Section 1. Adoption of Project Area Plan. The Salem City Redevelopment Agency (the "Agency") has adopted the Project Area Plan entitled, "Salem North Community Development Project Area Plan," dated September 28, 2007 (the "Project Area Plan"). Beginning at a fence corner which lies East 1495.22 feet and North 914.61 feet, according to Utah Coordinate Bearings, Central Zone, from the West One Quarter Corner of Section 1, Township 9 South, Range 2 East, Salt Lake Base and Meridian; and running thence South 89°14'50" East 580.64 feet along an existing fence to a fence on the westerly line of State Road 198; thence North 23°02'16" East 387.85 feet along said fence; thence North 88°21'00" West 731.38 feet; thence South 0°12'00" West 370.35 feet to the point of beginning. A map of the Salem North Community Development Project Area is attached and incorporated herein as Exhibit "A".

Section 3. Purposes of Project Area Plan. The purposes and intent of the City Council of Salem City with respect to the Project Area are to accomplish the following purposes by adoption of the Project Area Plan:

- A. Promote and market the Project Area for development that will be complimentary to existing businesses and will enhance the economic health of the community through diversification of the City's tax base.
- B. Assist in the development of the Project Area if sound long-term economic activity can be increased thereby.

Section 4. Project Area Plan Incorporated by Reference. The Project Area Plan, together with any supporting documents, is incorporated herein by reference and made a part of this Ordinance. Copies of the Project Area Plan shall be filed and maintained in the office of the City Recorder and the Redevelopment Agency for public inspection.

The adoption of the Project Area Plan will:

- B. Provide a public benefit, as shown by the benefit analysis included in the Project Area Plan as required pursuant to Subsection 17C-4-103(11) of the Act;
- C. Be economically sound and feasible; it is expected that the private sector will perform required construction and installation relating to projects, and any related funding from the Agency will be by way of grants received by the Agency;
- D. Conform to Salem City's general plan, because the Plan provides that all development in the Project Area is to be in accordance with the City's zoning ordinances and requirements;
- E. Promote the public peace, health, safety and welfare of Salem City.

Section 6. Acquisition of Property. The Agency may acquire (but is not required to acquire) property in the Project Area by negotiation, gift, devise, exchange, purchase, or other lawful method, but not by **eminent domain (condemnation)** except from an Agency board member or officer with their consent. The Agency is authorized to acquire (but is not required to acquire) any other interest in real property in the Project Area less than fee title such as leasehold interests, easements, rights of way, etc. by negotiation, gift, devise, exchange, purchase or other lawful method, but not by **eminent domain (condemnation)** except from an Agency board member or officer with their consent.

Section 7. Financing.

A. Subject to any limitations required by currently existing law (unless a limitation is subsequently eliminated), this Ordinance hereby specifically incorporates all of the provisions of the Act that authorize or permit the Agency to receive funding for the Project Area and that authorize the various uses of such funding by the Agency, and to the extent greater (or more beneficial to the Agency) authorization for receipt of funding by the Agency or use thereof by the Agency is provided by any amendment of the Act or by any successor provision, law or act, those are also specifically incorporated herein. It is the intent of this Ordinance that the Agency

shall have the broadest authorization and permission for receipt of and use of sales tax, tax increment and other funding as is authorized by law, whether by existing or amended provisions of law. This Ordinance also incorporates the specific provisions relating to funding of community development project areas permitted by Title 17C, Chapter 4, Part 2, Utah Code Annotated, 1953, as amended, which provide in part as follows:

“17C-4-201. Consent of a taxing entity or public agency to an agency receiving tax increment or sales tax funds for community development project.

- (2) The consent of a taxing entity or public agency under Subsection (1) may be expressed in:
 - (a) a resolution adopted by the taxing entity or public agency; or

- (3) A school district may consent to an agency receiving tax increment from the school district's basic levy only to the extent that the school district also consents to the agency receiving tax increment from the school district's local levy.
- (4) (a) A resolution or interlocal agreement under this section may be amended from time to time.
- (b) Each amendment of a resolution or interlocal agreement shall be subject to and receive the benefits of the provisions of this part to the same extent as if the amendment were an original resolution or interlocal agreement.
- (5) A taxing entity's or public agency's consent to an agency receiving funds under this section is not subject to the requirements of Section 10-8-2.”

B. Except for grants, the particulars as to the amount and duration of funding for the Project Area shall be as provided for in the funding resolutions or interlocal agreements of taxing entities and public agencies, unless another method is provided by law that is more beneficial to the Agency.

Section 8. Effective Date. This Ordinance shall take effect upon its first publication or posting.
