All such amounts are secured by this Deed of Trust and are deemed to be part of the Secured Indebtedness. So long as the aggregate outstanding amount of the Secured Indebtedness exceeds the above-referenced maximum secured principal amount, any payments or repayments of any portion of the Secured Indebtedness shall not be deemed to be applied against or to reduce the amount secured by this Deed of Trust.

### ARTICLE III ASSIGNMENT OF LEASES AND RENTS

**Section 3.01 Assignment of Leases and Rents.**

(a) Grantor hereby absolutely, presently, irrevocably, and unconditionally grants, bargains, sells, conveys, assigns, and transfers to Beneficiary all of Grantor's present and future right, title, interest, and estate in, to, and under all Leases and Rents, whether now owned or hereafter acquired, and the absolute, present, irrevocable, and unconditional right to receive, collect, and possess all Rents.

(b) This ARTICLE III constitutes an absolute, present, irrevocable, and unconditional assignment of Leases and Rents to Beneficiary and not merely a collateral assignment of, or the grant of a lien or security interest in or on, Leases and Rents. Such grant, assignment, and transfer shall not be construed to: (i) bind Beneficiary to the performance of any of the covenants, conditions, or provisions contained in any Lease or otherwise impose any obligation upon Beneficiary; or (ii) create, or operate to place or impose, any responsibility, obligation or liability upon Beneficiary for: (A) the control, care, maintenance, management, or repair of the Property; (B) any dangerous or defective condition of the Property, including, without limitation, the presence of any environmental contamination or conditions; (C) any waste committed on the Property by any Person; and/or (D) any negligence in the management, upkeep, repair, or control of the Property.

**Section 3.02 Revocable License.**

(a) Notwithstanding the grant, assignment, and transfer of Leases and Rents from Grantor to Beneficiary pursuant to Section 3.01, Beneficiary grants to Grantor a revocable license to collect and receive Rents as they become due, and to retain, use, and apply Rents to the payment of the Secured Obligations and to the costs and expenses incurred in connection with the operation and maintenance of the Property, and to exercise all rights as landlord under any Lease, in each case subject to the terms of this Deed of Trust and the other Loan Documents. After the occurrence and during the continuance of an Event of Default, Grantor shall collect and receive all such Rents as trustee for the benefit of Beneficiary.

(b) From and after the occurrence and during the continuance of any Event of Default:

(i) The revocable license granted to Grantor pursuant to Section 3.02(a) shall immediately and automatically, with or without notice from Beneficiary, cease and terminate and shall be void and of no further force or effect;

(ii) Beneficiary shall immediately and automatically be entitled to receive, collect, and possess all Rents (whether or not Beneficiary enters upon or takes control of the Property or has a receiver appointed for the Property or takes any other action), as hereinafter provided in this Deed of Trust;

(iii) Grantor shall, immediately upon written demand by Beneficiary, notify in writing all tenants under Leases that all Rents due thereunder from and after the date of such notice shall be paid to Beneficiary at its address set forth in this Deed of Trust, or at such other place as Beneficiary shall notify Grantor or the tenants in writing; and

(iv) Any portion of Rents then or thereafter received or held by Grantor shall be payable immediately upon written demand to Beneficiary for application by Beneficiary, at its option, to the payment of the Secured Indebtedness and/or expenses in connection with the operation and maintenance of the Property.

(c) It is agreed that, if the Event of Default that gave rise to the termination of the revocable license pursuant to Section 3.02(a) is cured, then the revocable license granted pursuant to Section 3.02(a) shall be reinstated for so long as no other Event of Default shall occur and be continuing, subject to the provisions of this Section 3.02.

(d) Notwithstanding the license granted to Grantor, upon the occurrence and during the continuance of an Event of Default, Grantor agrees that, at Beneficiary's sole option from time to time, Beneficiary, and not Grantor, shall be deemed to be the creditor of each tenant under each Lease in respect of any and all assignments for the benefit of creditors and bankruptcy, reorganization, insolvency, dissolution, or receivership proceedings affecting each tenant, with an option to apply in accordance with the Loan Documents any money received from such tenant in reduction of any amounts due under the Loan Documents. In each such case, Beneficiary shall be obligated to file or make timely filings of claims in such proceedings and to otherwise pursue creditor's rights in such proceedings.

**Section 3.03 Certain Rights of Beneficiary.** From and after any revocation of the license granted pursuant to Section 3.02(a), Beneficiary shall, at its option and in addition to its other rights and remedies provided in this Deed of Trust and the other Loan Documents and/or at law or in equity, have the immediate and continuing right, power, and authority, either personally or by agent without bringing any foreclosure or other action or proceeding, or by a receiver appointed by a court and without the necessity of taking possession of the Property in its own name, and without the need for any other authorization or action by Grantor or Beneficiary, to take any or all of the following actions:

- (a) Notify any tenant or other person that Leases have been assigned to Beneficiary and that all Rents are to be paid directly to Beneficiary.
- (b) Settle, compromise, release, extend the time of payment for, and make allowances, adjustments, and discounts of, any Rents or other obligations in, to, and under Leases.
- (c) Lease all or any part of the Property and/or modify, amend, renew, or terminate any Leases.
- (d) Perform any and all obligations of Grantor under Leases and exercise any and all rights of Grantor therein contained to the full extent of Grantor's rights and obligations thereunder.

