

NOTES:

- 1. In connection with the recordation of this plat for DAYBREAK VILLAGE 8 PLAT 7 SUBDIVISION, there shall also be recorded, with respect to the "tract" described herein, a document entitled "Supplement to Covenant for Daybreak Village 8 Plat 7 Property" and the residential lots and certain other lots within this Plat, a document entitled "Disclaimer to Community Charter for Daybreak Submitting Additional Property" (each, a "Supplement"). The Supplements subject the "tract" described herein to a document entitled "Community Charter for Daybreak" (the "Charter") and the residential lots and certain other lots within this Plat to a second document entitled "Community Charter for Daybreak" (the "Charter"). In addition, any non-residential lots (if any) may also have recorded against them a "Supplement to Amended and Restated Declaration of Covenants, Conditions and Restrictions for Daybreak Village Submitting Additional Property", which subjects such non-residential lots within this Plat to the "Amended and Restated Declaration of Covenants, Conditions and Restrictions for Daybreak Village". This Plat is part of a master-planned community commonly known as "Daybreak" and is subject to the Master Development Agreement recorded on March 26, 2003 as Entry No. 8569557, in Book 8762 beginning on Page 703 of the Official Records of Salt Lake County (which Master Development Agreement may be amended from time to time) (the "Master Development Agreement").
- 2. The "tract" subdivided by this Plat is hereby specifically subjected to a reservation by the Owner of (1) all oil, gas, geothermal and mineral rights and interests under or appurtenant to this Plat, and (2) all water flowing or located under, within, over, or through the "tract" subdivided by this Plat, including, without limitation, all storm water and reclaimed water. The "tract" subdivided by this Plat is further subject to all easements, restrictions, reservations, rights-of-way, shortages in area, encroachments, or other encumbrances, whether such matters are of record or otherwise enforceable at law or in equity.
- 3. All areas identified on this Plat as public rights-of-way are intended for public use and are hereby dedicated for the perpetual use of the public pursuant to the Owner's dedication shown hereon. All other areas are not dedicated for public use by this Plat. Lots designated as "O" and "P" are to be dedicated or donated to either (1) the city or other governmental entity, or (2) an owners' association for common area use, in a subsequently recorded instrument or an amendment to this Plat. Any easement shown on this Plat that is not specifically referred to as "public" is reserved to Owner or to Owner's designee.
- 4. The Owner reserves, in favor of Daybreak Water Company, a Utah non-profit corporation, easements over, across and under all streets, public rights-of-way, alleys, "P" lots and "O" lots, and other public use areas, and all public utility and drainage easement areas to install, maintain, repair, and otherwise operate and accomplish all things associated with a secondary water system providing secondary water to portions of Daybreak.
- 5. On any lot in this Plat encumbered by a blanket PUDE easement, Owner reserves the right to relocate and/or modify the location of such easement by Owner recording a notice of such location concerning such lot in the Official Records of Salt Lake County. Owner's relocation or definition of the easement is referred to as existing utility's consent.
- 6. From and after recordation of this plat, any amendment thereto or further subdivision thereof or within thereunto shall not be deemed to be an amendment to the Kennecott Master Subdivision II as recorded hereon. Further subdivision of the Kennecott Master Subdivision II is consented to by any owner at any time hereafter purchasing or having an interest in any lots shown on this plat.
- 7. Certain lots on this Plat may be served by sewer laterals that are less than 11 feet below ground level. In such event the residences on such lots with basements may not have sewer service available to the basements. The owner of any lot in this Plat shall be responsible for verifying the sewer lateral depth serving said lot and shall be responsible for setting the foundation elevation of the residence constructed thereon to a depth sufficient for adequate fall into the respective sewer lateral.
- 8. The total development known as Daybreak, of which this plat is a part, is a large, master-planned community. Phases of Daybreak may contain or be adjacent to a significant mix of land uses including parks, recreational facilities, churches, schools, retail and commercial, and industrial uses, which will be intermingled with residential properties. Different uses may be constructed at different times. Certain uses may be located near other uses when Daybreak is fully developed, such as commercial, retail, civic, educational, religious and office property and specialty uses and condominiums, which may not be built concurrently with residential uses. Throughout the course of development, the plans for Daybreak may change depending on a variety of factors, including market factors, and the results of ongoing studies and planning. Certain traits of each residential property may change over time depending on adjacent uses, such as the view, shade, perceived privacy, adjacency to parks, trails or open and amount/timing of traffic. No commitments are made regarding the future development of Daybreak or the uses that will be made of land within or around Daybreak. Also, in connection with the development of Daybreak there will be ongoing construction activities related to development.
- 9. For any "P" lots or "O" lots with paved sidewalks and/or walkways constructed thereon, the Owner hereby grants a public access easement thereon for public use by pedestrians and non-motorized vehicles for the purpose of reasonable access, ingress and egress over and across such paved sidewalks and/or walkways. Such public access easement areas and improvements shall be maintained by the Daybreak community association or applicable sub-association.
- 10. Entire plat subject to a blanket easement in favor of Rocky Mountain Power recorded as Entry No. 13296183 in the Office of the Salt Lake County Recorder.

EASEMENT NOTE:

Owner certifies that the easements, claims of easements, or encumbrances on the platted property which are shown by public records are shown on this plat based on the title report issued by Equity National Title Co., Order Number 1955719JM, Amendment No. , with an effective date of June 24, 2020.

HIGH GROUND WATER:

Many areas in South Jordan City have ground water problems due to high (fluctuating) water table. Approval of this plat does not constitute representation by the City that building at any specified elevation will solve groundwater problems, if any.

SEWER LATERAL NOTE:

All lots contained within this Plat are served by private sewer laterals. The owner(s) of a lot in this Plat or any portion of an Alpha Parcel which is served by a sewer lateral which traverses a lot labeled "P" or "O", a public right-of-way, or a PUDE easement is hereby granted an easement over and through such "P" and/or "O" lots, public rights-of-way and/or PUDE easements for the purpose of allowing such owner(s) the right to operate, maintain and repair such sewer lateral. Promptly following any construction, repairs or maintenance requiring disturbance of the surface or subsurface of a burdened property, the benefited party shall cause the surface and subsurface of the burdened property to be restored to a condition substantially similar to the condition prior to such disturbance.

NOTICE:

Potential purchasers of property described on this plat are advised by South Jordan City to familiarize themselves with all rules, lot information, easements and other pertinent information on this plat and also with any Covenants, Conditions and Restrictions ("CCRs") recorded against such property, including those described in note 1 of this plat. Such property may also be subject to the restrictions of the Kennecott Development Standards Matrix ("Matrix") attached to the Kennecott Master Subdivision II Plat recorded in Book 2002P commencing at Page 275, in the Salt Lake County Recorder's Office, as it may be amended from time to time. These documents may limit the use of the property and the use of the documents may result in financial losses to the property owner. Purchasers and property owners are responsible to review and to be informed of the restrictions of the Matrix and other recorded documents related to this plat, as currently existing or as may from time to time be changed and/or amended.
