 10.14 BENEFICIARY'S EXPENSES.

Should Beneficiary make any payments hereunder or under the Note or under any other Loan Documents or incur any liability, loss or damage under or by reason of this Deed of Trust, the Note or any other Loan Documents, or in the defense of any claims or demands, the amount thereof, and all costs and expenses, including all filing, recording, and title fees and any other expenses relating to the Indebtedness, including without limitation filing fees for UCC continuation statements and any expense involving modification thereto, reasonable attorneys' fees, and any and all costs and expenses incurred in connection with making, performing, or collecting the Indebtedness or exercising any of Beneficiary's rights under the Note, this Deed of Trust or any other Loan Documents, including reasonable attorneys' fees, the cost of appraisals and the cost of any environmental inspections in connection therewith, and all claims for brokerage and finder's fees which may be made in connection with the making of the Loan, together with interest thereon, at the Default Rate, shall become part of the Indebtedness and shall be secured by this Deed of Trust and the other Loan Documents and Trustor hereby agrees to reimburse Beneficiary therefor immediately upon demand. Such sums, costs and expenses shall be, until so paid, part of the Indebtedness and Beneficiary shall be entitled, to the extent permitted by law, to receive and retain the full amount of the Indebtedness in any action for redemption by Trustor, for an accounting for the proceeds of a foreclosure sale or of Insurance Proceeds or for apportionment of an eminent domain damage award.

SECTION 10.15 BENEFICIARY'S RIGHT TO COUNSEL.

If Beneficiary retains attorneys to enforce any of the terms of the Loan Documents or because of the breach by Trustor of any of the terms hereof or of any of the other Loan

Documents, or for the recovery of any Indebtedness, Trustor shall pay to Beneficiary reasonable attorneys' fees and all costs and expenses, whether or not an action is actually commenced and the right to such reasonable attorneys' fees and all costs and expenses shall be deemed to have accrued on the date such attorneys are retained, shall include fees and costs in connection with litigation, arbitration, mediation, bankruptcy and/or administrative proceedings, and shall be enforceable whether or not such action is prosecuted to judgment and shall include all appeals. Reasonable attorneys' fees and expenses shall for purposes of this Deed of Trust include all reasonable fees and charges for paralegal, electronic research, legal specialists and other costs in connection with that performance of Beneficiary's attorneys.

If Beneficiary is, by reason of being the holder of this Deed of Trust, made a party defendant of any litigation, action, proceeding, (including without limitation condemnation or insurance loss matters) concerning this Deed of Trust or the Premises or any part thereof or therein, or the construction, maintenance, operation or the occupancy or use thereof by Trustor, then Trustor shall indemnify, defend and hold Beneficiary harmless from and against all liability by reason of said litigation, including reasonable attorneys' fees and all costs and expenses incurred by Beneficiary in any such litigation or other proceedings, whether or not any such litigation or other proceedings is prosecuted to judgment or other determination, except to the extent such action is the direct and sole result of Beneficiary's gross negligence or willful misconduct.

SECTION 10.16 OTHER REPRESENTATIONS AND WARRANTIES.

All statements contained in the Loan Commitment or in any loan application, certificate or other instrument delivered by or on behalf of Trustor to Beneficiary or Beneficiary's representatives in connection with the Indebtedness shall constitute representations and warranties made by Trustor hereunder. Such representations and warranties made hereunder and thereunder shall survive the delivery of this Deed of Trust, and any misrepresentations thereunder shall be deemed as misrepresentations hereunder.

SECTION 10.17 SURVIVAL OF REPRESENTATIONS WARRANTIES AND COVENANTS.

All representations, covenants and warranties contained herein or in any of the other Loan Documents shall survive the delivery of the Note, this Deed of Trust and all other Loan Documents executed in connection herewith and the provisions hereof shall continue to inure to the benefit of Beneficiary, its successors and assigns.

SECTION 10.18 WAIVER OF JURY TRIAL.

