THIS LOOP LINE, RAIL, AND RAIL SERVICE AGREEMENT (the "Agreement") is made effective this 31st day of January, 2014, by and between PETERSON INDUSTRIAL PROPERTIES, LLC, a Utah limited liability company ("Peterson"), JADE STREET ENTERPRISES, L.L.C., a Utah limited liability company ("Jade Street," together with Peterson, "Provider"), NINIGRET DEPOT, L.C., a Utah limited liability company ("Recipient") (Provider and Recipient are sometimes referred to herein collectively as the "Parties" and individually as a "Party"), with reference to the following:

A. Peterson and Recipient are parties to that certain Real Estate Purchase Agreement and Escrow Instructions, dated July 12, 2013 (the "Purchase Agreement"), regarding certain real properties situated in Tooele County, State of Utah.

B. Pursuant to the Purchase Agreement, Peterson is acquiring from Recipient certain real property located in Tooele County, Utah (the "Transaction Property"), more particularly described in Exhibit B attached hereto and incorporated herein by this reference.

C. In addition to the Transaction Property, Jade Street, an entity affiliated with Peterson, owns other real property located adjacent to the Transaction Property, which real property is described in Exhibit C, attached hereto and incorporated herein by this reference (the "Provider's Existing Property," together with the Transaction Property, the "Provider Property").

D. Recipient owns that certain real property located near the Provider Property, as described in Exhibit D, attached hereto and incorporated herein by this reference (the "Recipient Property").

E. As a condition of Recipient's agreement to sell the Transaction Property to Peterson, Provider has agreed to grant and convey to Recipient: (i) easements on the Provider Property for the purposes described below; (ii) provide rail extension services to Recipient and the Recipient Property; and (iii) provide rail services on existing and future rails that are located on, or that benefit the Recipient Property, all in accordance with and subject to the terms and conditions of this Agreement.

FOR GOOD AND VALUABLE CONSIDERATION, the receipt and consideration of which are hereby acknowledged, the Parties agree as follows:

1. Grant of Easement. Provider hereby grants to Recipient, its successors and assigns, for the benefit of the Recipient Property, a perpetual, nonexclusive easement

(“Easement”) on, over, across, and through rail lines located on the Provider Property to construct, design, install, access, use, maintain, repair, replace, inspect, protect, change, and enlarge said rail lines that are necessary or desirable for the development of the Recipient Property (collectively, the “Improvements”). Any new Improvements shall be designed and installed to minimize the impact upon the Provider Property and shall comply with existing regulations and laws.

2. Rail Extension. Should Recipient decide, in its sole discretion, to construct rail Improvements on the Provider Property or the Recipient Property, Provider agrees to construct such Improvements at commercially reasonable rates determined at the time, and in any case no greater than any rate theretofore offered to Provider’s other customers located within the Utah Industrial Depot property, which at the date of this Agreement is \$135 per foot; provided however, to the extent that Provider is able to utilize a loan to complete the Improvements, instead of paying commercially reasonable rates, Recipient will be required to pay interest accrued and loan servicing fees related to any portion of a loan made to Provider used to provide such rail lines on, or for the benefit of, the Recipient Property and the principal of said loan in accordance with the terms of the loan.

3. Rail Service. Provider shall offer rail service to Recipient, to the Recipient Property, and to Recipient’s tenants or assigns on a “most favored customer basis”, meaning that such service shall be at no greater cost than is offered to any other client then being serviced by Provider.

4. Reservation by Provider. Provider hereby reserves the right to use the Provider Property for any use not inconsistent with Recipient’s permitted use of the Provider Property.

5. Condition of the Easement Property. Recipient accepts the Provider Property and all aspects thereof in “AS IS”, “WHERE IS” condition, without warranties, either express or implied, “with all faults”, including but not limited to both latent and patent defects. Recipient hereby waives all warranties, express or implied, regarding the title, condition and use of the Provider Property.

6. Covenants Run with the Land. The Easement, and the rights and obligations granted or created hereby are appurtenances to the Recipient Property and all such easements, rights or obligations may be transferred and assigned by Recipient without the consent of the Provider. The Easement (a) shall constitute covenants running with the Provider Property; and (b) shall inure to the benefit of and be binding upon the Parties hereto and their respective heirs, successors and assigns as to their respective property.

7. Duration. The duration of the Easement shall be perpetual.

8. Attorneys’ Fees. In the event it becomes necessary for any Party hereto to employ an attorney in order for such Party to enforce its rights hereunder, either with or without litigation, the non-prevailing Party of such controversy shall pay to the prevailing Party reasonable attorneys’ fees and, in addition, such costs and expenses as are incurred by the prevailing Party in enforcing its rights hereunder.

9. Counterparts. This Agreement may be executed in any number of counterparts, provided each counterpart is identical in its terms. Each such counterpart, when executed and

delivered will be deemed to be an original, and all such counterparts shall be deemed to constitute one and the same instrument. For convenience in recording, signature pages from multiple counterparts may be detached from their counterparts and attached to a single counterpart to be recorded.
