The owners of lots or units within all phases of the Pioneer Addition Subdivisions shall have mutual and cross non-exclusive easements of use, enjoyment and access over and across the common areas contained in each such phase.

Section 2.2. Leasing. An Owner shall be allowed to lease his Unit or Unplatted Parcel, provided that any such lease shall require the tenant thereunder to comply with the terms and conditions of this District Declaration, Bylaws, Articles of Incorporation, Master Declaration, bylaws and articles of incorporation of the Master Association, and provided further that such lease and tenancy is otherwise in compliance with any rules and regulations promulgated by the District Association or the Master Association. No lease of a Unit or Unplatted Parcel shall be for a term of less than three (3) months, and any such lease will be in writing and compliance by the Owner and Tenant of the provisions of this Declaration and the Master Declaration shall be enforceable by the District Association or Master Association, whether or not so stated in its terms. No Owner may lease his Unit or Unplatted Parcel more than twice during any calendar year unless approved by the District Association. During the term of the lease, the Owner shall not be relieved of any obligations under the terms of the District Declaration and the Master Declaration, and the Owner and Tenant

shall be jointly and severally liable for the actions of the Owner and the Tenant which may be in violation of the terms and conditions of this District Declaration, Master Declaration, and any rules and regulations thereunder and any other documents set forth above, notwithstanding the fact that the tenants are also fully liable for any violation of the documents and regulations. In the event that a tenant, occupant, or person living with the tenant violates the District Declaration, Articles of Incorporation, Master Declaration, Bylaws, the bylaws or articles of incorporation of the Master Association, or the rules and regulations of the District Association or Master Association, the District Association or Master Association, as appropriate, shall have the power to bring an action or suit against the tenant or occupant and the Owner jointly and severally, or any combination of the foregoing, to recover sums due for damages or injunctive relief, or for any other remedy available at law or in equity. The restrictions contained in this section shall not apply to Units or Unplatted Parcels owned by or leased to District Declarant, the Church Parcel being Parcel "N" on Phase VII-B, or by any Mortgage of a first mortgage acquiring title by foreclosure or deed in lieu of foreclosure.

Section 2.3. Time-share Prohibition. No time sharing plan as the term is defined Utah Statutes as amended, or any similar plan of fragmented or interval ownership of property of Units or Unplatted Parcels shall be permitted on the District Property, and no attempt to create same by lease or otherwise shall be allowed.

Section 2.4. Board of Director's Rights. The Board of Directors, in its sole discretion, by its written consent may extend permission to selected non-owners of any interest in the District Property, to use portions of the Common Area subject to such terms and conditions as the Board of Directors may impose.

Section 2.5. Withdrawal. District Declarant reserves the right to amend this District Declaration unilaterally at any time so long as the District Declarant owns any land which is subject to this District Declaration, for the purpose of removing certain portions of the District Property then owned by the District Declarant from the purview, operation and effect of this District Declaration. For such an amendment to have effect, the Master Declarant must consent thereto, and such amendment setting forth the withdrawal must be filed in the public Records of Utah County, State of Utah, with the consent of the Master Declarant attached.

Section 2.6. Amendment. This District Declaration shall not be amended without the prior written consent of the Master Declarant. This District Declaration shall not be amended without the prior written consent of the District Declarant, to and until the District Declarant no longer owns any land which is subject to the District Declaration or subject to annexation to the District Declaration. After the District Declarant no longer owns and land which is subject to the District Declaration or subject to annexation to the District Declaration, this District Declaration may be amended as provided for herein.

Unplatted Parcel. The membership of an Owner in the District Association shall not be transferred, pledged or alienated in any way, except that such membership shall automatically be transferred and assigned upon the transfer of the ownership interest required of the Unit or Lot to a third party. Every Owner agrees to immediately notify the District Association upon such transfer and to deliver to the District Association the address of the new owner, and a copy of the deed conveying the Unit or Unplatted Parcel to the new owner.

The Class "B" member shall be entitled to appoint the members of the Board of Directors during the Class "B" Control Period, as provided in the Bylaws. The Class "B" membership shall terminate and be converted to the class "A" membership upon the earlier of:

- (iii) As each Unit is sold to an owner other than the Declarant.

Section 3.6. Cumulative Voting. No cumulative voting shall be permitted.

Section 3.7. District. The District of which the District property forms a part, includes all the phases of Pioneer Addition Subdivisions including Pioneer Addition Subdivision Phase VII-A and shall have "Additional Properties" annexed being the proposed subdivision of Pioneer Addition Subdivision Phase VII-B, Phase VII-C and Phase VII-D, including, without limitation, the property described generally in Article VI, Section 6.1 of this District Declaration and further may be modified subject to the terms and conditions of the Master Declaration pertaining to designation of Districts (as defined therein) and their reconfiguration. Those portions of the District not subjected to the terms and conditions of this District Declaration may, but shall not be obligated to, become a part of the District property, in the sole discretion of the District Declarant. Such annexation of "Additional Properties" into the District Property, if any, may be accomplished in accordance with the terms and provisions of Article VI hereof, and may or may not include if so determined in the

sole discretion of the District Declarant and Master Declarant, lands located outside the District, all as further provided in Article VI hereof and as provided in the Master Declaration.

ARTICLE IV

Maintenance

Section 4.1. District Association's Responsibility. The District Association shall maintain and keep in good repair the Area of Common Responsibility [including any "Additional Properties" which are subsequently annexed herein including the proposed subdivision of Pioneer Addition Subdivision Phase VII-B, Phase VII-C, and Phase VII-D when recorded], such maintenance to be funded as hereinafter provided. This maintenance shall include, but need not be limited to, maintenance, repair, restoration, and replacement, subject to any insurance then in effect, of all landscaping and other flora, structures and improvements situated upon or under the Common Area and the Area of Common Responsibility, including, but not limited to, recreational amenities, if any, drainage and irrigation systems, recreation and open space, utilities, private streets, medians, street lights, entry features and signage, traffic control devices and pedestrian systems, and such other actions as may be required pursuant to the terms and conditions of any agreement of the District Association, the District Declaration, and the Master Declaration. The District Association shall also maintain and keep in good repair such portions of any additional property not included within the Common Areas and the Area of Common Responsibility as may be dictated by this District Declaration, or by a contract or agreement for maintenance thereof by the District Association or by a governmental entity or agency. In the discharge of its responsibilities, the District Association shall comply fully with the Development Order and other Development Approvals to the extent relevant and applicable to the Common Area or the District Association's duties and responsibilities. Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Common Area or the Area of Common Responsibility and "Additional Properties" (as provided above) shall be a Common Expense to be allocated among all Units and Unplatted Parcels as part of the Assessments.

The District Association may maintain property which it does not own (in addition to those portions of the Common Area or the Area of Common Responsibility which it does not own), including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Master Standards (as defined in the Master Declaration).

Section 4.2. Owner's Responsibility. Each Owner of a Unit (and any owner of a portion of the District Property not within a Unit or Unplatted Parcel) shall maintain his or her Unit or Unplatted Parcel (or portion of the District Property) and all structures, parking areas, landscaping, retention and other storm water control areas not a part of the Master Drainage System or the District Drainage System, and other improvements comprising the Unit or Unplatted Parcel (or portion of the District Property) in good repair and in a manner consistent with this District Declaration and any standard established by the Board of Directors, and in any District planning and design criteria, as well as the Master Standards, and all applicable covenants, including those contained within the Master Declaration and the District Declaration, unless such maintenance responsibility is otherwise

assumed by or assigned to the District Association. If any Owner fails properly to perform his or her maintenance responsibility, the District Association, in its sole discretion, shall have a right of entry upon such Unit or Unplatted Parcel (or portion of the District Property) and may perform such maintenance and assess all costs incurred by the District Association (together with an overhead expense to the District Association of fifteen percent (15%) of the total amount thereof) against the Unit or Unplatted Parcel (or portion of the District Property) and the Owner (or owner) thereof in accordance with Section 7.3 of Article VII of this District Declaration; provided, however, except when entry is required due to an emergency situation, the District Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry. The District Association shall have no obligation to perform any such maintenance, unless required to do so under the District Declaration or Master Declaration. The determination as to whether a Unit or Unplatted Parcel (or portion of the District Property) and all structures, parking areas, landscaping and other improvements are being maintained in good repair and in a manner consistent with the foregoing shall be made by the Board of Directors, except to the extent the District ARC may otherwise determine as to the Master Standards.

Section 4.3. Master Association. If the District Association fails to perform its maintenance responsibility as required herein and in the Master Declaration, the Master Association shall have a right of entry and may perform the same and assess the cost thereof against the District Association or the Units and Unit owners within the District, all as provided in the Master Declaration.

Section 4.4. Determination of District Standard. The District Declarant or District Association may establish a standard for the District (including any additional areas contained in prior or additional phases which are subsequently annexed herein) as to conduct, maintenance or other activity generally prevailing throughout the District, which standard, if established, shall at least meet that of the Standards adapted by the Master Declarant. In the event such a standard is established, it may be amended by the District Declarant or District Association and may be enforced by the District Declarant, District Association or Master Association. Notwithstanding the foregoing, the District ARC shall determine whether the District or any portion thereof, and all structures, parking areas, landscaping and other improvements located thereon are being maintained in a manner consistent with the District Standards. It is intended that the District Standards shall be uniform and consistent for the existing, the proposed subdivision of Pioneer Addition Subdivision Phase VII-B, Phase VII-C and Phase VII-D and any "Additional Properties" annexed herein.

