The Association or its agents shall also have access to each Unit at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Areas and Limited Common Areas or to another Unit. 7.1.1. Exclusive authority to adjust losses shall be vested in the Management Committee as insurance trustees or any successor trustee as designated by the Management Committee.

7.1.2. The insurance coverage shall not be brought into contribution with insurance purchased by individual Unit Owners or their respective Mortgagees.

7.1.3. Each Unit Owner may obtain additional insurance covering its real property, fixtures, or personal interest at its own expense, so long as such additional or other insurance does not have the effect of decreasing the amount which may be realized under any insurance maintained by the Management Committee.

7.1.4. The insurer waives its rights of subrogation as to any and all claims against the Association, each Unit Owner, and/or their respective agents, employees or tenants, and of all defenses based upon co-insurance or upon invalidity arising from the act of the insured.

7.1.5. The insurance coverage cannot be canceled, invalidated or suspended because of the conduct of any one or more individual Unit Owners or their respective lessees, employees,

agents, contractors, and guests.

7.1.6. The insurance coverage cannot be canceled, invalidated or suspended because of the conduct of any officer or employee of the Association or Management Committee or their employees, agents, or contractors, without prior demand in writing that the Management Committee cure the defect and then only if the defect is not cured within 15 days.

7.1.7. Such policies shall provide that coverage shall not be prejudiced by any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association or failure of the Association to comply with any warranty or condition with regard to any portion of the Project over which the Owners Association has no control.

7.1.8. The insurance coverage shall provide that coverage may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least 30 days' prior written notice to any and all insureds' named thereon, including all Mortgagees.

7.1.9. All policies of property insurance shall provide that, notwithstanding any provisions thereof which give the insurer the right to elect to restore damage in lieu of making a cash settlement, such option shall not be exercisable without the prior written approval of the Management Committee (or any insurance trustee) or when in conflict with the provisions of any insurance trust agreement to which the Association may be a party, or any requirement of Law.

7.2. Property Insurance. The Management Committee, for the benefit of the Project and the Unit Owners, shall maintain a "master" or "blanket" policy of property insurance in an amount equal to the full replacement value (i.e. 100% of the current "replacement cost" exclusive of land, foundations, excavations, and other items normally excluded from coverage) of the entire Condominium Project (including all Units, all Common Areas and Facilities, service equipment and any fixtures or equipment, but not contents furnished or installed by Unit Owners within the Units) with an "Agreed Amount Endorsement" or its equivalent, and, if necessary, an "increased Cost of Construction Endorsement" or "Contingent Liability from Operation of Building Laws Endorsement" or the equivalent, payable to the insurance trustee to be disbursed in accordance with the terms of this Declaration. Such insurance will afford protection against at least the loss or damage by fire and other hazards covered by the standard extended coverage endorsement, debris removal, vandalism, malicious mischief, windstorm, and water damage. The limits and coverage of said insurance shall be reviewed at least annually by the Management Committee. Said policy or policies shall provide for a separate loss payable endorsement in favor of the Mortgagee of each Unit, if any, as their interests may appear. The costs of this policy shall be split amongst the owners proportionate to their respective ownership.

7.3. Liability Insurance. The Management Committee shall obtain a comprehensive policy or policies of public liability insurance insuring the Association, the Management Committee, the Unit Owners and their respective lessees, agents, employees, clients, patients, visitors or guests against any liability to the public or to the Unit Owners, incident to the ownership and/or use of the Property, and including the personal liability of the Unit Owners incident to the ownership and/or use of the Property. Limits of liability under such insurance shall not be less than \$2,000,000 for any one person injured in any one occurrence, and shall not be less than \$100,000 for property damage in each occurrence. The limits in coverage of said liability policy or policies shall be reviewed at least annually by the Management Committee and increased at its discretion. Said policy or policies shall be issued on a comprehensive liability basis and, if possible, shall provide cross-liability endorsements for possible claims of any one or more or group of insureds against any one or more or group of insureds, without prejudice to the

right of a named insured under the policies to maintain an action against another named insured. Such coverage will include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, and such other risks as shall customarily be covered with respect to projects similar in construction, location and use.

