(3) Upon written request by the Association, Lessee shall pay to the Association all unpaid monthly Common Area Fees, special assessments, and specific assessments, as lawfully determined and made payable during and prior to the term of this Agreement and any other period of occupancy by Lessee; provided, however, Lessee need not make such payments to the Association in excess of or prior to the due dates for monthly rental payments unpaid at the time of the Association's request. All payments made to the Association shall reduce by the same amount Lessee's obligation to make monthly rental payments to Lessor under the Lease. If Lessee fails to comply with the Association's request to pay Common Area Fees, Lessee shall pay to the Association all late or delinquent charges, fines, interest, and costs of collection, including, but not limited to, reasonable attorney's fees actually incurred, to the same extent Lessee would be required to make such payments to the Association if Lessee were the owner of the Unit during the term of this Agreement and any other period of occupancy by Lessee.

(4) Lessee's rights shall be subject to all rights of the Association and any bona fide mortgage or deed of trust given to secure debt which is now or may hereafter be placed upon the Unit by Lessor.

(c) Recovery of Attorney's Fees. The Committee may recover from the Owner and the Lessee all costs incurred in enforcing this Section, regardless of whether suit is filed, including reasonable attorneys fees.

(d) Lessee's Rights. Any Lessee charged with a violation of the Declaration, By-Laws, Rules and Regulations is entitled to the same rights to which the Owner of a Unit would be entitled.

(e) First Mortgagee's or Lender's Rights. Notwithstanding anything to the contrary herein contained, the provisions of this Section shall not apply to impair the rights of any Mortgagee to:

(i) foreclose or take title to a Unit pursuant to remedies contained in any Mortgage;

(ii) take a deed or assignment in lieu of foreclosure, or

(iii) sell, lease, or otherwise dispose of a Unit acquired by the Mortgagee.

9. Condition and Maintenance of Units and Limited Common Areas. Each Unit shall be maintained by the Owner thereof so as not to detract from the appearance of the Project and so as not to affect adversely the value or use of any other Unit or other portions of the Project. Each Unit Owner shall keep his or her Unit, Limited Common Areas, patio, porch, balcony, deck, or private yard area, if any, in a clean and orderly condition, free of clutter and debris, but shall not otherwise be obligated to maintain or replace the same.

10. Liability of Owners and Occupants For Damages. Any Owner or Occupant shall be liable to the Association or other Owners or Occupants for damages to person or property caused by his or her negligence.

11. Encroachments. In the event that any portion of the Common Area, a Limited Common Area, a Unit, or a Building encroaches or comes to encroach on other Common Area or Limited Common Area, or another Unit as a result of construction, reconstruction, repair, shifting, settling, or movement, an easement for such encroachment is created hereby and shall exist so long as such encroachment exists.

12. Status and General Authority of Committee. Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated in subparagraphs (a) through (j) below, constitute a legal entity capable of dealing in its Committee name. The Management Committee shall have, and is hereby granted, the following authority and powers:

(a) To Enter. The power and authority to enter into or upon any Unit to make repairs and to do other work reasonably necessary for the proper maintenance and operation of the Project.

(b) Grant Easements. The authority, without the vote or consent of the Unit Owners, Mortgagees, insurers or guarantors of Mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and through the Common Areas for utilities, roads,

and other purposes reasonably necessary or useful for the proper maintenance and operation of the Project.

(c) Execute Documents. The authority to execute and record, on behalf of all the Unit Owners, any amendment to the Declaration or Record of Survey Map which has been approved by the vote or consent necessary to authorize such amendment.

(d) Standing. The power to sue and be sued.

(e) Enter Into Contracts. The authority to enter into contracts which in any way concern the Project, so long as any vote or consent necessitated by the subject matter of the agreement has been obtained.

(f) Transfer Interests in Real Property. The power and authority to convey or transfer any interest in real property, so long as any vote or consent necessary under the circumstances has been obtained.

(g) To Purchase. The power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as such action has been authorized by any vote or consent which is necessary under the circumstances.

(h) To Add Property. The power and authority to add any real property, or interest therein, obtained pursuant to subparagraph (g) above to the Project, so long as such action has been authorized by the necessary vote or consent.

