If the Master reasonably determines that the level of exterior maintenance on any Improvement located on an Owner's and/or Sub-Association's Parcel or the maintenance of a vacant Parcel is unacceptable, the Master shall so notify the Owner and/or Sub-Association in writing, and the Owner shall have thirty (30) days thereafter to correct the deficiencies specified in such notice. If, in the Master's opinion, the Owner shall fail to correct the stated deficiencies within said thirty (30) day period, the Master may order the necessary work (the "Required Maintenance") performed at the Owner's expense. The real property upon which Maintenance Areas are located may be owned by the Master or by parties other than the Master, which parties may include Declarant, an Owner, a Sub-Association, the City or the State of Utah. All costs and expenses incurred in connection with such management, administration and maintenance of the Maintenance Areas and Common Facilities, including specifically, but without limitation, any capital improvement which is made by the Master upon or within the Maintenance Areas (except the initial capital cost) and the cost of the acquisition of any Common Facilities, shall constitute a Common Expense. Declarant shall have the right to determine what Improvements, if any, shall be constructed upon the Maintenance Areas. Notwithstanding the foregoing, the Master shall have no right or obligation to maintain, repair, or replace any building, parking lot or any other improvement situated on the Commercial Parcel as identified on the Plat of the Project.

No use or operation shall be conducted in the Project that is noxious, objectionable, unsightly or detrimental to others in any manner and due to any cause such as, but not limited to,

vibration, sound, radiation, air, water, drainage or sewer pollution, dust or emission of odorous toxic or nontoxic substances.

3.7. Signs. All signs which may be viewed from the exterior of any Building must be reviewed and approved in advance by the Architectural Control Committee. Any sign providing general designation of the Project which shall be installed by Declarant shall not be subject to review and approval by the Architectural Control Committee.

3.8. No Subdivision of Parcel. No Parcel shall be further subdivided without the prior written consent of Declarant for so long as Declarant owns any portion of the Property. Declarant shall, in the exercise of its sole discretion, be permitted to grant or withhold such approval. At such time as Declarant shall cease to be an Owner of any portion of the Property, no Parcel shall be further subdivided without the prior written consent of the Board. Upon any reconfiguration of a Parcel, Declarant shall cause to be prepared and recorded an amendment to the Plat which shall set forth the boundaries of the reconfigured Parcel. No signature of any Mortgagee or any Owner, other than Declarant, shall be required on any such amendment.

3.9. Reservation by Declarant. Declarant reserves the right to erect, construct and maintain the Maintenance Areas located at any entrance to the Project or upon any portion of the Project owned by Declarant such signs, sales offices or other administrative office as may be reasonably necessary for the completion of the Project and the leasing, sale or disposition of the Parcels and/or Units.

3.10. No Third-Party Beneficiary. This Declaration is being recorded for the benefit of Declarant and the Owners, and no other party shall be entitled to enforce any provision hereof. No party shall be permitted to claim that such party is an intended third-party beneficiary entitled to enforce rights, duties and/or obligations set forth herein.

ARTICLE IV Master

4.1. The Master. The administration of the Project shall be by the Master, which shall exist for the sole purpose of performing the functions and providing the services contemplated by this Declaration and the ownership and/or operation and administration of Maintenance Areas and Common Facilities. The Master shall be organized as required by the Utah Revised Nonprofit Corporation Act (the "Act"). The Master shall be operated as a nonprofit corporation and shall be governed by the Board and officers authorized by the Bylaws. The Board may adopt, amend and revise, from time to time, Bylaws which shall constitute written procedures for the regulation or management of the affairs of the Master; provided, however, that no provision of the Bylaws shall substantially alter or amend the rights or obligations of the Owners set forth in this Declaration.

4.1.1. Sub-Associations. Portions of the Project have special distinctions that require or make desirable the establishment of a separate condominium or owners association to administer additional covenants or responsibilities applicable to that particular area ("Sub-Association"). Declarant shall have the right to establish a Sub-Association for any Parcel within the Project.

4.1.2. Sub-Association Board. The Owners of Units within each Sub-Association shall elect a "Sub-Association Board" to represent and act on behalf of the Owners with respect to the services and benefits that the Association provides to the applicable Area.

4.2. Members of Master. Each Owner shall be entitled and required to be a Member of the Master. An Owner shall become a Member of the Master immediately and automatically upon becoming an Owner and shall cease to be a Member immediately and automatically upon ceasing to be an Owner as evidenced in the official records of the County Recorder, Utah County, State of Utah. The right to be a Member shall be appurtenant to the real property within the Project and shall not be transferred except upon the transfer of title to said real property and then only to the transferee of title thereto. Any transfer of title to a Parcel shall operate automatically to transfer the Owner's rights as a Member of the Master appurtenant thereto to the new Owner thereof. Any attempted separate transfer shall be void.

4.3. Voting Rights. Except as otherwise disallowed in this Declaration or the Bylaws, Owners shall be entitled to vote their interest pertaining to the Parcel/Lot/Unit owned by that Owner at any meeting of the Owners, but only one (1) vote shall be cast per Lot/Unit. Notwithstanding the foregoing, Members shall have no voting rights until after the termination of the Period of Declarant Control. Until after the termination of the Period of Declarant Control, or except as otherwise determined by the Declarant, Declarant shall have the sole right, authority and discretion to administer and direct the affairs and management of the Master.

