The Grantor, or in the event of the Grantor's failure to do so, the ACC, shall have the power to promulgate ACC Rules/ACC Standards relating to the planning, construction, alteration, modification, removal or destruction of Improvements within the Property deemed necessary or desirable by the Grantor, or the ACC, as the case may be, to carry out the purposes of this Master Declaration.

SECTION 5.27. Exemption Of Grantor. Nothing herein contained shall limit the right of the Grantor to subdivide or re-subdivide any Lot or portion of the Property or to grant licenses, reservations, rights-of-way or easements with respect to Common Areas to utility companies, public agencies or others; or to complete excavation, grading and Development to or on any Lot or other portion of the Property owned or controlled by the Grantor, or to alter the foregoing and its Development plans and designs, or construct additional Improvements as the Grantor deems advisable in the course of Development of the Subdivision. This Master Declaration shall not limit the right of the Grantor at any time prior to acquisition of title to a Lot by an Owner to establish on that Lot additional licenses, restrictions, reservations, rights-of-way and easements to itself, to utility companies and to others, as may from time to time be reasonably necessary. The Grantor need not

seek or obtain ACC approval of any Improvements constructed or placed within the Property by the Grantor in connection with the Development of the Subdivision, but this exemption shall not apply to a Building(s) constructed by the Grantor on a Lot owned by the Grantor. The Grantor shall be entitled to the non-exclusive use, without charge, of any Common Area within the Subdivision in connection with the marketing of the Lots therein.

ARTICLE VI - SARATOGA SPRINGS OWNERS ASSOCIATION, INC.

SECTION 6.01. Organization of Association. The Owners Association, Inc. shall be organized by the Grantor as a Utah non-profit corporation and shall be charged with the duties and vested with the powers prescribed by law and set forth in its Articles of Incorporation, its By-Laws and this Master Declaration. Neither said Articles nor said By-Laws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Master Declaration.

SECTION 6.02. Sub-Association(s). Until full and final completion of the Development, the Grantor shall have the sole and absolute right to create one or more Sub-Associations for purposes not inconsistent with this Master Declaration including, but not limited to, the following which shall be provided for in a Supplemental Declaration:

- (d) Assess and certify to the Association for collection the Regular, Special and Limited Assessments required to meet the estimated cash needs of the Sub-Association.

The Articles of Incorporation, By-Laws, rules, regulations and the Supplemental Declaration relating to a Sub-Association shall not be inconsistent with the terms and provisions of this Master Declaration and any inconsistency shall be governed by this Master Declaration. Unless earlier consented to in writing by the Grantor, after completion of Development of the Subdivision, Sub-Associations may be formed by any Owner or group of Owners with the approval of the Board and by satisfying all necessary legal requirements including, but not limited to, the preparation, execution and recording of a Supplemental Declaration.

Except as provided to the contrary in this Master Declaration or unless specifically provided to the contrary in the Supplemental Declaration relating to a Sub-Association, the provisions of this Article shall be applicable to and shall regulate each Sub-Association.

SECTION 6.03. Relationship Between Association and Sub-Associations. It is the purpose and - intent of the provisions of this Master Declaration that the Association shall be charged with and responsible for the management of all activities in the Subdivision including, in addition to all other duties and responsibilities set forth herein, the following:

- (a) The approval of all rules and regulations of each Sub-Association and providing of assistance to a Sub-Association in the enforcement thereof; and
- (b) The levy and collection of Assessments of each Sub-Association which have been certified by the Sub-Association Board to the Association.

Nothing herein contained shall restrict or prohibit a Sub-Association from owning, in its own name, Common Area or other property related thereto, the use of which shall be restricted to Members of that Sub-Association. However, it is the intent of this Master Declaration that any such Common Area owned by a Sub-Association, the use and maintenance thereof and the activities of the Sub-Association, shall be consistent with and in furtherance of the Project Objectives and the terms and provisions of this Master Declaration to assure that the whole of the Subdivision is developed and approved as a quality residential community.

SECTION 6.04. Members. Each Owner (including the Grantor) of a Lot by virtue of being such an Owner and for so long as such ownership is maintained shall be a Member of the Association and no Owner shall have more than one membership in the Association, but shall have such voting rights as hereafter set forth. A membership in the Association shall not be assignable, except to the successor-in-interest of the Owner and a membership in the Association shall be appurtenant to and inseparable from the Lot owned by such Owner. A membership in the Association shall not be transferred, pledged or alienated in any way except upon the transfer of title to said Lot and then only to the transferee of title to said Lot. Any attempt to make a prohibited transfer of a membership shall be void and shall not be reflected on the books of the Association.

SECTION 6.05. Voting. The Association (and each Sub-Association) shall have two (2) classes of voting membership:

CLASS A. Class A Members shall be all Owners of Lots within the Subdivision, with the exception of the Grantor, and shall be entitled to one (1) vote for each Lot owned.

CLASS B. Class B Members shall be the Grantor, and its successor(s) in title to a Lot(s), which Lot(s) is held by such successor in an unimproved condition (i.e., without a residential dwelling thereon) for resale to a builder or other person for the purpose of constructing thereon a residential dwelling, and to which successor the Grantor has specifically granted such Class B voting rights in writing; provided, that if such voting rights are not so granted, such successor shall be entitled to the voting rights of a Class A Member with respect to each Lot owned. Upon the first sale of a Lot to an Owner, the Grantor shall thereupon be entitled to five (5) votes for each Lot owned by the Grantor. The Class B membership shall cease and be converted to Class A membership when (i) the total votes outstanding in the Class A membership exceeds the total votes outstanding in the Class B membership, or (ii) January 1, 2010, whichever shall first occur.

In addition to individual Lots owned by the Grantor, the Grantor shall be granted the equivalent Class B voting rights of four (4) Lots per acre for all Property yet undeveloped (and Grantor-owned) in the Project.

SECTION 6.06. Board of Directors and Officers. The affairs of the Association shall be conducted by a Board of Directors and such officers as the Directors may elect or appoint, in accordance with the Articles and By-Laws, as the same may be amended from time to time.

SECTION 6.07. Powers of Association. The Association shall have all powers of a non-profit corporation organized under the laws of the State of Utah subject only to such limitations as are expressly set forth in the Articles, the By-Laws or this Master Declaration. It shall have the power to do any and all lawful things which may be authorized, required or permitted to be done under the Articles, By-Laws or this Master Declaration, and to do and perform any and all acts which may be necessary or proper for, or incident to, the proper management and operation of the Common Areas and the performance of other responsibilities including, but not limited to, the following:

- (a) **Assessments.** The power to levy Regular, Special and Limited Assessments on the Owners and/or Lots and to enforce payment thereof in accordance with the provisions of this Master Declaration.
- (b) **Right of Enforcement.** The power and authority from time to time in its own name, on its own behalf, or on behalf of any Owner(s) who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of the Articles, By-Laws, Master Declaration or ACC Rules/ACC Standards, and to enforce by mandatory injunction or otherwise, all provisions thereof.

