RENAISSANCE LODGING ASSOCIATES, LTD., a Utah limited partnership (hereinafter referred to as the "Grantee"):

**WITNESSETH:**

That for and in consideration of the sum of Ten Dollars (\$10.00), receipt whereof is hereby acknowledged, the Grantor does, by this Deed, grant and convey unto the Grantee to have and to hold fee simple title, together with all and singular, the hereditaments and appurtenances thereunto belonging or in anywise appertaining, in and to the land and premises, situated in Salt Lake City, Utah and more particularly described in Exhibit "A" which is attached hereto and incorporated herein by this reference ("Property").

AND, the Grantor covenants that it will warrant specially the Property hereby conveyed against all claiming by through or under it and none other, subject to the exceptions to title set forth in Exhibit "B" attached hereto, provided, however, that this Deed is made and executed upon and is subject to certain express conditions and covenants, said conditions and covenants being a part of the consideration for the Property hereby conveyed and are to be taken and construed as running with the land and upon the continued observance of which and each of which the continued existence of the estate hereby granted shall depend, and the Grantee hereby binds itself and its successors, assigns, grantees, and lessees to these covenants and conditions which covenants and conditions are as follows:

**FIRST:** The Grantee shall devote the Property hereby conveyed only to, and in accordance with the uses specified in the Plan and the Amended and Restated Development Agreement between Grantor and Renaissance Associates, Ltd. dated August 11, 1994, as amended by an amendment dated on or about the date hereof ("Development Agreement") and

the Declaration of Covenants, Conditions, Restrictions and Easements between Grantor and Renaissance Associates, Ltd., dated August 11, 1994, as amended by an amendment dated on or about the date hereof ("Covenants"). Capitalized terms in this Deed, except as otherwise defined in this Deed, shall have the meanings as set forth in the Development Agreement.

**SECOND:** The Grantee shall pay real estate taxes or assessments on the Property hereby conveyed or any part thereof, when due, and shall not place thereon any encumbrance or lien other than for temporary and permanent financing of construction of the Developer Improvements on the Property hereby conveyed except as provided for in the Development Agreement and except such financing lien(s) in favor of Grantor, and shall not suffer any levy or attachment to be made or any other encumbrance or lien to attach until the Grantee has obtained a Certificate of Completion that all building construction and other physical improvements specified to be done and made by the Grantee have been completed in accordance with the Development Agreement.

**THIRD:** The Grantee shall commence promptly the construction of the Developer Improvements on the Property hereby conveyed in accordance with the Development Agreement and shall prosecute diligently the construction of said Developer Improvements to completion in accordance with the Development Agreement.

**FOURTH:** The Grantee shall have no power to convey the Property hereby conveyed or any part thereof without the prior written consent of the Grantor except to a mortgagee or trustee under a mortgage or deed of trust permitted by the Development Agreement and, except as security for obtaining financing permitted by the Development Agreement.

**FIFTH:** The Grantee agrees for itself and any successor in interest not to discriminate or segregate any person or group of persons on the basis of race, creed, color, religion, sex, marital status, age, disability, ancestry or national origin in the sale, lease, rental, sublease, transfer, use, occupancy, tenure or enjoyment of the Property hereby conveyed or any part thereof or of any Developer Improvements erected or to be erected thereon or any part thereof. Neither shall the Developer itself nor any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees or vendees in the Property or any improvements erected or to be erected thereon, or any part thereof.

**SIXTH:** The Grantee further agrees for itself and any successor in interest that it shall not obtain any grants, financing, subsidy or other inducement that would require it to discriminate against or limit any person from using the Property conveyed by this Deed on account of income or source of payment.

The covenants and agreements contained in covenants numbered **FIRST** shall terminate on December 31, 2015. The covenants and agreements contained in covenants numbered **SECOND**, **THIRD**, and **FOURTH** shall terminate on the date the Grantor issues the Certificate of Completion as provided in the Development Agreement except only that the termination of the covenant numbered **SECOND** shall in no way be construed to release the Grantee from its obligation to pay real estate taxes or assessments on the Property hereby conveyed or any part thereof. The covenants numbered **FIFTH** and **SIXTH** shall remain in effect without any limitation as to time.

In case of the breach or violation of any one of the covenants numbered **SECOND**, **THIRD** and **FOURTH** at any time prior to the time the Grantor issues the Certificate of Completion, and in case such breach or such violation shall not be cured, ended or remedied within 30 days after written demand by the Grantor so to do with respect to the covenants numbered **SECOND**, **THIRD** and **FOURTH**, or any further extension thereof that may be granted by the Grantor in its sole discretion, then all estate conveyed under this Deed, shall cease and terminate, and title in fee simple to the same shall revert to and become revested in the Grantor, or its successor or assigns, and such title shall be revested fully and completely in it, and the said Grantor, its successors or assigns, shall be entitled to and may of right enter upon and take possession of the Property, provided that any such revesting of title to the Grantor:

(1) Shall always be subject to and limited by, and shall not defeat, render invalid or limit in any way:

- (i) the lien of any mortgage or deed of trust permitted by this Deed; and
- (ii) any rights or interests provided in the Development Agreement for the protection of the trustees of any such deed of trust or the holders of any mortgage; and

(2) In the event that title to the said Property or part thereof shall revert in the Grantor in accordance with the provisions of this Deed, the Grantor shall, pursuant to its responsibilities under applicable law, use its

best efforts to resell the Property or part thereof, subject to such mortgage liens as hereinbefore set forth and provided, as soon and in such manner as the Grantor shall find feasible and consistent with the objectives of such law, to a qualified and responsible party or parties as determined by the Grantor, who will assume the obligation of making or completing the Developer Improvements or such other improvements in their stead as shall be satisfactory to the Grantor and in accordance with the uses specified for the Property or any part thereof in the Plan. Upon such resale of the Property, the proceeds thereof shall be applied:

First, to reimburse Grantor, on its own behalf, or on behalf of Salt Lake City, for all costs and expenses of Grantor incident to the sale and/or conveyance of the Property, or portions thereof, for all costs and expenses incurred by Grantor, including but not limited to salaries to personnel, in connection with the recapture, management and resale of the Property or portion thereof (but less any income derived by Grantor from the Property or portion thereof in connection with such management); all taxes, assessments, and water and sewer charges with respect to such Property or portion thereof; any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of Grantee, its permitted successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the improvements or any part

thereof on the Property or portion thereof; and any amounts otherwise owing Grantor by Grantee and its permitted successors or transferees; and

Second, to reimburse Grantee, its permitted successors or transferees, up to the amount equal to (1) the sum of the purchase price paid to Grantor by Grantee for the Property (or allocable to the portion thereof); (2) the costs incurred for the development of the Property or the portion thereof and for the improvements existing on the Property, or the portion thereof, at the time of the reentry and repossession, less (3) any gains or income withdrawn or made by Grantee from the Property or the portion thereof or the improvements thereon.

Any balance remaining after such reimbursements shall be retained by the Grantor.

The Grantor shall be deemed a beneficiary of covenants numbered FIRST through SIXTH, and such covenants shall run in favor of the Grantor for the entire period during which such covenants shall be in force and effect, without regard to whether the Grantor is or remains an owner of any land or interest therein to which such covenants relate. As such a beneficiary, the Grantor, in the event of any breach of any such covenant, shall have the right to exercise all the rights and remedies, and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach, to which beneficiaries of such covenant may be entitled.

Grantor hereby reserves the right to locate, relocate, configure or reconfigure the Common Area Parcels (as defined in the Covenants) on various areas of the Property for the purpose of benefitting the Property and adjacent property as provided in the Covenants.