Section 4.5. Association Insurance.

The District Association shall obtain and maintain in effect the following insurance coverage, if reasonably available, or if not reasonably available, the most nearly equivalent coverage which is reasonably available.

4.5.1 Blanket property insurance covering "all risks of direct physical loss" on a replacement cost basis (or comparable coverage by whatever name denominated) for all insurable improvements on:

- (1) the Common Area (including Limited Common Area);

(2) property within any Service Area, to the extent specified in any applicable Supplement; and

(3) other portions of the Areas of Common Responsibility, to the extent that the District Association has responsibility for repair or replacement in the event of a casualty.

If such coverage is not generally at reasonable cost, then "broad form" coverage may be substituted. The limits of District Association property insurance policies shall be sufficient to cover the full replacement cost of the insured improvements under current building ordinances, costs and codes.

4.5.2 Commercial general liability insurance on the Area of Common Responsibility, insuring the District Association and its Members for property damage or personal injury caused by the negligence of the District Association or any its Members, employees, agents, officers, directors, or contractors while acting on its behalf. If generally available at reasonable cost, such coverage shall have a limit of at least \$5,000,000.00 per occurrence with respect to bodily injury, personal injury, and property damage. Such coverage may be provided through a combination of primary and umbrella policies. However, if additional coverage and higher limits are available at reasonable cost that a reasonable prudent person would obtain, the District Association shall obtain such additional coverage or limits;

4.5.3 Workers compensation insurance and employers liability insurance, if and to the extent required by law;

4.5.4 Directors and officers liability coverage with a limit of at least \$1,000,000.00; and

4.5.5 Commercial crime insurance, including fidelity insurance covering all Persons responsible for handling District Association funds in an amount determined in the Board's business judgment but not less than an amount equal to one-fourth of the annual Base Assessments on all Units plus reserves on hand. Fidelity insurance policies shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation.

The District Association shall arrange for an annual review of the sufficiency of its insurance coverage by one or more qualified Persons, at least one of whom must be familiar with insurable replacement costs in the City of Eagle Mountain, Utah area. In the exercise of its business judgment, the District Board may obtain additional coverage and higher limits than this Section requires.

4.5.6 Deductibles. The District Association's policies may contain a reasonable deductible, which shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Article 4.5 hereof. In the event of an insured loss, the deductible shall be treated as a Common Expense or a Service Area Expense in the same manner as the premiums for the applicable insurance coverage under Article 4.4.8. However, if the District Board reasonably determines, after notice and an opportunity to be heard in accordance with the By-Laws, that the loss is the result of the negligence or

wilful misconduct of one or more Owners, their guests, invitees, contractors, agents, or lessees, then the District Board may assess the full amount of such deductible against such Owner(s) and their units as a Special Assessment.

4.4.7 Policy Requirements.

All District Association policies shall provide for a certificate of insurance to be furnished to the District Association and, upon request, to each Owner.

To the extent available at reasonable cost and terms, all District Association insurance shall:

- .1 be written with a company authorized to do business in the State of Utah that satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the District Board deems appropriate.
- .2 be written in the name of the District Association as trustee for the benefitted parties. All policies shall be for the benefit of the District Association and its members, except that policies on Limited Common Areas shall be for the benefit of the Owners of Units with the Service Area to which the Limited Common Area is assigned and their Mortgagees, as their interests may appear;
- .3 not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;
- .4 contain an inflation guard endorsement;
- .5 include a co-insurance waiver or an agreed amount endorsement, if the policy contains a co-insurance clause;
- .6 provide that each Owner is an insured person with respect to liability arising out of such Owner's status as a member of the District Association;
- .7 provide a waiver of subrogation against any Owner or household member of an Owner; and
- .8 include an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any act or omission of one or more Owners, unless acting on the District Association's behalf within the scope of their authority, or on account of any curable defect or violation, without prior written demand to the District Association and allowance of a reasonable time to cure the defect or violation.

In addition, the District Board shall use reasonable efforts but shall not be required, to secure insurance policies that provide:

- .9 a waiver of subrogation as to any claims against the District Association's directors, officers, employees and manager;
- .10 a waiver of the insurer's right to repair and reconstruct instead of paying cash;
- .11 an endorsement excluding Owner's individual policies from consideration under any "other insurance" clause;
- .12 an endorsement requiring at least 30 days' prior written notice to the District Association of any proposed cancellation, substantial modification, reduction of coverage, increase in premiums, or non-renewal;

- .13 a cross liability provision; and
- .14 a provision vesting in the District Board exclusive authority to adjust losses and claims. However, Mortgagees having an interest in such losses and claims may not be precluded from participating in the settlement negotiations, if any, related to the loss and claim.

4.4.8 Insurance Premiums. Premiums for all District Association insurance shall be a Common Expense, except that premiums for property insurance on Units within, or Limited Common Areas assigned to a particular Service Area shall be a Service Area Expense, unless the District Board reasonably determines that other treatment of the premiums is more appropriate.

Section 4.6. Restoring Damaged Improvements.

In the event of damage to or destruction of portions of the Common Area, Limited Common Area and Area of Common Responsibility for which the Association has the responsibility to maintain, the Association shall repair or reconstruct the damaged Common Area improvements.

4.6.1 The Association shall not be required to repair or reconstruct such damaged improvements if: (1) this Declaration is terminated or the property has been withdrawn from the District Property pursuant to Article 2.5; (2) the repair or restoration would be illegal under any applicable state or local statute or ordinance, or (3) the District Declarants and at least 70% of the Unit Owners entitled to cast votes affirmative vote not to repair or restore the damaged improvements within 60 days after the loss, and in the case of any Limited Common Areas, at least 100% of the Unit Owners of the damaged Limited Common Area.

4.6.2 The Board or its duly authorized agent shall have the sole and exclusive authority, standing responsibility to file and adjust all insurance claims and obtain all settlements therefrom.

4.6.3 If either the insurance proceeds or estimates of the loss, or both, are not available to the Association within such 60-day period, then the period shall be extended until such funds or information are available. Except as provided above, no Mortgagee shall have the right to participate in determining whether the damage or destruction to the Common Area shall be repaired or reconstructed.

4.6.4 If a decision is made not to repair to restore the damaged improvements and no alternative improvements are authorized, the affected property shall be cleared of all debris and ruins and thereafter shall be maintained by the Association in a neat and attractive condition consistent with the Community Wide Standard.

4.6.5 The insurance proceeds attributable to any Units or Limited Common Areas that are not repaired or restored shall be distributed to the Owners of the damaged Units or the Units to which such Limited Common Areas were assigned, or to their respective Mortgagee, as their interests may appear, in proportion to their respective liability for Association expenses. The

Association shall retain and place in a capital improvement account for the benefit of all Owners, the Owners within the affected Service Area, or the Owners or Units to which such Limited Common Areas were assigned, as appropriate, any insurance proceeds remaining after paying the costs of the repair or restoration of after such settlement as is necessary and appropriate. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Unit.

4.6.6 If insurance proceeds are insufficient to cover the costs of repair or restoration, the Board may, without a vote of the Unit Owners, levy Special Assessments to cover the shortfall against those Owners and Units responsible for the premiums for the applicable insurance coverage under Section 4.4.8.

ARTICLE V

All such detached structures shall comply with all set back requirements, shall be constructed and painted in a style and color similar to the main residence, and shall not be used for human habitation. A lot Owner must obtain written permission and consent from the Homeowners Association, and any required City building permit, prior to construction of any outbuilding. Animal pens, stalls, and shelters, barns, stables, or similar structures are all prohibited.

Section 5.13. Storage of Building Material. Section 5.16. Construction Activity. This Declaration shall not be construed so as to unreasonably interfere with or prevent normal construction of improvements by any Owner, provided that when completed such improvements shall in all ways conform to this Declaration. Specifically, no such construction activities shall be deemed to constitute a nuisance or a violation of this Declaration by reason of noise, dust, presence of vehicles or construction machinery, posting of signs, or similar activities, provided that such construction is pursued to completion with reasonable diligence is in compliance with applicable federal, state and local laws and ordinances and any rules and regulations adopted pursuant thereto, and conforms to usual construction practices in the area.

In the event of any dispute, a temporary waiver of the applicable provision, including by not limited to any provision prohibiting temporary structures, may be granted by the District ARC, provided that such waiver shall be only for the reasonable period of such initial construction. Notwithstanding the above, construction activities shall not be conducted at such hours as to constitute an unreasonable nuisance. All lots shall be kept clean of construction debris, waste and trash during construction and be placed in approved containers until off-site disposal. All construction debris, trash, and waste shall be regularly removed from each site. During construction, the builder shall have on site an approved trash and construction container. All building material, building trash or debris shall be placed in such container at least daily, and the container shall be emptied off site when full. No trash or construction debris shall be buried on site nor allowed on any adjoining property.

Section 5.17. Driveways. All driveways shall be constructed of hard surfaced materials such as concrete, asphalt, paving stones, brick or similar material. All driveways shall be properly maintained, replaced, restored and promptly repaired by the Owner of the lot. All dogs, cats and other household pets allowed hereunder must be leashed when outside and shall not be permitted to run loose. Those pets which, in the sole discretion of the District Association, endanger the health, make objectionable noise, or constitute a nuisance or inconvenience to the Owners of the District Property may be removed by the Board of Directors and handed over to the appropriate state or county authority. No farm or exotic animals, including but not limited to horses, cows, pigs, donkeys, mules, emus, game animals, buffalo, sheep, goats, and llama, shall be allowed to be kept, maintained or bred on any Lot or Unit. Each Owner shall be responsible to pickup and properly dispose of any excrement deposited by his pet or animal.