(i) Promulgate Rules. The authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with this Declaration.

(j) All Other Acts. The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its' functions on behalf of the Unit Owners.

13. Professional Management. Unless approval for self management is obtained pursuant hereto, the Committee shall delegate and carry out through a professional manager those of its functions which may be delegated. The professional manager so engaged shall be an independent contractor and not an employee. The nature, scope and extent of his or her agency and duties shall be set forth in a written management contract. The Manager shall be responsible for operating and managing the Project for the benefit of the Committee and the Unit Owners, and shall, to the extent permitted by law and by the terms of the Management Agreement with the Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. All management contracts shall not be for a term in excess of one year and shall provide that either party, with or without cause and without payment of any termination fee or being subject to any penalty, may terminate the contract upon at least sixty days written notice to the other party thereto. Anything to the

contrary notwithstanding, the Association or Committee may employ maintenance and clerical personnel as necessary to properly maintain and operate the Condominium.

14. Composition of Management Committee. The Committee shall be composed of five members. Any vacant seat on the Committee shall be filled with a member elected for a two year term. Any Committee member who fails on three successive occasions to attend Committee meetings (whether regular or special) or who has failed to attend at least sixty percent of all Committee meetings (whether regular or special) held during any twelve month period shall automatically forfeit his or her seat. In such cases, the remaining Committee members shall elect a replacement to sit on the Committee until the next meeting of the Association. Unless he or she forfeits or otherwise loses his or her seat as herein provided, a member shall serve on the Committee until his or her successor qualifies and is elected by the Association. Committee members shall not be compensated for their services but shall be reimbursed for all expenses reasonably incurred in connection with Committee business and approved by the Committee.

15. Committee officers and Agents. The Committee shall perform its functions through those members who are elected as officers by the Committee and through such agents or employees as the Committee may appoint. Any Committee officer, agent, or employee may at any time be removed with or without cause by the vote of a majority of the Committee members. The officers of the Committee, and their respective powers and functions, shall be as follows:

(a) President. The President shall be the chief executive of the Committee and shall exercise general supervision over the property and affairs of the Project. The President shall preside over all meetings of the Committee and of the Unit Owners and shall execute all instruments on behalf of the Committee, unless s/he chooses to delegate that authority to another Committee member.

(b) Vice-President. The Vice-President shall have all the powers of the President in the event of the latter's absence or inability to act.

(c) Secretary. The Secretary shall keep minutes of meetings of the Committee and of the Unit Owners and shall keep all records which are required or made necessary by the Act, this Declaration, or the Committee.

(d) Treasurer. The Treasurer shall have custody and control of the funds available to the Committee. The Treasurer shall cause to be prepared an annual financial statement for each fiscal year of Project operation. The offices of Secretary and Treasurer may be held by the same Committee member.

16. Committee Meetings. A regular meeting of the Committee shall be held immediately after the adjournment of each annual Owners meeting. Other regular meetings shall be held at periodic intervals at such time and place as the Committee may decide. No notice need be given of regular Committee meetings. Special Committee meetings shall be held whenever called by the President or by any two members of the

Committee. Reasonable effort shall be made to give either oral or written notice of a special meeting, to each Committee member at least twenty-four hours before the time fixed for the meeting. The propriety of holding any meeting which is attended by all Committee members may not be challenged on grounds of inadequate notice. A quorum for the transaction of business at any Committee meeting shall consist of a majority of all the members then in office.

17. Owners Meetings. The annual meeting of the Unit Owners shall be held on a date and at a time and place to be determined by the Management Committee. The place of meeting shall be at 875 Donner Way, Salt Lake City, Utah unless otherwise specified in the notice of meeting. At least ten but not more than thirty days before the date of the annual meeting, a written notice thereof shall be personally delivered or mailed postage prepaid to each person who appears as an Owner, at the latest address for such person appearing, in the notice shall state the time, place, and general purpose of the meeting.

Special meetings of the Owners may be called by the President, by any two members of the Committee, or by twenty-five percent of the undivided ownership interest in the Project. At least two but not more than thirty days before the date set for a special meeting, written notice thereof shall be given in the manner described in the immediately preceding Paragraph.

