**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR
WILDFLOWER IMPROVEMENT ASSOCIATION**

This DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR WILDFLOWER IMPROVEMENT ASSOCIATION (this "**Declaration**") is adopted by **WILDFLOWER DEVELOPER, LLC**, a Utah limited liability company ("**Declarant**"), **WILDFLOWER IMPROVEMENT ASSOCIATION**, a Utah nonprofit corporation ("**Association**"), and with the consent and agreement of UMB Bank, n.a. ("**Bond Trustee**") with respect to the duties, rights and interests of each party hereunder.

PREAMBLE:

A. The real property made subject to this Declaration is more particularly described on Exhibit "A" attached hereto and made a part hereof (the "**Assessed Property**"). By executing and recording this Declaration, the Declarant and all undersigned owners of the Assessed Property declare that the property described in Exhibit "A", and any additional property made subject to this Declaration in the future by amendment or supplement, is subject to the terms, covenants, conditions and restrictions set forth in this Declaration.

B. The Association has been formed by the Declarant for the express purposes of acting as an association in accordance with the Utah Community Association Act for the purposes of implementing the terms and provisions of this Declaration with respect to the Assessed Property. The Members of the Association will be the Owners of the Parcels in the Assessed Property, provided that they will not have voting rights. Instead, Declarant shall act in lieu of a Board of Directors and shall control the Association during the Declarant Control Period.

C. The Association's Lien for Assessments created by the recording of this Declaration constitutes a senior lien and obligation upon each of the Parcels that forms a part of the Assessed Property, and shall be senior to all other indebtedness liens, including loans secured by a mortgage or deed of trust. While a Parcel remains encumbered by the Assessment Lien, lending sources for refinancing or other purposes, including for purchasers at a resale, may be limited. Before purchasing a Parcel, each Owner should determine whether and to what extent the Assessment Lien obligations hereunder may impact the ability of Owner to obtain loans from banks or other lending institutions in the customary loan markets.

D. Pursuant to the Development Plan, and certain other documents and approvals authorizing development, use and occupancy of Wildflower (collectively, the "**Entitlement Documents**"), various infrastructure improvements and facilities must be completed on the Property, including without limitation, roads, curbs and gutters, sidewalks, trails, landscaping, street lighting, signage, wet and dry utilities within roads, emergency and secondary access to the Assessed Property. Portions of the infrastructure improvements, along with certain open space and landscaping, may be dedicated to public agencies and the remainder of the infrastructure improvements may be owned by the Declarant, the Wildflower Master Association, one or more neighborhood associations, or others. The conveyance to one or more homeowners' associations of the privately-owned infrastructure improvements and the ownership and maintenance thereof, will be addressed in instruments separate and apart from this Declaration.

E. Prior to the construction of the residences and related improvements in Wildflower, Declarant needs to provide infrastructure improvements for the direct and special benefit of the Parcels to be contained within the Assessed Property, as described with estimates of costs to complete on Exhibit "C", including certain, sewer, water, roadway, storm drain, and utility improvements, along with other related improvements to benefit property within the boundaries of the Assessed Property ("**Financed Improvements**"). The Declarant intends to have the Financed Improvements started promptly after receipt of the Bond Proceeds.

F. Declarant will cause the Association to issue Special Assessment Bonds, Series 2020 (the "**Bonds**"), from which the proceeds (the "**Bond Proceeds**") will be used to (i) fund the Financed Improvements, (ii) fund a reserve account, and (iii) pay costs of issuance of the Bonds. In accordance with an Indenture of Trust and Pledge to be executed and delivered by the Association (the "**Indenture**"), the Bonds will have a repayment term of ten (10) years, and Association will service and repay the Bonds through the levying and collecting assessments (as more fully defined below, the "**Assessments**") in annual installments from the Owners of the Assessed Property. The Developer and the Owners will be responsible for the costs of the Financed Improvements that exceed the Bond Proceeds.

G. Included among the general powers of a Utah nonprofit corporation under the Utah Revised Nonprofit Corporation Act ("**Nonprofit Act**") is the power to issue bonds and to secure its obligations by pledge of property, assets or income. An assessment levied against real property by a nonprofit community association under the Association Act constitutes a debt of the Parcel owner collectible by the association and, where levied pursuant to a notice of assessment lien recorded by the Association, has priority over any security interests in the real property secured by a mortgage or trust deed recorded after an association's recorded notice of assessment lien.

H. The Financed Improvements will provide a direct and special benefit for each Parcel due to the proximity of the Financed Improvements to the Parcels and the specific purpose of the Financed Improvements to provide infrastructure for the Parcels and to facilitate development of the Assessed Property. More particularly, the Assessed Property could not be developed and used in the manner proposed without the construction of the Financed Improvements. The Financed Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the Assessed Property as part of the residential master-planned community, and the special benefits from the Financed Improvements for each Parcel will be equal to or greater than the Assessments for each Parcel.

I. Assessments will be levied against the Parcels within the Assessed Property by allocating the actual costs incurred of the Financed Improvements for each Neighborhood Improvement Area and then spreading these costs across all Parcels within each Neighborhood Improvement Area based on the ratio of the estimated projected assessed value of each Parcel within each Neighborhood Improvement Area to the total projected assessed value for the entire Neighborhood Improvement Area. The Assessments and the Annual Installments thereof for each of the Parcels will be calculated as shown on the Assessment Plan contained within the Assessment Methodology Report attached hereto as Exhibit "D" which is incorporated herein by this reference.

J. Declarant has formed the Association for nonprofit purposes pursuant to the Nonprofit Act, and solely for the following purposes: (1) issuing, selling and servicing the Bonds

to fund the Financed Improvements for the Assessed Property; (2) establishing and holding a first priority assessment lien on the Parcels within the Assessed Property (as they are subdivided and platted); (3) administering and enforcing the Association's governing documents; (4) collecting the Assessments from the Owners of Parcels as necessary to service, repay and otherwise satisfy the Bond indebtedness and obligations of the Association under the Indenture; (5) enforcing against the Owners of the Parcels the duty to pay the Assessments and, to the extent it may be required, foreclosing on the liens for delinquent Assessments; and (6) transferring to the Bond Trustee (or entity identified by Bond Trustee) for the benefit of Bondholders title to any Parcel obtained by foreclosure to the extent the proceeds thereof are insufficient to satisfy the Bond obligation allocated to such Parcel. In addition, the Association will exercise such powers as are necessary, as authorized by the Nonprofit and Association Acts.

K. Declarant declares that the portions of the Assessed Property upon which the Parcels will be located will be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied and improved subject to the reservations, rights, covenants, conditions, restrictions, and equitable servitudes contained in this Declaration, all of which are for the purpose of enhancing the Assessed Property, in furtherance of a general plan for the subdivision, improvement and sale of Wildflower and in accordance with the Entitlement Documents. The provisions of this Declaration are imposed as equitable servitudes on the portions of the Assessed Property upon which the Parcels will be located. The covenants, conditions, restrictions, rights, reservations, and equitable servitudes set forth herein will (1) run with and burden the portions of the Assessed Property upon which the Parcels will be located and will bind all Persons having or acquiring any interest in the portions of the Assessed Property upon which the Parcels will be located or any part thereof, and their heirs, successors and assigns, (2) benefit every portion of the Assessed Property upon which the Parcels will be located and any interest therein, and (3) benefit and bind Declarant and each Parcel owner and their successors-in-interest. The duties and obligations of each Parcel owner hereunder may be enforced by the Association and the Association Trustee as set forth in this Declaration.

L. Wildflower remains subject to the terms, conditions and restrictions contained in the Entitlement Documents, and the Owners of the Assessed Property are bound thereby. While development rights and entitlements are being pursued by Developer for certain portions of the Assessed Property, the Assessment obligations for each anticipated Parcel of that portion of the Assessed Property shall be satisfied and performed by its Owner. The Declaration and the Assessments levied herein, will have priority and be separate and apart and from any obligation that may attach to the Assessed Property from one or more associations that may be formed to own and manage the Assessed Property and/or Financed Improvements and to govern the Parcels therein.

M. The Association shall continue in existence until the Bondholders have received indefeasible repayment of the Bonds, the Bond Obligations are fully satisfied, and Bond Trustee confirms that all of the Association's obligations under the Indenture have been fully performed; following which the liens and encumbrance of this Declaration shall be cancelled and terminated, and the Association shall be dissolved.

Except for judicial construction, the Declarant or Board, shall have the exclusive right to construe and interpret the provisions of this Declaration. The power and duty to receive the Bond Proceeds and to allocate the Bond Proceeds to the purposes set forth in the Indenture, including making Requisitions for the allocation of the monies in the Construction Fund pursuant to the estimated costs of the Financed Improvements constructed by Developer and maintaining sufficient Reserve Funds, as such may be available.

The power and duty to establish the Assessment Fund and to hold, administer and allocate the monies therein according to the purposes and manner set forth in the Indenture and, in coordination with the Bond Trustee, to establish and place into the custody of the Bond Trustee, the Construction Fund, Bond Fund, Reserve Fund and Issuance Fund, and any sub-accounts as may set forth in the Indenture.

2.3.5 Pledge of Assessments and Lien of Parcels. The power and duty to pledge the Assessments for the Parcels for the repayment of the Bond Obligation under the Bonds

and to secure the payment of those Assessments by means of a first priority lien on the Parcels of the Assessed Property pursuant the Indenture and Declaration.

2.3.6 **Fix, Levy, Collect and Enforce Assessments.** The power and duty to fix, levy, collect and enforce the Assessments (and any Special Processing Charges, interest or other charges) established pursuant to this Declaration, the Bylaws or any rules and regulations (including any Special Processing Charges) for the servicing and satisfaction of the Bonds and Bond Obligation.

2.3.7 **Invest Funds in Qualified Investments.** The power and duty to purchase, receive, subscribe for, otherwise acquire, own hold, vote, use, sell mortgage, lend, pledge, or otherwise dispose of and deal in and with shares or other interest in, or obligations of, any other entity which constitute Qualified Investments.

2.3.8 **Contracts of Indenture.** The power and duty to make contracts and guarantees, incur liabilities, borrow money, issue notes, bonds, and other obligations and secure any of its obligations by mortgage or pledge of any of its property, assets, franchises or income, including in particular in connection with the Indenture.

2.3.9 **Issuance of Deed of Trust.** The power to convey the Assessed Property in trust with power of sale, in coordination with the Parcel Owners the Assessed Property, to the Bond Trustee as beneficiary for the purpose of securing payments and obligations arising under the Indenture.

2.3.10 **Insurance.** The power and duty to procure and maintain such insurance policies and coverages as the Declarant deems prudent on behalf of the Association, including without limitation (a) commercial general liability insurance protecting the Association against loss, damage, third party claims or causes of action to the extent that Association engages in activities or maintains property for which the Association or its employees, officers, directors, agents, contractors or representatives could have liability for injuries to persons or loss or damage to the property or property interest of another, (b) errors and omissions insurance, indemnity bonds, fidelity bonds and other insurance as Declarant deems advisable, insuring the Association's directors (or Declarant acting in lieu thereof) and officers against any liability for any act or omission in carrying out their obligations hereunder, and (c) such other policies or coverages that Declarant may determine are appropriate in the interest of the Association and its Membership to procure.

2.4 **ASSOCIATION MANAGEMENT.** Unless and until Declarant elects to form and authorize a Board of Directors, Declarant shall be authorized to exercise all of the powers that would otherwise be exercised by a Board of Directors under the Nonprofit Act in lieu of a Board of Directors. Declarant anticipates that the Association will be under Declarant Control during the entire existence of the Association; provided, however, that Declarant may subsequently choose to establish and authorize a Board of Directors, to exercise an exclusive right and power of appointment of the Persons to serve upon that Board and/or to appoint officers in its discretion as may be necessary to carry out the duties and exercise the rights of the Association. Declarant shall be governed by the general standards for conduct and nonliability provisions set forth in the Nonprofit Act at Utah Code § 16-6a-822.

2.4.1 **Not a Trustee.** Declarant shall not be considered a trustee with respect to any property held or administered by the Association.

2.4.2 **No Reserve Analysis Required.** Declarant shall not be required to conduct a reserve analysis under the Association Act at Utah Code § 57-8a-211. The Association does not intend to own any long-term assets that are subject to wear or waste.

2.4.3 **No Annual Budget/Annual Administrative Report.** Declarant shall not be required to prepare an annual budget under Utah Code § 57-8a-215. In lieu of the preparation of a budget, Declarant shall cause the Administrator to prepare annually an Annual Administrative Report that sets forth (a) the current status of all Assessments for the Assessed Property, including the principal amount owed by the Owners of each Parcel, (b) the balances held in each Fund, and (c) such other information as may be relevant to the Assessments to be levied against the Owners.

2.4.4 **Limited Declarant Liability.** Declarant is not a Director and shall thus not be subject to liability for Director conflicting interest transactions under the Nonprofit Act in Utah Code § 16-6a-825. To the maximum extent possible under the Nonprofit Act, Declarant shall have no liability or obligation to the Owners by virtue of its governance of the Association, subject only to any exceptions which may apply to Declarant as a non-Director under Utah law. Declarant shall be indemnified by the Association to the maximum extent possible under Utah law.

2.4.5 **Administration of Indenture.** Declarant shall cause the Association to carry out all of its duties and obligations under the Indenture and as set forth in this Declaration, including those relating to the Funds required to be established and administered and relating to the Assessments required to be imposed and administered. Upon the platting of a Parcel, or any portion thereof, Declarant and each Owner of Parcels platted by such subdivision shall execute and cause to be recorded a Supplemental Declaration as described in Section 5.4 showing the revised configuration of Parcels, and allocating or re-allocating (as applicable) the Bond Obligation substantially consistent with the allocations under the Assessment Plan that will continue to be subject to the Assessment Lien upon the Assessed Property established hereunder.

2.4.6 **Registration with Department of Commerce.** Within 90 days after recordation of the Declaration, the Declarant shall cause the Association to register with the Utah Department of Commerce in the manner established by the Department and thereafter timely file any updated registration in connection with any change in the required registration information, as required by the Association Act under Utah Code § 57-8a-105.

2.4.7 **Adopt Supplemental Declaration.** Declarant shall have the right to adopt and execute for recordation, any Supplemental Declaration as described in Section 5.4, below.

2.4.8 **Amendment of the Declaration.** Declarant may amend the Declaration as may be necessary and proper to carry out the express provisions and purposes of the Declaration and to conform to Utah law in doing so. Declarant shall have the sole power to amend the Declaration without Owner vote.

2.4.9 **Termination of the Association.** Declarant shall have the power to terminate the Association once the Bond Obligation is completely satisfied as set forth in the

Indenture and in this Declaration. This termination power shall be unilateral and shall not require a vote of the Owners unless required by Utah Nonprofit law.

2.4.10 **Ratified Actions.** Concurrently herewith or prior hereto, Declarant, with the consent of approval of the Owners caused the Association to undertake the following actions: (a) execution and delivery of the Declaration; (b) execution and delivery of the Indenture binding the Association to the terms, timing and manner for issuance, servicing and repayment of the Bonds and otherwise satisfying the Bond Obligations; and (c) authorize the issuance and sale of the Bonds, and to pay all costs, fees and expenses relating thereto. By taking title to a Parcel, whether or not it is so expressed in such deed or conveyance instrument, each Owner shall be deemed to have acknowledged, affirmed and ratified such authorizations and acts. Accordingly, each Owner agrees that, at no time will it contest, protest, or otherwise challenge, or seek to repeal of the authorization or levy for, or the amount of, the Bonds or the Assessments against the Assessed Property, or the assignment of the Assessments of the Association to the Bond Trustee for repayment of the Bond Obligations.

2.5 **ASSOCIATION TRUSTEE.** The Association Trustee shall undertake all duties and responsibilities of a trustee under the Association Act for the benefit of the Association. The Association Trustee acknowledges and agrees that the Association Trustee shall act consistent with the duties and obligations set forth in this Declaration, and the Indenture as the "trustee" required by Utah law to carry out judicial and nonjudicial foreclosures on the Liens of Parcels which are delinquent under the Declaration and the Association Act. The Association Trustee agrees to and at all times will be a qualified licensed trustee under Utah law as required by the Association Act in Utah Code §§ 57-8a-212, 57-8a-302 and under the qualifications provisions for trustee sales in Utah Code § 57-1-21(a)(a)(i) or (iv). The Bond Trustee may replace Association Trustee or the Administrator at anytime, upon request of the Bondholders of at least a majority in aggregate principal amount of the Bonds then Outstanding (subject to the indemnity provisions provided in the Indenture) by an instrument or concurrent instruments in writing signed by such Bondholders, or by their attorneys in fact, duly authorized, appointing a successor Association Trustee or Administrator, as applicable. At the direction of the Association, or Bond Trustee given from time to time on the occasion of an Assessment payment default by the Owner of a Parcel, and in compliance with this Declaration, the Indenture and the Association Act (including at Utah Code § 57-8a-302), the Association Trustee agrees to proceed with foreclosures in full compliance with the applicable provisions and procedures of the trustee sales provisions in Utah Code §§ 57-1-24 through 57-1-34. Declarant hereby conveys and warrants pursuant to Utah Code §§ 57-1-20 and 57-8a-302 to the Association Trustee, with power of sale, the Parcels and all improvements to the Parcels for the purpose of securing payment of the Assessments under the terms of this Declaration and consistent with the rights, obligations and privileges of the Bond Trustee, and Bondholders as set forth in the Indenture.

ARTICLE 3 MANAGEMENT OF BOND PROCEEDS AND ASSESSMENTS

3.1 **MANAGEMENT OF FUNDS.** Pursuant to the Indenture, upon issuance of the Bonds, the Association shall deposit the Bond Proceeds into the custody of the Bond Trustee and, to the extent that the Association may directly receive payment of the Assessments, the Association shall transfer the Assessments to the Bond Trustee. Pursuant to the Indenture, the Bond Trustee

shall allocate the Bond Proceeds and Assessments to the various Funds established pursuant to the Indenture (Construction Fund, Assessment Fund, Reserve Fund, Bond Fund, and Cost of Issuance Fund) for the various Bond Components in the amounts set forth in the Indenture for the uses and according to the procedures set forth in the Indenture and in this Declaration. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, constituting part of the Assessed Property, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest: (i) the Bond Obligation in the amount set forth in the Indenture and the apportionment thereof to the Parcels in accordance with the Assessment Plan, (ii) the allocation of the Bond Proceeds among the various Funds and accounts in the proportions or amounts set forth or as otherwise authorized in the Indenture, and (iii) the allocation of the Assessments to the various Funds as set forth in the Indenture.

3.1.1 **Investment of Funds.** Pursuant to the Indenture, and except for monies deposited or held in the Assessment Fund, Declarant may authorize the Bond Trustee to invest moneys in the Funds in Qualified Investments, including guaranteed investment contracts secured solely by Qualified Investments. All income derived from the investments from each fund shall be maintained in the Funds and accounts respectively and shall be disbursed along with the other moneys on deposit therein as herein provided. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest such investments and Declarant's waiver of the right to receive brokerage confirmations of the security transactions as they occur, and to instead have Declarant receive periodic cash transactions statements showing the detail for all investment transactions made by the Bond Trustee.

3.1.2 **Funds Held in Trust.** Pursuant to the Indenture, all monies received by the Bond Trustee under the provisions of the Indenture shall be trust funds under the terms of the Indenture and shall not be subject to lien or attachment of any creditor of the Bond Trustee, including the State or any political subdivision, body, agency, or instrumentality thereof, or of the Association and shall not be subject to appropriation by any legislative body or otherwise. Such monies shall be held in trust and applied in accordance with the provisions of the Indenture. Unless and until disbursed pursuant to the terms of the Indenture, all such monies and the income therefrom shall be held by the Bond Trustee as security for the payment of the principal, premium, if any, and interest on the Bonds and the fees and expenses of the Association and the Bond Trustee payable under the Indenture. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the establishment of such trust as set forth in the Indenture.

3.1.3 **Method and Frequency of Valuation.** The Owners and the Association acknowledge and agree that Bond Trustee will value Qualified Investments at market value in computing the amount in any Fund or Account. Such valuation will occur annually, except in the event of a withdrawal from the Reserve Fund, whereupon the securities shall be valued immediately after such withdrawal.

3.1.4 **Perfection of Security Interest.** Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the creation by the Indenture of a valid and binding pledge and assignment of security interest in all of the Assessments and all other

applicable funds and moneys pledged under the Indenture in favor of the Bond Trustee as security for payment of the Bonds, enforceable by the Bond Trustee in accordance with the terms thereof, with no right to any other security interest in the Assessments so long as the Bonds remain outstanding. Following the recordation of any final subdivision plat or other instrument subdividing any Parcel containing lots, the Association shall have the right to execute and record a notice of the Lien for Assessments against each lot, a Supplemental Declaration, and may also require Owners to execute and record an instrument confirming the Lien for Assessments with respect to such constituent subdivided lots or other Parcels.

3.1.5 **Limited Obligation of Association.** As set forth in the Indenture, the Bonds are not a general obligation of the Association and are payable exclusively out of the funds and/or property described in this Article. Following any Membership Termination Event, the Administrator shall obtain confirmation from the Bond Trustee that the Bond Obligation of the Association shall be proportionately reduced with respect to the applicable Parcel(s) subject to the Membership Termination Event.

