

**PUBLIC UTILITY EASEMENT**

**KNOW ALL MEN BY THESE PRESENTS:**

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Shefco, LTD, hereinafter referred to as "Grantors," by the City of St. George, hereinafter referred to as "Grantee," Grantors do hereby grant, transfer and convey unto the Grantee both a temporary easement with the right to erect, construct, install and lay, and thereafter a perpetual easement to use, operate, inspect, repair, maintain, replace or expand sanitary sewer lines, culinary water lines, natural gas lines, telephone lines, cable TV lines, and electrical transmission lines and all related appurtenances under and along any portion of the property described herein which may be owned by Grantors in Washington County, State of Utah.

The temporary easement shall be 50 feet in width during the period of construction, and upon completion, the perpetual easement shall be 20 feet in width, the centerline of both the temporary and perpetual easements is described in Exhibit "A", attached hereto and incorporated herein by this reference.

Grantee agrees to maintain the easement in good repair so that Grantors can continue to make such use of the surface of said easement as does not interfere with its purposes as described herein, and in such a manner that no damage results to the adjacent land of Grantors. Grantors shall provide reasonable ingress and egress to and from said right-of-way.

The benefits of this easement shall inure to the benefit of Grantee, or any municipal successor thereof, but shall not inure to or be for the benefit of any private assignee of Grantee.
