- 4.3 **Inseparability.** Title to any part of a Lot may not be separated from any other part thereof. Every devise, encumbrance, conveyance, or other disposition of a Lot, or any part thereof, shall be construed to be a devise, encumbrance, conveyance, or other disposition, respectively, of the entire Lot, together with all appurtenant rights created by law or by this Declaration, including appurtenant membership in the Association as hereinafter set forth.
- 4.4 **Separate Mortgages by Owners.** Each Owner shall have the right separately to mortgage or otherwise encumber his or her Lot. Unless otherwise specifically provided herein, any Mortgage or other encumbrance of any Lot shall be subordinate to all of the provisions of this Declaration, the Master Residential Declaration, and the Covenant, and in the event of foreclosure the provisions of this Declaration shall be binding upon any Owner whose title is derived through foreclosure by private power of sale, judicial foreclosure, or otherwise.

- 4.5 **Separate Taxation.** Each Lot and all improvements located thereon shall be assessed separately for all taxes, assessments, and other charges of the State of Utah or of any political subdivision thereof or of any special improvement district or of any other taxing or assessing authority. - 4.7 **Description of Lot.** Every contract for the sale of a Lot and every other instrument affecting title to a Lot within the Project may describe a Lot by its identifying number as indicated in this Declaration and/or as shown on the Plat. Such description will be construed to describe the Lot and to incorporate all the rights incident to ownership of a Lot within the Project and all of the limitations on such ownership.
- 4.8 **Party Walls.** Certain of the Dwellings may have common or party walls with adjacent Dwellings. The boundary between two adjacent Dwellings shall be the vertical boundary running through the center of the party wall, equidistant from the outermost surfaces of studs and structural beams making up the party wall. Each Owner that owns a Dwelling adjoining another Dwelling is hereby granted an easement of support and shelter over the portion of any party, adjacent or retaining wall on the adjoining Dwelling. Each Owner covenants to continue to provide the support and shelter that presently exists (or will exist following construction) and as may be necessary to maintain the integrity of each Building. Each Owner has a reasonable easement for pipes, ducts, and utility ways and chases passing through the other Dwellings that serve his Dwelling. Physical structures including party walls serving two separate Dwellings will be shared through a mutual nonexclusive easement of enjoyment for all purposes for which the improvements and their replacements were intended.

(d) maintenance of decking, patios (inclusive of, but not limited to, posts, balusters, railings, skirting, and steps), backyards, fencing and balconies, exterior screens, shutters and chimney flues, that are within an Owner's exclusive control, in a clean and sanitary condition, free of pests and rodents, and in good order and repair (*provided, however,* that the Association shall retain the right to paint or repaint any decking or patios, inclusive of posts, balusters, railings, skirting, and steps, to maintain a harmonious aesthetic appearance in the Project);

(e) maintenance, repair and replacement of the Owner's garage door, including the mechanical systems and all parts of the door, except that the Association shall maintain the exterior painting of the exterior of the garage door. The Association may seek reimbursement or contribution for any damages arising from the negligent or intentional damage to garage doors by an Owner or the Owner's tenants, family members, guests, visitors, or invitees;

(f) maintenance, repair and replacement of the garage interior concrete slab and driveways or driveway apron, except the Association shall repair or replace the garage interior concrete slab if it is determined that damage was caused by adjoining foundation or footing movement;

(g) maintenance, repair and replacement of all of the following which serve the Owner's Dwelling exclusively: lighting fixtures (except exterior building mounted lights and walkway lights which are not located within patios and balconies which are not

exclusively controlled by the Owner), fans, plumbing fixtures, stoves, refrigerators, hot water heaters, air conditioning units (including compressors, condensers and forced air units), solar panels (subject to the provisions below), intercoms, security systems and other such appliances, fixtures and decorations as an Owner may install; and

(1) The Association may, in its sole and absolute discretion, allow the installation of a solar panel onto the exterior portion of an Owner's Dwelling, at the Owner's own expense, if: (a) the Owner obtains the prior written consent and approval of the Association for the installation of the solar panel; (b) the solar panel is installed by the Association or by a third-party selected or approved by the Association; and (c) the Owner agrees in writing to assume responsibility for, and cover all of the costs associated with, the installation, maintenance, repair and replacement of the solar panel, and any damage caused to the roof and all roofing components and structure by the installation, maintenance, repair or replacement of the solar panel, and the Owner agrees in writing to pay for the removal of the solar panel(s) in the event that it inhibits the maintenance, repair, or replacement of any portion of the roof, wall or exterior portion of the Dwelling to which it is attached by the Association or another Owner. The obligations imposed on the Owner by this subsection shall also apply to any and all subsequent Owners of the Dwelling to which the solar panel is to be attached.

(2) The Association may remove, or cause to be removed at the Owner's expense, any solar panel attached to any exterior portion of any Dwelling within a Building if the Association determines that the solar panel has not been installed, maintained, repaired, replaced, or removed by the Owner of the solar panel in accordance with the provisions of this Article.

5.2 **Additional Owner Covenants.** The Owner shall not alter any utility lines, pipes, wires, conduits or systems that serve one or more other Dwellings. Such utilities shall not be disturbed or relocated by an Owner without the written consent and approval of the Board. Such right to repair, alter and remodel is coupled with the obligation to replace any materials removed with similar types or kinds of materials. The Owner shall also maintain the surface of the interior supporting walls, and the Association shall maintain the structural integrity of interior supporting walls. The Owners shall promptly notify the Association in writing of any structural integrity issues concerning the interior of such Owner's respective Dwelling promptly upon becoming aware of the same. If any Owner fails to promptly notify the Association in a timely manner of structural integrity issues, then such Owner may be responsible for all repair costs, as determined by the Association. An Owner shall maintain and keep in good repair the interior of his or her Dwelling, including the fixtures thereof. All fixtures and equipment installed within the Dwelling shall be maintained and kept in good repair by the Owner thereof. An Owner shall do no act and shall perform no work that will or may impair the structural soundness or integrity of the Building in which such Owner's Dwelling is located, impair any easement or hereditament, or violate any laws, ordinances, regulations and codes of the United States of America, the State of Utah, the County of Salt Lake, the City of South

Jordan, or any other agency or entity which may then have jurisdiction over said Lot/Dwelling. Any expense to the Association for investigation or enforcement under this Article shall be borne by Owner if such investigation establishes a violation of this paragraph. Each Owner shall be liable to the Association or other Owners for damages to person or property in the project caused by such Owner's negligence or the negligence of the Owner's tenants, family members, guests, visitors, or invitees.

- 5.3 **Association Responsibility Regarding Buildings and Dwellings.** Except for the Owner's responsibilities set forth in this Article, the Association shall have the duty of maintaining, replacing and repairing the Buildings including, without limitation, footings and foundations, structural components (inclusive of structural posts of any kind), roofs and common sanitary sewer laterals (if any) and other common utilities (if any). The cost of said maintenance, replacement and repair shall be assessed to all of the Owners. The Board shall not need the prior approval of the Members to cause such maintenance, replacement or repairs to be accomplished, notwithstanding the cost thereof; subject, however, to Article 10 hereof.
- 5.4 **Maintenance of Lots.** The Association shall maintain the landscaping and related improvements on the Lots, as set forth herein. The areas maintained by the Association, including the exterior of the Buildings, shall be referred to herein as the "**Maintained Areas**". The Maintained Areas shall include the front lawn and front yard garden areas, excluding any stand-alone planters, window boxes, walls and enclosed areas within fences (whether or not installed by a builder or by Owner) or walls (i.e., fenced areas with a gate [whether opened, closed, locked, or unlocked] shall be deemed "enclosed" hereunder). Owners may reasonably enhance the landscaping on their Lot (if any) by planting flower bulbs or flowers; provided, however, that an Owner shall not modify any irrigation components, lines or systems.
- 5.5 **Snow Pushing** The Association shall perform reasonable snow pushing from all common area streets, common area access ways, common area fire lanes and common area association sidewalks serving multiple Lots, driveways and driveway aprons. In the event of an emergency, the Association's right of entry to a Dwelling may be exercised without notice; otherwise, the Association shall give the Owners or occupants of a Dwelling no less than twenty-four (24) hours advance notice prior to entering a Dwelling.

## ARTICLE 6 EASEMENTS

- 6.1 **Easements for Maintenance.** The Association shall have the irrevocable right to have access from time to time as set forth in Section 5.6 above.

All work associated with the exercise of this easement shall be performed so as to minimize interference with the use and enjoyment of the Lot and Dwelling burdened by the easement. Upon completion of the work, the person exercising the easement shall make reasonable efforts to restore the Lot and Dwelling, to the extent reasonably possible, to the condition existing prior to the commencement of the work.
- 6.4 **Easements Deemed Created.** All conveyances of Lots within the Project hereafter made shall be construed to grant and reserve such reciprocal easements as are provided herein, even though no specific reference to such easements appears in any such conveyance.

## ARTICLE 7 RESTRICTIONS ON USE

- 7.1 **Design Guidelines.** Pursuant to the Master Residential Declaration, the Project is subject to certain "Design Guidelines" more particularly described therein. The Association, as may be delegated to the Project DRC (defined below) or other "Reviewer" (as defined in the Master Residential Declaration), shall have the authority to implement and enforce the Design Guidelines for the Project, in the manner described in Article 5 of the Master Residential Declaration.
- 7.2 **Design Review Committee.** Subject to the terms of the Master Residential Declaration, the Association may create a design review committee for the Project (the "**Project DRC**") consisting of no fewer than three (3) nor more than seven (7) individuals, who shall serve and be removed and replaced in the Board's discretion. The Declarant shall initially designate the members of the Project DRC. Upon Declarant's delegation of authority pursuant to the Bylaws, the Board shall appoint the Project DRC. Project DRC members need not be Owners or representatives of Owners. The Association may compensate Project DRC members in such manner and amount, if any, as the Board may determine necessary (which amount shall be included as a Common Expense). Notwithstanding the foregoing, in the event that a Project DRC has not been formed, the "Design Review Committee" described in Section 5.2 of the Master Residential Declaration shall have authority to implement and enforce the Design Review Guidelines

for the Project. Once a Project DRC has been formed, the Project DRC shall share concurrent jurisdiction with the Design Review Committee of the Master Residential Association to implement and enforce the Design Guidelines for the Project. Except as otherwise set forth herein, the Project DRC shall function in the same manner with the rights and obligations as, but subject to, the "Design Review Committee" described in Section 5.2 of the Master Residential Declaration.

