Signs, Billboards, outdoor Advertising structures, or advertising of any kind as defined in 23 United States Code, Section 136, shall not be erected, displayed, placed or maintained upon or within this tract, EXCEPT signs to advertise the sale, hire or lease of this tract or the principal activities conducted on this land.

The grantor reserves rights to use the abutting state property for highway purposes and excludes from this grant any rights to air, light, view and visibility over and across the abutting state property. The Grantee is hereby advised that due to present or future construction on the adjacent highway including but not limited to excavation, embankment, structures, poles, signs, walls, fences and all other activities related to highway construction or which may be permitted within the Highway Right of Way that air, light, view and visibility may be restricted or obstructed on the above property.

Junkyards, as defined in 23 United States Code, Section 136, shall not be established or maintained on the above described tracts of lands.

Together with and subject to any and all easements, rights of way and restrictions appearing of record or enforceable in law and equity.

Reserving Easement unto grantor a 10.00' wide perpetual easement along the north boundary line of said above described tract for the purpose of constructing and maintaining thereon public utilities and appurtenant parts thereof including, but not limited to ATMS Fiber Optic conduit, electrical service transmission lines, culinary and closed irrigation water facilities; and highway appurtenances including, but not limited to, slopes, street lighting facilities and traffic information signs. The easement includes the right to maintain and continue existence of said cut and/or fill slopes in the same grade and slope ratio as constructed by UDOT. The easement shall run with the real property and shall be binding upon the Grantor, and the Grantor's successors, heirs and assigns, and includes and conveys all rights of grantor to change the vertical distance or grade of said cut and/or fill slopes.