Section 5.20. Nuisance. No portion of the District Property shall be used, in whole or in part, for the storage of any property or thing that will cause such portion of the District Property to appear to be in an unclean, unsightly, unhealthy, or unkempt condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept upon, nor shall any use or practice be allowed upon any portion of the District Property that will emit foul or obnoxious odors or that will

No illegal, noxious, or offensive activity shall be carried on or conducted upon any portion of the District Property. The pursuit or hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause disorderly, unsightly, or unkempt conditions, shall occur only within a garage or other similar walled interior area of the District Property and shall not be visible to view.

Section 5.22. Landscaping. Landscaping on any portion of the District Property and storm water drainage and retention features located on and serving only a Unit or Unplatted Parcel (and not a part of the Master Drainage System or District Drainage System) shall be continuously maintained in good, aesthetically pleasing condition by the Owner thereof consistent with the Landscape Design Criteria for the District as may be promulgated and amended by the District ARC from time to time. Each individual Lot or Unit, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 5, shall comply, at a minimum, with the following:

- No lot shall be allowed to accumulate any growth of weeds, underbrush, collection of tumbleweeds, or other plant growth greater than 12 inches high (other than trees, flowers, hedges, or similar ornamental plants). Upon the violation of this provision, the District ARC shall notify the owner in writing of the violation either by mail, personal delivery or posting of the notice on the property. If the violation is not corrected within 30 days from the date of the notice, the District ARC shall have the right to enter unto any lot in violation of this provision to correct the violation. Such lot shall be assessed the costs incurred by the District ARC to correct the violation, which shall be deemed a special assessment against the individual lot.
- No owner shall disturb, damage or alter the sidewalk or street curb. No owner shall alter or damage any drainage structures. Each owner shall be liable for any violation of this provision.
- All front and side yards shall be landscaped (installed grass and an underground permanent irrigation system), as described hereinafter, from the top-back edge of the curb of the road adjoining the lot (or from the edge of the pavement if no curb), extending back to a horizontal line created by extending the plane of the front of the house to the side lot lines. Such yard landscaping shall be installed and completed no later than: (1) within 120 days after issuance of a building permit for the construction of a residence on a lot, or, (2) if the building permit for the construction

of a residence on a lot was issued after September 1 and winter weather prevented the installation of the required landscaping within the time specified in preceding provision, the required landscaping shall be installed no later than April 1 of following year. In addition to the landscaping required for all lots, corner lots shall have landscaping (installed grass and underground permanent irrigation system) in the entire outside side yard area, which is defined as that area between the side of the house and the side street by extending the foundation line of the side of the house facing the side street from the front of the lot to the rear of the lot, which yard landscaping shall be installed at the same time as the front yard landscaping is installed. Within one year after issuance of the certification of occupancy, the improved irrigated lawn areas shall be installed and extended to the rear line of the house.

- Such initial and future lot landscaping shall include, at a minimum sod and underground irrigation, two evergreen or leaf bearing trees in the front yard with a minimum caliper diameter of 1 1/2".
- Each Lot Owner shall maintain the landscaping to the original boundaries set forth above. A lot Owner shall maintain the area in the front of each lot lying between the sidewalk and the edge of the street pavement. Such area shall be kept and maintained in the same condition and material as the main front lawn of the lot.
- All exterior utility lines and services shall be installed and maintain underground.
- All areas designated as private parks or owned by the Home Owners Association shall be maintained in a safe, clean, and tidy manner.

Section 5.23. Vehicles and Repair. No inoperative cars, motorcycles, trucks or other types of vehicles shall be allowed to remain either on or adjacent to any portion of the District Property for a continuous period in excess of forty-eight (48) hours; provided, however, this provision shall not apply to any such vehicle being kept in an enclosure and not visible from the street or any portion of the District Property or Properties. All vehicles within the District Property must have current state issued motor vehicle registration tags displayed on the vehicle.

Section 5.24. Storage. Section 5.26. Mining and Excavation. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, placed or permitted upon any portion of the District Property, nor shall any oil, natural gas, petroleum, rock, gravel or other minerals or substances of any kind be produced or extracted therefrom. No clearing or excavation of any portion of the District

Property shall occur except in connection with the construction approved by the District ARC, or maintenance or repair of improvements on the District Property.

Section 5.27. Signs. With the exception of one "For Sale" sign per Unit or Unplatted Parcel not to exceed the size established by the District ARC, no sign of any kind shall be erected on any portion of the District Property, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 5, without the prior written consent of the District ARC. Such restriction on signage shall not apply to the District Declarant as long as the District Declarant owns the property within the District Property.

Section 5.28. Antennas; Satellite Dishes. No exterior television or radio antennas, aerials or satellite dishes of any kind shall be placed, allowed, or maintained upon any portion of the District Property, including any Unit or Unplatted Parcel, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 5, unless permitted by the District ARC and the District Association. Provided, each dwelling unit shall be permitted to install and maintain one (1) exterior mounted dish satellite receiver dish not exceeding twenty (20) inches in diameter. As far as practical, each exterior antenna shall be placed on the rear or side wall of the house. No external antenna shall exceed 35 feet in height.

All clotheslines, garbage cans, above-ground tanks, air-conditioning compressors, pool pumps and other similar items of external equipment shall be located or screened, by vegetation or shadow-box enclosures approved by the District ARC, so as to be concealed from view from neighboring Units, Unplatted Parcels or portions of the District Property or Properties.

Section 5.30. Swimming Pools. No above ground swimming pools shall be erected, constructed or installed on any portion of the District Property. All swimming pools and spas shall be maintained within either the structure, a screened enclosure, or within a fence, each of which shall have a self-locking gate or door.

Section 5.31. Tents, Trailers and Temporary Structures. Owners or occupants shall not place upon any portion of the District Property, any tent or trailer or any structure of a temporary nature, without obtaining the prior written approval from the District Association and the District ARC.

Section 5.32. Drainage. All storm water from any portion of the District Property shall only drain into or onto contiguous or adjacent street rights-of-way, drainage easements, retention areas, Common Areas or Areas of Common Responsibility in the manner approved by the District ARC and the owner and operator of the Master Drainage System or the District Drainage System, as the case may be, if such drainage is part of the Master Drainage System or the District Drainage System, respectively. If such drainage is not part of the Master Drainage System or the District Drainage System and is not required to be part of the Master Drainage System or the District Drainage System,

then the manner of its drainage shall be approved by the District ARC and the District Declarant (and at such time as District Declarant owns no portion of the District Property, or property which can be annexed to the District Property, or at such earlier time as District Declarant in its sole discretion may determine, the approval of the District Declarant will not be required, and the District Association and the District ARC shall approve the manner of drainage). No Owner (other than the District Declarant) shall be permitted to alter the grade of or original drainage plan for any portion of the District Property, or change the direction of, obstruct, alter or retard the flow of surface water drainage, nor to erect, place or maintain any structure which shall in any way obstruct drainage devices or facilities or impede their efficient operation unless approved by the District ARC and the owner and operator of the Master Drainage System or the District Drainage System, as the case may be, if such drainage is part of the Master Drainage System or the District Drainage System, respectively, or unless approved by the District ARC and the District Declarant (and at such time as the District Declarant owns no portion of the District Property or property which can be annexed to the District Property, or at such earlier time as District Declarant in its sole discretion may determine, the approval of the District Declarant will not be required, and the District Association and the District ARC shall approve the manner of drainage), if such drainage is not part of the Master Drainage System or the District Drainage System. The Subdivision and each lot within the subdivision shall have a specific drainage plan and site elevation established to collect and channel the storm water to the front of the lot and into the drainage collection system. No lot owner shall change the lot elevations or drainage swale elevations and shall at all times, and under all circumstances, maintain, protect, preserve, repair and restore the drainage swale elevations and surface treatments. On those lots which have a basement and which receive storm water drain runoff from an adjacent lot into the back yard, such lots shall have additional storm water swales established and improved to channel the surface water away from the rear of the lots to the side yards and to the public streets. Those areas of rear lot and side lot drainage swales shall have the soil compacted to at least 85% and have the surface improved by either the installation of grass, sod, hydro-seed, a membrane and rock, or other approved technic and method to preserve the design slopes and elevations.

Section 5.33. Stormwater Retention areas. All stormwater collection infrastructure facilities and elements contained, shown and included on the Plat of Subdivision which are dedicated to Public shall be exclusively owned, maintained, and managed by the City. Neither the Owners nor the District shall have any rights or obligations pertaining to any areas or facilities dedicated to the City.

