The foregoing are collectively referred to as the "**Personal Property**," and the Real Property and the Personal Property are collectively referred to as the "**Collateral**."

1.03 **Secured Obligation.** This Trust Deed is given for the purpose of securing (a) the payment and performance of each and every agreement, obligation, liability, indebtedness, and undertaking of Trustor and Borrower (including without limitation the obligation to pay principal, interest and other fees and charges, the "**Loan**") in connection with or in any manner relating to a Promissory Note of even or recent date herewith in the original principal amount of \$2,700,000 (as amended from time to time, the "**Promissory Note**" or "**Note**"), together with all amendments, modifications, extensions, and renewals thereof, whether presently existing or hereafter made; (a) the payment and performance by Trustor of each agreement, obligation, liability, indebtedness, and undertaking contained in this Trust Deed; (b) the payment of all sums expended or advanced by Trustee or Beneficiary pursuant to the terms of this Trust Deed, together with interest thereon at the rate prescribed in the Promissory Note; and (c) the payment of such additional loans or extensions of credit as hereafter may be made by Beneficiary to Trustor, or its successors or assigns, when evidenced by a loan agreement, promissory note, or other written agreement reciting that such loans are secured by this Trust Deed. The obligations, liabilities, indebtedness, and undertakings referred to in the foregoing clauses (a) through (c) are referred to, collectively, as the "**Secured Obligation**".

ARTICLE 2: REPRESENTATIONS, WARRANTIES, AND COVENANTS OF TRUSTOR

2.01 **Construction of Improvements.** If Trustor undertakes the construction, remodeling, refurbishing, or rehabilitation of any improvements on the Real Property, Trustor agrees to diligently pursue the same to completion in a good and workmanlike manner and in accordance with all applicable laws, rules, regulations, building codes, and other requirements of any governmental agency or instrumentality having jurisdiction over the Real Property for the construction of any improvements thereon.

2.02 **Preservation and Protection of the Collateral.** To preserve and protect the Collateral and Beneficiary's security interest therein, Trustor hereby agrees and covenants as follows:

A. **Real Property.** Trustor shall keep and maintain the Real Property in good condition and repair. Trustor shall not remove or demolish any building, structure, or other improvement on the Real Property, and shall complete or restore promptly and in good and workmanlike manner any Improvement which may be lost, damaged or destroyed without regard to the adequacy of any insurance covering such loss. Trustor shall comply with all laws, rules,

regulations, covenants, and restrictions which may now or hereafter affect the Real Property or its use and enjoyment, and shall not commit or permit any waste thereof.

B. **Personal Property.** Trustor shall keep and maintain any tangible Personal Property in good condition and repair and shall not remove the same from the Property without Beneficiary's prior written consent; provided, however, if no Event of Default has occurred or is continuing, Trustor may remove items of Personal Property in the normal and ordinary course of its business where such removed items do not, individually or in the aggregate, constitute a material portion of the Personal Property.

2.03 **Insurance.** Trustor shall obtain and maintain insurance on all tangible Collateral in such amount, with such deductibles, and insuring against such risks and perils as is customary for persons owning and using similar types of Property and as otherwise reasonably required by Beneficiary. All policies shall contain a provision that such policies will not be canceled, terminated, or materially amended or altered without at least thirty (30) days prior written notice to Beneficiary. Trustor shall deliver to Beneficiary a copy of the original of each of the policies of insurance that Trustor is required to obtain and maintain, or cause to be provided and maintained, under this Trust Deed.

