#### EASEMENT FOR PIPELINE

#### WITNESSETH:

whereas, the Grantee is desirous of obtaining from the County an easement to construct, and thereafter meintain and operate a pipeline within the right-of-way limits of the county roads, streets and highways herein referred to located within Weber County, Utah for the purpose of conveying sewage in the locations hereinafter described, and

WHEREAS, the County is willing to grant said easements under the terms and conditions hereinafter set forth,

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

#### 1. BESCRIPTION AND LOCATION OF PIPELINE.

The pipeline to be installed, the diameter of which shall not exceed fifty-four (54) inches, shall consist of reinforced concrete rubber gasket pipe, satisfactory to the County in all respects,

The locations of said easement within the highway rights-of-way of Weber County are particularly described and set forth in Exhibits "A", "B", "C" and "D" attached hereto and by reference thereto made a part of this document as though fully set forth and described herein.

The descriptions of pipeline locations are subject to such change or variations therefrom as may be required or approved by the County Surveyor at the time of construction.

#### 2. APPROVAL OF CONSTRUCTION.

The excavation of trench for said pipeline shall not be commenced by the Grantee until and after notice has been given by the Grantee, to said County Surveyor and a highway excavation permit obtained. Construction shall be carried forward to completion in the manner required by said County Surveyor.

## 3. PROTECTION OF TRAFFIC DURING CONSTRUCTION.

The Grantee shall so conduct its construction operation that there shall be no interference with or interruption of highway traffic. The Grantee shall conform to such instruction of the County Surveyor as may be given with respect to handling of traffic, and shall at all times maintain such watchmen, barricades, lights or such other measures for the protection of traffic as may be required to warn and safeguard the public against injury or damage during the operations of the Grantee in construction said pipeline.

# 4. RESTORATION OF EXISTING PAVEMENT.

The Grantee, shall replace, at its expense, any pavement removed or

damaged with the same type and depth of pavement as that which is adjoining, including the gravel base material. This pavement shall be constructed in conformity with the Standard Specifications and shall be subject to the inspection and approval of the County Surveyor. If weather conditions do not permit immediate placing of permanent pavement, a temporary pavement shall be placed until such time as weather conditions are favorable, at which time the temporary pavement shall be removed and replaced with a permanent pavement. If the gravel surface, gravel shoulders, or gravel surfaced approach roads become fouled with clay or other unsuitable material, such entire surfacing shall be removed and replaced with new gravel surfacing material. The repairs to pavement or surface, shall include pavements which might havebeen damaged with construction equipment. The County shall have the option of restoring said roadbed to its original condition in every part of said highway at the expense of the Grantee.

#### 5. DISPOSAL OF SURPLUS MATERIAL IN CLEANING UP HIGHWAY.

Upon completion of the work, all surplus material shall be removed from within the limits of the highway. The disturbed surface shall be cerefully graded to the lines and grades established. Any highway facilities such as signs, culverts, ets. disturbed or damaged during the progress of the work shall be properly restored to their original condition.

#### 6. MAINTENANCE OF PIPELINE BY GRANTEE.

The said pipeline shall at all times be maintained, repaired, renewed and operated by and at the expense of the Grantee in such a manner as shall most suitable protect the highway and the traffic thereon, and shall be subject to the approval of the County. The County reserves the right, without relieving the Grantee of its obligation hereunder, to reconstruct or to make such repairs to said pipeline as it may consider necessary in the event the Grantee shall fail so to do, upon notification by the County, and the Grantee hereby agrees to reimburse the County for the cost of such reconstruction or recairs.

#### 7. CROSSING OF PIPELINE IN EXPANSION OF HIGHWAY SYSTEM.

It is expressly understood and agreed by the parties hereto and as part of the consideration for this agreement that the County shall have the right to cross said pipeline at any point necessary in the future construction and expansion of the County Highway System provided that the County shall use due care and diligence in the protection of said pipeline in making such crossings.

#### 8. LIABILITY.

Any supervision or control exercised by the County, or on its behalf, shall in no way relieve the Grantee of any duty or responsibility to the general public, nor relieve said Grantee from any liability for loss, damage, or injury to persons or property sustained by reason of the installation, maintenance, repair or removal of the pipeline and its appurtenances, nor of Grantee's liability for damage to the highway; and the Grantee shall protect and indemnify and save harmless the County from any and all damages, claims or injuries that may occur by reason of the construction, maintenance, repair or removal of said pipeline by the Grantee, provided, however, that this agreement shall not constitute an admission of any liability as to any third party or give to any third party any greater or further right of cause of action, it being understood and agreed that neither the County nor the Grantee recognizes and liability for any acts of negligence, whether of omission or commission, of any of its agents, servants or employees.

#### 9. AGREEMENT NOT TO BE ASSIGNED.

The Grantee shall not assign this agreement or any interest therein without the written consent of the County.

#### 10. SUCCESSORS AND ASSIGNS.

All covenants and agreements hemein contained shall be binding upon all parties hereto, their successors and assigns.