4.4. Voting. Each Member shall be entitled to vote on all matters brought before the Members for a vote thereon. Unless otherwise specifically provided, a majority of the votes present, in person or by proxy, and entitled to vote on any matter before the Master, shall be required to approve such matter. Any Owner may, by written notice to the Master, transfer its voting rights to its Mortgagee or to the Occupant of such Owner's Parcel. Such transfer shall be effective until notice of revocation of such transfer signed by said Owner shall be received by the Master. No such transfer shall relieve an Owner of any obligation under this Declaration.

4.5. Multiple Ownership. Only one (1) vote shall be cast per Parcel/Lot/Unit. In the event there is more than one (1) Owner of a particular Parcel/Lot/Unit, the vote relating to such Parcel/Lot/Unit shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Parcel/Lot/Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than establishing a quorum.

4.6. Vote of Members. The Board may cause such matters as it shall determine to be submitted to a vote of the Members either at the annual meeting of the Members or at a special meeting called for the purpose of conducting a vote of Members. In addition to such matters as the Board may submit to a vote of the Members, there shall be submitted to a vote of the Members any matters required to be voted upon by Members in accordance with

the provisions of the Act, including specifically but without limitation, any amendment to the Articles.

4.7. Meetings. There shall be a meeting of the Members of the Master not less often than once each calendar year as specified in the Bylaws.

4.8. Board of Trustees. During the Period of Declarant Control, Declarant shall have the right to determine the size, composition, and qualifications of the Board and to appoint the entire Board. Following transfer of Declarant Control the Board shall be comprised of five (5) Trustees, three (3) of which shall be the members of the Board of Lehi Gateway Condominium Owners Association Inc. and two (2) of which shall be appointed by and from the Board of Lehi Gateway Townhomes Owners Association Inc. The third member of the Lehi Gateway Townhomes Owners Association Inc. may serve as a non-voting advisory member of the Board.

4.9. Organization. The Board shall be entitled to establish such organization and elect such officer(s) as it shall deem necessary to properly perform the functions of the Master; provided, however, that if no other officer or organization shall be established, the Board shall, at a minimum, upon a majority vote of the Board, appoint at least a President who shall be authorized to act for and on behalf of the Master and shall be authorized to enter into contracts and other agreements and to execute such other documents as may be required to permit the Master to perform the duties and obligations and exercise the rights and privileges of the Master as contained in this Declaration. An officer of the Master need not be a Member.

4.10. No Personal Liability and Indemnification. Each past and present Board Member (including the Declarant and its appointees) shall be entitled to indemnification to the fullest extent permitted by the Utah Revised Nonprofit Corporation Act. The right of any Person to be indemnified shall be subject always to the right of the Association by the Board, in lieu of such indemnity, to settle any claim, action, suit, or proceeding at the expense of the Association by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

ARTICLE VI
Budget and Assessments

6.1. **Payment of Assessment.** Each Owner, by acceptance of a deed to any Parcel, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to and does hereby covenant and agree to pay to the Master any and all Assessments levied against its Parcel in accordance with the provisions of this Declaration. Notwithstanding such personal obligation of the Owners, and the right of the Master, at its discretion and option, to enforce the covenants set forth in this Declaration, the Master shall be entitled to collect such Assessments from each Sub-Association who shall be obligated to promptly forward such Assessments to the Master regardless of whether the Sub-Association has received the same from the separate Owners. Accordingly, each Sub-Association shall be entitled to enforce the Assessments levied by the Master against their respective Owners. Furthermore, the Master shall be entitled to levy Assessments directly against the Sub-Associations as set forth in Section 6.5. The Assessments, together with interest thereon which shall accrue with interest, late charges and costs of collection thereof, including court costs and reasonable attorneys' fees, shall be a charge and continuing lien upon the Parcel against which such Assessments are made from the date on which such Assessments are due. Assessments shall commence upon the date of the recording of this Declaration.

6.2. **Apportionment.** General and Supplemental Assessments shall be fixed at a uniform rate for all residential dwellings of all Sub-Associations, except as set forth in this Section. Notwithstanding the foregoing, in the event the Board determines, in its sole discretion, to maintain, repair, improve, or replace portions of the Maintenance Area and/or Common Facilities that primarily serve only one Sub-Association, then the Board shall be authorized to apportion specific Assessments to only the Owners of the benefited Sub-Association.

6.3. **Annual Budget.** The Board shall prepare, or cause the preparation of, and adopt an annual budget for the Association. The annual budget shall provide, without limitation, for the maintenance of the Maintenance Areas and Common Facilities and for the administration, management, and operation of the Association. If the Board fails to adopt an annual budget, the last adopted budget shall continue in effect until the new annual budget is adopted.

6.4. **General Assessment.** All Common Expenses shall be paid through an annual general assessment to all Owners. Each Owner's share of the total Common Expenses, as estimated by the Annual Budget, shall be a "General Assessment." Each respective share of a General Assessment shall be based upon the Annual Budget determined in accordance with this Article.

6.5. In the sole discretion of the Master, General and other Assessments may be levied directly by the Master against the Sub-Associations which shall be responsible to satisfy the assessments of the Master.

