**FIRST SUPPLEMENT TO MASTER DECLARATION
OF COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR BEACON POINTE, A RESIDENTIAL COMMUNITY**

FIRST SUPPLEMENT TO MASTER DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS FOR BEACON POINTE, A RESIDENTIAL COMMUNITY (this "Supplement") is executed this ____ day of 12/15/2020, 2020, by SUBURBUAN LAND RESERVE, INC., a Utah corporation.

RECITALS:

A. Suburban Land Reserve, Inc., is the "Declarant" under that certain Master Declaration of Covenants, Conditions and Restrictions for Beacon Pointe, a Residential Community, dated March 10, 2020, and recorded March 13, 2020, as Entry No. 32176:2020, in the Official Records of the Utah County Recorder's Office (the "Declaration"), and recorded against the real property described on Exhibit A, attached hereto and incorporated herein by this reference (the "Property").

B. Pursuant to Section 16.2.1 of the Declaration, Declarant has the right, in Declarant's sole and absolute discretion, to unilaterally amend or supplement the Declaration during the Declarant Control Period. Notwithstanding Declarant's right to unilaterally amend or supplement the Declaration, this Supplement has been prepared and approved in a joint effort between Declarant and all of the owners of the Property, as evidenced by the signatures of each owner of the Property below.

C. After further consultation with the owners of the Property and the Beacon Pointe Owners' Association, Declarant has determined to supplement the Declaration by recording against the Property additional covenants and restrictions related to fencing within the Project, as further provided below.

D. This Supplement shall be binding against all of the Property that is subject to the Declaration, and shall take effect upon the date it is recorded in the records of the Utah County Recorder.

NOW, THEREFORE, the Declaration is hereby supplemented as follows.

1. Definitions. Unless otherwise defined herein, any capitalized terms used in this Supplement shall have the meaning identified in the Declaration.

2. Restrictions on Fencing. Declarant hereby declares the Property, and all property that may be subject to the Declaration and this Supplement in the future, shall be subject to the fence restrictions set forth in this Section 2. Accordingly, from and after the recording of this Supplement, all fencing constructed on or within the Project, and any Lots developed therein, shall designed and

constructed in compliance with the following (collectively, the “Fence Restrictions”): (i) all fencing shall be made of natural wood and stained natural driftwood gray finish (e.g. Cabot Bleaching Stain Natural Driftwood Gray); and (ii) all fencing design and construction shall be performed according to, and in compliance with, the design guidelines attached hereto as Exhibit B. To the extent the Fence Restrictions conflict with any provision in the Declaration, or any other document, the Fence Guidelines shall control.

3. Leasing of Accessory Dwelling Units. The Bacon Pointe Community Plan permits the leasing of “Accessory Dwelling Units” within Lots; however, Section 8.1.2 of the Declaration contains restrictions that may potentially conflict with the Beacon Pointe Community Plan. In order for the Declaration to be read in harmony with the Beacon Pointe Community Plan, Declarant desires to amend the Declaration as provided herein:

3.1. Definitions. Article 1 of the Declaration is hereby amended to include the following definition of Accessory Dwelling Units:

“Accessory Dwelling Unit” or “ADU” means a residential unit that is located on the same Lot as a single-family dwelling unit and is (a) internal to a single-family dwelling, (b) attached to a single-family unit (e.g., an addition), or (c) part of a detached garage or accessory building. An ADU cannot be a stand-alone structure and must be part of the main dwelling or part of an accessory building or detached garage. In order to qualify as an ADU, the Accessory Dwelling Unit must be a complete housing unit with a separate entrance, kitchen, sleeping area, closet space, bathroom facilities, utilities (electricity, gas, and culinary water), and dedicated off-street parking.

3.2. Lease Agreements. Section 8.1.2 of the Declaration, and its corresponding subsections, are hereby deleted in their entirety and replaced with the following:

8.1.2 Lease Agreements. For purposes of this Article, the terms “lease” and “leasing” shall refer to the short-term or long-term, occupancy of a Lot or Accessory Dwelling Unit by any Person other than the Owner, for which the Owner receives any consideration or benefit. By taking title to a Lot, each Owner acknowledges and agrees that the leasing of a Lot or an Accessory Dwelling Unit in their entirety shall be permitted subject to the terms and conditions of this Declaration, the Beacon Pointe Community Plan, and applicable Laws. Declarant or Master Association shall have the right to declare the lease or leasing of a Lot or ADU, or any portion thereof, not in compliance with this Section 8.1.2 null and void. In furtherance of the foregoing, if an Owner determines to lease its Lot or an ADU located on such Owner’s Lot, (i) the Lot or Accessory Dwelling Unit shall be leased in its entirety for a period of time no less than thirty (30) days, and (ii) all leases permitted under this Section 8.1.2 shall comply with the Beacon Pointe Community Plan and all applicable Laws governing ADUs, including, without limitation, Title 19 of the City of Saratoga Springs Land Development Code.

