PARTICULAR REPRESENTATIONS, WARRANTIES AND COVENANTS OF THE GRANTOR

The Grantor represents, warrants and, except as otherwise permitted by the Beneficiary, covenants with the Beneficiary as follows:

Section 3.01. Authority to Execute and Deliver this Deed of Trust; All Action Taken; Enforceable Obligations. The Grantor is authorized under its articles of incorporation and bylaws or other applicable organizational documents and all applicable laws and by corporate or organizational action to execute and deliver this Deed of Trust; and this Deed of Trust is, and any amendment, supplement or restatement of this Deed of Trust, when executed and delivered will be, the legal, valid and binding obligations of the Grantor which are enforceable in accordance with their respective terms.

Section 3.02. Authority to Convey Trust Estate; No Liens; Exception for Permitted Encumbrances; Grantor to Defend Title and Remove Liens. The Grantor has good and marketable title to all fee and leasehold estates in real property and good, right and lawful authority to convey the Trust Estate for the purposes herein expressed. The Trust Estate is free and clear of any Lien affecting the title thereto, except Permitted Encumbrances. The Grantor will, so long as any of the Obligations shall remain unpaid, maintain and preserve the Lien of this Deed of Trust superior to all other Liens, other than Permitted Encumbrances, and will forever warrant and defend the title to the Trust Estate against any and all claims and demands.

Section 3.03. No Encumbrances on Trust Estate. The Grantor will not create, incur, suffer or permit to exist any Lien on any of the Trust Estate, except for Permitted Encumbrances. Except for claims giving rise to Permitted Encumbrances, the Grantor will promptly pay or discharge any and all obligations for or on account of which any such Lien might exist.

Section 3.04. Sale or Transfer of Trust Estate. The Grantor shall not sell, lease or transfer any of the Trust Estate to any person or entity except as permitted in the Credit Agreements.

Section 3.05. Payment of Obligations. The Grantor will duly and punctually pay all amounts due under the Obligations, at the dates and places and in the manner provided in all Credit Agreements, and all other sums becoming due hereunder.

Section 3.06. Preservation of Franchises and Compliance with Laws. The Grantor will take or cause to be taken all such action as may from time to time be necessary to obtain, preserve and renew all franchises, rights of way, easements, permits, and licenses now or hereafter granted or upon it conferred necessary to the operations of the Grantor, and will comply in all material respects with all laws, ordinances, regulations, and requirements applicable to it or the Trust Estate.

Section 3.07. Maintenance of Trust Estate. The Grantor will at all times maintain and preserve the Trust Estate and each and every material part and parcel thereof in good repair, working order and condition, ordinary wear and tear excepted, and in material compliance with all applicable laws, ordinances, regulations, and requirements, and will from time to time make all needed and proper repairs, renewals,

and replacements, and useful and proper alterations, additions, betterments and improvements, and will, subject to contingencies beyond its reasonable control, at all times keep its plant and properties in continuous operating condition and use all reasonable diligence to furnish the consumers served by it through the Trust Estate, or any part thereof, with adequate services furnished by the Grantor.

Section 3.08. Insurance; Restoration of Damaged Trust Estate. The Grantor will maintain insurance as required by the Credit Agreements. In the event of damage to or the destruction or loss of any portion of the Trust Estate, unless the Beneficiary shall otherwise agree, the Grantor shall replace or restore such damaged, destroyed or lost portion so that the Trust Estate shall be in substantially the same condition as it was in prior to such damage, destruction or loss. Provided no Potential Default or Event of Default then exists, the Beneficiary shall provide to the Grantor any insurance proceeds received by the Beneficiary upon such reasonable terms and conditions as the Beneficiary may require to ensure that such proceeds are used for the foregoing purpose and that such required replacement or restoration will be completed. The Grantor shall replace the lost portion of the Trust Estate or shall commence such restoration promptly after such damage, destruction or loss shall have occurred and shall complete such replacement or restoration as expeditiously as practicable, and shall pay or cause to be paid, out of the proceeds of such insurance or otherwise, all costs and expenses in connection therewith so that such replacement or restoration shall be so completed that the portion of the Trust Estate so replaced or restored shall be free and clear of all Liens, except for Permitted Encumbrances. At the request of the Beneficiary, the Grantor shall exercise such rights and remedies which it may have under any insurance policy or fidelity bond and which may be designated by the Beneficiary, and the Grantor hereby irrevocably appoints the Beneficiary as its agent to exercise such rights and remedies under any insurance policy or bond as the Beneficiary may choose, and the Grantor shall pay all reasonable costs and expenses incurred by the Beneficiary in connection with such exercise.

