TO HAVE AND TO HOLD the same unto its successors and assigns, so long as Grantee shall require with the right of ingress and egress to and from the Easement to maintain, operate, repair, inspect, protect, remove and replace the Facilities. During temporary periods, Grantee may use such portion of the property along and adjacent to the Easement as may be reasonably necessary in connection with construction, maintenance, repair, removal or replacement of the Facilities. Grantor(s) shall have the right to use the surface of the Easement except for the purposes for which this Easement is granted provided such use does not interfere with the Facilities or any other rights granted to Grantee by this Grant.

Grantor(s) shall not build or construct, nor permit to be built or constructed, any building or other improvement over or across the Easement, nor change the contour thereof, without

written consent of Grantee; provided, however, that nothing contained herein shall prohibit Grantor from building or constructing, or permitting to be built or constructed curb and gutter, sidewalks, pavement, landscaping or similar improvements over and across said right-of-way, so long as said improvements do not damage said facilities

This Grant shall be binding upon the successors and assigns of Grantor(s) and may be assigned in whole or in part by Grantee without further consideration.

It is hereby understood that any person(s) securing this Grant on behalf of Grantee are without authority to make any representations, covenants or agreements not expressed in this Grant.

WITNESS the execution hereof this 13 day of July, 2006.
