EASEMENT DEED

Perry Homes, Inc. to Tooele Associates Limited Partnership

THIS INSTRUMENT is entered into as of the 31 day of August, 2015, between **PERRY HOMES, INC.**, a Utah corporation ("Grantor"), whose address for purposes hereof is 17 E. Winchester St., Suite 200, Murray, UT 84107, and **TOOELE ASSOCIATES LIMITED PARTNERSHIP**, a Washington limited partnership ("Grantee"), whose address is 1982 N. Berra Blvd, Tooele, UT 84074. (Grantor and Grantee are referred to in this instrument collectively as the "Parties," and individually as a "Party.")

FOR THE SUM OF TEN DOLLARS (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Grantor hereby conveys and warrants to Grantee a temporary, non-exclusive, easement and right-of-way for vehicular and pedestrian ingress and egress over and across certain real property (the "Easement Area") located in Tooele County, Utah, described on the attached Exhibit "A", incorporated by this reference.

Such easement and right-of-way shall constitute a covenant running with the land, and shall benefit and be appurtenant to the adjacent real property (the "Benefited Property") owned by Grantee and located in Tooele County, Utah, and described on the attached Exhibit "B", incorporated by this reference.

1. Nature of Provisions and Purpose. For the purpose of the easement and right-of-way created by this instrument, the Benefited Property shall constitute the dominant estate, and the Easement Area shall constitute the subservient estate. Such easement and right-of-way shall: (a) create an equitable servitude on the Easement Area in favor of the Benefited Property; (b) constitute a covenant running with the land; (c) benefit and bind every person having any fee, leasehold, mortgage lien or other interest in any portion of the property concerned; (d) benefit and bind any person whose title is acquired by judicial foreclosure, trustee's sale, deed in lieu of foreclosure or other means and (e) is granted solely and exclusively to permit Grantee to access its adjacent Benefited Property during any period of time that a dedicated public right of way does not exist across the Easement Area to the Benefitted Property subject to termination as set forth below.

2. Additional Users. The easement and right-of-way granted to Grantee in this instrument are intended to create a property interest or right in Grantee, and Grantee may permit tenants, subtenants, partners, employees, agents, contractors, invitees, licensees and other visitors with respect to the Benefited Property to use and enjoy such easement and right-of-way.

3. Term, Termination and Right of Grantor to Designate Specific Location of Easement. The easement and right-of-way granted to Grantee hereunder shall be limited in scope to the use by Grantee of a 25 foot wide area across the Easement Area in a location designated in writing by Grantor from time to time and thereafter subject to relocation at the cost of Grantee at any time and from time to time upon written notice by Grantor to Grantee. The easement and right-of-way granted to Grantee hereunder shall automatically terminate as to any portion of the Easement Area where a final plat is recorded for purposes of developing any portion of the Easement Area. The easement and right of way granted to Grantee hereunder shall terminate permanently at the first to occur of (a), the final dedication of a public right-of-way of any size that crosses or transects the Easement Area and connects an already existing public right-of-way to the Benefitted Property, thus providing access over the Easement Area on an existing public right-of-way to the Benefitted Property or (b), the recordation of final plats that cover all of the Easement Area so long as the recorded final plats covering the Easement Area provides for at least one access over a public right-of-way to the Benefitted Property.

4. General Provisions. This instrument shall be governed by, and construed and interpreted in accordance with, the laws (excluding the choice of laws rules) of the State of Utah. This instrument shall inure to the benefit of, and be binding on, the Parties and their respective successors and assigns. Whenever possible, each provision of this instrument shall be interpreted in such manner as to be valid under applicable law; but, if any provision of this instrument shall be invalid or prohibited under applicable law, such provision shall be ineffective to the extent of such invalidity or prohibition without invalidating the remainder of such provision or the remaining provisions of this instrument.

5. Indemnification and Hold Harmless. Grantee shall indemnify, defend and hold harmless Grantor from any and all claims, damages, or liability arising from or associated with Grantee or Grantee's invitees use of the Easement and right of way granted hereunder.