#### ARTICLE IV SECURITY AGREEMENT AND FIXTURE FILING

**Section 4.01 Security Agreement.** This Deed of Trust shall also constitute a security agreement and fixture filing within the meaning of the UCC with respect to all of Grantor's present and future estate, right, title, and interest in, to, and under the Fixtures and Equipment and any portion of the Property that is not real property (the "**Personal Property**"). Grantor hereby grants to Beneficiary a security interest in and to the Personal Property and the Fixtures and Equipment and every component thereof, and hereby transfers and assigns to Beneficiary all of Grantor's present and future estate, right, title, and interest in, to, and under the Personal Property and the Fixtures and Equipment and every component thereof, to secure the due and punctual payment and performance of all of the Secured Obligations as and when the same become due and payable, whether at the stated maturity, by acceleration, or otherwise. With respect to the Fixtures and Equipment, upon the occurrence and during the continuance of an Event of Default, Beneficiary shall also have the right: (a) to proceed against the Fixtures and Equipment in accordance with Beneficiary's rights and remedies with respect to the Land, in which event the provisions of the UCC shall not govern the default and Beneficiary's remedies; or (b) to proceed against the Fixtures and Equipment separately from the Land in accordance with the UCC. If Beneficiary elects to proceed under the UCC, then ten (10) days' notice of sale of the Personal Property and/or the Fixtures and Equipment shall be deemed reasonable notice and the reasonable expenses of retaking, holding, preparing for sale, selling, and the like incurred by Beneficiary shall include, but not be limited to, all fees of any loan servicer and reasonable attorneys' fees and expenses. At Beneficiary's request, Grantor shall assemble the Personal Property and make it available to Beneficiary at a place designated by Beneficiary which is reasonably convenient to both parties. Grantor hereby authorizes Beneficiary to file financing and continuation statements under the UCC in such filing offices as may be necessary, advisable, or required by law to create, establish, perfect, preserve, and protect the security interest hereunder.

**Section 4.02 Fixture Filing.** To the extent permitted under applicable law, the filing or recording of this Deed of Trust is intended to and will constitute a fixture filing with respect to that portion of the Property which is or is to become Fixtures and Equipment. The "**Secured Party**" is Beneficiary and the "**Debtor**" is Grantor. The name, type of organization, jurisdiction of organization, and mailing addresses of the Secured Party and of the Debtor are set out in the preamble to this Deed of Trust. The land to which the Fixtures and Equipment are related is the Land, and Grantor is the record owner of the Land.

**Section 4.03 Other Security Agreement, Harmonization of Conflicts.** If Grantor has executed and delivered to Beneficiary one or more separate security agreements in connection with the Secured Indebtedness, such security agreements and the security interests created thereby are in addition to and not in substitution for this Deed of Trust and the liens and security interests created hereby, and this Deed of Trust shall be in addition to and not in substitution for such security agreements and security interests. In all cases, this Deed of Trust and the aforesaid security agreements shall be applied and enforced in harmony with and in conjunction with each so that Beneficiary realizes fully upon its rights and remedies in each and the liens and security interests created by each.

If conflicts exist among this Deed of Trust and such other security agreements, Beneficiary may elect which of such instruments govern with respect to each category of Property encumbered hereby and thereby.

## ARTICLE V REMEDIES

**Section 5.01 Remedies Following Event of Default.** Upon the occurrence and during the continuance of an Event of Default, in addition to any other rights, remedies, and powers that Beneficiary may have under the other Loan Documents or as provided by law, Beneficiary (either personally or by its agents, nominees, or attorneys) may immediately take such action, without notice or demand, as it deems advisable to protect and enforce the lien and security interest hereof and its rights hereunder, including without limitation, the following actions, each of which may be pursued in its own name or in the name of Grantor, concurrently or otherwise, at such time and in such manner as Beneficiary may determine in its sole discretion, without impairing or otherwise affecting the other rights, remedies, and powers of Beneficiary:

(a) Entry and Possession. (i) Enter upon and take possession of the Property, with or without the appointment of a Receiver or an application therefor; (ii) dispossess and exclude Grantor and its agents and servants wholly therefrom by summary proceedings or otherwise; (iii) take possession of all books, records, and accounts relating thereto; (iv) use, operate, manage, control, insure, maintain, repair, restore, improve, alter, and otherwise deal with all and every part of the Property and conduct the business thereat; (v) make, cancel, enforce, or modify Leases and obtain and evict tenants; (vi) demand, sue for, collect, and receive the rents, incomes, issues, and profits of the Property and apply the same, after payment of all charges and expenses (including the fees of any loan servicer and reasonable attorneys' fees and expenses), on account of the Secured Obligations; or (vii) require Grantor to transfer and assign to Beneficiary, in form satisfactory to Beneficiary, Grantor's interest as lessor in any Lease now or hereafter affecting the whole or any part of the Property, it being understood that in the event Grantor fails to render an assignment of Leases to Beneficiary this document shall, upon the occurrence of any Event of Default, serve as a de facto notice of such assignment to any interested party.

