Nothing in this Declaration shall be construed in such a way as to permit the Association to use any assessments to abate any nuisance or annoyance emanating from outside the boundaries of the Property. Nothing contained herein shall limit, preclude or impair the establishment of additional Maintenance Funds by the Association, so long as the amounts deposited into such Funds are allocated for specified purposes authorized by this Declaration.

Section 3. Damage to Common Area by Owners. Any maintenance, repairs or replacements completed by the Association rising out of or caused by the willful or negligent act of the Owner, his family, guests, invitees or lessees shall be done at said Owner's expense, or a Special Assessment therefore shall be made against his Lot.

- (a) From and after January 1st of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual Common Assessment may be increased by the Board above the Annual Common Assessment for the previous year, effective January 1st of each year, no more than the greater of: (1) ten percent (10%); or (2) the percentage by which the area Consumer Price Index for all items, of the 13.5 Bureau of Labor has increased as of the date of the increase over the level of said index as of the date the Common Assessment was last established.

- (b) From and after January 1st of the year immediately following the conveyance of the first Lot to an Owner, the annual Common Assessment may be increased by the Members above the greater of ten percent (10%) or the percentage determined with respect to the Consumer Price Index referred to above, by the vote or written assent of fifty-one percent (51%) of the Members of the Association who are in attendance at a meeting at which there is a quorum present and which meeting was called for the purpose of dealing with such assessment.
- (c) The Board may fix an annual Common Assessment at any amount not in excess of the maximum.

Section 5. Capital Improvement and Reconstruction Assessments. In addition to any Common Assessments, the Board may levy, in any assessment year, a Capital Improvement Assessment or Reconstruction Assessment applicable to the year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement or other such addition upon the Property, including fixtures and personal property related thereto; provided that the total of any such assessment which is in excess of ten thousand dollars (\$10,000.00) shall require the vote or written assent of fifty-one (51%) of the Members of the Association who are in attendance at a meeting at which there is a quorum present and which meeting was called for the purpose of dealing with such assessments.

Section 6. Notice and Quorum For Any Action Authorized Under Section 4 and 5. Written notice of any meeting called for the purpose of taking any action by the Members authorized under Sections 4 and 5 above shall be sent to all Members not less than thirty (30) days, nor more than sixty (60) days, in advance of the meeting. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five percent (25%) of the voting power of the Association. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

Section 7. Equal Rate of Assessment. Common assessments, Capital Improvement Assessments and Reconstruction Assessments provided for in this Article VI must be fixed at an equal rate for all Lots. The Association may levy Differential Assessments to reasonably reflect the fact that said Lots are larger, provided that such Differential Assessments shall not be more than thirty percent (30%) more than the Common Assessments on all other lots. Provided, however, if the Association elects to insure individual Dwelling Units, the Association may take such equitable adjustments to the Common Assessments to reflect the size and value differentials between the various Dwelling Units. Provided further, however, that the Association may, subject to the provisions of Section 3 of this Article, levy Special Assessments against particular Owners who have caused the Association to incur special expenses due to willful or negligent acts of said Owners, their guests or agents. The Board shall collect all Common Assessments on a regular monthly basis.

Section 8. Date of Commencement of Common Assessments. All assessments provided for herein shall be paid in regular installments after the assessment is made. The annual Common Assessment shall commence as to particular Lots within each Phase of development, as provided for herein, on the day of the closing of the sale or conveyance of any particular Lot by the Declarant to any contract purchaser or Owner with a proper proration on any monthly assessment if the closing takes place on a day other than the first day of the month. Upon closing the home, the contract purchaser is required to pay three months (3) of assessments in order to build and maintain the capital reserve. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal year as set forth in the By-laws. The Board shall fix the amount of the annual Common Assessment against each lot at least thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status assessments against a Lot shall be binding upon the Association as of the date of its issuance.

The Board shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, including deposits in and withdrawals from the Reserve Fund and the Operating Fund, and shall cause to be distributed a copy of each such statement to each Member, and to each First Mortgagee who has filed a written request for copies of the same with the Board, in the manner provided in the By-laws of the Association. At least sixty (60) days prior to the beginning of each fiscal year, the Board shall prepare and distribute to the Members, a written itemized estimate (budget) of the expenses to be incurred by the Association during such year in performing its functions under this Declaration (including a reasonable provision for contingencies and deposits into the Reserve Fund, less any expected income and accounting for any surplus from the prior year's Maintenance Funds).

Each annual Common Assessment shall constitute an aggregate of separate assessments for each of the Maintenance Funds, reflecting an itemization of the amounts assessed and attributable to prospective deposits into the Reserve Fund, the Operating Fund and any other Maintenance Funds established by the Association. If the estimated sums prove to be inadequate for any reason, including nonpayment of any Owner's annual Common Assessment, the Board may, at any time, levy supplemental Common Assessments, subject to provisions of Section 4 of this Article, for any of the Maintenance Funds which shall be assessed equally against the Owner of each Lot.

