All pipes, wires, conduits, or other public utility lines or installations constituting a part of the unit and serving only the unit, and any structural members of any other property of any kind, including fixtures and appliances within any unit, which are removable without jeopardizing the soundness, safety or usefulness of the remainder of the building within which the unit is situated shall be considered part of the unit.

Each unit owner has an unrestricted right of ingress and egress to the unit which is appurtenant to ownership of the unit. Units may be combined in use if owned by the same unit owner.

b. Limited Common Areas. Limited Common Areas, designated on the map, by double cross hatched areas may include carports, balconies, decks and covered decks appurtenant to certain units as contained in the Plat. The exclusive right to use and occupy each limited common area, if any, shall be appurtenant to and shall pass with the title to the unit with which it is associated. c. Common Areas and Facilities. A freehold estate consisting of the remaining portion of the real property as defined above as the "common areas and facilities." Every owner shall have a right and easement of use and enjoyment in and to the common area which easement shall be appurtenant to and shall pass with the title to every unit, subject to the following provisions.

 - v. The right of the Association with the approval of seventy-five percent (75%) of each class of owners, to sell, exchange, hypothecate, alienate, mortgage, encumber, dedicate, release or transfer all or part of the common area to any private individual, corporate entity, public agency, authority, or utility.