Section 3.09. Beneficiary Right to Expend Money to Protect Trust Estate. From time to time, the Beneficiary may, in its sole discretion, but shall not be obligated to, advance funds on behalf of the Grantor, in order to ensure compliance with any covenant or agreement of the Grantor made in or pursuant to this Deed of Trust or any of the Credit Agreements, to preserve or protect any right or interest of the Beneficiary in the Trust Estate or under or pursuant to this Deed of Trust or any of the Credit Agreements, including, without limitation, the payment of any insurance premiums or taxes and the satisfaction or discharge of any judgment or any Lien upon the Trust Estate or other property or assets of the Grantor (other than Permitted Encumbrances); provided, however, that the making of any such advance by the Beneficiary shall not constitute a waiver by the Beneficiary of any Event of Default with respect to which such advance is made nor excuse the Grantor from any performance required hereunder. The Grantor shall pay to the Beneficiary upon demand all such advances made by the Beneficiary with interest thereon at a rate equal at all times to 4% per annum above the rate(s) of interest that would otherwise be in effect under the terms of the applicable promissory note(s). All such advances and accrued interest shall be secured by this Deed of Trust.

Section 3.10. Further Assurances. Upon the request of the Beneficiary, the Grantor shall promptly do all acts and things, including the execution, acknowledgment and delivery of such amendments hereto and other instruments and documents as the Beneficiary may request, to enable the Beneficiary to perfect and maintain the Lien of this Deed of Trust and/or the Beneficiary's rights and remedies hereunder. The Grantor shall notify the Beneficiary promptly upon the acquisition of any fee or leasehold estate in real property and, to the extent required under the Credit Agreement, shall execute and record such amendments or supplements to this Deed of Trust or other documents or instruments as are necessary or appropriate to subject such real property to the Lien of this Deed of Trust and shall deliver such executed and recorded amendments or supplements or other documents or instruments to the Beneficiary. In the event the Grantor

fails to take any action required under this Section 3.10, the Beneficiary may take any such action and make, execute and record any such instruments and documents for and in the name of the Grantor, and the Grantor hereby irrevocably appoints the Beneficiary as its attorney-in-fact to take such actions, which appointment is coupled with an interest and irrevocable.

Section 3.11. Condemnation, Etc. In the event that the Trust Estate or any part thereof shall be taken under the power of eminent domain or like power, then, unless the Beneficiary otherwise consents, all proceeds and avails thereof shall be applied by the Grantor to the prepayment of the Obligations (such prepayments to be applied in such order and manner as the Beneficiary may, in its sole discretion, elect).

Section 3.12. Conflict with Deed of Trust Terms. The provisions of this Deed of Trust and the Credit Agreements shall be cumulative and not mutually exclusive, notwithstanding any inconsistencies.

Section 3.13. Environmental Representations, Warranties and Covenants. The Grantor makes the following representations, warranties and covenants, all of which are subject to any exceptions that the Grantor may have previously disclosed in writing to the Beneficiary, and which, to the extent that they deal with representations of fact, are based on the Grantor's present knowledge, arrived at after reasonable inquiry.

(A) Use of the Trust Estate.

