With the exception of such perpetual easements, the reservations hereby effected shall, unless sooner terminated in accordance with their terms, expire seven (7) years after the date on which this Declaration is filed for record in the Office of the County Recorder of Washington County, Utah.

With respect to the area shown on the plat as Future Development Area, and Storage Area, Declarant makes the following covenants and reservations:

(i) Declarant covenants that it reserves from said property 1.374 acres which shall be dedicated as common area for storage purposes for the benefit of Lot Owners and Declarant. 1. Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be mandatory, shall be appurtenant to the Lot in which the Owner has the necessary interest, and shall not be separated from the Lot to which it appertains.

2. Voting Rights. The Association shall have the following described two classes of voting membership:

Class A. Class A Members shall be all the Owners other than the Declarant. Class A Members shall be entitled to one vote for each Lot in which the interest required for membership in the Association is held. In no event, however, shall more than one Class A vote exist with respect to any Lot.

Class B. The Class B Member shall be the Declarant. The Class B Member shall be entitled to three (3) votes for each Lot in which it holds the interest required for membership in the Association. The Class B membership shall automatically cease and be converted to Class A membership on the first to occur of the following events.

(a) When the total number of votes held by all Class A members equals the total number of votes held by the Class B Member.

(b) The expiration of five (5) years after the first lot is conveyed.

3. Multiple Ownership Interests. In the event there is more than one Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned unless an objection is immediately made by another Owner of the same Lot. In the event such an

objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

IV. PROPERTY RIGHTS IN COMMON AREAS

1. Easement of Enjoyment. Each Member shall have a right and easement of use and enjoyment including, but not limited to, the right of ingress and egress to and from his Lot and in and to the Common Areas. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom. Any Member may grant the use and enjoyment described herein to any tenant, lessee, or contract purchaser who resides on such Member's Lot.

2. Form For Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

All of Lot _____ of LAVA BLUFF MOBILE HOME PARK, according to the official plat thereof, subject to the Declaration of Conditions, Covenants and Restrictions, all on file in the office of the Washington County Recorder.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

3. Transfer of Title. Declarant agrees that it shall, on or prior to the first conveyance of a Lot, convey to the Association title to all Common Areas of the Development, and Declarant further agrees that it will discharge all liens and encumbrances on said Common Areas on or before the sale and closing of the last Lot in the Development.

4. Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(a) The right of the Association to suspend a Member's right to the use of any amenities included in the Common Areas for any period during which an assessment on such Member's Lot remains unpaid and for a period not exceeding ninety (90) days for any infraction by such Member of the provisions of this Declaration or of any rule or regulation promulgated by the Association;

(b) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

(c) The right of the County of Washington and any other governmental or quasi-governmental body having jurisdiction over the property to access and rights of ingress and egress

over and across any street, parking area, walkway, or open spaces contained within the Property for purposes of providing police and fire protection and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the vote of each class of membership which Members present in person or by proxy are entitled to cast at a meeting duly called for the purpose. Written or printed notice, setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least ten (10) days but not more than thirty (30) days prior to the meeting date.

5. Encroachments. If any portion of a permanent improvement encroaches upon the Common Areas or other Lots, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the development, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

V. ASSESSMENTS

1. Personal Obligation and Lien. Declarant, for each Lot owned by it, (subject to the express reservation contained in paragraph 3 below of this Section V and the reservation contained in Section II with respect to the Future Development Area) and each Owner shall, by acquiring or in any way becoming vested with an interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and the special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the owner of such Lot at the time the assessment falls due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot. Any such liens, however, shall be subordinate to the lien or equivalent security interest of any first Mortgage on the unit recorded prior to the date any such common expense assessments become due.

2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the maintenance, health, safety, and welfare of residents of the Property. The use made by the Association of funds obtained from assessments may include payment of the cost of: taxes and insurance on the Common Areas; maintenance, repair, replacement, and improvement of the Common Areas; management and supervision of the Common Areas; establishing and funding a reserve to cover major repair or

replacement of improvements within the Common Areas; and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under this Declaration or its Articles of Incorporation.

3. Base for Assessment. Each Lot which has been conveyed to an Owner shall be assessed at a same and equal rate. For the purpose of assessment, the term "Owner" shall exclude the Declarant, whose obligation shall be as set forth in paragraph 4 below.