- 7.3 **Residential Uses Only.** Each Lot contained in the Project is intended to be used for single family residential housing and is restricted to such use. No Lot shall be used for business or commercial activity except as approved in writing by the Board and as set forth in the Master Residential Declaration; provided, however, that nothing herein shall be deemed to prevent any Owner or his duly authorized agent from freely renting or leasing his Lot from time to time subject to the provisions of Section 7.3 of the Master Residential Declaration and any subsequent amendments.
- 7.4 **No Noxious or Offensive Activity.** No noxious or offensive activity shall be carried on, in, or upon any part of the Project, nor shall anything be done or placed in or upon any part of the Project which is or may become a nuisance or may cause embarrassment, disturbance, or annoyance to Owners. No activities shall be conducted, nor improvements constructed, in or upon any part of the Project which are or may become unsafe or hazardous to any person or property. No trash, garbage, or other waste or unsightly materials shall be left outside of any enclosed structure.
- 7.5 **Restriction on Recreational Vehicles.** No boats, trailers, recreational vehicles, trucks, commercial vehicles, or inoperable vehicles shall be parked or stored within the Project as set forth in the Master Residential Declaration.
- 7.6 **Restriction on Signs.** Except as permitted by the Master Residential Declaration, no signs or advertising devices of any nature, including without limitation commercial, political, informational, or directional signs or devices, shall be erected or maintained on any portion of the Project.
- 7.7 **No Structural Alterations.** No Owner shall, without the prior written consent of the Project DRC, if formed, and the Design Review Committee of the Master Residential Association, make or permit to be made any structural alteration, improvement, or addition, including without limitation any fences, walls or patios, to the exterior of the Dwelling located on his Lot, or to the Maintained Areas on his Lot, without the prior written consent of the Board, which consent may be granted or withheld in the Board's sole discretion, consistent with the terms of the Master Residential Declaration, Design Guidelines and Community-Wide Standard.
- 7.8 **Prohibition of Damage and Certain Activities.** Except with the prior written consent of the Association, nothing shall be done or kept in or on any Lot or in any other part of the Project which may result in cancellation of any insurance on the Project or any part thereof, nor shall anything be done or kept in or on any Lot which may increase the rate of insurance on the Project or any part hereof over that which the Association, but for such activity, would have to pay. Nothing shall be done or kept in or on any Lot or in the

Project or any part thereof which would be in violation of any statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental authority.

- 7.9 **Rules and Regulations.** The Owners shall comply with all of the rules and regulations set forth in the Master Residential Declaration. In addition, the Board may adopt, amend, or revise additional rules and regulations pertaining solely to the Project and in accordance with the Bylaws.
- 7.10 **Construction Period Exemption.** During the course of actual construction of any structures or improvements which are permitted to be located on the Project, the provisions, covenants, conditions, and restrictions contained in this Declaration shall be deemed waived to the extent necessary or convenient to permit such construction; provided, however, that during the course of such construction, nothing shall be done which would result in a violation of any of said provisions, covenants, conditions, or restrictions following completion of such construction.
- 7.11 **Pets and Animals.** No animals or birds of any kind shall be raised, bred or kept in or on any Lot, except to the extent permitted by the Master Residential Declaration and any additional rules or regulations adopted by the Board.

#### ARTICLE 8 THE ASSOCIATION; BYLAWS

- 8.1 **Membership and Bylaws.** Each Owner shall be entitled and required to be a Member of the Association. Membership shall begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Lot is held by more than one Owner, all Co-Owners are jointly and severally obligated to perform the responsibilities of the Owner under this Declaration. An Owner shall be entitled to one membership in the Association for each Lot owned by said Owner. Each Lot shall have one vote in the Association appurtenant thereto, regardless of the number of Owners thereof. Each membership shall be appurtenant to the Lot to which it relates and shall be transferred automatically by conveyance of that Lot. Ownership of a Lot within the Project cannot be separated from membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance, or other disposition of a Lot shall be construed to be a devise, encumbrance, conveyance or other disposition, respectively, of the Owner's membership in the Association, and the rights appurtenant thereto. Except as otherwise provided in the Bylaws with respect to the Declarant, no person or entity other than an Owner may be a member of the Association and in no event shall membership in the Association be transferred except in connection with the transfer of a Lot.
- 8.2 **Board.** The Board of Directors (the "**Board**") shall initially consist of three (3) members and may be increased up to as many as seven (7) members in accordance with and upon the terms of the Bylaws. Declarant reserves the right to appoint all of the Board consistent with the terms of the Bylaws.
- 8.3 **Amplification.** The provisions of this Article may be amplified by the Articles of Incorporation and separately adopted Bylaws of the Association; provided, however, that

no such amplification shall substantially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

#### ARTICLE 9 CERTAIN RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

- 9.1 **Manager.** The Association may by written contract delegate in whole or in part to a professional Manager such of the Association's duties, responsibilities, functions, and powers hereunder as are properly delegable. The services of any Manager retained by the Association shall be paid for with funds from the Common Expense Fund.
- 9.2 **Miscellaneous Goods and Services.** The Association may obtain and pay for the services of such personnel as the Association shall determine to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or with which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Project, the enforcement of this Declaration, or any other matter. In addition to the foregoing, the Association may (but is not obligated to) acquire and pay for out of the Common Expense Fund necessary or desirable utility services for the Project and insurance, bonds, and other goods and services common to the Lots.
- 9.3 **Real and Personal Property.** The Association may acquire, hold and own real, personal, and mixed property of all types for the use or benefit of all of the Owners and may dispose of such property by sale or otherwise. The maintenance, repair and replacement of all such property shall be paid for out of the Common Expense Fund and all proceeds from the disposition thereof shall become part of such Fund.
- 9.4 **Rules and Regulations.** The Association, by action of the Board, may make reasonable rules and regulations governing the use of the Lots, which rules and regulations shall be consistent with the rights and duties established in this Declaration. The Association may take judicial action against any Owner to enforce compliance with such rules and regulations or other obligations of Owners arising hereunder, or to obtain damages for noncompliance therewith, as permitted by law. In the event of such judicial action, the Association shall be entitled to recover its costs, including reasonable attorneys' fees, from the offending Owner.
- 9.5 **Implied Rights.** The Association may exercise any right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.
- 9.6 **Indemnification.** To the fullest extent permitted by law, the Association shall indemnify the following persons and entities against all expenses and liabilities including, but not limited to, attorneys' fees, reasonably incurred by or imposed upon such person in connection with any proceeding to which such person may be a party, or in which such person may become involved, by reason of such person being or having served in any

capacity on behalf of the Association (or by reason of having appointed, removed or controlled or failed to control members of the Board or the Project DRC):

- (a) every director and officer of the Association and every member of the Project DRC and any other committee of the Association;
- (b) every director, officer and employee of the Declarant and the Master Residential Association and the Daybreak Community Council, Inc.; and
- (c) every person serving as an employee of the Association.

Any such person shall be entitled to indemnification whether or not such person is a director, officer or member of the Association or of the Project DRC or any other committee of the Association or is serving in any other such specified capacity at the time such expenses are incurred, provided that the Board shall determine, in good faith, that the person to be indemnified hereunder did not act, fail to act, or refuse to act with gross negligence or fraudulent or criminal intent in the performance of its duties. The foregoing rights of indemnification shall be in addition to, and not in place of, all other rights to which such persons may be entitled at law or otherwise.

- 9.7 **Cooperation with Declarant.** Declarant or its affiliate is the owner of real property adjacent to or nearby the Project. The plans for such real property currently include development as mixed-use parcels. Different uses may be constructed at different times. Therefore, Lots within the Project may be located near other uses when such adjacent or nearby real property is developed, including retail, civic and office property and apartments, townhouses and condominiums. Certain traits of each Lot and the Project may change over time depending on adjacent or nearby uses, such as the view, shade, perceived privacy and amount of traffic. The Association and each Owner hereby acknowledge the plans for adjacent mixed-use development and agree not to challenge or oppose such development with any of the Association, the Master Residential Association, the Daybreak Community Council, the City of South Jordan or the County of Salt Lake, State of Utah, or any other relevant governing body.

#### ARTICLE 10 ASSESSMENTS

- 10.1 **Agreement to Pay Assessments.** Each Owner of a Lot by the acceptance of instruments of conveyance and transfer therefore, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association, to pay to the Association all assessments, both regular and special, made by the Association for the purposes provided in this Declaration. Such assessments shall be fixed, established and collected from time to time as provided in this Article. The obligation to pay assessments shall commence as to each Lot on the first day of the month following the date on which a certificate of occupancy is issued for a Dwelling, or a Dwelling is actually occupied, whichever first occurs.
- 10.2 **Regular Assessments.** Regular assessments shall be computed and assessed against all Lots in the Project as follows:

(a) Common Expenses.