Each Annual Common Assessment may be paid by the Owner to the Association in one check or payment, or in separate checks, as payments attributable to deposits into specified Maintenance funds. In the event that any installments of a Common Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the receipt of the Association from the Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Common Assessment has been satisfied, and second to the Reserve Fund.

At the end of any fiscal year of the Association, the Owners may determine that all excess funds remaining in the Operating Fund, over and above the amounts used for the operation of the Association, may be returned to the Members proportionately, or may be retained by the Association and used to reduce the following year's Common Assessments or may be deposited in the Association's Reserve Funds. Notwithstanding anything contained in the Articles or By-laws to the contrary, if prior to dissolution of the Association, the Association has obtained tax exempt status from both the Federal and State Governments, then upon such dissolution of the Association, any amounts remaining in the Reserve Fund shall be distributed to or for the benefit of the Members in a proportion equal to their individual, respective contributions.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from liens resulting from assessments herein:

- (a) All Properties dedicated to and accepted by a local public authority, and
- (b) The Common Area.

ARTICLE VII

Effect of Non-Payment of Assessments

Section 1. Effect of Non-Payment of Assessments; Remedies of the Association. Any installment of a Common Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment not paid within thirty (30) days after the due date shall bear interest from the due date of such installment at the rate of eighteen percent (18%) per annum. If any installment of an assessment is not paid within thirty (30) days after it is due, the Board may require the non-paying Owner to remit a late charge equal to five dollars (\$5.00) or five percent (5%) of the amount of the delinquent installment, whichever is greater. The Association may bring an action at law against the Owner personally obligated to pay the same or may foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. If any installment of a Common assessment is not paid within thirty (30) days after its due date, the Board shall mail an acceleration notice to the Owner and to each First Mortgagee of a Lot which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, (3) a date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default must be cured, and (4) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the Common Assessment for the then current fiscal year and the sale of the Lot. Assessments over sixty (60) days in arrears will, in addition to the other remedies, have the culinary water services terminated until the account is brought current. The notice shall further inform the Owner of his right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the Owner to acceleration and sale. If the delinquent installments of Common Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board, at its option, may declare all of the unpaid balance of the annual Common Assessment to be immediately due and payable without further demand

and may enforce the collection of the full Common Assessment and all charges thereon in any manner authorized by law and this Declaration.

Section 2. Notice of Assessment. No action shall be brought to enforce any assessment lien provided for herein, unless at least thirty (30) days has expired following the date a Notice of Assessment was deposited in the United States mail, certified or registered, postage prepaid to the Owner of the Lot, and a copy hereof has been recorded by the Association in the office of the County Recorder in which the Property is located. Said Notice of Assessment must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid assessment at eighteen percent (18%) per annum, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association. Said lien shall be prior to any declaration of homestead recorded after the date on which this Declaration is recorded. The lien shall continue until fully paid or otherwise satisfied.

Section 3. Foreclosure. Any such sale provided for above may be conducted by the Board, its attorneys or other persons authorized by the Board in accordance with the provisions of the Utah law applicable to the exercise of powers of foreclosure sale in Mortgages and powers of sale in Deeds of Trust, or in any other merger permitted by law. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 4. Curing of Default. Upon the timely curing of any default with respect to which a Notice of Assessment was filed by the Association and upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed an amount equal to the last monthly common assessment fee, to cover the costs of preparing and recording such release, the Association shall record an appropriate Release of Lien. A certificate executed and acknowledged by any two (2) Members of the Board starting with the indebtedness secured by the lien upon any Lot created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed fifteen percent (15%) of the last monthly Common Assessment fee.

Section 5. Cumulative Remedies. The assessment liens and the rights to foreclosure and sale there under shall be in addition to and not in substitution for all other rights and remedies which the Association and it assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6. Subordination of the Lien to First Mortgage. The lien of assessment provided for herein shall be subordinate to the lien of any first Mortgage (meaning any recorded Mortgage with first priority or seniority over other Mortgages) made in good faith and for value and recorded prior to the date on which the assessment came due. Sale or transfer of any Lot shall not affect the assessment lien. The sale or transfer of any Lot pursuant to the Mortgage foreclosure of first mortgage or deed. In lien thereof shall extinguish the lien of such assessments as to the installments, which became due prior to such sale or transfer. No sale or transfer shall relieve the Owner from personal liability for

such assessment, nor such Lot from liability for any installments or assessments thereafter becoming due or from the lien thereof.

ARTICLE VIII

Architectural Control

Section 1. Members of Committee. The Architectural Committee shall consist of three (3) members. The initial members of the Architectural Committee shall consist of representatives of the Declarant, at least until the project is sold out. Each of said persons shall hold office until the election of the first Board by the Membership of the Association. Thereafter, new members of the Architectural Committee shall be appointed by the Board and shall hold office until such time as they have resigned or have been removed or their successor has been appointed, as provided herein. Members of the Architectural Committee may be removed at any time with cause. The Board shall have the right to appoint and remove all member of the Architectural Committee.

