ABSTRACT OF FINDINGS AND ORDER

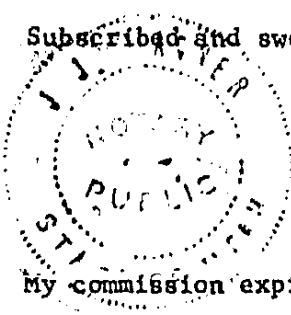

I, Mildred G. Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (414 City & County Building), and that on the 28th day of November, 1983, Case No. 9479 by Sam V. Souvail was heard by the Board. Mr. Souvail requested a variance on the property at 2335 Lakeline Drive to construct a deck addition to a single-family dwelling which would not maintain the required setback from Jerry Circle in a Residential "R-1" District, the legal description of said property being as follows:

Lot 41 in the Benchmark Subdivision.

It was moved, seconded and unanimously passed that the requested variance be denied, that the petitioner must post a bond to guarantee the removal of the deck, the amount and type to be determined by the City Attorney's office, and remove the deck on or before May 31, 1984.
