IRRIGATION LINE EASEMENT AGREEMENT

This IRRIGATION LINE EASEMENT AGREEMENT (this "Agreement") is made and entered into effective as of the 9th day of March, 2020, by and between IHC HEALTH SERVICES, INC., a Utah nonprofit corporation ("Grantor"), and KAYS CREEK IRRIGATION COMPANY, a Utah nonprofit corporation ("Grantee").

Background

- A. Grantor is the owner of that certain real property located in Davis County, Utah, more particularly described on Exhibit A (the "Grantor Property").
- B. Grantee desires to obtain and Grantor is willing to convey an easement through portions of the Grantor Property for the purposes more particularly described herein and subject to the terms and conditions of this Agreement.

Terms

- 1. Grant of Irrigation Line Easement. Grantor hereby conveys, without warranty, unto Grantee a non-exclusive easement (the "Easement") on, over, under and across those portions of the Grantor Property more particularly described on Exhibit B and depicted on Exhibit C (the "Easement Area"), for the sole purpose of constructing, installing, operating, inspecting, maintaining, repairing, and replacing an irrigation line and related improvements that serve the Grantor Property (collectively, the "Improvements").
- 2. Access. Grantee and its agents, servants, employees, consultants, contractors and subcontractors (collectively, "Grantee's Agents") will have the right to enter upon the Easement Area solely for the purposes permitted by this Agreement. Grantee will enter upon the Easement Area from existing roads at its sole risk and hazard, and Grantee and its successors and assigns, release Grantor from any and all claims relating to the condition of the Easement Area and the entry upon the Easement Area by Grantee and Grantee's Agents. Grantee and Grantee's Agents will enter onto the Easement Area at commercially reasonable times.
- 3. Reservation by Grantor. Notwithstanding anything to the contrary stated herein, Grantor reserves the right to use the Easement Area for any use not inconsistent with Grantee's permitted use of

the Easement Area. Without limiting the foregoing, Grantor may install and maintain landscaping, hardscaping, sidewalks, driveways, drainage and other improvements on the Easement Area (collectively, the "**Permitted Improvements**"). Except for the Permitted Improvements, Grantor agrees not to construct or erect any other improvements, buildings or structures on the Easement Area without obtaining Grantee's written consent, which will not be unreasonably withheld, conditioned or delayed. Grantor also reserves the right to grant additional rights, easements or encumbrances to other third parties to use or occupy the Easement Area or the surface of the Grantor Property above same.

4. Condition of Easement Area. Grantee accepts the Easement Area and all aspects thereof in their "AS IS," "WHERE IS" condition, without warranties, either express or implied, "WITH ALL FAULTS," including but not limited to both latent and patent defects, the existence of hazardous materials, if any, and any other easements, rights, or other encumbrances affecting the Easement Area. Grantee waives all warranties, express or implied, regarding the title, condition and use of the Easement Area, including, but not limited to any warranty of merchantability or fitness for a particular purpose.
5. Right to Relocate. Grantor may, at Grantor's sole cost and expense, relocate the Improvements and the Easement to any other location on the Grantor Property after providing Grantee with at least sixty (60) days' advance written notice describing the proposed location. Grantor will comply with Grantee's ordinances, rules and regulations and all applicable state laws and regulations when performing the relocation. Following the relocation, the parties agree to execute and record an amendment to this Agreement identifying the new Easement Area and releasing those portions of the Grantor Property no longer required for the Easement.
6. Maintenance and Restoration. Grantee, at its sole cost and expense, will promptly repair any damage to the Improvements, Grantor Property and Grantor's improvements located thereon (including, without limitation, any and all landscaping, trees, fences, water and/or irrigation pipes, lines and ditches, curbs, gutters, asphalt surfaces, fences, signs, lighting, buildings, Permitted Improvements, etc.) caused by Grantee or Grantee's Agents, and will restore the Improvements, Grantor Property and the improvements thereon to the same or better condition as they existed prior to any entry onto the Grantor Property by Grantee and Grantee's Agents within thirty (30) days of receiving written notice from Grantor describing the damage. Grantee's restoration responsibilities will also include, but not be limited to: (i) removal of all equipment or materials other than the Improvements which it has caused to be placed upon the Grantor Property; (ii) the filling in and repairing of all other portions of the Grantor Property which are damaged, rutted or otherwise disturbed as a result of Grantee's operations; and (iii) leaving the Grantor Property in a condition which is clean, free of debris and hazards which may be caused by Grantee's activities, and subject to neither, environmental hazards, nor liens caused by Grantee's activities.
7. Compliance with Laws. Grantee will comply with all present or future laws, statutes, codes, acts, ordinances, rules, regulations, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of and agreements with all governments, departments, commissions, boards, courts, authorities, agencies, officials and officers, foreseen or unforeseen, ordinary or extraordinary, including, without limitation, any building, zoning and land use laws.
8. Insurance. Prior to entering onto the Easement Area, Grantee will maintain, or will cause to be maintained, policies which, at a minimum, provide Grantor the protections set forth below. Additionally, Grantee will ensure that prior to entering onto the Easement Area or the Grantor Property, all of Grantee's Agents and other such parties who assist with the Improvements or use