- (1) Annual Budget. At least sixty (60) days before the beginning of each fiscal year, the Association shall prepare, or cause to be prepared, an operating budget setting forth an itemized statement of the anticipated expenses for the coming year and taking into account the general condition of the Project. The estimated expenses in each budget shall include, in addition to any operating reserves, a reasonable contribution to a reserve fund for repair and replacement of any capital items to be maintained. The Board shall send a copy of such budget, together with the amount of the assessments to be levied pursuant to such budget, to each Member at least thirty (30) days prior to the due date of the assessments to be levied pursuant to such budget. The budget shall automatically become effective unless disapproved or amended by a vote of at least seventy-five percent (75%) of the Total Votes of the Association at a Member meeting set in accordance with the Bylaws. If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then the budget most recently in effect, increased by ten percent (10%), shall continue in effect until a new budget is determined.
- (2) Basis of Annual Budget. The annual budget shall be based upon the Association's estimates of the cash required to provide for payment of expenses (the "Common Expenses") arising out of or connected with maintenance and operation of the Maintained Areas and the Associations other obligations hereunder. Additionally, such actual expenses and estimated expenses may include, among other things, the following: expenses of management; governmental taxes and special assessments; premiums for all insurance that the Association is required or permitted to maintain; repairs and maintenance; wages for Association employees, including fees for a Manager, if any; utility charges, if any; legal and accounting fees; any deficit remaining from a previous period; creation of a reasonable contingency reserve; sinking or reserve funds required or allowed herein; and any other expenses and liabilities which may be incurred by the Association for the benefit of all of the Owners or by reason of this Declaration.
- (3) Annual Assessments. The Association shall establish a regular, equal monthly assessment to be paid by each Owner into the Common Expense Fund; provided, however, that if the Common Expenses associated with certain Lots are greater than those of other Lots, then such Lots associated with higher Common Expenses may be assessed a proportionately higher assessment (including any assessment under Section 10.3 hereof) in the reasonable business judgment of the Association. The dates and manner of payment shall be determined by the Association. The foregoing method of assessing the Common Expenses to the Owners may be altered by the Association so long as the method it adopts is consistent with good accounting practice and requires that the portion of Common Expenses

borne by each Owner be equitable under the circumstances. Each monthly installment of the regular assessment shall bear interest at the rate of ten percent (10%) per annum (or such higher rate as the Board may establish, subject to the limitations of Utah law) from the date it becomes due and payable until paid. Failure of the Association to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of any Lot for such assessment.

- (b) Inadequate Funds. In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Association may levy additional assessments in accordance with the procedure set forth in Section 10.3 below, except that the vote therein specified shall not be necessary.

- 10.3 **Special Assessments.** In addition to the regular assessments authorized herein, the Association may levy, at any time and from time to time, upon affirmative vote of at least fifty one percent (51%) of the Total Votes of the Association, special assessments, payable over such periods of time as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Maintained Areas, Lots, Buildings or any part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration. This section shall not be construed as an independent source of authority for the Association to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections or Articles hereof. Any amounts assessed pursuant hereto shall be apportioned equally among and assessed equally to all Owners, except as otherwise provided herein. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners. No payment shall be due less than thirty (30) days after such notice shall have been mailed. All unpaid portions of any special assessment shall bear interest at the rate of ten percent (10%) per annum (or such higher rate as the Board may establish, subject to the limitations of Utah law) from the date such portions become due until paid.
- 10.4 **Lien for Assessments.** All sums assessed to the Owner of any Lot pursuant to the provisions of this Article, together with interest thereon as provided herein, shall be secured by a lien on such Lot in favor of the Association. To evidence a lien for sums assessed pursuant to this Article, the Association may prepare a written notice of lien setting forth the amount of the Assessment, the date due, the amount remaining unpaid, the name of the Owner of the Lot, and a description of the Lot. Such notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the office of the Salt Lake County Recorder. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Association in the same manner in which deeds of trust or mortgages on real property may be foreclosed in the State of Utah. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, including reasonable attorneys' fees, and such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of

foreclosure. The Association shall have the right and power to bid in at any foreclosure sale, and to own, lease, mortgage or convey the subject Lot.

- 10.5 **Personal Obligation of Owner.** The amount of any regular or special Assessment against any Lot (along with any interest charged of such assessments, late charges as determined by Board resolution, costs and reasonable collection and/or attorneys' fees incurred in connection with collection of the same) shall be the personal obligation of the Owner of such Lot to the Association. Suit to recover a money judgment for such personal obligation may be maintained by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by abandonment of his Lot, or by waiving any services or amenities. In the event of any suit to recover a money judgment for unpaid assessments hereunder, the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including reasonable attorneys' fees.
- 10.6 **Statement of Account.** Upon written request of any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Lot and payment of any reasonable fee assessed, the Association shall issue a written statement setting forth the following: (a) the amount of the unpaid assessments, if any, with respect to such Lot, and (b) the amount of the current regular assessment with respect to such Lot and the date such assessment becomes or became due. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.
- 10.7 **Personal Liability of a Purchaser.** A purchaser of a Lot shall be jointly and severally liable with the seller thereof for all unpaid assessments against such Lot up to the time of the grant of conveyance; provided, however, that the provisions of this section shall not prejudice the purchaser's right to recovery from the seller of the amount of such assessments paid by the purchaser for such assessments.
- 10.8 **Assessments Part of Common Expense Fund.** All funds received from assessments under this Article shall be a part of the Common Expense Fund.

#### ARTICLE 11 CASUALTY AND INSURANCE

- 11.1 **Casualty.** In the event of destruction or damage to part or all of the Buildings or other improvements in the Project, the provisions of this section shall apply:
- (a) If proceeds of the insurance maintained by the Association are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be promptly carried out.
  - (b) If proceeds of the insurance maintained by the Association are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all of the Owners affected by such casualty shall be subject to a special assessment for any deficiency, which special assessment shall be calculated in an equitable manner based upon the amount of the insurance deficiency and the extent of damage to such Owner's Lot or Dwelling.

- (c) Any insurance proceeds remaining after repairing or replacing the damaged improvements shall be applied to reserves for future repairs and replacements.
- (d) Any reconstruction or repair which is required to be carried out by this Article shall be accomplished at the request and direction of the Board.
- (e) The term "reconstruction," as used in this Article, shall mean restoring the damaged Building to substantially the same condition in which it existed prior to the fire or other disaster, with each Building having substantially the same vertical and horizontal boundaries as before.

## 11.2 Insurance.

- (a) Fire and Extended Coverage. The Board shall have the authority to, and shall obtain, insurance for all Buildings, structures, fixtures and equipment, and common property of the Association, against loss or damage by fire, lightning, and such other perils as are ordinarily insured against by standard extended coverage endorsements, and all other perils which are customarily covered with respect to projects similar in construction, location, and use, including all perils normally covered by the standard "all risk" endorsement, where such is available, issued in the locale of the Property, or, if the policy does not include an "all risks" endorsement, a policy that includes the "broad form" covered causes of loss, in amounts at all times (i) that is sufficient to prevent the Owners from becoming co-insurers under the terms of any applicable coinsurance clause or provision and (ii) that is not less than one hundred percent (100%) of the current insurable replacement cost of such items (exclusive of land, foundations, footings, excavations, and other items normally excluded from coverage). This insurance shall also:
  - (1) provide coverage for built-in or installed improvements, fixtures, and equipment that are part of a Dwelling, and shall provide for coverage of interior walls, windows and doors, and the frames, sashes, jambs and hardware therefore, even though these improvements may be parts of Dwellings, and/or maintained by the Owner;
  - (2) provide that no assessment may be made under the policy against a first mortgage lender, or its insurer or guarantor, and, that any assessment under such policy made against others may not become a lien on a Lot and its appurtenant interests superior to an interest of the first mortgage lender;
  - (3) be written in the name of the Association for the use and benefit of the Owners, or its authorized representative, including any insurance trustee with whom the Association has entered into an insurance trust agreement, or any successor to such trustee, for the use and benefit of the individual Owners;
  - (4) be written with a company authorized to do business in the State of Utah that satisfies the requirements of the Federal National Mortgage

Association or such other secondary mortgage market agencies or federal agencies as the Board determines appropriate;

- (5) have a deductible amount no greater than the lesser of one thousand dollars or one percent of the policy face amount, or such other amount as reasonably determined by the Board from time to time;
- (6) be paid for by the Association through annual assessments of the Owners;
- (7) contain a waiver of subrogation of rights by the carrier as to the Association, to its officers and directors, and to all Owners;
- (8) contain an inflation guard endorsement, to the extent available at a reasonable cost and terms;
- (9) provide that the insurance shall not be prejudiced by any acts or omissions of individual Owners who are not under the direct control of the Association; and
- (10) be primary, even if an Owner has other insurance that covers the same loss.

(b) Liability Insurance. The Association shall obtain and maintain a commercial policy of general liability insurance covering all of the Maintained Areas and any other areas under the Association's supervision, and Dwellings, if any, owned by the Association, even if leased to others, insuring the Association, the directors of the Board, and the Owners and occupants, with such limits as the Board may determine, but no less than the greater of (i) the amounts generally required by institutional first mortgage holders, insurers, and guarantors for projects similar in construction, location and use, and (ii) one million dollars, for bodily injury, including deaths of persons, and property damage, arising out of a single occurrence. This insurance shall contain a "severability of interest" provision, or, if it does not, an endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, the Board, or other Owners, and shall include, without limitation, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons resulting from the operation, maintenance or use of the Maintained Areas, and legal liability arising out of lawsuits related to employment contracts in which the Association is a party.

(c) Fidelity Coverage. The Board shall obtain and maintain fidelity insurance providing coverage for the Association against dishonest acts on the part of directors, managers, trustees, employees, agents, and volunteers responsible for or handling funds belonging to or administered by the Association. The fidelity insurance policy must name the Association as the named insured and shall be written in an amount sufficient to provide protection, which is in no event less than the greater of (i) an amount equal to the Association's reserve funds plus three months' assessments on all Lots, and (ii) the maximum amount that will be

in the custody of the Association or the Manager at any time while the policy is in force. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. The policy shall provide that it shall not be canceled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Association and any insurance trustee. Any Manager who handles funds of the Association shall maintain a policy of fidelity insurance providing coverage no less than that required of the Association, which bond or insurance policy names the Association as an additional insured.

