2. Set-Aside Election. Except as more specifically provided for in paragraph 13 herein, the Project Owner agrees that for each taxable year in the extended use period, as defined in IRC § 42, 50% of the residential units in the Project shall be both rent restricted, as defined in IRC § 42, and occupied by individuals (hereinafter "low-income tenants") whose income is 60% or less of the area median gross income for the county in which the Project is located as annually determined and published by H.U.D.

3. Notification of Non-Compliance. The Project Owner agrees to not take or permit to be taken any action which would have the effect or result, directly or indirectly, of subjecting the Project to non-compliance with IRC § 42, as the same may be amended from time to time, the regulations issued thereunder, any other state or federal requirements or any provisions of this Agreement. If the Project Owner becomes aware of any incidence or manner in which the Project does not comply with IRC § 42 or this Agreement, the Project Owner shall notify the Agency of such non-compliance within 30 days after the date Project Owner becomes aware of such non-compliance. As required by Income Tax Regulation § 1.42-5(e)(3), the Agency shall notify the Internal Revenue Service ("IRS") of any non-compliance of which the Agency becomes aware.

4. Consistency and Nondiscrimination. The Project Owner agrees that the residential rental units of the Project occupied by low-income tenants will be of comparable quality to all other units in the Project. The Project Owner will not discriminate against any tenant or prospective tenant because of race, color, religion, age, sex, sexual preference, national origin, familial status, source of income or disability. The Project Owner will comply in all

respects with all applicable federal, state and local laws, rules, regulations and Executive Orders relating to housing and employment.

E 1473298 B 2421 P 787

5. Ownership. The Project Owner represents and warrants, upon execution and delivery of this Agreement, that it has good and marketable title to the Project, free and clear of liens and encumbrances, except for those liens and encumbrances which secure financing for the acquisition, construction or rehabilitation of the Project, property taxes, and customary non-monetary liens and encumbrances relating to easements, utilities, and similar matters.
6. Release and Indemnification. The Project Owner represents that it has independently reviewed the applicable allocation documents providing for the allocation of low-income housing tax credits for the Project to ensure the correctness and validity of the same, and has not relied on any representations or statements from the Agency with respect to the Project Owner's entitlement to the allocation of low-income housing tax credits for the Project. The Project Owner agrees to release and hold the Agency, its officers, directors, employees and agents harmless from any claim, loss, liability, demand or judgment incurred by or asserted against the Project Owner resulting from or relating to the allocation of low-income housing credits, or the recapture thereof by the IRS, or the monitoring of the Project's compliance with IRC § 42 and this Agreement. Further, the Project Owner agrees to indemnify and hold the Agency, its officers, directors, employees and agents harmless from any claim, loss, liability, demand or judgment incurred by or asserted against the Agency, its officers, directors, employees and agents as a result of or in any way related to the allocation to the Project Owner of low-income housing credits, or the recapture thereof, or the monitoring of the Project's compliance with IRC § 42 and this Agreement.
7. Compliance Monitoring. The Project Owner acknowledges that the Agency, or its delegate, is required to monitor the Project's compliance with the requirements of IRC § 42 and the covenants of this Agreement. Accordingly, the Project Owner agrees to comply with the obligations, terms and conditions of the Agency's Compliance Monitoring Plan, as the same may be amended from time to time. As a condition to leasing a low-income unit, a low-income tenant shall be required to provide sufficient documentation to substantiate income levels of all individuals residing therein.
8. Inspection. The Project Owner shall permit, during normal business hours, upon reasonable notice, any duly authorized representative of the Agency to inspect any books and records of the Project Owner relating to the Project and the incomes of low-income tenants. Specifically, the Project Owner shall make available to the Agency the documentation substantiating incomes of low-income tenants. As required by Income Tax Regulation § 1.42-5(e)(3), the Agency shall notify the IRS of any non-compliance with the provisions of IRC § 42, or of this Agreement, with which it becomes aware.
9. Extended Use Period. The Project Owner and the Agency agree that the extended use period, as used in IRC § 42 and this Agreement, for each low-income building of the project,

means the period beginning on the first day in the compliance period, as defined in IRC § 42, on which a qualified low-income building is a part of a qualified low-income housing project and ending on the date which is 36 years after the close of the compliance period (for a total of 51 years from the beginning date of the compliance period for a qualified low-income building); however, notwithstanding the foregoing to the contrary, the extended use period shall terminate on the date a qualified low-income building is acquired by foreclosure (or instrument in lieu of foreclosure), unless the IRS determines that such acquisition is part of an arrangement of the taxpayer a purpose of which is to terminate the extended use period. The Project Owner agrees that IRC § 42(h)(6)(E)(i)(II) shall not apply to, and shall not cause the termination of, the extended use period applicable to any building of the Project.