4. Declarant shall have the duty to subsidize the operating needs of the Association as follows: Declarant shall pay on a monthly basis the lesser of:

1) The dues set by the Association in its annual budget for each lot owned by Declarant as of the first day of the month or,

2) The amount needed by the Association to pay its operating bills when due (excluding amounts due from Owners obligated to pay dues. Operating bills shall refer to the payment of regular maintenance obligations and shall exclude payments to reserves for replacements.

5. Special Assessments. In addition to the monthly assessments authorized above, the Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable for being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repair or replacement in connection with the Common Areas. Any such special assessment must be assented to by more than fifty percent (50%) of all votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least ten (10) days but not more than thirty (30) days prior to the meeting date.

6. Quorum Requirements. The quorum required for any action authorized by Section 4 above shall be as follows: at the first meeting called the presence of Members or of proxies entitled to cast fifty percent (50%) of all outstanding votes shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 4) at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting.

7. Equal Rate of Assessment. Both monthly and special assessments shall be fixed at a uniform (equal) rate for all lots, subject to the provision of paragraphs 3 and 4 above regarding the Declarant, or his assigns.

8. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Lots on the date a deed is delivered to the first purchaser of a Lot (or contract of sale)

or the date of occupancy under an occupancy agreement whichever first occurs. The first monthly assessment shall be adjusted according to the number of days remaining in the month of conveyance, contract or occupancy, as the case may be. At least 15 days prior to the effective date of any change in amount of the monthly assessment the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

9. Certificate Regarding Payment. Upon the request of any Owner or Prospective purchaser or encumbrancer of a Lot the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

10. Effect of Non-payment -- Remedies. Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection, be, constitute, and remain a continuing lien on the Lot, provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments become due. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payments. Such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of Eighteen percent (18%) per annum plus a late payment service charge equal to five (5) percent of each delinquent amount due, and the Association may, in its discretion, bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. Any judgment obtained by the Association shall include reasonable attorney's fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

11. Tax Collection From Lot Owners by Washington County Authorized. It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Washington County. It is further recognized that each Owner of a Lot is a Member of the Association and as part of his common monthly assessment will be required to pay to the Association his prorata share of such taxes. Notwithstanding anything to the contrary contained in this Declaration, or otherwise, Washington County shall be, and is, authorized to collect such prorata share (on equal basis) of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot. To the extent allowable, Washington County is hereby directed so to do. In the event that the assessor shall separately assess Common Areas to the Association, the Board of Trustees may require, in its discretion a special assessment to pay such taxes, or they may be included in the regular assessment budget.

VI. OPERATION AND MAINTENANCE

1. Maintenance of Lots and Living Units. Each Lot shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Lot. The Association shall have no obligation regarding maintenance or care of Lots except as provided in Paragraph 2 of this Article VI.

2. Operation and Maintenance by Association. The Association, by its duly delegated representative, shall provide for such maintenance and operation of the Common Areas as may be necessary or desirable to make them appropriately usable in conjunction with the Lots and to keep them clean, functional, attractive and generally in good condition and repair. Notwithstanding the provisions regarding Lot maintenance by Owners, in the event an Owner of any Lot in the Property shall fail to maintain his Lot in a manner satisfactory to the Architectural Control Committee or the Board, the Association, after approval by 2/3 vote of the Board, shall have the right, through its agents, employees, or through an independent contractor to enter upon such Lot and repair, maintain, and restore the portion of the Lot maintainable by the Owner. The costs incurred by the Association in maintaining, repairing or restoring those portions of a lot maintainable by the Owner shall then be added to and become an assessment and lien against the lot as described in Section V. 1. and subject to collection as described in Section V. 9 of this Declaration.

3. Utilities. The Association shall pay for the monthly water for each Lot. Each Lot Owner shall pay for all other utility services including power, garbage pickup, and sewer which are separately billed or metered to individual Lots by the utility or other party furnishing such service.

4. Insurance. The Association shall secure and at all times maintain the following insurance coverages:

(a) A policy or policies of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all improvements comprising a part of the Common Areas. The name of the insured under each such policy shall be in form and substance similar to: "LAVA BLUFF OWNERS ASSOCIATION for the use and benefit of the individual Lot Owners and Mortgagees, as their interests may appear".