2.04 **Losses and Claims Covered by Insurance.** In the event of any loss, damage, or casualty that is covered by insurance, Trustor shall give immediate notice to Beneficiary and the insurer. If Trustor fails to give such notice, or at any time that an Event of Default is continuing, Beneficiary may make proof of loss on any insurance policy, and may settle and adjust all claims thereunder. Provided (a) no Event of Default has occurred and is continuing; (b) the amount of any insurance proceeds (plus any other funds committed by Trustor and delivered to Beneficiary or otherwise made available, as determined by Beneficiary in its sole discretion) are sufficient to restore and repair fully any damage or destruction to the insured Property to the same or better condition prior to such destruction; (c) any restoration or repair can be completed prior to the maturity date of the Secured Obligation; (d) Trustor provides evidence satisfactory to Beneficiary that any lease of the Real Property will not be terminated prior to the time all restorations and repairs shall be completed; and (e) Trustor provides evidence satisfactory to Beneficiary that Trustor can satisfy any payment obligations on the Secured Obligation during the period of any restoration or repair, then in such event Trustor may use the insurance proceeds to restore and repair any damage to the insured Property; provided, however, Beneficiary may, in its discretion, receive such insurance proceeds and control the disbursement thereof in accordance with the procedures in the Loan Documents for the disbursement of loan proceeds, if any, or such other procedures of Beneficiary with respect to the disbursement of funds on construction loans. If any of the conditions described in clauses (a) through (e) in the preceding sentence have not been met to the satisfaction of Beneficiary, Beneficiary may, in its discretion, use or permit the use of any insurance proceeds to make partial restoration or repairs or to apply the same against the Secured Obligation.

2.05 **Taxes and Impositions.** Trustor shall pay, prior to delinquency, all taxes, assessments (general and special), and ground rents affecting, assessed against, or otherwise related to the Real Property,

2.06 **Defense of Title; Discharge of Liens; Subordination/Release.**

A. Trustor represents and warrants to Beneficiary that Trustor is the owner of good and marketable fee title to the Collateral free and clear of any lien, claim, or encumbrance (collectively, "Liens") except the Lien granted to Beneficiary in this Trust Deed and such permitted encumbrances as have been approved by Beneficiary ("**Permitted Encumbrances**"). Trustor shall not create or grant, or cause or allow by operation of law, any other Lien with respect to the Collateral other than the Lien granted herein to Beneficiary and the Permitted Encumbrances, even if such other Liens may be junior or subordinate to the Lien of Beneficiary, without the prior consent of Beneficiary, subject to the provisions of subsection B hereunder. Trustor shall promptly pay, remove, and discharge any Lien against the Collateral other than the Permitted Encumbrances, whether or not the same may have priority over the Lien of Beneficiary. Trustor shall promptly give notice to Beneficiary of the assertion of any Lien against the Collateral, or any litigation or proceeding pertaining thereto. Trustor shall appear in and defend any action or proceeding purporting to affect the security hereof, the title to the Collateral, or the rights or powers of Beneficiary or Trustee; provided, however, should Beneficiary or Trustee elect to also appear in or defend any such action or proceeding, Trustor agrees to pay all costs and expenses incurred by Beneficiary or Trustee, including without limitation costs of evidence of title and reasonable attorney's fees.

B. Notwithstanding any other provision of this Trust Deed, however, Beneficiary shall, upon Trustor's request, in writing subordinate its rights under the Trust Deed in all or any portion of the Real Property to the interest of a third-party lender whose financing is reasonably required by Trustor to develop all or any portion of the Real Property, Farms Property (as described on **Exhibit B** attached hereto, the "**Farms Property**") Setauket Property (as described on **Exhibit C** attached hereto, the "**Setauket Property**"), as Trustor deems appropriate. Upon Trustor's notice to Beneficiary of the sale of a portion of the Real Property, Beneficiary shall immediately cause such portion of the Real Property to be released from the Trust Deed on or before such sale's closing.

2.07 **Performance in Trustor's Stead.** Should Trustor fail to make any payment or to do any act as required herein, then either Beneficiary or Trustee may, but without obligation so to do and following reasonable notice to or demand upon Trustor and without releasing Trustor from any obligation hereof make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof. Trustor agrees to pay immediately on demand all sums expended hereunder by Beneficiary or Trustee, with interest from date of expenditure at the default rate set forth in the Promissory Note and the repayment thereof shall be secured hereby.