(b) Payment of Sums. (i) Pay any sums in any form or manner deemed expedient by Beneficiary to protect the lien and security interest of this Deed of Trust or to cure any Event of Default other than payment of principal of or interest on the Secured Indebtedness; (ii) make any payment hereby authorized to be made according to any bill, statement, or estimate furnished or procured from the appropriate public officer or the party claiming payment without inquiry into the accuracy or validity thereof, and the receipt of any such public officer or party in the hands of Beneficiary shall be conclusive evidence of the validity and amount of items so paid, in which event the amounts so paid, with interest thereon from the date of such payment at the Default Rate shall be added to and become a part of the Secured Indebtedness and be immediately due and payable to Beneficiary; and (iii) Beneficiary shall be subrogated to any encumbrance, lien, claim, or demand, and to all the rights and securities for the payment thereof, paid or discharged with the principal sum secured hereby or by Beneficiary under the provisions hereof, and any such subrogation rights shall be additional and cumulative security to this instrument.

(c) Acceleration. Declare the entire Secured Indebtedness immediately due, payable, and collectible, regardless of maturity, and, in that event, the entire Secured Indebtedness shall become immediately due, payable, and collectible; and thereupon Beneficiary may institute proceedings to foreclose this Deed of Trust, either by judicial action or by the exercise of the statutory power of sale, if permitted by applicable law, or to enforce its provisions or any of the indebtedness or obligations secured by this Deed of Trust.

(d) **Foreclosure Sale.** Institute a foreclosure action in accordance with the law of the state where the Property is located, or take any other action as may be allowed, at law or in equity, for the enforcement of the Secured Indebtedness and realization on the Property (or such part or parts thereof as Beneficiary may from time to time elect to foreclose upon) or any other security afforded by the Loan Documents. In the case of a judicial proceeding, Beneficiary may proceed to final judgment and execution for the amount owed as of the date of the judgment, together with all costs of suit, and interest on the judgment at the maximum rate permitted by law from the date of the judgment until paid. If Beneficiary is the purchaser at the foreclosure sale of the Property, in lieu of paying cash Beneficiary may make settlement for all or a portion of the purchase price by crediting the net sale proceeds (after deducting all costs and expenses of enforcing the Secured Obligations, including the fees of any loan servicer and reasonable attorneys' fees and expenses) against the Secured Obligations.

(e) **Other Rights.** Exercise any and all rights, remedies, and powers accruing to a Beneficiary under this Deed of Trust, the other Loan Documents, the UCC, or any other applicable law or available in equity.

**Section 5.02 Power of Sale.** Grantor hereby expressly grants to Beneficiary, to the extent permitted by law, the power of sale with respect to the Property. If (a) a "power of sale" or other non-judicial foreclosure is not permitted under the laws of the state in which the Property and Improvements are located as of the date of this Deed of Trust; and (b) after the date hereof a change occurs in applicable laws allowing a power of sale or other non-judicial proceedings for foreclosure and sale of the Property, then such a change in law shall apply to this Deed of Trust, and Beneficiary may exercise or institute such power of sale or non-judicial proceedings in the manner provided for under such modified law, provided that such application to this Deed of Trust is not prohibited under such modified law. To the extent permitted by law, Beneficiary may, with or without taking possession of the Property, after giving notice of the time, place, and terms of sale, together with a description of the Property to be sold in the manner required by law in the state where such Property is located, sell the Property (or such part or parts thereof as Beneficiary may from time to time elect to sell) at the location for public foreclosure sales in the county where the Property is located to the highest bidder for cash. If Property to be sold under this Deed of Trust is located in more than one county, publication of the notice of sale shall be made in all counties where the Property to be sold is located as prescribed by applicable law. The sale shall be held during the hours required by applicable law, or, if no law governs the time of sale, between the hours of 9:00 a.m. and 5:00 p.m. MST on the day designated for the exercise of the power of sale under this Deed of Trust or under applicable law. Beneficiary may bid at any sale under the terms of this Deed of Trust, may purchase the Property if Beneficiary is the highest bidder therefor, and in lieu of paying cash may make settlement for all or a portion of the purchase price by crediting the net sale proceeds (after deducting therefrom all costs and expenses including, without limitation, the costs and fees of any loan servicer and reasonable attorneys' fees and expenses) against the Secured Indebtedness.

