During temporary periods, Grantee may use such portion of the property along and immediately adjacent to said right-of-way as may be reasonably necessary in connection with the construction, maintenance, repair, removal or replacement of the facilities. Grantee shall repair all damage to the property caused by the exercise of its right to enter upon Grantor's property, including but not limited to, repair, restoration and/or replacement of any landscaping, trees, shrubbery, curbing, sidewalks, asphalt or other improvements to Grantor's property injured, destroyed or damaged by reason of the exercise of any of Grantee's rights hereunder.