(b) A comprehensive policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property of the Owners. Limits of liability under such insurance shall not be less than \$1,000,000.00 for all claims for personal injury and/or property damage arising out of a single occurrence, such coverage to include protection against water damage, liability for non-owned or hired automobile, liability for property of others, and such other risks as shall customarily be covered with respect to projects similar in con-

struction, location and use. Such policies shall be issued on a comprehensive liability basis, shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced, and shall contain "a severability of interest" clause or endorsement to preclude the insurer from denying the claim of an Owner in the Development because of negligent acts of the Association or other Owners.

c) A fidelity policy or policies to protect against dishonest acts on the part of Trustees, Officers, Manager, Employees of the Association and all others (including volunteers) who handle or are responsible for handling funds of the Association. This fidelity coverage shall name the Association as the obligee or insured and shall be written in an amount sufficient to offer the protection reasonably required, but in no event less than one-hundred percent (100%) of the Association's estimated annual operating expenses including reserves. The fidelity bond or insurance shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression. Said policy shall also provide that it may not be cancelled or substantially modified (including cancellation for non-payment of premiums) without at least thirty (30) days prior written notice to all first mortgagees of Lots.

The following additional provisions shall apply with respect to insurance:

(1) In addition to the insurance described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Property in construction, nature, and use.

(2) All policies shall be written by a company holding a rating of Class IV or better from Best's Insurance Reports or equivalent rating. Each insurer must be specifically licensed in the State of Utah.

(3) The Association shall have the authority to adjust losses.

(4) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their Mortgagees.

(5) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: A waiver of the insurer's subrogation rights with respect to the Association, the Owners, and their respective directors, officers, agents, employees, invitees, and tenants; that it cannot be cancelled, suspended, or invalidated due to the conduct of any particular Owner or Owners; that it cannot be cancelled, suspended, or invalidated due to the

conduct of the Association or of any director, officer, agent or employee of the Association without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners.

(6) Notwithstanding any provisions to the contrary herein, so long as the Mortgagee or its designee holds a mortgage or beneficial interest in a trust deed on a lot in the Development or owns a Lot, insurance policies shall meet all requirements and contain such other coverage and endorsements as may be required from time to time by the Mortgagee or its designee.

(7) Mortgagee Clause. All policies of hazard insurance must contain or have attached the standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the mortgaged premises are located. The mortgagee clause must provide that the insurance carrier shall notify the first Mortgagee (or trustee) named at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

(8) Review of Insurance. The Board shall periodically, and whenever requested by twenty percent (20%) or more of the Owners, review the adequacy of the Association's insurance program and shall report in writing the conclusions and action taken on such review to the Owner of each Lot and to the holder of any mortgage on any Lot who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by the Owner.

(9) Lots and Mobile Home Units Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Lot or Mobile Home and acts and events occurring thereon.

(10) Unacceptable Policies. Policies are unacceptable where: (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Lot Owner or Mortgagee or Mortgagee's designee; or (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Lot Owner, Mortgagee or Mortgagee's Designee from collecting insurance proceeds.

(11) Flood Insurance. The Development is not located in an area identified by the Housing and Urban Development as an area having special flood hazards. In the event that at some future time the Development should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Lots comprising the Development or the maximum limit of coverage available under the National Flood Insurance Act of 1968 as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the Federal Home Loan Mortgage Corporation at any given time.

5. Manager. The Association may carry out through a Manager any of its functions which are properly the subject of delegation. Any Manager so engaged may be an independent contractor or an agent or employee of the Association, shall be responsible for managing the Property for the benefit of the Association and the Owners, and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

6. Terms of Management Agreement. Any agreement for professional management of the Development, or any other contract providing for services of the Declarant, sponsor, or builder, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice.

VII. USE RESTRICTIONS

1. Use of Common Areas. The Common Areas shall be used only in a manner consistent with their community nature and with the use restrictions applicable to Lots. No admission fees, charges for use, leases, or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas, except as may be approved by the Board for commercial services provided for the benefit of Lot Owners.