- (e) **Association Rules.** The power to adopt, amend, and repeal such rules and regulations as the Association deems reasonable. Such rules shall govern the use by Owners and Occupants or any other person of Common Areas and other property owned or controlled by the Association; provided, however, Association rules shall not discriminate among Owners and shall not be inconsistent with the Articles, By-Laws or this Master Declaration. A copy of Association rules as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner and Occupant. Upon such mailings said Association rules shall have the same force and effect as if they were set forth in and were part of this Master Declaration. In the event of any conflict between an Association rule or any provision of the Articles, By-Laws or this Master Declaration, the conflicting

provisions of the Association rules shall be deemed superseded to the extent of any such inconsistency.

- (f) Emergency Power. The Association, or any person authorized by the Association, may enter onto any Lot or into any Building or other structure on a Lot in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which it is responsible. Such entry shall be made with as little inconvenience to the Occupants as practicable and any damage caused thereby shall be repaired by the Association unless said entry was necessitated by a condition caused by the Owner or Occupant.

- (g) Licenses, Easements and Rights-of-Way. The power to grant and convey to any third party such licenses, easements, rights-of-way or fee title in, on, through, under or of the Common Areas as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment thereof and for the preservation of health, safety, convenience and welfare of the Owners, for the purpose of constructing, erecting, operating or maintaining:

- (h) Fiscal Year. The Board shall have the right to elect a fiscal year for the Association instead of a calendar year for budget, Assessment and accounting purposes.

SECTION 6.08. Duties of Association. In addition to the powers delegated to it by the Articles, ByLaws and this Master Declaration, without limiting the generality thereof, the Association or its authorized agents, if any, shall conduct all business affairs of common interest to all Owners and perform each of the following duties:

- (b) **Taxes and Assessments.** Pay all real and personal property taxes and assessments separately levied against the Common Areas owned by the Association or against the Association and/or any property owned by the Association. Such taxes and assessments may be contested or compromised by the Association; provided, however, that they are paid or a bond insuring payment is posted prior to the sale or the disposition of any property to satisfy the payment of such taxes. In addition, the Association shall pay all other taxes, federal, state or local, including income or corporate taxes, levied against the Association in the event that the Association is denied the status of a tax exempt corporation.
- (c) **Utilities.** Acquire, provide and/or pay for water, sewer, refuse collection, electrical, telephone, gas and other necessary services for the Common Areas owned by the Association.

 - (ii) Comprehensive public liability insurance insuring the Association, the Board, officers, the Grantor and the individual Owners and agents and employees of each of the foregoing against any liability incident to the ownership and/or use of the Common Areas owned by the Association or easement areas under the control of the Association. The limits of liability of such coverage shall be as determined by the Board of Directors.
 - (iii) Full coverage directors and officers liability insurance in an amount determined by the Board.
 - (iv) Such other insurance, including workmen's compensation insurance to the extent necessary to comply with all applicable laws and indemnity, faithful performance, fidelity and other

- (v) The Association shall be deemed a trustee of the interests of all Owners in any insurance proceeds paid to it under such policies, and shall have full power to receive their interests in such proceeds and to deal therewith.
- (vi) Insurance premiums for the above insurance coverage shall be deemed a common expense to be included in the Regular Assessments levied by the Association.
- (vii) Notwithstanding any other provision herein to the contrary, the Association shall continuously maintain in effect such casualty, liability and other insurance and a fidelity bond meeting the insurance and fidelity bond requirements for PUD projects established by Federal National Mortgage Association ("FNMA"), the Government National Mortgage Association ("GNMA") and the Federal Home Loan Mortgage Corporation ("FHLMC"), so long as any of which is a Mortgagee or Owner of a Lot within the Subdivision, except to the extent such coverage is not available or has been waived in writing by FNMA, GNMA or FHLMC, as applicable.

- (b) Within ninety (90) days after the close of each fiscal year, the Association, or its agent, shall cause to be prepared a balance sheet as of the last day of the Association's fiscal year and an annual operating statement reflecting the income and expenditures of the Association for that fiscal year.

ARTICLE VII - ASSOCIATION PROPERTIES

SECTION 7.01. Use. Each Owner of a Lot, his family, licensees, invitees, lessees and contract purchasers who reside on the Lot, shall be entitled to use the Association properties and the properties of any Sub-Association of which the Owner is a Member subject to the following:

- (a) **Articles, Etc.** The provisions of the Articles and By-Laws of the Association and any Sub-Association applicable to the Lot, this Master Declaration and applicable Supplemental Declaration and the rules, regulations and standards promulgated thereunder. Each Owner, in using the Association or Sub-Association properties, shall comply with the same.
- (b) **Suspension of Rights.** The right of the Association or Sub-Association to suspend the rights to use properties owned by it (except roads and other means of access by an Owner) for any period during which any Assessment against that Owner's Lot remains unpaid; and for any infraction or published rules and regulations of the Association or Sub-Association.
- (c) **Dedications.** The right of the Association or Sub-Association to dedicate or transfer all or any part of properties owned by it to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed by the Board, so long as said transfer does not diminish the security of the Mortgagees on any Lot or Common Area in the Subdivision.
- (d) **Mortgage or Conveyance of Common Area.** Except as provided in subsection (c), above, no portion of the Common Area shall be mortgaged or conveyed by the Association without the prior approval of at least one half (1/2) of the Class A Members or two-thirds (2/3) of the Class B Members, which approval may be obtained in writing or by a vote of the respective Class Members at a meeting called for such purpose and, with respect to such meeting, the provisions concerning notice and quorum in Section 8.11, below, shall apply.
- (e) Notwithstanding other provisions of this section, The Association may limit the use and fee rental or sale of the harbor, pools community center buildings and other Association facilities per rules created by the Association.

SECTION 7.02. Damages. An Owner shall be liable for any damages to the Common Area which may be sustained by reason of the negligence, reckless or intentional misconduct of said Owner or of his family, licensees, invitees, lessees or contract purchasers, both minor and adult. In the case of joint ownership of a Lot, the liability of such Owners shall be joint and several. The cost of correcting such damage shall be as a Limited Assessment against that Owner's Lot and may be collected as provided in Article IX, below.

SECTION 7.03. Damage and Destruction. In the case of damage by fire or other casualty to property owned by the Association or any Sub-Association, insurance proceeds to compensate for damage and destruction shall be paid to the Association or the Sub-Association, as the case may be, and the recipient thereof shall thereafter determine what repair or reconstruction shall be undertaken.

