Article 3

MEETINGS OF MEMBERS

3.1 **Annual Meetings.** The first Annual Meeting shall be held during the year 2007 at a time and in a month specified by the Management Committee. Subsequent Annual Meetings shall be held during the same month each year. Annual Meetings shall be held for the purpose of electing Directors and for the transaction of such other business as may come before the Annual Meeting.

3.2 **Special Meetings.** Special Meetings of the Members may be called at any time by the Management Committee or the president of the Association, or upon the written request of at least thirty percent (30%) of the votes entitled to be cast by the Members. Special Meetings may only be held for the purpose or purposes set forth in the Notice thereof.

3.3 **Place of Meetings.** The Management Committee may designate any place within the County as the place for any Annual Meeting or for any Special Meeting called by the Management Committee or the president of the Association. Members may participate in Meetings by any means of electronic or telephonic communication through which all Members and other participants may simultaneously hear one another during the Meeting. Members who participate in a Meeting by such means shall be considered present for all purposes, including the presence of a quorum.

3.4 **Notice of Meetings.** Electronic or written notice of meetings is allowed. Electronic communications via email, text, social media and the Hills HOA Website are all acceptable ways to provide notice of meetings. Written Notice of each Meeting stating the place, date, and time of the Meeting and the purpose or purposes for which the Meeting is called, shall be delivered personally or by mail to each Member entitled to vote at such Meeting, not less than ten nor more than fifty days before the date of the Meeting. If mailed, the Notice shall be deemed to be delivered when deposited in the United States mail, addressed to the Member at his address as it appears in the records of the Association, with postage thereon prepaid. The Management Committee may set a record date for determining the Members entitled to Notice. The Association shall give Notice at the Association's expense of any Special Meeting called by the Members pursuant to Section 3.2.

Article 4
VOTING; QUORUM

4.1 **Voting.** Votes shall be allocated as set forth in Article 7 of the Articles.

4.2 **Quorum.** The number of Members participating in a Meeting in person, by proxy, or by written ballot shall constitute a quorum.

4.3 **Voting Method.** Votes may be cast in person, by proxy, or by written ballot.

4.4 **Action by Proxy.** Every proxy must be executed in writing by the Member or his duly authorized attorney-in-fact. Such proxy shall be filed with the secretary of the Association before or at the time of the Meeting. No proxy shall be valid after the expiration of one year from the date of its execution unless otherwise provided in the proxy.

4.5 **Action by Written Ballot.**

(a) Any action that may be taken at any Meeting may be taken without a Meeting if the Association delivers a written ballot to every Member entitled to vote on the matter. Such written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot shall be valid only when the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a Meeting at which the total number of votes cast was the same as the number of votes cast by written ballot. Members submitting a written ballot shall be considered to have participated in a Meeting for all purposes.

(b) All solicitations for votes by written ballot shall: (i) indicate the number of responses needed to meet the quorum requirements; (ii) state the percentage of approvals necessary to approve each matter other than election of Directors; (iii) specify the time by which a written ballot must be received by the Association in order to be counted; and (iv) be accompanied by written information sufficient to permit each Member casting a written ballot to reach an informed decision on the matter.

(c) A written ballot may not be revoked.

(d) Action by written ballot has the same effect as action taken at a Meeting.

(e) The number of votes cast by written ballot shall constitute a quorum for action on the matter.

(f) A written ballot may also be used in connection with any Meeting, thereby allowing Members the choice of either voting in person or by written ballot delivered by a Member to the Association in lieu of attendance at such Meeting. A valid written ballot shall be counted equally with the votes of Members in attendance at any Meeting for every purpose, including satisfaction of any quorum requirement.

4.6 **Majority Vote.** The affirmative vote of a majority of the votes entitled to be cast by the Members participating in a Meeting in person, by proxy, or by written ballot shall be the

act of the Members, unless the vote of a greater number is required by the Declaration, the Articles, or these Bylaws.

4.7 **Greater Quorum or Voting Requirements.** An amendment to the Articles or these Bylaws that adds, changes, or deletes a greater quorum or voting requirement shall meet the same quorum requirement and be adopted by the same vote required to take action under the greater of the quorum and voting requirements then in effect or proposed to be adopted.