Lighting and utility hookups are provided. All mobile homes or structures are required to have a front setback a minimum of ten (10) feet. No wrecked automobiles or repair of automobiles shall be allowed either on the street or on the Lot. No more than one (1) mobile home plus two (2) other parked vehicles will be permitted or maintained upon any Lot in said subdivision. No boat trailer, boats, or pickup shall be stored more than seven (7) consecutive days on any Lot within the Development. No outdoor burning of trash or other debris shall be permitted. 1. Architectural Control Committee. The Board of Trustees of the Association shall appoint a three-member Committee the function of which shall be to insure that all landscaping within the Property harmonize with existing surroundings and structures. Said Architectural Control Committee shall serve at the pleasure of the owners and developer of Lava Bluff Mobile Home Park; provided, however, that after all lots in the development have been sold, the Committee shall consist of three expandable to five lot owners who shall be elected at the annual meeting and serve at the pleasure of the majority of the lot owners.

2. Standard. In deciding whether to approve or disapprove plans and specifications submitted to it, the Committee shall use its best judgment to insure that all improvements, construction, landscaping, and alterations on Lots within the Property conform to and harmonize with existing surroundings and structures. The Board may formulate general guidelines and procedures. The adopted guidelines and procedures shall be incorporated in the Book of Resolutions and the Architectural Control Committee, or the Board, as the case may be, shall act in accordance with such guidelines and procedures.

3. Approval Procedure. Any plans and specifications submitted to the Committee shall be approved or disapproved by it in writing within thirty (30) days after submission. In the event the Committee fails to take any action within such period it shall be deemed to have approved the material submitted.

4. Construction. Once begun, any improvements, construction, landscaping, or alterations approved by the Committee shall be diligently prosecuted to completion. If reasonably necessary to enable such improvement, construction, landscaping, or alteration, the person or persons carrying out the same shall be entitled to temporary use and occupancy of unimproved portions of the Common Areas in the vicinity of the activity.

5. Disclaimer of Liability. Neither the Architectural Committee, nor any member thereof acting in good faith shall be liable to the Association or to any Owner for any damage, loss, or prejudice suffered or claimed on account of (a) the approval or rejection of, or the failure to approve or reject, any plans, drawings or specifications, (b) the construction or performance of any work, whether or not pursuant to approved plans, drawings and specifications, (c) the development or manner of development of any

of the Property, or (d) any engineering or other defect in approved plans and specifications.

6. Nonwaiver. The approval by the Architectural Committee of any plans and specifications for any work done or proposed shall not constitute a waiver of any right of the Architectural Committee to disapprove any similar plans and specifications.

7. Exception for Declarant. The foregoing provisions of this Article VIII shall not apply to any improvement, construction, landscaping, or alteration which is carried out by Declarant on any Lot or on any part of the Common Areas and which occurs at any time during the seven-year period following the date on which this Declaration is filed for record in the office of the County Recorder of Washington County, Utah. Declarant shall further have the right to designate the location and design of any common area amenities including, but not limited to clubhouse, pool or other recreational amenities or green areas, provided that the Declarant shall not be required to provide any such amenities by virtue of this paragraph.

8. Declarant's Obligation. Declarant hereby covenants in favor of each Owner: (a) that all improvement of the Common Areas accomplished by it shall be architecturally compatible with respect to one another and (b) that on or before seven years from the date on which this Declaration is filed for record in the office of the County Recorder of Washington County, Utah, there shall be substantially completed and usable as part of the Common Areas all open spaces in the locations shown on the Plat.

IX. CONDEMNATION

If at any time or times the Common Areas or any part thereof shall be taken or condemned by any authority having the power of eminent domain, the Association shall represent the lot owners in these proceedings, negotiations, settlements or agreements. All compensation and damages shall be payable to the Association and shall be used promptly by Association to the extent necessary for restoring or replacing any improvements on the remainder of the Common Areas. Upon completion of such work and payment in full therefor, any proceeds of condemnation then or thereafter in the hands of the Association which are proceeds for the taking of any portion of the Common Areas shall be disposed of in such manner as the Association shall reasonably determine; provided, however, that in the event of a taking in which any Lot(s) is eliminated, the Association shall disburse the portion of the proceeds of the condemnation award allocable to the interest of the Owner(s) of such Lot(s) to such Owner(s) and any first Mortgagee(s) of such Lot(s), as their interests shall appear, after deducting the proportionate share of said Lot in the cost of debris removal.