No notice of any Owners meeting shall be required if a waiver of such notice is signed by all of the Owners. Whenever all the Owners meet in person or by proxy such meeting may not be challenged on grounds of inadequate notice. The presence of fifty-one percent of the undivided ownership interest in the Project entitled to cast a vote shall constitute a quorum for the transaction of business at any Owner's meeting. If a quorum is not present at any Owners meeting, whether regular or special, the meeting may be adjourned and rescheduled for a time no earlier than forty-eight hours, and no later than thirty days, after the time set for the original meeting. The presence of thirty-three percent of the undivided ownership interest in the Project entitled to vote shall constitute a quorum at the rescheduled meeting. Notwithstanding the foregoing provisions of this Paragraph, however, in any case in which the Act or this Declaration requires the affirmative vote of a certain percentage of ownership interest for authorization or approval of a matter, their written consent, proxy or presence is required to constitute a quorum at any meeting (whether original or rescheduled) at which action on such matter is taken.

18. Voting -- Multiple Ownership. Only Owners of Units may vote. Unit votes shall be based upon the Unit's percentage of ownership interest. If there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine among themselves. A vote cast at any meeting by any of such Owners shall be conclusively presumed to be the vote attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. If such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

19. Lists of Unit Owners, Eligible Mortgagees, and Eligible Insurers or Guarantors. The Committee shall maintain up-to-date records showing: (i) the name of each person

who is an Owner, the address of such person, and the Unit which is owned by him or her; (ii) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity, and the Unit which is encumbered by the Mortgage held by such person or entity; and (iii) the name of each person or entity who is an Eligible Insurer or Guarantor, the address of such person or entity, and the Unit which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided fee interest in a Unit, either the transferor or transferee shall furnish the Committee with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah. The Committee may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it or, at its option, the Committee may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of Salt Lake County, Utah. The address of any Owner shall be deemed to be the address of the Unit owned by such person unless the Committee is otherwise advised.

20. Capital Improvements. Capital improvements to the Project which cost five percent (5%) of the approved annual operating expense budget or less may be authorized by the Management Committee alone. Capital improvements the cost of which will exceed such amount must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest. Any capital improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven percent of the undivided ownership interest.

21. Operation and Maintenance. The Management Committee shall pay for or provide for the payment of all utility services furnished to the Project which are not separately metered and billed to individual Units by the provider. The Committee shall provide for such maintenance and operation of the Common Areas and Limited Common Areas as may be reasonably necessary to make them usable, clean, functional, attractive, in good condition and repair, and to keep their appearance consistent with community standards.

22. Common Area Expenses. Each Unit Owner shall pay his or her Common Area expenses subject to the following:

(a) Purpose of Common Area Expenses. The Common Area Fees provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and occupants of Units, including the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Management Committee.

(b) Creation of Common Area Fees. There are hereby created Common Area Fees to pay for the common expenses as may be from time to time specifically authorized by the Management Committee. Each Owner of any Unit, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Common Area Fees assessed.

(c) Budget. Before the annual homeowners meeting each year, the Management Committee shall prepare a budget which shall set forth an itemization of the anticipated common expenses for the twelve month calendar year, commencing with the following January 1. The budget shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, which estimates shall include but are not limited to expenses of management, grounds maintenance, taxes and special assessments, premiums for all insurance which the Committee is required or permitted to maintain, common lighting and heating, water charges, trash collection, sewer service charges, carpeting, painting, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration.

(d) Apportionment. The total of such common expenses shall be apportioned among all the Units on the basis of their respective appurtenant percentages of undivided ownership interest in the Common Areas.

(e) Approval of Budget and Assessments. The proposed Budget and the Common Area Fees shall become effective unless disapproved at the annual meeting by a vote of at least a majority of the percentage of undivided ownership interest. Notwithstanding the foregoing, however, if the membership disapproves the proposed Budget and Common Area Fees or the Management Committee fails for any reason to establish the Budget and Common Area Fees for the succeeding year, then and until such time as a new Budget and new Common Area Fee schedule shall have been established, the Budget and the Common Area Fees in affect for the then current year shall continue for the succeeding year.

