Post-Construction Storm Water Maintenance Agreement

WHEREAS, the Property Owner WATERFORD SCHOOL recognizes that the Storm Water Facilities (hereinafter referred to as "Facilities") must be maintained for the development called Waterford School Parking Expansion, located at 9461 South 1400 East, in the City of Sandy, Salt Lake County, State of Utah; and, **WHEREAS**, the Property Owner is the Owner of the real property more particularly described on the Attached Exhibit A as recorded by deed in the records of the Clerk of the Salt Lake County Recorder's Office (hereinafter referred to as "The Property"), and,

WHEREAS, The City of Sandy (hereinafter referred to as "The City") and the Property Owner, or its administrator, executors, successors, heirs, or assigns, agree that the health, safety, welfare and well being of the citizens of the City require that the facilities be constructed and maintained on the property, and,

WHEREAS, the Sandy City Ordinances and Code require that the Facilities as shown on the approved development plans and specifications be constructed and maintained by the Property Owner, its administrator, executors, successors, heirs, or assigns.

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants contained herein, and the following terms and conditions, the parties hereto agree as follows:

Section 1

The Facility or Facilities shall be constructed by the Property Owner in accordance with the plans and specifications approved by The City for the development.

Section 2

The Property Owner, its administrators, executors, successors, heirs or assigns shall maintain the Facilities in good working conditions acceptable to the City and in accordance with the schedule of Post-Construction and Long Term Maintenance activities hereto and attached as Exhibit B.

Section 3

The Property Owner, its administrators, executors, successors, heirs or assigns hereby grants permission to the City, its authorized agents and employees, to enter upon the property and to inspect the facilities whenever the City deems necessary. Whenever possible, the City shall provide notice prior to entry.

Section 4

In the event the Property Owner, its administrator, executors, successors, heirs or assigns fails to maintain the Facilities as shown on the approved plans and specifications, in accordance with the Maintenance Schedule incorporated in this Maintenance Agreement, the City, with due notice, may enter the property and take whatever steps it deems necessary to return the Facilities to a good working condition. This provision shall not be construed to allow the City to erect any structure of a permanent nature on the property. It is expressly understood and agreed that

the City is under no obligation to maintain or repair the Facilities and in no event shall this Maintenance Agreement be construed to impose any such obligation on the City.

Section 5

In the event the City, pursuant to the Maintenance Agreement, performs work of any nature, or expends any funds in the performance of said work for labor, use of equipment, supplies, materials, and the like, the Property Owner shall reimburse the City within thirty (30) days of receipt thereof for all the costs incurred by the City hereunder. If not paid within the prescribed time period, the City shall secure a lien against the real property in the amount of such costs. The actions described in this section are in addition to and not in lieu of any and all legal remedies available to the City as a result of the Property Owner's failure to maintain the Facilities.

Section 6

The Property Owner will make accommodation for the removal and disposal of all the accumulated sediments. Temporary storage will be provided onsite in a reserved area(s). The sediment will need to be disposed within two weeks after being removed from the storm drain system.

Section 7

The Property Owner shall use the Standard Operation and Maintenance Inspection Report attached to this Maintenance Agreement as Exhibit C and by this reference made a part hereof for the purpose of a minimal annual inspection of the Facilities.

Section 8

The Property Owner, its administrator, executors, successors, heirs and assigns hereby indemnifies and hold harmless the City and its authorized agents and employees for any and all damages, accidents, casualties, occurrences or claims which might arise or be asserted against the City from the construction, presence, existence or maintenance of the Facilities by the Property Owner or the existence or maintenance of the Facilities by the Property Owner or the City. In the event a claim is asserted against the City, its authorized agents or employees, the City shall promptly notify the Property Owner and the Property Owner shall defend at its own expense any suit based on such claim. If any judgment or claims against The City, its authorized agents or employees shall be allowed, the Property Owner shall pay for all costs and expenses in connection herewith.

Section 9

This Maintenance Agreement shall be recorded among the deed records of the Clerk of the Salt Lake County Recorder's Office and shall constitute a covenant running with the land and shall be binding on the Property Owner, its administrator, executors, heirs, assigns and any other successors in interest.

Section 10

This Maintenance Agreement may be enforced by proceedings at law or in equity by or against the parties hereto and their respective successors in interest.

Section 11

Invalidation of any one of the provisions of this Maintenance Agreement shall in no way effect any other provisions and all other provisions shall remain in full force and effect.