**Section 5.03 Sale in Parcels.** In any action to foreclose this Deed of Trust, at the election of Beneficiary, the Property or any part thereof may be sold together or separately, in one sale or separate sales, in one parcel as an entirety, or in such parcels, manner, or order as Beneficiary in its sole discretion may elect, and one or more exercises of the rights and powers herein granted shall not extinguish or exhaust Beneficiary's rights and powers unless and until the entire Property is sold or the Secured Indebtedness is paid in full.

**Section 5.04 Receiver.** In any action to foreclose this Deed of Trust, or upon the occurrence and during the continuance of any Event of Default, Beneficiary may apply for the appointment of a receiver, trustee, liquidator, or conservator (a "*Receiver*") of the rents and profits of the Property, or both, without notice, and shall be entitled to the appointment of such a Receiver as a matter of right, without consideration of the value of the Property as security for the amounts due Beneficiary, or the solvency of any person or entity liable for the payment of such amounts. Grantor hereby consents to such appointment and waives notice of any application therefor (except as may be required by applicable law).

**Section 5.05 Beneficiary's Right to Sue.** Beneficiary shall have the right from time to time to sue for any sums, whether interest, principal, or any installment of either or both, taxes, penalties, or any other sums required to be paid under the terms of this Deed of Trust, without regard to whether or not all of the Secured Indebtedness shall be due on demand and without prejudice to the right of Beneficiary thereafter to enforce any appropriate remedy against Grantor, including an action of foreclosure, or any other action, for a default or defaults by Grantor existing at the time such earlier action was commenced.

**Section 5.06 No Obligation to Marshal Assets.** In exercising its rights and remedies hereunder, Beneficiary shall have no obligation whatsoever to marshal assets, or to realize upon all of the Property. Beneficiary shall have the right to realize upon all or any part of the Property from time to time as Beneficiary deems appropriate. Grantor hereby waives any right to have any of the Property marshaled in connection with any sale or other exercise of Beneficiary's rights, remedies, and powers hereunder.

**Section 5.07 Remedies Cumulative.** The rights, powers, and remedies of Beneficiary granted and arising under this Deed of Trust and the other Loan Documents are separate, distinct and cumulative of other rights, powers, and remedies granted herein or therein and all other rights, powers, and remedies that Beneficiary may have at law or in equity, none of which are to the exclusion of the others and all of which are cumulative to the rights, powers, and remedies provided at law for the collection of indebtedness, enforcement of rights under mortgages and others forms of security instruments, and preservation of security. No act of Beneficiary shall be construed as an election to proceed under any one provision herein or under the Note, this Deed of Trust, or any other Loan Document to the exclusion of any other provision, or an election of remedies to the bar of any other remedy allowed at law or in equity, anything herein or otherwise to the contrary notwithstanding.

**Section 5.08 Discontinuance of Proceedings.** If Beneficiary commences the enforcement of any right, power, or remedy, whether afforded under this Deed of Trust or otherwise, and including without limitation foreclosure or entry upon the Property, and such enforcement is then discontinued or abandoned for any reason, or is determined adversely to Beneficiary, then and in every such case, Grantor and Beneficiary shall be restored to their former positions and rights hereunder, without waiver of any Event of Default and without novation, and all rights, powers, and remedies of Beneficiary shall continue as if no such enforcement had been commenced.

**Section 5.09 Expenses.** Grantor shall reimburse Beneficiary for all reasonable and actual costs, fees, and expenses (including reasonable expenses and fees of its servicers and counsel) incurred by Beneficiary in connection with the enforcement of Beneficiary's rights, powers, or remedies hereunder, thereunder, or available under applicable law or in equity, all of which sums are part of the Secured Indebtedness and are secured by this Deed of Trust. Grantor's statutory rights of reinstatement, if any, are expressly conditioned upon Grantor's payment of the foregoing and of all sums required under any applicable reinstatement statute and performance of all required acts thereunder and under this Deed of Trust.

**Section 5.10 Grantor as Tenant at Sufferance.** If Grantor or its successors, assigns, or tenants remain in possession of the Property after the Property is sold or transferred as provided above or after Beneficiary otherwise becomes entitled to possession of the Property, then Grantor and its successors, assigns, and tenants shall become tenants at sufferance of Beneficiary or the purchaser of the Property and shall either: (a) pay a reasonable rental for the use of the Property after the date of such sale, transfer, or possession; or (b) vacate the Property immediately upon the demand of Beneficiary or such purchaser. If Grantor or its successors, assigns, or tenants fails to vacate the Property as required under this paragraph, then Grantor and its successors, assigns, and tenants may be summarily dispossessed in accordance with the provisions of law applicable to tenants holding over.