Section 2. Review of Proposed Construction. Subject to Article X, Section 5, of this Declaration, no building, fence, wall, satellite dish, driveway, front yard landscaping or other improvement or fixture shall be commenced, painted, erected or maintained upon the Property, nor shall any exterior addition, change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to the Architectural Committee and approved in writing as to harmony of external design and color and location in relation to surrounding structures and topography. The Architectural Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby and in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on the Association. The Architectural Committee may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, or upon the agreement by the Owner submitting the same to grant appropriate easements to the Association for the purpose of maintenance, and may require submission of additional plans and specifications or other information and agreements prior to approving or disapproving material submitted. The Architectural Committee may also issue rules or guidelines setting forth procedures for the submissions of plans for approval, requiring a fee payable to the Association to accompany each application for approval, or additional factors which it will take into consideration in reviewing submissions. The Architectural Committee may provide that the amount of such fee shall be uniform, or that it shall be determined in any other reasonable manner, such as by the reasonable costs of the construction, alterations or additions contemplated, provided that in no event shall such fee exceed the amount of the last monthly Common Assessment fee. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Architectural Committee of any required plans and specifications, the Architectural Committee may postpone review of any plans submitted for approval.

Section 3. Meeting of the Architectural Committee. The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may from time to time, by resolution unanimously adopted in writing, designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of a variance pursuant to Section 8 of this Article VIII. In the absence of such designation, the vote of any two (2) Members of the Committee taken without a meeting shall constitute an act of the Committee.

Section 4. No Waiver of Future Approvals. The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Architectural Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

Section 5. Compensation For Members. The members of the Architectural Committee shall receive reasonable compensation for services rendered, including reimbursement for expenses incurred by them in the performance of their duties hereunder, as determined by the Board from time to time.

Section 6. Inspection of Improvement. Inspection of any improvement and the correction of defects therein shall proceed as follows:

- (a) Upon the completion of any Improvement for which approved plans are required under this Article VIII, the Owner shall give written notice of completion to the Architectural Committee.
- (b) Within sixty (60) days thereafter, the Architectural Committee or its duly authorized representative may inspect such improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such sixty day period, specifying the particulars of non-compliance, and shall require the Owner to remedy the same.
- (c) If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such non-compliance, the Architectural Committee shall notify the Board in writing of such failure. Upon notice and hearing, the Board shall determine whether there is a non-compliance and, if so, the nature thereof and the estimated costs of correcting or removing the same. If non-compliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the non-complying improvement or remedy the non-compliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If the Owner does not promptly repay such expenses to the Association, the Board shall levy a Special Assessment against such Owner for reimbursement.
- (d) If for any reason the Architectural Committee fails to notify the Owner of any non-compliance within sixty (60) days after receipt of said written notice of

completion from the Owner, the Improvement shall be deemed in accordance with said approved plans.

Section 7. Non-Liability of Architectural Committee. Neither the Architectural Committee nor any member thereof, nor its duly authorized committee representative shall be liable to the Association or to any Owner for any loss, damage or injury arising out of or in any way connected with the performance of the Architectural Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Committee. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, solely on the basis of aesthetic consideration and the overall benefit or detriment which would result to the immediate vicinity and the Property generally. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and material and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes, excepting that the Architectural Committee hereby waives the non-liability provision of this paragraph to the extent necessary to obtain insurance as proved for in Article XII hereof.

Section 8. Variations. The Board of Trustees of the Association, upon a favorable recommendation of the Architectural Committee, may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in a written document signed by at least two (2) officers or members of the Board of Trustees of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such variance shall not operate to waive any of the terms and provisions of this Declaration or any Supplemental Declaration for any purpose except as to the particular portion of the Property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting misuse of the premises, including, but not limited to zoning ordinances and Lot set-back lines or requirements imposed by any governmental or municipal authority. Notwithstanding anything herein to the contrary, all Lot owners shall have the right to construct a reasonable privacy screen or fence which is attached to the home on the Lot, subject to obtaining approval through the process set forth above, which approval shall not be unreasonably withheld. In considering the request for a variance with respect to a privacy screen or fence, the Board shall consider the configuration size and materials and make sure that the interest of the other Lot owners and the Association are protected.

ARTICLE IX

Maintenance and Repair Obligation

Section 1. Maintenance Obligations of Owners. Subject to the duty of the Association to provide for maintenance as provided in Section 2, of this Article IX, it shall be the duty of each Owner, at his sole cost and expense, subject to the provisions of this Declaration regarding Architectural Committee approval, to maintain, repair, replace and restore areas of the Property subject to his exclusive control, including any improvement thereon, in a neat, sanitary and attractive condition. Areas subject to the exclusive control of the Owner shall be deemed to include, but not be limited to, the structure of the Owner's Dwelling Unit and all exterior and interior portions of the Owner's Dwelling Unit. In the event that any Owner shall permit any improvement, which is the responsibility of such Owner to maintain, to fall into disrepair or fail to so maintain such improvement so as to create a dangerous, unsafe, unsightly or unattractive condition or to otherwise violate this Declaration, the Architectural Committee shall have the right, but not the duty, upon fifteen (15) days prior notice to the Owner of such Lot, to correct such condition and to enter upon such Owner's Lot to make such repairs or to perform such maintenance and the costs thereof shall be charged to the Owner. Said costs shall constitute a Special Assessment and shall create a lien enforceable in the same manner as other assessments as set forth in this Declaration. The Owner shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board, to the amounts payable by each Owner as Common Assessments.