2.08 **Restrictions on Transfers.** Except as provided in Section 2.06, Trustor shall not Transfer (as hereinafter defined) the Collateral or any part thereof without first obtaining the written consent of the Beneficiary. Any such Transfer, if the Beneficiary shall not so consent, shall constitute an Event of Default under the terms of this Trust Deed and the Note. As used herein, a "Transfer" means any voluntary or involuntary assignment, transfer, conveyance, pledge, encumbrance, hypothecation, sale, or disposition, or an agreement to assign, transfer, convey, pledge, encumber, hypothecate, sell, or dispose of, all or any part of the Collateral. If Trustor is not a natural person, a Transfer shall be deemed to have occurred if (a) Trustor assigns, sells, transfers, or conveys substantially all of its assets; or (b) Trustor enters into any

merger, consolidation, or similar reorganization where the resulting or surviving entity is not Trustor;

2.09 **Further Assurances.** Trustor shall promptly execute and deliver to Beneficiary such other documents and instruments as Beneficiary may reasonably request to further effect or perfect Beneficiary's security interest in the Collateral, including without limitation UCC-1 financing statements. Trustor shall do such other acts as Beneficiary may reasonably request to carry out more effectively the purposes of this Trust Deed and to subject any Property intended to be covered or intended to be covered by this Trust Deed to the Lien of Beneficiary created herein.

ARTICLE 3: MUTUAL COVENANTS AND AGREEMENTS

3.01 **Plats, Easements, and Reconveyances.** At any time and from time to time upon written request of Beneficiary, payment of its fees, and presentation of this Trust Deed and the Promissory Note for endorsement (in case of full reconveyance), without affecting the liability of any person for the payment of the Secured Obligation, Trustee may (a) consent to the making of any map or plat of the Property; (b) join in granting any easement or creating, any restriction thereon; (c) join in any subordination or other agreement affecting this Trust Deed or the lien or charge thereof; (d) reconvey, without warranty, all or any part of the Real Property. The grantee in any reconveyance may be described as "the person or persons entitled thereto," and the recitals therein of any matters or facts shall be conclusive proof of the truthfulness thereof. Trustor agrees to pay reasonable Trustee's fees for any of the services mentioned in this Section 3.02.

ARTICLE 4: ASSIGNMENT OF LEASES AND RENTS

4.01 **Assignment.** As additional security for the Secured Obligations, Trustor hereby assigns to Beneficiary all leases, subleases, rents, issues, profits, and income with respect to or in any manner arising from the Collateral or the use or enjoyment thereof, whether the same are presently existing or hereafter created or arising. The assignment granted herein shall be deemed an absolute assignment. Nevertheless, until Trustor shall default in the payment of any of the Secured Obligation or in the performance of any agreement or undertaking in this Trust Deed or any other Loan Document, Trustor shall have a revocable license to collect and use all such rents, issues, royalties, profits, and income which become payable, and have been collected, prior to such default. If Trustor shall default as aforesaid, Trustor's license to collect any of such moneys shall automatically cease and Beneficiary shall have the right to collect all such rents, royalties, issues, profits, and income. Beneficiary may enforce such right with or without taking possession of the Collateral, whether or not Beneficiary has commenced any foreclosure or similar proceedings, and without regard to the adequacy of any other Collateral to satisfy the Secured Obligations or the danger of any of the Collateral being lost, damaged, destroyed, or consumed. Beneficiary may endorse and deposit any check or other item evidencing payments received under this Section 4.01, either in its own name or that of Trustor. Failure or discontinuance of Beneficiary at any time or from time to time to collect any such moneys shall not in any manner affect the subsequent enforcement by Beneficiary of the right, power, and authority to collect the same. Nothing contained herein, nor the exercise of the right by Beneficiary to collect, shall be, or be construed to be, an affirmation by Beneficiary of any

tenancy, lease, or option, nor an assumption of liability under, nor a subordination of the lien or charge of this Security Instrument to any such tenancy, lease or option.