(1) The Grantor shall: (a) use, handle, transport or store Hazardous Materials as defined under any Environmental Law (both as hereinafter defined); and (b) store or treat non-hazardous wastes: (i) in a good and prudent manner in the ordinary course of business; and (ii) in compliance with all applicable Environmental Laws.

(2) The Grantor shall not conduct or allow to be conducted, in violation of any Environmental Law, any business, operations or activity on the Trust Estate, or, except in strict compliance with applicable law, employ or use the Trust Estate to generate, use, handle, manufacture, treat, store, process, transport or dispose of any Hazardous Materials, or any other substance which is prohibited, controlled or regulated under applicable law. The Grantor shall not use the Trust Estate in a way that poses a threat or nuisance to public safety, health or the environment, or cause or allow to be caused a known or suspected release of Hazardous Materials, on, under, or from the Trust Estate.

(3) The Grantor shall not do or permit any act or thing, business or operation that poses an unreasonable risk of harm, or impairs or may impair the value of the Trust Estate or any part thereof.

(B) Condition of the Trust Estate.

(1) The Grantor shall take all appropriate response actions, including any removal and remedial actions, in the event of a release, emission, discharge or disposal of Hazardous Materials in, on, under, or about the Trust Estate, so as to remain in compliance with all Environmental Laws.

(2) All underground tanks, wells, septic tanks, ponds, pits, or any other storage tanks (whether currently in use or abandoned) on the Trust Estate, if any, are, as of the date hereof, maintained in compliance with all applicable Environmental Laws.

(C) **Notice of Environmental Problems or Litigation.** Neither the Grantor nor any of its tenants have given, nor were they required to give, nor have they received, any notice, letter, citation, order, warning, complaint, inquiry, claim or demand that: (1) the Grantor and/or any of its tenants have violated, or are about to violate, any Environmental Law, judgment or order; (2) there has been a release, or there is a threat of release, of Hazardous Materials from the Trust Estate; (3) the Grantor and/or its tenants may be or are liable, in whole or in part, for the costs of cleaning up, remediating, removing or responding to a release or a threatened release of Hazardous Materials; or (4) the Trust Estate is subject to a Lien in favor of any governmental entity for any liability, costs or damages, under any Environmental Law arising from, or costs incurred by such governmental entity in response to, a release or a threatened release of a Hazardous Material. The Grantor further represents and warrants that no conditions currently exist or are currently reasonably foreseeable that would subject the Grantor to any such investigation, litigation, administrative enforcement or to any damages, penalties, injunctive relief, or cleanup costs under any Environmental Law. Upon receipt of any such notice, the Grantor and its tenants shall immediately provide a copy to the Beneficiary.

(D) **Right of Inspection.** The Grantor hereby grants, and will cause any of its tenants to grant, to the Beneficiary, its agents, attorneys, employees, consultants, contractors, successors and assigns, an irrevocable license and authorization, upon reasonable notice, to enter upon and inspect the Trust Estate and facilities thereon, and perform such tests, including without limitation, subsurface testing, soils and groundwater testing, and other tests which may physically invade the Trust Estate, as the Beneficiary, in its sole discretion, determines are necessary to protect its security interest; provided, however, that under no circumstances shall the Beneficiary be obligated to perform such inspections or tests.

(E) **Indemnity.** The Grantor agrees to indemnify and hold the Beneficiary, its directors, employees, agents, and its successors and assigns, harmless from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, judgments, administrative orders, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including without limitation attorney's fees and expenses) arising directly or indirectly, in whole or in part, out of any failure of the Grantor to comply with the environmental representations, warranties, and covenants contained herein.

(F) **Continuation of Representations, Warranties, Covenants and Indemnities.** The Grantor's representations, warranties, covenants, and indemnities contained herein shall survive the occurrence of any event whatsoever, including, without limitation, the satisfaction of the Obligations secured hereby, the reconveyance or foreclosure of this Deed of Trust, the acceptance by the Beneficiary of a deed in lieu of foreclosure, or any transfer or abandonment of the Trust Estate.