3.2 **CONSTRUCTION FUND.** Pursuant to the Indenture, upon issuance of the Bonds, the Bond Trustee shall create and establish a special trust fund in the name of the Association and in the custody of the Bond Trustee referred to as the Construction Fund ("**Construction Fund**"). Pursuant to the Indenture, the Bond Trustee will establish within the Construction Fund a Series 2020 Construction Account for the Bonds.

3.2.1 **Deposit of Bond Proceeds for Financed Improvements.** Immediately upon receipt of the Bond Proceeds from the Association, the Bond Trustee shall deposit into the Construction Fund the Bond Proceeds in the full amount estimated for the cost of the Financed Improvements.

3.2.2 **Developer Responsibility for Construction.** Developer shall be responsible for bringing about the construction of the Financed Improvements in a timely manner and according to standards required by all applicable governmental authorities. Developer will only be entitled to Bond Proceeds for the estimated cost of those items of the Financed Improvements properly completed, as may be approved by the Bond Trustee upon Declarant submission of a compliant Requisition as set forth below. Notwithstanding the foregoing, to the extent authorized by the Indenture, the Association and Declarant may determine and elect to allocate the Bond Proceeds and the Construction Fund to alternative infrastructure or improvements in place or instead of the Financed Improvements, so long as such infrastructure or improvements provide a direct and special benefit of substantially comparable similar value to the Assessed Properties and do not materially and adversely impact the timing, access to or availability of the Assessed Properties for residential development. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the estimated costs of the items of the Financed Improvements. Neither Bondholders, the Bond Trustee nor any Owners shall be responsible for any liens, damages or injuries arising out of or related to Developer's construction of the Financed Improvements, and Developer covenants to defend and indemnify Bondholders, the Bond Trustee, or Owners in the event a claim for damages or injuries is brought against them arising out of or related to Developer's construction of the Financed Improvements.

3.2.3 **Declarant Requisition.** Declarant shall provide a written requisition to the Bond Trustee in substantially the form as contained in the Indenture (a *“Requisition”*) itemizing and substantiating claims for payments of amounts due and owing for construction of the Financed Improvements. The Requisition shall specify the person or entity to whom the payment is owed and the item of Financed Improvement to which it is attributable, and Declarant shall verify that the amount set forth is due and owing and constitutes a cost of acquisition and/or construction of the Financed Improvements that does not exceed the estimated cost for that element of the Financed Improvements identified and itemized on Exhibit “C” of this Declaration. Declarant shall include copies of reports of all required governmental inspections and governmental approvals of the Financed Improvement together with the Requisition where available.

3.2.4 **Bond Trustee Payment.** Provided the Association is not in default under the Indenture, monies deposited in the Construction Fund shall be disbursed by the Bond Trustee to pay the costs of the Financed Improvements (up to but not to exceed the amount of the estimated cost of that item of the Financed Improvements set forth on Exhibit “C” of this Declaration) upon the Bond Trustee confirmation that the Requisition is complete and accurate. The Bond Trustee shall approve the Requisition unless Bond Trustee can immediately determine from inquiry of applicable governmental authorities that the item of Financed Improvement is incomplete or insufficiently guaranteed by Developer. Bond Trustee shall disburse the funds within ten (10) Business Days (or within such longer period as is reasonably required to liquidate investments in the Construction Fund if required to make such payment) after Bond Trustee receipt of a written requisition by Declarant; provided that Declarant shall have delivered with such requisition either (a) a certificate of completion from the project engineer certifying that the work has been completed in strict accordance with applicable plans and specifications, or (b) the City, relevant governmental authority, or public utility has accepted any public or public utility infrastructure. In making such payments, the Bond Trustee may rely upon the information submitted in the Requisition. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the Bond Trustee payment to Developer of the estimated costs of the items of the Financed Improvements upon Developer completion or Developer guaranty of completion. Such payments shall be presumed to be made properly and the Bond Trustee shall not be required to verify the application of any payments from the Construction Fund or to inquire into the purposes for which disbursement are being made from the Construction Fund, except to the extent necessary to confirm the association of the disbursement with the applicable item of the Financed Improvements. Should Developer not need the entire estimated costs of an item of the Financed Improvements, the Bond Trustee shall reallocate the estimated costs to a different item upon request by Declarant. Declarant and the Bond Trustee shall keep and maintain adequate records pertaining to each account within the Construction Fund and all disbursements therefrom.

3.2.5 **Developer Certification.** Developer shall deliver to the Bond Trustee within ninety (90) days after the Bond Trustee payment of each Requisition from the Construction Fund stating: (i) that the portion of the Financed Improvements paid for has been fully completed in accordance with the plans and specifications therefor, as amended from time to time, or that the Developer has posted an improvement bond (or other guaranty) therefor in an amount satisfactory to the applicable government entity; and (ii) that the Financed Improvements have been fully paid for or guaranteed and no claim or claims exist against the Developer or against such Financed

Improvements out of which a lien based on furnishing labor or material exists or might ripen; provided, however, there may be excepted from the foregoing certification any claim or claims out of which a lien exists or might ripen in the event that Developer intends to contest such claim or claims, in which event such claim or claims shall be described to the Bond Trustee. In the event the certificate filed with the Bond Trustee shall state that there is a claim or claims, in controversy which create or might ripen into a lien, Developer shall file a similar certificate with the Bond Trustee when and as such claim or claims shall have been fully paid or otherwise discharged.

3.2.6 **Unused Bond Proceeds.** Pursuant to the Indenture, upon completion of or bonding (or other guaranty) for each item of the Financed Improvements to be financed with the Bond Proceeds and payment of all costs and expenses incident thereto and the filing by Declarant with the Bond Trustee of the required certifications, Declarant may direct that any balance remaining in the Construction Fund for that item not reallocated to another item be deposited in the Bond Fund, to be applied to pay interest next falling due with respect to the Bonds or to redeem Bonds with any remaining funds. Notwithstanding the foregoing, each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the obligation of the Bond Trustee to use the remaining funds in the Construction Fund to pay principal and interest on the Bonds at any time in the event of a payment default under the Indenture to the extent there are no available funds held under the Indenture.

3.3 **ASSESSMENT FUND.** Pursuant to the Indenture, upon issuance of the Bonds, Declarant shall create and establish a fund in the name of the Association and in the custody of the Bond Trustee referred to as the Assessment Fund ("*Assessment Fund*"). The Bond Trustee shall be entitled to receive into the Assessment Fund all of Owners' payments of Assessments, including Assessments collected by the Association or Association Trustee from the foreclosure sale of delinquent properties, in the Assessment Fund. The Bond Trustee shall transfer all such amounts within ten (10) days after receipt for deposit in the Funds and accounts in the specified order of priority set forth in the Indenture, each priority being fully paid before the balance of said amounts are applied to any lower priority Fund or obligation and no payment being made on any priority if said amounts have been exhausted in the payment of higher priorities. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the Bond Trustee deposit of Assessments according to the priorities set forth in the Indenture, as follows:

3.3.1 **Annual Installments.** First, all Annual Installments (i) in the amount needed to pay the principal of and interest on the Bonds on each Interest Payment Date and at maturity or upon mandatory sinking fund redemption shall be deposited by Bond Trustee in the Bond Fund, with the Annual Installments intended to be used to make the payments on the Bonds on the following Interest Payment Date, (ii) in the amount attributable to the Administrator's fee (which shall be capped at \$50,000 per year with 2% annual escalation) shall be deposited by the Bond Trustee in the Administrative Costs Account in the Bond Fund and then remitted annually to the Administrator (and to the extent Annual Installments are not sufficient for (i) and (ii) in whole, such amount shall be distributed pro rata.), and (iii) such other reasonable and customary amounts as may be necessary and appropriate to manage and administer the Association and its operations.

3.3.2 **Prepayments.** Second, all prepayments of Annual Installments, including prepayment premiums, if any, shall be deposited by the Bond Trustee first in the Bond Fund to the extent needed to pay principal of and interest on the Bonds on the next succeeding Interest Payment Date and at maturity or upon mandatory sinking fund redemption and second, in the Redemption Account within the Bond Fund to redeem Bonds as provided in the Indenture.

3.3.3 **Foreclosure Sale Proceeds.** Third, all monies received from the foreclosure or Association Trustee sale of delinquent property shall be deposited by Bond Trustee first to the Bond Fund to the extent needed to pay principal of and interest on the Bonds on the next succeeding Interest Payment Date and at maturity or upon mandatory sinking fund redemption; and second, an amount sufficient to replenish the Reserve Fund for draws made thereon to pay principal of or interest on Bonds when due or to reimburse the respective account for the Reserve Fund for any monies used thereunder for foreclosure costs; and all remaining money shall be deposited in the Redemption Account within the Bond Fund to redeem Bonds pursuant to the Indenture.

3.4 **RESERVE FUND.** Pursuant to the Indenture, upon issuance of the Bonds, the Bond Trustee shall create and establish a special trust fund in the name of the Association and in the custody of the Bond Trustee referred to as the Reserve Fund ("**Reserve Fund**"). Pursuant to the Indenture, Bond Trustee will establish within the Reserve Fund a Series 2020 Reserve Account for the Bonds which shall secure only the Bonds.

3.4.1 **Use of Funds.** Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest Bond Trustee use of moneys on deposit in the Reserve Fund to make up any deficiencies in the Bond Fund for the payment of the Bonds when due and to pay any foreclosure costs, as set forth in the Indenture.

3.4.2 **Replenishment of Funds.** Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the Bond Trustee use of amounts recovered by exercise of any of the remedies provided in the Declaration or otherwise from delinquent Assessments and not needed to pay amounts coming due on the Bonds to replenish amounts drawn from the Accounts within the Reserve Fund up to the respective requirements, as set forth in the Indenture.

3.4.3 **Maintenance of Debt Service Requirement.** Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest maintenance of sufficient funds in the Series 2020 Reserve Account to fund the Debt Service Reserve Requirement, and to the Bond Trustee's transfer of such funds in the Account in excess of that on an annual basis on a date that is not earlier than thirty (30) days prior to the first Interest Payment Date of each year to the Bond Fund to be used to pay principal and/or interest on the Bonds as the same come due (and to the pro rata reduction of Annual Installments resulting from any such transfer), as set forth in the Indenture.

3.4.4 **Prepaid Parcel Transfer Requirement.** Notwithstanding anything to the contrary contained in the Indenture, pursuant to the Indenture, in the event the Association receives a prepayment in full of the entire Assessment on a Parcel, each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the Bond Trustee transfer of monies from the Reserve Fund to the Bond Fund Redemption Account in an amount equal to that Parcel's pro rata share of the Debt Service Reserve Requirement (taking into account any outstanding delinquencies with respect to that Parcel), as instructed in writing by Declarant in the amount specified by the Administrator. Those monies, together with the prepayment of Assessments, shall be used to redeem the series of Bonds related to such prepayment, as set forth in the Indenture. The new Debt Service Reserve Requirement with respect to the Bonds will then be decreased by the amounts transferred from the Reserve Fund to the Redemption Fund.

3.4.5 **Final Payment of All Bonds.** The Association shall instruct in writing the Bond Trustee remit to the Owners pro rata any moneys on deposit in the Series 2020 Reserve Account not applied by the Bond Trustee to the final payment of the Bonds.

3.4.6 **Deficiency in Reserve Account.** Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the Association's replenishment of the Series 2020 Reserve Account from proceeds received from the sale of delinquent property if at any time the amount on deposit in the Series 2020 Reserve Account is less than the Debt Service Reserve Requirement with respect to the Bonds, upon notice thereof by the Bond Trustee, as set forth in the Indenture. As set forth in the Indenture, the Association shall not be required to replenish the Series 2020 Reserve Account to the Debt Service Reserve Requirement except as funds become available from the Assessments and the enforcement thereof.

3.5 **COST OF ISSUANCE FUND.** Pursuant to the Indenture, upon issuance of the Bonds, the Bond Trustee shall create and establish a special trust fund in the name of the Association and in the custody of the Bond Trustee referred to as the Cost of Issuance Fund ("*Cost of Issuance Fund*"). Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest the Bond Trustee disbursement from the Cost of Issuance Fund the amounts to Persons identified on a Cost of Issuance Disbursement Request executed by Declarant, and to the Bond Trustee's transfer of amounts on deposit in the Cost of Issuance Fund not needed for payment of costs of issuance to the Construction Fund, as set forth in the Indenture.

3.6 **BOND FUND.** Pursuant to the Indenture, upon issuance of the Bonds, the Bond Trustee shall create and establish a special trust fund in the name of the Association and in the custody of the Bond Trustee referred to as the Bond Fund ("*Bond Fund*"). Within the Bond Fund, Bond Trustee shall create an Administrative Costs Account ("*Administrative Costs Account*") and a Redemption Account ("*Redemption Account*"). The Bond Trustee shall make deposits to the Bond Fund when received, as follows (i) the amounts obtained from Assessments provided for in Section 3.3 above; (ii) moneys transferred from the Reserve Fund as provided for in Section 3.4 above; (iii) all other monies received by Bond Trustee hereunder when accompanied by directions from the Person depositing such monies that such monies are to be paid into the Bond Fund. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it

is so expressed in such deed or instrument, expressly consents to and waives its right to contest Bond Trustee's withdrawal of sufficient monies from the Bond Fund to pay principal of and interest on the Bonds as the same become due on each Interest Payment Date and at maturity or upon earlier redemption and to make such monies so withdrawn available to the Paying Agent for the purpose of paying such principal and interest.

ARTICLE 4 ASSESSMENTS

4.1 DETERMINATION OF COSTS OF IMPROVEMENTS. The estimated acquisition, construction and installment costs of the Financed Improvements within the Assessed Property, including capitalized interest costs, overhead costs, administrative costs, costs of funding reserves, underwriter's discount, and debt issuance costs, is **\$34,578,397**, as more particularly shown in the Indenture and on Exhibit "C" attached hereto. Such amount to be levied as the Bond Obligation is within the appraised value of the Assessed Property and is thus allowed as an encumbrance pursuant to Utah Code § 16-6a-1201. In the event that the Bond Proceeds are insufficient to complete the Financed Improvements, the Association shall in no event be obligated to fund the completion of any Financed Improvements not funded by the Bond Proceeds, but instead Developer acknowledges and agrees that it shall be obligated to bear the costs of Financed Improvements that exceed the costs estimate or available Bond Proceeds.

4.2 APPROVAL OF ASSESSMENT PLAN. Declarant confirms and adopts the Assessment Plan for the Assessed Property. Declarant determines that the Assessments are to be levied according to the benefits to be derived by each Parcel within the Assessed Property. Regardless of the foregoing Declarant determination, each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, expressly consents to and waives its right to contest or challenge the methodology used by the Administrator to determine the Assessment Plan and agree that their individual Parcel Assessments have been levied according to the direct and special benefits to be derived by each Parcel within the Assessed Property.

4.3 LEVY OF ASSESSMENTS. Declarant does hereby create and levy Assessments against the Assessed Property and each individual Parcel therein in the amounts specified in the Assessment Plan for each Parcel. The amount of Assessments levied upon each Parcel of the Assessed Property, and which have been allocated to Parcels on the basis of a calculation of estimated value, reflects an equitable and proportional share of the benefits each Parcel shares in the Financed Improvements pursuant to Utah Code § 57-8a-201. The Assessments are debts of the respective Owners of the Assessed Property and the Parcels therein upon the date of creation and levy, which is the recording date of this Declaration.

4.4 AMOUNT OF TOTAL ASSESSMENTS. The Assessments will not exceed, in the aggregate sum, the following: (a) the estimated contract price or acquisition price of the Financed Improvements; (b) utility fees, connection fees, and impact fees; (c) the reasonable cost of (i) utility service, maintenance, and operation to facilitate completion of the Financed Improvements and (ii) labor, materials, or equipment to facilitate completion of the Financed Improvements; (d) reasonable and customary overhead costs; (e) reasonable and customary amounts for contingencies; (f) estimated interest on interim warrants and bond anticipation notes

issued to fund the Financed Improvements; (g) an amount sufficient to fund a reserve fund; and (h) any other costs necessary for the Association to meet its obligations under the Indenture.

4.5 **METHOD AND RATE OF ASSESSMENTS.** The Assessment amount to be allocated to each benefitted Parcel within the Assessed Property is determined based upon a method of calculation utilizing the estimated build-out value of each Parcel in proportion to the total value of the Neighborhood Improvement Area the Parcel is located. These rates, estimates, and calculations are contained in the Assessment Methodology Report attached as Exhibit D.

- **Table IV-B** of the Assessment Plan summarizes the allocation of the Assessments relating to each Neighborhood Improvement Area of the Assessed Property.
- **Appendix A** of the Assessment Plan details the Assessments and Annual Installments for each Parcel located in each Neighborhood Improvement Area.
- The Declarant and/or Administrator shall have the authority to adjust the Assessment allocations as permitted in the Assessment Plan.

4.6 **REALLOCATION OF ASSESSMENTS UPON DIVISION OF A PARCEL.** Upon the division of any Parcel, the Administrator shall reallocate the Assessment for the Parcel among the newly divided Parcels according to the following formula:

$$A = B \times (C / D)$$

“A” means the Assessment for a newly created Parcel.

“B” means the Assessment for the original Parcel prior to its division.

“C” means the Assessment for the lot type applicable to the Parcel created by the subdivision determined by reference to Table IV-B of the Assessment Methodology Report.

“D” means the sum of the Assessments for all of the Parcels created by the division.

If the resulting Assessment for a Parcel created by a division exceeds the Assessment for the lot type applicable to such Parcel as shown in Table IV-B of the Assessment Methodology Report, then the excess amount shall be prepaid as a Mandatory Prepayment.

Once a Parcel has an Assessment amount applied to it, and then such Parcel proceeds to be subdivided, in no event will the new division cause the sum of the Assessment amounts for the newly created Parcels to be greater than the Assessment for the original Parcel prior to its subdivision.

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. Any reallocation pursuant to this section shall be calculated by the Administrator and reflected in an update to the Assessment Methodology Report.

4.7 **PAYMENT OF ASSESSMENTS.** The annual installment payments of the Assessments (the “*Annual Installments*”) shall be in substantially equal amounts, subject, however, to adjustment as described herein. Interest on the unpaid balance of the Assessments shall accrue at the same rate or rates as shall be borne by the Bonds, plus an annual administrative cost incurred by the Association in an amount reasonably required to administer the Association’s obligations hereunder and under the Indenture, including without limitation, any direct out-of-pocket costs of the Association related to the administration and collection of the Assessments. The Administrator shall administer reallocation, invoicing and collection of the Assessments for the Association under the direction and supervision of Declarant. The Administrator shall send an invoice to the Owners of each Parcel annually setting forth the Annual Installment amount due under the applicable Assessment and indicating the remaining balance then due under the Assessment. The Administrator may reduce Annual Installments coming due on the next Annual Installment date pro rata as a result of any transfer from the Series 2020 Reserve Account due to moneys held in excess of the Debt Service Reserve Requirement. The due date for the Annual Installment shall be determined by the Administrator as necessary for the Association to remain in compliance with the payments required under the Indenture.

4.8 **AFFIRMATIVE COVENANT TO PAY ASSESSMENTS.** Declarant imposes on each Owner and each Parcel an affirmative covenant and obligation to pay to the Association all Assessments (including each and every Annual Installment thereof) in respect of the Parcel. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, acknowledges that the Financed Improvements confer a special benefit on their Parcel(s) that exceeds the amount of the Assessments on their Parcel(s). Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, shall be obligated and agrees to pay all Assessments applicable to the Parcels owned (including all Annual Installments when due), regardless of their nature, including but not limited to any then past due installment payments in accordance with the provisions of this Declaration and consents and agrees to the Association Lien rights hereunder against the Parcels owned by the Owner. Each Owner, by acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, simultaneously conveys the Parcel(s) in trust, with power of sale, to the Association Trustee for the purpose of securing payment of all amounts due under the Declaration. By acceptance of a deed or other instrument conveying title to a Parcel, whether or not it is so expressed in such deed or instrument, each Owner (a) ratifies, confirms, accepts, agrees to, and approves the determinations and findings of the Administrator described in the Assessment Methodology Report from which the Assessment Plan was derived, including the special benefits and assessment methodology of the Assessment Plan contained therein, and (b) expressly waives the rights to contest, challenge or have a hearing on the methods used to calculate Assessments, the amounts of Assessments, the timing and manner of payments for the Assessments or the use of the Assessments; whether for the identified Financed Improvements or for similar infrastructure or improvements of similar value to the Assessed Properties providing a direct and special benefit to and enabling residential development of the Assessed Properties. Each Owner waives any right or claim to (i) challenge or audit the expenditure or allocation of Bond Proceeds for the Financed Improvements or any such similar infrastructure or improvements, and (ii) contest such expenditure or allocation by any one of the Association and Declarant. The liability for Assessments is personal to the Owner and may not be avoided by waiver of the use of Financed Improvements or by the abandonment of the Parcel for which the Assessments are made. Neither

the liability for Assessments nor the amount of Assessments shall be reduced or avoided due to the fact that all or any portions of the Financed Improvements are not completed. No diminution or abatement of Assessments or set-off shall be claimed or allowed by reason of any alleged failure of the Association or the Declarant to take some action or perform some function required to be taken or performed by the Association or Declarant under this Declaration, the Articles or the Bylaws or for inconvenience or discomfort arising from the making of repairs to or maintenance of the Financed Improvements, or from any action taken to comply with any law or with any order or directive of any municipal or other governmental authority.