10. Termination of Extended Use Period. Notwithstanding the termination of the extended use period pursuant to the provisions of paragraph 9 above, the Project Owner shall not evict or terminate the tenancy (other than for good cause) of an existing low-income tenant of any low-income unit of the Project or increase the gross rent with respect to a low-income unit, not otherwise permitted under IRC § 42, before the close of the three year period following the termination of the extended use period under the provisions of paragraph 9.

11. Subordination. The Project Owner shall obtain the agreement of any prior recorded lienholder (excluding customary nonmonetary liens and encumbrances relating to easements, utilities and similar matters) of any building in the Project whereby the prior recorded lienholder, and its assigns or successors in interest, agrees to not evict an existing low-income tenant (other than for cause) and not increase gross rent with respect to a low-income unit, not otherwise permitted under IRC § 42, for a period of three years from the date of any foreclosure with respect to any qualified low-income building in the Project.

12. Sale of Building. Pursuant to IRC § 42(h)(6)(B)(iii), no portion of a qualified low-income building to which this Agreement applies, may be sold, transferred or conveyed to any person unless all of the low-income building to which this Agreement applies is sold, transferred or conveyed to such person.

13. Rent and Rent Limits. The Project Owner agrees that 50% of the units (i.e., expected to be 105 units of 210 units) of the Project will be leased, throughout the extended use period as set forth in paragraph 9 above, (i) for a maximum monthly rental fee which is affordable to the tenants residing therein (as calculated below), and (ii) to individuals whose annual income (as defined under Section 8 of the United States Housing Act of 1937), aggregated for all individuals residing in a given unit, does not exceed 60% of area median income. For purposes of determining the affordability of monthly rental payments, the maximum monthly rental fee is calculated as follows:

- a. First, multiply the monthly rent limit applicable to the unit as calculated by the Agency for the applicable year, based on bedroom size, based

on 50% of area median income for the county in which the unit is located, by 2 (to arrive at a rental amount based on 100% of area median income);

- b. Second, multiply the product derived in A. above by 60%.

For purposes of determining the maximum monthly rental fee pursuant to this paragraph, the maximum monthly rental fee amount shall include an allowance for tenant-paid utilities as provided in IRC § 42 or notices, regulations or revenue rulings issued or promulgated thereunder. Notwithstanding the foregoing, upon written approval from the Agency, the Project Owner may increase the maximum monthly rental fee or income limit applicable to tenants for any unit of the Project in an amount agreed to by the Agency, as the Agency shall decide in its sole discretion; however, under no circumstances may the maximum monthly rental fee or income limit applicable to tenants for any given unit of the Project exceed the rent or income limits established under IRC § 42.

14. Restrictive Covenants. The Project Owner intends, declares and covenants that the covenants, terms, provisions and restrictions set forth in this Agreement shall run with the land and shall bind, and the benefits and burdens shall inure to, the Project Owner and the Agency, and their respective successors and assigns, and all subsequent owners of the Project or any interest therein, for the duration of the extended use period set forth in paragraph 9 above. Upon the termination of the extended use period, except as provided in paragraph 10 above, this Agreement shall be deemed terminated and of no further force and effect, and the Agency shall execute a release for recordation purposes if so requested by the then owner of the Project.

15. Recordation. This Agreement shall be placed of record in the real property records of the County in which the Project is located.

16. Enforcement. All of the terms, provisions and restrictions of the Agreement may be enforced by the Agency. In addition, the Agency and the Project Owner acknowledge and agree that any individual who meets the income limitations applicable to the Project under IRC § 42(g) (whether a prospective, present, or former occupant of the Project) has the right to enforce in any Utah state court the requirements and conditions of this Agreement.

17. Section 8 Tenants. The Project Owner shall not refuse to lease any unit of the Project to a holder of a voucher or certificate of eligibility under section 8 of the United States Housing Act of 1937 because of the status of the prospective tenant as such a holder.

18. Changes to IRC § 42. The Agency and the Project Owner recognize that the provisions of IRC § 42 may be amended from time to time. The Project Owner agrees to maintain the Project in compliance and conformity with the requirements of IRC § 42, and the regulations issued thereunder, as the same are amended from time to time. However, if in the opinion of the Agency subsequent revisions to IRC § 42 are so substantial as to necessitate amendment of this Agreement, this Agreement may be amended to reflect such changes in the

law governing the low-income housing tax credit program. In such case, this Agreement shall be amended only by written instrument executed by the parties hereto.