BENEFICIARY BY ITS ACCEPTANCE HEREOF AND TRUSTOR HEREBY VOLUNTARILY, KNOWINGLY AND INTENTIONALLY WAIVE ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING UNDER THIS DEED OF TRUST OR CONCERNING THE INDEBTEDNESS AND/OR ANY COLLATERAL SECURING SUCH INDEBTEDNESS, REGARDLESS OF

WHETHER SUCH ACTION OR PROCEEDING CONCERNS ANY CONTRACTUAL OR TORTIOUS OR OTHER CLAIM. TRUSTOR ACKNOWLEDGES THAT THIS WAIVER OF JURY TRIAL IS A MATERIAL INDUCEMENT TO BENEFICIARY IN EXTENDING CREDIT TO TRUSTOR, THAT BENEFICIARY WOULD NOT HAVE EXTENDED SUCH CREDIT WITHOUT THIS JURY TRIAL WAIVER, AND THAT TRUSTOR HAS BEEN REPRESENTED BY AN ATTORNEY OR HAS HAD AN OPPORTUNITY TO CONSULT WITH AN ATTORNEY IN CONNECTION WITH THIS JURY TRIAL WAIVER AND UNDERSTANDS THE LEGAL EFFECT OF THIS WAIVER.

SECTION 10.19 MINIMUM REQUIREMENT.

Trustor recognizes that the requirements imposed upon Trustor hereunder, including, without limitation, insurance requirements, are minimum requirements as determined by Beneficiary and do not constitute a representation that the requirements are complete or adequate. Trustor understands that it is Trustor's duty and responsibility to act prudently and responsibly at all times for Trustor's protection and for the protection of the Premises.

SECTION 10.20 REPRODUCTION OF DOCUMENTS.

This Deed of Trust and all documents relating thereto, specifically excluding the Note but including, without limitation, consents, waivers and modifications which may hereafter be executed, financial and operating statements, certificates and other information previously or hereafter furnished to Beneficiary, may be reproduced by Beneficiary by any photographic, photostatic, microfilm, micro-card, miniature photographic or other similar process and Beneficiary may destroy any original document ("Master") so reproduced. Trustor agrees and stipulates that any such reproduction is an original and shall be admissible in evidence as the Master in any judicial or administrative proceeding (whether or not the Master is in existence and whether or not such reproduction was made or preserved by Beneficiary in the regular course of business) and any enlargement, facsimile or further reproduction of such a reproduction shall be no less admissible.

EXHIBIT "C"
DEED OF TRUST

SECTION 1: EFFECTIVE AS TRUST DEED AND MORTGAGE. This Deed of Trust shall also be effective as a Mortgage, as well as a Deed of Trust and upon the occurrence of a default may be foreclosed as to the Premises, in any manner permitted by applicable law, and any foreclosure suit may be brought by Beneficiary. To the extent, if any, required to cause this instrument to be so effective as a Mortgage as well as a Deed of Trust, Trustor hereby mortgages the Premises to Beneficiary. In the event of a public sale hereunder as to the Premises, commenced by Trustee, or its substitute or successor, Beneficiary may at any time before the sale of such properties direct Trustee to abandon the sale, and may then institute suit for the foreclosure of this instrument. It is also agreed that if Beneficiary should institute a suit for the foreclosure of this instrument, Beneficiary may at any time before the entry of a final judgment in said suit dismiss the same, and require Trustee, its substitute or successor, to sell the Premises, in accordance with the provisions of this instrument in accordance with Utah's statute Utah Code Ann. §§ 57-1-19 through 57-1-36.