- (d) Hazard Insurance Carrier. Each policy of hazard insurance obtained pursuant hereto shall be obtained from an insurance company authorized to write such insurance in the State of Utah which has a "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance Reports-international edition, a "BBBQ" qualified solvency ratio or a "BBB" or better claims-paying ability rating in Standard and Poor's Insurer Solvency Review, or a "BBB or better claims-paying ability rating in Standard and Poor's International Confidential Rating Service. Insurance issued by a carrier that does not meet the foregoing rating requirements will be acceptable if the carrier is covered by reinsurance with a company that meets either one of the A.M. Best general policyholder's ratings or one of the Standard and Poor's claims-paying ability ratings mentioned above.
- (e) Other Association Insurance. In addition, the Board may purchase and maintain contractual liability insurance, trustees' and officers' liability insurance, and such other insurance as the Board may determine. At the request of the Declarant, the Board will add parties specified by Declarant as additional insured parties to any insurance policy held by the Association.
- (f) Insurance Representative: Power of Attorney. There may be named, under any policy obtained by the Association, as an insured on behalf of the Association, its authorized representative, including any trustee with whom the Association may enter into any insurance trust agreement, or any successor to such trustee, who shall have exclusive authority to negotiate losses under any such policy. Each Owner, by acceptance of a deed to a Lot, irrevocably appoints the Association or such designated representative, or such successor, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof, the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or such designated representative, or such successor, shall receive, hold, or otherwise properly dispose of any proceeds of insurance, in trust, for the Owners, as their interests may appear. This power is for the benefit of each and every Owner, the Association, and the Project, and runs with the land, and is coupled with an interest.

- (g) Owners' Insurance. Any Owner or occupant may carry such insurance in addition to that provided by the Association pursuant hereto as that Owner or occupant may determine, subject to the provisions hereof, and provided that no Owner or occupant may at any time purchase individual policies of insurance against loss by fire or other casualty covered by the insurance carried pursuant hereto by the Association which diminishes the Association's hazard insurance. In the event any Owner or occupant violates this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Owner who acquired or whose occupant acquired such other insurance, who shall be liable to the Association to the extent of any diminution and/or loss of proceeds. Without limiting the foregoing, an Owner or occupant may obtain insurance against liability for events occurring within a Dwelling, losses with respect to personal property and furnishings, and losses to improvements owned by the Owner or occupant, provided that, if the Association obtains insurance for permanent improvements and built-in fixtures and equipment, then the insurance obtained by the Owner with respect to improvements within the Dwelling shall be limited to the type and nature of coverage commonly referred to as "tenants" improvements and betterments. All such insurance separately carried shall contain a waiver of subrogation rights by the carrier as to the Association, its officers and directors, and all other Owners and occupants.
- (h) Certificates of Insurance. An insurer that has issued an insurance policy under this Article shall issue certificates or a memorandum of insurance to the Association and, upon request, to any Owner, Mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner, and each Mortgagee or beneficiary under deed of trust to whom certificates of insurance have been issued.
- (i) Worker's Compensation and Employer's Liability Insurance. The Board shall acquire workmen's compensation and employer's liability insurance and all other similar insurance in respect to employees of the Association in the amounts and in the forms now or hereafter required by law.
- (j) Directors and Officers Liability. The Association shall obtain and continue in effect insurance for the protection of the directors and officers of the Association from personal liability in the management of the Association's affairs.
- (k) Review of Insurance. The Association shall review annually the coverage and policy limits of all insurance on the Project and shall adjust the same at its discretion. Such annual review may include an appraisal of the improvements in the Project by a representative of the insurance carrier or carriers providing the policy or policies on the Project, or such other qualified appraisers as the Association may select.

## ARTICLE 12 COMPLIANCE WITH DECLARATION AND BYLAWS

- 12.1 **Compliance.** Each Owner shall comply with the provisions of this Declaration, the Articles and Bylaws, rules and regulations promulgated by the Association, and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due and for damages or injunctive relief or both, maintainable by the Association or by an aggrieved Owner.
- 12.2 **Enforcement and Remedies.** The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any supplemental or amended Declaration, enforceable against the Association, shall be enforceable by any Owner of a Lot by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any supplemental or amended Declaration, enforceable against an Owner or any other person, shall be enforceable by Declarant or the Association by a proceeding for a prohibitive or mandatory injunction or by a suit or action to recover damages or to recover any amount due or unpaid.
- 12.3 **Exemption.** Notwithstanding anything in this Declaration to the contrary, none of the covenants, conditions, restrictions, easements or other provisions contained in this Declaration shall be construed or deemed to limit or prohibit any act of Declarant or its affiliates in connection with the construction, management, administration, completion, maintenance, operation, sale, leasing, promotion or general development of the Project. In addition, Declarant may extend all or any part of its exemption in writing to third parties, their employees, agents and contractors, or parties designated by them in connection with the same matters.

### ARTICLE 13 MORTGAGEE PROTECTION

- 13.1 **Mortgage Protection.** No breach of any of the covenants, conditions, restrictions, and limitations contained herein shall defeat or render invalid the lien of any Mortgage made in good faith and for value; provided, however, that all such covenants, conditions, restrictions and limitations contained herein shall be binding upon an Owner whose title is derived through foreclosure or trustee's sale.
- 13.2 **Priority of Liens.** No enforcement of any lien provision herein contained shall defeat or render invalid the lien of any Mortgage. All sums assessed in accordance with the provisions herein shall constitute a lien on each respective Lot prior and superior to all other liens except (a) all taxes, bonds, assessments and other levies which, by law, would be superior thereto; and (b) the lien or charge of any recorded Mortgage on such Lot made in good faith and for value and recorded prior to the date on which any such assessment or assessments become due.
- 13.3 **Prior Liens Relate Only to Individual Lots.** All taxes, assessments and charges which may become liens prior to the first Mortgage under local law shall relate only to the individual Lot and not to the Project as a whole.

- 13.4 **Mortgage Holder Rights in Event of Foreclosure.** Any Mortgagee of a Mortgage of record which obtains title to a Lot by the foreclosure of the Mortgage on the Lot or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the Lot free of any claims for unpaid assessments and charges against the Lot which accrued prior to the date of the acquisition of title to such Lot by such acquirer. Any unpaid assessments shall be deemed to be Common Expenses collectible from all of the Lots in the Project, including the Lot that has been acquired in accordance with the provisions of this section.

#### ARTICLE 14 EXPANSION PROJECT

- 14.1 **Right to Expand and State of Title to New Lots.** There is hereby granted unto Declarant, and Declarant hereby reserves, the absolute right to expand the Project at any time (within the limits herein prescribed) and from time to time by adding to the Project Additional Land. Notwithstanding any provision of this Declaration which might be construed to the contrary, such right and option may be exercised without obtaining the vote or consent of any other person (including any Owner, Mortgagee, or the Association) and shall be limited only as specifically provided in this Declaration. Any Additional Land shall be deemed added to the Project and, subject to the terms of this Article 14, to the jurisdiction of the Association at such time as a duly approved subdivision plat and/or a supplement to this Declaration containing the information required by Section 14.3 has/have been recorded with respect to such Additional Land concerned. After the recordation of such supplement and/or plat (as applicable), title to each Lot(s) thereby created or identified as Additional Land concerned shall be vested in and held by Declarant or its affiliate, and none of the other Owners or the Association shall have any claim or title to or interest in such Lot(s).
- 14.2 **Rights and Statements Respecting Additional Land.** Declarant hereby furnishes the following information and statements respecting Additional Land which may be added to the Project and Declarant's right and option concerning expansion of the Project by the addition thereto of Additional Land:
- (a) Additional Land may be added to the Project at any time (within the limits herein prescribed) and from time to time.
  - (b) There are no limitations or requirements relative to the size, location, or configuration of any Additional Land which can be added to the Project or relative to the order in which particular Additional Land can be added to the Project.
  - (c) There are no limitations or requirements (other than zoning and subdivision restrictions as they may exist or be modified from time to time) relative to the layout, design, size, location, density, permitted uses, legal structure, or other characteristics of the Lots, Buildings, and Dwellings to be created on any Additional Land added to the Project. In any supplement to this Declaration which is recorded in conjunction with the addition to the Project of Additional Land, Declarant shall have the right in its sole discretion to specify building

restrictions and standards applicable to such Additional Land. In Declarant's sole discretion, the restrictions and standards so specified may be different than or in addition to the restrictions and standards set forth in this Declaration.

- (d) Any Building or Dwelling erected on Additional Land added to the Project will be constructed in a good and workmanlike manner.
- (e) In conjunction with the addition to the Project of Additional Land, Declarant shall have the right to reserve, in the instruments through which the addition is accomplished, rights-of-way and/or easements for purposes of enabling access to, furnishing utilities to, and facilitating or enabling development of, Additional Land as has then not been added to the Project.
- (f) The maximum number of Lots which may be created on Additional Land added to the Project is four thousand (4,000).

