Estimated Cost of Improvements

The total estimated cost of the improvements is \$18,705.21 per year. Each property in the district will pay approximately \$0.42 per year per linear foot of property frontage abutting a public street. Properties along curved streets and cul-de-sacs shall be assessed at a standard frontage of 70 linear feet. The actual amount of the assessment may change from year to year depending on the cost of the electrical power. The City of Orem has no control over electrical power costs. The total estimated cost of the improvements includes an administrative overhead cost of fifteen percent (15%) of the amount of the frontage assessment. The administrative overhead cost goes toward the City of Orem's administrative, publication, mailing and recording costs in creating and servicing the district.

Levy of Assessment

The City of Orem proposes to levy assessments on properties in the district to pay all of the cost of the improvements according to the benefits to be derived by the property. Assessments shall be paid in ten (10) annual installments. Interest shall be charged on unpaid installments from the payment due date at the rate of 10%. Assessments shall be treated as a lien against the property assessed.

Filing Protests

Protests to the proposed district shall be filed with the Orem City Recorder at 56 North State Street, Orem, Utah, on or before May 23rd at 5:00 p.m. Protests shall be in writing, shall give the address of the affected property, the linear feet of street frontage of the affected property, and shall be signed by the owner of the affected property.

Public Hearing

The Orem City Council shall hold a public hearing on May 24th at 6:30 p.m. at the City Council Chambers at 56 North State Street, Orem, Utah. The City Council will consider the written protests at the public hearing and will hear comments regarding the proposed district.

Protests Required to Defeat District

The City Council will not create the district if protests representing one-half (1/2) of the front footage of property to be assessed are properly and timely filed. The City Council will disregard protests from properties removed from the district and will disregard protests that are withdrawn prior to or at the public hearing.

Action

At the conclusion of the public hearing, the City Council will adopt a resolution either abandoning or creating the district.

Publication and Mailing

This Notice will be published in the Orem-Geneva Times on April 20, April 27, May 4, and May 11. In compliance with State requirements, individual copies of this Notice were mailed:

- (1) addressed to each owner of property to be assessed within the district at the last known address of the owner using the last completed real property assessment roll; and
- (2) addressed to "owner" at the street number of each piece of property to be assessed.