4.9 **ELECTIVE PREPAYMENTS.** At any time prior to an Annual Installment due date, the Owner of a Parcel may elect to cause a prepayment, in full, of all unpaid amounts of the Assessments (a "*Prepayment Election*"). The amount payable following a Prepayment Election by such Owner (the "*Prepayment Amount*") shall include, along with the principal amount of the Bond Obligation allocated to said Parcel, (a) amounts necessary to pay the interest which would accrue on the Assessment to the next succeeding date on which interest is payable on the Bonds, plus (b) the allocable amount of any premiums required to redeem the Bonds pursuant to the Indenture, plus (c) such additional amount as reasonably calculated by the Administrator is necessary to assure the availability of money to pay interest on the Bond as interest becomes due and payable. Within ten (10) business days of any Owner's delivery of written request to cause an Elective Prepayment, Administrator shall issue a written statement indicating the required Prepayment Amount for a given date upon a written request by the Owner and payment of a reasonable fee as set forth in the Association Act. Such written statement is conclusive in favor of any Person who relies upon that statement in good faith as of the date of the statement. Following delivery of the Prepayment Amount to the Bond Trustee, as the case may be, the Association and Declarant shall record a notice of release of the Lien and termination of encumbrance acknowledging that the subject Parcel is no longer a part of the Assessed Property, and releasing the subject Parcel from the encumbrance, Lien, Assessment and charge of this Declaration.

4.10 **MANDATORY PREPAYMENTS.** Upon the sale or transfer of any portion of the Assessed Property to an Owner not related to the Declarant or Developer ("*Residential Lot Sale*"), all Assessments relating to such Parcel shall become immediately due and payable. The monies received shall be placed in the Bond Fund account and the Bond Trustee shall utilize the funds obtained through mandatory prepayments arising from Residential Lot Sales for redemption of the 2020 Bonds pursuant to processes set forth in this Declaration and the Indenture.

4.10.1 ***Other Mandatory Prepayments.*** The mandatory prepayments required below shall be treated the same as any Assessment that is due and owing under the Declaration, including the same lien priority, prepayment premiums, Special Processing Charges, other charges, interest, procedures, and foreclosure specified hereunder or by the Indenture or the Association.

(a) ***Assessment Excess.*** If at any time the Assessment allocated to a Parcel under the Assessment Plan exceeds the original assessment calculated for a Parcel as set forth therein as a result of any subdivision resulting in a reallocation of an Assessment authorized by the Administrator (including platting or re-platting initiated by the Owner of that Parcel), then, following necessary compliance, such Owner shall pay to the Association (or in accordance with Association's direction) prior to the recordation of the instrument subdividing or re-subdividing

the Parcel the amount calculated by the Administrator by which the new Assessment amount for the Parcel exceeds the original Assessment amount allocated thereto.

(b) **Assessment Shortfall** If at any time the Assessment allocated to a Parcel as indicated in the Assessment Plan is less than the original Assessment amount calculated therefor as a result of any reallocation authorized by the Administrator (including platting or replatting initiated by the Owner of that Parcel), then, such Owner shall pay to the Association prior to the recordation of the instrument subdividing or re-subdividing the Parcel, the amount calculated by the Administrator by which the new Assessment for the Parcel is less than the original Assessment amount allocated thereto.

(c) **Transfer of Assessed Property to Exempt Party** If any Parcel (or portion thereof) is transferred to a party that is exempt from the payment of the Assessment under the Declaration or by operation of applicable law, or if an Owner causes a Parcel to become non-benefited property (e.g., non-residential), such Owner shall pay to the Association the full amount of the Assessment, plus all prepayment costs, for such Parcel(s) or portion thereof prior to any such transfer or act.

4.11 **LIEN OF ASSESSMENT.** The Assessments and any part of them (including Annual Installments), any interest accruing thereon, and the Special Processing Charges, trustee's fees, attorneys' fees, and other costs of collection therewith shall constitute a lien against the Parcels subject to such Assessment as of the recording of this Declaration ("**Lien**"), in compliance with Utah law. Until released, the Lien shall have priority over any assessment owed to the Master Association or any other association of which the Parcel is a part and over any other lien or encumbrance that may be recorded on the affected property after the date of recording of this Declaration, including any trust deed, mortgage, mechanic's, or materialman's lien; provided, however, that the Lien shall not have priority over a lien for general property taxes. The Lien shall apply without interruption, change in priority, or alteration in any manner to any reduced payment obligations, and any interest, Special Processing Charges, and cost on it are paid or released set forth in this Declaration. The Lien for the Assessment shall include such fees, charges and costs imposed by the Declaration or adopted by the Association and associated with the Association's or the Association Trustee's efforts to collect any late or unpaid installment of the Assessment or with foreclosing upon the Lien, including without limitation, pre-litigation costs, special administrative expenses, court costs and reasonable attorney's fees, late charges, interest and any other amounts ("**Special Processing Charges**").

4.12 **RELEASE OF ASSESSMENT LIEN.** A release of the Lien for any affected property will be delivered by Declarant to the Owner at the time the Assessment balance for such affected property is paid in full, as calculated by the Administrator pursuant to the Assessment Plan and this Declaration. Notwithstanding the foregoing, when an Owner (including Declarant or Developer) seeks to prepay the Assessment(s) for a portion of a Parcel or only a portion of the Parcels owned by that Owner ("**Release Parcel(s)**") and the release is simply to clear title for the Release Parcels but is not in connection with a pending sale of the Release Parcel(s) to the home buying public, the release shall be subject to the following conditions: (a) the Owner shall submit the legal description of the Release Parcel(s), and if the Release Parcel(s) have not been subdivided the Administrator shall determine the total ERUs allocated to the Release Parcel(s) based on the percentage of assessed value of the Release Parcel(s) to the percentage of assessed value in the

Parcel from which the Release Parcel(s) were formed, or any other industry standard methodology for such calculation; (b) the Owner shall prepay all the Assessments applicable to the Release Parcel(s), as calculated by the Administrator pursuant to Sections 4.9 and 4.10 herein, less the proportionate share of any previously paid regularly scheduled Annual Installments of the Assessment applicable to the Release Parcel(s) as determined in clause (a); and (c) the release of the Lien as to the Release Parcel(s) upon payment of the amount determined pursuant to clause (b), above, shall not be permitted except as otherwise provided in this clause (c), if the fair market value of the balance of the Parcel, after release of the Release Parcel(s), is less than four times the sum of (i) the remaining unpaid Assessment on the balance of the Parcel, plus (ii) any other unpaid assessment liens or property tax liens on the balance of the Parcel (such fair market value to be determined by a certified appraiser acceptable to the Administrator). If the Administrator determines that the proposed release of the Release Parcel(s) does not comply with the requirements of clause (c), such release may still be permitted if the Owner prepays an additional portion of the Assessment for the remainder of the Parcel in order to release the Liens from the Release Parcel(s), such additional amount to be determined by the Administrator as complying with the requirements of clause (c). Prepayments of Assessments shall be applied as provided in the Indenture of Trust under which the Bonds are issued. As prepayments are paid and applied against the payment of the Assessments applicable to the Release Parcel(s), the Release Parcel(s) may be released from the lien of the Assessments levied against the Release Parcel(s) and the Assessments levied against the balance of the Parcel owned by the Owner may remain unpaid.

4.13 DEFAULT IN PAYMENT OF ASSESSMENTS. If a default occurs in the payment of any Assessment (including any Annual Installment thereon) when due, the Administrator, on behalf of the Association, may declare the unpaid amount to be immediately due and payable and subject to collection and Lien foreclosure as provided in the Declaration. In addition, the Administrator, on behalf of the Board, may accelerate payment of the total unpaid balance of the Assessment and declare the whole of the unpaid Assessment principal and interest then due to be immediately due and payable. Interest shall accrue and be paid on all amounts declared to be delinquent or accelerated and immediately due and payable at a rate equal to the lesser of (a) fifteen percent (15%) per annum, or (b) the maximum rate of interest permitted by applicable law (the "**Delinquent Rate**"). Upon any default, the Association shall assign all rights of collection for the delinquent Assessment to the Association Trustee, as the collection agent for the Association. In addition to interest charges at the Delinquent Rate, costs of collection incurred by Association Trustee, including without limitation, attorneys' fees, the Association Trustee's fees, and court costs, incurred by the Association Trustee or required by law shall be charged and paid on all amounts declared to be delinquent or accelerated and immediately due and payable. Until such costs of collection are recovered by the Association Trustee, the Association Trustee may charge such costs as an additional overhead cost against all Assessments, to be paid to the Association Trustee out of the Reserve Fund, with a credit later upon any recovery of such costs.

4.14 DEFAULT NOTICE AND SALE. Upon any default in the payment of Assessments by the Owner of a Parcel (an "**Assessment Default**"), the Association Trustee shall give notice in writing of the default to that Owner, and any mortgagee or lienholder of record on the Parcel (the "**Mortgagee**"), by delivery of written "Notice of Assessment Default" to the address shown by the last available completed real property assessment rolls of the County for the owner and on the recorded security instrument for the Mortgagee. The Notice of Assessment Default shall be in the manner and with the language required by the Community Act. Notice shall

be effective upon deposit of the notice in the U.S. Mail, postage prepaid, and addressed to the Owner as shown on the last completed real property assessment rolls of the County and to the Mortgagee at the address provided for in the recorded security instrument, or at such other address or manner as shall be required by the Association Act. The notice shall provide for a period of thirty (30) days in which the Owner must pay in full the past-due Assessments in order to avoid acceleration of the Bond Obligation allocated to such Parcel and foreclosure of the Lien. After the thirty (30) days have expired, the Association Trustee, on behalf of the Association, may immediately initiate a sale of the designated Parcel as provided in the Association Act either (i) in the manner provided for nonjudicial foreclosure, or (ii) in the manner provided for judicial foreclosure. If, at the sale, no Person bids and pays the full amount due on the Assessments (including, without limitation, the full amount of the accelerated Bond Obligation allocated to such Parcel) plus interest and costs, the Parcel may be acquired by the Association by credit bid for those amounts and conveyed to the Bondholders in accordance with Section 4.17, below. Should any of the Assessed Property be divided into individual condominium Parcels the procedure described above shall also apply to the individual condominium Parcels and not to the overall condominium property.

4.15 CURE OF ASSESSMENT DEFAULT. If prior to the final date payment may be legally made under a final sale or foreclosure of a Parcel to collect delinquent Assessments, the Owner (or Mortgagee, as applicable) pays the full amount of all unpaid Annual Installments which are past due and delinquent, with interest on such Annual Installments at the rate or rates set forth in the Declaration to the payment date, plus all attorneys' fees, and other costs of collection, the Assessment of such Owner shall be restored and the Assessment Default cured and removed, and thereafter the Owner shall have the right to make Annual Installments as if the Assessment Default had not occurred. Any payments made to cure an Assessment Default shall be applied as follows: first, to the payment of attorneys' fees and other costs of collection incurred by the Association, the Association Trustee or Administrator as a result of such Assessment Default; second, to interest charged on past due Annual Installments, as set forth above; and, third, to the interest portion of all past due Assessments; and, last, to the payment of outstanding principal.

4.16 REMEDIES CUMULATIVE. The remedies provided for the collection of Assessments and the enforcement of Liens shall be deemed and construed to be cumulative and the use of any one method or means or remedy of collection or enforcement available at law or in equity shall not deprive the Association of the use of any other method or means. Pursuant to § 57-8a-305 of the Association Act, the One Action Rule does not apply to judicial or nonjudicial foreclosure of a Parcel. The amount of accrued interest and all costs of collection, the Association Trustee's fees, attorneys' fees and costs shall be added to the amount of the Assessment up to, and including, the date of foreclosure sale.

4.17 ASSOCIATION CONVEYANCE OF FORECLOSED PARCELS. If the Association acquires a Parcel at a foreclosure sale, the Association shall immediately convey that Parcel to the Bond Trustee (or an entity designee) on behalf of the Bondholders in accordance with the election made under the Indenture, which conveyance shall occur by delivery of a quitclaim deed to be prepared by the Association Trustee. The Association shall have no obligation to pay any Assessment installments attributable to such Parcel during the temporary period of ownership thereof following foreclosure. The quitclaim deed shall state that the Parcel is conveyed "AS-IS, WHERE-IS" AND WITH ALL FAULTS, with no warranties or representations of any kind, in

full satisfaction of all outstanding Assessment obligations related to such Parcel under the Declaration and Indenture. Upon transfer of the foreclosed Parcels to the Bondholders, the Bondholders shall not be entitled to any of the Funds held with respect to such Parcels, and the Bond Trustee shall adjust and reallocate any Funds associated therewith, including any pro rata reduction in prospective Bond Obligations that may result therefrom.

4.18 ASSOCIATION FORECLOSURE RESPONSIBILITY. Pursuant to the Indenture, Association shall accept and shall be permitted to rely upon direction from the Bond Trustee on behalf of the Bondholders in pursuing foreclosure proceedings or other remedies under the Declaration in connection with any Assessment to the extent Association is permitted by law to follow such direction. In the absence of any lawful direction from the Bond Trustee on behalf of Bondholders or upon compliance with such lawful direction, Association shall not be liable for any harm to Bondholders from Association's efforts to complete its duties under the Indenture in a reasonable manner, nor shall the Association be required to spend any of its own funds to complete such duties. Association shall not be responsible to pay for the costs associated with the collection of any Assessment Defaults and the enforcement of the Liens. Such costs shall be paid by and/or reimbursed to the Association Trustee from the Reserve Fund available under the Indenture and this Declaration, and such costs shall be included in amounts required to be collected in connection with the sale of delinquent Parcels upon foreclosure. Association shall have no obligation to pay any Annual Installments or other portions of the Assessments in the case of temporary ownership of the designated Parcel following foreclosure.

4.20 MORTGAGEE RIGHTS AND REMEDIES. Notwithstanding any provision to the contrary hereunder, the Administrator shall also notify the Mortgagee on any Parcel where the Assessment is delinquent and prior to declaring an Assessment Default. The Administrator shall also provide Mortgagee an opportunity to cure any delinquency or default related to an Assessment prior to exercising any collection or foreclosure rights hereunder. No foreclosure executed by the Association or its designee hereunder shall extinguish the lien rights of a Mortgagee established prior in time without full and final satisfaction of the underlying debt.

ARTICLE 5

DURATION, AMENDMENT, SUPPLEMENT AND ANNEXATION

5.1 DURATION AND TERMINATION. This Declaration shall continue in full force and effect until the full and final indefeasible payment on the Bonds is received by Bondholders as may be required to cause a full payment of the Bonds at maturity. A declaration of termination satisfying the requirements of an amendment to this Declaration may be recorded against the Assessed Property pursuant to the terms hereof upon full redemption of all of the Bonds and the satisfaction by the full Membership of the Association of all Bond Obligations in accordance with the Indenture.

5.2 DECLARANT AMENDMENTS. During the Declarant Control Period, Declarant may unilaterally amend or supplement this Declaration by recording a written instrument signed by Declarant for any purpose that would not materially adversely affect the Association's ability to perform its payments obligations under the Indenture including, but not limited to any reductions in Owner's assessment obligations or the elimination of any collection or enforcement remedies against Owners. Declarant's right to amend shall be construed liberally and shall include without

limitation, the right to amend and/or restate this Declaration in part or in its entirety, the right to change or update any exhibit or portion of an exhibit to conform to final subdivision plats and as-built conditions of the Assessed Property, or for any other purpose in order to effectuate the purposes described herein for the funding of the Financed Improvements for the benefit of the Assessed Property, in Declarant's sole discretion.

5.3 OWNER AMENDMENTS. After all of the Bonds are repaid and after the Declarant Control Period has expired, this Declaration may be amended subject to the consent of at least sixty-seven percent (67%) of the voting power of the Association. Following the Declarant Control Period, the "voting power" of each Member shall be determined on the basis of a ratio of the Assessment allocated to such Member's Parcel as it bears to the aggregate total of all Assessments of all Members of the Association.

5.3.1 Certification of Amendments. With respect to any amendment enacted after the Declarant Control Period and requiring the approval of the Membership, a copy of each amendment shall be signed and sworn to by at least two (2) officers of the Association that the requisite number of Members have either voted for or consented in writing to any termination or amendment adopted as provided above.

5.4 SUPPLEMENTAL DECLARATIONS. Declarant is authorized to execute and record one or more Supplemental Declarations (a) against all of the Assessed Property in connection with the Declarant's assignment of its rights and obligations as Declarant as may be authorized by the Indenture, for which no signatures of Owners shall be required, and (b) against any portion of the Assessed Property, with the consent of the Owners of the Parcels included within such portion of the Assessed Property allocating or re-allocating the Assessments and Bond Obligations among such Parcels on the basis of a method and rate that is consistent with the Assessment Plan, concurrently with the subdivision platting of lots thereon. If there is any conflict between any Supplemental Declaration and this Declaration, then provided that the Supplemental Declaration was approved and recorded in accordance with the terms and intent of this Declaration, the provisions of the Supplemental Declaration shall control with respect to the Parcels described in such Supplemental Declaration unless otherwise stated therein.

ARTICLE 6 GENERAL PROVISIONS

6.1 MERGERS OR CONSOLIDATIONS. In a merger or consolidation of the Association with another association, the properties, rights and obligations of the Association may, by operation of law, be transferred to another surviving or consolidated association or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the Community, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer and enforce the covenants, conditions and restrictions established by this Declaration governing the Community, together with the covenants and restrictions established on any other property, as one (1) plan.

6.2 **NO PUBLIC RIGHT OR DEDICATION.** Except as expressly provided in this Declaration, nothing in this Declaration is a gift or dedication of all or any part of Wildflower, the Assessed Property, or any real property interest therein, to the public or for any public use.

6.3 **NOTICES.** Except as otherwise provided in this Declaration, notice to be given to an Owner must be in writing and may be delivered personally to the Owner. Personal delivery of such notice to one (1) or more co-Owners, or any general partner of a partnership owning a Separate Interest, constitutes delivery to all Owners. Personal delivery of such notice to any officer or agent for the service of process on a corporation or limited liability company constitutes delivery to the corporation or limited liability company. Such notice may also be delivered by email or by regular United States mail, postage prepaid, addressed to the Owner at the most recent address furnished by such Owner to the Association or, if no such address has been furnished, to the street address of such Owner's Separate Interest. Such notice is deemed delivered immediately upon sending of an email, or three (3) business days after the time of such deposit of the notice in regular US mail, except for notice of a meeting of Owners or of the Board, in which case the notice provisions of the Bylaws control. Any notice to be given to the Association may be delivered personally to Declarant, any member of the Board (if formed), or sent by United States mail, postage prepaid, addressed to the Association at such address as may be fixed and circulated to Owners.

6.4 **CONSTRUCTIVE NOTICE AND ACCEPTANCE.** Every Person who owns, occupies or acquires any right, title, estate or interest in or to any Parcel or other portion of Wildflower consents and agrees to every limit, restriction, easement, reservation, condition and covenant contained in this Declaration, whether or not any reference to these restrictions is in the instrument by which such Person acquired an interest in such Parcel or other real property interest in Wildflower.

EXHIBIT "B"**BYLAWS OF
WILDFLOWER IMPROVEMENT ASSOCIATION**

These BYLAWS (the "Bylaws") OF WILDFLOWER IMPROVEMENT ASSOCIATION ("Association") will be effective upon recording of that certain Declaration of Covenants, Conditions and Restrictions for Wildflower Improvement Association (the "Declaration") in the Utah County Recorder's Office pursuant to the Utah Community Association Act and the Utah Revised Nonprofit Corporation Act (referred collectively herein as the "Acts").

RECITALS

The Association will initially have one member, Wildflower Developer, LLC, a Utah limited liability company (the "Declarant"), as the owner of all of the real property constituting the "Assessed Property" described in the Declaration. Although the Association was incorporated to function as an "association" as described under the Utah Community Association Act, the full breadth of its functions will be more limited than that of a traditional community association. Instead, the Association has the principal purpose of issuing, servicing and repaying certain bonds (the "Bonds") issued by the Association for purposes of funding construction and installation of infrastructure improvements for the benefit of the Assessed Properties.

It is intended that the Declarant will govern the Association during the period commencing upon the Association's formation and continuing through repayment in full of the Bonds and full satisfaction of the Bond Indenture (the "Declarant Control Period"). During the Declarant Control Period, Declarant shall have all powers and authority normally reserved to a board of directors to establish and execute the policies and functions of the Association, and responsibilities for oversight of the Association's day-to-day affairs. However, at any time, Declarant may elect or determine to form and establish (and appoint the members of) a Board of Directors to manage the Association in its stead. In that event, the Declarant shall have an exclusive power of appointment of the board of directors until the expiration of the Declarant Control Period.