**14.3 Procedure for Expansion.** The supplements to this Declaration, by which addition to the Project of any Additional Land is accomplished, shall be executed by Declarant; shall be in recordable form; shall be filed for record in the office of the County Recorder of Salt Lake County, Utah, on or before twenty (20) years from the date that this Declaration is recorded; and shall contain the following information concerning the Additional Land which is being added to the Project:

- (a) Data sufficient to identify this Declaration and the plat respecting the Additional Land being added to the Project.
- (b) The legal description of the Additional Land being added to the Project.
- (c) Any amendments, supplements, or replacements to or for the standards and restrictions set forth in Article VII or elsewhere in this Declaration.
- (d) A statement that such Additional Land shall thereafter be held, transferred, sold, conveyed, and occupied subject to the covenants, restrictions, easements, charges, and liens set forth in this Declaration, as said Declaration may be amended or supplemented in accordance with the immediately foregoing Paragraphs (c) and (d).
- (e) Such rights-of-way and/or easements as are being reserved by Declarant pursuant to Paragraph (e) of the immediately foregoing Section 14.2.
- (f) Such other matters as Declarant may deem to be necessary, desirable, or appropriate.

Upon the recordation of any supplement contemplated above, it shall automatically supplement this Declaration and any supplements previously recorded. At any point in time, the Declaration for the Project shall consist of this Declaration, as amended and expanded by all supplements theretofore recorded pursuant to the terms hereof.

**14.4 Expansion May Include Common Areas or Limited Common Areas.**

Notwithstanding anything in this Declaration to the contrary, in Declarant's sole discretion, portions of Additional Land that may be added to the Project pursuant to this Section 14 may include "Common Areas" and/or "Limited Common Areas" as defined herein. In the event that a supplement to this Declaration adds to the Project any "Common Area" or "Limited Common Area", such supplement shall contain terms and provisions setting forth the following (in addition to such terms and provisions as may be required or permitted under this Section 14):

- (a) Descriptions of easements in favor of and describing the Owners' (or in the case of Limited Common Areas, certain Owners') rights to use and enjoy the Common Areas and/or the Limited Common Areas, as applicable, as well as setting forth the Association's ability to suspend such use and enjoyment rights in the event that assessments are unpaid;
- (b) The apportionment of the Owners' (or with respect to Limited Common Areas, certain Owners') and the Association's responsibility to operate and maintain such Common Areas and/or Limited Common Areas;
- (c) The authority of the Association to charge the Owners (or, in the case of Limited Common Areas, certain Owners) assessments with respect to the Common Areas and/or the Limited Common Areas and the Owners' (or, in the case of Limited Common Areas, certain Owners') obligation to pay assessments to the Association for the operation and maintenance of such Common Areas and/or Limited Common Areas;
- (d) Rules, regulations, and other restrictions governing the use of the Common Areas and/or Limited Common Areas;
- (e) The types, amounts, and responsibility to obtain and maintain insurance with respect to the Common Areas and/or Limited Common Areas; and
- (f) The ability of the Declarant to require the Association to re-convey such Common Areas or Limited Common Areas to the Declarant pursuant to the terms of the Master Residential Declaration.

**"Common Areas"** as used herein shall mean and refer to all portions of the Project owned by the Association for the common use and enjoyment of the Owners, and shall include: (i) all portions of the Project not specifically included with the individual Lots and specifically designated by the Declarant as Common Area pursuant to a supplement to this Declaration or on a subdivision plat as open space, "P-Lot", private lanes, and/or other common amenities otherwise designated by Declarant; and (ii) all installations, equipment, and lines, if any, now or hereafter located on, over, or under the Common Areas and connected with or related to furnishing of the Project utility services such as water, sewage disposal, electricity, and telephone, and which are not owned by or dedicated to a governmental or quasi-governmental authority or public or private utility company and which are not reserved by Declarant.

“**Limited Common Areas**” as used herein shall mean and refer to those Common Areas designated in a supplement to this Declaration or in a subdivision plat as reserved for the use of a certain Lot or Lots to the exclusion of the other Lots.

- 14.5 **No Obligation to Expand.** Except to the extent specifically indicated herein, this Declaration is not intended, and shall not be construed, so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: (i) the addition to the Project of any Additional Land; (ii) the creation of, or construction on, any Lot within any particular time or in any particular manner; or (iv) the taking of any particular action with respect to any Additional Land. Except to the extent specifically indicated herein, no covenant, restriction, limitation, representation, or commitment in this Declaration concerning anything that is or is not to occur, apply, or be done on or relative to Additional Land shall be binding as to any Additional Land as is never added to the Project.
- 14.6 **Owners’ Obligation Concerning Expansion of Project or Development of the Additional Land.** Each Owner, by acquiring his interest in the Project, agrees not to inhibit or oppose Declarant’s future development of Additional Land (whether or not added to the Project) and the obtaining of necessary approvals therefore. Without limiting the scope of the immediately foregoing sentence, no Owner shall oppose such development in public meetings, by petition, or by legal actions.

#### ARTICLE 15 GENERAL PROVISIONS

- 15.1 **Intent and Purpose.** The provisions of this Declaration and any supplemental or amended Declaration shall be liberally construed to effectuate the development and operation of the Project. Failure to enforce any provision, restriction, covenant, or condition in this Declaration, or in any supplemental or amended Declaration, shall not operate as a waiver of any such provision, restriction, covenant, or condition or of any other provisions, restrictions, covenants, or conditions.
- 15.2 **Construction.** The provisions of this Declaration shall be in addition and supplemental to all applicable provisions of applicable Utah law. Wherever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural shall include the singular, and the use of any gender shall include all genders. The Article and Section headings set forth herein are for convenience and reference only and are not intended to describe, interpret, define or otherwise affect the context, meaning, or intent of this Declaration or any Article, section or provision hereof. All notices or demands intended to be served upon any Owner may be sent by first class U.S. mail, postage prepaid, addressed to the Owner at his registered mailing address, or, if no address has been registered, to the Lot of such Owner. All notice or demands intended to be served upon the Association may

be sent by first class U.S. registered or certified mail, postage prepaid, addressed to the Association at the address of its offices as may be furnished to the Owners in writing from time to time. Any notice or demand referred to in this Declaration shall be deemed given three days after deposited in the U.S. mail, postage prepaid, and in the form provided for in this section.

- 15.4 **Audit.** Any Owner may at any reasonable time, upon appointment and at his own expense, cause an audit or inspection to be made of the books and records maintained by the Association; provided, however, that such Owner shall not be entitled to request an audit or inspection more than once every eighteen (18) months.
- 15.5 **Amendment.** Declarant reserves the right to unilaterally amend this Declaration for any purpose during the “Declarant Control Period” defined and described in the Bylaws. Following such period, except as otherwise provided herein, this Declaration may be amended if Owners holding at least fifty one percent (51%) of the Total Votes of the Association consent and agree to such amendment at a meeting of the Owners duly held in accordance with the provisions of the Articles, Bylaws, and this Declaration; provided, however, that for the period of time that the Declarant is a Member of the Association as provided in the Bylaws, the Declarant’s consent to such amendment shall be required, which consent may be given, withheld or conditioned in Declarant’s sole discretion. Properly approved amendments shall be evidenced by instruments which are duly recorded in the office of the County Recorder for Salt Lake County, State of Utah.
- 15.6 **Effective Date.** This Declaration shall take effect upon recording in the Official Records of the Salt Lake County Recorder, State of Utah.
- 15.7 **Term and Termination.** This Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, and thereafter shall automatically extend for successive 10-year periods unless at least seventy-five percent (75%) of the then-Owners sign a document stating that this Declaration is terminated and that document is recorded within the year before any extension. In such case, this Declaration shall terminate on the date specified in the termination document.
- 15.8 **Agent for Service.** The person to receive service of process for the Association shall be the then current registered agent of the Association as shown on the records maintained in the of Office of the Division of Corporations and Commercial Code of the State of Utah.
- 15.9 **Limitation on Association’s Liability.** The Association shall not be liable for any failure of water service or other utility service which may be obtained and paid for by the Association hereunder, or for injury or damage to any person or property caused by the elements or by another Owner or person in the Project, or resulting from electricity, water, rain, snow or ice. No diminution or abatement of any assessments under this Declaration shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs, maintenance or improvements to the Project or any part thereof, or from any action taken to comply with any law, ordinance or order of a governmental authority.

- 15.10 **Owner's Obligations.** All obligations of an Owner under and by virtue of the provisions contained in this Declaration shall continue, notwithstanding that he may be leasing, renting, or selling on contract his Lot. The Owner of a Lot shall have no obligation for expenses or other obligations accruing after he conveys title to such Lot.
- 15.11 **Declarant's Rights Assignable.** The rights of Declarant hereunder or in any way relating to the Project may be assigned. Upon assignment, references to the "Declarant" shall refer to such assignee.
- 15.12 **Master Residential Declaration's Full Force and Effect.** The Master Residential Declaration shall remain in full force and effect, provided, however, that in the event of a specific and clear conflict between the Master Residential Declaration and this Declaration, the terms of this Declaration shall control, but only in connection with the Project and the Lots.
- 15.13 **Dispute Resolution and Limitation on Litigation/Covenant Not to Sue.**

(a) **Litigation.** Declarant, the Association, all Owners, and all other persons or entities subject to this Declaration (collectively, the "Bound Party(ies)") agree to encourage the amicable resolution of disputes involving the Project or any portion thereof, and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, each Bound Party covenants and agrees by acceptance of a deed or other document of conveyance to a Lot that any and all claims, grievances or disputes between such Bound Party and any other Bound Party involving the Project, including by way of illustration but not limitation any and all claims, grievances or disputes arising out of or relating to the construction or design of improvements within the Project by Declarant, any builder, or any director, officer, manager, partner, employer, contractor, design professional, consultant, subcontractor or agent of Declarant, any builder, or any other person or entity involved in the original construction of the Dwellings or any common area (collectively, a "Declarant Party"), or arising out of or relating to the interpretation, application or enforcement of this Declaration, the Bylaws or the Articles (individually a "Claim", and collectively "Claims") shall be resolved by good faith negotiation, and if negotiations fail, then (upon compliance with subsections (b) – (e) below as to Claims against a Declarant Party), by mediation, and if mediation fails, then by binding arbitration in lieu of filing suit in any court or initiating proceedings before any administrative tribunal seeking redress or resolution of such Claim. The Bound Parties hereby waive their rights to a jury trial with respect to any Claim.