6.6. **Supplemental Assessments.** In addition to the General Assessment, the Board may, upon the vote of the majority of the Board at a meeting called for the purpose of such vote, levy, in any year, one or more Supplemental Assessments applicable to that year only for the purpose of paying, in whole or in part, (i) the cost of any reconstruction, repair or replacement of a capital improvement upon the Maintenance Areas and Common Facilities,

(ii) deficits created by non-payment of any Assessments by any Owner, and (iii) other costs and expenses required to be paid by the Owners in accordance with the provisions of this Declaration. At the time of the adoption of such Supplemental Assessment, the Board shall designate the time and the manner in which such Supplemental Assessment is to be paid by each Owner; provided, however, that the due date for payment of a Supplemental Assessment shall be at least thirty (30) days from the date that notice of the Board's approval of the Supplemental Assessment shall be given by the Board. Such Supplemental Assessment shall be apportioned to each Owner in the manner set forth in this Article. Any Supplemental Assessment which shall not be paid on or before the applicable due date shall accrue interest on the unpaid balance thereof from the original date due until paid.

6.7. Reimbursement Assessment. The Board may, subject to the provisions hereof, levy an Assessment against any Owner if the willful or negligent failure of such Owner to comply with this Declaration, the Articles, the Bylaws or the Rules and Regulations has resulted in the expenditure of funds by the Master to cause such compliance. Such Assessment shall be known as a Reimbursement Assessment and shall be levied only after notice is given as provided in this Section. The amount of the Reimbursement Assessment shall be due and payable to the Master thirty (30) days after notice to the Owner of the decision of the Board that the Reimbursement Assessment is owing. Interest shall accrue on any Reimbursement Assessment from the date of expenditure of funds by the Master until such amounts shall be repaid.

6.8. Collection of Assessments. The Board shall, in its sole discretion, be entitled to establish such procedures for the collection of Assessments, including provisions for late charges, interest on unpaid Assessments, and such other matters as the Master shall determine, and shall have any and all rights and remedies provided at law or in equity for the collection of debts, subject only to the notice requirements provided in this Article.

6.9. Remedies to Enforce Assessments. Each Assessment, together with accrued interest, late charges or other similar charges levied, shall be a separate, distinct and personal debt and obligation of the Owner against whom such Assessment is assessed. Suit to recover a money judgment for such personal obligation shall be maintainable by the Master against such Owner without foreclosing or waiving the lien securing the same. Any and all rights and remedies shall be exercised in such manner, on one or more occasions and in such order as the Board shall elect, without waiver of any other right or remedy or lien provided in this Declaration or by law. Any failure of the Board to exercise any such right on one or more occasions shall not constitute a waiver of the right to so exercise such right in the future. In addition to the amount of the unpaid Assessment, an Owner shall be required to pay any and all costs and expenses which may be incurred by the Master in collection of such Assessment, including reasonable attorneys' fees and costs, whether or not litigation is commenced.

6.10. Lien for Assessments. All sums assessed to an Owner of any Parcel in the Project pursuant to the provisions of this Declaration, together with interest, late charges and costs of collection, shall be secured by a lien on such Parcel in favor of the Master.

6.11. Certificate of Assessment. The Board shall, upon written request, and for a reasonable charge, furnish a certificate signed by an officer of the Master, setting forth

whether the Assessments on a specific Parcel have been paid, and said certificate may be conclusively relied upon by the party requesting the same.

6.12. **No Avoidance.** No Owner may avoid or diminish such Owner's obligation to pay Assessments, the right of the Master to assert a lien against said Owner's Parcel to enforce payment of the same or to be relieved of such Owner's personal obligation for the payment of Assessments by reason of: (i) a waiver of the use or enjoyment or the actual non-use of any of the Maintenance Areas, Common Facilities, or any other portion of the Project; (ii) a waiver of any services provided for in this Declaration; or (iii) all or any part of said Owner's Parcel being unoccupied for all or any portion of the period for which such Assessments shall have been made.

6.13. **No Offset.** All Assessments shall be payable in the amounts specified in the levy thereof, and no offset or reduction thereof shall be permitted for any reason, including, without limitation, any claim that the Master, the Board or any officer, employee, agent or representative thereof is not properly exercising its duties and powers under this Declaration.

6.14 **Declarant Assessment Exemption.** Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Parcels/Lots/Units owned by it until such time as the earlier of the following two events occurs: (1) the physical structures are substantially completed, certificates of occupancy are issued, and the Parcels/Lots/Units are sold or rented by Declarant; or (2) Declarant elects in writing to pay the Assessments.