X. RIGHTS OF FIRST MORTGAGEES

Notwithstanding any other provisions of this Declaration, the

Following provisions concerning the rights of first Mortgagees shall be in effect:

1. Preservation of Regulatory Structure and Insurance.

Unless the holders of 75% of all first Mortgagees and 75% of the Lot Owners shall have given their prior written approval, the Association shall not be entitled:

(a) by act or omission to change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the upkeep of the Common Areas of the Property;

(b) to fail to maintain fire and extended coverage on insurable portions of the Common Areas on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement costs); or

(c) to use hazard insurance proceeds for losses to the Common Areas for other than the repair, replacement or reconstruction of improvements on the Common Areas.

2. Preservation of Common Area; Change in Method of Assessment.

Unless the Association shall receive the prior written approval of (1) at least 75% of all first mortgagees (based on one vote for each Mortgagee) of the Lots and (2) the Owners of at least seventy-five percent (75%) of the Lots (not including Lots owned by Declarant) the Association shall not be entitled:

(a) by act or omission to seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas, except to grant easements for utilities and similar or related purposes, as herein elsewhere reserved; or

(b) to change the ratio or method of determining the obligations, assessments, dues or other charges which may be levied against a Lot or the Owner thereof.

Neither this Article X nor the insurance provision contained in Article VI may be amended without the prior approval of all first Mortgagees.

3. Notice of Matters Affecting Security. The Association shall give written notice to any first Mortgagee of a Lot requesting such notice wherever:

(a) there is any default by the Owner of the Lot subject to the first mortgage in performance of any obligation under this Declaration or the Articles or Bylaws of the Association which is not cured within thirty (30) days after default occurs; or

(b) there occurs any substantial damage to or destruction of any Lot or any part of the Common Areas involving an amount in excess of, or reasonably estimated to be in excess of \$15,000.00. Said notice shall be given within ten (10) days after the Association learns of such damage or destruction; or

(c) there is any condemnation proceedings or proposed acquisition of a Lot or of any portion of the Common Areas within ten (10) days after the Association learns of the same; or

(d) any of the following matters come up for consideration or effectuation by the Association:

(i) abandonment or termination of the Planned Unit Development established by this Declaration;

(ii) material amendment of the Declaration or the Articles or Bylaws of the Association; or

(iii) any decision to terminate professional management of the Common Areas and assume self-management by the Owners.

4. Notice of Meetings. The Association shall give to any first Mortgagee of a lot requesting the same, notice of all meetings of the Association, and such first Mortgagee shall have the right to designate in writing a representative to attend all such meetings.

5. Right to Examine Association Records. Any first Mortgagee shall have the right to examine the books, records and audit financial statements of the Association.

6. Right to Pay Taxes and Charges. First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Areas and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for the Common Areas; and first Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association. Declarant, for the Association as owner of the Common Areas, hereby covenants and the Association by acceptance of the conveyance of the Common Areas, whether or not it shall be so expressed in such conveyance, is deemed to covenant and agree to make such reimbursement.

7. Exemption from any First Right of Refusal. Any first Mortgagee and any purchaser therefrom who obtains title to the Lot pursuant to the remedies provided in the first Mortgage, or by foreclosure of the first Mortgage, or by deed or assignment in lieu of foreclosure, or by sale pursuant to any power of sale or otherwise shall be exempt from any "right of first refusal" which would otherwise affect the Lot.

8. Rights Upon Foreclosure of Mortgage. Each holder of a first Mortgage (or Deed of Trust) on a Lot and any purchaser from it who comes into possession of the Lot by virtue of foreclosure of the Mortgage, or by deed or assignment in lieu of foreclosure, or pursuant to a power of sale or otherwise will take the Lot free of, and shall not be liable for, any claims for unpaid assessments and charges against the Lot which accrue prior to the time such holder comes into possession of the Lot.

9. Restrictions Without Approval of Mortgagees. Except as to the Association's right to grant easements for utilities and similar or related purposes, the Development's Common Areas may not be alienated, released, transferred, hypothecated, or otherwise encumbered without the approval of 75% of first Mortgage liens on the Lots.

10. Mortgagees Rights Concerning Amendments. Except as

concerns the right of Declarant to amend the Declaration and related documents as contained in Article XII of the Declaration, no material amendment to the Declaration, By-Laws or the Articles of Incorporation of the Association shall be accomplished or effective unless at least 75% of the Mortgagees (based on one vote for each Mortgagee) of the individual Lots have given their prior written approval to such amendment.