(b) **Notice and Opportunity to Cure.** Anything to the contrary notwithstanding, each Bound Party hereby covenants and agrees that no mediation, arbitration, or litigation of a Claim may be commenced by a Bound Party against a Declarant Party until the following has been complied with: the Bound Party shall give Declarant written notice which shall include a detailed description of any and all claims of the Bound Party, the date upon which each such claim was first discovered, and dates and times when the Association, Owner, or their agent, as applicable, will be available during ordinary business hours, so that service calls or inspections by Declarant, or its agent, can be scheduled. In its sole discretion, Declarant shall be entitled to inspect the

applicable property and cure the circumstances giving rise to such Claim(s). Nothing contained in this Section shall obligate Declarant to perform any such inspection or repair, nor shall this Section be deemed to increase or alter in any way Declarant's legal obligations to the Association or any Owner. Written notice delivered to Declarant shall be a condition precedent to any Bound Party's right to pursue any other remedies available to it at law or otherwise, including without limitation, mediation, arbitration or litigation of a Claim, until Declarant has had the reasonable opportunity to inspect and cure any claimed defect. During the term of any written warranty provided to the original Owner of a Dwelling by a Declarant Party, any conflict between the provisions of this Section and the warranty shall be resolved in favor of the warranty. The Declarant Parties shall not be liable for any general, special, or consequential damage, cost, diminution in value or other loss which the Association or any Owner may suffer as a result of any claimed defect in a Dwelling or common area which reasonably might have been avoided had the Association or the applicable Owner given Declarant the notice and opportunity to cure as described above within a reasonable time of discovering the claimed defect. Nothing contained herein shall establish any contractual duty or obligation on the part of any Declarant Party to repair, replace or cure any claimed defect. The Owners' and the Association's continuing obligation under this covenant shall be binding upon all Owners and their successors and assigns. The Association and all Owners shall accept Declarant's reasonable measures to cure any claimed defect.

(c) Legal Opinion. Additionally, no mediation, arbitration, or litigation of a Claim may be commenced by the Association against Declarant or a Declarant Party which shall or may require the Association to incur or suffer attorneys' fees and costs until the Association has obtained a legal opinion from an attorney licensed to practice law in Utah having at least ten (10) years of experience in litigation practice, with the legal opinion providing in substance the following: (i) a description of the factual allegations and legal claims to be asserted in the action; (ii) an analysis of the facts and legal claims explaining why it would be in the best interests of the Association to pursue such action, taking into account the anticipated costs and expenses, the options available to address the problems at issue, the likelihood of success on the merits of the claims, and the likelihood of recovery if a favorable judgment is obtained by the Association; and (iii) providing a budget of the estimated amounts of legal fees, costs, expert witness fees and other expenses likely to be incurred in connection with such action (the "Claim Budget");

(d) Approval of Owners. A copy of the opinion letter shall be provided to all Owners, and, after the Owners have had a reasonable period of time to review the opinion letter, the decision to pursue the subject action must be approved by Owners (excluding Declarant) who collectively hold at least seventy-five (75%) percent of the total votes in the Association; and

(e) Collection of Funds. The Association must collect funds from the Owners, by special assessment or otherwise, equal to at least one-half (1/2) of the Claim Budget.

If any claims or actions falling within the scope of this Section 15.13 are filed without satisfying all of the requirements set forth above, such claims or action shall be

dismissed without prejudice and shall not be re-filed unless and until all such requirements have been satisfied. In any action to enforce the requirements of this Section, the prevailing party shall be entitled to an award of reasonable attorney's fees and costs.

OF  
DAYBREAK HIGHLAND PARK VILLAGE TOWNHOME ASSOCIATION, INC.**

**ARTICLE I  
OFFICES**

Daybreak Highland Park Village Townhome Association, Inc., a Utah non-profit corporation (the "Association") shall have its principal office in Salt Lake County, Utah and may have such other offices, within the State of Utah, as the Board of Directors (the "Board") may designate or as the business of the Association may require from time to time.

**ARTICLE II  
DEFINITIONS**

Except as otherwise provided herein or as otherwise required by the context, all terms defined in the Declaration of Covenants, Conditions and Restrictions for Daybreak Highland Park Village Townhome Project, as amended and/or supplemented from time to time (the "Declaration"), shall have such defined meanings when used in these By-Laws.

**ARTICLE III  
MEMBERS**

Section 1. Membership. The Association shall have two classes of membership, Owner membership and Declarant membership, as also set forth in the Master Residential Declaration. The Declarant holds the sole Declarant membership, which membership shall terminate two years after expiration of the Declarant Control Period (as defined herein) or on such earlier date as the Declarant determines. Provisions of the Master Residential Declaration pertaining to membership and voting are incorporated herein by this reference.

Section 2. Annual Meetings. The annual meeting of members of the Association shall occur within ninety (90) days before or after the close of the Association's fiscal year, beginning with the year following the year in which the Articles of Incorporation are filed, for the purpose of electing Directors (if the members then have responsibility for so doing) and transacting such other business as may come before the meeting.

Section 3. Special Meetings. Special meetings of the members for any purpose or purposes, unless otherwise prescribed by statute, may be called from time to time by the president. In addition, the president or the secretary shall immediately call a special meeting if so directed by a resolution of the Board or upon the written request of members holding not less than twenty-five percent (25%) of the Total Votes of the Association, such written request to state the purpose or purposes of the meeting and to be delivered to the Board or the president. No business shall be transacted at a special meeting except as stated in the notice.

Section 4. Place of Meetings. The Board may designate any place in Salt Lake County, State of Utah, as the place of meeting for any annual meeting or for any special meeting called by the Board. A waiver of notice signed by all of the members may designate any place, within the State of Utah, as the place for holding such meeting.

Section 5. Notice of Meetings. The Board, president or secretary shall cause written or printed notice of the time, place, and purpose of all meetings of the members, whether annual or special, to be delivered, not more than fifty (50) nor less than ten (10) days prior to the meeting, to each member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to have been delivered when deposited in the U.S. mail addressed to the member at his registered address, with first class postage thereon prepaid. If emailed, such notice shall be deemed to have been delivered when it is emailed to the member at the member's registered email address; provided, however, that if a member requests mailed notice in writing and provides a postal address, then notice is deemed to have been delivered according to the provision hereto with respect to postal delivery. Each member shall register with the Association such member's current mailing address for purposes of notice hereunder. Such registered address may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, the member's Lot address shall be deemed to be his registered address for purposes of notice hereunder. If a member may participate by means of electronic communication, the notice shall provide the information necessary to allow the member to participate by the available means of electronic communication.

Section 6. Waiver of Notice. Waiver of notice of an Association meeting shall be deemed the equivalent of proper notice. Any member may waive, in writing, notice of any Association meeting, either before or after such meeting. A member's attendance at a meeting shall be deemed a waiver by such member of notice of the time, date, purpose, and place thereof, unless the member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting also shall be deemed a waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

Section 7. Fixing of Record Date. Upon purchasing a Lot in the Project, each Owner shall promptly furnish to the Association a certified copy of the recorded instrument by which ownership of such Lot has been vested in such Owner, which copy shall be maintained in the records of the Association. For the purpose of determining members entitled to notice of or to vote at any meeting of the members, or any adjournment thereof, the Board may designate a record date, which shall not be more than fifty (50) nor less than ten (10) days prior to the meeting. If no record date is designated, the date on which notice of the meeting is mailed shall be deemed to be the record date for determining members entitled to notice of or to vote at the meeting. The persons or entities appearing in the records of the Association on such record date as the Owners of record of Lots in the Project shall be deemed to be the members of record entitled to notice of and to vote at the meeting of the members and any adjournments thereof.

Section 8. Quorum. At any meeting of the members, the presence of members holding, or holders of proxies entitled to cast, at least twenty percent (20%) of the Total Votes of the Association shall constitute a quorum for the transaction of business. In the event a quorum is not present at a meeting, the members present (whether represented in person or by proxy),

though less than a quorum, may adjourn the meeting and immediately reconvene establishing a quorum with the number of members present (in person or by proxy) or reconvene at a later date. Notice thereof shall be delivered to the members as provided above. At the reconvened meeting, the members and proxy holders present shall constitute a quorum for the transaction of business.

Section 9. Proxies. At each meeting of the members, each member entitled to vote shall be entitled to vote in person or by proxy; provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the member himself or by his attorney thereunto duly authorized in writing. If a membership is jointly held, the instrument authorizing a proxy to act must have been executed by all holders of such membership or their attorneys thereunto duly authorized in writing. Such instrument authorizing a proxy to act shall be delivered at the beginning of the meeting to the secretary of the Association or to such other officer or person who may be acting as secretary of the meeting.

Section 10. Votes. Each Lot shall have one vote, to be cast in person or by proxy, with respect to each matter submitted to a vote of the members. No vote shall be exercised for Lots that the Declarant or an affiliate of the Declarant owns; rather, the Declarant's consent shall be required for various actions of the Board as specifically provided for in these Bylaws, the Declaration, and the Master Residential Declaration. The affirmative vote of a majority of the votes entitled to be cast by the members present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by the members, unless a greater proportion is required by these By-Laws, the Declaration, the Master Residential Declaration, or Utah law.

Section 11. Waiver of Irregularities. All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting, form of proxies, and method of ascertaining members present shall be deemed waived if no objection thereto is made at the meeting.

Section 12. Informal Action by Members. Any action that is required or permitted to be taken at a meeting of the members may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by more than fifty percent (50%) of the members entitled to vote with respect to the subject matter thereof.

