This Amendment to the Master Declaration of Covenants, Conditions and Restrictions of the Villages at Saratoga Springs Master Planned Community City of Saratoga Springs, Utah (the "Declaration") is executed on the date set forth below by the Villages at Saratoga Springs Homes Owners Association, Inc. (the "Association").

RECITALS

A. Real property in Utah County, Utah, known as the Villages at Saratoga Springs was subjected to covenants, conditions, and restrictions pursuant to the Declaration recorded February 13, 2006, in the Utah County Recorder's Office as Entry No. 17294:2006;

B. This amendment shall be binding against the property described in EXHIBIT A and the Declaration, and any amendment, annexation, or supplement thereto;

C. This amendment is intended to: further clarify which properties within the Project may be assessed; make clear the date upon which certain assessments commence; further establish the powers of the Master Association to collect certain assessments; clarify the applicability of the specifications and requirements for construction and development set forth in the Master Plan, Article VII of the Declaration, and in any Supplemental Design Guidelines, and; remove references to specific fee amounts in Section 8.7 and to permit the Board to set fees for plan review by the ARC;

D. The President and Secretary certify that this Amendment was approved by the affirmative vote of at least 67% of the voting power of the Association as required;

NOW, THEREFORE, the Association, by and through its Board, hereby amends the Declaration as follows:

The Paragraph entitled "Property" found in Declaration Article I, Section 1.1 is revised for clarification and shall read as follows:

"Property" shall mean the real property described in Recital A to this Declaration, along with any additional real property that is an expansion or annexation.

The Paragraph entitled "Unit" found in Declaration Article I, Section 1.1 is revised for clarification and to expressly state that the term "Unit" as used in the Declaration includes commercial properties. Said Paragraph shall read as follows:

"Unit" shall refer to any and all of the following: Any residential lot, condominium unit or other residential unit, shown on the recorded subdivision plat or plat of condominium for any Phase of Development in the Project; a parcel of land, shown on the recorded subdivision plat or plat of condominium for any Phase

of Development in the Project, and; any lot or parcel located on the Project including but not limited to property developed for commercial purposes or purchased with the intent to develop it commercially. The foregoing notwithstanding, the term Unit shall not include attached or unattached residential apartment units or common areas.

Declaration Article V, Section 5.2 is amended to clarify that the Master Association has the power and duty to levy and collect assessments against all Units located within the Project, not only those included in a Phase of Development, and shall now read as follows:

5.2 Assessments. The powers and duty to levy assessments on the Owners of Units upon which assessments have commenced under Section 6.9 of this Declaration, and to enforce payment of such assessments in accordance with the provisions of Article 6 hereof.

Declaration Article VI, Section 6.9 is amended to clarify the date upon which assessments commence, and therefore, shall now read as follows:

6.9 Date of Commencements of Annual Assessments: Due Dates. Common and Special Assessments provided for herein shall commence on the dates hereinafter described:

6.9.1 As to Units within a Phase of Development, Common and Special Assessments shall commence on the first day of the month following the recording of the first deed conveying the first Unit within that Phase of Development to an Owner other than Declarant or a Participating Developer.

6.9.2 As to all other Units, including, without limitation, lots or parcels that are commercially developed or owned with the expectation that they will be commercially developed, Common and Special Assessments shall commence on the first day of the month following the recording of the deed conveying such Unit to an Owner other than Declarant or a Participating Developer.

The Assessments, except the initial Common Assessment, shall be prorated according to the number of months remaining in the calendar year. Common Assessments shall be collected on a periodic basis as the Board may determine from time to time, but until the Board directs otherwise, Assessments shall be payable quarterly in advance on the first day of each calendar quarter.

Declaration Article VI, Section 6.18.4 is amended to provide a definition of "developed," and shall now read as follows:

6.18.4 All of the property not yet developed, with "developed" meaning, for the purposes of this sub-section, the sub-division or platting of land, or the construction of any Improvements upon land;

Declaration Article VII, 7.1 is amended to clarify that the specifications and requirements for development and construction within the Project set forth in the Master Plan (Utah County Recorder's Office, Entry No. 136187:2002) are adopted by the Declaration, and that the specifications and requirements stated within Article VII of the Declaration, the Master Plan, and the Supplemental Design Guidelines shall apply to all Units, including, without limitation, commercial properties. Section 7.1 shall now read as follows:

7.1 Application of Design Guidelines. The requirements set out in this Article 7 and in the Master

Plan (herein referred to as the "Design Guidelines") shall apply to all development, Buildings and Improvements in the Project, including, without limitation, any commercial developments, unless provided otherwise in Supplemental Design Guidelines which may be adopted as provided in Section 8.2 of this Declaration.

Declaration Article VII, Section 7.7 is created and added to the Declaration after Section 7.6, in order to exempt commercially developed properties from some of the requirements in Article VII of the Declaration, and shall read as follows:

7.7 Commercial Properties. The foregoing notwithstanding, commercial properties are subject to the requirements and specifications set forth in the Master Plan and the Supplemental Design Guidelines. Commercial properties are also subject to the Design Guidelines to the extent that they may reasonably apply to the commercial property in question.

Declaration Article VIII, Section 8.7 is amended to so that all application fees regarding plans submitted to the ARC for review shall be in an amount to be established by the Board. Therefore, the last sentence of Section 8.7 is to be replaced with the following sentence:

An application fee in an amount to be determined by the Board shall be required as part of the application.