ARTICLE 5: EVENTS OF DEFAULTS; REMEDIES

5.01 **Events of Default.** The occurrence or existence of any of the following events or conditions constitutes an "Event of Default" under the terms of this Trust Deed:

A. The occurrence of an "Event of Default" as defined in the Note.

B. A default by Trustor in the performance of any other duty, obligation, covenant, or undertaking contained in this Trust Deed or in any other agreement between Trustor and Beneficiary, whether presently existing or hereafter arising, other than a matter constituting a separate and distinct event of default under this Trust Deed or the Loan Documents, and the continuance of the same without cure for a period of ninety (90) days after written notice by Beneficiary or Trustee, provided that, if cure cannot reasonably be completed within ninety (90) days, Trustor shall commence cure within ninety (90) days and diligently complete it.

5.02 **Remedies.** Upon the occurrence of an Event of Default hereunder, the entire Secured Obligation shall, at the option of Beneficiary, become immediately due and payable following written notice to Trustor, and Beneficiary shall have all remedies available at law or in equity. The failure on the part of Beneficiary to promptly enforce any right or pursue any remedy hereunder shall not operate as a waiver of such right or remedy; the waiver by Beneficiary of any default shall not constitute a waiver of such right or remedy; and the waiver by Beneficiary of any default shall not constitute a waiver of any other or subsequent default.

5.03 **Foreclosure or Exercise of Power of Sale.** Upon the occurrence of an Event of Default Beneficiary may elect to foreclose this Trust Deed as a mortgage or to exercise the power of sale granted herein. The initial election by Beneficiary to pursue a judicial foreclosure or trustee's sale shall not constitute an election of remedies or otherwise prevent Beneficiary from stopping or suspending the pursuit of a particular remedy and, instead, pursuing any other remedy. In pursuing any remedy, Beneficiary shall comply with, and be entitled to the benefits of, all applicable laws at the time such remedy is pursued, including, without limitation, those applicable to the exercise of the power of sale pursuant to the trust deed statutes then in effect; provided, however, if the trust deed statutes have been repealed or the remedies therein have been, in Beneficiary's opinion, curtailed, then Beneficiary may, if the statutes so permit, apply applicable law at the time this Trust Deed is executed.

5.04 **Foreclosure Expenses.** Trustor acknowledges that, as a result of any default hereunder, Trustee or Beneficiary may elect to obtain title or foreclosure reports, title policies in favor of purchasers at any foreclosure or trustee's sale, appraisals, environmental site assessments, engineering reports, the services of an attorney, and other professional services to determine the condition, status, and value of the Collateral or to assist it in any foreclosure proceeding or the exercise of the power of sale granted herein. Such costs and expenses are a foreseeable consequence of any Event of Default and the pursuit of Beneficiary's remedies as a result thereof, whether incurred in connection with a judicial foreclosure, trustee's sale, or deed-in-lieu of foreclosure. All costs and expenses incurred in connection therewith shall be secured

by this Trust Deed and Trustor agrees to reimburse Trustee or Beneficiary for the same upon demand.

5.05 Power of Sale. If Beneficiary exercises the power of sale granted herein and under the trust deed statutes of the state in which the Land is located, Trustee and/or Beneficiary shall follow the procedures required by law for the exercise of such power of sale. At the date, place and time designated for the trustee's sale, Trustee, without demand on Trustor, shall sell the Real Property either as a whole or in separate parcels, and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which such Property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale or, with the consent of Beneficiary, within a reasonable time thereafter. The person conducting the sale may for any cause he deems expedient, postpone the sale from time to time until it shall be completed in accordance with applicable law, and in every such case notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale or as otherwise required by law. Trustee shall execute and deliver to the purchaser its Trustee's Deed conveying the Property so sold, but without any covenant or warranty, express or implied. The recitals in the Trustee's Deed of any matters or fact shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale and purchase all or any part of the Real Property. Beneficiary may also sell any of the Personal Property at the trustee's sale in accordance with applicable law. Trustor hereby agrees that any notice of sale with respect to the Real Property may also include notice of sale of any Personal Property, and agrees that such notice shall be commercial reasonable in all respects and for all purposes, including those of the Uniform Commercial Code. Trustee shall apply the proceeds of the sale to the payment of (1) the costs and expenses of exercising the power of sale and of sale, including the payment of the reasonable Trustee's and attorney's fees and other costs and expenses actually incurred by the Trustee and the Beneficiary pursuant to Section 5.04 above; (2) the cost of any evidence of title procured in connection with such sale and revenue stamps on any Trustee's Deed; (3) all sums expended under the terms hereof, not then repaid, with accrued interest from date of expenditure as provided herein; (4) the Secured Obligations and all other sums then secured hereby; and (5) the remainder, if any, to the person or persons legally entitled thereto, or the Trustee, in its discretion, may deposit the balance of such proceeds with the County Clerk of the county in which the sale took place.