**Section 5.11 Grantor's Waivers.** To the fullest extent permitted by law, Grantor, for Grantor and its successors and assigns, and for any and all persons ever claiming any interest in the Property, except as otherwise provided herein or in the other Loan Documents, hereby:

(a) Waives any and all rights which it may have to notice prior to seizure by Beneficiary of the Property or any part thereof under the provisions of this Deed of Trust, whether such seizure is by writ of possession or otherwise.

(b) Waives and renounces all right of homestead exemption in the Property and any other right to designate all or any portion of the Property as exempt from forced sale under any provision of the Constitution or laws of the United States, the state where the Land and Improvements are located, or any other state in the United States.

(c) Acknowledges the right to accelerate the Secured Indebtedness and the power given to Beneficiary to sell the Property by foreclosure without any notice other than such notice (if any) as is specifically required to be given hereunder or under applicable law and specifically and irrevocably waives presentment, demand for payment, protest, notice of dishonor, notice of protest or nonpayment, notice of intent to accelerate, notice of acceleration of maturity, and diligence in connection with the enforcement of the Secured Indebtedness or the taking of any action to collect sums owing under the Loan Documents.

(d) Waives the benefit of all laws now or subsequently in effect providing for: (i) any appraisal before sale of any portion of the Property; (ii) any extension of the time for the enforcement of the collection of the Secured Indebtedness or the creation or extension of a period of redemption from any sale made in collecting such debt; and (iii) exemption of the Property from attachment, levy, or sale under execution or exemption from civil process.

(e) Agrees not, at any time, to insist upon, plead, claim, or take the benefit or advantage of any law now or hereafter in effect providing for any appraisal, valuation, stay, exemption, extension, or redemption, or requiring foreclosure of this Deed of Trust before exercising any other remedy granted hereunder.

(f) Waives any right to retain possession of the Property during the continuation of an Event of Default and all rights of redemption from sale under any order or decree of full or partial foreclosure.

**Section 5.12 Right of Setoff.** In addition to any rights, remedies, or powers now or hereafter granted under applicable law, and not by way of limitation of any such rights, Beneficiary is hereby authorized by Grantor at any time or from time to time, without notice to Grantor, any other Obligor, or any other person, any such notice being hereby expressly waived, to set off any obligations or liabilities held by Beneficiary to or for the credit or the account of Grantor or any other Obligor against the Secured Indebtedness, the Non-Monetary Obligations, and any other obligations and liabilities of Grantor or any such Obligor to Beneficiary, including, but not limited to, all claims of any nature or description arising out of or connected with this Deed of Trust, the Note, or any other Loan Document, irrespective of whether or not Beneficiary has made any demand hereunder or has declared the Secured Indebtedness to be due and owing and although said obligations and liabilities, or any of them, may be contingent or not matured.

**Section 5.13 Right to Cure Violations.** If Grantor or Beneficiary receives notice of a current or pending violation of any applicable law, rule, regulation, ordinance, code, requirements, covenants, conditions, restrictions, orders, licenses, permits, or approvals related to the maintenance, repair, replacement, nuisance, or other condition of the Property or any Improvements or tangible property thereon (a "**Compliance Notice**") and (a) an Event of Default has occurred and is continuing; or (b) such violation in the reasonable good faith judgment of Beneficiary is likely to have a material adverse effect on its rights and remedies under this Deed of Trust or on the value of the Property, then Beneficiary and any person authorized by Beneficiary shall have the right, but not the obligation, to enter upon the Property at any reasonable time to repair, alter, replace, clean up, or perform any necessary or appropriate work or maintenance activities that, in Beneficiary's sole discretion, are necessary or advisable to comply with the requirements of the Compliance Notice and cure the alleged, possible, or pending violation.

Beneficiary shall have the right to remove any tangible property, motor vehicles, rubbish, stored materials, debris, refuse, trash, or other items on the Property and to dispose of the same as Beneficiary may determine in its sole discretion without being deemed guilty of trespass or theft of such items.

**Section 5.14 Application of Proceeds** The proceeds of the Property, together with any other sums that may be held by Beneficiary under this Deed of Trust, whether under the provisions of this ARTICLE V or otherwise, shall be applied in same manner as is provided for the application of proceeds pursuant to the Note.

## ARTICLE VI MISCELLANEOUS

### **Section 6.01 Amendments, Extensions, Modifications, and Further Assurances.**

(a) This Deed of Trust may not be amended, supplemented, or otherwise modified except in accordance with the Note. No amendment, supplement, or other modification of this Deed of Trust shall be effective unless it is in writing and executed by Grantor and Beneficiary.

(b) From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in this Deed of Trust or other Loan Document; (ii) execute, acknowledge, deliver, record, and file such further instruments and perform such further acts, and provide such further assurances as may be necessary, desirable, or proper, in Beneficiary's opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents, to protect the liens and security interests created by this Deed of Trust, or to confirm compliance with this Deed of Trust or other Loan Document.