6.15 **Reinvestment Fee.** Subject to the terms and conditions of Subsection (b) below, the Board shall have the right to establish from time to time (but shall not be required to establish) a Reinvestment Fee assessment in accordance with this Section 6.15. If established by the Board, the Board or its agent shall record and is hereby authorized to record, a notice or amended notice of this Reinvestment Fee covenant against all Parcels/Lots/Units, consistent with the following terms and conditions:

- (a) Upon the occurrence of any sale, transfer, or conveyance (as applicable, a "Transfer") of any Unit, the party receiving title to the Unit (the "Transferee") shall pay to the Association a Reinvestment Fee in an amount to be established by the Board from time to time, provided that in no event shall the Reinvestment Fee exceed the lesser of (i) 0.5% of the value of the applicable Unit, or (ii) the maximum rate permitted by applicable law.
- (b) Notwithstanding anything to the contrary contained in this Section, the Association shall not levy or collect a Reinvestment Fee for any of the Transfers described below:
 - (i) Any Transfer to Declarant or an affiliate or successor of Declarant.
 - (ii) Any Transfer to the United States or any agency or instrumentality thereof, the State of Utah, or any county, city, municipality, district or other political subdivision of the State of Utah.

- (iii) Any Transfer to the Association or its successors.
- (iv) Any Transfer, whether outright or in trust, that is for the benefit of the transferor or the transferor's relatives, but only if the consideration for the Transfer is no greater than 10 percent of the value of the Lot or Unit transferred.
- (v) Any Transfer or change of interest by reason of death, whether provided for in a will, trust, or decree of distribution, except for a sale of a Unit by the estate of an Owner.
- (vi) Any Transfer made solely for the purpose of confirming, correcting, modifying, or supplementing a Transfer previously recorded to remove clouds on title.
- (vii) Any lease of any Unit or portion thereof for a period of less than thirty (30) years.
- (viii) Any Transfer to secure a debt or other obligation or to release property which is security for a debt or other obligation.
- (ix) Any Transfer in connection with the foreclosure of a deed of trust or mortgage, or a deed given in lieu of foreclosure.

The Reinvestment Fee shall be due and payable by the Transferee to the Association at the time of the Transfer giving rise to the payment of such Reinvestment Fee.

ARTICLE VII Easements

7.1. In General. The Property and any portion of the Property which is sold as a separate Parcel shall be conveyed and owned subject to and together with the Easements herein recited or as shall be set forth on the Plat, whether or not such Easements are specifically set forth in the document of conveyance. In each instance the physical location of an Easement may, in some circumstances, be located in the same place and the use thereof may be shared with other Easements similarly located and in each such instance the rights and privileges associated with each such Easement shall be interpreted separately, but the use shall be deemed to be non-exclusive with any other Easement similarly located. Easements granted pursuant to this Declaration shall be utilized in the manner that shall be reasonably determined to be the least disruptive to the Parcel upon which such Easement is situated. No Easement may be amended, extinguished or otherwise modified in any manner by an amendment to this Declaration or the Plat without the express written approval of the owner of the real property which shall be benefited or intended to be benefited by the existence of such Easement. It is expressly agreed that any and all Easements granted pursuant to this Declaration shall survive any termination,

expiration or other cessation of this Declaration and shall be extinguished only upon the execution and delivery of a termination executed by the party legally entitled to terminate the Easement intended to be terminated.

7.2. Other Easements. In addition to other Easements specifically granted in this Declaration, there are hereby granted to each Owner and established certain perpetual easements described in this Article and/or which are described on the Plat.

The Utilities Easement shall be located upon those areas of the Project designated on the Plat of the Project. The Utilities Easement herein granted shall include an easement over and across the surface of the Property within the boundaries of the Utility Easement as may be necessary to service and maintain such Utility Lines. In the event any utility company, quasi-utility company, public entity, agency or district, cable company or similar entity furnishing a service covered by this Utility Easement requests a specific easement to be located within the Utilities Easement by separate recordable document, Declarant reserves and is hereby given the right and authority to grant such easement, provided that such Easement shall be in compliance with the provisions of this Section 7.5. At such time as Declarant shall cease to be the Owner of real property over which the Utility Easement is required, the Master shall be deemed to have reserved the right and authority to grant such Easement, provided that such Easement shall conform to the provisions of this Section 7.5.

7.6. Sign Easements. There is hereby granted to Declarant and the Master one or more Easements (the "Sign Easements") to construct, install, service, replace and maintain the Project Signs. The Sign Easements shall be located upon the Maintenance Areas, and other areas of the Project specifically designated on the Plat. The Sign Easements herein granted shall include an easement over and across the surface of the Property from public streets to the location of the Project Signs as shall be reasonably necessary for the construction, installation, servicing, replacement and maintenance of the Project Signs. The Sign Easements shall be utilized in the manner that shall be reasonably determined to be the least disruptive to those portions of the Property upon which such Sign Easements are situated. This Easement shall be located upon those areas of the Project designated on the Plat as Maintenance Areas and shall include an Easement over and across the surface of the Property from public streets to the Maintenance Areas as shall be reasonably necessary for access to the Maintenance Areas and for the installation, servicing, replacement and maintenance of the Landscaping and Common Facilities within the Maintenance Areas. This Easement shall be utilized in the manner that shall be reasonably determined to be the least disruptive to those portions of the Property upon which such Easement is situated.

7.8. Access to Perform Duties. there is hereby granted unto the Master an Easement, together with the right to grant and transfer such Easement to others as is reasonably required to accomplish the intended purpose of such Easement, over and through all portions of the Project for the purpose of permitting the Master to exercise its rights and discharge its obligations and duties under this Declaration. Such right of access shall be specifically granted to security personnel employed by or under contract with the Master, all police officers, firefighters, ambulance personnel and similar emergency personnel in the performance of their respective duties.

