Notice of Boundary Action

Dear Lieutenant Governor Bell.

Jordan Valley Water Conservancy District (Jordan Valley) was established in 1951 in accordance with the Utah Water Conservancy District Act to develop and deliver water supplies to the public residing within its service area. Periodically, Jordan Valley reviews the Salt Lake County and Utah County Assessors' records to verify that properties which have been annexed into any of Jordan Valley's member agencies' boundaries are appropriately annexed into Jordan Valley, too. One such recent review discovered that a number of properties within Bluffdale City needed to be annexed into Jordan Valley. Accordingly, the Jordan Valley Board of Trustees recently adopted a resolution (copy attached) which approved the annexation of those properties into the Jordan Valley boundaries.

Jordan Valley herewith submits with this Notice a copy of the approved final local entity plats as required by Utah Code Ann. §17B-1-414 and §67-1a-6.5 (Supp. 2012). I hereby verify, on behalf of Jordan Valley, that all requirements applicable to the annexation and to the boundary action have been met. Thank you for your assistance with this matter. Please call me at 801-565-4300 if you have any questions.

Best Regards,

Richard P. Bay, P. E. General Manager/CEO

Resolution of the Board of Trustees

RESOLUTION NO. 13-02

APPROVING ANNEXATION OF LANDS WITHIN BLUFFDALE CITY INTO JORDAN VALLEY WATER CONSERVANCY DISTRICT

WHEREAS, Bluffdale City is a wholesale customer of the Jordan Valley Water Conservancy District; and,

WHEREAS, Bluffdale City has annexed additional real property into its geographical municipal boundaries, and that property is currently outside the boundaries and service area of the Jordan Valley Water Conservancy District; and,

WHEREAS, the Jordan Valley Water Conservancy District has the statutory authority to annex that same real property, and intends to do so by this Resolution,

NOW, THEREFORE, BE IT RESOLVED by the Jordan Valley Water Conservancy District Board of Trustees:

- 1. The Board of Trustees of the Jordan Valley Water Conservancy District ("District") finds that the District is a water conservancy district organized in 1951 and existing under the Utah Water Conservancy District Act, Utah Code Ann. (Supp. 2012) §§ 17B-2a-1001 et seq.;
- 2. The Board finds that the District provides both wholesale and retail culinary water service within its geographical service area situated in parts of Salt Lake and Utah Counties:
- 3. The Board finds that Bluffdale City ("City") is a municipality organized and existing under Utah law and that it operates a system for the retail distribution of water within its geographical municipal boundaries;
- 4. The Board finds that the District provides wholesale culinary water service to the City pursuant to a written agreement between the parties, and that the City acquires the wholesale water service from the District and, in turn, provides it as a retail service;

- 5. The Board finds that the City is now located at least partly within the District;
- 6. The Board finds that in past years, the real property shown on attached Exhibit 1 ("the Lands") was duly annexed by the City, pursuant to Utah law, into the City's geographical municipal boundaries;
- 7. The Board finds that the City intends, after the annexation of the Lands into the District, to provide to the Lands the same retail water service that the District provides to the City as a wholesale service;
 - 8. The Board finds that the Lands are now outside the District's boundaries;
- 9. The Board finds that no part of the Lands is within the boundaries of another local district that provides the same wholesale service as the District;
- 10. The Board finds that the Lands may be benefited by annexation into the District in that over time they may have access to the District's water supply, facilities, and services:
- 11. The Board finds that annexation of the Lands into the District will not impair or adversely affect: (a) the District's organization; (b) the District's rights in or to property; (c) any of the District's other rights or privileges; or, (d) any contract, obligation, lien, or charge for or upon which the District might be liable or chargeable had the change of boundaries not been made;
- 12. The Board finds that the proposed annexation does not jeopardize the prompt payment of principal and interest on the bonds of the District now outstanding or of the payment by the District of installments of indebtedness or obligations under any contract;
- 13. A portion of the Lands is located within a project area described in a project area plan adopted by the military installation development authority under Utah law. The authority has given its approval to the annexation by the District of that portion of the Lands within the project area, as evidenced by the Military Installation Development Authority Resolution 2012-12 that is attached as Exhibit 2.
- 14. The Board hereby approves annexation of the Lands into the District, subject to the satisfaction of the following specific, reasonable, and appropriate conditions precedent:
- (a) The District has entered into an agreement with the United States that requires the consent of the United States for annexation of territory into the District. Accordingly, within two (2) business days following the execution of this Resolution, the

District shall take such action(s) as it deems appropriate to obtain the formal, written approval of the Bureau of Reclamation to the annexation of the Lands into the District on the terms set forth in this Resolution. The annexation of the Lands into the District shall not be effective unless and until written consent of the United States is obtained and filed with the Board. The Clerk of the District is authorized and directed to note the date of the receipt in the space indicated below and to give written notice of the receipt to the City; and,

- (b) As soon as practicable after the timely satisfaction of the terms of subparagraph 14(a), if ever, the Board shall file a notice with the Lieutenant Governor of the State of Utah, accompanied by a copy of this Resolution and either an accurate map depicting the boundaries of the Lands or a legal description of the Lands, adequate for purposes of the Assessors, Recorders, and Surveyors of both Utah and Salt Lake Counties, and a certification by the Board that all requirements for annexation of the Lands have been complied with.
- 15. The Board determines that the proposed annexation shall be complete and effective upon the Lieutenant Governor's issuance to the Board of the certificate of annexation pursuant to Utah Code Ann. (Supp. 2012) § 17B-1-415 and § 67-1a-6.5, with copies sent as required by law, at which time:
 - (a) The Lands, as shown in Exhibit 1, shall be annexed into the District;
- (b) The Lands shall be subject to the District's lawful water rates, assessments, taxes, fees, rules, and regulations as adopted and/or amended from time to time; and,
 - (c) The Lands shall be assigned to the Eighth Division of the District.
- 16. This Resolution shall take effect immediately upon execution by an authorized member of the Board.

PASSED, ADOPTED, and APPROVED this 9th day of January, 2013.
