## Site Lease with Option

THIS SITE LEASE WITH OPTION (this "Lease") is effective this 21 day of February, 1996, between First Congregational Church of Salt Lake City ("Landlord"), and Western PCS II Corporation, a Delaware corporation ("Tenant").

### 1. Option to Lease.

(a) In consideration of the Payment of One Thousand Dollars (\$1,000) Landlord hereby grants to Tenant an option to lease the use of a portion of the real property described in attached Exhibit A (the "Property"), on the terms and conditions set forth herein (the "Option"). The Option shall be for an initial term of 12 months, commencing on the date hereof and ending February, 1996 (the "Option Period").

(b) During the Option Period and any extension thereof, and during the term of this Lease, Landlord agrees to cooperate with Tenant in obtaining, at Tenant's expense, all licenses and permits or authorizations required for Tenant's use of the Premises from all applicable government and/or regulatory entities (the "Governmental Approvals") including appointing Tenant as agent for all conditional-use permit applications and zoning change applications, and Landlord agrees to cooperate with and to allow Tenant, at no cost to Landlord, to obtain a title report, zoning approvals, conditional-use permits, perform surveys, soils tests, and other engineering procedures or environmental investigations on, under and over the Property, necessary to determine that Tenant's use of the Premises will be compatible with Tenant's engineering specifications, system design, operations and Governmental Approvals. During the Option Period and any extension thereof, Tenant may exercise the Option by so notifying Landlord in writing, at Landlord's address in accordance with Section 12 hereof.

(c) If Tenant exercises the Option, then, subject to the following terms and conditions, Landlord hereby leases to Tenant (the "Lease") the use of that certain portion of the Property sufficient for placement of Antenna Facilities (as defined below), together with all necessary space and easements for access and utilities, as generally described and depicted in attached Exhibit B (collectively referred to hereinafter as the "Premises").

The Premises, located at 2150 S. Foothill Dr., SLC, UT 84109.

2. Term. The initial term of this Lease shall be five years commencing on March 1, 1996 (the "Commencement Date"), and terminating at Midnight on the last day of the month in which the fifth annual anniversary of the Commencement Date shall have occurred.

3. Permitted Use. The Premises may be used by Tenant for, the transmission and reception

of radio communication signals and for the construction, maintenance, repair or replacement of related facilities, towers, antennas, equipment or buildings and related activities. Tenant shall obtain, at Tenant's expense, all Governmental Approvals and may (prior to or after the Commencement Date) obtain a title report, perform surveys, soils tests, and other engineering procedures on, under and over the Property, necessary to determine that Tenant's use of the Premises will be compatible with Tenant's engineering specifications, system, design, operations and Governmental Approvals. Landlord agrees to reasonably cooperate with Tenant (at no cost to Landlord), where required, to perform such procedures or obtain Governmental Approvals. If necessary, Tenant has the right to immediately terminate this Lease if Tenant notifies Landlord of unacceptable results of any title report, environmental survey or soils test prior to Tenant's installation of the Antenna Facilities (as defined below) on the Premises.

4. Rent.

(a) Tenant shall pay Landlord, as Rent, Seven Hundred Dollars (\$700.00) per month ("Rent"). Rent shall be payable on the fifth day of each month, in advance, to First Congregational Church at Landlord's address specified in Section 12 below. For the purpose of this Lease, all references to "month" shall be deemed to refer to a calendar month. If the Commencement Date does not fall on the fifth day of the month, then Rent for the period from the Commencement Date to the last day of the following month shall be prorated based on the actual number of days from the Commencement Date to the last day of the following month.

(b) If this Lease is terminated at a time other than on the last day of a month, Rent shall be prorated as of the date of termination for any reason other than a default by Tenant, and all prepaid Rent shall be refunded to Tenant.

(c) If Tenant shall not have obtained all Governmental Approvals on or before the end of the Option Period, then Tenant shall, by notice to Landlord, have the right to cancel this Lease and shall be relieved from all rights and obligations under this Lease.

5. Renewal. Tenant shall have the right to extend this Lease for five additional, five-year terms ("Renewal Term"). Each Renewal Term shall be on the same terms and conditions as set forth herein except that rent shall be increased after each five year term by Sixteen (16%) of the rent paid over the previous term.

This Lease shall automatically renew for the first renewal term. This lease shall renew for each successive Renewal Term by mutual agreement of both parties that is not unreasonably withheld unless Tenant shall notify Landlord, in writing, of Tenant's intention not to renew this Lease at least 60 days prior to the expiration of the term or any Renewal Term.