5.06 Successor Trustee. Beneficiary may appoint a successor trustee at any time by filing for record in the office of the County Recorder of each county in which the Real Property or some part thereof is situated, a substitution of trustee as required by law. From the time the substitution is filed for record, the new trustee shall succeed to all the powers, duties, authority and title of the trustee named herein or of any successor trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made, in the manner provided by law.

5.07 Security Agreement under Uniform Commercial Code. This Trust Deed is also intended to be a security agreement within the meaning of the Utah Uniform Commercial Code (the "UCC") with respect to the Personal Property and any other part of the Collateral which may be classified as Property subject to Article 9 of the UCC (collectively, the "UCC Property"), and Trustor hereby assigns and grants to Beneficiary a security interest in the UCC

Property. Beneficiary shall have all rights and remedies of a secured creditor with respect to the UCC Property as provided by law. Upon the occurrence of an Event of Default hereunder, Beneficiary shall be entitled to all of the benefits of, and may pursue any remedy with respect to, the UCC Property in accordance with the provisions of the UCC. Trustor agrees to cooperate with Beneficiary by assembling the UCC Property and make it available to Beneficiary at such place as Beneficiary may reasonably designate. Trustee and/or Beneficiary may sell any UCC Property at the time of, and in connection with, and foreclosure or trustee's sale of the Real Property.

5.08 **Financing Statement and Fixture Filing**. This Trust Deed is intended to be a financing statement and fixture filing pursuant to the UCC with respect to the UCC Property. A photocopy of this Trust Deed may be filed with the Utah Department of Commerce, Division of Corporations and Commercial Code, as a financing statement. By filing this Trust Deed with the county recorder in which the Property is located, this Trust Deed shall also constitute a fixture filing satisfying the requirements of the UCC. For the foregoing purposes, Trustor is the "debtor," Beneficiary is the "secured party," the addresses of each are as set forth at the beginning of this Trust Deed, the real Property upon which the UCC Property is located is the Property and Trustor is the owner thereof, and this Trust Deed is to be filed in the real estate records of the county in which the Property is located.

ARTICLE 6: GENERAL PROVISIONS

6.01 **Successors and Assigns**. This Trust Deed shall apply to, inure to the benefit of, and shall be binding on, Trustor, Trustee, and Beneficiary, and their respective heirs, legatees, devisees, administrators, executors, successors and assigns, subject, however, to the restrictions on assignment contained herein.

6.02 **Joint and Several Liability**. If more than one person is signing as Trustor, the term "Trustor" shall refer to such persons individually and joint, and all obligations and liabilities of such Trustors hereunder shall be joint and several.

6.03 **Acceptance by Trustee**. Trustee accepts the trust created by this Trust Deed when this Trust Deed has been duly executed, acknowledged, and made a public record as provided by law. Trustee is not obligated to notify any party hereto of any pending sale under any other deed of trust, mortgage, or security agreement, or of any action in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.

6.04 **Choice of Laws**. This Trust Deed shall be construed according to the laws of the State of Utah, without regard to conflict of laws principles.

6.05 **Request for Notice of Default**. Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to it at the following addresses:

Wohali Partners, LLC
1364 Cove Circle
North Salt Lake, UT 84054

Setauket Partners, LLC
1 Evans Lane
Setauket, NY 11733

Notice to both addresses is required to constitute valid notice.