(G) **Corrective Action.** In the event the Grantor is in breach of any of its representations, warranties or agreements as set forth above, then, without limiting the Beneficiary's other rights hereunder, the Grantor, at its sole expense, shall take all actions required, including, without limitation, environmental cleanup of the Trust Estate, to comply with the representations, warranties, and covenants contained herein and with all applicable legal requirements and, in any event, shall take all actions deemed necessary under all applicable Environmental Laws.

(H) **Hazardous Materials Defined.** The term "Hazardous Materials" shall mean dangerous, toxic, or hazardous pollutants, contaminants, chemicals, wastes, materials or substances, as defined in or governed by the provisions of any Environmental Law.

(I) **Environmental Law Defined.** The term "Environmental Law" shall mean any federal, state or local laws, statute, ordinance, rule, regulation, administration order, or permit now in effect or hereinafter enacted, pertaining to the public health, safety, industrial hygiene, or the environmental conditions on, under or about the Trust Estate.

ARTICLE IV.

EVENTS OF DEFAULT AND REMEDIES OF THE BENEFICIARY

Section 4.01. Events of Default. Each of the following shall be an "Event of Default":

- (A) default shall be made in the payment of any amount due under any Obligation;
- (B) default shall be made in the due observance or performance of any of the covenants, conditions or agreements on the part of the Grantor, and, if such default shall be under Sections 3.06, 3.07, or 3.08 hereof, such default shall continue for a period of thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Grantor by the Beneficiary;
- (C) any representation or warranty made by the Grantor herein, or in any certificate, instrument or document delivered hereunder, shall prove to be false or misleading in any material respect on or as of the date made;
- (D) an "Event of Default" shall have occurred under any Credit Agreement or, in the event any Credit Agreement does not contain specified "Events of Default," the Grantor shall breach or be in default of any Credit Agreement; and
- (E) an event of damage, destruction or loss or a taking under the power of eminent domain or like power (or transfer in lieu of such taking) shall have had, in the judgment of the Beneficiary, a material adverse effect on the ability of the Grantor to pay or perform the Obligations.

Section 4.02. Acceleration of Maturity. If an Event of Default shall have occurred and be continuing, the Beneficiary may declare the Obligations to be due and payable immediately by a notice in writing to the Grantor, and upon such declaration, all Obligations shall become due and payable immediately, anything contained herein or in the Credit Agreements to the contrary notwithstanding.

Section 4.03. Remedies of the Beneficiary. If one or more Events of Default shall occur and be continuing, the Beneficiary (personally or by attorney), in its discretion, may:

- (A) take immediate possession of the Trust Estate, collect and receive all credits, outstanding accounts and bills receivable of the Grantor and all rents, income, revenues, profits and proceeds pertaining to or arising from the Trust Estate, or any part thereof, whether then past due or accruing thereafter, and issue binding receipts therefor; and manage, control and operate the Trust Estate as fully as the Grantor might do if in possession thereof, including, without limitation, the making of all repairs or replacements deemed necessary or advisable;
- (B) proceed to protect and enforce the rights of the Grantor and the rights of the Beneficiary by suits or actions in equity or at law in any court or courts of competent jurisdiction, whether

for specific performance of any covenant or any agreement contained herein or in any Credit Agreement or in aid of the execution of any power herein granted or for the foreclosure hereof or hereunder or for the sale of the Trust Estate, or any part thereof, or to collect the debts hereby secured or for the enforcement of such other or additional appropriate legal or equitable remedies as may be deemed necessary or advisable to protect and enforce the rights and remedies herein granted or conferred;