If Tenant shall remain in possession of the Premises at the expiration of this Lease or any Renewal Term without a written agreement, such tenancy shall be deemed a month-to-month tenancy

under the same terms and conditions of this Lease.

6. Interference. Tenant shall not use the Premises in any way which interferes with the use of the Property by Landlord, or lessees or licensees of Landlord, with rights in the Property prior in time to Tenant's (subject to Tenant's rights under this Lease, including without limitation, non-interference). Similarly, Landlord shall not use, nor shall Landlord permit its tenants, licensees, employees, invitees or agents to use, any portion of the Property in any way which interferes with the operations of Tenant. Such interference shall be deemed a material breach by the interfering party, who shall, upon written notice from the other, be responsible for terminating said interference. In the event any such interference does not cease promptly, the parties acknowledge that continuing interference may cause irreparable injury and, therefore, the injured party shall have the right, in addition to any other rights that it may have at law or in equity, to bring action to enjoin such interference or to terminate this Lease immediately upon written notice.

7. Improvements; Utilities; Access.

(a) Tenant shall have the right, subject to Landlord approval not unreasonably withheld, at Tenant's expense, to erect and maintain on the Premises improvements, personal property and facilities necessary to operate its system, including without limitation radio transmitting and receiving antennas, and tower and bases, an electronic equipment shelter, and related cables and utility lines (collectively the "Antenna Facilities"). The Antenna Facilities shall be initially configured generally as set forth in Exhibit C. Tenant shall have the right to replace or upgrade, subject to Landlord approval not unreasonably withheld, the Antenna Facilities at any time during the term of this Lease. Tenant shall cause all construction to occur lien-free and in compliance with all applicable laws and ordinances. The Antenna Facilities shall remain the exclusive property of Tenant. Tenant shall have the right to remove the Antenna Facilities upon termination of this Lease. Permanent improvements such as buildings, concrete pads, fencing, landscaping and cable/wire raceways, can remain the property of the Landlord.

(b) Tenant, at its expense, may use any and all appropriate means of restricting access to the Antenna Facilities, including, the construction of a fence.

(c) Tenant shall, at Tenant's expense, keep and maintain the Antenna Facilities now or hereafter located thereon in commercially reasonable condition and repair during the term of this Lease, normal wear and tear excepted. Upon termination of this Lease, the Premises shall be returned to Landlord in good, usable condition, normal wear and tear excepted.

(d) Tenant shall have the right to install and maintain utilities, at Tenant's expense, and to improve the present utilities on the Premises (including, but not limited to the installation of emergency power generators). Tenant shall install separate meters for utilities used on the Property. In the event separate meters are not installed, Tenant shall pay the periodic charges for all utilities attributable to Tenant's use. Landlord shall diligently correct any variation, interruption or failure of utility service.

(e) As partial consideration for Rent paid under this Lease, Landlord hereby grants Tenant an easement ("Easement") for ingress, egress, and access (including access as described in Section 1) to the Premises adequate to install and maintain utilities, which include, but are not limited to the installation of overhead or underground power and telephone service cable, and to service the Premises and the Antenna Facilities at all times during the term of this Lease or any Renewal Term. Upon prior written notice, provided Tenant's Antenna Facilities remain fully functional and continue to transmit at full power, Landlord shall have the right, at Landlord's sole expense, to relocate the Easement to Tenant, provided such new location shall not materially interfere with Tenant's operations. Any Easement provided hereunder shall have the same term as this Lease.

(f) Tenant shall have 24-hours-a-day, 7-days-a-week access to the Premises at all times during the term of this Lease and any Renewal Term. Tenant will attempt to schedule routine maintenance so as not to interfere with church services or special events.

(g) Should at any time the Tax Exempt status of the Landlord be jeopardized, Landlord and Tenant agree to modify the terms of the lease so that Landlord's Tax Exempt status is restored, if at all possible. If such modifications not be gained the lease will be terminated with adequate notice given to Tenant.