SECTION 7.04. Condemnation. If at any time any part of a Common Area or other property owned by the Association or any Sub-Association be taken or condemned by any public entity or sold or otherwise disposed of in lieu thereof, all compensation, damages or other proceeds shall be paid to the Association or the Sub-Association, whichever entity owns said property. The recipient of said payment shall then use all or a portion of the funds to pay obligations secured by any lien on the property taken and thereafter may determine to use the funds to (i) improve other properties of the Association or Sub-Association; (ii) acquire and/or improve additional properties for the Association or Sub-Association; or (iii) use such proceeds to reduce future assessments.

ARTICLE VIII - ASSESSMENTS

SECTION 8.01. Covenant to Pay Assessments. Each Owner hereby, and by acceptance of a deed to a Lot, covenants and agrees to pay when due all Regular, Special and Limited Assessments or charges made by the Association or a Sub-Association of which the Owner is a Member.

All such Assessments, together with interest, costs and reasonable attorneys' fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made, and shall be also the personal obligation of the Owner of such Lot at the time when the Assessment becomes due and payable, provided, however, that all such assessments shall be junior and subordinate to the lien of a First Mortgage or First Deed of Trust encumbering the Lot. The personal obligation for delinquent Assessments shall not pass to an Owner's successors in title unless expressly assumed by them. No Owner may waive or otherwise avoid liability for any Assessment by non-use of the Common Areas or by abandonment of his Lot.

SECTION 8.02. Regular Assessments. Regular Assessments shall be assessed on a calendar year basis unless otherwise determined by the Board. The Regular Assessments shall be based upon advance estimates of annual cash requirements as determined by the Board for the maintenance and operation of the Common Areas and all easement areas, if any, controlled by the Association and for the performance by the Association of its other duties and responsibilities. Such estimates may include, but shall not be limited to, expenses of management, administration and ACC activities, taxes and special assessments of local governmental units, premiums for all insurance which the Association is required or permitted to maintain hereunder, landscaping and care of grounds, lighting, water charges, trash collection, sewerage charges, repair and maintenance, legal and accounting fees, and any deficit remaining from previous periods and the creation of a reserve, surplus and/or sinking fund(s), and other expenses or obligations incurred or expected as they may be required by the Association in compliance with this Declaration.

The initial annual Regular Assessment for the calendar year during which the Grantor conveys fee title to a Lot to an owner shall be the amount of:

* \$8.00 per Lot per month pro-rata for vacant or platted (unimproved) Lots, conveyed from the Grantor to an individual or Builder.

* \$15.00 per Lot per month pro-rata for developed lots (with infrastructure), without homes completed. A Lot will be considered "developed" when the Lot is eligible for building permit and the lot has been conveyed from the Grantor to an individual or Builder.

* \$45.00 per Lot per month, pro rata with a completed home.

*Commercial Lots shall pay an annual assessment (pro-rata) based upon \$10.00 per month per acre for vacant (unbuilt) land and when such Lots are conveyed from the Grantor to an individual or Builder.

*Commercially developed (with a building or structure complete) Lots shall pay two (2) cents per gross square foot of enclosed building area per month.

SECTION 8.03. Special Assessments. In addition to Regular Assessments, the Association may levy at any time a Special Assessment payable over such period as the Board may deem appropriate for the following purposes:

- (a) To defray, in whole or in part, the cost of any construction or reconstruction of Improvements on a Common Area, unexpected repair or replacement of a Common Area or any facility located thereon or an easement area controlled by the Association, the furnishing of a special service or services (other than those appropriate for a Limited Assessment), or for any other expenses incurred or to be incurred as provided in this Master Declaration.
- (b) To cure a deficit in the common and ordinary expenses of the Association for which Regular Assessments for a given calendar or fiscal year are or will be inadequate to pay, as determined by the Board.

SECTION 8.04. Limited Assessments. In addition to Regular and Special Assessments, Owners shall pay Limited Assessments as follows:

- (a) **Maintenance and Repair.** The Association shall have the power to incur expenses for maintenance and repair of any Lot or any Improvements on a Lot, if such maintenance and repair is necessary, in the opinion of the Board, to protect the Common Area or any other portion of the Property, and if the Owner of said Lot has failed or refused to perform said maintenance or repair within a reasonable time after written notice of the necessity thereof has been delivered by the Board to said Owner. The Board shall levy a Limited Assessment against the Owner of the Lot owned by said Owner to pay for the cost of such maintenance and repair, and any other cost or expense, including attorneys' fees, arising out of or incident to such maintenance and repair and the Assessment therefor.
- (b) **Correction of Violations.** In addition to maintenance and repair, the Board, upon certification from the ACC of the failure or refusal of an Owner to correct a violation of this Master Declaration or the ACC Rules/ACC Standards, shall have the power to correct any such violation on a Lot or any Improvement on a Lot, and incur costs necessary in connection therewith.

The cost of such corrective action, together with interest, related expenses and attorneys' fees shall be assessed and collected as set forth in Article X of this Master Declaration.

- (c) **Limited Purpose.** The Association shall have the power to levy a Limited Assessment against Owners and Lots for any limited special purpose which the Board believes necessary with respect to certain Lots but not an appropriate expense for payment by the Association. Such Limited Assessment shall not be made until the Owners of said Lots subject thereto have been given an opportunity, after notice, to participate in a hearing with respect to said Limited Assessment.

SECTION 8.05. Sub-Association Assessments. Any Sub-Association of the Subdivision is hereby empowered to assess and certify for levy and collection by the Association, Regular, Special and Limited Assessments on the Lots and Owners thereof who are Members of the Sub-Association. The certification for levy by a Sub-Association and the collection thereof by the Association shall be as follows:

- (a) The Sub-Association Board shall, following its By-Laws, rules and regulations, meet and approve a Regular, Special or Limited Assessment.
- (b) A written certification signed by the President and Secretary of the Sub-Association that a Regular, Special or Limited Assessment has been approved by the Sub-Association Board shall be submitted to the Board. The certification shall contain the following: (i) a description of the type of Assessment to be levied and collected; (ii) the name and address of the Owner and the legal description of each Lot to be assessed; (iii) the amount to be levied and collected from each Owner; and (iv) the term of said levy and the due dates for the payment thereof by the Owners affected. The due dates may be adjusted by the Board to conform the same to the due dates of the Assessments of the Association for the purpose of achieving efficiency and economy in preparing and mailing statements and notices and collection.
- (c) Upon compliance with the foregoing, the Board shall levy the Assessment so certified in accordance with the terms of the certification in the same manner as levies for Assessments of the Association. Any levy made by the Association on behalf of a Sub-Association pursuant to a proper certification shall have the same force and effect as a levy made by the Association.
- (d) The Association, upon receipt of funds paid pursuant to a levy certified by a Sub-Association, shall deposit such funds as received in the separate account of the Sub-Association, as designated by the Sub-Association.