Trustor may change the address to which notice shall be sent only by sending to Beneficiary, by certified or registered mail, return receipt requested, written notice requesting that notice be sent to a different address.

6.06 **Nonrecourse Obligation**. Notwithstanding anything to the contrary stated herein, Beneficiary agrees that for payment of the Note it will look solely to the Collateral or such other collateral, if any, it may now or hereafter be given to secure the payment of the Note, and no other assets of Trustor shall be subject to levy, execution or other enforcement procedure for the satisfaction of the remedies of Beneficiary, or for any payment required to be made under the Note.

6.07 **Counterparts**. This Trust Deed may be executed in counterparts, each of which will be considered an original.

6.08 **Trustor's Property Reversion Rights**. The following Property Reversion Rights were agreed to by Beneficiary and Trustor as a condition of purchase of the Real Property by Trustor from Beneficiary. They are also referenced in the Special Warranty Deed of the Real Property from Beneficiary to Trustor and in the Note.

A. **DEVELOPMENT OF PROPERTY REVERSION RIGHT**. If during the period between the Effective Date, and the second anniversary thereof (the "**Development Reversion Period**"), Trustor is dissatisfied with its ability to develop the Real Property in its sole discretion, after taking commercially reasonable efforts to develop the same, then upon written notice from Trustor to Beneficiary during the Reversion Period, Trustor shall convey, and Beneficiary shall accept, the Real Property by special warranty deed (the "**Development Reversion**"). In exchange for the conveyance of the Real Property, Beneficiary and Trustor shall terminate the Note and this Trust Deed. In such case, Beneficiary may retain the Earnest Money provided in connection with sale of the Real Property, and all payments made under the Note will be retained by Trustor. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Land) on the date the Real Property is conveyed to Beneficiary pursuant to this Section (the "**Development Reversion Adjustment Date**"). Prorations of taxes and assessments with respect to the Real Property shall be based upon the latest available tax information such that Trustor shall be responsible for all such taxes and assessments levied against the Real Property to the Development Reversion Adjustment Date and Beneficiary shall be responsible for all taxes, special taxes and assessments levied against the Real Property from and after the Development Reversion Adjustment Date. Such prorations shall be final.

Beneficiary and Trustor have entered into a Purchase and Sale Agreement ("**Farms PSA**") relating to the Farms Property, which sale has not closed as of the date of the Effective Date. In the event that Trustor exercises its Development Reversion pursuant to this Section, and the sale to Trustor of the Farms Property has not closed, Trustor may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Beneficiary under the Farms PSA. In the event that the Farms PSA has closed, Trustor may, at its option, exercise a Development Reversion as to the Farms Property on the same terms as the Development Reversion on the Real Property.

In the event that Trustor exercises its Development Reversion pursuant to this Section, but Beneficiary no longer exists, the then owner of the Cabin Property, as depicted on **Exhibit D** attached hereto (the "**Cabin Property**"), shall perform all of Beneficiary's obligations required under this Section. As of the Effective Date, a legal description for the Cabin Property has not been prepared. At such time as a legal description for the Cabin Property exists, Beneficiary and Trustor shall execute and record an amendment to this Trust Deed, providing such legal description.

B. **CONNECTING EASEMENT REVERSION RIGHT.** Inasmuch as the Farms Property is not contiguous to the Real Property and the Setauket Property and there is no recorded easement connecting these properties for access purposes, Beneficiary and Trustor have agreed that, before the second anniversary of the Effective Date, Beneficiary, at no cost to Trustor, shall cause a perpetual access easement running with the Real Property and in a form reasonably approved by Trustor to be granted and recorded in the official records of the appropriate Utah county(ies) recorder office(s) that grants to the current and all future owner(s) of all, or a portion of, the Real Property, Setauket Property, or the Farms Property the right for themselves and their designees to have vehicular access across third-party owned real property so that the Real Property, Setauket Property, and Farms Property are all connected for vehicular access purposes (the "**Connecting Easement Obligation**").