(f) Payment of Common Area Fees. Unless the obligation to pay Common Area Fees is otherwise accelerated, prior to the first day of each month, each Owner shall pay to the Committee as his or her share of the common expenses one-twelfth of the annual amount apportioned to his or her Unit.

(g) Owners Liable To Pay Common Area Fees. For purposes of this Section, the term "Owner" shall mean and refer to the Owner of the legal and equitable interest in the Unit, including but not limited to the vested Owner, the Owner of record, and both the Buyer and Seller under any land sales contract, uniform real estate contract, or other similar instrument who shall be jointly and severally liable to pay Common Area Fees.

(h) Equitable Changes. If the aggregate of all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Committee may from time to time effect an equitable change in the amount of said payments. Owners shall be given at least thirty days written notice of any changes.

(i) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Committee.

(j) Reserve Accounts. The Committee shall establish and maintain adequate reserve accounts to pay for unexpected operating expenses and capital improvements. The reserve accounts shall be funded out of regular Common Area Fees.

(k) Personal Obligation of Owner. Owners are jointly and severally liable to pay all Common Area Fees assessed, accrued interest, late fees and collection costs, including attorneys' fees. Provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Zeller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Common Area Fees which accrued prior to the acquisition of title.

(l) Acceleration. Common Area Fees shall be paid in the manner and on dates fixed by the Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Common Area Fee for delinquent Unit Owners. Unless the Committee elects to accelerate the entire annual Common Area Fee, the Fees shall be paid in equal monthly installments. If, however, the Common Area Fee is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the Committee, at its option and in its sole discretion, may elect to de-accelerate the obligation.

(m) Statement of Common Area Fees Due. Upon written request, the Committee shall furnish to any Owner a statement of Common Area Fees due, if any, on his or her Unit. Failure to provide the certificate within ten days after a written request, shall be deemed conclusive evidence that all Common Area Fees are paid current on the Unit. The Association may require the advance payment of a processing charge not to exceed Fifteen Dollars for the issuance of such certificate.

(n) Superiority of Common Area Fees. All Common Area Fees and liens created to secure the obligation to pay Common Area Fees are superior to any homestead exemptions to which an Owner may be entitled.

(o) Termination of Utility Service or Right to Use Amenities for Non-Payment. At the discretion of the Committee, the utility service to any Owner or occupant of any Unit paid for by Common Area Fees, or the right to use the recreational facilities or amenities, may be terminated if the Owner or occupant is in arrears on his or her obligation to pay Common Area Fees and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten days.

(p) Suspension of Right to Vote for Non-Payment. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended if the Owner is delinquent in the payment of his or her Common Area Fees, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten days.

23. Special Assessments. In addition to the other Common Area Fees authorized herein, the Association may levy special assessments in any year. So long as the special assessment does not exceed Five Hundred and 00/100s Dollars per Unit in any one fiscal year, the Committee may impose the special assessment. Any special assessment which would exceed this allocation shall be effective only if approved by at least fifty-one percent of the undivided ownership interest in the Common Areas. The Committee in its discretion may allow any special assessment to be paid in installments.

24. Specific Assessments. In addition to the Common Area Fees and special assessments, the Committee shall have the power specifically to assess the Owners of an individual Unit or Units on a particular floor pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section. The Committee may specifically assess Units or floors for the following expenses, except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(a) Benefit Only To Specific Unit or Floor. Expenses of the Association which benefit less than all of the Units or Floors may be specifically assessed equitably among all of the Units or Floors which are benefited according to the benefit received.

(b) Unequal or Disproportionate Benefit. Expenses of the Association which benefit all Units and Floors; but which do not provide an equal benefit to all, may be specifically assessed equitably among all Units or Floors according to the benefit received.

25. Collection of Common Area Fees. It is important that all Unit Owners pay their Common Area Fees in a timely manner.

(a) Procedure. In pursuing the collection of delinquent accounts, it is suggested that the Committee follow these guidelines and policies:

(1) Delinquent Fees. Any Common Area Fees which are not paid when due are delinquent and a lien attaches automatically, regardless of whether a notice is recorded.