SECTION 8.06. Commencement of Regular Assessments. Regular Assessments of the Association against each Lot shall commence on the date the Grantor conveys title to the Lot, or Subdivided Lots, to an Owner. If the Grantor pays all or any portion of the expenses of the Association in excess of the amount assessed to Lots owned by the Grantor, such excess amounts so paid shall constitute a prepayment of Assessments (Regular and Special) to become due and payable

on the Lots owned by the Grantor within the Subdivision; provided that unless such e~cess amounts so paid by the Grantor are paid pursuant to a written agreement with the Association to the contrary, the Grantor shall not be entitled to reimbursement in cash of any such Assessment credit nor shall such credit inure to an Owner purchasing a Lot from the Grantor, unless such person is the successor to substantially all of the interest of the Grantor in the Property. Nothing herein contained shall obligate the Grantor to pay any Assessment with respect to a Lot within a separately platted phase or subdivision within the Subdivision in which the Grantor owns all of the Lots.

SECTION 8.07. Uniform Rate Or Assessment. Except as expressly provided to the contrary in this Master Declaration, Regular and Special Assessments of the Association shall be filed at a uniform rate for all Lots.

SECTION 8.08. Assessment Due Date. The due dates for Regular, Special and Limited Assessments shall be the first day of the first month of the second calendar quarter, unless some other due date is established by the Board. Each installment of an Assessment shall be delinquent if not paid within fifteen (15) days after the due date thereof. Nothing herein contained shall prohibit the Board from requiring that Special or Limited Assessments be paid in a lump sum instead of installments.

SECTION 8.09. Interest and Penalties. Any Regular, Special or Limited Assessment levied by the Association on Lots, if not paid when due, shall bear interest at an annual rate as shall be set by the Board from time to time, or if none is so set, at an annual rate of twelve percent (12%). Such interest shall commence on the date the Assessment becomes due and payable. In addition to the interest charge the Board may, in accordance with rules and regulations promulgated by it, impose additional fines or charges for the failure of an Owner to timely pay any Assessment when due. The right of the Board to charge interest or impose additional fines or charges shall be in addition to, and not in lieu of, any other right of enforcement or sanction available to the Board in the event of non-payment of an Assessment.

SECTION 8.10. Estoppel Certificate. The Association, upon not less than twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request a statement in writing stating whether or not to the knowledge of such Association, a particular Owner is in default under the provisions of this Master Declaration and further stating the dates to which Assessments have been paid by said Owner, it being intended that any such certificate delivered pursuant to this Section may be relied upon by any prospective purchaser or Mortgagee of said Lot, but reliance on such certificate may not extend to any default as to which the signer shall have had no actual knowledge, nor to any architectural or structural warranty or representation.

Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications, and/or issuing an Estoppel Certificate, neither the Association, the Architectural Control Committee, the members thereof, or their administrative assignees, assumes liability or responsibility thereof, nor for any defect in any structure constructed from such plans and specifications.

The Association shall have the right to charge a reasonable fee for the certification herein provided.

SECTION 8.11. Certificate of Compliance Upon Sale. At least fourteen (14) days prior to the sale or transfer of any Improvement or Lot, the Owner transferring such Improvement or Lot (the

Seller) shall notify the Architectural Control Committee (the Committee) in writing of the proposed sale or transfer and shall request the Committee to issue a Certificate of Compliance. The Committee shall within five (5) business days of its receipt of the request, inspect the Property and any improvements constructed erected, placed or altered in compliance with the architectural control provisions.

If the Committee finds the improvements on the Lot to be in compliance with the architectural control provisions, the Committee shall issue a Certificate of Compliance to the Seller within five (5) business days following the Committee's receipt of the written request for such certification. The purchaser or transferee of such Improvement or Lot shall be entitled to rely on this Certificate of Compliance as evidence of the non-existence of violations, except violations of which the purchaser has actual knowledge and notice at the time of acquisition of the Property.

If the Committee finds the Improvement to be in violation of the architectural control provisions, the Committee shall issue a Certificate of Non-Compliance to the owner of such Property within five (5) business days of the Committee's receipt of the written request for such certification. The Certificate of Non-Compliance shall, with particularity, describe the violation and action necessary to bring the Improvement or Lot into compliance. The seller shall then have ten (10) days or the date of the proposed sale or transfer of the Property to remedy the violation(s) and request a Certificate of Compliance from the Committee as provided herein.

If the Committee fails to issue either a Certificate of Compliance or Non-Compliance within this five (5) day period, the owner shall notify the Committee in writing of the Committee's failure to timely respond to the request for certification. The Committee shall then issue a Certificate of Compliance or Non-Compliance within two (2) business days from the Committee's receipt of such notice. If the Committee fails to issue either a Certificate of Compliance or a Certificate of Non-Compliance within the time prescribed herein, certification shall be deemed given.

If an Improvement or Lot is sold or transferred without compliance with the provisions of this Section, the purchaser shall be jointly and severally responsible with the seller for the violation(s) and shall be bound by any and all remedies available to the Association and/or the Committee for the violation(s), including but not limited to, the power to impose fines to require the owner to remedy violations, or to remedy violation(s) on the Association's or the Committee's own initiative and assess the costs thereof to the seller and/or the purchaser. Notwithstanding anything to the contrary contained herein, an Estate purchaser shall be jointly and severally responsible with the seller for any violation of applicable architectural control provisions of which the purchaser has actual notice at the time of the purchase.

The Association may charge reasonable fees to cover the costs associated with the issuance of Certificates of Compliance or Non-Compliance, or reinspections to issue same.

ARTICLE IX - ENFORCEMENT OF ASSESSMENTS

SECTION 9.01. Right to Enforce. The right to collect and enforce payment of the Assessments made by the Association (including the Assessments made and certified by a Sub-Association) is vested in the Association. Each Owner of a Lot hereby agrees to the enforcement of the payment of all Assessments in the manner herein provided. In the event an attorney is employed for the collection of an Assessment, whether by suit or otherwise, or to enforce compliance with or specific

performance of any of the terms and conditions of this Master Declaration, the Owner against whom such enforcement is sought shall pay reasonable attorneys' fees in connection therewith.

SECTION 9.02. Creation of Assessment Liens. There is hereby created a continuing claim of lien with power of sale on each and every Lot to secure payment of any and all Assessments levied against any and all Lots in the Subdivision pursuant to this Master Declaration, together with interest thereon and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. Said lien shall be prior and superior to all other liens or claims created subsequent to the recordation of this Master Declaration except only for: (i) valid tax and special assessment liens on Lots in favor of any governmental unit assessing authority; (ii) a lien for all sums unpaid and secured by a first Mortgage or first Deed of Trust, duly recorded in Utah County, Utah, including all unpaid obligatory advances to be made pursuant thereto; and (iii) labor or materialman's liens, if the same are prior and superior by reason of applicable law. All other lien holders acquiring liens on any Lot after recordation of this Master Declaration shall be deemed to consent that such liens shall be inferior liens to the lien for Assessments levied by the Association, whether or not such consent be specifically set forth in the instruments creating such other liens.