Section 2. Maintenance Obligations of Association. In addition to the provisions of Section 1 of this Article IX, the Association shall maintain in good order and repair all of the Common Area and any improvement thereon, and all perimeter fences. In addition to the maintenance and repairs set forth above, the Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which is on the Common Area. The Association shall further maintain, reconstruct, replace and refinish any paved surface in the Common Area. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board shall determine in its judgment to be appropriate.

Section 3. Damage and Destruction Affecting Dwelling Unit, Duty to Rebuild. If all or any portion of any Lot or Dwelling Unit is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of said Lot or Dwelling Unit to rebuild, repair or reconstruct said Dwelling Unit in a manner which will restore it substantially to its appearance and condition immediately prior to the casualty.

Section 4. Variance in Exterior Appearance and Design. Any Owner who has suffered damage may apply for approval to the Architectural Committee for permission to reconstruct, rebuild or repair his Dwelling Unit in a manner which will provide for an exterior appearance and design different from that which existed prior to the date of the casualty. Application for such approval shall be made in writing together with full and complete plans and specifications, working drawings and elevations showing the proposed reconstructions and the end result thereof. The Architectural Committee shall grant such approval only if the design proposed by the Owner shall result in a finished Dwelling Unit in harmony with the exterior design of other Dwelling Units on the Property. Failure of the Architectural Committee to act within thirty (30) days after receipt of such a request in writing coupled with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof.

Section 5. Time Limitation. The Owner or Owners of any damaged Dwelling Unit, the Association and the Architectural Committee shall be obligated to proceed with all due diligence hereunder, and the responsible party shall commence reconstruction within six (6) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

ARTICLE X

Use Restriction

All real property within the Property shall be held, used and enjoyed pursuant to the following limitations and restrictions, subject to the exemption of the Declarant as provided in Section 5 of this Article X.

Section 1. Single Family Residences, Business or Commercial Activity. Each Lot shall be used as residence for a single family. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such non-residential purpose, other than a home office permitted under applicable zoning ordinances, without the vote of seventy-five percent (75%) of the votes eligible to be cast by Members of the Association or the approval of the Architectural Control Committee. No outbuildings shall be constructed on any Lot and nothing shall be placed upon or attached to the roof of any home constructed on a Lot. Notwithstanding any provisions herein to the contrary, nothing herein shall be construed as prohibiting the Declarant, its successors and assigns, from using any portion of the Property for a model home site, and display and sales office during the construction and sales period and for a period of three (3) years thereafter in accordance with Article II Section 2 of this Declaration.

Deleted: Provided, further, however, the Association shall never be permitted to allow more than twenty-five percent (25%) of the Lots to be used as a non-owner occupied residence.

Section 2. Recreational Vehicles. No snowmobile, recreational equipment, trailer, camper, boat or truck larger than one (1) ton or any other similar equipment shall be permitted to remain upon any Lot, or any portion of a Lot, for more than a 24-hour period (unless placed within a garage), with the Association's prior written approval. The Association may levy a fine for any violation of this paragraph of up to fifty dollars (\$50.00) for each day the violation continues.

Section 3. Use of Garage. Any garage constructed on a Lot is intended for the parking of motor vehicles. Although incidental storage in a garage otherwise used for the parking of motor vehicles is permitted, no garage may be used for storage to such an extent or in such manner that the storage prohibits or otherwise interferes with its primary use in the parking of motor vehicles. The Association may from time to time prescribe detailed rules regarding the use of garage space for storage. The Association may levy a fine for any violation of this paragraph or the rules issued by the Association of up to fifty dollars (\$50.00) for each day the violation continues.

Section 4. Fencing. Fencing of individual Lots shall be restricted to placement behind the front corners of the house only on the non driveway side. On the driveway side fencing is to be placed behind the driveway. Fencing material shall be vinyl, 20-year no maintenance.

No trailer, camper, boat, truck larger than one (1) ton, or similar equipment shall be permitted to remain upon any Lot without prior written approval by the Association; provided, however, that this sentence shall not apply to any Lot during the construction of a Residential Unit thereon, except as to any camper or boat.

Section 6. Rubbish. No rubbish shall be stored or allowed to accumulate anywhere on the Property, except in sanitary containers and at such locations as the Board shall determine from time to time.

Section 7. Electronic Antennas. No television, radio or other electronic antenna shall be erected, constructed, placed or permitted to remain on any of the Lots unless and until the same shall have been approved in writing by the Association; provided, however, that the approval shall not be withheld unreasonably.