7.4. Fidelity Coverage. The Management Committee may maintain fidelity coverage to protect against dishonest acts on the part of members of the Management Committee, officers, and employees of the Association, including professional managers and their employees. Such fidelity bonds shall meet the following requirements:

7.4.1 All such fidelity bonds shall name the Association as the insured.

7.4.2. Such fidelity bonds shall be written in an amount equal to at least 50% of the estimated annual operating expenses of the Association, including reserves.

7.4.3. Such fidelity bonds shall include as part of any definitions of "employee" or similar expression both persons who serve with and without compensation.

7.4.4. Such bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least 30 days prior written notice to the Mortgagees of the Units.

7.5. Other Insurance. The foregoing provisions of this Article VII shall not be construed to limit the power or authority of the Management Committee to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Management Committee may deem proper from time to time.

7.6. Owner's Own Insurance. Each Owner, at its own expense, may procure and maintain at all times fire and extended coverage insurance covering personal property of such Owner and additional fixtures and improvements added by such Owner against loss by fire and other casualties, including, without limitation, vandalism and malicious mischief. All policies providing such casualty insurance shall provide that they do not diminish the insurance carrier's coverage for liability arising under insurance policies obtained by the Association pursuant to this article. Notwithstanding the provisions hereof, such Owner may obtain insurance at its own expense providing such other coverage upon its Condominium, its personal property, for its personal liability and covering such other risks as it may deem appropriate, provided that each such policy shall provide that it does not diminish the insurance carrier's coverage for liability arising under insurance policies obtained by the Association pursuant to this article. If obtainable under industry practice without an unreasonable additional charge for such waiver, all such insurance shall contain a waiver of the insurance company's right of subrogation against the Association, the other Owners and their respective servants, agents and guests.

VIII. ASSESSMENTS

8.1. Agreement to Pay Assessment. Declarant, for each Unit owned by it within the Project, hereby covenants, and each Owner of any Unit by the acceptance of a deed therefor, whether or not it be so expressed in the deed, or by entering into a sale and purchase contract, shall be deemed to covenant and agree with each other and with the Association to pay to the Association assessments made by the Association for the Common Expenses and special assessments for capital improvements and other matters as provided in this Declaration. Such assessments shall be fixed, established and collected from time to time pursuant to the Bylaws

and subject to the provisions of in this Article VIII.

8.2. Apportionment of Expenses. Each Unit Owner shall be liable for a proportionate share of the Common Expenses and shall share in the common profits, such shares being the same as the percentage of undivided interest in the Common Areas and Facilities appurtenant to the Unit owned by the Unit Owner as set forth in Exhibit B.

8.3. Commencement of Assessments. Assessments for Common Expenses on any Unit shall commence on that date which is the date of closing of a sale of the Unit, or the date of occupancy of the Unit, whichever occurs first, without regard to who is designated as the Owner thereof.

8.4. Assessments for Capital Improvements. The Management Committee may include in the monthly assessments, amounts representing contributions to the capital of the Association to be used for the replacement of or additions to capital items or improvements to the Project. Said amounts shall be set up as capital accounts for each Unit. In the event of transfer of a Unit, the capital account shall be deemed transferred to the Unit transferee.

8.5. Interest on Delinquent Assessments. Assessments and any installments thereof not paid on or before ten days after the date when due shall bear interest at the rate of 18% per annum, or at such rate of interest as may be set by the Management Committee, from the date when due until paid. All payments on account shall be first applied to interest and then to the assessment payment first due.