7.9. Extension of Easement. Each Parcel, whether now or in the future existing, as defined in accordance with the provisions of this Declaration, shall have appurtenant thereto, and shall be benefited and burdened by, as applicable, the Easements herein granted. Each Owner shall be entitled to the benefit of the Easements herein granted and shall be entitled to permit each Occupant, together with any employee and any business customer, invitee and guest of said Owner and/or Occupant, to enjoy the benefits of the Easements herein granted, but said Owner's use and enjoyment of its Parcel shall be subject to and burdened by the Easements also herein granted.

7.10. No Public Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of any portion of the Project to or for the general public or for any public purpose whatsoever, it being the intention of the Declarant that this Declaration will be strictly limited to and for the purposes herein expressed. Notwithstanding the grant of the Easements, each Owner may be entitled to take whatever steps it deems necessary to protect and preserve the private ownership of its Parcel and to prevent the same from being

dedicated to the public use as a matter of law; provided, however, that such steps shall be taken in such manner and at such time as shall cause minimal disruption of the occupancy and usage of said Owner's Parcel. An Easement granted herein to the City shall be deemed granted to the City and may be used by its employees, agents, contractors and representatives in performance of their respective duties within the Project, and shall not be construed to be a grant to the public generally.

ARTICLE VIII Architectural Control

8.1. Architectural Control Committee. The Board may appoint a three (3) member Architectural Control Committee, the function of which shall be to insure that all improvements and landscaping within the Property harmonize with existing surroundings and structures (herein the "Board"). The Board need not be composed of Owners. If such a Board is not appointed, the Board shall perform the duties required of the Board.

8.2. Architectural Controls. To maintain a degree of protection to the investment which homeowners in this area may make, homes of superior design are requisite, and designs shall be limited to those approved by the Board. In the event of any reconstruction of an improvement or a residential Lot or Unit due to a casualty, the design, quality, and appearance of the reconstructed home shall be substantially the same as the structure initially built, unless otherwise approved by the Board. No landscaping, grading, excavation, building, fence, wall, residence, or other structure, or alteration of any kind, shall be commenced, erected, maintained, improved, altered, or made until the construction plans and specifications, have been approved in writing by the Board. All subsequent additions to or changes or alterations in any building, fence, wall, or other structure, including exterior color scheme, and all changes in the grade within the Project, shall be subject to the prior written approval of the Board. Once approved by the Board, no changes or deviations in or from the plans and specifications shall be made without the prior written approval of the Board. Subsequent to receiving approval of the Board and prior to the commencement of construction, each Owner will be responsible for obtaining a building permit from Lehi City.

No construction, reconstruction or modification of a home or landscaping may commence without approval by the Board of the working drawings including, but not limited to, the following:

- 1) Plot plans to scale showing the entire site, building, garages, walks, drives, fences, lights, and retaining walls, with elevations of the existing and finished grades and contours including those at the outside corners of the buildings and at adjacent property line and street fronts and elevations of floors from a designated point on the street.

- 4) Detailed sections, cross and longitudinal.

5) Details of cornices, porches, windows, doors, garages, garden walls, steps, patios, fences, carriage lights, etc.

Specifications shall give complete descriptions and color samples of materials to be used on the exterior of the residence. The Board will base its approval of construction plans, specifications, landscaping plans, and other alterations upon compliance with the Design Guidelines, any other design guidelines adopted by the Association, and other provisions found within the Project Plan.

Nothing contained in this Declaration shall be construed to prevent the erection or maintenance by Declarant, or its duly authorized agents, of temporary structures, trailers, improvements or signs necessary or convenient to the development, marketing, or sale of property within the Project. Furthermore, the provisions of this Declaration which prohibit or restrict non residential use of Lots or Units, regulate parking of vehicles, and restrict signage, banners, and the like, shall not prohibit the construction and maintenance of model homes by Declarant and/or other persons engaged in the construction of residences within the Project so long as the location of such model homes and the opening and closing hours are approved by the Board, and the construction, operation and maintenance of such model homes otherwise complies with all of the provisions of this Declaration. The Board may also permit Lots or Units and other areas to be used for parking in connection with the showing of model homes so long as such parking and parking areas are in compliance with the ordinances of Lehi City and any rules of the Board. Any homes constructed as model homes shall cease to be used as model homes at any time the Owner thereof is not actively engaged in the construction and sale of residences within the Project, and no home shall be used as a model home for the sale of homes not located within the Project.

8.4. Liability for Damages. The Board shall not be held liable for damages by reason of any action, inaction, approval, or disapproval by it made pursuant to this Article.

8.5. Delegation of Design Review. The Architectural Control Committee may, in its discretion, assign or delegate all or any portion of its responsibility and authority under this Article to a Sub-Association or another body of the Architectural Control Committee's choosing. In the event of such assignment or delegation, the body named by the Architectural Control Committee shall possess all of the powers granted under this Article and shall conduct itself in accordance with the standards and requirements outlined herein.

8.6. Exclusions. The provisions of this Article VIII shall not be applicable to the Maintenance Areas, Project Signs and any and all Improvements related thereto.