Section 13. Electronic Meeting. Any action that is required or permitted to be taken at a meeting of the members may be taken by means of electronic communication, including by (i) web conferencing, (ii) video conferencing, and (iii) telephone conferencing; provided that such electronic meeting does not violate any laws, ordinances, regulations and codes of the United States of America, the State of Utah, the County of Salt Lake, the City of South Jordan, or any other agency or entity which may then have jurisdiction over the affairs of the property, affairs, and business of the Association, as the same may change from time to time.

#### ARTICLE IV BOARD OF DIRECTORS

Section 1. General Powers. The property, affairs, and business of the Association shall be managed by the Board. The Board may exercise all of the powers of the Association, whether derived from law, the Articles of Incorporation, these By-Laws, or the Declaration, except those

powers which are by law or by the foregoing documents vested solely in the members. The Board shall, among other things, prepare or cause to be prepared, plan and adopt an annual budget in accordance with and as set forth in the Declaration and Master Residential Association, and cooperate with the Daybreak Community Council in levying, assessing and collecting assessments, and keep or cause to be kept sufficient books and records with a detailed account of the receipts and expenditures affecting the Project and its administration. The books and records shall be available for examination by all members by appointment and at convenient hours on working days that shall be set and announced for general knowledge. All books and records shall be kept in accordance with good accounting procedures and shall be audited as required by the Master Residential Declaration or the Declaration, if applicable. The Board may by written contract delegate, in whole or in part, to a professional management organization or person such of its duties, responsibilities, functions, and powers as are properly delegable. The Board' duties shall also include, but shall not be limited to, the following:

(a) maintaining the landscaping and related improvements on the Lots and maintaining, replacing and repairing the Lots all in accordance with the Declaration and the Master Residential Declaration;

(b) designating, hiring, and dismissing personnel necessary to carry out the Association's rights and responsibilities and where appropriate, providing for compensation of such personnel and for the purchase of equipment, supplies, and materials to be used by such personnel in the performance of their duties;

(c) depositing all funds received on the Association's behalf in a bank depository which it shall approve, and using such funds to operate the Association; however, in the Board of Director's business judgment any reserve funds may be deposited in depositories other than banks;

(d) opening bank accounts on the Association's behalf and designating the signatories required;

(e) making, adopting, amending or revising rules and regulations pertaining to the Project in accordance with the Declaration;

(f) appointing, removing, and replacing members of the Project DRC in accordance with these Bylaws and the Declaration;

(g) cooperating with the Master Residential Association in upholding the Community-Wide Standard;

(h) when requested, providing copies of the Master Residential Association and the Covenant to Owners;

(i) enforcing by legal means the provisions of the Declaration and bringing any proceedings which may be instituted on behalf of or against the Owners concerning the Association; however, the Association's obligation in this regard shall be conditioned in the manner provided in the Master Residential Declaration and the Declaration;

(j) obtaining and carrying property and liability insurance, paying the cost thereof, and filing and adjusting claims, as appropriate and in accordance with the Declaration;

(k) paying the cost of all services rendered to the Association; and

(l) indemnifying a Director, officer or committee member, or former Director, officer or committee member of the Association, to the extent such indemnity is required by Utah law, the Articles, the Declaration and these By-Laws.

Section 2. Initial Board. The initial Board shall be composed of three (3) Directors. The Directors specified in the Articles of Incorporation shall serve as the initial Board until any successors or replacements are appointed by the Declarant. The three-Director initial Board, with any replacements or successors as appointed by the Declarant, shall serve until termination of the Declarant Control Period. Until the termination of the Declarant Control Period, Declarant may appoint, remove, and replace Directors in its sole and absolute discretion. As used herein, the "Declarant Control Period" shall refer to the period of time that the Declarant is entitled to appoint the members of the Association's Board. The Declarant Control Period begins on the date of the Association's incorporation and terminates upon the first of the following to occur:

(a) when 75% of the total number of "Units" (as defined in the Master Residential Declaration) permitted by applicable zoning for the Daybreak project described in the "Master Plan" (as defined in the Master Residential Declaration) have certificates of occupancy issued thereon and have been conveyed to persons other than "Builders" (as defined in the Master Residential Declaration) holding title for purposes of construction and resale;

(b) December 31, 2034; or

(c) when, in its discretion, the Declarant so determines and declares in a recorded instrument.

Notwithstanding anything in these Bylaws or the Declaration that may be construed to the contrary with respect to Declarant's ability to voluntarily terminate the Declarant Control Period as set forth above, Declarant may (in the exercise of its sole and absolute discretion) voluntarily terminate the Declarant Control Period in whole or in part, with respect to all or any portion of any Lot, any Common Area, any Limited Common Area, any portion of Additional Land, or with respect to any issue, matter or subject whatsoever. Declarant's decision to voluntarily terminate the Declarant Control Period with respect to all or any portion of any Lot, Common Area, Limited Common Area, portion of Additional Land, or with respect to any issue, matter or subject shall in no event affect, modify, or act to waive its authority under the Declarant Control Period except with respect to such Lot, Common Area, Limited Common Area, portion of Additional Land, or such issue, matter or subject.

Section 3. Permanent Board.

(a) Following the termination of the Declarant Control Period, the Board shall be composed of three (3) Directors, elected by the Owners, but can be increased up to as many as seven (7) members upon the majority vote of the existing Board or the majority vote of the

Owners at a duly called meeting of the Owners. Directors elected by the Owners are referred to hereinafter as "Owner Directors."

(b) So long as Declarant is a member of the Association pursuant to Article III hereof, the Declarant shall be entitled to appoint, remove, and replace one Director on the Board. Thereafter, the Director elected by the Declarant shall resign and the remaining Directors shall be entitled to appoint a Director to serve until the next annual meeting, at which time the Owners shall be entitled to elect a Director to fill such position. In addition, following the Declarant Control Period, the Directors of the Board shall serve staggered, three (3)-year terms. At each annual meeting, the members, by plurality vote, shall elect a Director to replace the Director(s) whose terms has/have expired and all such Directors shall be elected for a term of three (3) years, except that the Board shall have the right to cause a Director to be elected for less than a three (3) year term if it becomes reasonably necessary to re-establish the intended staggered terms. If the Board increases the number of Directors, the newly appointed Directors shall serve until the first annual meeting after such increase, at which time the terms of the new directorships shall be designated by the Board.

Section 4. Organizational Meetings. The Board shall hold an organizational meeting within ten (10) days following each annual Association meeting at such time and place as the Board shall fix.

Section 5. Regular Meetings. The Board shall hold regular meetings at such time and place as a majority of the Directors shall determine, but the Board shall meet at least four (4) times during each fiscal year with at least one meeting per quarter.

Section 6. Special Meetings. The Board shall hold special meetings when called by written notice of the president, or when any two Directors sign such written notice.

Section 7. Notice; Waiver of Notice. Notices of Board meetings shall specify the time and place of the meeting and, in the case of a special meeting, the nature of any special business to be considered. The Board shall notify each Director of meetings by: (i) personal delivery; (ii) first class mail, postage prepaid; (iii) telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or (iv) facsimile, electronic mail, or other electronic communication device, with confirmation of transmission. All such notices shall be given at or sent to the Director's telephone number, fax number, electronic mail address, or sent to the Director's address as shown on the Association's records. The Board shall deposit notices sent by first class mail into a United States mailbox at least ten business days before the day of the meeting. The Board shall give notices by personal delivery, telephone, or other device at least seventy-two (72) hours before the time set for the meeting.

Transactions of any Board meeting, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (i) a quorum is present, and (ii) either before or after the meeting each Director not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be

deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 8. Quorum and Manner of Acting. A majority of the then authorized number of Directors shall constitute a quorum for the transaction of business at any meeting of the Board. Except as otherwise required in these By-Laws, the Declaration, or by Utah law, the act of a majority of the Directors present at any meeting at which a quorum is present shall be the act of the Board. The Directors shall act only as a Board, and individual Directors shall have no powers as such. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the departure of Directors, if at least a majority of the required quorum for that meeting approves any action taken. If the Board cannot hold a meeting because a quorum is not present, a majority of the Directors present may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date of the original meeting. At the reconvened meeting, if a quorum is present the Board may transact, without further notice, any business it might have transacted at the original meeting.

Section 9. Compensation. No Director shall receive compensation for any services that he may render to the Association as a Director; provided, however, that a Director may be reimbursed for expenses incurred in performance of his duties as a Director to the extent such expenses are approved by the Board and (except as otherwise provided in these By-Laws) may be compensated for services rendered to the Association other than in his capacity as a Director.

Section 10. Resignation and Removal. A Director may resign at any time by delivering a written resignation to either the president or the Board. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any Owner Director may be removed at any time, for or without cause, by the affirmative vote of the Owners holding more than fifty percent (50%) of the Total Votes of the Association, at a special meeting of the members duly called for such purpose. Any Director whose removal is sought shall be given notice prior to any meeting called for that purpose.

Section 11. Vacancies. If vacancies shall occur in the Board by reason of death, resignation, or disqualification of an Owner Director, the Directors then in office shall continue to act, and such vacancies shall be filled by a vote of the Directors then in office, until the next annual meeting, at which time the Owners shall elect a successor for the remainder of the term. Any vacancy in the Board occurring by reason of removal of a Director by the members shall be filled upon such removal by the election of a successor for the remainder of the term of such Director. If vacancies shall occur in the Board by reason of death, resignation, or removal of a Director appointed by the Declarant, such vacancies shall be filled by appointments to be made by the Declarant.

Section 12. Informal Action by Directors. Any action that is required or permitted to be taken at a meeting of the Board, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors.

## ARTICLE V OFFICERS

Section 1. Officers. The officers of the Association shall be a president, a secretary, a treasurer and such other officers as may from time to time be appointed by the Board.