(2) Late Fees. Any Common Area Fees delinquent for a period of more than ten days shall incur a late charge in an amount the Committee may from time to time determine.

(3) Notice of Delinquency. The Association shall give a notice of delinquency to any member who has not paid within twenty days following the due date.

(4) Notice of Lien. If the Common Area Fees are not paid within sixty days of the due date, a notice of lien covering the unpaid Fees, late charges, accrued interest, attorney's fees, the cost of a foreclosure report, and any other collection costs permitted by law shall be filed with the Salt Lake County Recorder. The lien provided for in

this Article shall be in favor of the Association and shall be for the benefit of all other Owners.

(5) Foreclosure of Lien and/or Collection Action. If the Common Area Fees remain unpaid after ninety days from the due date, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

(b) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

(c) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Common Area Fees provided for herein, including but not limited to the non-use of Common Areas, Recreational Facilities or the abandonment of the Unit.

(d) Duty to Pay Independent. No reduction or abatement of Common Area Fees shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or Committee under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Common Area Fees being a separate and independent covenant on the part of each Owner.

(e) Application of Payments. All payments shall be applied first to costs and attorney's fees, then to late charges, then interest, and finally to delinquent Common Area Fees.

(f) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Common Area Fees may be enforced by sale or foreclosure of the Unit Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Unit Owner shall pay: (a) the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, (b) reasonable attorney's fees, and (c) a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the Unit.

(g) Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. Owner hereby transfers in trust to the Trustee all of his or her right, title and interest in and to the real property for the purpose of securing his or her performance of the obligations set forth herein.

26. Liability of Management Committee and Professional Manager.

(a) Tort Liability. No member of the Management Committee or any professional manager employed by the Committee, their agents, representatives and employees (hereafter jointly referred to in this Section as "Committee") shall be liable to any Unit Owner or occupant, their guests or invitees for any and all damages, losses or claims arising out of or caused by mistake of judgment, nonfeasance, misfeasance, inexperience, oversight, negligence, or any other grounds, except for such member's willful misconduct, gross negligence or bad faith. The Unit Owners and occupants, their guests and invitees, hereby waive any such claims they may have against the members of the Committee, the Committee and the Association now or in the future, known or unknown, and release them from all liability therefore.

(b) Contract Liability. No member of the Committee shall be personally liable on any authorized contract or agreement entered into on behalf of the Association. The Unit Owners and occupants, their guests and invitees, hereby waive any such claims they may have against the members of the Committee now or in the future, known or unknown, and release them from all liability therefore.

(c) Indemnity. Each Unit Owner and occupant, their guests and invitees, hereby agree to and shall indemnify and hold harmless each member of the Committee, the Committee, and the Association from any and all loss, damage or liability he or she may suffer from claims arising out of the management, operation and maintenance of the Project.

(d) Limitation of Liability. The liability of any Unit Owner for damages or indemnity shall be limited to the total liability concerned multiplied by such Owner's undivided percentage of ownership interest in the Common Areas.

27. INSURANCE. The Management Committee or the Association shall at all times purchase, maintain in force, and pay the premiums for, if reasonably available, insurance satisfying the following requirements:

(a) Casualty Coverage. Blanket casualty insurance using the standard "Special" or "All-Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-Section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard condominium casualty

policy. This additional coverage may be added by the Committee as it deems necessary in its best judgment and in its sole discretion.

(b) Flood Coverage. If the property is or comes to be situated in an area having special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program ("NFIP"), or any successor program, a policy of flood insurance shall be maintained covering the property in an amount deemed appropriate, but not less than the lesser of: (1) the maximum limit of coverage available under NFIP for Insurable Property within a designated flood hazard area; or (2) one hundred percent (100%) of current replacement cost of the Insurable Property. Such policy shall be in a form which meets the criteria set forth in the most current Guidelines on the subject issued by the Federal Insurance Administrator.

(c) Liability Coverage. Liability insurance with limits of liability for bodily injury and property damage of not less than \$1,000,000.00 per any one occurrence, and \$2,000,000.00 aggregate. If possible, the policy should be written on the comprehensive form and shall include not-owned and hired automobile liability protection.