Section 5.34. Walls and fences. No fences or walls are permitted anywhere in the district property unless approved in advance in writing by the District ARC. Any fence permitted in the District Property may not exceed the maximum height of six (6) feet, except for any fencing along alleyways which are restricted to a maximum height of four (4) feet, and must be constructed with a material approved by the District ARC. All fencing material in the District (including any additional areas contained in additional phases which are subsequently annexed herein) shall be of a uniform material, design, and construction, consisting of tan vinyl material, except as allowed by the District ARC. No chain link or barbed wire fencing shall be allowed. All fences and walls shall be constructed and maintained to allow clear angles of visions from adjoining streets, alleys,

and walking areas. The height, material, color, design, and configuration of all fencing, including side yard connecting fencing, shall be uniform within and throughout the entire District and shall be constructed of tan vinyl material. All fencing shall be constructed and maintained in accordance with the architectural standards for fencing established by the District ARC, and no fence can be erected or maintained without the prior written approval of the District ARC. Additional perimeter fencing shall be constructed and uniformly maintained to provide a continuous fence surrounding and enclosing all common parks. Fencing shall not be permitted extending beyond the front of the house, except decorative fencing not exceeding 24 inches above ground shall be allowed around flower beds, planters, and as decoration. Such decorative fencing shall not be solid, and shall only be permitted if constructed with slats with gaps between the slats.

Section 5.35. Motorized Vehicles. Motorized vehicles shall not be used on sidewalks, pathways, the alleyways, or Common Areas (unless the Common Areas have been specifically designated for use by motorized vehicles by the District Declarant). Golf Carts may use the foregoing if so determined by the District Declarant, the intent that being such use, if any, shall be limited to reasonable and necessary use for transportation to and from any neighboring golf course. In no event shall any person operate a motorized vehicle or golf cart anywhere within the District Property who does not have a valid driver's licence. At such time as the District Declarant no longer owns any property which is subject to this District Declaration or which can be annexed to the District Property, or at any such earlier time as District Declarant in its sole discretion may determine, the rights reserved to District Declarant in this section shall become rights of the District Association, to be exercised by the Board of Directors.

Section 5.36. Master Standards. The District Property shall comply with the Architectural Standards adapted by the Master Declarant, the terms and conditions of the Master Declaration, and the planning and Design Criteria.

Section 5.37. Development. Each Owner shall comply, at its expense, with the requirements of the Development Order as it relates to the Unit or Unplatted Parcel owned by it, and each owner shall otherwise cooperate with the Master Declarant, District Declarant, Master Association and District Association in their efforts to comply with the provisions of the Development order.

Section 5.38. Occupants Bound. All provisions of the District Declaration and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of owners, shall also apply to all occupants of any portion of the District Property.

Section 5.39. Subdivision of Portion of the District Property. As long as District Declarant owns any land which is subject to this Declaration or which under the terms of this District Declaration could be annexed to the District Property, no portion of the District Property shall be platted, replatted, subdivided or its boundary lines changed, nor shall any portion of a Unit or Unplatted Parcel, less than the whole thereof, be sold, conveyed or transferred except with the prior written approval of the District Declarant, which approval may be granted or withheld in the sole discretion of the District Declarant. Thereafter, no portion of the District Property shall be platted,

replatted, subdivided, or its boundary lines changed, nor shall any portion of a unit or unplatted parcel, less than the whole thereof, be sold, conveyed or transferred except with the prior written approval of the District Association. Any such subdivision, boundary line change, platting or replatting shall not be in violation of applicable subdivision and zoning regulations, the Development Order or the Development Approvals. District Declarant, however, hereby expressly reserves the right to plat, replat, subdivide or change the boundary lines of any portion of the District Property owned by the District Declarant and the right to sell, convey or transfer any portion of a Unit or Unplatted Parcel less than the whole thereof, without notice to or the approval or consent of any Person being required.

Section 5.40. Garage or Yard Sales. No garage or yard sales of any kind shall be conducted, nor shall any signage related to any garage or yard sales be erected, in any manner except as specifically provided by rules and regulations promulgated by the District Declarant or the District ARC, which rules and regulations shall address the location, frequency, scope, hours, placement of signs and all other matters relating to garage or yard sales and signage or advertising thereof. Generally, such sales shall be limited to no more than one event per each two month period.

Section 5.41. Enforcement. In the event of the violation of or the failure to comply with the requirements of this Article, and the failure of the owner of the affected portion of the District Property within ten (10) days following written notice by the District Association of such violation or non-compliance and the nature thereof, to cure or remedy such violation, then the District Association or its duly appointed employees, agents or contractors, shall have the right, but not the obligation, and an easement and license to enter upon the affected portion of the District Property, without being guilty of any trespass therefor, for the purpose of curing or eliminating such violation, all at the sole expense of the owner thereof. Such costs and expenses, together with an overhead expense to the District Association of fifteen percent (15%) of the total amount thereof shall be payable by the owner of the affected portion of the District Property to the District Association within ten (10) days after written notice to the owner of the amount thereof, which amount shall become or be treated in the same manner as a Special Assessment levied against said portion of the District Property. The District Association may place a lien upon such portion of the District Property to recover such costs and expenses, as provided in Article VII hereof, and the District Association may seek all other legal and equitable remedies available to it. The District Association shall also have the right to levy fines against an Owner for the violation of or the failure to comply with the requirements of this Article, or exercise any other remedy available at law, as more particularly set forth in the Bylaws. Any rights of the District Association hereunder may also be exercised by the Master Association as further provided in this District Declaration.

ARTICLE VI

Annexation of Additional Property

Section 6.1. Annexation. As the owner thereof, or if not the owner, with the consent of the owner thereof, District Declarant shall have the unilateral right, privilege, and option, from time to time at any time to annex into the District Property any additional property (i) which is either abutting the District Property (including additions thereto), which shall include properties which

would abut the District Property but for the existence of a road right-of-way, easement or other similar property grant separating it from the District Property, or (ii) which is so situated that its addition will be consistent with a uniform scheme of development as determined in the sole discretion of District Declarant. It is intended and planned that the additional properties of Pioneer Addition Subdivision Phase VII-B, Phase VII-C and Phase VII-D shall be annexed herein upon the recording of the subdivision plat for each of the proposed future phases. This right of annexation by District Declarant shall exist until District Declarant no longer owns any property within the District Property or within the additional property described above which may be the subject of annexation into the District Property. Such annexation shall be accomplished by filing in the public records of Utah County, State of Utah the Covenants, Conditions and Restrictions in form and content substantially similar to the these Covenants, Conditions and Restrictions for such future phases Pioneer Addition Subdivision Phase VII or by the filing of a separate Annexation Agreement annexing such property so as to become part of the District Property and Exhibit "A", thereby submitting same to the terms of the District Declaration, which Annexation Agreement shall include the written consent of the Master Declarant thereto. Any such annexation shall be effective upon the filing for record of such Covenants, Conditions and Restrictions or the Annexation Agreement unless otherwise provided therein. The District Declarant shall have the unilateral right to transfer to any other Person the right, privilege, and option to annex additional property into the District, provided that such transferee or assignee shall be the owner of at least a portion of the District Property or the additional property which may be the subject of annexation to the District Property, and that such transfer is memorialized in a written, recorded instrument executed by District Declarant. Nothing herein shall obligate District Declarant to annex additional real property into the District Property, nor to continue with annexation, if and when it may be commenced.

Section 6.2. Residential District. The District Property designated or set forth in the current phase and in and any future phases annexed into the District as provided herein (thereby becoming part of the District Property), shall be a part of the Pioneer Addition Subdivision Residential District, including any areas designated as District Property contained in the current Pioneer Addition Subdivisions Phase I, Phase II, Phase III, Phase IV, Phase V(a), Phase V(b), and Phase VI and the intended future phases of the proposed subdivision of Pioneer Addition Subdivision Phase VII-B, Phase VII-C and Phase VII-D may also include other property (i) submitted to the terms and conditions of the District Declaration by an Annexation Agreement, or (ii) submitted to the terms and conditions of other declarations of covenants, conditions, easements, reservations, reservations and restrictions and not the District Declaration by an annexation agreement, or (iii) submitted to the terms and conditions of other declarations and covenants, conditions, easements, reservations and restrictions and not the District Declaration, provided, however, the Master Declarant by written consent to such Declaration designates such property as part of Pioneer Addition Subdivision Residential District, and the governing association for such declaration shall be the District Association. The District Association shall be responsible for carrying out its rights and obligations as provided in any declarations pertaining to Pioneer Addition Subdivision Phase VII-A and may not decline to accept such rights and responsibilities as to any property contained within Pioneer Addition Subdivision Phase VII-A. The Units within Pioneer Addition Subdivision Phase VII-A shall be used for single family residential purposes unless otherwise specifically provided in this District Declaration, any supplemental Declaration or other

declaration of covenants, conditions, easements, reservations and restrictions pertaining to property within Pioneer Addition Subdivision Phase VII-A.

Section 6.3. Neighborhood Provisions. District Declarant hereby reserves the right to declare that all or any portion of the District Property (including any additional areas contained in existing and additional phases which are subsequently annexed herein or into which this phase is annexed into) shall constitute one or more neighborhoods. Each Neighborhood may, but shall not necessarily, be comprised of residential Units, Common Areas, facilities or properties which differ in size, character, scope, number, Common Expenses, appearance, intended use or maintenance requirements than other neighborhoods within the District Property, and may, therefore, be subjected to certain covenants and restrictions which may not apply uniformly or at all throughout the balance of the District Property. Accordingly, District Declarant hereby expressly reserves the unilateral right, privilege and option, from time to time at any time to modify, by amendment, supplement or Annexation Agreement to this District Declaration, the various covenants and restrictions set forth herein in a manner which may vary from one Neighborhood of the District Property to another, but which shall be applied and enforced consistently and uniformly in the Respective Neighborhoods to which each modification, if any, may apply. The covenants, conditions, easements, reservations and restrictions set forth in this District Declaration shall be presumed to apply uniformly throughout the District Property (including any additional areas contained in additional phases which are subsequently annexed herein) unless the relevant provision of the District Declaration specifically provides that it shall only apply to a Neighborhood of the District Property as identified therein. In the event that a provision of this District Declaration provides that it shall apply only to a specific Neighborhood of the District Property, then such specific provision, amendment or supplement shall control in the event of a conflict with any provision of the District Declaration that would otherwise apply uniformly throughout the District Property. Notwithstanding anything to the contrary set forth elsewhere in this District Declaration, the following provisions shall apply:

(a) Neighborhood Restrictions shall identify the Neighborhood to which the provisions are intended to apply. Neighborhood Restrictions may be set forth in this District Declaration, in the Annexation Agreement which submits additional property to the District Declaration, or in amendment or supplement to the District Declaration.