XI. DECLARANT'S RIGHT TO AMEND

1. Until all Lots are sold to Lot Owners, Declarant shall have, and is hereby vested with, the right to unilaterally amend the Declaration and or the Plat as may be reasonably necessary or desirable:

(i) to adjust the boundaries of the Lots, including adding or deleting common areas (by filing an appropriate amended Plat) to accommodate design changes or changes in type of units or adjustment to lot configuration;

(ii) to more accurately express the intent of any provisions of the Declaration in the light of then existing circumstances or information;

(iii) to better insure, in light of the existing circumstances or information, workability of the arrangement which is contemplated by the Declaration;

(iv) to facilitate the practical, technical, administrative or functional integration of any additional tract or subdivision into the Development; or

(v) to conform to the underwriting guidelines of major secondary market investors in order to facilitate the availability of financing, or to conform to the terms of the Declaration to the requirements of the laws of any state in which the Declarant may desire to register and market the project, including the laws of the State of Utah.

XII. MISCELLANEOUS

1. Notices. Any notice required or permitted to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly furnished if delivered or mailed, postage prepaid, to the person named as the Owner, at the latest address for such person as reflected in the records of the Association at the time of delivery or mailing. Any notice required or permitted to be given to the Association may be given by delivering or mailing the same to the Managing Agent or the President of the Association. Any notice required or permitted to be given to the Architectural Control Committee may be given by delivering or mailing the same to the Chairman or any member of such Committee.

2. Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that

the Property is maintained and used in a manner consistent with the interests of the Owners.

3. Amendment. Any amendment to this Declaration shall require:

(a) the affirmative vote of at least two-thirds (2/3) of all Class A membership votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called for such purpose; and,

(b) so long as the Class B membership exists, the written consent of Declarant.

Written notice setting forth the purpose of the meeting and the substance of the amendment proposed shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date. The quorum required for any such meeting shall be as follows: At the first meeting called the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the Class A membership shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirement set forth in the foregoing portion of this Section 3) at which a quorum shall be one-half of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the Association (and by the Declarant if the Class B membership then exists). In such instrument an officer or director of the Association shall certify that the vote required by this Section for amendment has occurred.

4. Consent in Lieu of Vote. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the class of membership concerned. The following additional provisions shall govern any application of this Section 4:

(a) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Member.

(b) The total number of votes required for authorization or approval under this Section 4 shall be determined as of the date on which the last consent is signed.

(c) Except as provided in the following sentence, any change in ownership of a Lot which occurs after consent has been obtained from the Owners thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number

of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

(d) Unless the consent of all Members whose memberships are appurtenant to the same Lot are secured the consent of none of such Members shall be effective.

5. Reserve Fund. The Association shall establish an adequate reserve to cover the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Lot Owners rather than by special assessments.

6. Lease Provisions. Any Owner may lease his Lot, provided, however, that any lease agreement between a Lot Owner and a Lessee must be in writing and must provide, inter alia, that:

(a) The terms of the Lease shall in all respects be subject to the provisions of the Declaration, Articles of Incorporation of the Association and the By-Laws; and

(b) Any failure by the Lessee to comply with the terms of such documents shall constitute a default under the lease.

7. Declarant's Covenant to Construct Common Areas. Declarant hereby covenants to construct all Common Areas and amenities thereto indicated on the Plat. However, Declarant reserves the right to submit the issue of whether the members desire to have installed and to maintain in the Common Areas a pool and/or Jacuzzi. The Declarant may condition the installation of such upon a special assessment for the cost of installation. The vote on such a special assessment shall require the affirmative consent of 60% of the Lot Owners (not including lots owned by Declarant), plus the consent of the Declarant.

8. Declarant's Rights Assignable. All or any portion of the rights of Declarant under this Declaration or in any way relating to the Property may be assigned.

9. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

10. Covenants to Run With Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Declarant, all parties who hereafter acquire any interest in a Lot or in the Common Areas shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration and failure to comply with any of

298790

the foregoing shall be ground for an action by the Association or any aggrieved Owner for the recovery of damages, or for injunctive relief, or both. By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

11. Effective Date. This Declaration and any amendment hereof shall take effect upon its being filed for record in the office of the County Recorder of Washington County, Utah.

EXECUTED the day and year first above written.