The Association is organized for all lawful purposes for which a nonprofit corporation may be organized under the Utah Revised Nonprofit Corporation Act, as amended, subject to the terms and conditions contained in the Declaration and in the Association's Articles of Incorporation.

These Bylaws are adopted to complement the Declaration, to further define the rights of the Association and the Owners, to provide for the ability to effectively govern and operate the Association and finance the Financed Improvements and other costs for development of assessed properties comprising the development known as Wildflower.

**ARTICLE I
DEFINITIONS**

1.1 Except as otherwise provided herein or as may be required by the context, all capitalized terms used herein shall have the same meaning and effect as used and defined in the Declaration.

ARTICLE II APPLICATION

2.1 All present and future Owners of Assessed Property are subject to these Bylaws, and will be the Members of the Association. The mere acquisition of any of the Parcels within the Assessed Property will signify that these Bylaws and the Declaration are accepted, ratified, and will be complied with by said persons.

ARTICLE III OWNERS

3.1 **Owner Benefits/Rights.** The Financed Improvements will provide a direct and special benefit for each Parcel to provide infrastructure and facilitate development. To ensure repayment of the Bonds, the Association will be controlled, governed and operated by the Declarant, in lieu of a Board of Directors, during the Association's entire existence, subject to Declarant's option to create a Board of Directors. Except as may be required by law, the Declaration or these Bylaws, Owners of Parcels will be the only Members of the Association upon becoming and for as long as they own a Parcel within the Assessed Property, but, with the exception of Declarant, will not have voting rights or any other rights to control the Association. As set forth in the Declaration, Owners of Parcels will cease being Members of the Association upon payment in full or other complete satisfaction of the Parcel's Assessment obligation and Lien. These Bylaws apply only to Owners who are Members as set forth in the Declaration during their period of membership in the Association.

3.2 **Annual Meetings.** Annual Meetings shall not be required during the Declarant Control Period, but the Declarant may hold Annual Meetings at its discretion. If a Board of Directors established by Declarant requires Owner voting for the Board, an Annual Meeting of the Owners may be held each year on a day and time established by the Board of Directors. The purposes of an Annual Meeting may include the election of the Board, the distribution of the Annual Administrative Report, and the transaction of such other business as may come before the meeting. If an election of the Board cannot be held during the Annual Meeting, or at any adjournment thereof, the Board may cause the election to be held either at a Special Meeting of the Owners to be convened as soon thereafter as may be convenient or at the next Annual Meeting. The Board may from time to time by resolution change the month, date, and time for the Annual Meeting.

3.3 **Special Meetings.** During Declarant control, Special Meetings may only be called by the Declarant. If a Board of Directors is established by Declarant which requires Owner voting for the Board, Special Meetings of the Owners may be called by a majority of the Board, the Declarant, the President or upon the written request of Owners holding not less than forty percent (40%) of the voting interests of the Association. Any written request for a Special Meeting presented by the Owners shall be delivered to the President or Declarant and shall include the original signature of each Owner affirmatively supporting such request along with a complete statement of the purpose of the meeting on each page containing signatures. The President shall then call, provide notice of, and conduct a Special Meeting within 45 days of receipt of the Owner request.

3.4 **Place of Meetings.** The Declarant or Board may designate any place in Wasatch County that is reasonably convenient for the Owners as the place of meeting for any Owner

meeting. In addition, the Association may hold and conduct Owner meetings through any type of electronic means that allows Owners to communicate orally in real time including telephone and video conferencing.

3.5 **Notice of Meetings.** If a Board of Directors is established by Declarant which requires Owner voting for the Board, the Board shall cause written or printed notice of the date, time, and location (and in the case of a Special Meeting, the purpose or purposes) for all Owner meetings. Such written or printed notice shall be delivered to each Owner of record entitled to vote at such meeting not more than sixty (60) nor less than ten (10) days prior to the meeting. Such notice may be sent via email, text, hand-delivery, or regular mail. If sent by email or text, such notice shall be deemed delivered and effective on the date transmitted to the Owner's email address or telephone number registered with the Association. If mailed, such notice shall be deemed to be delivered and effective on the date deposited in the U.S. mail if addressed to the Owner's address registered with the Association. Each Owner shall register with the Association such Owner's current email address, phone number, and mailing address for purposes of notice hereunder. Such registered email, phone number, and mailing address may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, an Owner's residence shall be deemed to be the Owner's registered address and notice to the residence address may be made by first-class mail or by posting the meeting notice on the front door. An Owner may opt out of receiving notices from the Association via email or text by giving written notice to the Board stating that the Owner will not accept notices by way of email or text.

3.6 **Qualified Voters.** An Owner who has a right to vote on any matter pursuant to law or the Governing Documents shall be deemed to be in "good standing" and "entitled to vote" at any meeting if he or she has fully paid his or her Assessment account (together with any interest and/or late fees) at least 48 hours prior to the commencement of the meeting and is not in violation of any provision of the Governing Documents.

3.7 **Record Date for Notice Purposes.** The Board may designate a record date, which shall not be more than sixty (60) nor less than ten (10) days prior to the meeting, for the purpose of determining Owners entitled to notice of any meeting of the Owners. If no record date is designated, the last date on which a notice of the meeting is mailed or delivered shall be deemed to be the record date for determining Owners entitled to notice. The persons or entities appearing in the records of the Association on such record date as the Owner(s) of record of Parcels in the Project shall be deemed to be the Owners of record entitled to notice of the Owner meeting.

3.8 **Quorum.** Any number of Owners present in person or by proxy at any meeting duly called and held in compliance with the requirements of these Bylaws, shall constitute a quorum for the transaction of business and adoption of decisions.

3.9 **Proxies.** Owners who have a right to vote on any matter pursuant to law or the Governing Documents shall be entitled to vote in person or by proxy at each meeting provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been signed by the Owner or by the Owner's attorney. A proxy may be written on paper or received via email, facsimile, text, or any other electronic or physical means. A signature as required herein shall mean any indication that the document is from and consented to by the person who is purported to have sent it. If a Parcel is jointly owned, the instrument authorizing a proxy to act may be executed by any one (1) Owner of such Parcel or the Owner's attorney when duly authorized in writing. A proxy given by an Owner to any person who represents

the Owner at meetings of the Association shall be in writing, dated, and signed by such Owner. Such instrument may allow the proxy to vote on any issue arising at any particular meeting or meetings, or may set forth the specific matters or issues upon which the proxy is authorized to act. Proxies shall be filed with the Secretary (or with such other officer or person who may be acting as Secretary of the meeting) before the meeting is called to order. The Secretary, or the Declarant shall record all proxies in the meeting minutes.

3.10 **Votes**. Owners who have a right to vote on any matter pursuant to law or the Governing Documents shall be entitled to vote on each matter submitted to an Owner vote, in person or by proxy, the number of votes appertaining to the Parcel of such Owner, as set forth in the Declaration. The affirmative vote of a majority of the votes entitled to be cast by the Owners present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by Owners, unless a greater proportion is required by the Articles of Incorporation, these Bylaws, or the Declaration. When a Parcel is jointly owned, any Owner may exercise the vote for such Parcel on behalf of all Co-Owners of the Parcel. In the event of two (2) conflicting votes by Co-Owners of a Parcel, no vote shall be counted for that Parcel. In no event shall fractional or cumulative votes be exercised with respect to any Parcel. Only those Owners whose accounts with the Association are not more than thirty (30) days delinquent shall be entitled to vote.

3.11 **Waiver of Irregularities**. All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting, in the form of proxies and the method of ascertaining Owners present, and in the decision and votes of the Board or of the Owners shall be deemed waived by those Members in attendance if no objection is made at the meeting. For those Members who are not in attendance at the meeting, the right to challenge inaccuracies and irregularities in calls, notices, voting, and decisions shall be waived if no objection is made within thirty (30) days of the date of the meeting.

3.12 **Action Taken Without a Meeting**. Owners have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of Owners through ballot, written consent, or otherwise. The Association may also use any method permitted for actions without a meeting in accordance with the requirements of Utah Code § 16-6a-707 or § 16-6a-709 and any other applicable section of the Acts. Any action so approved shall have the same effect as though taken at an Owner meeting. Ballots or written consents may be obtained via any electronic or physical means including but not limited to email, facsimile, text, or paper document.

3.13 **Minutes of Meetings**. The Secretary, or the Declarant, shall take minutes of all Owner meetings. The minutes shall include, at a minimum, (1) the identification of the Persons present in person and by proxy, (2) the meeting date, (3) the identification of any issue that is voted on or decided in the meeting, (4) the number of votes cast for and against any issue decided upon, and (5) the exact wording of any resolution passed at the meeting. The failure to take appropriate minutes or otherwise comply with this section does not invalidate any action taken at a meeting. Draft meeting minutes for each Owner meeting shall be made available to requesting Owners within sixty (60) days of the meeting.

ARTICLE IV
DECLARANT GOVERNANCE; BOARD OF DIRECTORS

4.1 **Declarant Governance.** The business and affairs of the Association shall be governed and managed by the Declarant, in lieu of a Board of Directors, and the Declarant may exercise all powers of a Board as permitted by law. The Declarant shall at all times act by and through its Manager or through such other officers or authorized parties as the Declarant shall appoint. Declarant may, in its sole discretion, form and authorize a Board of Directors for the Association. Sections 4.3 through 4.20, below, shall be effective ONLY upon formation of a Board of Directors by the Declarant.

4.2 **Powers.** The Declarant may exercise business judgment and all of the powers of the Association, whether derived from the Declaration, these Bylaws, the Articles, or the Acts except such powers that the Declaration, these Bylaws, the Articles, or the Acts vest solely in the Owners.

4.3 **Number and Qualifications.** Any Board of Directors required to be elected shall be composed of three (3) persons. Board members must be at least 18 years old and must be an Owner or the spouse of an Owner of a Parcel in the Project. No two (2) Board members may be Owners of the same Parcel or be business partners if the business is related to their ownership of a Parcel. If an Owner is a corporation, partnership, limited liability company, or trust, an officer, partner, member, manger, agent, trustee, or beneficiary of such Owner may be a Board member. If a Board member ceases to meet any required qualifications during the Board member's term, such person's membership on the Board shall automatically terminate.

4.4 **Election.** The Board (if any) shall initially be appointed by Declarant. Should an election be required for the Board at any time, the election shall be made by the Owners. At such election, the Owners or their proxies may cast, with respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The Association may accept written ballots for Board election voting purposes from those Owners unable to attend a meeting in which an election is held. The Persons receiving the largest number of votes shall be elected. The election of the Board may be conducted through open voting or by secret ballot. Cumulative voting is not permitted.

4.5 **Term of Office.** Board Member terms initially shall be exclusively determined by Declarant; provided that if the Board is required to be elected, the Owners shall elect Board Members for two (2) year terms. However, at the first election of the Board, those members receiving the highest votes will serve two (2) year terms and the remaining member will serve a one (1) year term to establish staggered terms. The terms shall overlap so that elections for Board member positions are held each year. Board members may serve consecutive terms if elected.

4.6 **Regular Meetings.** Board Meetings shall be held at the discretion of the Declarant so long as at least one Board Meeting is held each year and a Board Meeting is held at the time of the Annual Administrative Report. The Board shall hold meetings at least annually or more often at the discretion of the Board.

4.7 **Special Meetings.** Special meetings may be called by any of Declarant, the President or a majority of Board members on at least two (2) business days' prior notice to each Board Member and those Owners who have requested notice.

4.8 **Meeting Notice.** Notice shall be given to Board members and Owners who have requested notice personally, by email, or by telephone, including text message at least two (2) business days' in advance of the meeting. By unanimous consent of the Board, Board meetings may be held without call or notice to the Board members, but notice shall always be provided to those Owners who have requested notice of Board meetings.

4.9 **Quorum and Manner of Action.** A majority of Board members shall constitute a quorum for the transaction of business. The act of a majority of the Board members present at any meeting at which a quorum is present, and for which proper notice was provided, shall be the act of the Board. Board members shall act only as the Board of Directors, and individual Board members shall have no powers as such.

4.10 **Owner Attendance.** Any Owner may request notice of Board meetings by requesting such notice from a Board Member and providing a valid email address at which the Owner will receive notice. Owners who have requested notice of Board meetings shall be given notice along with the Board members and shall be provided any call-in number or other means of attendance by electronic communication that is provided to Board members. If Owners attend a Board meeting, the Board may select a specific period of time during the meeting and limit Owner comments to such time period. The Board in its sole discretion may set a reasonable length of time that each Owner may speak.

4.11 **Open Meetings.** During the period that Declarant continues to hold the power of appointment of the Board's membership, Board meetings may be closed to Owners, unless the Board, in its sole discretion and without obligation, determines to open the meeting (or a portion thereof) to the Owners. Notwithstanding the foregoing, the Board meetings required under Utah Code § 57-8a-226(6)(b) shall be open to all Owners. Except as provided in (a) through (f), but not during Declarant control, Board meetings shall be open to Owners. The Board may hold a closed executive session during a meeting of the Board if the purpose of the closed executive session is to:

- (a) Consult with legal counsel to obtain legal advice and discuss legal matters;
- (b) Discuss existing or potential litigation, mediation, arbitration, or an administrative proceeding;
- (c) Discuss a labor or personnel matter;
- (d) Discuss a matter relating to contract negotiations, including the review of a bid or proposal;
- (e) Discuss a matter involving a Person, if the Board determines that public knowledge of the matter would violate the Person's privacy; or
- (f) Discuss a delinquent assessment.

4.12 **Board Meetings Generally.** The Board may designate any place in Wasatch County as the place of meeting for any regular or special Board meeting. The Board may allow attendance and participation at any Board meeting by telephone or any other electronic means that allows for Board members to communicate orally in real time. Following the Period of Declarant Control, if a Board meeting is held by telephone, the Association shall provide the call-in information such that Owners may call-in to access the meeting.

4.13 **Board Action.** Notwithstanding noncompliance with any provision within these Bylaws, Board action is binding and valid unless set aside by a court of law. A person challenging

the validity of a Board action for failure to comply with these Bylaws may not bring the challenge more than sixty (60) days after the Board has taken the action in dispute.

4.14 **Compensation.** No Board member shall receive compensation for any services that such member may render to the Association as a Board member; provided, however, that a Board member may be reimbursed for expenses incurred in performance of such duties as a Board member to the extent such expenses are approved by a majority of the other Board members. Nothing herein contained shall be construed to preclude any Board member from serving the Declarant in any other capacity and receiving compensation therefore, so long as approved in advance by a majority of disinterested Board members.

4.15 **Resignation and Removal.** Any Board member who is appointed by the Declarant may only be removed by the Declarant. The Declarant may remove a Board member it appoints at any time. A Board member may resign at any time by delivering a written resignation to another Board Member. Unless otherwise specified therein, such resignation shall take effect upon delivery. A Board member required to be elected by the Owners may be removed at any time, with or without cause, at a Special Meeting of the Owners duly called for such purpose upon the affirmative vote of more than fifty percent (50%) of the entire voting interests of the Association. At such a meeting, the Owners shall vote for a new Board member to fill the remaining term of the removed Board member. Board members may also be removed by a majority vote of the other active Board members upon the occurrence of any of the following: failure to attend three (3) consecutive Board meetings, failure to remain current on Assessments, or a violation of the Governing Documents. If removal occurs based on the preceding sentence, then the remaining Board members may appoint a replacement to serve the remaining term of the removed Board member.

4.16 **Vacancies.** During Declarant Control, the Declarant shall appoint a Board member to fill the vacancy. If Board members are required to be elected, if vacancies occur for any reason (including death, resignation, or disqualification) except removal by the Owners, the Board members then in office shall continue to act, and such vacancies shall be filled by a majority vote of the Board members then in office, though less than a quorum. Vacancies occurring by reason of removal by the Owners may be filled by election of the Owners at the meeting at which such Board member is removed. Board Members elected or appointed hereunder to fill a vacancy shall serve for the unexpired term of his predecessor. Except by reason of death, resignation, disqualification, or removal, Board members shall continue to serve until their successors are elected.

4.17 **Action Without a Meeting.** Board members have the right to take any action in the absence of a meeting which they could take at a Board meeting if a majority of the Board Members consent to the action in writing. The term "in writing" shall specifically include email and text messaging. Board members may also take action without a meeting if the Board complies with any applicable provisions of the Acts. Any action so approved shall have the same effect as though taken at a Board meeting.

4.18 **Waiver of Notice.** Before or at any Board meeting, any Board member or Owner may waive notice of such meeting and such waiver shall be deemed the equivalent of proper notice. Attendance by a Board member or Owner at any Board meeting shall be a waiver of notice by that Board member or Owner of the time, place, and purpose thereof.

4.19 **Adjournment.** The Board may adjourn any meeting from day to day for such other time as may be prudent or necessary, provided that no meeting may be adjourned for longer than thirty (30) days.

4.20 **Meeting.** A Board meeting does not include a gathering of Board members at which the Board does not conduct and vote on Association business.

ARTICLE V OFFICERS

5.1 **Officers.** Except for the Administrator identified in the Declaration, Officers shall not be required during Declarant control. Notwithstanding the foregoing, the Declarant (or following Declarant's formation of a Board, the Board) may establish additional officers of the Association, which may include a President, Secretary, Treasurer, and such other officers as may be appointed by Declarant or the Board. Sections 5.3 through 5.9, below, shall be effective ONLY upon formation of a Board of Directors by the Declarant.

5.2 **Administrator.** The Administrator shall work under the direction of the Declarant (or Board if constituted) as an Authorized Representative of the Association to: (i) track and allocate Assessments among the various Parcels held by the Owners, including Developer and Declarant, and reallocate the Assessments as the Parcels are platted, reconfigured and sold for residential use, (ii) administer the invoicing and monitoring payment of the Assessments by Owners to Bond Trustee, as set forth herein, and (iii) administer the release of Parcels from the Declaration and from the Lien of Assessment as the Assessments are satisfied for the Parcels, including providing timely responses to Owner requests for Prepayment Amounts following a Prepayment Election by the Owner. The Administrator shall work with the Bond Trustee to track the payment of Assessments and the balances of Association Funds and Accounts established pursuant to the Indenture and Declaration. The Administrator shall prepare an Annual Administrative Report for review and approval by the Declarant (or Board if constituted) and such other activities as may be necessary to carry out its duties under the direction of the Declarant or Board.

5.3 **Election, Tenure, and Qualifications.** If there is an elected Board, the officers shall be elected by the Board at the first Board meeting following each Annual Meeting of the Owners. Each officer shall hold such office until the next ensuing meeting of the Board following the Annual Meeting of the Owners and until a successor has been elected and qualified, or until such officer's death, resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs. Any person may hold any two (2) or more of such offices, except that the President may not also be the Secretary. No person holding two (2) or more offices shall act in or execute any instrument in the capacity of more than one (1) office.

5.4 **Subordinate Officers.** The Board may appoint such other officers or agents as it may deem advisable, each of whom shall have such title, hold office for such period, have such authority, and perform such duties as the Board may from time to time determine.

5.5 **Resignation and Removal.** Officers may resign at any time by delivering a written resignation to any Board Member. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any officer may be removed and replaced upon the affirmative vote of a majority of the Board Members at any time, with or without cause.

5.6 **Vacancies.** If a vacancy occurs in an office for any reason, or if a new office is created, such vacancies or newly created offices may be filled by majority vote of the Board at any regular or special Board meeting.

5.7 **President.** The President shall be the chief executive of the Association. The President shall preside at meetings of the Board of Directors and at meetings of the Owners. At the meetings, the President shall have all authority typically granted to the person presiding over the meeting including but not limited to: (1) the right to control the order of the meeting, (2) the right to arrange for the removal of any disruptive Owner or person, (3) the right to impose and enforce reasonable rules and procedures related to the meeting such as those found in "Robert's Rules of Order" or "The Modern Rules of Order." The President shall sign on behalf of the Association all conveyances, mortgages, documents, and contracts, and shall do and perform all other acts and things as required by the Board.

5.8 **Secretary.** The Secretary shall keep the minutes of the Association and shall maintain such books and records as these Bylaws, the Declaration, Rules, or any resolution the Board may require. The Secretary shall also act in the place of the President in the event of the President's absence or inability or refusal to act.

5.9 **Compensation.** Except for the Administrator as set forth in the Assessment Plan, no officer shall receive compensation for any services rendered to the Association as an officer, provided, however, that an officer may be reimbursed for expenses incurred in performance of such duties as an officer to the extent such expenses are approved by the Declarant or Board.