8.6. Lien for Assessments. Any unpaid assessments shall constitute a continuing lien on the interest of any Unit Owner, which shall also secure reasonable attorney's fees and all costs and expenses incurred by the Management Committee incident to the collection of such assessment or enforcement of such a lien. Such lien shall be superior to all other liens and encumbrances on such Unit, recorded or unrecorded, except only for: (i) valid tax and special assessments liens on the Unit in favor of any governmental assessing authority; (ii) the lien of a Mortgage; and (iii) encumbrances on the interest of the Unit Owner recorded prior to the date a notice of lien under this Section is recorded which by law would be a lien prior to subsequently recorded encumbrances. To evidence a lien for sums assessed hereunder, the Management Committee may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Unit and a description of the Unit. Such a notice shall be signed by the Committee and may be recorded. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Committee in the same manner in which mortgages on real property may be foreclosed in Utah. In any foreclosure of a lien for assessments, the Unit Owner subject to the lien shall be required to pay a reasonable rental for the Unit, and the Management Committee shall be entitled to the appointment of a receiver to collect the same. The Management Committee shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the same as the Owner thereof. A release of notice of lien shall be executed by the Management Committee and recorded in the Office of the County Recorder of Salt Lake County, Utah, upon payment of all sums secured by a lien which has been made the subject of a recorded notice of lien. Any encumbrancer holding a lien on a Unit may pay, but shall not be required to pay, any amounts secured by the lien created hereunder, and upon such payment such encumbrancer shall be subrogated to all rights of the Management Committee with respect to such lien, including priority. If a Unit Owner shall, at any time, let its Unit and shall default for a period of one month in the payment of assessments, the Management

Committee may, at its option, so long as such default shall continue, demand and receive from any tenant of the Owner the rent due or becoming due, and the payment of such rent to the Management Committee shall discharge such tenant from its obligation for rent to the Owner and the Owner from its obligation to the Association, to the extent of the amount so paid.

8.7. Personal Obligation of Owner. The amount of any assessment against any Unit shall be the personal obligation of the Unit Owner to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Committee without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of its Unit.

8.8. Statement of Account. Upon payment of a reasonable fee not to exceed \$10.00, or such other amount as may in the future be allowed by the Act, and upon written request of any Owner or any Mortgagee, prospective Mortgagee or prospective purchaser of a Unit, the Committee shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Unit; the amount of the current assessment and the date that such assessment becomes or became due; any credit for advanced payments or prepaid items, including, but not limited to, an Owner's share of prepaid insurance premiums; and such statement shall be conclusive upon the Committee in favor of persons who rely thereon in good faith. Unless such request for a statement of account shall be complied with within 20 days, all unpaid assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquired its interest subsequent to requesting such statement. Where a prospective purchaser makes such request, both the lien for such unpaid assessments and the personal obligations of the purchaser shall be released automatically if the statement is not furnished within the 20 day period provided herein and thereafter an additional written request is made by such purchaser and is not complied with within ten days, and the purchaser subsequently acquires the Unit.

8.9. Personal Liability of Purchaser for Assessments. Subject to the provisions of Section 8.8, a purchaser of a Unit shall be jointly and severally liable with the seller for all unpaid assessments against the Unit up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such assessments.

IX. DESTRUCTION, CONDEMNATION AND TERMINATION

9.1. Destruction or Damage. In the case of fire or other damage or destruction to all or part of the Property, the Management Committee, with the help of an independent appraiser if necessary or advisable, shall determine the percentage of the Building that was destroyed or damaged and shall proceed as follows:

9.1.1. If Less than 75 percent of the Building is destroyed or substantially damaged, the Management Committee shall arrange for the prompt repair and restoration of the Building using the proceeds of insurance on the Building for that purpose, and the Unit Owners shall be liable for assessment for the deficiency, if any, in proportion to their respective percentages of undivided interests in the Common Areas and Facilities. Reconstruction of the Building shall mean the restoring of the Building to substantially the same condition in which it existed prior to the damage or destruction, with each Unit and the Common Areas and Facilities having the same vertical and horizontal boundaries as before, unless the destruction or damage is by reason of eminent domain, in which event the provisions of Section 9.2 hereof shall apply.

