BORROWER for Borrower's self, Borrower's heirs, executors, administrators, successors and assigns WARRANTS the property unto Trustee for the benefit of the Government against all lawful claims and demands whatsoever except any liens, encumbrances, easements, reservations, or conveyance specified hereinabove, and COVENANTS AND AGREES as follows:

(1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured holder, Borrower shall continue to make payments on the note to the Government as collection agent for the holder.

(2) To pay to the Government such fees and other charges as may now or hereafter be required by regulations of the Flanders Home Administration.

(3) If required by the Government, to make additional monthly payments of 1/12 of the estimated annual taxes, assessments, insurance premiums and other charges upon the mortgaged premises.

(4) Whether or not the note is insured by the Government, the Government may at any time pay any other amounts required herein to be paid by Borrower and not paid by Borrower when due, as well as any costs and expenses for the preservation, protection, or enforcement of this lien, as advances for the account of Borrower. All such advances shall bear interest at the rate borne by the note which has the highest interest rate.

(5) All advances by the Government as described in this instrument, with interest, shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payment made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government deems fit.

(6) To use the loan evidenced by the note solely for purposes authorized by the Government.

(7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government without demand receipt evidencing such payments.

(9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and hygienic manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals, except as may be necessary for ordinary domestic purposes.

(10) To comply with all laws, ordinances, and regulations affecting the property.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the tenancy and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default) including but not limited to costs of evidence of title, costs of survey of the property, costs of recording this and other instruments, attorneys' fees, trustee's fees, court costs, and expenses of advertising, selling, and conveying the property.

(12) Neither the property nor any portion thereof or interest therein shall be leased, subleased, sold, transferred, encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as beneficiary hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplemental agreement are being performed.

(14) The Government may extend and defer the maturity of and renew and reamortize the debt evidenced by the note or any indebtedness to the Government secured hereby, release from liability to the Government any party liable thereon, release portions of the property from and subordinate the lien hereof, and waive any other rights hereunder, without affecting the lien or priority hereof or the liability to the Government of Borrower or any other party for payment of the note or indebtedness secured hereby except as specified by the Government in writing.

(23) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling therein called "the dwelling," and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to do so by Borrower will after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex or national origin; and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex or national origin.

(24) If Borrower has a permit or approved application for the appropriation of water for the use of or for the benefit of the property hereinabove described, Borrower will perform and complete all the action and fulfill all the conditions necessary to perfect such water rights; and in the event of Borrower's failure to do so, the Government shall have the right to complete such action and to advance such sums as may be necessary for such purpose, such advances to be secured by this instrument.

(25) If the property, or any part thereof, is a lease or a purchaser's interest in a contract of sale, Borrower will pay when due all rents, contract payments and any and all other charges required by said lease or contract, will comply with all other requirements of said lease or contract, and will not surrender or relinquish, without the Government's written consent, any of Borrower's right, title and interest in or to the property or the lease or contract while this instrument remains in effect.

(26) Borrower has assigned or waived or will immediately, on request of the Government, assign or waive in favor of the Government all grazing privileges, permits, licenses, or leases appurtenant thereto used in connection with said land and Borrower further covenants and agrees to provide renewals thereof prior to their expiration, to pay all fees and charges and to perform all acts and to do all things necessary to keep and preserve all said grazing rights and renewals thereof, and in the event of the failure of Borrower to do any of these things the Government may do so on behalf of Borrower, including advancing such sums as may be necessary for this purpose, and such funds advanced shall be secured by this instrument.

(27) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its many regulations not inconsistent with the express provisions hereof.

(28) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, and addressed, unless and until some other address is designated in a notice so given, in the case of both Trustee and the Government to the Farmers Home Administration at the address stated above and in the case of Borrower to Borrower at the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).

(29) Upon full and final payment of all indebtedness hereby secured and the performance and discharge of every and every condition, agreement and obligation, contingent, or otherwise, contained herein or secured hereby, the Government shall request Trustee to execute and deliver to Borrower at Borrower's address a full reconveyance of the property within 60 days after written demand by Borrower, and Borrower hereby waives the benefits of all law requiring earlier execution or delivery of such reconveyance.

(30) If any provision of this instrument or application thereto to any person or circumstance is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable. This instrument also secures the obligations and covenants of Borrower set forth in Borrower's Loan Agreement of

December 20, 1979, which is hereby incorporated herein by reference.

WITNESS the hands and seals of Borrower this 20th day of December, 1979.