ARTICLE VI INDEMNIFICATION

6.1 **Indemnification.** Neither Declarant, any Board Member or any officer shall be personally liable for any obligations of the Association or for any duties or obligations arising out of any acts or conduct said Declarant, Board Member or officer performed for or on behalf of the Association. The Association shall and does hereby indemnify and hold harmless each Person who shall serve at any time as a Declarant, Board Member or officer of the Association, as well as such Person's heirs and administrators, from and against any and all claims, judgments and liabilities to which such Persons shall become subject, by reason of that Person having heretofore or hereafter been a Declarant, Board Member or officer of the Association or by reason of any action alleged to have been heretofore or hereafter taken or omitted to have been taken by such Person as a Declarant, Board Member or officer and shall reimburse any such Person for all legal and other expenses reasonably incurred in connection with any such claim or liability; provided that no such Person shall be indemnified against or be reimbursed for or be defended against any expense or liability incurred in connection with any claim or action arising out of such Person's willful or intentional misconduct. The rights accruing to any Person under the foregoing provisions of this Section shall not exclude any other right to which such Person may lawfully be entitled, nor shall anything herein contained restrict the right of the Association to defend, indemnify, or reimburse such Person in any proper case, even though not specifically provided for herein or otherwise permitted. The Association, its Declarant, Board Members, officers, committee members, employees, and agents shall be fully protected in taking any action or making any payment or in refusing so to do in reliance upon the advice of counsel.

6.2 **Other Indemnification.** The defense and indemnification provided herein shall not be deemed exclusive of any other right to defense and indemnification to which any person seeking indemnification may be entitled under the Acts or under any agreement, vote of disinterested Board Members or otherwise, both as to action taken in any official capacity and as to action taken in any other capacity while holding such office. It is the intent that all of Declarant, Board Members and officers be and hereby are defended and indemnified to the fullest extent permitted by the laws of the State of Utah and these Bylaws. The defense and indemnification herein provided shall continue as to any Person who has ceased to be a Declarant, Board Member or officer, or any of their employees, and shall inure to the benefit of the heirs, executors and administrators of any such Person.

6.3 **Insurance.** The Declarant (or, if formed, the Board) in its discretion, may direct that the Association purchase and maintain Directors and Officers insurance on behalf of any Person who is or was a Declarant, Board Member, officer, or any of their employees against any liability asserted against, and incurred by, such Person in any such capacity or arising out of such Person's status as such, whether or not the Association would have the power to defend or indemnify such person against liability under the provisions of this Article.

6.4 **Settlement by Association.** The right of any Person to be defended and/or indemnified shall be subject always to the right of the Association through the Declarant or Board, in lieu of such defense and/or indemnity, to settle any such claim, action, suit or proceeding at the expense of the Association by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

ARTICLE VII AMENDMENTS

7.1 **Amendments by Declarant.** The Declarant acting alone may amend the Bylaws for any reason during the Declarant Control Period, without Owner approval. Declarant's unilateral amendment right as designated herein may continue even if a Board of Directors is established that requires election by Owners. Any amendment by Declarant shall be executed by Declarant on behalf of the Association and shall become effective upon recordation with the Wasatch County Recorder.

7.2 **Amendments by Owners.** Upon the termination of the Declarant Control Period, the Bylaws may be amended by the Owners upon the affirmative vote of more than sixty-seven percent (67%) of the voting interest of the Association. Any amendment(s) shall be effective upon recordation in the office of the Wasatch County Recorder. In such instrument a Board Member shall execute the amendment and certify that the vote required by this Section has occurred. If a Parcel is owned by more than one Owner, the vote of any one Owner shall be sufficient to constitute approval for that Parcel under this Section. If a Parcel is owned by an entity or trust, the vote of any one officer, trustee, or agent of the entity shall be sufficient to constitute approval for that Parcel under this Section. No amendment shall restrict, limit, or impair any Declarant rights without the express written consent of the Declarant.

ARTICLE VIII
MISCELLANEOUS PROVISIONS

8.1 **Waiver.** No restriction, condition, obligation, or provision contained in these Bylaws shall be deemed to have been abrogated or waived by reason of a failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

8.2 **Invalidity; Number; Captions.** The invalidity of any part of these Bylaws shall not impair or affect in any manner the validity, enforceability, or effect of the balance of these Bylaws. As used in these Bylaws, the singular shall include the plural, and the plural shall include the singular. The masculine and neuter shall each include the masculine, feminine and neuter, as the context requires. These improvements properly integrate utility, infrastructure, open spaces, pedestrian and bicycle systems, and amenities with adjacent properties.

B. Future Neighborhood Improvement Area Improvements

As Future Neighborhood Improvement Areas are developed and Future Neighborhood Improvement Area Bonds are issued, this Report will be amended to identify the specific Future Neighborhood Improvement Area Improvements that confer a special benefit to the property inside each Future Neighborhood Improvement Area (e.g. a **Table III-B** will be added to show the costs for the specific Future Neighborhood Improvement Area Improvements financed within the specific Future Neighborhood Improvement Area being developed.)

Section IV
ASSESSMENT PLAN

A. Introduction

The timetable for the development of Future Neighborhood Improvement Areas are difficult to establish at this time and, as such, the benefit conferred by Future Neighborhood Improvement Area Improvements, if any, cannot be determined with absolute certainty. Accordingly, it is hereby understood and acknowledged by the Owner’s Association and the Developer that the Special Assessments associated with the Neighborhood Improvement Area Bond are the only Special Assessments that can be addressed with reasonable certainty in this Report. As a result, this Report will need to be amended by the Owner’s Association and the Developer, if and when a Future Neighborhood Improvement Area is developed and Future Neighborhood Improvement Area Bonds, if any, are issued.

B. Allocation of Actual Costs of the Series 2020 Fixed Assessment Bond Improvements

The Series 2020 Fixed Assessment Bond Improvements will provide a special benefit to the Property, other than the Non-Benefited Property, in each Neighborhood Improvement Area and the Property, other than the Non-Benefited Property. The Actual Costs of the Series 2020 Fixed Assessment Bond Improvements, are, therefore, allocated to the each Neighborhood Improvement Area Assessed Property, based on the specific costs as benefitting each Improvement Area as determined by the Developer as shown in **Table IV-A**.

Table IV-A Cost Allocation of Series 2020 Fixed Assessment Bond Improvements

(a) See table III-A for details.

C. Allocation of Actual Costs of Future Improvement Area Improvements

As Future Neighborhood Improvement Areas are developed and Future Neighborhood Improvement Area Bonds are issued, this Report will be amended to identify the specific Future Neighborhood Improvement Area Improvements that confer a benefit to the property inside such Future Neighborhood Improvement Areas (e.g. **Table IV-B** will be created and amended to show the allocation of Actual Costs for Future Neighborhood Improvement Area Improvements.)

D. Special Assessment Methodology

The Actual Costs may be assessed against Assessed Property by the Owner's Association and the Developer, whether developed or undeveloped, so long as the benefit conferred upon the Assessed Property by the Project Improvements equals or exceeds the amount of the Special Assessments. The Actual Costs may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

- *Assessment Methodology for the Neighborhood Improvement Areas*

For purpose of this Report, it has been determined by the Owner's Association and the Developer that the Actual Costs of the portion of the Neighborhood Improvement Area Projects to be financed with the HOA Bonds shall be allocated to each Neighborhood Improvement Area Assessed Property by spreading the Special Assessment across all Lots within each Neighborhood Improvement Area based on the ratio of the estimated projected assessed value of each Lot within each Neighborhood Improvement Area to the total projected assessed value for each Neighborhood Improvement Area. **Table IV-B** summarizes the allocation of the Special Assessments relating to the each Neighborhood Improvement Area, for the Assessed Property.

Based on the costs provided by the Developer and allocated to each Improvement Area, it has been determined that the benefit to each Neighborhood Improvement Area Assessed Property from each Neighborhood Improvement Area's Project Improvements is at least equal to the Special Assessments levied on each Neighborhood Improvement Area Assessed Property.

The Special Assessments and Annual Installments for each Parcel or Lot located in each Neighborhood Improvement Area are shown on the Assessment Roll, attached as **Appendix A**, and no Special Assessment shall be changed except as authorized by this Report. **Table IV-B** summarizes the initial allocation of the Special Assessment relating to the HOA Bonds for each Neighborhood Improvement Area Assessed Property.

Section VI

TERMS OF THE SPECIAL ASSESSMENTS

A. Amount of Special Assessments and Annual Installments for Parcels Located Within the Neighborhood Improvement Areas

The Special Assessments and Annual Installments for each Neighborhood Improvement Area Assessed Property are shown on the Assessment Roll in **Appendix A** and **Appendix A-2**. The Special Assessment and Annual Installments shall not be changed except as authorized under the terms of this Report. The Annual Installments shall be collected in an amount sufficient to pay (i) the principal and interest on the HOA Bonds, and (ii) to cover the Administrative Expenses of the HOA Bonds.

B. Amount of Special Assessments and Annual Installments for Parcels Located Within Future Neighborhood Improvement Areas

When and if Future Neighborhood Improvement Areas are developed, this Report will be amended to determine the Special Assessment and Annual Installments associated with the costs of Future Neighborhood Improvement Area Improvements for each Parcel or Lot located within a Future Neighborhood Improvement Area.

C. Reallocation of Special Assessments for Parcels

1. *Upon Division Prior to Recording of Subdivision Plat*

Upon the division of any Assessed Property (without the recording of a subdivision plat), the Administrator shall reallocate the Special Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C / D)$$

“A” means the Special Assessment for a Parcel or Lot created by a subdivision plat.

“B” means the Special Assessment for the subdivided Parcel or Lot prior to division.

“C” means the Special Assessment for the Lot Type applicable to a Parcel or Lot created by a subdivision plat determined by reference to **Tables IV-B**.

“D” means the sum of the Special Assessments for all Assessed Property created by a subdivision plat based on the Lot Type applicable to each Parcel or Lot.

If the resulting Special Assessment for a Parcel or Lot created by a subdivision plat exceeds the Special Assessment for the Lot Type applicable to such Parcel or Lot as shown in **Table IV-B**, the excess amount shall be prepaid as a Mandatory Prepayment as provided under **Section VI.E** herein.

- *Upon Subdivision by a Recorded Subdivision Plat*

Once a Lot has a Special Assessment applied to it, as shown in **Table IV-B**, and then proceeds to be subdivided again, in no event will the new subdivision cause the sum of the Special Assessments for the subdivided Lots to be greater than the Special Assessment for the Lot prior to its subdivision.

The allocation method presented in D.1 is to ensure there will not be an increase in the Special Assessment for each specific Parcel. If Lots are not platted in accordance with the Parcel Map, the Special Assessments for each affected Lot will be allocated in an equitable manner, but in no event will such new allocation increase the total Special Assessment for each Lot as identified in **Table IV-B**.

- *Upon Consolidation*

Upon the consolidation of two or more Assessed Properties, the Special Assessment for the consolidated Assessed Property shall be the sum of the Special Assessments for the Assessed Properties prior to consolidation. Any reallocation pursuant to this section shall be calculated by the Administrator and reflected in an update to this Report.

D. Reallocation of Assessments for Parcels Located Within Future Neighborhood Improvement Areas

As Future Neighborhood Improvement Areas are developed, this Report will be amended to determine the assessment reallocation methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within each Future Neighborhood Improvement Area.

E. Mandatory Prepayment of Assessments

If an owner causes a Parcel or portion thereof to become Non-Benefited Property, the owner of such Parcel or portion thereof shall pay to the Owner's Association in accordance with this Report or to the Trustee if HOA Bonds have been issued and in accordance with the applicable Indenture the full amount of the Special Assessment, plus all Prepayment Costs, for such Parcel, Lot or portion thereof prior to any such transfer or act.

F. Reduction of Special Assessments

If after all Project Improvements to be funded with HOA Bonds have been completed and the Actual Costs for the Project Improvements are less than the Actual Costs used to calculate the Special Assessments securing such HOA Bonds, resulting in excess HOA Bond proceeds, then the Administrator shall, in accordance with the Indenture and the Declaration related to such HOA Bonds, reduce the Special Assessment securing the HOA Bonds for each Assessed Property pro rata such that the sum of the resulting reduced Special Assessments for all Assessed Properties equals the reduced Actual Costs and such excess HOA Bond proceeds shall be applied to redeem HOA Bonds. The Special Assessments shall not be reduced to an amount less than the principal amount of the related outstanding HOA Bonds.

G. Payment of Special Assessments

- *Payment in Full*
 - The Special Assessment for any Parcel or Lot may be paid in full at any time. The Payment shall include all Prepayment Costs, if any. If prepayment in full will result in redemption of the HOA Bonds, the payment amount shall be reduced by the applicable portion of the proceeds from a debt service reserve fund applied to the redemption pursuant to the Indenture, net of any other costs applicable to the redemption of HOA Bonds. If an Annual Installment has been billed prior to payment in full of a Special Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount upon payment.
 - Upon payment in full of a Special Assessment and all Prepayment Costs, payment shall be deposited in accordance with the related Indenture; whereupon, the Special Assessment for the Parcel or Lot shall be reduced to zero, and the Parcel or Lot owner's obligation to pay the Special Assessment and Annual Installments thereof shall automatically terminate. The Administrator shall provide the owner of the affected Assessed Property a recordable "Notice of Special Assessment Termination" as provided in **Section VII.A.**
 - At the option of a Parcel or Lot owner, the Special Assessment on any Parcel or Lot may be paid in part in an amount equal to the amount of prepaid Special Assessments plus Prepayment Costs, if any, with respect thereto. Upon the payment of such amount for a Parcel or Lot, the Special Assessment for the Parcel or Lot shall be reduced by the amount of such partial payment, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel or Lot shall be reduced to the extent the partial payment is made.

- *Payment of Annual Installments*

- A Special Assessment for a Parcel may be paid in full at any time. A Special Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which includes interest on the outstanding Special Assessment and Administrative Expenses.
- If a Special Assessment is not paid in full, interest and collection costs may be collected on the outstanding Special Assessment. A Special Assessment for a Parcel or Lot that is not paid in full will be collected in Annual Installments each year in the amounts shown in the applicable Assessment Roll and which includes interest on the outstanding Special Assessment and Administrative Expenses.
- The Annual Installments as listed on the Assessment Roll have been calculated assuming a weighted average interest rate on the Series 2020 Fixed Assessment Bonds of 6.625%. The Annual Installments may not exceed the amounts shown on the Assessment Roll, except pursuant to any amendment or update to this Report.
- The Annual Installments shall be reduced to equal the actual costs of repaying the HOA Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

H. Collection of Annual Installments

The Administrator shall, no less frequently than annually, prepare and for approval by the Owner's Association and the Developer, an Annual AMR Update to allow for the billing and collection of Annual Installments. Each Annual AMR Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Assessed Property. Administrative Expenses shall be allocated among Assessed Properties in proportion to the amount of the Annual Installments before Administrative Expenses for the Assessed Property. Each Annual Installment shall be reduced by any credits applied under the applicable Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose. Annual Installments will be collected in a manner designated by the Owner's Association and the Developer. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in this AMR.

Any sale of Assessed Property for nonpayment of the delinquent Annual Installments shall be subject to the lien established for the remaining unpaid Special Assessment against such Assessed Property and such Assessed Property may again be sold at a non-judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such Assessed Property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of a Special Assessment, shall be updated annually. The initial Annual Installment relating to the HOA Bonds shall be payable by March 1, 2021. Each Annual Installment relating to the HOA Bonds thereafter, starting in 2021, shall be payable by November 30 of that year and shall be delinquent if not paid prior to the due date. The initial Annual Installment relating to the HOA Bonds will be due March 1, 2021 and it will be delinquent if not paid by that date.

I. Nonjudicial Foreclosure

Once the Association determines that foreclosure will be pursued for the collection of a past due assessment balance, the Association is required to send a letter to notify the owner that their lot is the intended subject of a nonjudicial foreclosure at least 30 days prior to taking measures to initiate the foreclosure process. During such 30-day period, owners have the right to request a judicially administered foreclosure. If a judicially administered foreclosure is selected, then the Association must first obtain a judgment against the lot owner through the court system and then execute against that judgment through a sheriff's foreclosure sale.

If an owner does not respond to the initial foreclosure warning notice, then the Association can begin the nonjudicial foreclosure process. The nonjudicial foreclosure process for a homeowners association follows the same statutory process that is used for a bank foreclosure of a trust deed under Utah law.

Nonjudicial foreclosure requires the appointment of a Trustee to administer the foreclosure process and the recording of a Notice of Default document against the lot initiates the foreclosure procedure. Once the Notice of Default is recorded, the Association must wait three months. If the balance is not paid off during such three-month waiting period, the Association can schedule a foreclosure sale date. The Association is required to publish a notice of the foreclosure sale for 3 consecutive weeks and then schedule the sale at least 10 days after the end of the notice period.

The overall timing of the nonjudicial foreclosure process generally takes between 4 to 6 months to complete from the initial notice to the property being sold. However, this timeline is dependent on the degree of opposition and decisions of the owner, and the owner's interactions with the Association and its Trustee during the foreclosure process.

The Utah Statutes that govern homeowner association collection powers for delinquent assessments and nonjudicial foreclosure are Utah Code §§ 57-8a-301 through 57-8a-311 and §§ 57-1-19 through 57-1-34.

J. Surplus Funds Remaining in the Bond Account

If proceeds from the HOA Bond still remain after all of the Neighborhood Improvement Area Projects are constructed and accepted, the proceeds may be utilized in accordance with **Section VI.F** of this Report.

Section VII

THE ASSESSMENT ROLL

A. Assessment Roll

Each Neighborhood Improvement Area's Assessed Property will be assessed for the benefits conferred upon the property resulting from the Project Improvements allocated to each Neighborhood Improvement Area. The Special Assessment for each Neighborhood Improvement Area Assessed Property is calculated based on the allocation methodologies described in **Section IV-C**. The Assessment Roll is attached hereto as Appendix A.

B. Future Neighborhood Improvement Area Assessment Roll

As Future Neighborhood Improvement Areas are developed, this Report will be amended to determine the Assessment for each Parcel or Lot located within such Future Neighborhood Improvement Areas (e.g. an appendix will be added as the Assessment Roll for Future Improvement Areas).

C. Annual Assessment Roll Updates

The Administrator shall prepare, and shall submit to the Owner's Association and the Developer for their approval updates to the Assessment Roll and the Report to reflect changes such as (i) the identification of each Parcel; (ii) the Special Assessment for each Assessed Property, including any adjustments authorized by this Report; (iii) the Annual Installment for the Assessed Property for the year (if the Special Assessment is payable in installments); (iv) a listing of the major property owners within the Project; and (v) payments of the Special Assessment, if any, as provided by **Section VI.G** of this Report.

This Report will be updated to reflect the actual interest on the HOA Bonds, any reduction in the Special Assessments, and any revisions in the Actual Costs to be funded by the HOA Bonds.

Section VIII

MISCELLANEOUS PROVISIONS

A. Termination of Assessments

Each Special Assessment shall terminate on the date the Special Assessment is paid in full, including payment of any unpaid Annual Installments and Delinquent Collection Costs, if any. After the termination of the Special Assessment, and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the Administrator shall provide the owner of the affected Parcel a recordable "Notice of Special Assessment Termination."

B. Amendments

This Assessment Methodology Report may be amended by a resolution of the Owner's Association in order to (i) account for the issuance additional HOA Bonds as provided in the Indenture; (ii) account for the issuance of additional bonds which do not modify the repayment source or security for any then outstanding HOA Bonds; (iii) cure any inconsistency, ambiguity, or defect; (iv) subject to the Indenture additional properties, collateral, or security; and (v) conform to any subdivision of the assessed property as described in the Declaration so long as the Association shall certify that the remaining balance of the Assessments being collected will be sufficient for payment of principal and interest on the HOA Bonds.

In addition, this Assessment Methodology Report may be amended as it relates to any HOA Bonds and related Assessed Property by a resolution of the Owner's Association and upon bondholder consent to corresponding amendments to the Indenture securing such HOA Bonds in accordance with the terms of such Indenture.

C. Administration of Provisions

The Administrator shall administer (or cause the administration of) the Special Assessments for the Project.

D. Severability

If any provision, section, subsection, sentence, clause or phrase of this Report, or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Report or the application to all or any portion of the Property or other persons or sets of circumstances shall not be affected thereby, it being the intent of the Owner's Association and the Developer in adopting this Report that no part thereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Report are declared to be severable for that purpose.

If any provision of this Report is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Report and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the Owner's Association and the Developer.

Section 2.1 Principal Amount, Designation, and Series. The Bonds are hereby authorized for issuance under the Indenture for the purpose of providing funds to (a) finance the Improvements, (b) fund the Series 2020 Reserve Subaccount, and (c) pay the costs of issuance of the Bonds. The Bonds shall be limited to \$41,650,000 in aggregate principal amount, shall be issued in fully registered form, in denominations of \$100,000 or any integral multiple of \$1 in excess thereof, shall be in substantially the form and contain substantially the terms contained in Exhibit A, attached hereto and shall bear interest at the rates and be payable as to principal or redemption price as specified herein. The Bonds shall be designated as, and shall be distinguished from all other bonds of the Issuer by the title, “Wildflower Improvement Association Fixed Assessment Bonds, Series 2020 (Taxable).”

Section 2.2 Date, Maturities, and Interest. (a) The Bonds shall be dated as of their Original Issue Date, and shall mature on the dates in the years and in the amounts and shall bear interest from the Interest Payment Date next preceding their date of authentication thereof unless authenticated as of an Interest Payment Date, in which event such Bonds shall bear interest from such date, or unless such Bonds are authenticated prior to the first Interest Payment Date, in which event such Bonds shall bear interest from their Original Issue Date or unless, as shown by the records of the Trustee, interest on the Bonds shall be in default, in which event such Bonds shall bear interest from the date to which interest has been paid in full, or unless no interest shall have been paid on such Bonds, in which event such Bonds shall bear interest from their Original Issue Date, payable on each Interest Payment Date at the rates per annum as set forth below:

(b) Interest on the Bonds shall be calculated on the basis of a year of 360 days comprised of twelve 30-day months.