Section 8. Nuisances. No noxious or offensive activity (including but not limited to the major repair of motor vehicles) shall be carried on, in or upon any Lot or the Common Area, nor shall anything be done thereon which may be or become an unreasonable annoyance or nuisance to any other Owner. No loud noises or noxious odors shall be permitted on the Property, and the Board shall have the right to determine in accordance with the By-laws if any noise, odor or activity producing such noises, odor or interference constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment or large power tools, satellite dishes, radio or television antennas, evaporative coolers, permanent flag poles, or items which may unreasonably interfere with television or radio reception of any Owner in the Property, shall be located, used or placed on any portion of the Property, or exposed to the view of other Owners without the prior written approval of the Architectural Committee.

Section 9. Signs. No rental signs, posters, displays, billboards or other advertising devices of any kind shall be displayed to the public view on any portion of the Property or any Lot. All other signs must receive prior written consent of the Architectural Committee, except signs used by Declarant, their successors or assigns, to advertise the Property during the construction and sale period. All signs or billboards and the regulations promulgated for the regulation thereof shall conform to the requirements of the Riverton City, State of Utah ordinances.

Section 10. Common Area Facilities. Nothing shall be altered or constructed on or removed from the Common Area except upon the written consent of the Association.

Section 11. Declarant's Exemption. The Declarant or its successors or assigns may undertake the work of constructing Dwelling Units and developing all of the Lots included within the Property and any annexation thereto. The completion of that work and sale, rental and other disposal of Dwelling Units are essential to the establishment and

welfare of the Property as a residential community. As used in this Section and its subparagraphs, the words "its successors or assigns" specifically do not include purchasers of Lots improve with completed Dwelling Units. In order that said work may be completed and the Property be established as a fully occupied residential community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

- (a) Prevent the Declarant, its successors or assigns, or its or their contractors or subcontractors, from doing on any Lot owned by the Declarant whatever it determines to be necessary or advisable in connection with the completion of said work, including without limitation the alteration of its construction plans and designs as the Declarant deems advisable in the course of development; or
- (b) Prevent the Declarant, its successor or assigns, or its or their representatives, from erecting, constructing, or maintaining on any Lot, or portion thereof, owned or controlled by the Declarant, or its successors or assigns or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing said work and establishing the Property as a residential community and disposing of the same in Lots by sale, lease or otherwise; or
- (c) Prevent the Declarant, its successors or assigns, or its contractors or subcontractors, from conducting on any Lot, or any portion thereof, owned or controlled by the Declarant, or its successors or assigns, its business of developing, subdividing, grading and constructing Dwelling Units and other improvements in the Property as a residential community and of disposing of Dwelling Units thereon by sale, lease or otherwise; or
- (d) Prevent the Declarant, its successors or assigns, or its contractors or subcontractors, from maintaining such sign or signs on any Lot owned by or controlled by it as may be necessary in connection with the sale, lease or other marketing of Lots and Dwelling Units; or
- (e) Prevent the Declarant, at any time prior to acquisition of title to a Lot by a purchaser from the Declarant, to establish on that Lot additional licenses, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Property. The Declarant shall repair at its own cost or expense any damage caused by the Declarant to the Common Area as well as such damages caused to Lots or property still under the Declarant's control.
- (f) Prevent the Declarant from having unrestricted access to the Property until all Dwelling Units have been constructed and sold. The Declarant shall have the right to control all access gates until all Dwelling Units have been constructed and sold.

Section 11. Pets and Other Animals. No bar, coop, shed, sty or building of any type shall be constructed, kept, maintained or permitted for the purposes of housing pigs, cows, sheep, goats, horses, poultry, or other livestock at any place within the limits of the Property. Each Lot Owner may keep and maintain two (2) common household pets, with a fifteen (15) pound limit on weight, unless otherwise provided by the affirmative vote of seventy-five percent (75%) of the Members.

Section 12. Parking. No parking of any vehicle shall be permitted on the Common Area, the streets, or in front of a driveway. All parking must be in driveways, (including guests).

Section 13. Insurance Rates. Nothing shall be done or kept on the Property which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept on the Property which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

Section 14. Front Window Treatment. No blinds, draperies, or other window coverings or treatments shall be permitted with respect to Dwelling Unit windows which face any road, whether public or private, except those which are conservative in style and neutral in color or otherwise approved by the Architectural Committee.

