CERTIFICATE ❖ OF ❖ DECISION

Whereas, the Planning Commission of the City of Logan did receive an application from Jason Laird for consideration of a .
Assigned docket number 03-126, the matter was brought to the City of Logan Planning Commission on November 13, 2003.

The Planning Commission held a duly noticed Public Hearing as required by Logan Municipal Code Titles 16 and 17. At the Hearing, the Commission considered the testimony both in favor and opposed to the proposal. The Commission did by majority vote conditionally approved the application.

A Record of Decision as issued by the Planning Commission is attached as Exhibit A and executed by the permit holder and the Director of Community Development and Ex-officio Executive Secretary of the City of Logan Planning Commission. If the Commission's action denied the application, the Record of Decision is executed solely by the Director of Community Development.

The subject property, 1394 West Valley Vista Drive, is more particularly described in the document attached as Exhibit B, Legal Description.

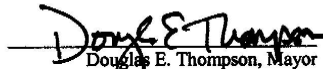

The Official Records of the Planning Commission are maintained in the Office of the Department of Community Development, City of Logan.

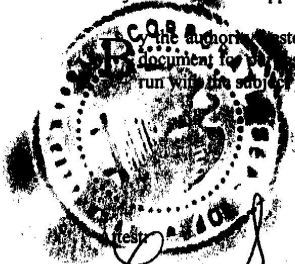

This decision runs with the land. If issued for a design review permit, conditional use permit, variance, or other construction permit, construction is required to commence within an established time frame set forth in Titles 16 and 17, Logan Municipal Code, that initiates with the action of the Planning Commission. Failure to initiate construction activities by establishing use or acquiring required building permits prior to the expiration date voids any approval or conditional approval. Abandoning or vacating a use or structure for a period of more than one year also voids this permit.

If the application was denied by action of the Planning Commission, the denial may only be reversed by an appeal overturning the Commission's action filed within an appropriate timeframe as established by Titles 16 and 17, Logan Municipal Code; or it may be subject to a different application submitted at a later time.

I, the authority vested in me as Mayor and Chief Executive of the City of Logan, I do hereby affix my signature upon this document for the purposes of granting from the City of Logan to Jason Laird, a permanent and recorded Certificate of Decision to run with the subject property in perpetuity.

By my hand this 22 day of JUNE, 2004

Douglas E. Thompson, Mayor
City of Logan, State of Utah

Lois Price

CONDITIONAL USE PERMIT

At its meeting of November 13, 2003, the City of Logan Planning Commission *conditionally approved* PC# 03-126, *Auto Bahn Performance & Repair at 1394 West Valley Vista Drive*, for a conditional use permit for vehicle repair on a 3,600 sq. ft. lot and associated common area in the Commercial General (CG) zone. The subject property is as described on the attached legal description.

This decision is based on compliance with the following conditions. These conditions are binding on the permit holder/subdivider and any subsequent purchaser of the property. If the property is rented or leased to another party, the record owner is still responsible for compliance with the conditions.

RECOMMENDED STANDARD CONDITIONS OF APPROVAL

1. Any representations by the proponent or agent at the Planning Commission hearing shall be incorporated into the final action as conditions of approval and shall be binding upon the proponent as modifications to the approved project.
2. No site development activities, including grading, clearing, or vegetation removal shall commence until an executed copy of the Record of Decision signed by the property owner has been filed with the City.
3. Failure to comply with any conditions of approval shall void the permit and require a new Planning Commission hearing.
4. All improvements shall be constructed in substantial conformance with the approved site plan.
5. The proponent is responsible to ensure that any construction is appropriately inspected by the **Building Inspection Division through timely scheduled inspections. Failure to obtain an inspection or to continue construction beyond points of inspection may result in an enforcement action by the Chief Building Official.** Such action may include and is not limited to:
 - a. Issuance of a stop work order;
 - b. Filing of a complaint with the State Department of Commerce against the contractor licenses; and/or
 - c. Requirements for inspection by x-ray or by removing any covering or demolition of construction occurring beyond the point of inspection.
6. The proponent shall ensure that the contractor has current copies of the approved plans and amendments to plans onsite at all times during construction.
7. All physical construction shall conform to the approved building plans.
8. The project shall not be used or occupied, by customer traffic, until a Certificate of Occupancy has been issued by the City.