Section 2. Election, Tenure, and Qualifications. The officers of the Association shall be chosen by the Board annually at the regular annual meeting of the Board. In the event of failure to choose officers at such regular annual meeting of the Board, officers may be chosen at any regular or special meeting of the Board. Each such officer (whether chosen at a regular annual meeting of the Board or otherwise) shall hold his office until the next ensuing regular annual meeting of the Board and until his successor shall have been chosen and qualified, or until his death, or until his resignation, disqualification, or removal in the manner provided in these By-Laws, whichever first occurs. Any one person may hold any two (2) or more of such offices; provided, however, that the president may not also be the secretary. No person holding two (2) or more offices shall act in or execute any instrument in the capacity of more than one office.

Section 3. Subordinate Officers. The Board may from time to time appoint such other officers or agents as it may deem advisable, each of whom shall have such title, hold office for such period, have such authority, and perform such duties as the Board may from time to time determine, subject to the terms of this By-laws. The Board may from time to time delegate to any officer or agent the power to appoint any such subordinate officers or agents and to prescribe their respective titles, terms of office, authorities, and duties. Subordinate offices need not be Directors or members of the Association.

Section 4. Removal. Any officer may resign at any time by delivering a written resignation to the president or to the Board. Any officer or agent may be removed by the Board whenever in its judgment the best interests of the Association will be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer or agent shall not of itself create contract rights.

Section 5. Vacancies. If any vacancy shall occur in any office by reason of death, resignation, removal, disqualification, or any other cause, or if a new office shall be created, such vacancies or newly created offices may be filled by the Board at any regular or special meeting.

Section 6. President. The president shall be the principal executive officer of the Association and, subject to the control of the Board, shall in general supervise and control all of the business and affairs of the Association. He shall, when present, preside at all meetings of the members and of the Board. He may sign, with the secretary or any other proper officer of the Association thereunto authorized by the Board, any, contracts or other instruments the Association has authority to execute and which the Board has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board or by these By-Laws to some other officer or agent of the Association, or shall be required by law to be otherwise signed or executed; and in general shall perform all duties incident to the office of president and such other duties as may be prescribed by the Board from time to time.

Section 7. Secretary. The secretary shall (a) keep the minutes of the Association and of the Board in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these By-Laws or as required by law; (c) be custodian of the corporate records of the Association; and (d) in general perform all duties incident to the office

of secretary and such other duties as from time to time may be assigned to him by the president or by the Board.

Section 8. Treasurer. The treasurer, if appointed, shall: (a) have charge and custody of and be responsible for all funds of the Association and have primary responsibility to prepare the Association's budget; (b) receive and give receipt for moneys due and payable to the Association from any source whatsoever, and deposit all such moneys in the name of the Association in such banks, trust companies or other depositories as shall be determined by the Board; and (c) in general perform all of the duties incident to the office of the treasurer and such other duties as from time to time may be assigned to him by the president or by the Board.

Section 9. Assistant Secretaries and Assistant Treasurers. The assistant secretaries and assistant treasurers, if any and in general, shall perform such duties as shall be assigned to them by the secretary or the treasurer, respectively, or by the president or the Board.

Section 10. Compensation. No officer shall receive compensation for any services that he may render to the Association as an officer; provided, however, that an officer may be reimbursed for expenses incurred in performance of his duties as an officer to the extent such expenses are approved by the Board and (except as otherwise provided in these By-Laws) may be compensated for services rendered to the Association other than in his capacity as an officer.

## ARTICLE VI COMMITTEES

Section 1. Designation of Committees. The Board may from time to time by resolution designate such committees as it may deem appropriate in carrying out its duties, responsibilities, functions, and powers, which committees perform such tasks and serve for such periods as the Board may designate by resolution. No committee member shall receive compensation for services that he may render to the Association as a committee member; provided, however, that a committee member may be reimbursed for expenses incurred in performance of his duties as a committee member to the extent that such expenses are approved by the Board and (except as otherwise provided in these By-Laws) may be compensated for services rendered to the Association other than in his capacity as a committee member (for example, a committee member may be paid for consultation services rendered, in connection with their professional skills and/or technical expertise, and receive reasonable compensation therefor, provided such compensation shall be determined by the Board to be just and reasonable, and provided further that such compensation shall be paid only if approved by a vote of a majority of the Board).

Section 2. Proceedings of Committees. Each committee designated hereunder by the Board may appoint its own presiding and recording officers and may meet at such places and times and upon such notice as such committee may from time to time determine. Each such committee shall keep a record of its proceedings and shall regularly report such proceedings to the Board.

Section 3. Quorum and Manner of Acting. At each meeting of any committee designated hereunder by the Board, the presence of members constituting at least a majority of the authorized membership of such committee (but in no event less than two (2) members) shall

constitute a quorum for the transaction of business, and the act of a majority of the members present at any meeting at which a quorum is present shall be the act of such committee. The members of any committee designated by the Board hereunder shall act only as a committee, and the individual members thereof shall have no powers as such.

Section 4. Resignation and Removal. Any member of any committee designated hereunder by the Board may resign at any time by delivering a written resignation to the president, the Board, or the presiding officer of the committee of which he is a member. Unless otherwise specified therein, such resignation shall take effect upon delivery. The Board may at any time, for or without cause, remove any member of any committee.

Section 5. Vacancies. If any vacancy shall occur in any committee designated by the Board hereunder, due to disqualification, death, resignation, removal, or otherwise, the remaining members shall, until the filling of such vacancy, constitute the then total authorized membership of the committee and, provided that two or more members are remaining, may continue to act. Such vacancy may be filled at any meeting of the Board.

Section 6. Project DRC. Notwithstanding anything in this Article to the contrary, the formation, organization, purpose, conduct, powers, duties, and procedure of the Project DRC shall be as set forth in the Declaration.

## ARTICLE VII INDEMNIFICATION

Section 1. Indemnification. To the fullest extent permitted by law, the Association shall indemnify the following persons and entities against all expenses and liabilities including, but not limited to, attorneys' fees, costs and expenses reasonably incurred by or imposed upon such person in connection with any proceeding to which such person may be a party, or in which such person may become involved, by reason of such person being or having served in any capacity on behalf of the Association (or by reason of having appointed, removed or controlled or failed to control members of the Board or the Project DRC):

- (a) every director and officer of the Association and every member of the Project DRC and any other committee of the Association;
- (b) every director, officer and employee of the Declarant and the Master Residential Association and the Daybreak Community Council, Inc.; and
- (c) every person serving as an employee of the Association.

Any such person shall be entitled to indemnification whether or not such a person is a Director, officer or member of the Association or of the Project DRC or any other committee of the Association or is serving in any other such specified capacity at the time such expenses are incurred, provided that the Board shall determine, in good faith, that the person to be indemnified hereunder did not act, fail to act, or refuse to act with gross negligence or fraudulent or criminal intent in the performance of its duties. The foregoing rights of indemnification shall be in addition to, and not in place of, all other rights to which such persons may be entitled at law or otherwise.

Section 2. Insurance. The Association may purchase and maintain insurance on behalf of any person who was or is a Director, officer, employee, or agent of the Association, or who was or is serving at the request of the Association as a trustee, Director, officer, employee, or agent of another corporation, entity, or enterprise (whether for profit or not for profit), against any liability asserted against him or incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the laws of the State of Utah, as the same may hereafter be amended or modified.

Section 3. Payments and Premiums. All indemnification payments made, and all insurance premiums for insurance maintained, pursuant to this article shall constitute expenses of the Association and shall be paid with funds from the Common Expense Fund referred to in the Declaration.

ARTICLE VIII  
FISCAL YEAR

This fiscal year of the Association shall begin on the 1st day of January of each year and shall end on the 31st day of December next following; provided, however, that the first fiscal year shall begin on the date of incorporation.

ARTICLE IX  
RULES AND REGULATIONS

The Board may from time to time adopt, amend, repeal, and enforce reasonable rules and regulations governing the use and operation of the Project; provided, however, that such rules and regulations shall not be inconsistent with the rights and duties set forth in the Articles of Incorporation, the Declaration, the Master Residential Declaration, the rules and regulations of the Master Residential Association, or these By-Laws. The members shall be provided with copies of all rules and regulations adopted by the Board, and with copies of all amendments and revisions thereof.

ARTICLE X  
AMENDMENTS

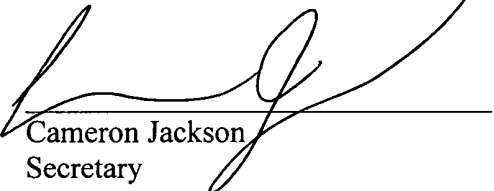

Prior to termination of the Declarant Control Period, the Declarant may unilaterally amend these By-Laws. Thereafter, the Declarant may unilaterally amend these By-Laws at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Lots; or (iii) to enable any institutional or governmental lender, purchaser, insurer, or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure, or guarantee mortgage loans on the Lots. So long as there is a Declarant Member, the Declarant Member may unilaterally amend these By-Laws for any other purpose, provided the amendment has no material adverse effect upon the rights of more than two percent (2%) of the Owners.

Except as otherwise provided above or by law, the Articles of Incorporation, the Declaration, or these By-Laws, these By-Laws may be amended, modified, or repealed and new bylaws may be made and adopted by the members upon the affirmative vote (which may be evidenced by electronic ballot or electronic vote if permitted by then-applicable state law), of at least fifty-one percent (51%) of the Total Votes of the Association and the consent of the Declarant member, if any; provided, however, that such action shall not be effective unless and until a written instrument setting forth (a) the amended, modified, repealed, or new bylaw, (b) the number of votes cast in favor of such action, and (c) the total votes of the Association, shall have been executed and verified by the current president of the Association and mailed to each member of the Association.

Adopted by action of the Board of Directors this 19 day of JANUARY, 2017.
