JEFFERY SMITH  
UTAH COUNTY RECORDER  
2020 Dec 17 12:20 pm FEE 0.00 BY HA  
RECORDED FOR AMERICAN FORK CITY

**PIONEERING AGREEMENT**

This Pioneering Agreement (hereinafter referred to as "Agreement") is entered into as of this 27 day of October 2020, by and between White Horse Developers, a Limit Liability Company with its principal offices located at 520 South 850 East, Ste. A-4, Lehi, UT 84043 (hereinafter referred to as "Developer") and American Fork City, a municipal corporation and political subdivision of the State of Utah with its principal offices located at 51 East Main Street, American Fork, Utah 84003 (hereinafter referred to as the "City").

**RECITALS**

WHEREAS, Developer constructed public infrastructure on certain parcels of property located in American Fork, Utah County, Utah, consisting of 2.99 acres and further described in Exhibit A attached hereto (hereinafter referred to as the "Property");

WHEREAS, Developer has obtained approvals from the City to develop the Property into a residential subdivision commonly known as Rockwell Ranch. However, development of the Property is subject to the installation of offsite sewer improvements (the "Project Improvements") identified on Exhibit B attached hereto.

WHEREAS, the Project Improvements will provide direct benefit to other developers and owners of surrounding properties (the "Benefited Properties") when they develop their properties. The Benefited Properties are identified by tax parcel number and owner in Exhibit C attached hereto.

WHEREAS, Developer desires to be reimbursed for a proportionate share of the costs associated with the design, construction and installation of the Project Improvements as the Benefited Properties connect and/or utilize the improvements;

WHEREAS, City is willing to administer reimbursement payments from the owners of the Benefited Properties in accordance with the terms and provisions of this Agreement; and

WHEREAS, this Agreement is entered into to ensure the orderly development of real property within City limits, while maintaining and enhancing property values.

NOW THEREFORE, in consideration of the mutual covenants contained herein, the parties hereto contract, covenant, and agree as follows:

**AGREEMENT**

1. Necessity of Improvements. Developer expressly acknowledges that the Project Improvements are necessary for development of Rockwell Ranch, and are lawful conditions precedent for the approval and development of Rockwell Ranch.
2. Developer's Obligation. Developer shall install the Project Improvements at Developer's cost and expense including all costs and expenses associated with engineering, planning, surveying, design, materials, labor, easements, property, construction costs, and bonding

relating to the Project Improvements, in accordance with the construction plans approved by the City for the development of Rockwell Ranch and/or required by City ordinances and regulations (the "Pioneering Costs"). Pioneering Costs shall bear no interest from the date hereof to date of payment.

3. Approval, Inspection, and Acceptance. Developer and its assigns shall install the Project Improvements and post applicable bonds and improvement completion assurances in accordance with City ordinances to guarantee the installation of the Project Improvements according to City ordinances, regulations, and standards. The Project Improvements shall be approved by the City and inspections shall be conducted by the City to ensure that the Project Improvements are constructed per City standards. Upon completion, Developer shall deliver to City a set of as-built plans of the Project Improvements (in both paper and electronic format) with the verified actual amount of the Pioneering Costs of the Project Improvements. Upon successful completion of the Project Improvements and acceptance in writing by the City, Developer shall also provide an Improvement Warranty in accordance with City ordinances to ensure that the Project Improvements remain in good condition and free from defects for a period of one (1) year. Upon successful completion, approval by the City, and posting of an Improvement Warranty by Developer, the City shall accept, own, operate, and maintain the Project Improvements. Developer shall dedicate to the City ownership of all facilities, easements, and property necessary to properly operate and maintain the Project Improvements and shall not retain any ownership interest therein, unless City ordinances, agreements, or regulations provide otherwise.
4. Collection of Pioneering Costs. The City will require owners of the Benefitted Properties that develop their land or apply for building permits to pay to the City their proportionate share of the Pioneering Costs of the Project Improvements prior to granting development or subdivision approval or issuing building permits. The proportionate share shall be determined by the City based upon consideration of the street frontage, parcel size, and other relevant factors of each respective Benefitted Property. In no event shall City be liable for failure to make collection; it being understood and agreed that City will use its best efforts to make such collection.
5. Distribution of Pioneering Costs Received. The funds collected shall be paid by the City to the Developer within 60 days of collection, unless the payment is made under protest by the owner of the Benefitted Property or the payment is the subject of a lawsuit (filed or threatened), complaint, advisory opinion, or appeal. In such a case, the City will retain the funds until such time as the matter is resolved. When the matter is resolved, the City shall disburse the funds to Developer within 60 days. Nothing in this Agreement shall preclude Developer from arranging for up-front financial contributions for the Project Improvements from the owners of the Benefitted Properties.
6. Duration of Pioneering Costs for all improvements. If a development application is made after 10 years from the date hereof, there shall be no required payment of Pioneering Costs related to streets as a pre-condition of development approval or issuance of a building permit.

7. Full Compensation. The Developer hereby agrees it shall not be entitled to any reimbursement, compensation, incentive, or other payment from the City related to the Project Improvements. Nothing in this Agreement, however, shall preclude Developer from obtaining reimbursements or impact fee credits for “system improvements” or oversized public improvements requested or required by the City in relation to the Project. If the City requires Developer to upsize or extend any of the Project Improvements, the parties may negotiate a separate reimbursement agreement to be submitted to City Council for approval. Such upsizing costs, however, are not part of this Agreement.
8. Choice of law. This Agreement shall be interpreted and enforced under the laws of the State of Utah. Venue for any legal action brought on this Agreement shall lie with the Fourth Judicial District Court for Utah County, Utah.
9. Authority. Each individual executing this Agreement hereby represents and warrants that he or she has been duly authorized to sign this Agreement in the capacity and for the entities identified.
10. Recitals and Exhibits Incorporated. Each recital set forth above, and each exhibit attached to and referred to in this Agreement, is hereby incorporated by reference.
11. Counterparts and Severability. In the event that any provision of this Agreement shall be held invalid and unenforceable, such provision shall be severable from, and such invalidity and unenforceability shall not be construed to have any effect on, the remaining provisions of this Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.
12. Entire Agreement. This Agreement constitutes and comprises the entire understanding of the parties hereto, and supersedes any previous written or oral communication or representation related to the subject matter hereof
13. Amendment. This Agreement may only be amended by written instrument signed by both parties hereto.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written