9. Improvements shall meet the City of Logan requirements for quality, performance, or other requirements as established in the City of Logan "Public Works Standards and Specifications" as approved by the Director of Public Works.
10. No work shall be undertaken within the public right-of-way without a permit issued by the City of Logan for City right-of-way or Utah Department of Transportation for work within the State right-of-way.
Ent 865472 Bk 1305 Pg 1280
11. The subject property shall not be subdivided for purposes of sale, ground lease, or finance, without obtaining approval from the City through an appropriate application process. If a subdivision occurs without City approval a building permit will not be issued for this property until the situation is resolved. If the subdivision without City approval occurs after the permit has been issued the permit will be revoked.
12. All utilities shall be constructed and installed with the requirements of the City of Logan, or the public utility provided in effect at the time of construction, or as specified in the Development Agreement.
13. All streets, roads, and alleys shall be constructed to the standards of the City of Logan in effect at the time of construction, unless otherwise specified in the Development Agreement.
14. Existing irrigation water rights shall not be negatively impacted by this project.

RECOMMENDED 'SITE SPECIFIC' CONDITIONS OF APPROVAL

1. The proponent shall not park vehicles or store equipment outside after business hours.
2. The proponent shall have a minimum of 10 parking stalls. Two of the parking stalls may be in the existing garage bays, the proponent shall hard surface and stripe two additional parking stall and stripe the existing six parking stalls for a total of 10 on site parking stalls.
3. The conditional use permit shall not be issued until all conditions of the original subdivision have been completed and approved by the appropriate City Department.

RECOMMENDED FINDINGS FOR APPROVAL

1. The project revised and amended by the conditions of project approval to address the issues and concerns raised within the public and administrative records.
2. The project has been revised and amended by the conditions of project approval to conform to the requirements of Title 17 of the Logan Municipal Code, the City of Logan Public Works Standards and Specifications, and the requirements of various departments and agencies.
3. The project conforms to the requirements of Title 17 of the Logan Municipal Code.
4. The project is compatible with existing land uses and zoning.
5. The conditional use permit is issued in conformance with the requirements of Title 17 of the Logan Municipal Code.
6. The street providing access and other infrastructure to the subject property has adequate capacities, or a suitable level of service, for the proposed use.

The proposed use provides adequate off-street parking in conformance with Title 17 of the Logan Municipal Code with a shared parking agreement.

Some conditions are "ongoing." This means the holder/subdivider shall always be in compliance with the conditions. If you are unable to comply, you must return to the Planning Commission for consideration of an amendment to your approval. Failure to comply may result in an action by the City to revoke your permit.

The Planning Commission's action came on a motion by **Commissioner Gene Kartchner**, with a second by **Commissioner Gina Wickwar**. The motion passed by a vote of 4,1.

This action will expire **one year** from the date of the **November 13, 2003** Planning Commission's action if all conditions have not been met, unless an extension of time is requested and **approved in advance** of the expiration date. **The City does not send "reminder" notices or other notification of the pending expiration date.** The action to request an extension is the responsibility of the proponent.

Jay L. Nielson, AICP
Director of Community Development

We have reviewed the action of the Planning Commission and agree to the conditions and requirements of its action. We understand this project expires one year after the date of the Commission's action unless the Department of Community Development has issued a Building Permit. If an extension of time is required, we must submit our request prior to the expiration date from the Planning Commission action. The length of an extension of time is established in the Logan Municipal Code 17.58.020.