Section 2.3 Nature of Obligation. The Issuer hereby pledges all Assessments levied pursuant to the Declaration to the payment of the Bonds. The Bonds, together with interest thereon, shall be special limited obligations of the Issuer payable solely from a first lien pledge of the Assessments levied and collected under the Declaration (except to the extent paid out of moneys attributable to the Bond proceeds, moneys or property collected by the Foreclosure Agent from the foreclosure of Assessed Properties or from other funds created hereunder or the income from the temporary investment thereof).

THE ISSUER IS A UTAH NONPROFIT CORPORATION AND IS NOT AN AGENCY OR INSTRUMENTALITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF AND HAS NO TAXING POWER. NO PROVISION OF

THIS INDENTURE, THE BOND PURCHASE AGREEMENT, THE BONDS, THE DECLARATION, OR ANY OTHER INSTRUMENT, SHALL BE CONSTRUED AS CREATING A GENERAL OBLIGATION OF THE ISSUER, OR CREATING A GENERAL OBLIGATION OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, OR AS INCURRING OR CREATING A CHARGE UPON THE GENERAL CREDIT OF THE ISSUER. NEITHER THE STATE, NOR ANY POLITICAL SUBDIVISION THEREOF, SHALL BE LIABLE FOR THE PAYMENT OF THE PRINCIPAL OF, REDEMPTION PRICE, OR INTEREST ON THE BONDS.

Section 2.4 Payment of Principal and Interest.

(a) Both the principal of and the interest on the Bonds shall be payable in lawful money of the United States of America. Payment of the interest on any Bond shall be made to the person appearing on the Register maintained by the Bond Registrar as the Registered Owner thereof by check or draft mailed on the Interest Payment Date to the Registered Owner at his address as it appears on such Register or owners of 100% of Bonds then Outstanding by wire transfer to a bank account located in the United States designated by the Registered Owner in written instructions furnished to the Trustee no later than the Regular Record Date for such payment. The interest on the Bonds so payable and punctually paid and duly provided for on any Interest Payment Date will be paid to the person who is the Registered Owner thereof at the close of business on the Regular Record Date for such interest immediately preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Registered Owner of any Bond on such Regular Record Date, and may be paid to the person who is the Registered Owner thereof at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Trustee, notice thereof to be given to such Registered Owner not less than ten (10) days prior to such Special Record Date. All payments of principal of and premium, if any, on the Bonds shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(b) The Bonds may contain or have endorsed thereon such provisions, specifications, and descriptive words not inconsistent with the provisions hereof as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board or otherwise.

Section 2.5 Redemption.

(a) *Optional Redemption of the Bonds.* The Bonds are subject to optional redemption at the option of the Issuer, in whole or in part, on any Business Day at a redemption price equal to one hundred percent (100%) of the principal amount of each Series 2020 Bond to be redeemed plus accrued interest to the date of redemption.

(b) *Extraordinary Mandatory Redemption.*

(i) The Bonds are subject to extraordinary mandatory redemption, in whole or in part, on any Business Day that the Issuer selects by notice to the Trustee that is given not more than forty-five (45) days after the Issuer's receipt of Assessments collected from the foreclosure sale of delinquent property or upon determination by the Issuer that Bond proceeds are not needed for costs of Improvements, at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond to be redeemed plus accrued interest to the date of redemption in the amount of Assessments (rounded down to the nearest \$1 increment) the Issuer collects from the foreclosure or other sale of delinquent property (less amounts used for debt service on the Bonds or to replenish the accounts in the Reserve Fund) or the amount of Bond proceeds not needed for construction. Whenever less than all of the Bonds are to be redeemed, the Trustee shall select the Bonds to be redeemed from all Bonds not previously called for redemption among maturities of the Bonds and on a pro rata basis as nearly as practicable.

(ii) In the event that the Developer makes a request for an assessment area pursuant to Title 11, Chapter 42, Utah Code Annotated 1953, as amended, for any portion of the Assessed Properties for which Assessments are outstanding on the date of such request, the Bonds will be subject to extraordinary mandatory redemption, in whole. Such extraordinary mandatory redemption shall be due on the Business Day that is thirty (30) calendar days from the date of such request at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond to be redeemed plus accrued interest and interest to accrue up to the next Interest Payment Date.

(c) *Extraordinary Mandatory Prepayment Redemption.* Upon a Residential Lot Sale, all Assessments relating to such parcel shall become due and payable. The Bonds are subject to mandatory prepayment redemption, in whole or in part, on any Business Day from prepayments of Assessments received by the Trustee (and not needed to pay debt service) relating to Residential Lot Sales, from the Property Seller Redemption and amounts transferred from the Reserve Fund, and in the amount of not less than \$1 at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond to be redeemed plus accrued interest to the date of redemption. Whenever less than all of the Bonds are to be redeemed, the Trustee shall select the Bonds to be redeemed from all Bonds not previously called for redemption among mandatory sinking fund installment amounts of the Bonds and on a pro rata basis as nearly as practicable.

(d) *Mandatory Sinking Fund Redemption.*

(i) The Bonds are subject to mandatory sinking fund redemption at a redemption price equal to one hundred percent (100%) of the principal amount of Bonds to be redeemed plus accrued interest to the redemption date, as follows:

<u>Mandatory Sinking Fund Redemption Date</u>	<u>Mandatory Sinking Fund Installment Amount</u>
March 1, 2021	\$595,000
March 1, 2022	3,025,000
March 1, 2023	3,225,000
March 1, 2024	3,440,000
March 1, 2025	3,665,000
March 1, 2026	3,910,000
March 1, 2027	4,170,000
March 1, 2028	4,445,000
March 1, 2029	4,740,000
March 1, 2030	5,050,000
March 1, 2031*	5,385,000

* Final maturity

(ii) Upon redemption of any Bonds (other than by application of mandatory sinking fund redemption), an amount equal to the principal amount so redeemed shall be credited in increments of not less than \$1, toward the mandatory sinking fund redemption amounts for the Bonds, at the discretion of the Issuer.

(e) *Extraordinary Mandatory Prepayment Redemption on the Closing Date.* On the closing date of the Bonds, the Developer shall cause to be deposited with the Trustee \$1,251,250 and there shall be transferred from the Series 2020 Reserve Subaccount the amount of \$139,028 to redeem a portion of the Bonds relating to an approximately 7.63 acre parcel subject to a Residential Lot Sale at a redemption price equal to one hundred percent (100%) of the principal amount of each Bond to be redeemed. So long as such Bonds are redeemed on the closing date of the Bonds, no interest shall accrue on such Bonds.

(f) *Selection of the Bonds for Redemption.* If fewer than all of the Bonds of any maturity are to be redeemed, the particular Bonds or portion thereof to be redeemed shall be selected prior to the redemption date by the Bond Registrar, by such method as the Bond Registrar shall deem fair and appropriate and which may provide for the selection for redemption of portions of the principal of Bonds in \$1 increments.

(g) *Notice of Redemption.* Notice of redemption shall be given by the Bond Registrar by regular mail, not less than thirty (30) days or more than forty-five (45) days prior to the redemption date, to the Holder, as of the record date established by the Bond Registrar for such redemption, of each Bond which is

subject to redemption, at the address of such Holder as it appears on the registration books of the Issuer kept by the Bond Registrar, or at such other address as is furnished to the Bond Registrar in writing by such Holder on or prior to such record date. Each notice of redemption shall state the record date, the redemption date, the place of redemption, the principal amount and, if less than all, the distinctive numbers of the Bonds or portions of Bonds to be redeemed, and shall also state that the interest on the Bonds in such notice designated for redemption shall cease to accrue from and after such redemption date and that on said date there will become due and payable on each of said Bonds the principal of, interest accrued thereon to the redemption date, and premium, if any. Any notice mailed as provided in this paragraph shall be conclusively presumed to have been duly given, whether or not the Bondholder receives such notice. Failure to give such notice or any defect therein with respect to any Bond shall not affect the validity of the proceedings for redemption with respect to any other Bond.

If at the time of mailing of any notice of optional redemption there shall not be on deposit with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice shall state that such redemption is subject to the deposit of the redemption moneys with the Trustee not later than the opening of business on the redemption date and that such notice shall be of no effect unless such moneys are so deposited.

(h) *Redemption in Part.* In case any registered Bond shall be redeemed in part only, upon the presentation of such Bond for such partial redemption, the Issuer shall execute and the Trustee shall authenticate and shall deliver or cause to be delivered to or upon the written order of the Registered Owner thereof, at the expense of the Issuer, a Bond or Bonds of the same interest rate and maturity, in aggregate principal amount equal to the unredeemed portion of such registered Bond. A portion of any Bond of a denomination of more than \$1 to be redeemed will be in the principal amount of \$1 or an integral multiple thereof and in selecting portions of such Bonds for redemption, the Trustee will treat each such Bond as representing that number of Bonds of such \$1 denomination which is obtained by dividing the principal amount of such Bonds by such \$1 denomination. Provided, however, any Bond redemptions shall be in a minimum amount of \$1,000 with \$1 increments above that.

Section 2.6 Delivery of Bonds. The Bonds shall be delivered to the Underwriter at such time and place as provided in the Bond Purchase Agreement. Prior to the authentication and delivery by the Trustee of the Bonds, there shall have been filed with the Trustee:

- (a) A copy, duly certified by the Declarant, of the Articles of Incorporation of the Issuer, the Declaration and this Indenture.
- (b) A copy, certified by the Declarant, of the consent and resolution of the Declarant, as the governing body of the Issuer (in lieu of a board of directors) authorizing and approving the execution and delivery of the Indenture and the

Bonds, together with a certificate, dated as of the date of authentication, of the Declarant that such authorizing resolution is still in force and effect without amendments.

(c) A request and authorization of the Issuer to the Trustee to authenticate the Bonds in the aggregate principal amount therein specified and deliver them to the Underwriter upon payment to the Trustee, for account of the Issuer, of the sum specified in the Bond Purchase Agreement.

(d) An opinion of Issuer Counsel dated the date of authentication of the Bonds substantially to the effect that (i) this Indenture has been duly executed and delivered by the Issuer and constitutes a valid and binding obligation of the Issuer with standard limitations regarding bankruptcy, equitable remedies and judicial discretion; and (ii) the Bonds are valid, binding and enforceable special limited obligations of the Issuer.

Section 2.7 Reserved.

Section 2.8 Application of Moneys upon Issuance of Bonds. The Issuer shall concurrently with the issuance of the Bonds, deposit with the Trustee the amount of \$39,677,039.00, being the par amount of the Bonds, less an Underwriter's discount of \$1,212,015.50 and less an original issue discount of \$760,945.50 as follows:

(a) \$34,578,397 into the Series 2020 Construction Subaccount to be used to pay the acquisition, construction and installation costs of the Improvements;

(b) \$4,165,000 into the Series 2020 Reserve Subaccount; and

(c) \$933,642 into the Cost of Issuance Fund established herein and used to pay for costs with respect to the issuance of the Bonds.

The Issuer has executed a Requisition (attached hereto as Exhibit E) from the Series 2020 Construction Subaccount, and the Trustee is hereby instructed to transfer \$14,554,942.72 from the Series 2020 Construction Subaccount in accordance with the Requisition.

Section 2.9 Further Authority. The Declarant (or other Authorized Representative) of the Issuer are, and each of them is, hereby authorized to do or perform all such acts and to execute all such certificates, documents, and other instruments as may be necessary or advisable to provide for the issuance, sale, registration, and delivery of the Bonds.

Section 2.10 Additional Bonds. No additional indebtedness, bonds, or notes of the Issuer secured by a pledge of the Assessments shall be created or incurred.

Section 2.11 Book-Entry System.

(a) The Bonds shall be initially issued in the form of single, certificated, fully registered Bonds for each maturity. Upon initial issuance, the ownership of each such Bond shall be registered in the registration books kept by the Trustee in the name of Cede.

(b) With respect to Bonds registered in the name of Cede or held by a Depository, neither the District nor the Trustee shall have any responsibility or obligation to any Participant or Beneficial Owner including, without limitation, any responsibility or obligation with respect to: (i) the accuracy of the records of the Depository or any Participant concerning any ownership interest in the Bonds; (ii) the delivery to any Participant, Beneficial Owner, or person other than the Owner, of any notice concerning the Bonds, including notice of redemption; or (iii) the payment to any Participant, Beneficial Owner, or person other than the Owner, of the principal of, premium if any, and interest on the Bonds. The District and the Trustee may treat the Owner of any Bond as the absolute owner of such Bond for the purpose of payment of the principal of, premium if any, and interest on such Bond, for purposes of giving notices of redemption and other matters with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium if any, and interest on or in connection with the Bonds only to or upon the order of the Owners, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the payment of the same. No person, other than an Owner, shall receive a certificated Bond evidencing the obligations of the District pursuant to this Indenture.

(c) DTC may determine to discontinue providing its service as Depository with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. Upon the termination of the services of DTC, a substitute Depository which is willing and able to undertake the system of book-entry transfers upon reasonable and customary terms may be engaged by the District or, if the District determines in its sole and absolute discretion that it is in the best interests of the Beneficial Owners or the District that the Beneficial Owners should be able to obtain certificated Bonds, the Bonds shall no longer be restricted to being registered in the name of Cede or other nominee of a Depository but shall be registered in whatever name or names the Beneficial Owners shall designate at that time, and fully registered Bond certificates shall be delivered to the Beneficial Owners.

ARTICLE III
EXECUTION, TRANSFER, AND EXCHANGE OF BONDS; BOND REGISTRAR

Section 3.1 Execution of Bonds; Investor Letter for Initial Owners. The Bonds shall be executed on behalf of the Issuer by the Declarant or other Authorized Representative (the signatures of said Authorized Representative being either manual and/or by electronic transmission (by facsimile or portable document file (PDF))). The use of such electronic transmission signatures of said Authorized Representative on the Bonds are hereby authorized, approved, and adopted by the Issuer as the authorized and authentic execution, and attestation of the Bonds by said officials. The Bonds shall then be delivered to the Bond Registrar for manual authentication by it. The Certificate of Authentication shall be substantially in the form provided in Exhibit A hereof. Only such of the Bonds as shall bear thereon a Certificate of Authentication, manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of the Bond Registrar shall be conclusive evidence that the Bonds so certified have been duly registered and delivered under, and are entitled to the benefits of, this Indenture and that the Holder thereof is entitled to the benefits of this Indenture. The Certificate of Authentication of the Bond Registrar on any Bond shall be deemed to have been executed by it if (a) such Bond is signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the Certificate of Authentication on all of the Bonds issued hereunder or that all of the Bonds hereunder be certified as registered by the same Bond Registrar, and (b) the date of authentication of the Bond is inserted in the place provided therefor on the Certificate of Authentication.

In case any officer whose signature or an electronic transmission of whose signature shall appear on any Bond shall cease to be such officer before the issuance or delivery of such Bond, such signature or such electronic transmission shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such issuance or delivery, respectively.

The Bonds are offered only to, and may be acquired only by, Qualified Institutional Buyers. Each initial purchaser of the Bonds shall be required to execute an investor letter, in substantially the form of Exhibit B hereto, as a condition to its purchase of the Bonds.

Section 3.2 Transfer of Bonds.

(a) Any Bond may, in accordance with its terms, be transferred, upon the registration books kept by the Bond Registrar pursuant to Section 3.4 hereof, by the Person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation at the principal office of the Bond Registrar, accompanied by delivery of a written instrument of transfer in a form approved by the Bond Registrar, duly executed. No transfer shall be effective until entered on the registration books kept by the Bond Registrar. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the Holder and absolute Owner thereof for the purpose of receiving payment of,

or on account of, the principal or redemption price thereof and interest due thereon and for all other purposes whatsoever.

(b) Whenever any Bond or Bonds shall be surrendered for transfer, the Bond Registrar shall authenticate and deliver a new fully registered Bond or Bonds of the same series, designation, maturity date, and interest rate and of authorized denominations duly executed by the Issuer, for a like aggregate principal amount. The Bond Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. With respect to each Bond, no such transfer shall be required to be made after the Regular Record Date with respect to any Interest Payment Date to and including such Interest Payment Date, and no such transfer shall be made without receipt of the letter described in Section 3.3 hereof.

Section 3.3 Exchange of Bonds. The Bonds may be exchanged at the Corporate Trust Office of the Bond Registrar for other authorized denominations of the same maturity and issue. The Trustee shall not collect from the Owner any charge for any new Bond or Additional Bond issued upon any exchange or transfer, but shall require the Bondholder requesting such exchange or transfer to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer. Whenever any Bonds or Additional Bonds shall be surrendered for registration of transfer or exchange, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds or a new Additional Bond or Additional Bonds, as applicable, of the same issue and maturity, for a like aggregate principal amount; provided that the Trustee shall not be required to register transfers or make exchanges of (i) Bonds or Additional Bonds for a period of fifteen (15) days next preceding any selection of the Bonds or Additional Bonds to be redeemed; or (ii) any Bonds or Additional Bonds chosen for redemption. Notwithstanding the foregoing, by purchase or other means of obtaining ownership of the Bonds, all Bondholders are deemed to have acknowledged that the Bonds have not been and will not be registered under the Securities Act of 1933 and may not be reoffered, resold, pledged or otherwise transferred except (i) to a person who the purchaser reasonably believes is a qualified institutional buyer in a transaction meeting the requirements of Rule 144A promulgated under the Securities Act of 1933 and (ii) in accordance with all applicable securities laws of the States of the United States.

Section 3.4 Bond Registration Books. The Bond Registrar shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Issuer; and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable regulations as it may prescribe, register, or transfer or cause to be registered or transferred on said books, the Bonds as herein provided.

Section 3.5 List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the Holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholders.

Section 3.6 Duties of Bond Registrar. If requested by the Bond Registrar, the Declarant (or other Authorized Representative designated by the Declarant) is authorized to execute the Bond Registrar's standard form of agreement between the Issuer and the Bond Registrar with respect to the compensation, obligations, and duties of the Bond Registrar hereunder which may include the following:

- (a) to act as Bond Registrar, authenticating agent, Paying Agent, and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the Issuer upon request, but otherwise to keep such list confidential;
- (c) to cancel and/or destroy the Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (d) upon request, to furnish the Issuer at least annually a certificate with respect to the Bonds canceled and/or destroyed; and
- (e) upon request, to furnish the Issuer at least annually an audit confirmation of the Bonds paid, the Bonds Outstanding, and payments made with respect to interest on the Bonds.

Section 3.7 Mutilated, Lost, Destroyed or Stolen Bonds or Additional Bonds. If any Bond or Additional Bond shall become mutilated, the Issuer shall execute, and the Trustee shall authenticate and deliver, a new Bond or Additional Bond of like tenor, date, issue and maturity in exchange and substitution for the Bond or Additional Bond so mutilated, but only upon surrender to the Trustee of the Bond or Additional Bond so mutilated. Every mutilated Bond or Additional Bond so surrendered to the Trustee shall be cancelled by the Trustee pursuant to Section 11.2 hereof. If any Bond or Additional Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence is satisfactory to the Trustee and, if any indemnity satisfactory to the Trustee shall be given, the Issuer shall execute and the Trustee shall authenticate and deliver, a new Bond or Additional Bond, as applicable, of like tenor, maturity and issue, numbered and dated as the Trustee shall determine in lieu of and in substitution for the Bond or Additional Bond so lost, destroyed or stolen. Any Bond or Additional Bond issued in lieu of any Bond or Additional Bond alleged to be mutilated, lost, destroyed or stolen, shall be equally and proportionately entitled to the benefits hereof with all other Bonds and Additional Bonds issued hereunder. The Trustee shall not treat both the original Bond or Additional Bond and any replacement Bond or Additional Bond as being Outstanding for the purpose of determining the principal amount of Bonds or Additional Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any percentage of Bonds or Additional Bonds Outstanding hereunder, but both the original and replacement Bond or Additional Bond shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Bond or Additional Bond which has been mutilated, lost, destroyed or stolen, and which has matured, the Trustee may make payment with respect to such Bonds or Additional Bonds.

Section 4.4 Creation of Reserve Fund. Consistent with the terms of the Declaration, there is hereby created and ordered established in the custody of the Trustee a special trust fund in the name of the Issuer referred to as the Reserve Fund. Within the Reserve Fund, there is hereby created and ordered established a Series 2020 Reserve Account for the Bonds which shall secure only the Bonds. Within the Series 2020 Reserve Account there is hereby established a Series 2020 Reserve Subaccount.

Section 4.5 Creation of Cost of Issuance Fund. There is hereby created and ordered established in the custody of the Trustee a special trust fund in the name of the Issuer referred to as the Cost of Issuance Fund.

Section 4.6 Reserved.

Section 4.7 Additional Funds and Accounts. Notwithstanding anything contained herein to the contrary, the Trustee need not create any of the funds or accounts referenced in this Article IV until such funds or accounts shall be utilized. The Issuer may authorize the creation of additional funds and additional accounts within any funds.