of the Easement Area are either covered under the terms of Grantee's insurance policies, or that each obtain similar policies and which, at a minimum, provide Grantor the same protections. Such insurance may be carried under a "blanket" policy or "blanket" policies covering other properties of Grantee. Prior to any entry onto, or construction within, the Easement Area by Grantee, Grantor will have the right to approve Grantee's insurance and Grantee will (i) provide certificates to Grantor evidencing such insurance in a form acceptable to Grantor, and (ii) cause its consultants, contractors, and subcontractors to add Grantor as an additional insured.

- (a) A commercial general liability insurance policy insuring Grantee's interests against claims for personal injury, bodily injury, death, property damage occurring on, in or about the Easement Area and the ways immediately adjoining the Easement Area, with a "Combined Single Limit" covering personal injury liability, bodily injury liability and property damage liability of not less than Two Million Dollars (\$2,000,000.00). Licensor must be endorsed as an additional insured on such policy on ISO Form CG 20 10 (10/93) or its equivalent. The coverage set forth above will be primary coverage and will apply specifically to the Easement Area, activities on the Grantor Property, and adjacent areas;
 - (b) All Workers' Compensation and Employers' Liability Insurance required under applicable Workers' Compensation Acts and/or applicable law. In addition, Grantee will maintain Employers' Liability Insurance with a minimum limit of not less than Five Hundred Thousand Dollars (\$500,000.00); and
 - (c) Automobile Liability Insurance with a minimum limit of not less than Two Million Dollars (\$2,000,000.00) Combined Single Limit per accident, and coverage applying to "Any Auto."
9. Indemnification by Grantee. Grantee agrees to indemnify, save, defend (with counsel reasonably acceptable to Grantor) and hold harmless Grantor, and any entity controlling, controlled by, or under control with Grantor, and its and their Affiliates' officers, directors, employees, managers, members, agents and servants ("**Affiliates**") from and against any and all liens, encumbrances, costs, demands, claims, judgments, and/or damage that may be incurred by Grantor or its Affiliates as a result of any liabilities, damages, judgments, costs, expenses, penalties, and/or injuries to persons or property caused by or arising out of, either directly or indirectly, (i) the use of the Easement Area by Grantee and/or Grantee's Agents; (ii) any entry onto the Easement Area and/or the Grantor Property by Grantee and/or Grantee's Agents; and (iii) any work performed on the Easement Area by Grantee and/or Grantee's Agents, except to the extent caused solely by Grantor and/or its Affiliates' gross negligence or willful misconduct.
10. Liens. Grantee will keep the Easement Area and the Grantor Property free from any liens arising out of any work performed, materials furnished, or obligations incurred by, through, for, or under Grantee, and will indemnify, hold harmless and agree to defend Grantor from any liens that may be placed on the Easement Area and/or the Grantor Property pertaining to any work performed, materials furnished, or obligations incurred by, through, for, or under Grantee or any of Grantee's Agents. Any such liens will be released of record within thirty (30) days.
11. Environmental Matters. Grantee will not permit any contamination, dumping or other environmental waste to be left, stored, disposed, or released in or on the Easement Area or the Grantor Property. Additionally, Grantee will not create, exacerbate or cause any "Environmental Condition" (as defined below) on or about the Grantor Property or the Easement Area. For purposes of this Agreement, "**Environmental Condition**" means (a) contamination or pollution of soil, air, surface or groundwater, (b) the disposal, placement, existence, presence or release or

threat of release of a "Hazardous Material" (as defined below) and the affects thereof, or (c) noncompliance with or violation of "Applicable Law" (as defined below) including, without limitation, any lack of required governmental permits or approvals.