In the event Beneficiary is unable to perform the Connecting Easement Obligation before the second anniversary of the Effective Date, then upon written notice from Trustor to Beneficiary no later than 60 days after the second anniversary of the Effective Date, Trustor shall convey, and Beneficiary shall accept, the Real Property by special warranty deed (the "**Connecting Easement Reversion**"). In exchange for the conveyance of the Real Property, Beneficiary and Trustor shall terminate the Note and the Trust Deed. In such case, Beneficiary shall return the Earnest Money, and all payments made under the Note to Trustor. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Real Property) on the date the Real Property is conveyed to Beneficiary pursuant to this Section (the "**Connecting Easement Reversion Adjustment Date**"). Prorations of taxes and assessments with respect to the Real Property shall be based upon the latest available tax information such that Trustor shall be responsible for all such taxes and assessments levied against the Real Property to the Connecting Easement Reversion Adjustment Date and Beneficiary shall be responsible for all taxes, special taxes and assessments levied against the Real Property from and after the Connecting Easement Reversion Adjustment Date. Such prorations shall be final.

In the event that Trustor exercises its Connecting Easement Reversion pursuant to this Section, and the sale to Trustor of the Farms Property has not closed, Trustor may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Beneficiary under the Farms PSA. In the event that the Farms PSA has closed, Trustor may, at its option, exercise a Connecting Easement Reversion as to the Farms Property on the same terms as the Connecting Easement Reversion on the Real Property.

In the event that Trustor exercises its Connecting Easement Reversion pursuant to this Section, but Beneficiary no longer exists, the then owner of the Cabin Property shall perform all of Beneficiary's obligations required under this Section.

C. SURVEY REVERSION RIGHT. Inasmuch as Trustor was not able to obtain a survey on the Real Property prior to the Effective Date, Beneficiary and Trustor have agreed that, if Trustor determines, in its sole discretion, that the survey obtained by Trustor for the Real Property evidences a problem that would be difficult or expensive to resolve or would impair the value of the Real Property, then upon written notice from Trustor to Beneficiary no later than December 31, 2017, Trustor shall convey, and Beneficiary shall accept, the Real Property by special warranty deed (the "Survey Reversion"). In exchange for the conveyance of the Real Property, Beneficiary and Trustor shall terminate the Note and the Trust Deed. In such case, Beneficiary shall return the Earnest Money, and all payments made under the Note to Trustor. The Parties shall execute and deliver any and all conveyances, assignments and other documents as may be reasonably necessary to carry out the intent of this Section. Real estate, ad valorem, and personal Real Property taxes and other state, county and municipal taxes and special assessments shall be prorated as of 12:01 a.m. (local time at the Land) on the date the Real Property is conveyed to Beneficiary pursuant to this Section (the "Survey Reversion Adjustment Date"). Prorations of taxes and assessments with respect to the Real Property shall be based upon the latest available tax information such that Trustor shall be responsible for all such taxes and assessments levied against the Real Property to the Survey Reversion Adjustment Date and Beneficiary shall be responsible for all taxes, special taxes and assessments levied against the Real Property from and after the Survey Reversion Adjustment Date. Such prorations shall be final.

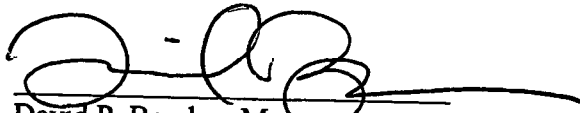

In the event that Trustor exercises its Survey Reversion pursuant to this Section, and the sale to Trustor of the Farms Property has not closed, Trustor may, at its option, terminate the Farms PSA and obtain a refund of any Earnest Money paid to Beneficiary under the Farms PSA. In the event that the Farms PSA has closed, Trustor may, at its option, exercise a Survey Reversion as to the Farms Property on the same terms as the Survey Reversion on the Real Property.

In the event that Trustor exercises its Survey Reversion pursuant to this Section, but Beneficiary no longer exists, the then owner of the Cabin Property shall perform all of Beneficiary's obligations required under this Section.