Section 15. Entry Gate Operation. Gates to the Village will be operated by a keypad system located at the entrance and exit points of the subdivision. ARTICLE XI

Damage or Destruction to Common Area

Damage to or destruction of all or any portion of the Common Area shall be handled in the following manner, notwithstanding any provision in this Declaration to the contrary:

- (a) In the event of damage or destruction to the Common Area, the Association shall cause such Common Area to be repaired and any improvement thereon to be reconstructed substantially as it previously existed.
- (b) If the insurance proceeds are insufficient to effect total restoration, then the Association shall cause such repair and reconstruction to be substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Reconstruction Assessment equally against each of the Lot Owners in accordance with the provisions of Article VI, Section 5 of this Declaration.
- (c) Each Owner shall be liable to the Association for any damage to the Common Area not fully covered by insurance which may be sustained by reason of the

negligence or willful misconduct of said Owner or of his family and guests, including minors and adults. Notwithstanding the foregoing, the Association reserves the right to charge a Special Assessment equal to the increase, if any, in the insurance premium directly attributable to the damaged caused by such Owner. In the case of joint ownership of a Lot, the liability of such Owners shall be joint and several, except to the extent that the Association has previously contracted in writing with such joint Owners to the contrary. The cost of correcting such damage shall also be a Special Assessment against the Lot owned by Owner.

ARTICLE XII

Section 1. Common Area. The Association shall keep any improvement and all other insurable property on the Common Area insured against loss or damage by fire for the full insurance replacement costs thereof and including extended coverage for not less than 100% of the replacement cost of insurable property, and shall obtain insurance against such other hazards and casualties as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to the Association, for the benefit of the Owners. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association shall be expenses payable by including the same in the Common Assessments made by the Association.

Section 2. Insurance Obligations of Owners. Unless the Association elects to insure each Dwelling Unit (in which case the individual owner shall be responsible for any co-insurance or deductible with respect to any losses), each Owner shall insure his entire Dwelling Unit, including the structural portions of the Dwelling Unit, against loss or damage by fire or by any other casualty, under the standard form of extended endorsement and broad form now in use in the State of Utah or under such other insurance as may be required by a Mortgagee of the Dwelling Unit. All such insurance shall be for the full replacement value of the Dwelling Unit with automatic inflation coverage. All such policies shall contain a provision that the same shall not be canceled or terminated except upon at least thirty (30) days written notice to the Association.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area, or any improvement thereon or any other portion of the Property insured by the Association, the Association shall repair or replace the same from the insurance proceeds available, subject to the provisions of Article XI of this Declaration. If such insurance proceeds are insufficient to cover the cost of such repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against all Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessment made against such Lot Owners, in accordance with the provisions of Article VI, Section 5, of this Declaration. In the event of total destruction of all of the improvements of the Property, the proceeds of the insurance carried by the Association shall be divided equally among the Lot Owners, provided that the balance then due on any

valid encumbrance of records shall be first paid in order of priority, before the distribution of any proceeds to an Owner whose Lot is so encumbered.

Section 4. Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Manager, the Declarant, and the agents and employees of each of the foregoing with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 5. Liability Insurance. The Association shall obtain comprehensive public liability insurance including medical payments, liquor liability insurance and malicious mischief, in the minimum amount of \$1,000,000 per occurrence for personal injury and/or property damage arising from the activities of the Association or with respect to the Common Area including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured. Such insurance shall contain a "sever ability of interest" clause or endorsement, which shall preclude the insurer from denying the claim or an Owner because of negligent acts of the Association or other Owners. Such insurance must include other coverage in kinds and amounts commonly required by private institutional Mortgage investors for projects similar in construction, location and use.

Section 6. Miscellaneous.

- (a) Minimum Financial Rating of Carrier. Each hazard insurance policy must be written by a hazard insurance carrier which has a financial rating by Best's Insurance Reports of Class VI or better. - (b) No Assessments. Policies are unacceptable where: (i) under the terms of the carrier's charter, by-laws, or policy, contributions or assessments may be made against the Association or any Owner or any first Mortgagee or its successors and assigns; or (ii) by the terms of the carrier's charter, by-laws or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Association or any owner or any first Mortgagee, or its successors and assigns, from collecting insurance proceeds.
- (c) Other Requirements. All policies of hazard insurance must contain or have attached the standard Mortgagee clause commonly accepted by private

institutional Mortgage investors in the area in which the Property is located. The Mortgagee clause must provide that the insurance carrier shall notify the First Mortgagee named in such policies at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

- (d) Other Insurance and General. The Association may also obtain, through the Board, Worker's Compensation Insurance and other liability insurance as it may deem desirable, insuring each Owner, the Association, the Board, Members of the Architectural Committee, and the Manager from liability in connection with the Common Area, the premiums for which shall be expenses payable by the Common Assessments made against the Owners. Such insurance policies shall have severability of interest clauses or endorsements, which shall preclude the insurer from denying the claim of an Owner because of the negligent act of the Association or other Owners. All policies shall be reviewed at least annually by the Board and the limits increased at its discretion.

ARTICLE XIII

Mortgage Protection Clause

Notwithstanding any and all provision hereof to the contrary, in order to induce the Federal Home Loan Mortgage Corporation (FHLMC), the Government National Mortgage Association (GNMA) and the Federal National Mortgage Association (FNMA) to participate in the financing of the sale of Lots and Dwelling Units within the Property, the following provisions are added hereto (and to the extent these added provisions conflict with any other provisions of the Declaration, these added provisions shall control):

Section 1. Written Notification of Default. Each First Mortgagee of a Mortgage encumbering any Lot, at his written request, is entitled to written notification from the Association of any default by the Mortgagor of such Lot in the performance of such Mortgagor's obligations under this Declaration, the Articles, or the By-laws, which default is not cured within sixty (60) days after the Association learns of such default.