(b) Neighborhood Restrictions may modify, alter, delete, or expand the application of any one or more of the provisions of the District Declaration in any manner which is materially different, in whole or in part, from the application of similar provisions to other neighborhoods of the District Property, including, but not limited to, provisions relating to calculation of Assessments, descriptions of Common Areas and Areas of Common Responsibility, calculation and apportionment of Common Expenses, rights of Owners, leasing, use restrictions, landscaping, storage, parking, improvement, structures, party facilities and maintenance responsibilities.

(c) At the time of recording of the District Declaration, the District Declarant is not obligated to undertake or complete the annexation of any additional property or Neighborhood into the District Property, and nothing in this District Declaration shall be construed to obligate the District Declarant

to commence or undertake, or, if and when commenced, to continue, any annexation of additional property or Neighborhoods into the District Property.

(d) Common Expenses, Assessments (both regular and special) and all other costs and expenses of the District Association may be allocated and apportioned by the Board of Directors among the varying Neighborhoods in the District Property (including any additional areas contained in additional phases which are subsequently annexed herein) in a manner that shall reflect, in the reasonable judgement of the Board of Directors, the operational and maintenance responsibilities of the District Property and of the respective Neighborhoods thereof. The Board of Directors shall determine, in its reasonable discretion, which common expenses shall be applied in uniform fashion among all owners in the District Property, and which Common expenses may be specific or unique to the operation and maintenance responsibilities of a particular neighborhood therein, and which may be levied upon and paid by only the Owners in that particular Neighborhood without allocation among or contribution by other Owners in the District Property. Unless and until the Board of Directors shall make an affirmative determination that a different allocation of common area or special assessments shall apply, all common area and special assessments shall be uniform and consistent for all phases. Such allocations or apportionments of Common Expenses by the Board of Directors shall be reflected on the District Association budget for each fiscal year, but shall not require the preparation or adoption of separate budgets for any Neighborhood in the District Property. The District Association may commingle funds collected and received from Owners in various Neighborhoods of the District Property, but shall maintain appropriate records and books for the District Association which contain detailed accounts of the receipts and expenditures affecting each Neighborhood of the District Property and its respective administration, specifying the maintenance and repair expenses and any other expenses incurred.

(e) The District ARC shall have the authority, on behalf of the Board of Directors, to prepare and promulgate design and development guidelines and application and review procedures for all portions of the District Property in which such guidelines and procedures may differ from those promulgated generally for the District Property or for the Properties which are subject to the Master Declaration.

(f) Pursuant to the above and foregoing, the District Declarant creates a neighborhood within the District being the Church Parcel of Parcel "N" contained in Pioneer Addition Phase VII-B as a special designated area. Such Church Parcel and the owner thereof shall not: (1) be subject to the architectural requirements contained herein, (2) be liable for any assessments nor be required to pay or contribute to the Common Area expenses and assessments, (3) be deemed or considered a Member of the Association, (4) have any participation or voting rights in the Association, and (5) be entitled to any benefits of the Association.

Section 6.4. Amendment. This Article shall not be amended without the written consent of the District Declarant, and as the provisions pertaining to it, Master Declarant. The provisions of this Declaration establishing and regulating architectural guidelines for the District shall not be amended without the express written consent of the District Declarant and the Master Declarant.

ARTICLE VII

Assessments

Section 7.1. Creation of Assessments. There are hereby created Regular Assessments for Common Expenses as may from time to time specifically be authorized by the District Association to be commenced at the time and in the manner set forth herein. For purposes of this Declaration, the initial Regular Assessment shall be \$240.00 per year per lot. Special Assessments shall be levied as provided in Section 7.3 of this Article VII. Each Owner, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 7, by acceptance of a deed or recorded contract of sale to any portion of the Properties, is deemed to covenant and agree to pay these Assessments. Except as may be otherwise provided in Article VII, Section 7.3, Assessments shall be levied on all Units or Unplatted Parcels, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 7, according to the following formula:

(a) Assignment of Points)

(i) Three (3) points per acre or portion thereof shall be assigned to an Unplatted Parcel. (ii) For those portions of the District which are subject to a Plat or are otherwise designated by District Declarant as a Unit, each Unit shall be allocated one (1) point.

Section 7.2. Allocation of Assessments. The percentage of the total Assessment to be levied on a particular Unit or Unplatted Parcel shall be computed by dividing the total points assigned to that Unit or Unplatted Parcel subject to the assessment by the total points for all the Units and Unplatted Parcels in the District Property subject to the Assessment. The percentage of the total Assessment for each Unit or Unplatted Parcel shall be computed annually by the District Association. The Assessment for a Unit or Unplatted Parcel shall be arrived at by multiplying the total budget amount or total Assessment adopted by the Board of Directors (as it may be amended from time to time) by the applicable percentage of the total Assessment computed for such Unit or Unplatted Parcel. Upon Annexation of additional property into the District Property, Assessments shall be recomputed under the above formula.

Section 7.3. Special Assessments. Special Assessments shall be levied as provided in Section 7.3 of this Article VII. In addition to the Regular Assessments authorized in Section 7.1 of this Article VII, the District Association may levy a Special Assessment or Special Assessments from time to time. The obligation to pay Special Assessments shall generally be computed on the same basis as for Regular Assessments. Special Assessments shall be payable in such manner and at such times as determined by the Board of Directors, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board of Directors so determines. The District Association also may levy a Special Assessment against any owner individually and against such Owner's unit to reimburse the District Association for costs incurred in bringing an Owner and his Unit into Compliance with the provisions of this Declaration, which special assessment may be levied by the District Association after notice to an Owner and an

opportunity for a hearing. The District Association may also levy a Spacial Assessment against the Units in any District to reimburse the District Association for costs incurred in bringing the District into compliance with the Provisions of this Declaration, which Special Assessment may be levied upon the vote of the Board of Directors after notice to the senior officer of the District Association or District Committee and an opportunity for a hearing.

Section 7.4. Lien for Assessments. Upon recording of a notice or claim of lien on any Unit, , except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 7, there shall exist a perfected lien for unpaid assessments prior and superior to all other liens, except (a) all taxes, bonds, assessments, and other levies which by law would be superior thereto; and (b) the lien or charge of any first mortgage or deed of trust of record (meaning any recorded mortgage with first priority over other mortgages) made in good faith and for value. Such lien, when delinquent, may be enforced by suit, judgement, and foreclosure.

Section 7.5. Date of Commencement of Assessments. The Assessments provided for herein shall commence as to each unit (lot) on the first day of the first month following (i) the date of conveyance of the Unit by Declarant, or (ii) the effective date of the first budget, whichever is later. The first Regular Assessment shall be adjusted according to the number of days remaining in the fiscal year at the time Assessments commence as to the Unit.

Section 7.6. Collection and Enforcement. All Assessments, together with interest, penalties, late charges, processing and other fees, costs, expenses and reasonable attorneys' and paralegals' fees, shall be a charge on the land and shall be a continuing lien upon the Unit against which each Assessment is made. All Assessments, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Unit pursuant to foreclosure of a first Mortgage, shall be liable for unpaid Assessments which accrued prior to such acquisition of title. The failure of the District Association to send a bill to a Member shall not relieve any Member of his or her liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed or otherwise enforced until the Member has been given not less than fifteen (15) days written notice prior to the commencement of such foreclosure or enforcement, at the address of the Member on the records of the District Association, that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after the delinquency of such payment. The District Association shall be under no duty to refund any payments received by it even though the ownership of a Membership changes during an Assessment Period; successor Owners of Lots or Parcels shall be given credit for prepayments, on a prorated basis, made by prior Owners.

Section 7.7. Foreclosure of Lien. The District Association shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey at the same time. During the period in which a Unit is Owned by the District Association following foreclosure:

(a) no Assessment shall be assessed or levied on it; and (b) each other Unit shall be charged, in addition to its usual assessment, its equal pro rata share of the Assessment that would have been charged such unit had it not been acquired by the District Association as a result of foreclosure. Suit to recover a money judgement for unpaid Common Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

Section 7.8. Estoppel Letters. The District Association shall, upon written demand at any reasonable time, furnish to any Owner liable for any type of Assessment a certificate in writing setting forth whether such Assessment has been paid as to any particular Unit or Unplatted Parcel. Such certificate shall be conclusive evidence of payment to the District Association of such Assessment therein stated to have been paid. The District Association may require the advance payment of reasonable processing fee for the issuance of such certificate.