(C) as a matter of right and without notice to Grantor or anyone claiming under Grantor, and without regard to the then value of the Trust Estate or the adequacy of any security for the Obligations, apply to any court having jurisdiction to appoint a receiver of the Trust Estate and of all rents, income, revenues, profits and proceeds pertaining thereto or arising therefrom, and Grantor hereby irrevocably consents to such appointment and waives notice of any application therefor. Any such receiver may take possession of and protect the Trust Estate and operate the same and collect rents, issues and profits therefrom, whether then past due or accruing after the appointment of such receiver, and such receiver shall have all the usual powers and duties of receivers in like and similar cases, to the fullest extent permitted by law; and

(D) request the Trustee to proceed with sale of the Trust Estate by filing for record, in the office of the recorder of each county where the Trust Estate or some part or parcel thereof is situated, a notice of default, identifying the Deed of Trust by stating the name of the trustor named therein and giving the book and page where the Deed of Trust is recorded and a legal description of the Trust Estate, and containing a statement that a breach of an obligation for which the Trust Estate was conveyed as security has occurred, and setting forth the nature of that breach and of the Trustee's election to sell or cause to be sold the property to satisfy the obligation. After the lapse of at least three months the Trustee shall give notice of sale as provided herein and, following such notice, the Trustee is authorized and empowered to sell or cause to be sold all and singular the Trust Estate or any part thereof, and all right, title, interest, claim and demand of the Grantor therein or thereto, at public auction to the highest bidder at the courthouse of the county in which the property to be sold, or some part thereof, is located, at such time, which time shall be between the hours of 9 a.m. and 5 p.m., upon such notice, and upon such terms as may be specified in the notice of sale, which shall state the time when and the place where the sale is to be held, shall contain a legal description of the property to be sold, and which shall substantially comply with the form provided in Section 57-1-25(3), Utah Code Annotated. Notice shall be give by publishing the same once in each week for three consecutive calendar weeks prior to the date of such sale in a newspaper of general circulation published in said county or, if no such newspaper is published in such county, in a newspaper of general circulation in such county, the last such publication to be at least ten (10) but not more than thirty (30) days prior to the date fixed for such sale; and by posting such notice, at least twenty (20) days before the date of sale, in some conspicuous place on the property of the Trust Estate to be sold and at least three public places of each city or county in which the property of the Trust Estate be sold, or some part thereof, is situated. Any sale to be made under this Section 4.03(D) may be postponed by public declaration at the time and place appointed for such sale or for such postponed sale or sales. Such postponement shall not exceed a period of seventy-two (72) hours, but if the last hour of the postponement falls on a Saturday, Sunday or a legal holiday, the sale may be postponed until the same hour of the next day which is not a Saturday, a Sunday, or a legal holiday, and without further notice or publication the sale may be had at the time and place to which the same shall be postponed. In the event of a longer postponement, the sale shall be canceled and renoticed in the same manner as the original notice of sale is required to be given. Pursuant to Section 57-1-28, Utah Code Annotated, the recitals of compliance with the requirements of the Utah Code relating to the exercise of the power of sale and sale of the property contained in this Deed of Trust constitute prima facie evidence of such compliance and are conclusive evidence in favor of bona fide purchasers and encumbrances for value without notice. Notwithstanding the foregoing, in the event another or different notice of sale or another or different manner of conducting the same shall be required by law,

the notice of sale shall be given or the sale be conducted, as the case may be, in accordance with the applicable provisions of law. The costs and expenses incurred by the Beneficiary (including, but not limited to, receiver's fees, counsel fees, cost of advertisement and agents' compensation) in the exercise of any of the remedies provided in this Deed of Trust shall be secured by this Deed of Trust; and

(E) foreclose on the Deed of Trust in the manner provided by law for the foreclosure of mortgages on real property.

Section 4.04. Application of Proceeds from Remedial Actions. Any proceeds or funds arising from the exercise of any rights or the enforcement of any remedies herein provided after the payment or provision for the payment of any and all costs and expenses in connection with the exercise of such rights or the enforcement of such remedies shall be applied to the Obligations in such order and manner as the Beneficiary shall elect in its sole discretion, and the balance, if any, shall be paid to whomsoever shall be entitled thereto.

