The centerline of said right-of-way and easement shall extend through and across the above-described land and premises as follows, to-wit:

Beginning at a point which lies North 00°05'23" West a distance of 1596.87 feet and South 89°55'03" West a distance of 2090.22 feet more or less from the Southeast corner of Section 26, Township 5 South, Range 1 East, Salt Lake Base Meridian (a Utah recorded survey monument), said point being on a centerline of a gas pipeline for Questar Gas Company, known as Feeder Line 104 and the Grantor's East line; thence along said centerline North 64°54'51" West a distance of 301.18 feet more or less to a point which lies on the Grantor's West line, said point also being the point of terminus of the described centerline.

Basis of bearing is between two found Utah County survey monuments, the Northeast corner of Section 26 and the Southeast corner of Section 26, Township 5 South, Range 1 East, Salt Lake Base Meridian. (Record measurement between monuments North 00°05'23" West a distance of 5315.35 feet).

TO HAVE AND TO HOLD the same unto said Questar Gas Company, its successors and assigns, so long as such facilities shall be maintained, with the right of ingress and egress to and from said right-of-way to maintain, operate, repair, inspect, protect, remove and replace the same. This right-of-way and easement shall carry with it the right to use existing roads for the purpose of conducting the foregoing activities. During temporary periods, Grantee may use such portion of the property along and adjacent to said right-of-way as may be reasonably necessary in connection with construction, maintenance, repair, removal or replacement of the facilities. Grantor(s) shall have the right to use said premises except for the purposes for which this right-of-way and easement is granted to Grantee, provided such use does not interfere with the facilities or any other rights granted to Grantee hereunder.