Section 7.9. Payment Dates; Installments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the entire Assessment in the event of delinquent payments, including, without limitation in the case of the Regular Assessment, acceleration of payment of Regular Assessment for the entire fiscal year, and acceleration of payment of the full amount of any Special Assessment. The Board of Directors may in its sole discretion grant an option for the regular Assessment to be paid in installments rather than annually in advance, subject to an additional processing fee and interest being due if such option is elected. Unless the Board of Directors otherwise provides, the Regular Assessment shall be paid in quarterly installments.

Section 7.10. Non-waiver of Assessment. No Owner may waive or otherwise exempt himself from liability for the Assessments provided herein by non-use of the Common Area or by abandonment of the Unit or Unplatted Parcel against which the Assessments are made. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of Assessment or set-off against an Assessment shall be claimed or allowed by reason of any alleged failure of the District Association to take some action or perform some function required to be taken or performed by the District Association under this Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the District Association, or from any action taken to comply with any law, ordinance, order or directive of any municipal or other governmental authority.

Section 7.11. Declarant's Options. So long as Declarant has an option unilaterally to subject additional property to this Declaration, Declarant may elect, in lieu of paying Assessments on its unsold Units, to pay the difference between the amount of Assessments levied on all Units subject to assessment (except Declarant's unsold Units) and the amount of actual expenditures required during the fiscal year. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these.

Section 7.12. In-Kind Contributions. The District Association is specifically authorized to enter into subsidy contracts or contracts for "in-kind" contribution of services or

materials or a combination of services and materials with Declarant or other entities for the payment or satisfaction of some portion of the Common Expenses.

Section 7.13. Annual Budget. It shall be the duty of the Board of Directors at least sixty (60) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses during the coming fiscal year. The budget may include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared. Such capital budget shall take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of each asset. The Board of Directors shall set the capital contribution, if any, in an amount sufficient to permit the District Association to meet the projected capitals needs, as shown on the capital budget, the period of the budget. The Board of Directors shall cause a copy of the Common Expense budget and a notice of the amount of the Regular Assessment to be levied against each Unit for the following fiscal year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year. Such budget and Regular Assessment shall become effective upon distribution to the Owners as provided above.

Notwithstanding the foregoing, however, in the event the Board of Directors fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

In the event that the Board of Directors shall determine during any fiscal year that the Regular Assessment established for such fiscal year is or will become inadequate or insufficient to meet all Common Expenses for such fiscal year, for whatever reason, the Board of Directors shall be entitled to immediately determine the approximate amount of the deficiency or inadequacy of the Regular Assessment for such fiscal year, issue a supplemental estimate of Common Expenses to all members of the Association and within thirty (30) days thereafter establish, make, levy, impose, enforce, and collect a supplemental or revised Regular Assessment for such fiscal year.

Section 7.14. Subordination of the Lien to First Mortgages. The lien of Assessments, including interest, costs and attorney's fees, shall be subordinate to the lien of any first Mortgage upon any Unit. The sale or transfer of any Unit shall not affect the Assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any Assessments thereafter becoming due. When a Mortgagee holding an institutional first Mortgage of record or other purchaser of a Unit obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the Common Expenses or Assessments by the District Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns.

Section 7.15. Exempt Property. Notwithstanding anything herein to the contrary, the following property shall be exempt from the payment of Assessments:

- (a) All Common Area under this Declaration and any District Declaration;
- (b) All property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets and public parks, if any;
- (c) All real property not within a Unit which is part of the Master Drainage System;
- (d) The Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B which shall not be subject to the provisions of this Article 7; and
- (e) Parcel "I" contained in Pioneer Addition Phase VII-A and Parcel "M" contained in Pioneer Addition VII-C, both of which are exempt from any assessments.

Section 7.16. Alternative Billing of Assessments. The District Association may, in lieu of collecting Assessments of an individual basis from each Owner, bill any District Association or District Committee for the combined Regular Assessments due with respect to all the Units within each such District. Each District Association or District Committee, as the case may be, shall pay the Regular Assessments due for all Units within the District promptly upon receipt of any such billing. If any District Association or District Committee fails to pay the total combined Regular Assessments within thirty (30) days after the receipt of a bill therefor, the District Association shall thereupon send notice of the Regular Assessment due to each Owner of a Unit within the District and such Regular Assessment shall then be payable by each such Unit Owner. In the alternative, the District Association may elect to sue any District Association or District Committee for the payment of all the Regular Assessments due for all Units within the District.

ARTICLE VIII

Provision of Services

Section 8.1. Provision of Services to Units. The Association may arrange for or provide services to Owners and their Units, directly or through contracts with the Declarant or Master Declarant or other third parties. The Association may enter into bulk service agreements by which a particular service is provided to all Units, or it may offer various services at the option of each Owner, or both. By way of example and not limitation, such services might include such things as nonpotable water for irrigation, cable television, other telecommunications services, community technology, high-speed internet information and/or data services, utilities, fire protection, security monitoring services, trash collection, landscape maintenance, pest control and caretaker services.

Any Association contract for services may require individual Owners or occupants to execute separate agreements directly with the Persons providing components or services in order to gain access to or obtain specified services. Such contracts and agreements may contain terms and conditions that, if violated by the Owner or occupant of a Unit, may result in the termination of services provided to such Unit. Any such termination shall not relieve the Owner of the continuing obligation to pay assessments for any portion of the charges for such services that are assessed against the Unit as a Common Expense or Service Area Expense pursuant to Article 7.

In its discretion, the Board may discontinue offering particular services and may modify or cancel existing contracts for services, subject always to the specific contract terms which may prohibit unilateral action by the Board, and subject to any provision that may exist elsewhere in the Governing Documents requiring the Association to provide such services.

Section 8.2. Provision of Services to Service Areas.

8.2.1 Service Areas Designated by Declarant. The Association shall provide or obtain services to Units within any Service Area designated by the Declarant pursuant to Article 8.1 as required by the terms of a Supplement applicable to the Service Area. Service Areas need not be contiguous nor continuous within a geographic area.

8.2.2 Service Area Designated by Board. In addition to Service Areas the Declarant may designate pursuant to Article 8.1, any group of Owners may petition the Board to designate their Units as a Service Area for the purpose of receiving from the Association (i) special benefits or services which are not provided to all Units, or (ii) a higher level of service than the Association otherwise provides. Any such petition shall be signed by Owners of a simple majority (51% or greater) of the Units within the proposed Service Area. Upon receipt of such petition, the Board shall investigate the terms upon which the requested benefits or services might be provided and notify the Owners in the proposed Service Area of such terms and the initial fees for providing the requested service, which may include a reasonable administrative charge. If Owners of at least 60 % of the Units within the proposed Service Area approve the proposal in writing, the Board shall designate the Units as a Service Area and include the fees for such service as a line item in the Service Area budget pursuant to Article 8.1.

Section 8.3. Community Technology.

8.3.1 Community Systems. The Declarant may provide, or may enter into and assign to the Association or cause the Association to enter into contracts with other Persons to provide, central telecommunications, receiving and distribution systems (e.g., cable television, high speed data/intranet services, telephone, and security monitoring) and related components, including associated infrastructure, equipment, hardware, and software, to serve the Community ("Community Systems"). Any such contracts may provide for installation, operation, management, maintenance, and upgrades or modifications to the "Community Systems" as the Declarant determines appropriate.

The Association may enter into a bulk service agreement providing access to any such "Community Systems" for all Units as a Common Expense. If particular services or benefits are provided to particular Owners or Units at their request, the benefitted Owner(s) shall pay the service provider directly for such services, or the Association may assess the charges as a Service Area Assessment or Specific Assessment pursuant to Article 7 and pay such charges to the provider on behalf of the Owners, as the Board deems appropriate.

8.3.3 Opportunities for Community Interaction. The Association may make use of computers, the Internet, and expanding technology to facilitate community interaction and encourage participation in Association activities. For example, the Association may sponsor a community cable television channel, create and maintain a community intranet or internet home page, maintain an "on line"

newsletter or bulletin board, and offer other technology-related services and opportunities for Owners and residents to interact and participate in Association sponsored activities. To the extent Utah law permits, and unless otherwise specifically prohibited in the Governing Documents, the Association may send notices by electronic means, hold Board or Association meetings and permit attendance and voting by electronic means, and send and collect assessments and other invoices by electronic means.

ARTICLE IX

General Provisions

Section 9.1. Term. The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and shall be enforceable by Declarant or the District Association, their respective successors and assigns, for a term of ninety-nine (99) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ninety-nine (99) years, unless an instrument in writing, signed by two-thirds (2/3rds) of the then Owners, has been recorded within the year preceding the beginning of each successive period of ninety-nine (99) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated as specified therein.

Section 9.2. Enforcement. Every Owner and every occupant of a Unit, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B, shall comply strictly with the covenants, conditions, and restrictions set forth in the Declaration, the applicable District Declaration and in the deed to the Unit, if any. Failure to comply with this Declaration shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the District Association, or by Declarant. Failure to comply with the applicable District Declaration shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the District Association, Declarant, or in a proper case, by the an aggrieved Owner.

Section 9.3. Easements for Utilities, Etc. There is hereby reserved unto Declarant, so long as Declarant owns any property subject to this Declaration, and its assigns or designees for each of the following (which may include, without limitation, Eagle Mountain City, Utah, and any governmental entity or any utility service provider), blanket easements upon, across, over, and under all of the Common Area and, to the extent shown on any plat, over other portions of the Properties for ingress, egress, installation, replacing, repairing and maintaining cable television systems, master television antenna systems, fiber optics lines, security, and similar systems, roads, walkways, bicycle pathways, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewers, meter boxes, telephones, gas, and electricity; provided, the exercise of this easement shall not unreasonably interfere with the use of any Unit and, except in an emergency, entry into any Unit shall be made only after reasonable notice to Owner or occupant thereof.