Section 4.05. Remedies Cumulative; No Election. Every right or remedy herein conferred upon or reserved to the Beneficiary shall be cumulative and shall be in addition to every other right and remedy given hereunder or under any Credit Agreement or now or hereafter existing at law, or in equity, or by statute. The pursuit of any right or remedy shall not be construed as an election.

Section 4.06. Waiver of Appraisal Rights. The Grantor, for itself and all who may claim through or under it, covenants that it will not at any time insist upon or plead, or in any manner whatever claim, or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption laws now or hereafter in force in any locality where any of the Trust Estate may be situated, in order to prevent, delay or hinder the enforcement or foreclosure of this Deed of Trust, or the absolute sale of the Trust Estate, or any part thereof, or the final and absolute putting into possession thereof, immediately after such sale, of the purchaser or purchasers thereat, and the Grantor, for itself and all who may claim through or under it, hereby waives the benefit of all such laws unless such waiver shall be forbidden by law.

Section 4.07. Exercise by Trustee. Notwithstanding anything herein to the contrary, the Trustee (i) shall not exercise, or waive the exercise of, any of its rights or remedies hereunder (other than its right to reimbursement) except upon the request of the Beneficiary, and (ii) shall exercise, or waive the exercise of, any or all of such rights or remedies upon the request of the Beneficiary and at the direction of the Beneficiary as to the manner of such exercise or waiver, provided that the Trustee shall have the right to decline to follow any such request or direction if the Trustee shall be advised by counsel that the action or proceeding, or manner thereof, so directed may not lawfully be taken or waived.

ARTICLE V.

POSSESSION UNTIL DEFAULT; SATISFACTION

Section 5.01. Possession Until Default. Until one or more Events of Default shall have occurred, the Grantor shall be permitted to retain actual possession of the Trust Estate, and to manage, operate and use the same and any part thereof, with the rights and franchises appertaining thereto, including, without limitation, to collect, receive, take, use and enjoy the rents, revenues, issues, earnings, income, products, profits and proceeds thereof or therefrom, subject to the provisions of this Deed of Trust.

Section 5.02. Satisfaction. If the Grantor shall well and truly pay or cause to be paid the Obligations at the times and in the manner provided in the Credit Agreements, and shall also pay or cause

to be paid all other sums payable by the Grantor hereunder, and shall keep and perform all covenants herein and in all Credit Agreements required to be kept and performed by it, and there are no further obligations to make advances to the Grantor under any of the Credit Agreements, then and in that case, all property, rights and interest hereby conveyed or assigned or pledged shall, upon the written request of the Grantor, be wholly reconveyed and cleared of the Lien of this Deed of Trust, and in such case, at the Beneficiary's cost and expense; provided, however, that in any event, the Trustee shall release the Trust Estate no later than ninety (90) days after such satisfaction. The Beneficiary and the Trustee shall execute and deliver to the Grantor such instruments of release, cancellation, satisfaction or reconveyance as shall be required by law in the circumstances, if any.

ARTICLE VI.

Section 6.05. Severability. The invalidity of any one or more phrases, clauses, sentences, paragraphs or provisions of this Deed of Trust shall not affect the remaining portions hereof.

Section 6.06. Governing Law. The effect and meaning of this Deed of Trust, and the rights of all parties hereunder, shall be governed by, and construed according to, the laws of the State of Utah, except to the extent governed by federal law.

Section 6.07. Indemnification by the Grantor of the Beneficiary. The Grantor agrees to indemnify and save harmless the Beneficiary against any liability or damages which the Beneficiary may incur or sustain in the exercise and performance of its rightful powers and duties hereunder, including any liability or damages arising from the Grantor's failure to comply with any Environmental Law or the like applicable to the Trust Estate. For such indemnity, the Beneficiary shall be secured under this Deed of Trust in the same manner as the Obligations and all amounts payable under this Section shall be paid to the Beneficiary with interest at the rate specified in Section 3.09. The Grantor's obligations under this Section shall survive the exercise by the Beneficiary of its rights and remedies hereunder, any foreclosure on all or any part of the Trust Estate and the cancellation or satisfaction of this Deed of Trust.