SECTION 9.03. Notice of Assessment. If an Owner fails to pay an Assessment within thirty (30) days of its due date, the Association shall prepare a written Notice of Assessment setting forth the type of Assessment, the amount of the Assessment, the due date thereof, including the amount and due date of installments (if the same are permitted), the amount remaining unpaid at the time of filing, the name of the record Owner of the Lot and a legal description of the Lot. Such Notice shall be signed by the President and Secretary of the Association, acknowledged by a Notary Public and recorded in the office of the Utah County Recorder. At such time as a delinquent Assessment which is described in the Notice is paid, the Association shall prepare and record a Notice of Satisfaction with respect thereto.

SECTION 9.04. Enforcement. Upon the failure of an Owner to pay an Assessment in accordance with its terms, the lien for Assessment herein created may be enforced by sale by the Association, such sale to be conducted in the manner provided by law in Utah for the exercise of the power of sale in Deeds of Trust or in any other manner permitted by law elected by the Board. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including all reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire and thereafter hold, convey, lease, rent, encumber, use and otherwise deal with and in said Lot as the Owner thereof.

SECTION 9.05. Notice Required. Notwithstanding anything to the contrary contained in this Master Declaration, no action may be brought to foreclose the lien for any Assessment, whether by power of sale or otherwise, until the expiration of thirty (30) days after written Notice of Default has been deposited in the United States mail, certified or registered mail, postage prepaid, return receipt requested, addressed to the Owner of the Lot described in such Notice at the last known address of the Owner as shown on the books and records of the Association. Said Notice shall specify the amount and due date of the unpaid Assessment(s) and the legal description of the Lot.

SECTION 9.06. Reporting. The Association shall provide a Mortgagee with a copy of a Notice of Default served on an Owner under Section 9.05, above. The duty to give such Notice shall arise only

after said Mortgagee furnishes to the Association written notice of a Mortgage (or Deed of Trust) which shall contain the following:

- (a) The name and address of said Mortgagee;
- (b) A legal description of the Lot subject to the lien of the Mortgage by Lot, Block and Subdivision;
- (c) The name and address of the Owner;
- (d) The date the lien of the Mortgage was filed of record in Utah County, Utah, and the instrument number thereof;
- (e) The maturity date of the obligation secured by said Mortgage lien;
- (f) A copy of a title insurance report evidencing that the Mortgagee is the holder of a first Mortgage or the beneficiary of a first Deed of Trust;
- (g) The signature of the Mortgagee or authorized agent.

In the event the Association shall be required to notify a Mortgagee as herein provided, the Association shall assess the Owner who is delinquent the sum of \$25.00 as a reasonable charge for such notification and such charge shall be a cost of collection secured by the Assessment lien described in Section 9.02, above. The charge for such notification shall be subject to change by the Board.

SECTION 9.07. Term of Assessment. Unless sooner satisfied and released or the enforcement thereof initiated as provided in this Article, the lien for any Assessment levied under this Master Declaration or any applicable Supplemental Declaration shall expire and be of no further force or effect after a period of five (5) years from the later of (i) the date of said Assessment, or (ii) the date the last installment thereof is due and payable. Provided that the expiration of the lien as provided herein shall not release an Owner from the personal obligation to pay any Assessment.

SECTION 9.08. Non-Exclusive Remedy. The remedies set forth in this Article or elsewhere in this Master Declaration shall not be deemed to be an exclusive remedy and the Association may pursue all other remedies available at law or in equity.

ARTICLE X - SUB-ASSOCIATIONS

SECTION 10.01. Creation. The Grantor shall have the right to create Sub-Associations as Utah non-profit corporations. Each such Sub-Association shall have all power, rights, obligations, responsibilities and duties and be subject to all of the same limitations and restrictions as are specified in this Master Declaration with respect to the Association, except for such differences, requirements or limitations as are expressly set out in this Master Declaration and/or the applicable Supplemental Declaration and such changes as the Grantor may deem appropriate as a result of the different and specific Common Areas being owned, maintained and managed by such Sub-Associations, which changes shall be set forth in a Supplemental Declaration.

SECTION 10.02. Voting. Each Sub-Association shall have the two (2) classes of voting membership and the voting rights shall be as specified for the Association in Section 6.05, above.

SECTION 10.03. Powers and Duties. Each Sub-Association shall be managed by a Board of Directors and officers in the same manner as specified in Section 6.06, above, for the Association and shall have the same powers and duties with respect to its Members and the Common Areas owned, managed or maintained by it, including any easement areas controlled by it, said powers and duties to include the levying of Assessments and certification thereof to the Association for collection, adopting rules and regulations, granting easements, licenses and rights-of-way, payment of expenses, taxes, assessments, utility charges, insurance premiums and the preparation and distribution of budgets and financial statements as are provided in Article VI, above.

SECTION 10.04. Members. The Members of each Sub-Association shall be the Owners of Lots in the portion or phase of the Subdivision described in the Supplemental Declaration relating thereto. Memberships may only be transferred in the same manner as specified in Section 6.04, above.

ARTICLE XI - ARCHITECTURAL CONTROL COMMITTEE

SECTION 11.01. Members of the Committee. The Architectural Control Committee shall be comprised of at least three (3) persons, all of whom shall be appointed as herein provided. A member of the ACC shall hold office until he has resigned or has been removed, but in any event, until said Member's successor has been appointed. Members of the ACC may be removed at any time, with or without cause.

SECTION 11.02. Appointment. So long as the Grantor owns any Lot or parcel within the Property, the Grantor shall have the sole right to appoint and remove all members of the ACC. Thereafter, all members of the ACC shall be appointed or removed by the Board.

The ACC shall have the right by a resolution in writing unanimously adopted, to designate one (1) of its members to take any action or perform any duties for and on behalf of the ACC. In the absence of such designation, the vote of any two (2) members of the ACC shall constitute an act of the ACC.

SECTION 11.03. Compensation. The members of the ACC may receive compensation for services rendered upon execution of an agreement with the Board relative to such compensation, and may be reimbursed for actual expenses incurred by them in the performance of their duties hereunder.

SECTION 11.04. Non-Liability. Neither the ACC, or any member thereof, or the Grantor or any partner, officer, employee, agent, successor or assign thereof, shall be liable to the Association, any Owner or any other person for any loss, damage or injury arising out of or connected with the performance by the ACC of its duties and responsibilities by reason of a mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve an application. Every person who submits an application to the ACC for approval of plans and specifications agrees, by submission of such an application, and every Owner or Occupant of any Lot agrees, by acquiring title thereto or an interest therein, not to bring any action or suit against the Association, the ACC, or any member thereof, or the Grantor or any officer, partner, employee, agent, successor or assign thereof to recover such damages.