(d) Errors and Omissions Coverage. Directors and officers liability insurance also known as Errors and Omissions Coverage.

(e) Fidelity Coverage. A separate fidelity bond in a reasonable amount to be determined by the Management Committee to cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:

(1) Agents. Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.

(2) Amount of Coverage. The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgment, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the management agent, as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months aggregate assessments on all Condominium Units, plus reserve funds.

(3) Quality of Coverage. The bonds required shall meet the following additional requirement:

a) they shall name the Committee, the Owners Association, and the Property Manager as obligee;

b) if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a

defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense;

c) the premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and

d) the bonds shall provide that they may not be cancelled or substantially modified, including cancellation for nonpayment of premium, without at least ten days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, the VA, FHA and FNMA.

The following provisions shall apply to all insurance coverage:

1) The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "Association of Unit Owners of the CANYON CREST CONDOMINIUM PROJECT for the use and benefit of the individual CANYON CREST Unit Owners."

2) Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Unit Owners.

3) Beneficiary. In any policy covering the entire Project, each Unit Owner and each such Unit Owner's Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided ownership interest in the Common Areas and Facilities.

4) Certificate of Insurance. Evidence of insurance shall be issued to each Unit Owner and Mortgagee upon request.

5) Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be cancelled or substantially modified without at least ten days prior written notice to the Association and to each Mortgagee.

6) Miscellaneous Provisions. Each insurance policy shall contain at least the following additional items:

(a) Waiver of Subrogation. A waiver of the right of a subrogation against Unit Owners individually;

(b) Individual Neglect. A provision that the insurance is not prejudiced by any act or neglect of any individual Unit Owner; and

(c) Primary Insurance. The individual insurance policy of any Unit Owner is primary in the event the Unit Owner has other insurance covering the same loss.

7) Deductible. Each policy may contain a reasonable deductible and:

(a) Casualty Insurance. In the case of casualty insurance, the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost; and

(b) Payment of Deductible. The deductible shall be the responsibility of and shall be paid by the party who would be liable for the loss, damage, claim or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's loss bears to the total. Provided, however, if the loss is caused by an act of god or nature, or by an element beyond the control of the Committee, the Association or the Owner, then the Owner shall be responsible for and shall pay the deductible.

8) Individual Insurance. By virtue of taking title to a Unit subject to the terms of this Declaration, each Owner covenants and agrees with all other Owners and with the Association to purchase and maintain that casualty and liability insurance necessary and reasonable to protect his or her Unit, personal belongings, furniture, furnishings and effects. Form 6, its successor, or its substantial equivalent is recommended for Unit Owners and Form 4, its successor, or its substantial equivalent is recommended for Non-Owner Occupants. Each Owner must provide the Association or Committee with a Certificate of Insurance and a notice of any change or termination of Owner's insurance. No Unit Owner shall be entitled to exercise his or her right to maintain insurance coverage in such a way as to decrease the amount which the Association, on behalf of all the Unit Owners and their mortgagees, may realize under any insurance policy which the Association may have in force on the property at any particular time.

9) Prompt Repair. Each Unit Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his or her Unit, the Unit Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

10) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any proceeds remaining thereafter shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This is a covenant for the benefit of the Association and any mortgagee of a Unit, and may be enforced by them.

11) Special Endorsements. Each policy shall also contain or provide the following: (1) "Agreed Amount and Inflation Guard Endorsement", if available; and (2) "Construction Code Endorsements" (such as a "Demolition Cost Endorsement", a "Contingent Liability from Operation of Building Laws Endorsement" and an "Increased Cost

of Construction Endorsement"), if the Project is subject to a construction code provision which would become operative upon Partial or Substantial Destruction and require changes to undamaged portions of the Building(s), thereby imposing significant costs in the event of such Destruction of the Project by an insured peril.

28. Quality of Insurance Carrier. Each insurance policy required hereby shall be written by an insurance carrier licensed to transact business in the State of Utah and who has the highest rating by Best's Key Rating Guide.