### **Section 6.02 Counterparts; Entire Agreement.**

(a) This Deed of Trust and any amendments, waivers, consents, or supplements hereto may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Deed of Trust and the Loan Documents or any amendment, modification, or supplement thereto by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Deed of Trust and the Loan Documents.

(b) This Deed of Trust and the other Loan Documents constitute the entire contract of Grantor and Beneficiary with respect to the subject matter hereof and supersede all previous agreements and understandings, oral or written, with respect thereto.

**Section 6.03 Successors and Assigns.** This Deed of Trust may be assigned or transferred, in whole or in part, by Beneficiary to any person at any time without notice to or the consent of Grantor. Grantor may not assign or transfer this Deed of Trust or any of its rights hereunder without the prior written consent of Beneficiary. This Deed of Trust shall inure to the benefit of and be binding upon the parties hereto and their permitted assigns. The terms "Grantor" and "Beneficiary" shall include the legal representatives, heirs, executors, administrators, successors and permitted assigns of the parties hereto, and all those holding under either of them. The term "Beneficiary" shall include any payee of the Secured Indebtedness and any transferee or assignee thereof, whether by operation of law or otherwise.

**Section 6.04 No Merger.** In the event that Beneficiary's interest under this Deed of Trust and title to the Property or any estate therein shall become vested in the same person or entity, this Deed of Trust shall not merge in such title but shall continue as a valid lien on the Property for the amount secured hereby, unless expressly provided otherwise in writing executed by the person in whom such interests, title, and estate are vested.

**Section 6.05 Relationship of Parties.** The relationship of Beneficiary to Grantor is that of a creditor or lender to an obligor (inclusive of a person obligated on a supporting obligation) or debtor; and in furtherance thereof and in explanation thereof, Beneficiary has no fiduciary, trust, advisor, business consultant, guardian, representative, partnership, joint venture, or other similar relationship to or with Grantor and no such relationship shall be drawn or implied from this Deed of Trust or any of Beneficiary's actions or inactions hereunder or with respect hereto or from any prior relationship between the parties. Beneficiary has no obligation to Grantor or any other person relative to administration of the Secured Indebtedness or the Property, or any part or parts thereof.

**Section 6.06 Commercial Transaction.** The interest of Beneficiary under this Deed of Trust and the liability and obligation of Grantor for the payment and performance of the Secured Obligations arise from a commercial transaction.

**Section 6.07 Defined Terms; Rules of Construction.** The rules of construction set forth in the Note apply to this Deed of Trust and are incorporated herein, by specific reference as if such rules were fully set forth herein.

**Section 6.08 Joint and Several Liability.** If more than one party executes this Deed of Trust as a Grantor, the term "Grantor" means all parties signing, and each of them, and each agreement, obligation, Non-Monetary Obligations, and Secured Indebtedness of Grantor shall be and mean the several as well as joint undertaking of each of them.

**Section 6.09 Headings.** The headings of the various articles, sections, and subsections in this Deed of Trust are for reference only and shall not define, expand, or limit any of the terms or provision hereof.

**Section 6.10 Severability.** If any term or provision of this Deed of Trust is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Deed of Trust or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon any determination that any term or other provision hereof is invalid, illegal, or unenforceable, Grantor and Beneficiary shall negotiate in good faith to modify this Deed of Trust so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

**Section 6.11 Governing Law.** This Deed of Trust and any claim, controversy, dispute, or cause of action (whether in contract, equity, tort, or otherwise) based upon, arising out of, or relating to this Deed of Trust and the transactions contemplated hereby shall be governed by and construed in accordance with the laws of the State of Utah, without regard to principles of conflicts of law; provided, however, that any claim, controversy, dispute, or cause of action based upon, arising out of, or relating to the creation, perfection, priority, or enforcement of the lien and security interest of this Deed of Trust shall be governed by and construed in accordance with the laws of the state where the Land and Improvements are located, without regard to principles of conflicts of law. Grantor acknowledges that the Note and one or more of the other Loan Documents are governed and construed in accordance with the laws of the State of Utah, without regard to principles of conflicts of law.

**Section 6.12 Submission to Jurisdiction.**

(a) Subject to the Note, Grantor hereby irrevocably and unconditionally: (i) agrees that any legal action, suit, or proceeding arising out of or relating to this Deed of Trust may be brought in Utah state or federal court sitting in the State of Utah; and (ii) submits to the jurisdiction of any such court in any such action, suit, or proceeding. Final judgment against Grantor in any action, suit, or proceeding shall be conclusive and may be enforced in any other jurisdiction by suit on the judgment.

(b) Nothing in this Section 6.12 shall affect the right of Beneficiary to: (i) commence legal proceedings or otherwise sue Grantor in any other court having jurisdiction over Grantor; or (ii) serve process upon Grantor in any manner authorized by the laws of any such jurisdiction.