ARTICLE IX Annexation

9.1. Right of Declarant. Declarant (joined by the owner of the lands to be annexed if other than Declarant) shall have the sole right, but not the obligation, to bring within the scheme of this Declaration additional real property, provided that such real property shall be contiguous to the real property which, at the time of such annexation, shall constitute the "Property" under this Declaration. Such right may be exercised by Declarant at any time

within ten (10) years from the date this Declaration has been recorded and which annexation may be accomplished without the consent or signature of the Master, its Members, Owners or Occupants or any Mortgagee.

9.2. Manner of Annexation. Declarant may annex additional real property by the recordation of one or more supplemental declarations signed by Declarant and recorded in the office of the County Recorder of Utah County, State of Utah. Such supplemental declaration shall contain the legal description of the real property to be annexed to this Declaration, shall submit the additional real property to the terms and conditions hereof and declare that the described real property and any and all Improvements that shall at anytime be located upon any portion of such property shall be held, sold, conveyed, transferred, designed, constructed, operated, maintained, leased, subleased and occupied subject to the easements, covenants, conditions and restrictions set forth in this Declaration.

9.3. Effect of Supplemental Declaration. Upon the recordation of a supplement to this Declaration in the office of the County Recorder of Utah County, State of Utah, the real property described therein shall be subject to this Declaration.

ARTICLE X Mortgagee Protection

10.1. Mortgagee Protection. No breach of any of the covenants, conditions, restrictions, or limitations contained in this Declaration shall defeat or render invalid the lien of any Mortgage made in good faith and for value; provided, however, that all such covenants, conditions, restrictions or limitations contained herein shall be binding upon an Owner whose title is derived through foreclosure, trustee's sale or by deed or assignment in lieu of foreclosure.

10.2. Notice of Noncompliance to Mortgagee. From and after the time a Mortgagee makes written request to the Master therefor, the Master shall notify such Mortgagee in writing in the event that the Owner of a Parcel encumbered by the Mortgage held by such Mortgagee neglects, for a period of thirty (30) days or more, to cure any failure on the part of such Owner to perform any of its obligations under this Declaration.

10.3. Priority of Assessment Lien. The lien or claim against a Parcel for unpaid Assessments levied by the Master pursuant to this Declaration shall be subordinate to a Mortgage affecting such Parcel which has been recorded prior to the date such Assessment became due. A Mortgagee who comes into possession of the Parcel pursuant to its Mortgage or a deed or assignment in lieu of foreclosure shall take the same free of such lien or claim for unpaid Assessments or charges, but only to the extent of Assessments or charges which accrue prior to foreclosure of the Mortgage, exercise of a power of sale available thereunder or delivery of a deed or assignment in lieu of foreclosure, except that such Mortgagee shall be responsible for the payment of a pro rata share of such prior Assessments or charges resulting from a pro rata reallocation thereof to all Parcels, including the Parcel in which the Mortgagee is interested. No Assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not being a burden to a Mortgagee coming into possession pursuant to its Mortgage or a deed or assignment in lieu of foreclosure shall be collected or enforced against a

Mortgagee, a successor in title to a Mortgagee or the Parcel affected or previously affected by the Mortgage concerned (to the extent any such collection or enforcement would prejudice the interests of the Mortgagee or successor in title to the Mortgagee interested in such Parcel).

10.4. Financial Information. Any Mortgagee shall have the right, at its request and expense and upon reasonable notice, to examine the books and records of the Master during reasonable business hours. From and after the time a Mortgagee makes written request to the Master therefor, and at the expense of such Mortgagee, the Master shall furnish to such Mortgagee copies of such financial reports or writings summarizing or reflecting the financial position or history of the Project as may be prepared for distribution to or use by the Owners generally.

10.5. Article Supersedes Others, In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article X, the provision or clause which results in the greatest protection and security for a Mortgagee shall control the rights, obligations, or limits of authority, as the case may be, applicable to the Master with respect to the subject concerned.

10.6. Amendment to Article. No amendment to this *Article X* which has the effect of diminishing the rights, protection, or security afforded to Mortgagees shall be accomplished or effective unless all of the first Mortgagees of the individual Parcels have given their prior written approval to such amendments. Any amendment to this Article X shall be accomplished by an instrument executed by the Master and filed for record in the office of the County Recorder of Utah County, State of Utah. In any such instrument, an officer of the Master shall certify under penalties of perjury that the prior written approval of first Mortgagees required by this *Article X* as a condition to amendment has been obtained.

10.7. Notices to Mortgagee. Any notice to a Mortgagee under this Article X shall be in writing and shall be sufficient for all purposes if personally delivered or if sent by first-class mail, postage prepaid, and addressed to the Mortgagee at the address for notices from time to time specified by the Mortgagee in writing to the Master. Any such notice shall be given in the manner specified in Section 11.1 of this Declaration.

ARTICLE XI

Miscellaneous Provisions

Upon acquisition of title to a Parcel, each Owner shall provide written notice to the Master of such Owner's address for purposes of furnishing notices in connection with this Declaration. The address provided by an Owner shall be used for any notice required to be given under this Declaration and if no such address shall have been provided, then the address used by Utah County for the mailing of real property tax statements for such Parcel shall be used for such notice. All notices to be given pursuant to this Declaration shall be sufficient if given by personal service, by guaranteed overnight delivery service or by being mailed to the prescribed address. Any time period provided in the giving of any notice hereunder shall commence upon the date of personal service, the date after delivery to the guaranteed overnight delivery service or two (2) days after mailing.