29. Restrictions on Policies. No such insurance policy shall be maintained where:

(a) Individual Assessments Prohibited. Under the term of the carrier's charter, bylaws, or policy, contributions may be required from, or assessments may be made against, a Unit Owner, a borrower, a Mortgagee, the Management Committee, the Association of Unit Owners, FNMA, or the designee of FNMA.

(b) Payments Contingent. By the terms of the carrier's charter, bylaws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

(c) Mortgagee Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Committee, the Association, a Unit Owner, FNMA, or the borrowers) from collecting insurance proceeds.

The foregoing provisions shall not be construed to limit the power or authority of the Management Committee or Association of Unit Owners to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

30. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project. Each of the following terms shall have the meaning indicated:

(a) Destruction. "Substantial destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent or more of the estimated Restored Value of the Project. "Partial destruction" shall mean any other damage or destruction to the Project or any part thereof.

(b) Condemnation. "Substantial condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the Estimated Costs of Restoration over Available Funds is twenty-five percent or more of the estimated

Restored Value of the Project. "Partial condemnation" shall mean any other such taken by eminent domain or grant or conveyance in lieu thereof.

(c) Obsolescence. "Substantial obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent or more of the estimated Restored Value of the Project. "Partial obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(d) Restored Value. "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(e) Estimated Costs of Restoration. "Estimated cost of restoration" shall mean the estimated costs of restoring the Project to its former condition.

(f) Available Funds. "Available funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a Mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee of a Condominium Unit for the condemnation or taking of the Unit in which they are interested.

31. Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

32. Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

33. Notices of Destruction or Obsolescence. Within thirty days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a

written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

34. Excess Insurance. In the event insurance proceeds condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

35. Inadequate Insurance. In the event the cost of Restoration exceeds Available Funds, all of the Units shall be assessed for the deficiency on the basis of their respective percentages of undivided ownership interest in the Common Areas.

36. Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a condominium project) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

37. Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, condominium ownership under this Declaration and the Survey Map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Condominium Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

38. Authority of Committee to Represent Owners in Condemnation or to Restore or Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Unit Owners, and their mortgagees as their interests may appear. The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Unit therein whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

39. Consent in Lieu of Vote. In any case in which the Act or this Declaration requires the vote of a Unit Owner for authorization or approval of an act or a transaction, such

requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold the required percentages, subject to the following conditions:

(a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty days from the time the first written consent is obtained; and

(b) Change In Ownership. Any change in ownership of a Condominium Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose.

40. Mortgagee Protection. The lien or claim against a Unit for unpaid Common Area Fees levied by the Management Committee or by the Association of Unit Owners pursuant to this Declaration or the Act shall be subordinate to any Mortgage recorded on or before the date such Common Area Fees become due.

(a) Statutes. In the event that the State of Utah should enact the Uniform Condominium Act or any other statute applicable to condominiums with a provision that would allow such Common Area Fees including special assessments, to have a limited priority over a Mortgage recorded before such Common Area Fees became due, or in the event that the State of Utah should enact any law which would allow a lien for unpaid Common Area Fees to survive foreclosure or exercise of a power of sale, all such assessments and charges, including special assessments, shall after the date of such enactment be made due and payable to the Committee or the Association on a monthly basis and the lien for any fees, late charges the Association assessed in connection with such unpaid Common Area Fees shall be deemed subordinate to the first Mortgage in the Unit upon which such Common Area Fees are levied.

(b) Effects of Voluntary and Involuntary Sale. The lien or claim against a Unit for such unpaid Common Area Fees shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Common Area Fees which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit from the lien of any Common Area Fees becoming due thereafter.

(c) Books and Records Available for Inspection. The Committee or the Association shall make available to Unit Owners, to lenders and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration and rules concerning the Project, and the books, records, and financial statements of the Committee and the Association. "Available", as used in the Paragraph, shall mean available for inspection upon request during normal business hours or under other reasonable circumstances.

(d) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the

immediately preceding fiscal year free of charge to the party so requesting. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

(e) Management Contracts. Any agreement for professional management of the Condominium Project and any contract or lease which is entered into by the Management Committee or the Association shall provide that either party may terminate the contract for cause upon at least sixty days written notice to the other party thereto.