SECTION 11.05. Approval Required. No construction, alteration, modification, removal or destruction of any Improvements of any nature whatsoever, whether real or personal in nature, shall be initiated or be permitted to continue or exist within the Subdivision without the prior express written approval of the ACC.

SECTION 11.06. Variances. The ACC may authorize variances from compliance with the requirements of any conditions and restrictions contained in this Master Declaration, the ACC Rules/ACC Standards, or any prior approval when, in the sole discretion of the ACC, circumstances such as topography, natural obstructions, aesthetics or environmental considerations or hardship may so require. Such variances must be evidenced in a writing signed by at least two (2) members of the ACC.

If a variance is granted as provided herein, no violation of this Master Declaration, ACC Rules/ACC Standards or prior approval shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Master Declaration or the ACC Rules/ACC Standards for any purpose except as to the particular subject matter of the variance thereof and the specific Lot covered thereby.

The ACC shall have the right to consider and grant a variance as herein provided either with or without notice to other Owners or a hearing of Owners thereon.

The granting of a variance by the ACC pursuant to this Section shall not relieve the Owner from the obligation to fully comply with the applicable ordinances of Utah County, Utah or any annexing municipality.

SECTION 11.07. Application. To request ACC approval for the construction, alteration, modification, removal or demolition of any Improvements within the Property, the Owner shall submit a written application in a form required by the ACC which must be signed by the Owner and contain all information requested and be accompanied by all other material to be submitted as hereafter provided.

All applications must contain, or have submitted therewith, two (2) copies of each of the following (collectively called "plans and specifications") prepared in accordance with acceptable architectural standards and submitted with the application form, if any, approved by the ACC:

- (a) **Site Plan.** A site plan showing the location of the Building(s) and all other structures and Improvements including fences and walls on the Lot, Lot drainage and all set backs, curb cuts, driveways, parking areas and other pertinent information relating to the Improvements, at a scale no smaller than 1" = 200'.
- (b) **Building Plan.** A building plot plan at a scale no less than 1" = 20'. Building elevation drawings of the north, south, east and west sides, and detailed specifications which shall indicate, by sample if required by the ACC, all exterior colors, materials and finishes, including roof, to be used.
- (c) **Landscape Plan.** A landscape plan for portions of the Lot to be landscaped which - shall show the location, type and size of trees, plants, ground cover,

shrubs, berming and mounding, grading, drainage, sprinkler system, fences, freestanding exterior lights, driveways, parking areas and walkways. Builders of more than one home may submit prototypical plans for ACC approval - such plans to be approved and installed to meet Section 5 of this Declaration.

The ACC may, in its discretion, require the Owner to furnish additional specifications, drawings, material samples or such other information as the ACC, in its sole discretion reasonably exercised, shall deem necessary or convenient for the purpose of assisting the ACC in reviewing and processing the application.

SECTION 11.08. Decision. In reviewing the application and the materials submitted therewith and in reaching a decision thereon, the ACC shall use its best efforts and judgment to assure that all Improvements shall produce and contribute to an orderly and aesthetically complementary design and appearance and be of the quality required to maintain the Subdivision as a quality residential development.

Unless extended by mutual consent of the Owner and the ACC, the ACC shall render its decision with respect to an application within thirty (30) days after the receipt of a properly submitted and complete application. The decision of the ACC can be in the form of an approval, a conditional approval or denial.

The decision of the ACC shall be in writing, signed by a member of the ACC, dated, and a copy thereof mailed to the Owner at the address shown on the application.

A conditional approval shall set forth with particularity the conditions upon which the application is approved and the Owner shall be required to affix a copy of said conditions to the working drawings or blueprints which are to be kept on the job site during the entire course of the work to which said plans relate.

A denial of an application shall state with particularity the reasons for such denial.

SECTION 11.09. Inspection and Complaints. The ACC is empowered to inspect all work in progress on any Lot at any time. Such inspection shall be for the purpose of determining whether the Owner is proceeding in accordance with the approved application or is deviating therefrom or is violating this Master Declaration or the ACC Rules/ACC Standards or the approved plans and specifications.

Each owner or builder shall instruct their respective workers and employees to follow construction only per ACC approved plans. Any modifications or deviations from approved plans must be reapproved by the ACC prior to installation.

The ACC is empowered to receive from other Owners ("Complainant") complaints in writing involving deviations from approved applications or violations of this Master Declaration or any applicable ACC Rules/ACC Standards. In the event the ACC receives such a complaint from a Complainant, it shall first determine the validity of such complaint by inspection or otherwise.

Should the ACC determine that there has been a substantive deviation or a violation, it shall promptly issue a notice in writing thereof to the Owner and to the Complainant, which notice shall specify the particulars of the deviation or violation and shall demand that the Owner conform to either or both of the following directives:

- (a) The Owner shall immediately cease the activity which constitutes a deviation or violation.
- (b) The Owner shall adhere to the corrective measures set forth in the written notice.

Should the ACC determine there has been no substantive deviation or violation, it shall promptly issue a notice of such determination to the Owner and the Complainant.

SECTION 11.10. Hearing. An Owner submitting an application under Section 11.07, above, or served with a written notice of deviation or violation, or a Complainant shall have the right to request and be heard at a hearing held by the ACC for the purpose of presenting facts and information to the ACC. Such hearing must be requested by such party within ten (10) days from the date the written notice of the decision of the ACC is mailed to the Owner (and Complainant) as evidenced by the records of the ACC. The hearing shall be held within ten (10) days following receipt by the ACC of the request for a hearing, unless the ACC shall extend said period of time because of the unavailability of ACC members. A hearing may be continued by the ACC for the purpose of further investigation or to receive additional evidence. Upon completion of the hearing, the ACC shall issue a written opinion to the involved parties within ten (10) business days thereafter which opinion shall set forth the findings of the ACC with respect to the matters at issue and shall affirm, modify or rescind its previous decision as contained in the original written notice. If the ACC incurs any costs or expenses in connection with the investigation, processing or hearing on a matter involving a deviation or violation, including the costs of retaining a consultant(s) to advise the ACC and legal fees, such costs shall be paid by the Complainant unless an Owner is found to be in violation in which event such Owner shall pay all such costs. The payment of such costs shall be enforceable as provided in Section 11.12, below.

Section 11.11. Appeal. Either an Owner or a Complainant shall have the right to appeal to the Board a decision of the ACC on an application with respect to the conditions imposed thereon or a denial thereof, or a decision of the ACC adverse to the Owner or the Complainant reached following a hearing held pursuant to Section 11.10, above, provided, however, that neither an Owner nor a Complainant shall be entitled to such an appeal with respect to deviations or violations unless said Owner or Complainant, or their authorized representatives, have participated in the ACC hearing.