Without limiting the generality of the foregoing, there are hereby reserved for the local water supplier easements across all Units and the Common Area for ingress, egress, installation, reading,

replacing, repairing, and maintaining water meter boxes. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, waterlines, or other utilities may be installed or relocated on the Properties, except as may be approved by Declarant, so long as Declarant owns any property subject to this Declaration, and thereafter by the Board of Directors.

Should any entity furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, Declarant shall have the right to grant such easement over the Properties. The easements provided for in this article shall in no way adversely affect any other recorded easement on the Properties.

Section 9.4. Future Easements. There is hereby reserved to Declarant, together with the right to grant and transfer the same, the right, power and privilege to, at any time hereafter, grant to itself, the District Association, Eagle Mountain City or any other parties such other further and additional easements as may be reasonably necessary or desirable, in the sole opinion and in the sole discretion of the Declarant, for the future orderly development of the District in accordance with the objects and purposes set forth in this Declaration. It is expressly provided, however, that no such further or additional easement shall be granted or created over and upon any unit pursuant to the provision of this Section if any such easement shall unreasonably interfere with the presently contemplated or shall unreasonably interfere with the presently contemplated or future use and development of that particular Unit. The easements contemplated by this Section may include, without limitation, such easements as may be required for utility, drainage, road right-of-way and other purposes reasonably related to the orderly development of the Eagle Mountain Properties Master Communities in accordance with the objects and purposes specified in this Declaration. Such further or additional easements may be hereafter created, granted or reserved by Declarant without the necessary for the consent or joinder of the owner of the particular portion of the Properties over which such further or additional easement is granted or required.

Section 9.5. Dispute Resolution and Limitation on Litigation.

9.5.1 Agreement to Encourage Resolution of Disputes Without Litigation.

- .1 Parties Bound. The Declarant, the District Association and its officers, managers, directors, and committee members, the Community Council and its officers, directors, managers, and committee members, all Persons subject to this Declaration, and any Person not otherwise subject to this Declaration who agrees to submit to this Article (collectively the "Bound Parties"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Community without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim described in subsection 9.5.1.1 above, unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 9.5.2.1 in a good faith effort to resolve such Claim. Compliance with this Article is fundamental, material, jurisdictional and an express condition precedent to the initiation and continuation of any litigation or administrative action.
- .2 Claims. As used in this Article, the term "Claim" shall refer to any claim, grievance, or dispute arising out of or relating to:

- (i) the interpretation, application or enforcement of the Governing Documents;
- (ii) the rights, obligations, and duties of any Bound Party under the Governing Documents;
- (iii) the design or construction of improvements within the Community, other than matters of aesthetic judgment under Article 5 , which shall not be subject to review;

Notwithstanding the above, the following shall not be considered "Claims" unless all parties to the matter otherwise agree in writing to submit the matter to the procedures set forth in Section 9.5.2:

- (iv) any suit by the Association to collect assessments or other amounts due from any Owner;
- (v) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of this Declaration (relating to creation and maintenance of community standards);
- (vi) any suit that does not include the Declarant, an affiliate or a related party of the Declarant, or the Association as a party, if such suit asserts a Claim that would constitute a cause of action independent of the Governing Documents;
- (vii) any suit as to which any applicable statute of limitations would expire within 180 days of giving Notice required by Section 9.5.2.1, unless the party or parties against whom the Claim is made agree to toll, or extend, the Claim's statute of limitations to comply with this Article; and
- (viii) any suit by the Association to enforce the Governing Documents where the Association has given the violator notice and either a hearing or an opportunity to cure the violation, or both, and the violation or damages therefrom continue, prior to the Association filing suit.

9.5.2 Dispute Resolution Procedures.

.1 Notice. The Bound Party asserting a Claim (the "Claimant") against another Bound Party (the "Respondent") shall give written (the "Notice") by U.S. First Class postage prepaid mail or personal delivery to each Respondent and to the Board, stating plainly and concisely:

- (i) the nature of the Claim, including the Persons involved and the Respondent's role in the Claim, the dates of occurrence of all relevant events, a listing or reference to all relevant documents, contracts, writing, or papers, all other facts, information or allegations necessary to provide all parties sufficient information to effectively participate in the Alternative Dispute Resolution process;
- (ii) the full name(s) address and contact information for all Claimants, the name(s), address and contact information for any agent, representative or attorney appearing on behalf of the Claimant,
- (iii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises), including evidence that the Claimant has the legal standing to assert the Claim;

- (iv) the Claimant’s proposed resolution or relief; and
- (v) the Claimant’s desire to meet with the Respondent to discuss, in good faith, ways to resolve the Claim, and suggesting a meeting time, date and place.

.2 Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiations. The Parties shall exercise their good faith and due diligence to meet and negotiation within 30 days of the date of the Claim. The parties can mutually agree to extend the negotiation period. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a third party representative to assist the parties in negotiating a resolution of the Claim.

.3 Meditation. If the parties have not resolved the Claim through negotiations within 30 days of the date of the Notice (or such other agreed upon period), the Claimant shall have 30 additional days to submit the Claim to mediation with an entity designated by the District Association (if the District Association is not a party to the Claim) or to any independent agency providing dispute resolution services in Eagle Mountain, Utah area. Each Bound Party shall present the mediator with a written summary (containing at least the same information as required to be set forth in the Notice) of the Claim within 10 days after the date of termination of the negotiation period.

If the Claimant does not submit the Claim to mediation within such time, does not appear for the mediation when scheduled or does not participate in good faith in the mediation, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties who were not part of the mediation process) on account of such Claim.

If the parties do not settle the Claim within 30 days after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at

an impasse and the date that the mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate.

Each Bound Party shall bear its own costs of the mediation, including any attorney's fees, and each Party shall pay an equal share of the mediator's costs and fees.

.4 Settlement. Any settlement of the Claim achieved through negotiation or mediation shall be documented in writing, set forth the nature of the Claim and the agreed upon resolution or award, and signed by all parties, herein after referred to as the "Settlement Agreement". If any party thereafter fails to abide by the terms of such "Settlement Agreement", then the other party may file suit or initiate administrative proceedings to enforce such "Settlement Agreement" without the need to comply again with the procedures set forth above in this Section. Neither party can use, make reference to, or introduce into evidence, any statements, admissions, agreement, concessions, or stipulations made during the negotiations or mediation process in any subsequent action, unless: (1) the foregoing was reduced to writing and signed by all parties, (2) is contained within the written "Settlement Agreement", or (3) existed independently or outside the negotiation and mediation process. In such enforcement action, the prevailing party shall be entitled to recover all costs incurred in enforcing or defending such enforcement action, including, without limitation, attorney's fees and court costs.

Section 9.6. Indemnification. The District Association shall indemnify every officer, director and committee member against any and all expenses, including counsel fees, reasonably incurred by or imposed upon such officer, director, or committee member in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member. The officers, directors, and committee members shall not be liable for any mistake of judgement, negligent or otherwise, except for their individual willful misfeasance, malfeasance, misconduct, or bad faith. The offices directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the association (except to the extent that such officers or directors may also be members of the District Association), and the District Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director or committee member may be entitled. The District Association shall, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 9.7. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the District Association unless approved by a vote of seventy-five percent (75%) of the Voting Members. In the case of such a vote, and notwithstanding anything contained in this Declaration or the Articles of Incorporation or Bylaws of the District Association to contrary, a Voting Member shall not vote in favor of bringing or prosecuting any such proceeding unless authorized to do so by a vote of seventy-five percent (75%) of all members of the District Association represented by a voting member. This section and the restriction contained herein shall

not apply, however, to an action brought by the District Association: (1) to enforce the provisions of this Declaration (including, and without limitation, the collection, enforcement and foreclosure of assessments and liens), (2) for the imposition and collection of assessments as provided in Article VII hereof, (3) for proceedings involving challenges to ad valorem taxation or condemnation proceedings, (4) against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies, or (5) to defend claims filed against the District Association or to assert counterclaims in proceedings instituted against it. This Section shall not be amended unless such amendment is made by Declarant, or after the Class "B" Control period, is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 9.8. Cumulative effect: Conflict. The covenants, restrictions, and provisions of this declaration shall be cumulative with those of any District Association and the Association may, but shall not be required to, enforce the latter; provided, however, in the event of conflict between or among such covenants and restrictions, and provisions of any articles of incorporation, bylaws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of any District Association shall be subject and subordinate to those of the District Association. The foregoing priorities shall apply, but not be limited to, the liens for assessments created in favor of the District Association.

Section 9.9. Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 9.10. Interpretation. In all matters of enforcement or interpretation of this Declaration, all ambiguities shall be resolved in the favor of the Declarant.

Section 9.11. Jurisdiction: Venue: Choice of Law. The exclusive jurisdiction of all actions or proceedings under or concerning this Declaration shall be in the appropriate court having subject matter jurisdiction in the State of Utah. The venue of all actions shall lie in Utah County, State of Utah. The Laws of the State of Utah shall apply to this Declaration, notwithstanding any provision of any conflict or choice of law provision to the contrary.