(f) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the Unit encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder, insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor", as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Common Area Fees owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

(g) No Right of First Refusal. The right of a Unit Owner to sell, transfer, or otherwise convey his or her Unit shall not be subject to any right of first refusal or similar restriction.

41. Amendment. The affirmative vote of at least sixty-seven percent of the undivided ownership interest in the Common Areas shall be required and shall be sufficient to amend the Declaration or the Record of Survey Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained. The foregoing right of amendment shall, however, be subject to the following:

(a) Consent of Eligible Mortgagee. The consent of Eligible Mortgagees holding at least sixty-seven percent of the undivided ownership interest in the Common Areas and shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one percent of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Survey Map which establishes, provides for, governs, or regulates any of the following: (i) voting; (ii) assessments, assessment liens, or subordination of liens; (iii) reserves for maintenance, repair, and replacement of the Common Areas; (iv) insurance or fidelity bonds; (v) limitations and restrictions on the right to use of the Common Areas; (vi) responsibility for maintenance and repair of the several portions of the Project; (vii) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project; (viii) the boundaries of any Unit; (ix) the percentages of ownership interest in the Common Areas; (x) convertibility of Units into Common Areas or of Common Areas into Units; (xi) leasing of Condominium Units; (xii) imposition of any right of first refusal or similar restriction on the right of a Unit Owner to sell, transfer, or otherwise convey his or her Condominium Unit; (xiii) express benefits or rights of Mortgagees, Eligible Mortgagees, or Eligible Insurers or Guarantors; and (xiv) the requirement that the Project be professionally managed rather than self managed. Any addition or amendment shall not be considered material for purposes of this Paragraph (b) if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Survey map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Survey Map or the termination of the legal status of the Project as a condominium if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

42. Interpretation. To the extent the provisions of the Act are consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

43. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors,

and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Unit or in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

44. Enforcement and Right to Recover Attorney's Fees. Should the Association or Committee be required to take action to enforce the Act, this Declaration, the By-Laws, Rules and Regulations, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, the Association or Committee may recover all costs and expenses, including a reasonable attorney's fee which may arise or accrue.

45. Security. The Association may, but shall not be obligated to maintain or support certain activities within the Project designed to make the Project safer than they otherwise might be. Neither the Association, nor the Committee shall in any way be considered insurers or guarantors of security within the Project, however, and neither the Association, nor the Committee shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners and occupants, their guests and invitees, as applicable, acknowledge that the Committee and the Association do not represent or warrant that any fire protection system or burglar alarm system designated by or installed according to guidelines established by the Committee or the Association may not be compromised or circumvented, that any fire protection or burglar alarm system will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise nor the fire protection or burglary alarm systems will in all cases provide the detection or protection for which the system is designed or intended. All Owners and occupants, their guests and invitees, acknowledge and understand that the Association and Committee are not insurers of their safety and they hereby assume all risks for loss or damage to their person or property and further acknowledge that the Association and Committee have made no representations or warranties, nor have they relied upon any representations or warranties, expressed or implied, including any warranty or merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems recommended or installed or any security measures undertaken within the Project.

46. Liens Against the Association. All liens for materials, labor or money judgments against the Association or Committee are to be indexed in the public records under the name of the Association and the name of the community. An Owner may pay the pro rata share of the amount of any lien against the Association or Committee and that shall be sufficient to release the lien on his or her Unit. Such liens will not constitute a lien on the Common Areas of the community, but rather on each Unit within the community. Any person or entity who elects to perform labor or provide materials at this Project shall do so subject to the terms of this Section. If the Association has encumbered the Common Areas and thereafter defaults on its obligations, the lienholder must exercise its rights against the Common Areas before it may proceed against the Units or the Unit Owners.

47. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office of the registered agent is 875 South Donner Way, Salt Lake City, Utah 84108.

48. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Survey Map shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

49. Request for Notice. The Association hereby requests that a copy of any notice of default and a copy of notice of sale under any mortgages or deeds of trust filed for record against any Units at CANYON CREST be mailed to the CANYON CREST Homeowner's Association at 875 South Donner Way, Salt Lake City, Utah 84108. pursuant to U.C.A. Section 57-1-26 (1953), as amended.