ARTICLE V
USE OF FUNDS

Section 5.1 Use of Assessment Fund. All payments of Assessments received and collected by the Issuer pursuant to the Declaration, including Assessments received by the Issuer or for its account from the foreclosure sale of delinquent properties shall be deposited upon receipt in the Assessment Fund and shall be transferred to the Trustee within ten (10) days after receipt. Upon such transfer, such amounts, together with amounts that may be received by the Trustee from the subsequent sale of foreclosed properties transferred by Issuer to Trustee, shall be placed and allocated in the funds and accounts in the specified order of priority, each priority being fully paid before funds are used to pay any lower priority and no payment being made on any priority if funds have been exhausted in the payment of higher priorities, as listed below. Moneys on deposit in the Assessment Fund shall be applied by the Trustee on the fortieth (40) day prior to each Payment Date (or if such date is not a Business Day, the immediately preceding Business Day) to the extent necessary for the purposes and in the amounts as set forth below.

(a) *First*, all regularly scheduled payments of Assessments (i) in the amount needed to pay the principal of and interest on the Bonds on each Interest Payment Date and at maturity or upon mandatory sinking fund redemption shall be deposited by the Trustee in the Bond Fund, with the initial Assessment due on February 1, 2021 to be used to make the payments on the Bonds on March 1, 2021 and each Assessment thereafter due any November 30 intended to be used to make the payments on the Bonds on the following March 1 and September 1, and (ii) in the amount attributable to the Issuer's administration fee (plus any direct out of pocket costs, including, but not limited to, legal fees, accounting fees, and fees of the Administrator, Trustee, and Foreclosure Agent) shall be deposited by the Trustee in the Administrative Costs Account in the Bond Fund and then remitted annually to the Issuer (and to the extent regularly scheduled payments of Assessments are not sufficient for (i) and (ii) in whole, such amount shall be distributed pro rata);

(b) *Second*, all prepayments of Assessments, including prepayment premiums, if any, shall be deposited by the Trustee first in the Bond Fund to the extent needed to pay principal of and interest on the Bonds on the next succeeding Interest Payment Date and at maturity or upon mandatory sinking fund redemption and second, in the Redemption Account within the Bond Fund to redeem Bonds as provided in Section 2.5(c);

(c) *Third*, all Assessments received from the foreclosure sale of delinquent property shall be deposited by the Trustee first to the Bond Fund to the extent needed to pay principal of and interest on the Bonds on the next succeeding Interest Payment Date and at maturity or upon mandatory sinking fund redemption and second, an amount sufficient to replenish the Reserve Fund for draws made thereon to pay principal of or interest on Bonds when due or to reimburse the respective accounts of the Reserve Fund for any moneys used thereunder for

foreclosure costs, shall be deposited into the respective Accounts of the Reserve Fund;

(d) *Fourth*, all remaining Assessments received from the foreclosure sale of delinquent property shall be deposited by the Trustee in the Redemption Account within the Bond Fund to redeem Bonds pursuant to Section 2.5(b) herein.

Section 5.2 Use of Bond Fund.

(a) The Trustee shall make deposits to the Bond Fund, as and when received, as follows:

(i) the amounts provided for in Section 5.1 herein;

(ii) moneys transferred from the Reserve Fund as provided in Section 5.4 herein; and

(iii) all other moneys received by the Trustee hereunder when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Bond Fund.

(b) Except as provided in this Section, moneys in the Bond Fund shall be expended solely for the payment of principal of and interest on the Bonds as the same become due on each Interest Payment Date and at maturity or upon earlier redemption.

The Issuer hereby authorizes and directs the Trustee to withdraw sufficient moneys from the Bond Fund to pay principal of and interest on the Bonds as the same become due and payable at maturity or upon earlier redemption and to make said moneys so withdrawn available to the Paying Agent for the purpose of paying said principal and interest. Any moneys on deposit in the Bond Fund after final payment of the Bonds and all administrative costs shall at the written direction of the Issuer, be remitted to the owners of Assessed Property as an overpayment of Assessments.

Section 5.3 Construction Fund. (a) So long as an Event of Default shall not have occurred and be continuing and except as otherwise provided by Supplemental Indenture, moneys deposited in the Construction Fund shall be disbursed by the Trustee to pay the costs of the Improvements, in each case within ten (10) Business Days (or within such longer period as is reasonably required to liquidate investments in the Construction Fund if required to make such payment) after the receipt by the Trustee of a written requisition approved by an Authorized Representative of the Issuer (or the Administrator on behalf of the Issuer) and signed by a third-party engineer in substantially the form as Exhibit D attached hereto, directing that the Trustee disburse sums in the manner specified by and at the direction of the Issuer to the person or entity designated in such written requisition, and that the amount set forth therein is due and owing and constitutes a cost of acquisition and/or construction of the Improvements based upon itemized claims substantiated in support thereof.

(b) Upon receipt of such requisition, the Trustee shall pay the obligation set forth in such requisition out of moneys in the Construction Fund. In making such payments the Trustee may rely upon the information submitted in such requisition. Such payments shall be presumed to be made properly and the Trustee shall not be required to verify the application of any payments from the Construction Fund or to inquire into the purposes for which disbursements are being made from the Construction Fund.

(c) The Issuer shall deliver to the Trustee within ninety (90) days after all moneys have been expended from the Construction Fund, a certificate executed by an Authorized Representative of the Issuer stating:

(i) that the portion of the Improvements to be financed with proceeds of the Bonds has been fully completed in accordance with the plans and specifications therefor, as amended from time to time or that the Developer has posted an improvement bond (or other guaranty) therefor in an amount satisfactory to the applicable government entity; and

(ii) that said Improvements have been fully paid for or guaranteed and no claim or claims exist against the Developer, the Issuer or against such Improvements out of which a lien based on furnishing labor or material exists or might ripen; provided, however, there may be excepted from the foregoing certification any claim or claims out of which a lien exists or might ripen in the event the Developer or the Issuer intends to contest such claim or claims, in which event such claim or claims shall be described to the Trustee.

(d) In the event the certificate filed with the Trustee pursuant to Section 5.3(c) herein shall state that there is a claim or claims in controversy which create or might ripen into a lien, an Authorized Representative of the Issuer shall file a similar certificate with the Trustee when and as such claim or claims shall have been fully paid or otherwise discharged.

(e) The Trustee and the Issuer shall keep and maintain adequate records pertaining to each account within the Construction Fund and all disbursements therefrom.

(f) Upon completion of that portion of the Improvements to be financed with proceeds of the Bonds, and payment of all costs and expenses incident thereto and the filing with the Trustee of documents required by this Section 5.3, any balance remaining in the Construction Fund shall as directed by an Authorized Representative of the Issuer, be deposited in the Bond Fund, to be applied to pay interest next falling due with respect to the Bonds or to redeem Bonds with any remaining funds.

The Trustee shall, to the extent there are no other available funds held under the Indenture, use the remaining funds in the Construction Fund to pay principal and interest on the Bonds at any time in the event of a payment default hereunder described in Section 8.1(a) or 8.1(b).

Section 5.4 Use of Reserve Fund.

(a) Moneys on deposit in the Reserve Fund shall be used to make up any deficiencies in the Bond Fund for the payment of the Bonds when due, including to pay any foreclosure costs.

(b) Amounts recovered by exercise of any of the remedies provided in the Declaration or otherwise from delinquent Assessments (and not needed to pay amounts coming due on the Bonds) shall be used to replenish (up to the respective requirement) amounts drawn from the Accounts within the Reserve Fund to pay the Bonds and any Additional Bonds.

(c) Except as otherwise provided in this Section, the Series 2020 Reserve Account shall at all times be maintained in an amount not less than the Debt Service Reserve Requirement. Moneys at any time on deposit in the Series 2020 Reserve Account in excess of the Debt Service Reserve Requirement shall on October 15 of each year be transferred to the Bond Fund to be used to pay principal and/or interest on the Bonds as the same come due. Payments of Assessments coming due on the next assessment payment date shall be reduced pro rata as a result of any such transfer from the Series 2020 Reserve Account.

Notwithstanding anything herein to the contrary, in the event the Issuer receives a prepayment in full on a parcel of property ("Prepaid Parcel") it shall transfer moneys from the Reserve Fund to the Redemption Account in an amount equal to that Prepaid Parcel's pro rata share of the Debt Service Reserve Requirement (taking into account any outstanding delinquencies with respect to the Prepaid Parcel). Those moneys, together with the prepayment of Assessments, shall be used to redeem the series of Bonds related to such prepayment as provided in Section 2.5(d) herein. Following a prepayment and, if permitted, application of moneys from the Reserve Fund, the new Debt Service Reserve Requirement with respect to the Bonds shall then be the original Debt Service Reserve Requirement, less the amounts transferred from the Reserve Fund to the Redemption Account as described in this paragraph. The Issuer shall give written instruction to the Trustee as to the amounts of money in the Reserve Fund to be transferred from the Reserve Fund to the Redemption Account within the Bond Fund to redeem the Bonds.

Upon the final payment of the Bonds, any moneys on deposit in the Series 2020 Reserve Account shall be applied by the Trustee to said final payment, and any excess moneys net of outstanding administrative charges on deposit thereafter shall at the written direction of the Issuer, be remitted to the owners of Assessed Property as an overpayment of Assessments.

If at any time the amount on deposit in the Series 2020 Reserve Account is less than the Debt Service Reserve Requirement with respect to the Bonds, the Trustee shall notify the Issuer of such deficiency and the Issuer shall replenish the Series 2020 Reserve Account from proceeds received from the sale of delinquent property as provided in the Act. If, however, the Series 2020 Reserve Account is not fully replenished from proceeds received from the sale of delinquent property, the Issuer shall not be required to replenish the Series 2020 Reserve Account to the Debt Service Reserve Requirement except as funds become available from those sources pledged and described herein.

Section 5.5 Cost of Issuance Fund. Upon receipt from the Issuer of an executed Cost of Issuance Disbursement Request in substantially the form of Exhibit C attached hereto, the Trustee will disburse from the Cost of Issuance Fund the amounts to the parties identified on the Cost of Issuance Disbursement Request. Amounts on deposit in the Cost of Issuance Fund which the Issuer determines are not needed for payment of costs of issuance shall be transferred by the Trustee, at the written direction of the Issuer, to the Construction Fund.

Section 5.6 Reserved.

Section 5.7 Investment of Funds. All moneys in the Bond Fund, the Construction Fund, the Reserve Fund, and the Cost of Issuance Fund, may, at the discretion and written direction of the Issuer, be invested by the Trustee in Qualified Investments, including guaranteed investment contracts secured solely by Qualified Investments. Absent such written direction, the Trustee shall hold all such moneys uninvested. All income derived from the investment of the Bond Fund, the Construction Fund, the Reserve Fund, and Cost of Issuance Fund shall be maintained in said Funds and accounts respectively and shall be disbursed along with the other moneys on deposit therein as herein provided.

The Issuer acknowledges that to the extent regulations of the Comptroller of the Currency or any other regulatory entity grant the Issuer the right to receive brokerage confirmations of the security transaction as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Issuer periodic cash transaction statements which include the detail for all investment transactions made by the Trustee hereunder.

Section 5.8 Trust Funds. All moneys received by the Trustee under the provisions of this Indenture shall be trust funds under the terms hereof and shall not be subject to lien or attachment of any creditor of the State or any political subdivision, body, agency, or instrumentality thereof or of the Issuer and shall not be subject to appropriation by any legislative body or otherwise. Such moneys shall be held in trust and applied in accordance with the provisions hereof. Unless and until disbursed pursuant to the terms hereof, all such moneys (and the income therefrom) shall be held by the Trustee as security for payment of the principal, premium, if any, and interest on the Bonds and the fees and expenses of the Issuer and Trustee payable hereunder.

Section 5.9 Method of Valuation and Frequency of Valuation. In computing the amount in any fund or account, Qualified Investments shall be valued at market. With

respect to all funds and accounts, valuation shall occur annually, except in the event of a withdrawal from the Reserve Fund, whereupon the securities therein shall be valued immediately after such withdrawal.

Section 5.10 Perfection of Security Interest.

(a) The Indenture creates a valid and binding pledge and assignment of security interest in all of the Assessments and all other applicable funds and moneys pledged under this Indenture in favor of the Trustee as security for payment of the Bonds, enforceable by the Trustee in accordance with the terms thereof.

(b) Pursuant to Section 57-8a-301 of the HOA Act, the recording of the Declaration constitutes record notice and perfection of the lien for Assessments and for the costs, fees and charges associated with the collection of the Assessments as described in the Declaration. The lien was perfected upon recording of the Declaration on December 11, 2020.

ARTICLE VI
COVENANTS AND UNDERTAKINGS

Section 6.1 Covenants of Issuer. All covenants, statements, representations, and agreements contained in the Bonds, and all recitals and representations in this Indenture are hereby considered and understood as the covenants, statements, representations, and agreements of the Issuer.

Section 6.2 Levy and Collection of Assessments; Punctual Payment. The Issuer hereby appoints, authorizes, empowers and directs the Administrator, on behalf of the Issuer, to cause the Foreclosure Agent to enforce collection all Assessments levied to repay the Bonds from which proceeds were used to pay the cost of the Improvements within the boundaries of, or providing a special benefit to, the Assessed Property, the installments thereon, the interest thereon, and any charges or fees thereon, including without limiting the generality of the foregoing, the whole of the unpaid principal, interest charges and fees accrued which become due and payable immediately because of the failure to pay any installment whether of principal or interest, when due, and to cause such payments to be paid to the Trustee as herein provided. The Issuer covenants that it will receive all Assessments, all recoveries through enforcement, and all foreclosed Assessed Property in trust for the Owners and shall have no beneficial right or interest in the Assessments deposited or Assessed Property obtained, except as provided in this Indenture. All Assessments levied or Assessed Property obtained shall be disbursed, allocated and applied solely to the uses and purposes set forth herein, and shall be accounted for separately and apart from all other money, funds, accounts or other resources of the Issuer.

The Issuer covenants that it will duly and punctually pay or cause to be paid the principal of and interest on every Bond and Additional Bond issued hereunder, together with the premium, if any, thereon on the date, at the place and in the manner set forth in the Bonds and the Additional Bonds and in accordance with this Indenture to the extent that Assessments levied and other amounts pledged hereunder are available therefor, and that the payments into the Funds and Accounts created hereunder will be made, all in strict conformity with the terms of the Bonds, any Additional Bonds, and this Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture and all Supplemental Indentures and of the Bonds and any Additional Bonds issued hereunder.

Section 6.3 Lien of Assessment.

(a) The Assessments, any interest accruing on the Assessments and the charges, fees, and costs of collection of the Assessments shall continue to constitute and are hereby declared to be a lien against the Assessed Properties upon which the Assessments are levied from and after the date on which the Declaration became effective.

(b) The lien of the Bonds shall be superior to the lien of any trust deed, mortgage, mechanic's or materialman's lien, or other encumbrance, *except for* the lien for general real property taxes and other governmental assessments and charges

against the Assessed Properties and shall be senior to any assessments by any other homeowners associations, as set forth in the Declaration.

(c) Said liens shall apply without interruption, change in priority, or alteration in any manner to any reduced payment obligations and shall continue until the Assessment and any interest, charges, and costs thereon are paid in full in accordance with the Declaration; provided, that any sale of a lot or other parcel of the Assessed Property for or on account of a delinquent general property tax, special tax, other assessment by a governmental taxing authority, or the issuance of a tax deed, may result in termination of the Assessment Lien. Under those circumstances, preservation of the Issuer's Assessment Lien upon such lot or parcel would require that the Issuer either (a) purchase the property at the tax lien sale, or (b) complete the foreclosure of the subject property prior to the tax lien sale and, in the event it acquires the property by credit bid or otherwise, satisfy the tax delinquencies. The Issuer shall take all reasonable actions to preserve the lien of the Assessment as may be directed by the Trustee or the Bondholders.

Section 6.4 Default in Payment of Assessments. As further described in the Declaration, in the event a default occurs in the payment of any installment of principal or interest of the Assessments levied pursuant to the Declaration when due, the Issuer shall subject to the Act or any other applicable law of the State, or lawful order of any governmental authority of competent jurisdiction (a) either declare the unpaid amount delinquent and subject to collection or declare the whole of the unpaid Assessment immediately due and payable and subject to collection, (b) provide notice of such default, and (c) following the lapse of a 30-day period to remedy the default provided in the Notice, all as provided in the Declaration, the Issuer may immediately (i) initiate a sale of the property as provided in Title 57, Chapter 1, Parts 24 through 34, Utah Code Annotated 1953, as amended or (ii) sell the property pursuant to the HOA Act, in the manner provided for judicial foreclosures and nonjudicial foreclosures. If at the sale, no person or entity shall bid and pay the Issuer the amount due on the Assessment plus interest, charges and costs, plus attorneys' fees and foreclosure costs, if any, the property shall be deemed sold to the Issuer for these amounts. The Issuer shall have no obligation to pay any Assessment installments in the case of temporary ownership while the property is being foreclosed upon. Pursuant to the Declaration, the Issuer hereby elects to transfer ownership of the delinquent property "AS-IS, WHERE-IS" AND WITH ALL FAULTS, with no warranties or representations of any kind to the Bondholders of the Bonds (or a legally created entity designated by the Bondholders) in full satisfaction of all outstanding assessment obligations related to such property hereunder and any payment obligations of the Issuer to the Bondholders of the Bonds. If the Bondholders or any legally created entity of the Bondholders refuses to accept such delivery of the delinquent property, then the Issuer shall sell such property (subject to real property taxes and other assessments (if any) for the then current year and thereafter as well as any easements, rights of way, covenants, restrictions and all other matters of every kind that are then of record and all matters that an accurate survey or a physical inspection of the property would then disclose). The property is to be conveyed "AS-IS, WHERE-IS" AND WITH ALL FAULTS, with no warranties or representations of any kind, and deposit the proceeds thereof (after reimbursement of reasonable administrative and foreclosure expenses of the Issuer in

connection therewith) with the Trustee for the benefit of the Bondholders, in full satisfaction of all outstanding assessment obligations related to such property hereunder and any payment obligations of the Issuer to the Bondholders of the Bonds. By purchase or other means of obtaining ownership of the Bonds, all Bondholders are deemed to have consented to the provisions of this Section 6.4.

The remedies provided in this Section for the collection of Assessments and the enforcement of liens shall be deemed and construed to be cumulative and the use of any one method or means of collection or enforcement shall not deprive the Issuer of the use of any other method or means. In the event of any foreclosure proceedings or other remedies pursued hereunder, the Issuer shall accept direction from the Bondholders to the extent permitted by law in pursuing any such remedies. In the absence of any direction from Bondholders, the Issuer shall not be liable for any harm to Bondholders from its efforts to complete its duties hereunder in a reasonable manner, nor shall the Issuer be required to expend any of its own funds to complete such duties. The Issuer shall not be responsible to pay for the costs associated with the collection of default Assessments and the enforcement of liens. However, such costs shall be paid by the Trustee from funds available under the Indenture, as approved and directed by a simple majority of Bondholders and consented to by the Issuer, and included in amounts required to be collected in connection with the sale of delinquent property upon foreclosure.

Section 6.5 Limited Obligation of Issuer. Notwithstanding anything contained elsewhere herein to the contrary, the Bonds, or any other obligation hereunder, are not a general obligation of the Issuer but are payable exclusively out of the funds and/or property described herein. The Issuer shall not be liable for the payment of the Bonds, except to the extent of the funds created and received from (a) payments of the Assessments by the owners of the Assessed Properties, (b) moneys and property collected through Issuer's enforcement of the Assessment obligations, including foreclosure sales resulting from unpaid Assessments (after payment of costs as described in Section 6.4 herein), and (c) moneys on deposit in the Reserve Fund, but the Issuer shall be held responsible for the lawful levy of all Assessments, for the creation and maintenance of the Series 2020 Reserve Account as provided herein, and for the faithful accounting, collection, settlement, and payment of the Assessments (but only with funds available under the Indenture and thereafter dependent on funding by the Bondholders).

Section 6.6 Reserved.

Section 6.7 No Additional Security Interest. The Issuer covenants that so long as any Bonds remain Outstanding, it shall not pledge or grant any security interest in the Assessments or any investment proceeds thereof (except as expressly provided in this Indenture).

Section 6.8 Further Assurances. The Issuer shall make, execute and deliver any and all such further agreements, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the assuring and confirming unto the Owners of the Bonds and any Additional Bonds of the rights and benefits provided in this Indenture.

