NOTICE OF PUBLIC INFRASTRUCTURE DISTRICT

Notice is hereby given that ROAM Public Infrastructure District No. 2 (the "District") was created with the boundaries described in the plats of the District recorded herewith. The District may finance and repay infrastructure and other improvements through the levy of a property tax in a maximum amount of 0.006 per dollar of taxable value.

Under the maximum property tax rate of the District, **for every \$100,000 of taxable value**, there would be an **additional annual property tax of \$600** for the duration of the District's Bonds.

Such debt may be converted from limited tax debt to general obligation debt of the District if the principal amount of the related limited tax bond together with the principal amount of other related outstanding general obligation bonds of the District does not exceed 15% of the fair market value of taxable property in the District, determined by (i) an appraisal from an appraiser who is a member of the Appraisal Institute that is addressed to the public infrastructure district or a financial institution; or (ii) the most recent market value of the property from the Utah County Assessor.

A copy of the Governing Document for the District, is on file at the offices of Morgan County, Utah.

Dated this July 19, 2021.