8. Termination. Except as otherwise provided herein, this Lease may be terminated, without any penalty or further liability as follows:

(a) upon thirty (30) days written notice by Landlord for failure to cure a material default for payment of amounts due under this Lease within that thirty (30) day period;

(b) upon thirty (30) days written notice by either party if the other party defaults and fails to cure or commence curing such default within that 30-day period, or such longer period as may be required to diligently complete a cure commenced within that 30-day period;

(c) upon ninety (90) days written notice by Tenant, if it is unable to obtain, maintain, or otherwise forfeits or cancels any license, permit or Governmental Approval necessary to the installation and/or operation of the Antenna Facilities or Tenant's business;

(d) upon ninety (90) days written notice by Tenant if the Property, Building or the Antenna Facilities are or become unacceptable under Tenant's design or engineering specifications for its Antenna Facilities or the communications system to which the Antenna Facilities belong;

(e) immediately upon written notice if the Antenna Facilities are destroyed or damaged so as in Tenant's reasonable judgment to substantially and adversely affect the effective use of the Antenna Facilities. In such event, all rights and obligations of the parties shall cease if Antenna Facilities are not restored to reasonable full use within 60 days of the date of the damage or destruction;

(f) at the time title of the Property transfers to a condemning authority, pursuant to a taking of all or a portion of the Property sufficient in Tenant's determination to render the Premises unsuitable for Tenant's use. Landlord and Tenant shall each be entitled to pursue their own separate awards with respect to such taking. Sale of all or part of the Property to a purchaser with the power of eminent domain in the face of the exercise of the power, shall be treated as a taking by condemnation.

9. Taxes. Tenant shall pay any personal property taxes and income tax assessed on, or any portion of such taxes attributable to, the Antenna Facilities. Landlord shall pay when due all real property and income taxes and all other fees and assessments attributable to the Property. In the event that Landlord fails to pay said real property taxes, then Tenant shall have the right to pay said taxes and deduct them from Rent amounts due under this agreement.

10. Insurance and Subrogation.

(a) Tenant will provide Commercial General Liability Insurance in an aggregate amount of \$1,000,000 and name Landlord as an additional insured on the policy or policies. Tenant may satisfy this requirement by obtaining appropriate endorsement to any master policy of liability insurance Tenant may maintain.

(b) Landlord and Tenant hereby mutually release each other (and their successors or assigns) from liability and waive all right of recovery against the other for any loss or damage covered by their respective first party property insurance policies for all perils insured thereunder. In the event of such insured loss, neither party's insurance company shall have a subrogated claim against the other.

11. Hold Harmless. Tenant agrees to hold Landlord harmless from claims arising from the installation, use, maintenance, repair or removal of the Antenna Facilities, except for claims arising from the negligence or intentional acts of Landlord, its employees, agents or independent contractors.

13. Quiet Enjoyment, Title and Authority. Landlord covenants and warrants to Tenant that (i) Landlord has full right, power and authority to execute this Lease; (ii) it has good and unencumbered title to the Property free and clear of any liens or mortgages, except those disclosed to Tenant which will not interfere with Tenant's rights to or use of the Premises; and (iii) the Property constitutes a legal lot; and (iv) execution and performance of this Lease will not violate any laws, ordinances, covenants, or the provisions of any mortgage, lease, or other agreement binding on Landlord.

Landlord covenants that at all times during the term of this Lease, Tenant's quiet enjoyment of the Premises or any part thereof shall not be disturbed as long as Tenant is not in default beyond any applicable grace or cure period.

Landlord covenants that during the terms of this Lease, Landlord will not lease any real property or tower space to any person or entity in direct or indirect competition with Tenant, including but not limited to, providers of cellular service, Specialized Mobile Radio (Paging) service, PCS service, paging service, or any other form of telecommunications service provided to the public within a three (3) mile radius of the Property.

14. Environmental Laws. Tenant represents, warrants and agrees that it will conduct its activities on the Property in compliance with all applicable Environmental Laws (as defined in attached Exhibit D). Landlord represents, warrants and agrees that it has in the past and will in the future conduct its activities on the Property in compliance with all applicable Environmental Laws and that the Property is free of Hazardous Substance (as defined in attached Exhibit D) as of the date of this Lease.

Landlord shall be responsible for, and shall promptly conduct any investigation and remediation as required by any Environmental Laws or common law, of all spills or other releases of Hazardous Substance, not caused solely by Tenant, that have occurred or which may occur on the Property.

Tenant agrees to defend, indemnify and hold Landlord harmless from and against any and all claims, causes of action, demands and liability including, but not limited to, damages, costs, expenses, assessments, penalties, fines, losses, judgments and attorney's fees that Landlord may suffer due to the existence or discovery of any Hazardous Substance on the Property or the migration of any Hazardous Substance to other properties or release into the environment arising solely from Tenant's activities on and relating to the Property.