Notice of the regular annual meeting of the Members shall be sent as set forth in the Bylaws.

11.2. Amendment. Except where otherwise specifically provided in this Declaration, this Declaration may be amended upon the affirmative vote of a majority of the total votes of the Owners, taken together, as determined in accordance with Article IV. Any such amendment shall recite that a vote of the Owners has been properly taken and that the amendment has been approved in accordance with the provisions hereof, shall be certified by an officer of the Master and shall be recorded in the office of the Utah County Recorder, State of Utah. Any such amendment shall take effect upon such recordation. Each Owner makes, constitutes and appoints the Master the true and lawful attorney-in-fact of said Owner to act in said Owner's name, place and stead to make, execute, sign, acknowledge and file with respect to the Project such amendments to this Declaration as may be required by law or by vote taken pursuant to the provisions of this Declaration. Any amendment to this Declaration which shall require the express consent of a specified party, shall be accomplished only by an amendment executed by both the Master and the party from whom such consent shall be required which shall be filed for record in the office of the County Recorder of Utah County, State of Utah.

11.3. Amendment by Declarant. Until after the termination of the Period of Declarant Control, the Declaration and the Plat may be amended by the Declarant without any additional approval required. In addition, during the Period of Declarant Control no other amendment shall be valid or enforceable without the Declarant's prior written consent.

Anything contained elsewhere herein to the contrary notwithstanding, the mere conveyance or transfer of ownership of the Property by Declarant to any person or party, whether by deed or other instrument of conveyance, shall in no way convey any right, power or reservation of Declarant hereunder. A successor to Declarant by reason of any merger or consolidation of the then Declarant shall automatically be deemed to have assumed Declarant's duties hereunder and shall have the same rights and powers and be subject to the same obligations and duties as are given to and assumed by Declarant herein.

8. Vacancies and Newly Created Board Memberships. If vacancies shall occur in the Board for any reason during the Period of Declarant Control, the Declarant shall elect the Board Member to fill the vacancy. Following the Period of Declarant Control, vacancies in the Board caused by any reason other than removal of a member by a vote of the Members of the Master shall be filled by vote of the majority of the remaining members of the Board at a special meeting of the Board held for that purpose promptly after the occurrence of any such vacancy, even though the total members remaining may constitute less than a quorum of the Board; and each person so elected shall be a member of the Board for the unexpired term of the member replaced. A vacancy created by the removal of a member by a vote of the Members shall be filled by the election and vote of the Members. If a resignation is submitted upon appointment of a successor, the

departing Board Member(s) may participate in the decision to fill the pending vacancy.

9. Removal of Board Member. A member of the Board may be removed with or without cause, and his successor elected, at any duly called regular or special meeting of the Members at which a quorum of the Members is present, by an affirmative vote of a majority of the members of the Master. Any member whose removal has been proposed by the Owners shall be given at least thirty days' notice of the calling of the meeting and the purpose thereof and an opportunity to be heard at the meeting. Absence from 25% or more of Board Meetings or from three successive meetings shall be grounds for removal.

10. Conduct of Meetings. The President shall preside at all meetings of the Board and the Secretary shall keep a Minute Book of the Board recording therein all resolutions adopted by the Board and the results of all elections of Officers and Trustees.

11. Report of Board. The Board shall present at each annual meeting, and when called for by vote of the Members at any special meeting of the Master, a statement of the operations and financial condition of the Master.

12. Compensation. No Board Member shall receive compensation for any services that such member may render to the Association as a Board Member; provided, however, that a Board Member may be reimbursed for expenses incurred in performance of such duties as a Board Member to the extent such expenses are approved by a majority of the other Board Members. Nothing herein contained shall be construed to preclude any Board Member from serving the Project in any other capacity and receiving compensation therefore, so long as approved in advance by a majority of disinterested Board Members.

ARTICLE IV OFFICERS

1. Designation. The principal officers of the Master shall be a President, a Vice-President, a Secretary and a Treasurer. 5. Vice-President. The Vice-President shall, in the absence or disability of the President, perform the duties and exercise the powers of the President, and shall perform such other duties as the Board or the President shall prescribe. If neither the President nor the Vice President is able to act, the Board shall appoint a member of the Board to do so on an interim basis.

6. Secretary. The secretary shall attend all meetings of the Board and all meetings of the Master and record all votes and resolutions in minutes kept by him for that purpose and shall perform like duties for committees when required. The secretary shall give, or cause to be given, notices for all meetings of the Master and the Board and shall perform such other duties as may be prescribed by the Board. The Secretary shall compile and keep current at the principal office of the Master, a complete list of the Owners and their last known post office addresses. This list shall be open to inspection by all Owners and other persons lawfully entitled to inspect the same, at reasonable hours during regular business days. The Secretary shall also keep current and retain custody of the Minute Book of the Master, containing the minutes of all annual and special meetings of the Master and all sessions of the Board including resolutions. Members may also elect to receive email notification of Meetings and other communications.