**Section 6.13 Waiver of Venue.** Grantor hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Deed of Trust or the Secured Obligations in any court referred to in Section 6.12 and the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

**Section 6.14 Waiver of Jury Trial.** GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE EXTENT PERMITTED BY LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY PROCEEDING DIRECTLY OR INDIRECTLY RELATING TO THIS DEED OF TRUST, THE OTHER LOAN DOCUMENTS, THE SECURED OBLIGATIONS, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, WHETHER BASED ON CONTRACT, EQUITY, TORT, OR ANY OTHER THEORY.

Any party may change its address for purposes of this Section 6.15 by giving written notice as provided in this Section 6.15. All notices and demands delivered by a party's attorney on a party's behalf shall be deemed to have been delivered by said party. Notices shall be valid only if served in the manner provided in this Section 6.15.

**Section 6.16 No Waiver; No Course of Dealing; No Invalidity.** No failure to exercise and no delay in exercising on the part of Beneficiary of any right, remedy, or power hereunder or rights, remedies, and powers otherwise provided by law or available in equity shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Event of Default or if any subsequent Event of Default occurs, nor shall any single or partial exercise of any right, remedy, or power hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, or power. No act or inaction of Beneficiary under this Deed of Trust shall be deemed to constitute or establish a "course of performance or dealing" that would require Beneficiary to so act or refrain from acting in any particular manner at a later time under similar or dissimilar circumstances. Wherever possible, each provision of this Deed of Trust shall be interpreted in such manner as to be effective and valid to the maximum extent allowed under applicable law.

**Section 6.17 Release of Lien.**

(a) Release on Satisfaction of Secured Obligations. If at any time during the period of this Deed of Trust the Secured Indebtedness has been paid and the Non-Monetary Obligations have been performed, no indebtedness remains outstanding under the Loan Documents, and Beneficiary has no further obligation under the Loan Documents to make any additional advances to Grantor, then Beneficiary will, upon written request of Grantor and at Grantor's cost and expense (including, without limitation, fees of any loan servicer and reasonable attorneys' fees and expenses), execute and deliver to Grantor a release, reconveyance, satisfaction, or cancellation (a "**Release**") of this Deed of Trust and such other documentation (including without limitation UCC-3 termination statements) as may be reasonably necessary to effectuate the release and termination of Beneficiary's liens and security interests on the Property.

(b) Compliance with Applicable Laws. The foregoing provisions relating to the release, reconveyance, satisfaction, or cancellation of this Deed of Trust shall not be deemed or construed to supersede any obligation of Beneficiary to cause the release, reconveyance, satisfaction, or cancellation of this Deed of Trust that may be addressed by applicable law of the state in which the Land and Improvements are located, and it is expressly declared to be the intention and agreement of Beneficiary to comply with the requirements of applicable law with respect to such obligation.

**Section 6.18 After-Acquired Property.** This Deed of Trust shall encumber, encompass, cover, and apply to and include any and all "after-acquired property" of Grantor located at, adjacent to or adjoining, or in any way associated with, the use or operation of Property, and such after-acquired property shall be a part of the Property. In furtherance of the foregoing, Grantor has given, granted, bargained, sold, and conveyed, and by these presents does give, grant, bargain, sell, and convey unto Beneficiary all of Grantor's right, title, and interest in and to said after-acquired property. The after-acquired property identified by Beneficiary from time to time may also be identified in a notice of extension filed in the real property records in which this Deed of Trust is recorded or in any other county in which the after-acquired property is located. Grantor agrees that Beneficiary has the absolute and irrevocable right and power, which right and power is coupled with an interest, to file one or more notices of

extension, and that all after-acquired property of Grantor identified by Beneficiary, whether through a notice of extension or otherwise, shall secure the due and punctual payment and performance of all of the Secured Indebtedness as and when the same becomes due and payable, with interest (including post-petition interest) thereon, and all renewals, extensions, renewals, rearrangements, modifications, replacements, amendments, and restatements or supplements thereof. This Section 7.18 is intended to be and is an "after-acquired property clause" and shall be construed in accordance with the provisions of applicable law of the state in which the Land and Improvements are located that authorizes or governs after-acquired property clauses in deeds of trust.

## ARTICLE VII TRUSTEE PROVISIONS

**Section 7.01 Trustee's Fees and Expenses.** Grantor shall pay all reasonable fees and expenses incurred by Trustee for legal counsel and other professional advisors in connection with Trustee's performance of its duties hereunder. Amounts incurred by Trustee shall be deemed a part of the Secured Indebtedness secured by this Deed of Trust and bear interest at the Default Rate if not paid in full within five (5) days after Trustee's written demand for payment. Trustee hereby waives any statutory fee or compensation for services rendered hereunder.