9.1.2. If 75 percent or more of the building is destroyed or substantially damaged, the Management Committee shall, within 100 days after such destruction or damage, call a special meeting of the Unit Owners for the purpose of deciding whether or not the Building shall be repaired and restored. If the proceeds of insurance on the Building are sufficient to reconstruct the Building, then unless the Unit Owners representing 75 percent of the undivided interests in the Common Areas affirmatively vote not to restore the Building, the Management Committee shall promptly arrange for the reconstruction of the Building, using the proceeds of insurance on the Building for that purpose. If the proceeds of insurance on the Building are not sufficient to reconstruct the Building, then if the Unit Owners representing at least 75 percent of the undivided interests in the Common Areas, in person or by proxy, vote to repair or restore the Building, the Management Committee shall promptly arrange for the reconstruction of the Building, using the proceeds of insurance on the Building for that purpose, and the Unit Owners shall be liable for assessment for any deficiency, if any, in proportion to their respective percentage of undivided interest in the Common Areas and Facilities. If the destruction or damage is by reason of eminent domain, the provisions of Section 9.2 hereof shall apply.

9.1.3. If 75 percent or more of the Building is destroyed or substantially damaged and the reconstruction of the Building is not approved as provided in Section 9.1.2, the Management Committee shall record, with the County Recorder, a notice of setting forth such facts, and upon the recording of such notice: (i) the Property shall be deemed to be owned in common by the Unit Owners; (ii) the undivided interest in the Property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the Common Areas and Facilities; (iii) any liens affecting any of the Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Unit Owner according to their undivided interest in the Common Areas; and (iv) the Property shall be subject to an action for partition at the suit of any Unit Owner, in which event the net proceeds of sale, together with the net proceeds of the insurance on the Property shall be considered as one fund and shall be divided among all Unit Owners in a percentage equal to the percentage of undivided interest owned by each Unit Owner in the Common Areas and Facilities, after first paying out of the respective shares of the Unit Owners, to the extent sufficient for such purposes, all sums necessary to satisfy the Mortgage on the Unit owned by each Unit Owner.

9.1.4. For purposes of this Section 9.1, the terms "disaster," "destruction" or "substantial damage" shall mean and include a temporary or permanent taking, injury or destruction of all or part of the Common Areas and Facilities or one or more Units or portions thereof by the exercise of the power of or power in the nature of eminent domain or by an action or deed in lieu of condemnation.

9.2. Eminent Domain. Whenever any proceeding is instituted that could result in the temporary or permanent taking, injury or destruction of all or part of the Common Areas and Facilities or one or more Units or portions thereof by the exercise of the power of or power in the nature of eminent domain or by an action or deed in lieu of condemnation (all of which shall be defined as "eminent domain"), the Management Committee, each Unit Owner, and every Mortgagee, shall be entitled to timely written notice thereof and the Management Committee shall and the Unit Owners, at their respective expense, may participate in the proceedings incident thereto. The provisions governing the allocation of awards by reason of eminent domain shall be determined in accordance with Section 57-8-32.5 of the Act; provided, that the priority of any Mortgage shall remain undisturbed.

9.3. Termination. All of the Unit Owners may agree that the Units are obsolete or the

Project should otherwise be abandoned or terminated and that the same should be sold. Such plan or agreement must have the written unanimous approval of every Mortgagee. In such instance, the Management Committee shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice, the entire Property shall be sold by the Association, as attorney-in-fact for all of the Owners, free and clear of the provisions contained in this Declaration, the Survey Map and the Bylaws. The sales proceeds shall be apportioned among the Owners and disbursed in the same manner as provided in Section 9.1.3 of this Declaration.