(A) All leases shall be in writing and shall disclose that the tenants and all occupants of the leased Lot or ADU, as applicable, are bound by and obligated to comply with the Governing Documents. However, the Governing Documents shall apply regardless of whether such a provision is specifically set forth in the lease.

(B) Occupants of Accessory Dwelling Units shall not be considered "Owners" for purposes of this Declaration.

(C) Within ten (10) days of a lease being signed, the Owner of the leased Lot or Accessory Dwelling Unit shall notify the Board or the Master Association's managing agent and provide any additional information the Board may reasonably require. The Owner must give its tenant copies of the Governing Documents. In addition to, but consistent with this subsection, the Master Association or the Board may adopt rules governing leasing and subleasing.

4. Initial Rules – Landscaping. Exhibit D to the Declaration is hereby amended to include the rules and regulations with respect to landscaping set forth on Exhibit D-1, attached hereto and incorporated herein by this reference.

5. Running with the Land. Except as expressly set forth herein, the restrictions, covenants, and burdens provided for herein shall be rights, restrictions, covenants, and burdens running with the Property. The Property, and any portion thereof, shall hereinafter be held, sold, conveyed, transferred, occupied, leased, rented, encumbered, and used subject to the Declaration, as amended herein, and its terms, provisions, covenants, restrictions, limitations, and conditions set forth herein, all of which shall be binding on all Owners, together with their grantees, successors, heirs, executors, administrators, devisees and assigns.

6. Counterparts. This Amendment may be executed in counterparts, each of which shall be an original and all of which shall together constitute one and the same document.

7. Miscellaneous. The recitals are hereby incorporated into this Supplement. All capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to them in the Declaration. Except as provided herein, the terms and conditions of the Declaration shall remain the same and in full force and effect.

EXHIBIT D-1**(LANDSCAPING GUIDELINES)**

As part of each Owner's improvement of a Lot, each Owner shall submit a landscaping plan to the Master Association, or its designee, identifying how the Lot will be fully improved with landscaping. Landscaping should be considered an extension of a residence and viewed as a series of outdoor rooms. This level of planning can dramatically extend the living environment by creating outdoor spaces with defined functions across the Lot. Yards, especially those areas visible from the street, should complement the architecture while expressing the individuality of each homeowner. All Owners shall comply with the Governing Documents set forth in the Declaration, including the Community Plan and related village plan(s), as well as the following rules and guidelines as they pertain to each Lot's landscaping:

1. **Time to Complete Landscaping.** By taking title to a Lot, each Owner covenants and agrees that all rear landscaping for a Lot shall be installed and completed within 6 months of taking title to a Lot (subject to 3 month extension due to inclement weather).
2. **Landscaping Deposit.** At the time an Owner takes title to a Lot after initial construction of a home, the Owner shall deliver to the Master Association a security deposit (the "**Landscape Deposit**") to ensure that Owner installs sprinklers, sod, and landscaping in the rear of Owner's Lot as well as construction clean-up if necessary. In the event that an Owner fails to commence and diligently pursue to complete all approved landscape improvements, the Master Association shall be authorized, after notice to the Owner, to enter upon the Lot and complete any incomplete landscaping. The parties agree that the Landscape Deposit may be released to the Master Association for purposes of covering the costs of the completion of unfinished landscape improvements borne by the Master Association. In the event that the Landscape Deposit does not cover all of the costs to complete the landscape improvements in accordance with the Master Association's requirements and standards, the parties agree that the Master Association may assess all costs incurred over and above the Landscape Deposit against the Lot and the Owner thereof as a Special Assessment in accordance with the Master Declaration. In furtherance of the foregoing, the Master Association may adopt any additional rules and/or policies with respect to the retention, application, and release of the Landscape Deposit.