Section 2. Right of First Refusal. Each First Mortgagee of a Mortgage encumbering any Lot which obtains title to such Lot pursuant to the remedies provided in such Mortgage, or by foreclosure of such Mortgage, or by deed (or assignment) in lieu of foreclosure, shall be exempt from any "right of first refusal". Any right of first refusal contained in the constituent documents of the Property, or hereinafter added shall not impair the rights of a First Mortgagee to (i) foreclose or take title to a Lot pursuant to the remedies provided in the Mortgage, or (ii) accept a deed or an assignment in lieu of foreclosures in the event of default of a Mortgagor, or (iii) interfere with the subsequent sale or lease of a Lot so acquired by the First Mortgagee.

Section 3. Non-Liability of Prior Unpaid Dues or Charges. Any First Mortgagee, or a purchaser who purchases a Lot from any First Mortgagee who obtains title to a Lot pursuant to a deed (or assignment) in lieu of foreclosure, or pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage, will not be liable for such Lot's

unpaid dues or charges which accrue prior to the acquisition of title to such Lo by the First Mortgagee.

Section 4. First Mortgagee Approval. Unless at least one hundred percent (100%) of the First Mortgagees (based upon one (1) vote for each Mortgage owned) of the Lots have given their prior approval, the Association shall not be entitled to:

- (a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly, by the Association for the benefit of the Lots (the granting of an easement of public utilities or for other public purposes consistent with the intended use of such Common Area by the Association shall not be deemed a transfer within the meaning of this clause);
- (b) Change the method of determining the obligation, assessments, dues or other charges which may be levied against an Owner;
- (c) By act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural control of the Lots or Dwelling Units, the maintenance of the Lots or Dwelling Units, or the maintenance of the Common Area;
- (d) Fail to maintain fire and extended coverage on any insurable improvement or property on the Common Area on a current replacement costs basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost); and
- (e) Use hazard insurance proceeds for losses to any improvement or property on the Common Area for other than the repair, replacement or reconstruction of such improvement or property.

Section 5. Taxes and Charges in Default. First Mortgagees may, jointly and severally, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy, for such portion of the Common Area, and First Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

Section 6. First Mortgagee Priority. No provision of the Declaration, Articles or By-laws shall give an Owner, or any other party, priority over any rights of any First Mortgagee pursuant to its Mortgage in the case of a distribution to such Owners of insurance proceeds or condemnation awards for losses to or a taking of any of the Common Area.

Section 7. Examination of Books and Records. First Mortgagees shall have the right to examine the books and records of the Association during normal business hours.

Section 8. First Mortgagees Written Notice of Amendments. Upon written request, all First Mortgagees shall be given thirty (30) days written notice prior to the effective date of any proposed material amendment to the Declaration, the Articles or By-laws, and prior to the effective date of any termination of an agreement for professional management of the Property following a decision of the Owners to assume self-management of the Property; and (ii) immediate notice following any damage to the Common Area whenever the cost of the reconstruction exceeds ten thousand dollars (\$10,000.00) and as soon as the Board learns of any threatened condemnation proceedings or proposed acquisition of any portion of the Property.

Section 9. Reserve Fund for Common Area. Association dues or charges shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the Common Area that must be replaced on a periodic basis and are payable in regular installments rather than by Special Assessments.

Section 10. First Mortgagee Written Notice of Default By: A First Mortgagee, upon request, is entitled to written notification from the Association of any default by an Owner with respect to any obligation under the constituent documents of the Property which is not cured within sixty (60) days.

Section 11. Agreement for Professional Management. Any agreement for professional management of the Association, or any other contract providing for services of the Declarant, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause, and without payment of a termination fee, on ninety (90) days written notice.

Section 12. Satisfaction of Guidelines. In addition to the foregoing, the Board may enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of the VA, the FA, the FMLMC, the FNMA or the GNMA or any similar entity, so as to allow for the purchase, insurance or guaranty, as the case may be, by such entities of the First Mortgages encumbering Lots and/or Dwelling Units. Each Owner hereby agrees that it will benefit the Association and the Members of the Association, as a class of potential Mortgage borrowers and potential sellers of their Dwelling Units if such agencies approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time.

Section 13. Amendment to Article. Neither this Article XIII nor Section 6 of Article XIII of this Declaration shall be amended without the approval of one hundred percent (100%) of the First Mortgagees.