X. MORTGAGE PROTECTION

10.1 Notice of Action. Upon written request made to the Association by a Mortgagee, which written request shall identify the name and address of such Mortgagee, and the number and address of the Condominium, any such First Mortgagee, shall be entitled to timely written notice of:

10.1.1. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Condominium on which there is Mortgage held by such Mortgagee;

10.1.2. Any delinquency in the payment of assessments or charges owed by an Owner, whose Condominium is subject to a Mortgage held by such Mortgagee, which default remains uncured for a period of 60 days;

10.1.3. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

10.1.4. Abandonment or termination the legal status of the Project after substantial destruction or condemnation occurs.

10.2. Right to Examine Books Etc. Any Mortgagee shall have the right to examine the books and records of the Association during normal business hours and, upon request shall be entitled to received copies of annual reports, financial statements and other financial data for the preceding fiscal year, and shall be entitled to receive written notice of all meetings of the Association and may designate a representative to attend all such meetings.

10.3. Priority of Liens. A Mortgagee of any Unit who comes into possession of the Unit pursuant to the remedies provided in the Mortgage or by deed in lieu of foreclosure, shall take the property free of any claims or unpaid assessments or charges against the mortgaged Unit which accrued prior to the time such Mortgagee comes into the possession of the Unit (except for claims for a prorata share of such assessments or charges resulting from a prorata reallocation of such assessments or charges to all Units, including the mortgaged Unit). The liens created under the Act or pursuant to this Declaration or the Bylaws upon any Unit shall be subject and subordinate to any Mortgage on that Unit, and shall not affect the rights of the Mortgagee pursuant to a Mortgage upon a Unit, recorded prior to the date such liens arose and which is made in good faith and for value, provided that after the foreclosure of any such Mortgage, any assessments created pursuant to this Declaration or the Bylaws after the date of such sale shall have the same effect and be enforced in the same manner against the Purchaser at such sale as would be the case for any other Unit Owner.

10.4. Amendment of Article X. No amendment to Article X of this Declaration shall affect the rights of the Mortgagee under any Mortgage recorded prior to the recordation of any such amendment who does not join in the execution thereof.

XI. CONVEYANCE, EASEMENTS AND ENCROACHMENTS

11.1. Conveyancing. Every deed, lease, mortgage, instrument of conveyance or sale, or other instrument affecting title to a Unit shall describe the Unit by its designation set forth in Exhibit B and in the Survey Map with appropriate reference to the Survey Map and this Declaration, as each shall appear on the records of the County Recorder of Utah County, State of Utah. Every such description shall be deemed good and sufficient for all purposes and shall be deemed to convey, transfer, encumber or otherwise affect the Unit Owner's corresponding percentage of undivided ownership in the Common Areas and Facilities, as a tenant-in-common, as set forth in Exhibit B, also incorporating all rights and limitations incident to ownership described in this Declaration and the Bylaws, even though the same are not exactly mentioned or described. A description shall be deemed sufficient if it appears in substantially the following form:

11.3. Encroachments. None of the rights and obligations of any Unit Owner created by

this Declarations, the Bylaws or by any deed conveying a Unit shall be affected in any way by any encroachments (i) by any portion of the Common Areas and Facilities upon any Unit; (ii) by any Unit upon another Unit or upon the Common Areas due to settling or shifting of the Building or other structure, including the rebuilding of the Building or other structure after fire or other casualty or an eminent domain taking or delivery of a deed in lieu of condemnation, unless there occurs an encroachment that results from the willful or negligent act or omission of the Unit Owner of the encroaching Unit, or of the owners of the Units to which the use of the encroaching Limited Common Areas is appurtenant, or of the Management Committee in the event of an encroachment by any portion of the Common Areas and Facilities other than the Limited Common Areas. Any material amendment to this Declaration, including, but not limited, to any such amendment which would alter the percentage interests in the Common Areas and Facilities, other than those alterations allowed in Article XIV, must be approved in writing by all Mortgagees.

The failure of the Management Committee or its contractors to insist, in one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration or the Bylaws, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or relinquishment for the future of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt and acceptance by the Management Committee or its contractor of the payment of any assessment from a Unit Owner, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by the Management Committee of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Management Committee.