Section 6.08. Trustee.

(A) Trustee must be (i) a member of the Utah State Bar; (ii) any depository institution as defined in Section 7-1-103, Utah Code Annotated, or insurance company authorized to do business in Utah under the laws of Utah or the United States; (iii) any corporation authorized to conduct a trust business in Utah under the laws of Utah or the United States; (iv) any title insurance or abstract company authorized to do business in Utah under the laws of Utah or the United States; (v) any agency of the United States government; or (vi) any association or corporation which is licensed, chartered, or regulated by the Farm Credit Administration or its successor. The Trustee may not be a Beneficiary unless the Beneficiary is qualified to be a Trustee under (ii), (iii), (v) or (vi) of this Subsection.

(B) Subject to applicable law, the Trustee may resign by an instrument in writing addressed to the Beneficiary, or the Trustee may be removed at any time with or without cause by an instrument in writing executed by the Beneficiary. In case of the death, resignation, removal or disqualification of the Trustee or if for any reason the Beneficiary shall deem it desirable to appoint a substitute or successor Trustee, then the Beneficiary shall have the right and is hereby authorized and

empowered to appoint a successor Trustee, or a substitute Trustee, by filing for record in the office of the county recorder of each county in which the Trust Estate or some part thereof is situated, a substitution of Trustee. From the time the substitution is filed for record, the new Trustee shall succeed to all the power, duties, authority, and title of the Trustee named in the Deed of Trust and of any successor Trustee. The authority hereby conferred shall extend to the appointment of other successor and substitute Trustees successively until the Grantor's obligations have been satisfied under Section 5.02 hereof or until the Trust Estate is sold hereunder. Such appointment and designation by the Beneficiary shall be full evidence of the right and authority to make the same and all facts therein recited. If the Trustee is a corporation, a national banking association or a federally chartered instrumentality of the United States and its appointment as Trustee is executed in its behalf by an officer of such corporation or national banking association, or an authorized representative of such federally chartered instrumentality, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer. Upon the making of such appointment and designation, all of the estate and title of the Trustee in the Trust Estate shall vest in the named successor or substitute Trustee and it shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon the Trustee; but nevertheless, upon the written request of the Beneficiary or of the successor or substitute Trustee, the Trustee ceasing to act shall execute and deliver an instrument transferring to such successor or substitute Trustee all of the estate and title in the Trust Estate of the Trustee ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon the Trustee, and shall duly assign, transfer and deliver any of the properties and moneys held by said Trustee hereunder to said successor or substitute Trustee. All references herein shall be deemed to refer to the Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder. Except as otherwise required by applicable law, the Trustee shall not perform any act or omit to act hereunder unless, prior to such act or omission, the Beneficiary delivers to the Trustee direction to so act or omit to act. The Grantor hereby ratifies and confirms any and all acts which the Trustee herein named or its successor or successors, substitute or substitutes, in this trust, shall do lawfully by virtue hereof.

(C) The Trustee shall not be liable for any error of judgment or act done by the Trustee in good faith, or otherwise be responsible or accountable under any circumstances whatsoever, except for the Trustee's gross negligence or willful misconduct. The Trustee shall have the right to rely upon any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by it in good faith to be genuine. All moneys received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law or by the Beneficiary), and the Trustee shall be under no liability for interest on any moneys received by it hereunder.

(D) The Beneficiary hereby agrees to indemnify and save harmless the Trustee from and against any liability or damages which the Trustee may incur or sustain in the exercise and performance of its rights and duties hereunder, unless incurred or sustained as a result of the Trustee's gross negligence or willful misconduct.
