Except as otherwise expressly permitted in an applicable Tract Declaration, no animals, birds, fowl, or livestock, other than a reasonable number of generally recognized house or yard pets, shall be maintained on any Lot or Parcel and then only if they are kept, bred, or raised solely as domestic pets and not for commercial purposes. All pets must be kept in a fenced yard or on a leash at all times. No animal, bird, fowl, or livestock shall be allowed to make an unreasonable amount of noise or to become a nuisance or an annoyance to other Owners. It shall be the responsibility of each Owner and Resident to remove immediately any droppings from such Owner's or Resident's pets. No structure for the care, housing, or confinement of any animal, bird, fowl, or livestock shall be maintained so as to be Visible From Neighboring Property. Upon the written request of any Owner or Resident, the Board shall conclusively determine, in its sole and absolute discretion, whether, for the purposes of this Section, a particular animal or bird is a generally recognized house or yard pet, whether such a pet is a problem or nuisance or whether the number of animals or birds on any such property is reasonable. Any decision rendered by the Board shall be enforceable in the same manner as other restrictions contained herein.

(b) Temporary Occupancy and Temporary Buildings. No Trailer, incomplete building, tent, shack, garage, or barn and no temporary buildings or structures of any kind shall be used at any time for a residence, either temporary or permanent. Temporary buildings or structures may be used on any property for construction, repair or sales purposes, with the prior written approval of the Board and for the time period approved by the Board.

(c) Nuisances, Construction Activities: No weeds, dead trees or plants, rubbish, or debris of any kind shall be placed or permitted to accumulate upon or adjacent to any Lot or Parcel, and no odors or loud noises shall be permitted to arise or emit therefrom, so as to render any such property or activity thereon, unsanitary, unsightly, offensive, or detrimental to any other property in the vicinity thereof or to the occupants of such other property. No other nuisance shall be permitted to exist or operate upon any Lot or Parcel. The Board shall have the exclusive right to determine the existence of any nuisance.

Without limiting the generality of any of the foregoing provisions and except as otherwise permitted in this Residential Declaration, no exterior speakers, horns, whistles, firecrackers, bells, or other sound devices shall be located, used, or placed on any such property. Normal construction activities and parking in connection with the building of improvements in the Covered Property shall not be considered a nuisance or otherwise prohibited by this Residential Declaration. However, Lots and Parcels shall be kept in a neat and tidy condition during construction periods, trash and debris shall not be permitted to accumulate, and supplies of brick, block, lumber and other building materials will be staged only in such areas as may be approved by the Board. Each Owner shall be responsible for and shall promptly perform all onsite and construction cleanup occasioned by such Owner's contractors or subcontractors. In addition, any construction equipment and building materials stored or kept on any Lot or Parcel during construction of improvements may be kept only in areas approved by the Board, which may also require screening of the storage areas.

To the extent permitted by applicable law, the prior approval of the Design Review Committee shall be required for the installation, use, or maintenance of any such device, which approval the Design Review Committee may condition upon the satisfaction of

certain conditions including, but not limited to, the size, placement, height, means of installation, and screening of such devices.

No garbage or trash shall be placed or kept on any Lot or Parcel except in covered containers of a type, size, and style which are approved by the Board and by city ordinance.