ARTICLE XIV

General Provisions

Section 1. Enforcement. This declaration, the Articles, and the By-laws may be enforced by the Association as follows:

- (a) Breach of any of the covenants contained in this Declaration, the Articles or the By-laws and the continuation of any such breach may be enjoined, abated or remedied by appropriate legal proceedings by an owner, by the Association, or the successors in interest of the Association. Any judgment rendered in any action or proceeding pursuant hereto shall include a sum for attorney's fees in an amount as the court may deem reasonable in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court cost.
- (b) The result of every act or omission whereby any of the covenants contained in this Declaration, the Articles, or By-laws are violated in whole or in part is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance either public or private shall be applicable against every such result and may be exercised by any Owner, by the Association or its successors in interests.
- (c) The remedies herein provided for breach of the covenants contained in this Declaration, the Articles or in the By-laws shall be deemed cumulative, and none of such remedies shall be deemed exclusive.
- (d) The failure of the Association to enforce any of the covenants contained in this Declaration, the Articles or in the By-laws shall not constitute a waiver of the right to enforce the same thereafter.
- (e) A breach of the covenants, condition or restrictions contained in this Declaration, the Articles or in the By-laws shall not affect or impair the lien or charge of any bonafide first mortgage made in good faith and for value on any Lot or Dwelling Unit, provided, however, that any subsequent Owner of such Lot or Dwelling shall be bound by said covenants, whether such Owner's title was acquired by foreclosure in a trustee's sale, or otherwise.

Section 2. Severability. Invalidations of any of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of the residential community. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine and neuter shall each include the masculine, feminine and neuter.

Section 4. Amendments. This Declaration may be amended only by the affirmative vote or written consent of the Owners holding not less than fifty-one percent (51%) of the voting power of the Members, except with respect to matters dealt with herein which require a higher percentage for approval thereof; provided however, that the prior written approval of at least one hundred percent (100%) of all First Mortgagees

must be obtained as provided in Section 12 Article XIII above. Declarant may supplement this Declaration as set forth herein.

Section 5. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or part of the Property to the public, or for any public use.

Section 6. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other portion of the Property does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in the Property, or any portion thereof.

Section 7. Reservation of Easements. Reciprocal easements are hereby reserved for the benefit of adjoining Lot Owners and Riverton City for the control, maintenance and repair of the utilities and storm drains of adjoining Lot Owners. The Declarant expressly reserves for the benefit of all of the real property in the Property, and Owners, reciprocal easements of access, ingress and egress over all Lots, and over the Common Area, for the use and enjoyment of the Lots in accordance with this Declaration, including without limitation for installation and repair of utility services, for drainage over, across and upon adjacent Lots for water resulting from the normal use of adjoining Lots, and for maintenance and repair of any Dwelling Unit or landscaping located on any lots. Such easements may be used by the Declarant, its successors, purchasers and all Owners, their guests, tenants, lessees and invitees, residing on or temporarily visiting the Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Lot and the Common Area. No Owner of a Lot shall interfere with the established drainage pattern over his Lot. For purposes of this Declaration, "Established Drainage" on any Lot is defined as the drainage conveyed to a purchase from the Declarant. The Declarant further expressly reserves for the benefit of the Association, its agents and employees, easements of access, ingress and egress, over the Lots and the Common Area for the purpose of maintaining, repairing and installing sewer pipelines and laterals, cable television facilities, and telephone lines, in accordance with the provisions of this Declaration, and as otherwise provided by law. The Declarant, as well as Owners of Lots, and all others who shall come in contact with the Property, shall use reasonable restraints with regard to the Property when exercising any rights granted under this paragraph, and due regard shall be given to the aesthetic value, beautification, upkeep and maintenance of all of the Property, and the use and enjoyment by and Owner of his Lot.

Section 8. Notices. Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail, If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage pre-paid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the residence of such

person if no address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association.

Section 9. No Representations or Warranties. No representations or warranties of any kind, express or implied, have been given or made by the Declarant or its agents or employees in connection with the Property or any portion of the Property, or any improvement thereon, its physical condition, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof as a planned unit development, except as specifically and expressly set forth in this Declaration and except as may be hereafter filed by the Declarant from time to time.

Section 10. Reservation of Certain Side Yard Use Easements. Easements for the benefit of certain Lots, as the same may be set forth in the plat map or in deeds conveying title to the said Lots shall be reserved for the benefit of the adjoining Lot Owner for maintenance and repair of the adjoining Lot Owner's Dwelling Unit or landscaping. In addition, such easements may be used by the adjoining Lot Owner, its successors and purchasers and all their guests, tenants, lessees and invitees, residing in or temporarily visiting the adjoining Lot, for pedestrian access and such other purposes reasonably necessary for the use and enjoyment of the adjoining Lot.

Section 11. Arbitration Required. Any contracts which the Association enters into shall provide for arbitration. In the event of a dispute between the Association and Declarant which cannot be resolved by the parties, then upon ten (10) business days advance written notice from the Association to the Declarant or from Declarant to the Association, as the case may be, setting forth the issues in dispute, the dispute shall be submitted to binding arbitration by a member of the American Arbitration Association. All costs of the arbitration shall be equally shared by the parties, excluding attorney's fees, which shall be the sole responsibility of the party incurring such fees.
