(ii) A written ballot may not be revoked.

(c) Information Required in Ballot Solicitations. All solicitations for votes by written ballot must:

(i) If approval of a proposed action would otherwise require a meeting at which a certain quorum must be present and at which a certain percentage of total votes cast is required to authorize the action, the proposal will be deemed to be approved when the date for return of ballots has passed, a quorum of owners has voted and the required percentage of approving votes has been received. Otherwise, the proposal shall be deemed to be rejected.

(ii) If approval of a proposed action otherwise would require a meeting at which a specified percentage of owners must authorize the action, the proposal shall be deemed to be approved when the percentage of total votes cast in favor of the proposal equals or exceeds such required percentage. The proposal shall be deemed to be rejected when the number of votes cast in opposition renders approval impossible or when both the date for return of ballots has passed and such required percentage has not been met.

(iii) Except as provided in Subsection (e)(iv) of this section, votes may be counted from time to time before the final return date to determine whether the proposal has passed or failed by the votes already cast on the date they are entered.

(iv) Written ballots that are returned in secrecy envelopes may not be examined or counted before the deadline for returning ballots has passed.

**Section 3.09. Compensation.** Directors shall not receive any stated salary for their services as directors but, by resolution of the Board, the expenses incurred in the performance of their duties may be allowed.