A notice of appeal shall be in writing and shall be delivered by mail to the Secretary of the Board within ten (10) days from the date of the decision by the ACC. Said notice of appeal shall be dated and shall contain the name of the Owner and the Complainant, if any, and a copy of the written decision or determination of the ACC. The failure of an Owner or Complainant to appeal a decision of the ACC in the manner and within the time herein provided shall terminate all rights of said Owner or Complainant to appeal said decision and it shall be binding and enforceable.

The Board shall fix a date for the hearing of such an appeal which date shall be no later than ten (10) days from the date of receipt of a notice of appeal unless extended by the Board because of the

unavailability of Board members. The Owner and Complainant, if any, shall be advised of the time and place of the hearing by a mailed written notice. Written notice of time and place for hearing shall also be served by mail upon each member of the ACC.

The Board may require the Owner or Complainant to provide additional information to facilitate the Board's decision and the failure of such party to comply promptly with such a request shall entitle the Board to deny the appeal, in which event the decision by the ACC shall be considered final and not subject to further appeal. At the hearing the Owner, Complainant, if any, and the ACC, together with their representatives and other witnesses, shall present their position to the Board. The order of presentation and the evidence to be admitted shall be solely within the discretion of the Board provided, however, that the Owner, the Complainant, if any, and the ACC shall have the opportunity to question and cross-examine witnesses presented by the other. The Owner, the Complainant, if any, and the ACC will have the opportunity to present final argument consistent with rules adopted by the Board for such hearing process. Any party may be represented by an attorney at any hearing by the ACC or the Board.

Upon receiving all of the evidence, oral and documentary, and following the conclusion of the hearing, the Board shall retire to deliberate and shall reconvene at a time and place determined by the Board, at which time the Board shall cast its official ballot and the decision shall be duly recorded in the minutes of the meeting. The Owner, the Complainant, if any, and the ACC members shall be given written notice of the decision which shall be deemed given when deposited in the United States mail, postage prepaid and properly addressed.

If the Board incurs any costs or expenses in connection with the investigation, processing or hearing on an appeal, including the costs of retaining a consultant(s) to advise the Board and legal fees, such costs shall be paid by the party(s) filing the appeal unless the decision by the Board constitutes a substantial reversal of the decision of the ACC, in which event such costs shall be paid by the Association. If the party filing the appeal is obligated to pay such costs, payment of the same shall be enforceable as provided in Section 11.12, below.

A decision of the Board of an appeal shall be final and shall not be subject to reconsideration or further appeal.

SECTION 11.12. Enforcement. The ACC, upon approval by the Board, shall be authorized on behalf and in the name of the Association to commence such legal or equitable proceedings as are determined by it to be necessary or proper to correct or enjoin any activity or condition existing within the Property, the continuation of which violates the provisions of this Master Declaration, the ACC Rules/ACC Standards or the approved plans and specifications.

The ACC shall not commence such legal or equitable proceedings until a written notice of the deviation or violation has been appropriately prepared and given to the Owner but thereafter the ACC shall have the sole discretion to commence such proceedings.

The authority of the ACC as herein provided shall include the power to retain legal counsel and expert witnesses, pay filing fees, deposition costs, witness fees and all other ordinary and necessary expenses incurred in commencing and carrying out said legal or equitable proceedings, all of which costs shall be paid by the Association.

In the event the ACC and/or Association shall prevail in any such legal or equitable proceedings, the Board may elect to require that all costs and expenses incurred in connection therewith including, but not limited to, attorneys' fees shall be reimbursed to the Association by the Owner against whom said proceedings are filed and upon the failure of said Owner to reimburse the Association within five (5) days after written demand therefor is mailed to the Owner, the Association shall have the right to levy a Limited Assessment against the Owner and the Lot owned by the Owner which Assessment shall be equal to said costs and expenses incurred plus any additional costs and expenses incurred in levying the Assessment. Said Limited Assessment shall be due and payable at such time or in such installments as may be determined by the Board, in its sole discretion. The failure of the Owner to pay said assessments or any installment thereof when due, shall be enforceable in the manner provided in Article IX, above.

SECTION 11.13. Additional Damages. In addition to the costs and expenses to be reimbursed by the Owner or the Complainant, all other costs, expenses and damages determined by the Board to be proximately caused by the deviation or violation or the costs and expenses incurred by the Association to correct the same shall be assessed as a Limited Assessment against the Owner and the Lot owned by said Owner, or the Complainant and the Lot owned by the Complainant, as the case may be, which Limited Assessment shall be due and payable at such time or in such installments as determined by the Board, in its sole discretion. The right of the Board to enforce said Limited Assessment shall be the same as provided in Article IX, above.

SECTION 11.14. Non-Exclusive Remedy. The right of the Association to levy a Limited Assessment as described in Sections 11.12 and 11.13, above, shall not be deemed to be an exclusive remedy of the Association and it may, in its sole discretion, without waiver of any other legal or equitable remedy, pursue enforcement of the lien of said Limited Assessment(s), proceed to collect any amount due directly from the Owner and/or pursue any other remedies available at law or in equity.

SECTION 11.15. Private Rights. The Association shall not have the right to mediate or litigate private disputes between Owners where there is a legal or equitable remedy available to resolve said dispute when, in the sole discretion of the Board, the interests of the Association or a substantial number of the Owners would not be benefitted thereby.

ARTICLE XII - ANNEXATION

SECTION 12.01. Annexation. Additional property may be annexed to the Subdivision and brought within the provisions of this Master Declaration by the Grantor, at any time, without the approval of any Owner or the Association. To annex additional property to the Subdivision, the Grantor shall record an amendment to this Master Declaration which shall specify the annexation of the additional property to the Subdivision and which may supplement this Master Declaration with addition or different covenants and restrictions applicable to the annexed property, as the Grantor may deem appropriate, and may delete or modify as to such annexed property such covenants as are contained herein which the Grantor deems not appropriate for the annexed property. Upon such annexation, the Owners of the Lots within the annexed property shall become members of the Association with all rights, privileges and obligations as all other members. The amendment of this Master Declaration as authorized by this Section, to annex additional property to the Subdivision, shall be controlled by the provisions of this Section and shall be expressly excluded from the requirements of Section 14.02 of this Master Declaration.

SECTION 12.02. De-Annexation. The Grantor shall have the right to delete all or a portion of the Property from the coverage of this Master Declaration and the jurisdiction of the Association, so long as the Grantor is the Owner of all of the property to be de-annexed and, provided further, that an appropriate amendment to this Master Declaration is recorded in the office of the Utah County Recorder.

