RECORDER  
SALT LAKE COUNTY  
UTAH

KNOW ALL MEN BY THESE PRESENTS:

THAT WHEREAS, the undersigned being the owners of the following described real property situate in Salt Lake County, State of Utah, to-wit: Commonly known as Hickory Valley Estates Subdivision.

In consideration of the premises and as part of the general plan for improvement of the property comprising of Hickory Valley Estates Subdivision, we do hereby declare the property hereinabove described, subject to the restrictions and covenants herein recited.

PART A

RESIDENTIAL AREA COVENANTS

1. Planned Use and Building Type.

No lot shall be used except for residential purposes. No building shall be erected, altered, placed, or permitted to remain on any lot other than detached single family dwellings not to exceed two stories in height with a private garage for not less than two vehicles and for not more than four vehicles.

2. Architectural Control.

No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure upon the lot have been approved by the Hickory Valley Estates Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures and with the overall aesthetic plan for Hickory Valley Estates Subdivision, and as to location in respect with typography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved. Approval shall be as provided in Part B.

3. Dwelling Quality and Size.

No dwelling shall be permitted on any lot wherein the ground floor area of the main structure, exclusive of open porches and garages is less than 2,500 square feet for single story, split level or split entry structures; or less than 1800 square feet for two story structures. No structure shall be constructed on any lot at a value of less than \$150,000 exclusive of lot based on costs and values prevalent in 1983.

4. Building Location.

(a) No building shall be located on any lot nearer than 30' to the front lot line or nearer to the side street line than 20 feet.

BOOK 5470 PAGE 33

(b) No building shall be located nearer than 8 feet to an interior lot line or nearer than 15 feet to the rear lot line.

(c) For the purpose of this covenant, eaves, steps, and porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon any other lot.

5. Construction Time Following Purchase.

The grantee or grantees of any building lot within the subdivision shall within 24 months from the purchase date of said lot, commence construction or landscaping upon the first 30 foot frontage of the purchased lot, and having commenced construction upon said property, shall continue therewith and have the structure upon the property ready for occupancy as a residence within 12 months from the date construction is commenced.

6. Easements.

For installation of and maintenance of utilities and drainage facilities, areas are reserved as shown on the recorded plat. Within these easements, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels in the area, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each of the lots and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

7. Street Lighting.

The owner of each lot throughout the subdivision is required to install at the time of construction a specified design electric or gas street light upon their respective lots, situated within the front yard of the boundary of their property and shall maintain said street light or lamp at all times in a proper operative condition.

8. Nuisances.

No noxious or offensive activity shall be carried on upon any lot, or shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No clothes line or storage of any articles which are unsightly in the opinion of the Hickory Valley Estates Architectural Control Committee will be permitted unless it is in an enclosed area built and designed for such purposes. No automobiles, trailers, boats or other vehicles are to be stored on streets or front and side lots unless they are in running condition, properly licensed, and are being regularly used.

9. Temporary Structures.

No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other out building shall be used on any lot at any time as a residence either temporarily or permanently.

10. Garbage and Refuse Disposal.

No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste and shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. Each lot and its abutting street is to be kept free of trash, weeds, and other refuse by the lot owner. No unsightly material or objects are to be stored on any lot in view of the general public.

11. Animals and Pets.

Dogs, cats or other household pets may be kept on the premises as permissible within current zoning regulations provided that they are not kept, bred, or maintained for any commercial purpose and are restricted to the owners' premises and under handlers control.

If in the opinion of the Hickory Valley Estates Architectural Control Committee, any of the aforementioned animals or pets become an annoyance, nuisance or obnoxious to other owners throughout the subdivision, the committee may require a reduction in the number of animals or pets permitted or elimination of any such animal or pet considered dangerous or unsafe to the neighborhood. All pets must be restrained on their owners property.

12. Landscaping.

All existing oak brush on the site is to be preserved whenever possible. Top soil is to be scraped and stock piled before excavation for foundations or footings. The top soil is to be replaced at the time of finish grading on each lot.

Trees, lawns, shrubs or other plantings provided by the owner of each respective lot shall be properly nurtured and maintained or replaced at the property owner's expense upon request of the Hickory Valley Estates Architectural Control Committee.

13. Subdivision of Lots.

No owner of any lot within the subdivision shall at any time be permitted to subdivide his lot into two or more sublots less in square foot area than the area of the lot at the time of its initial purchase.

PART B

HICKORY VALLEY ESTATES ARCHITECTURAL CONTROL COMMITTEE

1. Membership.

The Hickory Valley Estates Architectural Control Committee is comprised of R. LaMar Bradshaw, J. Larry Bradshaw, and Cal W. Bradshaw. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor their designated representative shall be entitled to any compensation for services pursuant to this covenant.

2. Procedure.

The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee or its designated

representative fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, or in the event there is no suit to enjoin the construction which has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

PART C

GENERAL PROVISION

1. Term.

These covenants are to run with the land and should and shall be binding upon all parties and all persons claiming under them for a period of 10 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for a successive period of 10 years unless an instrument signed by a majority of the then owners of the lots have been recorded agreeing to change said covenants in whole or in part.

2. Enforcement.

Enforcement shall be by proceedings at law or in equity against every person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

3. Severability.

Invalidation of any one of these covenants by judgement or court order shall in no wise effect any of the other provisions which shall remain in full force and effect.