### **Section 7.02 Rights, Duties and Exculpation of Trustee.**

(a) Trustee, by acceptance of this Deed of Trust, covenants to perform and fulfill the trusts and duties herein created and conferred upon Trustee. Notwithstanding the foregoing, Trustee agrees not to execute any of the powers conferred upon Trustee hereunder, nor to take any action to protect or enforce Beneficiary's rights hereunder, nor to provide any interpretation of this Deed of Trust or any of the other Loan Documents without Beneficiary's prior written consent thereto in each instance. Trustee, however, has an affirmative duty to reasonably cooperate with Beneficiary to protect the Property and to enforce Beneficiary's rights hereunder, but Trustee shall not be obligated to institute or defend any suit in respect hereof or to perform any act which would involve Trustee in any expense or liability unless, in each case, properly indemnified to Trustee's reasonable satisfaction. Trustee also has no duty to see to any recording, filing, or registration of this Deed of Trust or any other instrument in addition or supplemental hereto, or to give any notice thereof, or to see to the payment of, or be under any duty in respect of, any tax or assessment or other governmental charge which may be levied or assessed on the Property or against Grantor, to see to the performance or observance by Grantor of any of the covenants and agreements contained herein. Trustee shall not be responsible for the sufficiency of the security purported to be created hereby and makes no representation or warranty in respect thereof or in respect of the rights of Beneficiary.

(b) With the approval of Beneficiary and subject to applicable law, Trustee shall have the right to: (i) perform any duty hereunder either directly or through one or more appointed agents and designees; and (ii) select and employ in furtherance of its duties, suitable agents and designees, including, without limitation, any accountants, engineers, attorneys, and other professional and non-professional consultants and contractors; (iii) receive reimbursement for expenses incurred in the performance of its duties, including reimbursement for the cost and expenses of the Trustee's agents and designees; and (iv) receive reasonable compensation for performing its duties as Trustee hereunder.

(c) All money received by Trustee with respect to the Secured Indebtedness and Secured Obligations shall, until used or applied as herein provided, be held in trust for the purposes for which they were received but need not be segregated in any manner from any other moneys (except to the extent required by applicable law), and Trustee shall have no liability for interest on any moneys received by Trustee hereunder.

(d) Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or by any agent or designee of Trustee, if selected with reasonable care, or otherwise responsible or accountable under any circumstances whatsoever (including Trustee's negligence), except for Trustee's gross negligence or willful misconduct. Trustee shall have no personal liability of any kind for: (i) debts under contracts entered into in performance of its duties (whether contracted for directly by Trustee or by its agents and designees); (ii) damages; and (iii) losses incurred by the Property.

(e) Trustee has the right to advice of counsel upon any matters arising hereunder and shall be fully protected in relying on the advice of counsel. Trustee has the right to rely on any instrument, document, or signature authorizing or supporting any action taken or proposed to be taken by Trustee, hereunder, believed by Trustee in good faith to be genuine. Trustee shall not be personally liable in case of entry upon the Property by Trustee, or anyone entering by virtue of the powers herein granted to Trustee, or for liability or damages incurred in the management or operation of the Property.

**Section 7.03 Resignation and Substitution of Trustee.**

(a) Trustee may resign at any time upon written note to Beneficiary delivered not less than thirty (30) days prior to the intended date of resignation. In the event of Trustee's death, resignation, refusal to act, disqualification, or other inability to act, or if Beneficiary shall deem it desirable to remove Trustee for any reason with or without cause, Beneficiary has the right, in its sole discretion, to select and appoint one or more successor trustees (who may be Beneficiary or an affiliate of Beneficiary if permitted by law), without application to court or compliance with any formality other than appointment and designation in writing by Beneficiary. Such designation need not be recorded or sent to the Borrower in order to be effective. If Beneficiary is a corporation or association and such appointment is executed on its behalf by an officer of such corporation or association, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the corporation or association.

(b) Any successor(s) appointed as Trustee shall, without further act, deed, or conveyance, become vested with all of the estates, properties, rights, powers, privileges, immunities, and duties herein conferred upon Trustee with like effect as if any such successor were originally named as trustee herein. Nevertheless, upon the written request of Beneficiary or of the successor as Trustee, the party ceasing to act as Trustee shall execute and deliver an instrument, in recordable form, transferring to such successor as Trustee, all of the estates, properties, rights, powers, privileges, immunities, and duties herein conferred upon Trustee and shall duly assign, transfer, and deliver to such successor, in trust, any of the property and money then held by the departing Trustee; provided, however, no such assignment shall be required for any successor to serve as Trustee hereunder.

**Section 7.04 Multiple Trustees.** If more than one Trustee is appointed hereunder at any one time, or from time to time, all rights granted to and all powers conferred upon Trustee hereunder may be exercised by any or all of such Trustees, independently or jointly. Action exercised by one Trustee shall be deemed valid and binding on all Trustees.