7. Treasurer. The Treasurer shall have responsibility for the custody and control of all funds and securities of the Master and shall keep full and accurate records of receipts and disbursements, shall prepare all required financial data, and shall deposit all monies and other valuable effects in such depositories as may be designated by the Board. The treasurer shall disburse funds as ordered by the Board, taking proper vouchers for such disbursements, and shall render to the President and members, at the regular meetings of the Board, or whenever they may require it, an account of all his transactions as Treasurer and of the financial condition of the Master.

8. Compensation. No officer shall receive compensation for any services rendered to the Association as an officer, provided, however, that an officer may be reimbursed for expenses incurred in performance of such duties as an officer to the extent such expenses are approved by the Board.

ARTICLE V FISCAL YEAR

The fiscal year of the Master shall be the calendar year consisting of the twelve (12) month period commencing on January 1 of each year terminating on December 31 of the

same year. The fiscal year herein established shall be subject to change by the Board should it be deemed advisable or in the best interests of the Master.

ARTICLE VI INVESTMENT OF COMMON FUNDS

Funds of the Master may only be deposited into institutions which are federally insured.

ARTICLE VII AMENDMENT TO BY-LAWS

1. Amendments by Declarant. During the Period of Declarant Control, the Declarant acting alone may amend, alter, or repeal and adopt new Bylaws, without the approval of the Owners, for any reason. No other amendment shall be valid or enforceable during the Period of Declarant Control unless the Declarant has given written consent to such amendment. Any amendment during the Period of Declarant Control shall be executed by Declarant on behalf of the Association and shall become effective upon recordation in the office of the recorder of Utah County, State of Utah.

2. Amendments by Board. These By-Laws may be modified or amended either (a) by the affirmative vote of a majority of the members of the Master or (b) pursuant to a written instrument of consent duly executed by a majority of the Board; provided, however, all of the written consents must be obtained within a ninety (90) day period.

3. Recording. An amendment to these By-Laws shall become effective immediately upon recordation in the Office of the County Recorder of Utah County, State of Utah.

ARTICLE VIII INDEMNIFICATION

1. Indemnification. In addition to the indemnification provisions and requirements set forth in the Declaration, no Board Member, officer, or committee member shall be personally liable for any obligations of the Association or for any duties or obligations arising out of any acts or conduct said Board Member, officer, or committee member performed for or on behalf of the Association. The Association shall and does hereby indemnify and hold harmless each person who shall serve at any time as a Board Member, officer, or committee member of the Association, as well as such person's heirs and administrators, from and against any and all claims, judgments and liabilities to which such persons shall become subject, by reason of that person having heretofore or hereafter been a Board Member, officer, or committee member of the Association or by reason of any action alleged to have been heretofore or hereafter taken or omitted to have been taken by him as such Board Member, officer, or committee member and shall reimburse any such person for all legal and other expenses reasonably incurred in connection with any such claim or liability; provided that no such person shall be indemnified against or be reimbursed for or be defended against any expense or liability incurred in connection with any claim or action arising out of such person's willful or intentional misconduct. The rights accruing to

any person under the foregoing provisions of this Section shall not exclude any other right to which such person may lawfully be entitled, nor shall anything herein contained restrict the right of the Association to indemnify or reimburse such person in any proper case, even though not specifically provided for herein or otherwise permitted. The Association, its Board Members, officers, committee members, employees, and agents shall be fully protected in taking any action or making any payment or in refusing so to do in reliance upon the advice of counsel.

2. Other Indemnification. The indemnification herein provided shall not be deemed exclusive of any other right to indemnification to which any person seeking indemnification may be under the Acts or under any agreement, vote of disinterested Board Members or otherwise, both as to action taken in any official capacity and as to action taken in any other capacity while holding such office. It is the intent hereof that all Board Members, officers, and committee members be and hereby are indemnified to the fullest extent permitted by the laws of the State of Utah and these Bylaws. The indemnification herein provided shall continue as to any person who has ceased to be a Board Member, officer, committee member, or employee and shall inure to the benefit of the heirs, executors and administrators of any such person.

3. Insurance. The Board of Directors, in its discretion, may direct that the Association purchase and maintain insurance on behalf of any person who is or was a Board Member, officer, committee member, or employee of the Association or is or was serving at the request of the Association as a Board Member, officer, committee member, employee, or agent of another association, corporation, partnership, joint venture, trust or other enterprise against any liability asserted against, and incurred by, such person in any such capacity or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against liability under the provisions of this Article VIII.

4. Settlement by Association. The right of any person to be indemnified shall be subject always to the right of the Association through the Board of Directors, in lieu of such indemnity, to settle any such claim, action, suit or proceeding at the expense of the Association by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

ARTICLE IX NOTICE

1. Manner of Notice. All notices, demands, bills, statements, or other communications provided for or required under these By-Laws (except as to notices of Master meetings which were previously addressed in Article II of these By-Laws) shall be in writing and shall be deemed to have been duly given if delivered personally or sent by regular U.S. Mail postage prepaid, a) if to an Owner, at the address of his Unit and at such other address (including email) as the Owner may have designated by notice in writing to the Secretary; or b) if to the Board or the Manager, at the principal office of the Manager or at such other address as shall be designated by notice in writing to the Owners pursuant to