Landlord agrees to defend, indemnify and hold Tenant harmless from and against any all claims, causes of action, demands and liability including, but not limited to, damages, costs, expenses, assessments, penalties, fines, losses, judgments and attorney's fees that Tenant may suffer due to the

existence or discovery of any Hazardous Substance on the Property or the migration of any Hazardous Substance to other properties or released into the environment, that relate to or arise from Landlord's activities during this Lease and from all activities on the Property prior to the commencement of this Lease.

The indemnifications in this section specifically include costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any governmental authority.

15. Assignment and Subleasing. Tenant may assign this Lease upon written notice to Landlord, to any person controlling, controlled by, or under common control with Tenant, or any person or entity that, after first receiving FCC or state regulatory agency approvals, acquires Tenant's radio communications business and assumes all obligations of Tenant under this Lease. Upon such assignment, Tenant shall be relieved of all liabilities and obligations hereunder and Landlord shall look solely to the assignee for performance under this Lease and all obligations hereunder, except default uncured at the time of assignment. Tenant may sublease this Lease, upon written notice to Landlord, only if such sublease is subject to the provisions of this Lease. Tenant may otherwise assign this Lease upon written approval of Landlord, which approval shall not be unreasonably delayed or withheld.

Additionally, Tenant may, upon notice to Landlord, mortgage or grant a security interest in this Lease and the Antenna Facilities, and may assign this Lease and the Antenna Facilities to any mortgagees or holders of security interests, including their successors or assigns, (hereinafter collectively referred to as "Mortgagees"), provided such Mortgagees agree to be bound by the terms and provisions of this Lease. In such event, Landlord shall execute such consent to leasehold financing as may reasonably be required by Mortgagees. Landlord agrees to notify Tenant and Tenant's Mortgagees simultaneously of any default by Tenant and to give Mortgagees the same right to cure any default as Tenant or to remove any property of Tenant or Mortgagee located on the Premises, except that the cure period for any Mortgagee shall not be less than thirty (30) days after receipt of the default notice, as provided in Section 8 of this Lease. All such notices to Mortgagees shall be sent to Mortgagee at the address specified by Tenant upon entering into a financing agreement. Failure by Landlord to give Mortgagee such notice shall not diminish Landlord's rights against Tenant, but shall preserve all rights of Mortgagee to cure any default and to remove any property of Tenant or Mortgagee located on the Premises.

16. Successors and Assigns. This Lease shall run with the Property, and shall be binding upon and inure to the benefit of the parties, their respective successors, personal representatives and assigns.

17. Mediation and Arbitration. If any dispute or claim on law or equity arises out of the Lease, Tenant and Landlord agree in good faith to attempt to settle such dispute or claim by mediation under the Commercial Mediation rules of the American Arbitration Association. If such mediation is not successful in resolving such dispute or claim, then such dispute or claim shall be decided by neutral binding arbitration before a single arbitrator in accordance with the Commercial Arbitration rules of the

American Arbitration Association. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

18. Miscellaneous.

(a) The substantially prevailing party in any litigation arising hereunder shall be entitled to its reasonable attorneys' fees and court costs, including appeals, if any.

(b) Each party agrees to furnish to the other, within ten (10) days after request, such truthful estoppel information as the other may reasonably request.

(c) This Lease constitutes the entire agreement and understanding of the parties, and supersedes all offers, negotiations and other agreements. There are no representations or understandings of any kind not set forth herein. Any amendments to this Lease must be in writing and executed by both parties.

(d) If either party is represented by a real estate broker in this transaction, that party shall be fully responsible for any fee due such broker, and shall hold the other party harmless from any claims for commission by such broker.

(e) Each party agrees to cooperate with the other in executing any documents (including a Memorandum of Lease) necessary to protect its rights or use of the Premises. The Memorandum of Lease may be recorded in place of this Lease, by either party.

(f) This Lease shall be construed in accordance with the laws of the state in which the Property is located.

(g) If any term of this Lease is found to be void or invalid, such invalidity shall not affect the remaining terms of this Lease, which shall continue in full force and effect. The parties intend that the provisions of this Lease be enforced to the fullest extent permitted by applicable law. Accordingly, the parties shall agree that if any provisions are deemed not enforceable, they shall be deemed modified to the extent necessary to make them enforceable.

(h) The persons who have executed this Lease represent and warrant that they are duly authorized to execute this Lease in their individual or representative capacity as indicated.

(i) The submission of this document for examination does not constitute an offer to lease or a reservation of or option for the Premises and shall become effective only upon execution by both Tenant and Landlord.

(j) This Lease may be executed in any number of counterpart copies, each of which shall be deemed an original, but all of which together shall constitute a single instrument.