Article 5
MANAGEMENT COMMITTEE

5.1 **Number, Election, and Term of Directors.** The Management Committee shall consist of three Directors. Directors shall be elected at the Annual Meetings by a majority vote of the Members participating in the Annual Meeting in person (includes electronic meeting), by proxy, or by written ballot. Subject to Sections 5.2 and 5.3, each Director shall serve a two (2) year term. Two of the three Directors will be elected during even numbered years and one director will be elected during odd numbered years. The term shall commence at the close of the Annual Meeting at which the Director is elected and expire at the close of the Annual Meeting at which the Director's successor is elected

5.2 **Removal of Directors.** A Director may be removed, with or without cause, by a vote of at least sixty-seven percent (67%) of the votes entitled to be cast by the Members participating in a Meeting in person, by proxy, or by written ballot.

5.3 **Replacement of Directors.**

(a) A vacancy on the Management Committee created by the resignation or death of a Director shall be filled by majority vote of the Management Committee, though less than a quorum. Any vacancy on the Management Committee created pursuant to Section 5.2 shall be filled by a majority vote of the Members.

(b) Any Director elected or appointed pursuant to this Section 5.3 shall hold office for the remainder of the unexpired term of the Director being replaced.

5.4 **Resignations; Vacancies.** Any Director may resign at any time by giving written notice to the president or to the secretary of the Association. Such resignation shall take effect at the time specified therein and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

5.5 **Regular Meetings.** A Regular Meeting of the Management Committee shall be held immediately after, and at the same place as, each Annual Meeting of the Members. A Regular Meeting of the Management Committee may be held immediately after, and at the same place as, any Special Meeting of the Members. Electronic attendance of a meeting is allowed so long as there is open access to the public. Electronic communications via email, text, social media and the Hills HOA Website are all acceptable ways to communicate during meetings. Regular Meetings may be held without call or formal notice. Any business may be transacted at a Regular Meeting.

5.6 **Emergency Meetings.** An Emergency Meeting of the Management Committee

may be held at any time when called by the president of the Association or by two or more Directors, upon the giving of at least seven (7) days' prior notice of the time and place thereof to each Director by hand-delivery, prepaid United States mail, fax, email, or telephone. A notice of an Emergency Meeting need not state the purpose(s) for holding the Emergency Meeting. No notice of any adjourned Management Committee Meeting shall be required.

5.7 Place of Meetings. The Management Committee may designate any place within the County to hold a Management Committee Meeting. Directors may participate in any Management Committee Meeting by means of any electronic or telephonic communication by which all participants may simultaneously hear one another during such meeting. Directors who participate in a Management Committee Meeting by such means shall be considered present for all purposes, including the presence of a quorum.

5.8 Quorum. A majority of Directors shall constitute a quorum for the transaction of business, but a lesser number may adjourn any Management Committee Meeting from time to time. When a quorum is present at any Management Committee Meeting, a majority of the Directors in attendance shall, unless otherwise required by the Articles or these Bylaws, decide any question brought before such meeting.

5.9 Waiver of Notice. Before, at, or after any Emergency Meeting, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any Emergency Meeting shall be a waiver of notice by such Director except when such Director attends the Emergency Meeting for the express purpose of objecting to the transaction of business based on a claim that the Emergency Meeting was not duly called or convened.

5.10 Informal Action by Directors. Any action required or permitted to be taken at a Management Committee Meeting may be taken without such meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors entitled to vote with respect to the subject matter thereof. Such consent shall have the same force and effect as a unanimous vote of the Directors.

Article 6

6.1 General. The officers of the Association shall be a president (who shall be chosen from among the Directors), one or more vice presidents, a secretary, and a treasurer. The Management Committee may appoint such other officers, assistant officers, committees, and agents, including assistant secretaries and assistant treasurers, as it may consider necessary or advisable, who shall be chosen in such manner and hold their offices for such terms and have such authority and duties as from time to time may be determined by the Management Committee. The treasurer shall perform all other duties incident to the office of the treasurer and, upon request of the Management Committee, make such reports to it as may be required at any time. The treasurer shall, if required by the Management Committee, give the Association a bond in such sums and with such sureties as shall be satisfactory to the Management Committee, conditioned upon the faithful performance of his duties and for the restoration to the Association of all books, papers, vouchers, money, and other property of whatever kind in his possession or under his control belonging to the Association. He shall have such other powers and perform such other duties as may be from time to time prescribed by the Management Committee or the

The mailing address of each Member will be kept in the records of the Association. Members must notify the Association of any change in mailing address within ten (10) days of such change.