ARTICLE XIII - PROTECTION OF MORTGAGES

SECTION 13.01. Purpose. Notwithstanding any and all provisions of this Master Declaration to the contrary, to induce the Federal Home Loan Mortgage Corporation ("FHLMC"), the Government National Mortgage Association ("GNMA"), the Federal National Mortgage Association ("FNMA"), the Federal Housing Administration ("FHA") and the Veterans Administration ("VA") to participate in the financing of the purchase of Lots within the Subdivision, the provisions of this Article are added thereto. To the extent the following Sections of this Article conflict with any other provisions of this Master Declaration or the provisions of any Supplemental Declaration, this Article shall control.

SECTION 13.02. Restrictions on Amendments. No amendment of this Master Declaration shall operate to defeat or render invalid the rights of a Mortgagee or beneficiary under any first Mortgage or first Deed of Trust upon a Lot made in good faith and for value and recorded prior to the recordation of such amendment, provided that after foreclosure of any such Mortgage or Deed of Trust such Lot shall remain subject to this Master Declaration, as amended.

SECTION 13.03. Mortgagee Defined. For the purposes of this Article only, a "Mortgagee" shall refer only to FHLMC, GNMA, FNMA, FHA and VA, as described in Section 13.01, above.

SECTION 13.04. Right to Notice. Each Mortgagee, upon filing a written request for notification with the Board in accordance with Section 9.06, above, shall be given written notice by the Association of any default by the Owner of the Lot encumbered by the Mortgage held by said Mortgagee in the performance of such Owner's obligations under this Master Declaration and under any Supplemental Declaration applicable to the Lot, the Articles or the By-Laws of the Association (hereafter collectively referred to as "Project Documents"), which default is not cured within thirty (30) days after the Association has notice of such default.

SECTION 13.05. Changes Requiring Unanimous Approval. Without the prior unanimous approval of all Mortgagees of Lots within the Subdivision, neither the Association nor the Owners shall:

- (a) By act or omissions seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas which are owned, directly or indirectly, by the Association, provided, however, that the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas by the Association shall not be deemed a transfer within the meaning of this Section.
- (b) Change the ratio of Assessments or method of determining the obligations, Assessments, dues or other charges which may be levied against any Owner or the method of allocating distributions of hazard insurance proceeds or condemnation awards.

SECTION 13.06. Restrictions on Other Changes. Without the prior written approval of at least seventy-five percent (75%) of the Mortgagees holding Mortgages on Lots within the Subdivision, neither the Association nor the Owners shall:

- (a) Fail to maintain fire and extended coverage insurance on insurable Improvements within the Common Areas on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);
- (b) Use hazard insurance proceeds for losses occurring within the Common Areas for any purpose other than the repair, replacement or reconstruction thereof.
- (c) Abandon or terminate the covenants, conditions, restrictions and easements of this Master Declaration or any Supplemental Declaration.

SECTION 13.07. Right to Inspect Books, Etc. Mortgagees, upon written request, shall have the right to (i) examine the books and records of the Association during normal business hours; (ii) require from the Association the submission of audited annual financing reports and other financial data; (iii) receive written notice of all meetings of Owners; and (iv) designate in writing a representative to attend all such meetings.

SECTION 13.08. Notification of Damage. Upon the Board receiving notice of any damage to the Common Area or any Lot wherein the cost of repair, replacement or reconstruction exceeds Ten Thousand Dollars (\$10,000.00) or notice of any condemnation or eminent domain proceedings or other similar involuntary acquisition of any portion of the Subdivision, the Board shall give to each Mortgagee which has filed with the Board a written request for notice, prompt written notice of said damage or condemnation.

SECTION 13.09. Right to Pay Charges. Mortgagees may pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay any overdue premiums on hazard insurance policies covering said Common Area and said Mortgagees making such payments shall be entitled to immediate reimbursement therefor from the Association.

SECTION 13.10. Fidelity Bond Required. The Board shall secure and caused to be maintained in force at all times a fidelity bond for any person or entity handling funds of the Association.

SECTION 13.11. Lessee's Obligations. Any agreement for the leasing or rental of a Lot, including a month-to-month rental agreement, shall provide that the terms of such agreement shall be subject to the provisions of the Project Documents. All such agreements shall be in writing and shall provide that any failure by the lessee to comply with the terms of the Project Documents shall be a default under the leasing or rental agreement.

SECTION 13.12. Liability for Taxes. All taxes levied and assessed on the Common Areas must be assessable against those Common Areas only and the Association and/or any Sub-Association shall be solely responsible for the payment thereof.

SECTION 13.13. Waiver of Liability and Subrogation. Any provision in this Master Declaration which requires Owners to indemnify the Association, a Sub-Association, the Board or the Sub-Association Board or other Owners against acts of the indemnitor is subject to the exception that if the liability, damage or injury is covered by any type of insurance and proceeds are actually paid to the insured by reason thereof, the indemnitor is relieved of liability to the extent of insurance proceeds so paid.

SECTION 13.14. FNMA and GNMA Insurance Requirements. Notwithstanding any other provisions contained in this Master Declaration, the Association or a Sub-Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit development projects established by FNMA and GNMA, so long as either is a Mortgagee or Owner of a Lot within the Subdivision, except to the extent such coverage is not available or has been waived.

SECTION 13.15. Additional Contracts. In addition to the foregoing provisions of this Article, the Board may enter into such contracts and agreements on behalf of the Association as are required in order to satisfy the guidelines of FHLMC, FNMA, GNMA, FHA, VA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entity of mortgages encumbering Lots within Improvements thereon. Each Owner hereby agrees that it will benefit the Association and each Owner, as a class of potential mortgage borrowers and potential sellers of their Lots if such agencies approve the Subdivision as a qualifying subdivision under applicable policies, rules and regulations as adopted from time-to-time.

SECTION 13.16. Consent to Release of Information by Mortgagee. Mortgagees are hereby authorized to furnish information to the Board concerning the status of any Mortgage encumbering a Lot and each Owner of a Lot encumbered by such a Mortgage hereby consent thereto.

SECTION 13.17. Restricted Application. It is expressly provided that the terms, conditions and provisions of this Article shall not be operative or in force and effect unless and until FHLMC, FNMA, GNMA, FHA or VA purchases, grantees or insures a Mortgage on a Lot within the Subdivision and then only to the extent the same are required by said purchaser, guarantor or insurer. In the event the standards and guidelines of FHLMC, FNMA, GNMA, FHA or VA do not require, as a condition of approval of the Subdivision as a qualifying subdivision, the inclusion of one or more of the provisions of this Article, said non-required provisions shall be of no further force or effect.

ARTICLE XIV - MISCELLANEOUS

SECTION 14.01. Term. This Master Declaration and all covenants, conditions, restrictions and easements contained herein shall run until December 31, 2030, unless amended as hereafter provided. After December 31, 2030, said covenants, conditions, restrictions and easements shall be automatically extended for successive period of ten (10) years each, unless extinguished by a written instrument executed by the Owners of at least three-fourth (3/4) of the Lots covered by this Master Declaration and such written instrument is recorded with the Utah County Recorder.