ARTICLE VII
THE TRUSTEE

Section 7.1 Acceptance of the Trusts. The Trustee accepts the trusts imposed upon it hereby, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but only upon the following terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee, before the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs in exercising any rights or remedies or performing any of its duties hereunder. The Trustee may execute any of the trusts or powers thereof and perform any of its duties by or through attorneys, agents, receivers, or employees and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers, and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of counsel. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds) or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the Issuer; but the Trustee may require of the Issuer full information and advice as to the performance of the covenants, conditions, and agreements aforesaid and as to the condition of the property herein conveyed. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions hereof. The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the Bonds.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder, except as specifically set forth herein. The

Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant hereto upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Registered Owner of any Bond, shall be conclusive and binding upon all future Owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper, or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by its Authorized Representatives as sufficient evidence of the facts therein contained and prior to the occurrence of an Event of Default as provided in Section 8.1(a) or Section 8.1(b) herein or an Event of Default which the Trustee has been notified or of which by Section 8.1 herein it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of an Authorized Representative of the Issuer to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated herein shall not be construed as a duty and the Trustee shall not be answerable for other than its gross negligence or willful misconduct.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder except an Event of Default that occurs under Section 8.1(a) or Section 8.1(b) and a failure to fund or replenish the Series 2020 Reserve Account as provided herein, unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the Registered Owners of at least 25% in the aggregate principal amount the Bonds then Outstanding and all notices or other instruments required hereby to be delivered to the Trustee must, in order to be effective, be delivered at the Corporate Trust Office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no Event of Default except as aforesaid.

(h) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives shall have the right fully to inspect all books, papers, and records of the Issuer pertaining to the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(i) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers identified herein or otherwise in respect of the premises.

(j) Notwithstanding anything elsewhere herein contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview hereof, any showing, certificates, opinions, appraisals, or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(k) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law and this Indenture. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(l) If any Event of Default hereunder shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it hereby and shall use the same degree of care as a prudent man would exercise or use in the circumstances in the conduct of his own affairs.

(m) Before taking any action under this Indenture (other than making any payment of principal, premium or interest on the Bonds), the Trustee may require that a satisfactory indemnity be furnished to it for the payment or reimbursement of all costs and expenses (including, without limitation, attorney's fee and expenses) to which it may be put and to protect it against all liability which it may incur in or by reason of such action, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct.

Section 7.2 Fees, Charges, and Expenses of Trustee. The Trustee shall be entitled to payment and/or reimbursement for reasonable fees for its services rendered as Trustee hereunder and all advances, counsel fees, and other expenses reasonably and necessarily made or incurred by the Trustee in connection with such services. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as Paying Agent and Registrar for the Bonds as hereinabove provided. The Issuer shall pay and reimburse the Trustee for its fees and expenses as provided in this Section solely from amounts available to the Issuer as set forth in Section 5.1(a)(ii) and, if such amount is not sufficient, from the other sources available hereunder.

Section 7.3 Notice to Registered Owners if Event of Default Occurs. The Trustee shall give written notice of any Event of Default (as herein defined) relating to any Event of Default that occurs under Section 8.1(a) or Section 8.1(b) by registered or certified

mail to all Registered Owners of all Bonds then Outstanding shown on the registration books of the Bonds kept by the Trustee as Registrar for the Bonds.

Section 7.4 Intervention by Trustee. In any judicial proceeding to which the Issuer is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interest of Registered Owners of the Bonds, the Trustee shall intervene on behalf of such Bondholders if requested in writing by the Registered Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 7.5 Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation, or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges, and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed of conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 7.6 Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving written notice to the Issuer, served personally or by registered mail, and by registered or certified mail to each Registered Owner of Bonds then Outstanding, and such resignation shall take effect upon the appointment of a successor Trustee by the Registered Owners or by the Issuer as provided in Section 7.8 hereof; provided, however that if no successor Trustee has been appointed within sixty (60) days of the date of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice, if any, as it deems proper and prescribes, appoint a successor Trustee.

Section 7.7 Removal of the Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, and signed by the Issuer (so long as the Issuer is not in default under any of its obligations hereunder) or signed by the Registered Owners of at least a majority in aggregate principal amount of Bonds then Outstanding, provided that such instrument or instruments concurrently appoint a successor Trustee meeting the qualifications set forth herein.

Section 7.8 Appointment of Successor Trustee; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the Issuer or by the Registered Owners of a majority in aggregate principal amount of Bonds then Outstanding, by an instrument or concurrent instruments in writing signed by such Bondholders, or by their attorneys in fact,

duly authorized; provided, nevertheless, that in case of such vacancy the Issuer by an instrument executed by the Declarant (or other Authorized Representative), may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Registered Owners in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Registered Owners. Every successor Trustee (including any temporary Trustee) appointed pursuant to the provisions of this Section or otherwise shall be a trust company or bank in good standing having a reported capital and surplus of not less than \$50,000,000.

Section 7.9 Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge, and deliver to its predecessor and also to the Issuer and all Bondholders an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties, and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of the successor Trustee, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers, and trusts of such predecessor hereunder; and every predecessor Trustee shall, upon payment of its fees and expenses, deliver all Bonds and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estates, rights, powers, and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged, and delivered by the Issuer.

This Indenture, opinions, certificates, and other instruments provided for herein may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant and protection to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 7.11 Successor Trustee; Paying Agent and Bond Registrar. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be Trustee, Bond Registrar, and Paying Agent hereunder, and the successor Trustee shall become such Trustee, Bond Registrar and Paying Agent for the Bonds.

Section 7.12 Trust Estate May Be Vested in Separate or Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation hereunder, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights, or remedies herein granted to the Trustee or hold title to the trust estate, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it

may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest, and lien expressed or intended hereby to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vested in such separate or co-trustee, but only to the extent necessary to enable the separate or co-trustee to exercise such powers, rights, and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any deed, conveyance, or instrument in writing from the Issuer be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties, and obligations, any and all such deeds, conveyances, and instruments in writing shall, on request of such trustee or co-trustee, be executed, acknowledged, and delivered by the Issuer. In case any separate trustee or co-trustee, or a successor to either, shall die, become incapable of acting, resign, or be removed, all the estates, properties, rights, powers, trusts, duties, and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 7.13 Accounting. The Trustee shall prepare a written monthly accounting for each calendar month by the end of the month following each such calendar month showing in reasonable detail all financial transactions relating to the funds and accounts held by the Trustee hereunder during the accounting period and the balance in any funds or accounts created hereby as of the beginning and close of such accounting period, and shall mail the same to the Issuer. On or before the end of the month following each calendar month, the Trustee shall, upon written request, provide to the Issuer and the Issuer's independent auditor, representations as to the accuracy of the facts contained in said financial report.

Section 7.14 Trustee's Right to Own and Deal in Bonds. The bank or trust company acting as Trustee under this Indenture, and its directors, officers, employees, or agents, may in good faith buy, sell, own, hold, and deal in any of the Bonds issued hereunder and secured by this Indenture, and may join in any action which any Bondholder may be entitled to take with like effect as if such bank or trust company were not the Trustee under this Indenture.

ARTICLE VIII
EVENTS OF DEFAULT; REMEDIES

Section 8.1 Events of Default. Each of the following events is hereby declared an Event of Default:

(a) if payment of any installment of interest on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable; or

(b) if payment of the principal of or the redemption premium, if any, on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, either at maturity, by mandatory sinking fund redemption or by proceedings for redemption in advance of maturity; or

(c) if an order or decree shall be entered, with the consent or acquiescence of the Issuer, appointing a receiver or custodian for any of the revenues of the Issuer, or approving a petition filed against the Issuer seeking reorganization of the Issuer under the federal bankruptcy laws or any other similar law or statute of the United States of America or any state thereof, or if any such order or decree, having been entered without the consent or acquiescence of the Issuer shall not be vacated or discharged or stayed on appeal within thirty (30) days after the entry thereof; or

(d) if any proceeding shall be instituted, with the consent or acquiescence of the Issuer, for the purpose of effecting a composition between the Issuer and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any law or statute of the United States of America or any state thereof; or

(e) if (i) the Issuer is adjudged insolvent by a court of competent jurisdiction, or (ii) an order, judgment, or decree be entered by any court of competent jurisdiction appointing, without the consent of the Issuer, a receiver, trustee, or custodian of the Issuer or of the whole or any part of the Issuer's property and any of the aforesaid adjudications, orders, judgments, or decrees shall not be vacated or set aside or stayed within sixty (60) days from the date of entry thereof; or

(f) if the Issuer shall file a petition or answer seeking reorganization, relief, or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(g) if the Issuer shall for any reason be rendered incapable of fulfilling its obligations hereunder; or

(h) if the Issuer defaults in the performance or observance of any covenant, agreement, or condition on the part of the Issuer hereunder or under the Declaration (other than defaults mentioned in (a) or (b) above) and fails to remedy

the same for a period of thirty (30) days after notice of the default is given by the Trustee or Bondholders of at least a majority in aggregate principal amount of then Outstanding Bonds.

Section 8.2 Remedies; Rights of Bondholders. Upon the occurrence and continuance of any Event of Default, the Trustee may, upon request of the Bondholders of at least a majority in aggregate principal amount of the Bonds then Outstanding (subject to the indemnity provisions provided herein), pursue any available remedy by suit at law or in equity (including an action seeking the appointment of a receiver) to enforce payment on such Bonds or to enforce any obligation of the Issuer hereunder or under the Declaration (including, without limitation, by writ of mandamus, action for specific performance, or otherwise). No remedy conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each remedy is cumulative and is in addition to every other remedy given hereunder and under the Declaration or at law or otherwise to the Trustee or to the Bondholders.

The Bondholders of at least a majority in aggregate principal amount of Bonds then Outstanding shall have the right at any time to direct, by instruments delivered to the Trustee, the method and place of conducting all proceedings to be taken by the Trustee in connection with the enforcement of the terms and conditions of this Indenture and the Declaration; provided, that such direction is in accordance with the provisions of law and of this Indenture and the Declaration and the Trustee is indemnified to its satisfaction.

No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any Event of Default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

Section 8.3 Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of Trustee's fees and expenses (including attorneys' fees and expenses) of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund (excluding moneys in the Redemption Account and the Administrative Costs Account) together with any other money held in any fund established hereunder, shall be applied in the following order:

(a) To the payment of the principal of, premium, if any, and interest then due and payable on the Bonds as follows:

(i) Unless the principal of all of the Bonds shall have become due and payable, all such moneys shall be applied:

(A) FIRST—To the payment to the Bondholders entitled thereto of all installments of interest then due on the Bonds in the

order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment of interest, then to the payment pro rata, according to the amounts due on such installment, to the Bondholders entitled thereto, without any discrimination or privilege; and

SECOND—To the payment to the Bondholders entitled thereto of the unpaid Principal of and premium, if any, on the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions hereof), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any particular date, then to the payment ratably, according to the amount of Principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(ii) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal, and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, pro rata, according to the amounts due respectively for principal and interest, to the Bondholders entitled thereto without any discrimination or privilege.

Subject to compliance with Section 9.2 herein, whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Bondholders shall determine, having due regard to the amounts of such moneys available for such application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds to be applied pursuant to this Section, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal paid on such dates shall cease to accrue.

Section 8.4 Rights and Remedies of Bondholders. Except as provided in the last sentence of this Section, no Bondholder of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement hereof or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder. No one or more Bondholder of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the lien hereof by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Bondholders of all Bonds then Outstanding. Nothing herein contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of, and premium, if any, and interest on, each of the Bonds issued

hereunder held by such Bondholder at the time, place, from the source, and in the manner in said Bonds expressed.

Section 8.5 Termination of Proceedings. In case the Trustee or Bondholders shall have proceeded to enforce any right hereunder by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or Bondholders, then and in every such case the Issuer, the Trustee and the Bondholder shall be restored to their former positions and rights hereunder, and all rights, remedies, and powers of the Trustee and Bondholders shall continue as if no such proceedings had been taken.

Section 8.6 Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) hereunder or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings related thereto and any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Registered Owners of the Bonds, and any recovery of judgment shall be for the equal benefit of the Registered Owners of the Outstanding Bonds.

ARTICLE IX
SUPPLEMENTAL INDENTURES

Section 9.1 Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may, without the consent of, or notice to the Bondholders, enter into a Supplemental Indenture hereto, or adopt an amendment to the Declaration as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(a) To provide for the issuance of Additional Bonds in accordance with the provisions of Section 2.10 herein;

(b) To cure any inconsistency, ambiguity or defect or omission herein or in the Declaration;

(c) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Trustee or the Bondholders or any of them;

(d) To subject to this Indenture additional properties, collateral, or security;

(e) To conform the Declaration to any subdivision of the Assessed Property as described therein or to otherwise permit the adjustment of Assessments as deemed appropriate by the Issuer so long as the Issuer shall certify that the remaining balance of the Assessments being collected will be sufficient for payment of principal and interest on the Bonds; and

(f) To amend the Declaration to (1) conform the Declaration to any laws or regulations or any governmental authority, (2) correct typographical or engineering errors or amend, replace or substitute any exhibit to correct typographical or engineering errors, (3) include any exhibit that was inadvertently omitted from the Declaration at the time of recording, (4) change or update any exhibit or portion of an exhibit to conform to final subdivision plats and as-built conditions of the Assessed Property so long as such change does not materially adversely affect the Assessment obligation or lien rights of the Association or the Bondholders, or (5) for any other purpose in order to effectuate the purposes described herein for the funding of the Financed Improvements for the benefit of the Assessed Property.

Section 9.2 Supplemental Indentures Requiring Consent of Bondholders; Waivers and Consents by Bondholders. Exclusive of Supplemental Indentures and ordinances covered by Section 9.1 hereof and subject to the terms and provisions contained in this Section, and not otherwise, the Bondholders of at least a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, from time to time, anything contained herein to the contrary notwithstanding, to (a) consent to and approve the execution by the Issuer of such other Supplemental Indenture and amendment to the Declaration as shall be deemed necessary and desirable by the Issuer for the purpose of

modifying, altering, amending, adding to, or rescinding any of the terms or provisions contained herein or in any Supplemental Indenture or in the Declaration as supplemented, or (b) waive or consent to the taking by the Issuer of any action prohibited, or the omission by the Issuer of the taking of any action required, by any of the provisions hereof or of any Supplemental Indenture hereto or in the Declaration as supplemented; provided, however, that nothing in this Section contained shall permit or be construed as permitting (i) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate of or extension of the time of paying of interest on, or reduction of any premium payable on the redemption of, any Bond, without the consent of the Bondholder of such Bond, or (ii) except as provided in Section 9.1(e) a reduction in the amount or extension of the time of any Assessment or any other payment required hereunder or under the Declaration to any fund established hereunder without the consent of the Bondholders of all the Bonds which would be affected by the action to be taken, or (iii) a reduction in the aforesaid aggregate principal amount of Bonds, the Bondholders of which are required to consent to any such waiver or Supplemental Indenture or ordinance, or (iv) affect the rights of the Bondholders of less than all Bonds then Outstanding, without the consent of the Bondholders of all the Bonds at the time Outstanding which would be affected by the action to be taken. Prior to any Supplemental Indenture or ordinance becoming effective under this Section, the Trustee shall have on file written consent to such Supplemental Indentures or ordinances executed by at least a majority in aggregate principal amount of all Bonds then Outstanding.

In executing or accepting any Supplemental Indenture permitted by this Article, the Trustee and the Issuer shall receive, and, shall be fully protected in relying upon, an opinion of Issuer's Counsel addressed and delivered to the Trustee and the Issuer that (a) the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture, and (b) such Supplemental Indenture will, upon the execution and delivery thereof, be a valid and binding obligation of the Issuer.

If at any time the Issuer shall request the Trustee to enter into any such Supplemental Indenture for any of the purposes of this Section 9.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such Supplemental Indenture to be given by registered or certified mail to the Bondholder of each Bond shown by the list of Bondholders required to be kept at the office of the Trustee. Such notices shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the principal office of the Trustee for inspection by all Bondholders. At the time such notices are mailed by the Trustee, the Issuer may, but is not required to, designate a reasonable time period for receipt of such consents and shall include such requirement in the notices sent to the Bondholders. If the Bondholders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no holder of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental

Indenture as in this Article IX permitted and provided, the Indenture shall be and be deemed to be modified and amended in accordance therewith.

ARTICLE X
DISCHARGE OF INDENTURE

If the Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made, to or for the Bondholders of the Bonds, the principal of and interest due or to become due thereon at the times and in the manner stipulated therein, and shall pay or cause to be paid to the Paying Agent all sums of moneys due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, terminate, and be void, whereupon the Trustee at the request of the Issuer shall cancel and discharge the lien hereof, except moneys or Bonds held by the Trustee for the payment of the principal of and interest on the Bonds.

Any Bond shall be deemed to be paid within the meaning of this Article when payment of the principal of such Bond, plus premium, if any, and interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided herein, or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof or (b) shall have been provided by irrevocably depositing with the Trustee for the benefit of the Bondholders, in trust and irrevocably setting aside exclusively for such payment (i) moneys sufficient to make such payment or (ii) Government Obligations, maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, and all proper fees, compensation and expenses (including attorneys' fees and expenses) of the Trustee and any paying agent pertaining to the Bond with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits hereof, except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing, in the case of Bonds, which by their terms may be redeemed prior to their stated maturity, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until the Issuer shall have given the Trustee, irrevocable instructions:

- (a) stating the date when the principal of each such Bond is to be paid, whether at maturity or on a redemption date (which shall be any redemption date permitted hereby);
- (b) directing the Trustee to call for redemption pursuant hereto any Bonds to be redeemed prior to maturity pursuant to the provisions of this Indenture; and
- (c) instructing the Trustee to mail, as soon as practicable, in the manner prescribed by Article II hereof, a notice to the Bondholders of such Bonds which have been selected by the Trustee by lot that the deposit required by this Section has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Article and stating the maturity or redemption date upon

which moneys are to be available for the payment of the principal or redemption price, if applicable, on said Bonds.

Any moneys so deposited with the Trustee as provided in this Article may at the written direction of the Issuer also be invested and reinvested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Trustee pursuant to this Article which is not required for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in that fund; provided, however, that before any excess moneys shall be deposited in the Bond Fund, the Issuer shall first obtain and deliver to the Trustee a written verification from a firm of independent certified public accountants that the moneys remaining on deposit with the Trustee and invested in Government Obligations after such transfer to the Bond Fund shall be sufficient in amount to pay principal and interest on the Bonds when due and payable.

Notwithstanding any provision of any other Article hereof which may be contrary to the provisions of this Article, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article for the payment of Bonds (including interest thereon) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or Government Obligations have been so set aside in trust.

Anything herein to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Trustee pursuant to this Article for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Bondholder of each Bond affected thereby.

ARTICLE XI
MISCELLANEOUS

Section 11.1 Consents, Etc., of Registered Owners. Any consent, request, direction, approval, objection, or other instrument required hereby to be executed by the Registered Owners may be in any number of concurrent writings of similar tenor and may be executed by such Registered Owners in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection, or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes hereof, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely, the fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution. The amount of Bonds held by any person executing such instrument as a Registered Owner of Bonds and the fact, amount and numbers of the Bonds held by such person and the date of his holding the same shall be proved by the registration books of the Trustee.

Section 11.2 Cancellation of Bonds and Additional Bonds. All Bonds and Additional Bonds surrendered to the Trustee for payment upon maturity or for redemption shall be upon payment therefor, and any Bond or Additional Bond purchased by the Issuer as authorized herein and delivered to the Trustee for such purpose shall be, cancelled forthwith and shall not be reissued. The Trustee shall destroy such Bonds and Additional Bonds, as provided by law, and, upon request of the Issuer, furnish to the Issuer a certificate of such destruction.

Section 11.3 Execution of Documents and Proof of Ownership. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, and of the ownership of Bonds or Additional Bonds shall be sufficient for the purposes of this Indenture (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his or her attorney of any such instrument and of any instrument appointing any such attorney, may be proved by a signature guarantee of any bank or trust company located within the United States of America. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such signature guarantee shall also constitute sufficient proof of his authority.

(b) As to any Bond or Additional Bond, the person in whose name the same shall be registered in the Bond Register shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of any such Bond or Additional Bond, and the interest thereon, shall be made only to or upon the order of the registered Owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond or Additional Bond and the interest thereon to the extent of the sum or sums to be paid. Neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

Nothing contained in this Indenture shall be construed as limiting the Trustee or the Issuer to such proof, it being intended that the Trustee or the Issuer may accept any other evidence of the matters herein stated which the Trustee or the Issuer may deem sufficient. Any request or consent of the Owner of any Bond or Additional Bond shall bind every future Owner of the same Bond or Additional Bond in respect of anything done or suffered to be done by the Trustee or the Issuer in pursuance of such request or consent.

Section 11.4 Replacement of Foreclosure Agent or Administrator. The Trustee may replace Foreclosure Agent or the Administrator at any time, upon request of the Bondholders of at least a majority in aggregate principal amount of the Bonds then Outstanding (subject to the indemnity provisions provided herein) by an instrument or concurrent instruments in writing signed by such Bondholders, or by their attorneys in fact, duly authorized, appointing a successor Foreclosure Agent (meeting the requirements of such position contained in the Declaration) or Administrator, as applicable.

Section 11.5 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any person other than the parties hereto, the Registered Owners of the Bonds, any legal or equitable right, remedy, or claim under or in respect hereto or any covenants, conditions, and provisions herein contained, this Indenture and all of the covenants, conditions, and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Registered Owners of the Bonds as herein provided.

Section 11.6 Severability. If any provision hereof shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses, or Sections herein contained, shall not affect the remaining portions hereof, or any part thereof.