SECTION 2: POWER OF SALE / FORECLOSURE. Upon the occurrence of an Event of Default, Trustee may also exercise its rights of enforcement with respect to the Collateral under the Utah Uniform Commercial Code, as amended, or under the Uniform Commercial Code or any other statute in force in any state to the extent the same is applicable law. Cumulative of the foregoing and the other provisions of this Section:

(a) Trustee may enter upon the Premises, or otherwise upon the Premises to take possession of, assemble and collect the Collateral or to render it unusable; and

(b) Trustee may require Trustor to assemble the Collateral and make it available at a place Trustee designates which is mutually convenient to allow Trustee to take possession or dispose of such; and

(c) written notice mailed to Trustor any secondary obligor, other secured party and person who has given the secured party a notice of claim of interest as provided herein at least ten (10) days prior to the date of public sale of the Collateral or prior to the date after which private sale of the Collateral will be made shall constitute reasonable notice; and

(d) in the event of a foreclosure of the liens and/or security interests evidenced hereby, the Collateral, or any part thereof, and the Premises, or any part thereof, may, at the option of Trustee, be sold, as a whole or in parts, together or separately; and

(e) the expenses of sale provided for shall include the reasonable expenses of retaking the Collateral, or any part thereof, holding the same and preparing the same for sale or other disposition; and

(f) should any of the Collateral be disposed of other than by sale, any proceeds of such disposition shall be treated hereunder as if the same were sales proceeds.

(g) After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell the Premises on the date and at the time and place designated in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which such property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause he deems expedient, postpone the sale from time to time until it shall be completed and, in every such case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale in accordance with law. Trustee shall execute and deliver to the purchaser its Deed conveying the property so sold, but without any covenant of warranty, express or implied. The recitals in the Deed of any matters of fact shall be *prima facie* evidence of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

Any notice that is required or permitted to be given to Trustor may be addressed at the address set forth in the Loan Documents. Any notice that is to be given by certified mail to any other debtor may, if no address for such other debtor is shown by the records of Beneficiary, be addressed to such other debtor at the address of Trustor as is shown by the records of Beneficiary. Notwithstanding the foregoing provisions of this subparagraph, notice of such sale given in accordance with the requirements of the applicable law of the State of Utah in effect at the time of such sale shall constitute sufficient notice of such sale.

SECTION 3: TRUSTEE'S SALE/PROCEEDS OF FORECLOSURE. The proceeds of any sale held in foreclosure or Trustee's sale of the liens and/or security interests evidenced hereby shall be applied:

FIRST, to the payment of all necessary costs and expenses incident to such sale, including but not limited to all court costs and charges of every character in the event foreclosed by suit;

SECOND, to the payment of the Indebtedness (including specifically without limitation the principal, interest and attorneys' fees due and unpaid on the Notes and the amounts due and unpaid and owed under the Deed of Trust); and

THIRD, the remainder, if any there shall be, shall be paid to Trustor, or to Trustor's heirs, devisees, representatives, successors or assigns, or such other persons as may be entitled thereto by law.

SECTION 4: PROCEEDS OF FORECLOSURE. Payment of the purchase price to the Trustee shall satisfy the obligation of the purchaser at such sale therefore, and such purchaser shall not be bound to look after the application thereof. If the proceeds of such sale shall be less

than the aggregate of the Indebtedness secured hereby, subject to the limitations contained in the Loan Documents, Beneficiary shall have the right to obtain recovery of any remaining amounts in accordance with Utah Code Ann. § 57-1-32.

SECTION 5: NOTICE. Pursuant to Utah Code Ann. § 57-1-26(3), request for notice, Beneficiary requests that a copy of any notice of default and a copy of any notice of sale be mailed to any person who is a party to this Deed of Trust at the address of the person set forth in the Deed of Trust.

SECTION 6: NO ORAL AGREEMENT. PURSUANT TO UTAH CODE ANN. § 25-5-4, TRUSTOR IS NOTIFIED THAT THE LOAN DOCUMENTS ARE A FINAL EXPRESSION OF THE AGREEMENT AMONG BENEFICIARY, TRUSTOR, AND THE OTHER PARTIES THERETO AND THE LOAN DOCUMENTS MAY NOT BE CONTRADICTED BY EVIDENCE OF ANY ALLEGED ORAL AGREEMENT.