Section 9.12. Condemnation.

If any part of the Common Area is taken by any authority having the power of condemnation or eminent domain, or conveyed by the Association in lieu of and under the threat of condemnation with such approval as may be required under Section 9.14, each Owner, except and excluding the Church Parcel being Parcel "N" contained in Pioneer Addition Subdivision Phase VII-B, shall be entitled to a written notice of such taking or conveyance prior to disbursement of any condemnation award or proceeds from such conveyance. Such award or proceeds shall be payable to the Association to be disbursed as follows:

FIRST: The Association shall be entitled to recover its fees and expenses, including any attorney's fees and expenses, incurred by the Association in defending such action.

Any or all of the general or special obligations of Declarant may be transferred to other Persons, including, without limitation, the District Association provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the public records of Utah County, State of Utah. Nothing in this declaration shall be construed to require Declarant or any successor to develop any of the property set forth in Exhibit "D" in any manner whatsoever.

Section 10.2. Development Activities. Notwithstanding any provisions contained in the Declaration to the contrary, it shall be expressly permissible for Declarant to maintain and carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonably required, convenient or incidental to the construction or sale of these Units, including, but not limited to, business offices, signs, model Units and sales offices, and Declarant shall have easement for access to and use of such facilities.

Section 10.3. Approval of Additional Covenants. So long as Declarant continues to have rights under this article, no Person shall record any Declaration of covenants, conditions and restrictions, or declaration of condominium or similar instruments, affecting any portion of the properties without Declarant's Review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration or condominium or similar instrument, being void and of no force and effect unless subsequently approved by recorded consent signed by Declarant.

Section 10.4. Amendment. This Article may not be amended without the express written consent of Declarant; provided, however, the rights contained in this Article shall terminate upon the earlier of (a) twenty-five (25) years from the date of this Declaration as recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

It may also designate separate residential, commercial, industrial, office, governmental, educational or other districts. Other covenants and restrictions consistent with the general plan of development may include requirements for insurance and repair of the Common Area and Units, rights and obligations for the District Association, including rules

and regulations and enforcement powers, reservation of additional easements over the properties, and certain special mortgagee provisions required by the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Veterans Administration, and the Department of Housing and Urban Development. Notwithstanding the foregoing, the Declarant shall not amend any rights of the City under this Declaration, expressly including the City's rights and authority to enforce the architectural guidelines, without the prior written consent of the City.

Section 11.2. Members Right to Amend. This Declaration may also be amended by the affirmative vote or written consent, or any combination thereof, of voting Members representing seventy-five (75%) of the total votes of the District Association, including seventy-five (75%) of the votes held by members other than the Declarant. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

Section 11.3. Consent to Amend. If an Owner consents to the Amendment of this declaration or the bylaws, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

Section 11.4. Mortgagee's Rights. No amendment shall remove, revoke or modify any right or privilege of the Declarant without the written consent of the Declarant or the assignee of such right or privilege. No amendment may impair the validity or priority of the lien of any Mortgage held by any Mortgagee or impair the rights granted to Mortgagees herein without the prior written consent of such Mortgagees.

ARTICLE XII

Special Easements and Use Restrictions

Section 12.1. Airport Easement: Each Owner, by acceptance of a deed to a Unit or Unplatted Parcel within the District Property, hereby expressly acknowledges, for himself and for his guests, invitees, agents, assignees and successors-in-interest, that the District is adjacent to an airport, and the Owner agrees that, just as the proximity of an airport to the Owner's residence may have the effect of creating a unique and valuable environment in which to reside, so may such proximity involve certain inherent aspects which may be less desirable, including, but not limited to, various activities commonly associated with the use and operations of airplanes and the normal and usual activities associated with the operation and maintenance of an airport and the operations of airplanes. "Airplanes" shall include without limitation aircraft of all types, including, but not limited to, fixed wing aircraft, rotor wing aircraft, lighter-than-air craft, powered and non-powered aircraft, jet and piston powered aircraft, single and multi-engine aircraft, and all associated and supporting equipment. The "operation and maintenance" of aircraft and the airport shall include, but not be limited to, the actual operation of aircraft, the use of the airspace immediately above the

District Property, the over-flight of the property by aircraft, landing and departures of aircraft, the operation of radios, operation of radar, storage and dispensing of fuels, repair and construction of aircraft, airport lights, engine repairs, and all other activity associated with aircraft and airports. Accordingly, Declarant hereby creates and grants, and each Owner consents, agrees and waives any and all objection to the creation and granting of, easements to permit the doing of every act reasonably necessary and proper to the operation and maintenance of airplanes and the Airport, which acts may include, but shall not be limited to, the over-flight of District Property of airplanes, the creation of noise, fumes, vibration, odors, visual effects, lights, fuel odors, from the airport and airplanes, the landing and taking-off of airplanes, maintenance of airplanes, the flight of airplanes over and upon any and all parts of the District Property, including Units, Unplatted Parcels, Common Areas, streets and rights-of-way, and the operation of airplanes and equipment on, over and about the Common Areas, streets and rights-of-way of the District Property. All lots and property are further subject to height and use restrictions imposed by the Federal Aviation Administration pertaining to the operation of aircraft and airports, including height restrictions and clear-view flight paths. All Owners assume all risks associated with the operation and maintenance of the airport or the operation and maintenance of airplanes, and all Owners agree and covenant not to make any claim or institute any action whatsoever against the owner and operator of the airport, the Master Declarant, District Declarant, Master Association, District Association, the directors, officers, employees and agents of the foregoing, or any other party other than the pilot who caused the property damage or personal injury arising or resulting from the negligent operation of any particular aircraft, or for negligent design of the Airport or siting of the Unit. Nothing herein shall in any way relieve pilots or aircraft owners from liability for damages resulting from the negligent operation of airplanes. Further, all Owners waive objection to and assume the risk of noise, personal injury or property damage caused by maintenance or operation of the Airport or airplanes, including, but not limited to, noise from maintenance equipment at any and all times, although such maintenance typically takes place around sunrise and sunset; noise caused by pilots and aircraft; the use of pesticides, herbicides and fertilizers; view restrictions caused by maturation of trees and shrubbery; and reduction in privacy caused by constant aircraft traffic on or from the Airport or the removal or pruning of trees and shrubbery on the Airport. Owners shall not interfere with the activities and operations of the Airport, nor shall Owners enter or trespass upon or over the property of the Airport unless such Owner is a member thereof or is otherwise permitted by the owner or management of the Airport. Each Owner expressly acknowledges that the District Declarant may or may not be the owner of the Airport, which is to be treated as separate private property, and that the District Declarant makes no representations or warranties as to membership or use by any Owner in the Airport, or as to the operation or activities of the Airport, or, finally, as to the location, landscaping or appearance of the various improvements of the Airport, including the design and layout (as they may affect views, flight patterns of aircraft, ingress and egress to the Airport or, without limitation, any other aspect of the District Property) of runways, taxiways, hangars, maintenance facilities, all or any part of which may be constructed, removed, eliminated, relocated or modified from time to time in the sole discretion of the owner of the Airport without the consent of any Owner of any Unit or Unplatted Parcel in the District Property. Ownership of a Unit or Unplatted Parcel or membership in the District Association does not give, nor shall it be construed to give, any right, vested or otherwise, or any easement, prescriptive or otherwise, to use the Airport or any improvements located thereon, and does not grant any ownership or membership or other interest therein. District

Declarant hereby reserves the right, which right shall be delegated to the District Association upon expiration of the Class "B" control period, to promulgate such additional rules and regulations, and to create and grant such other further and additional easements, all as may be reasonably necessary or desirable, within the sole discretion of the District Declarant, for the assurance and maintenance of an orderly relationship between the Airport and the District. This Article can not be amended, modified, or deleted without the prior written consents of the Master Declarant, the District Declarant, and the managing entity or owner of Jake Garn Airport, which such consents maybe withheld or denied in the absolute discretion of each such entity.

- (b) Hearing. If a hearing is requested in a timely manner, the hearing shall be held in executive session affording the Owner or alleged violator a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results, findings, and the sanction, if any, imposed. The Board of Directors may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within a period of

time specified by the Board of Directors. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

- (c) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, the Articles of Incorporation, these By-Laws, the Planning and Design Criteria, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages, or to seek any other appropriate remedy, or any combination of the foregoing, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including court costs, witness fees, attorneys' and paralegals' fees incurred by the Association, whether suit be brought or not, and including those incurred on appeal and in post judgment enforcement.

A vacancy in any office arising because of death, resignation, removal or otherwise may be filled by the Board of Directors for the unexpired portion of the term.
- 4.3 Removal. Any officer may be removed by the Board of Directors with or without cause, whenever in its judgment the best interests of the Association will be served by such removal. - 4.7. Compensation. The Board may authorize, fix and determine compensation, if any, for the services of the officers, agents, and employees of the Association. Appointment of any person as an officer of the Association shall not be construed to preclude any officer from serving the Association in some other capacity and receiving compensation therefore, or to receive reimbursement for expenses and out of pocket costs incurred in carrying out such duties.

ARTICLE 5: COMMITTEES

- 5.1. General. Committees are hereby authorized to perform such tasks and to serve for such periods as may be provided for in the Declaration, these By-Laws, the Articles of Incorporation or designated by a resolution adopted by a majority of the Directors of the Board of Directors present at a meeting at which a quorum is present. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director, committee member, or employee may otherwise be entitled.
