RECORDED FOR KERN RIVER GAS TRANSMISSION

AMENDMENT TO RIGHTS-OF-WAY AND EASEMENTS

This Amendment to Right-of-Way and Easement (Amendment-2) is dated this 3^d day of March, 2011, by and between **Kern River Gas Transmission Company**, a Texas general partnership, with its principal place of business at 2755 East Cottonwood Parkway, Suite 300, Salt Lake City, Utah 84121 ("Kern River"), as Grantee; and **Central Bank** whose address is 95 North University Avenue, Provo, UT 84601, as Grantor.

RECITALS

A. **KERN RIVER GAS TRANSMISSION COMPANY**, a Texas general partnership, with its principal place of business at 2755 East Cottonwood Parkway, Suite 300, Salt Lake City, UT 84121 ("Kern River"), as Grantee, was granted rights of way and easements for natural gas pipelines and related facilities pursuant to the following documents (together, the "Original Easement"): (i) a Right of Way and Easement dated March 20, 1990, by Eugene L. Kimball and Ruth M. Kimball, Grantors, recorded April 3, 1990, at Book 2678, Page 340, to Kern River, Grantee, of the records of Utah County; and (ii) that certain Amendment to Right-of-Way and Easement Contract, dated by Eugene L. Kimball, Manager, Mayfair Company L.L.C., Grantor, recorded March 29, 2002, in Entry 35497:2002, to Kern River, as Grantee, of the records of Utah County, Utah.

B. Kern River constructed a natural gas pipeline and related facilities pursuant to the documents identified as (i) above (the "1991 Pipeline") and a second natural gas pipeline and related facilities pursuant to the documents identified as (ii) above (the "2002 Pipeline").

C. Kern River now intends to replace a portion of the 1991 Pipeline with the same size pipe (36 inches in diameter) at a location approximately 12 feet to the east of the 1991 Pipeline and expects to operate the 1991 Pipeline in its current location until the newly located pipeline is tested, placed in service and fully functional.

D. In addition, Kern River desires and intends to obtain an additional right of way and easement covering a strip of land 15 feet in width adjoining the Original Easement on the east (the "Additional Land"). As a consequence, the Original Easement, which is 75 feet in width, will be expanded to a width of 90 feet. The Original Easement and the Additional Land are shown on Exhibit "A" hereto and the Additional Land is more particularly described on Exhibit "B" hereto.

E. Grantor is now the owner of portions of the land subject to the Original Easement and portions of the Additional Land.

AGREEMENT

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, in hand paid by Kern River, the receipt and sufficiency of which are hereby acknowledged:

1. Amendment of Original Easement. Grantor and Grantee acknowledge and agree that the Original Easement is hereby amended to allow removal and replacement of a portion of the 1991 Pipeline as described in Recital D, and include the Additional Land.

2. Easement and Right of Way as to Additional Land. Grantor hereby grants and conveys to Grantee a right of way and easement to locate, survey a route, construct, entrench, maintain, protect, inspect and operate a pipeline and/or communications cable with appurtenances including but not limited to valves, metering equipment, electrical cable, cathodic equipment, underground conduits, cables, splicing boxes, markers and roads (said pipeline, communications cable, appurtenances, valves, valve station and building, metering equipment, electrical cable, cathodic equipment, underground conduits, cables splicing boxes, markers and roads being hereinafter sometimes collectively called the "facilities") over, under and through the Additional Land which is more specifically described on Exhibit "A" and Exhibit "B" attached hereto and made a part hereof.

This right-of-way and easement shall carry with it the right of ingress and egress to and from, and access on and along said right-of-way, with the right to use existing and future roads, for the purpose of constructing, inspecting, repairing, protecting and maintaining the facilities and the removal or replacement of same at will, either in whole or in part, and the replacement of said pipeline with either like or different size pipe. During temporary periods Grantee may use such portions of the property along and adjacent to said right-of-way as may be reasonably necessary in connection with construction, maintenance, repair, removal or replacement of the facilities.

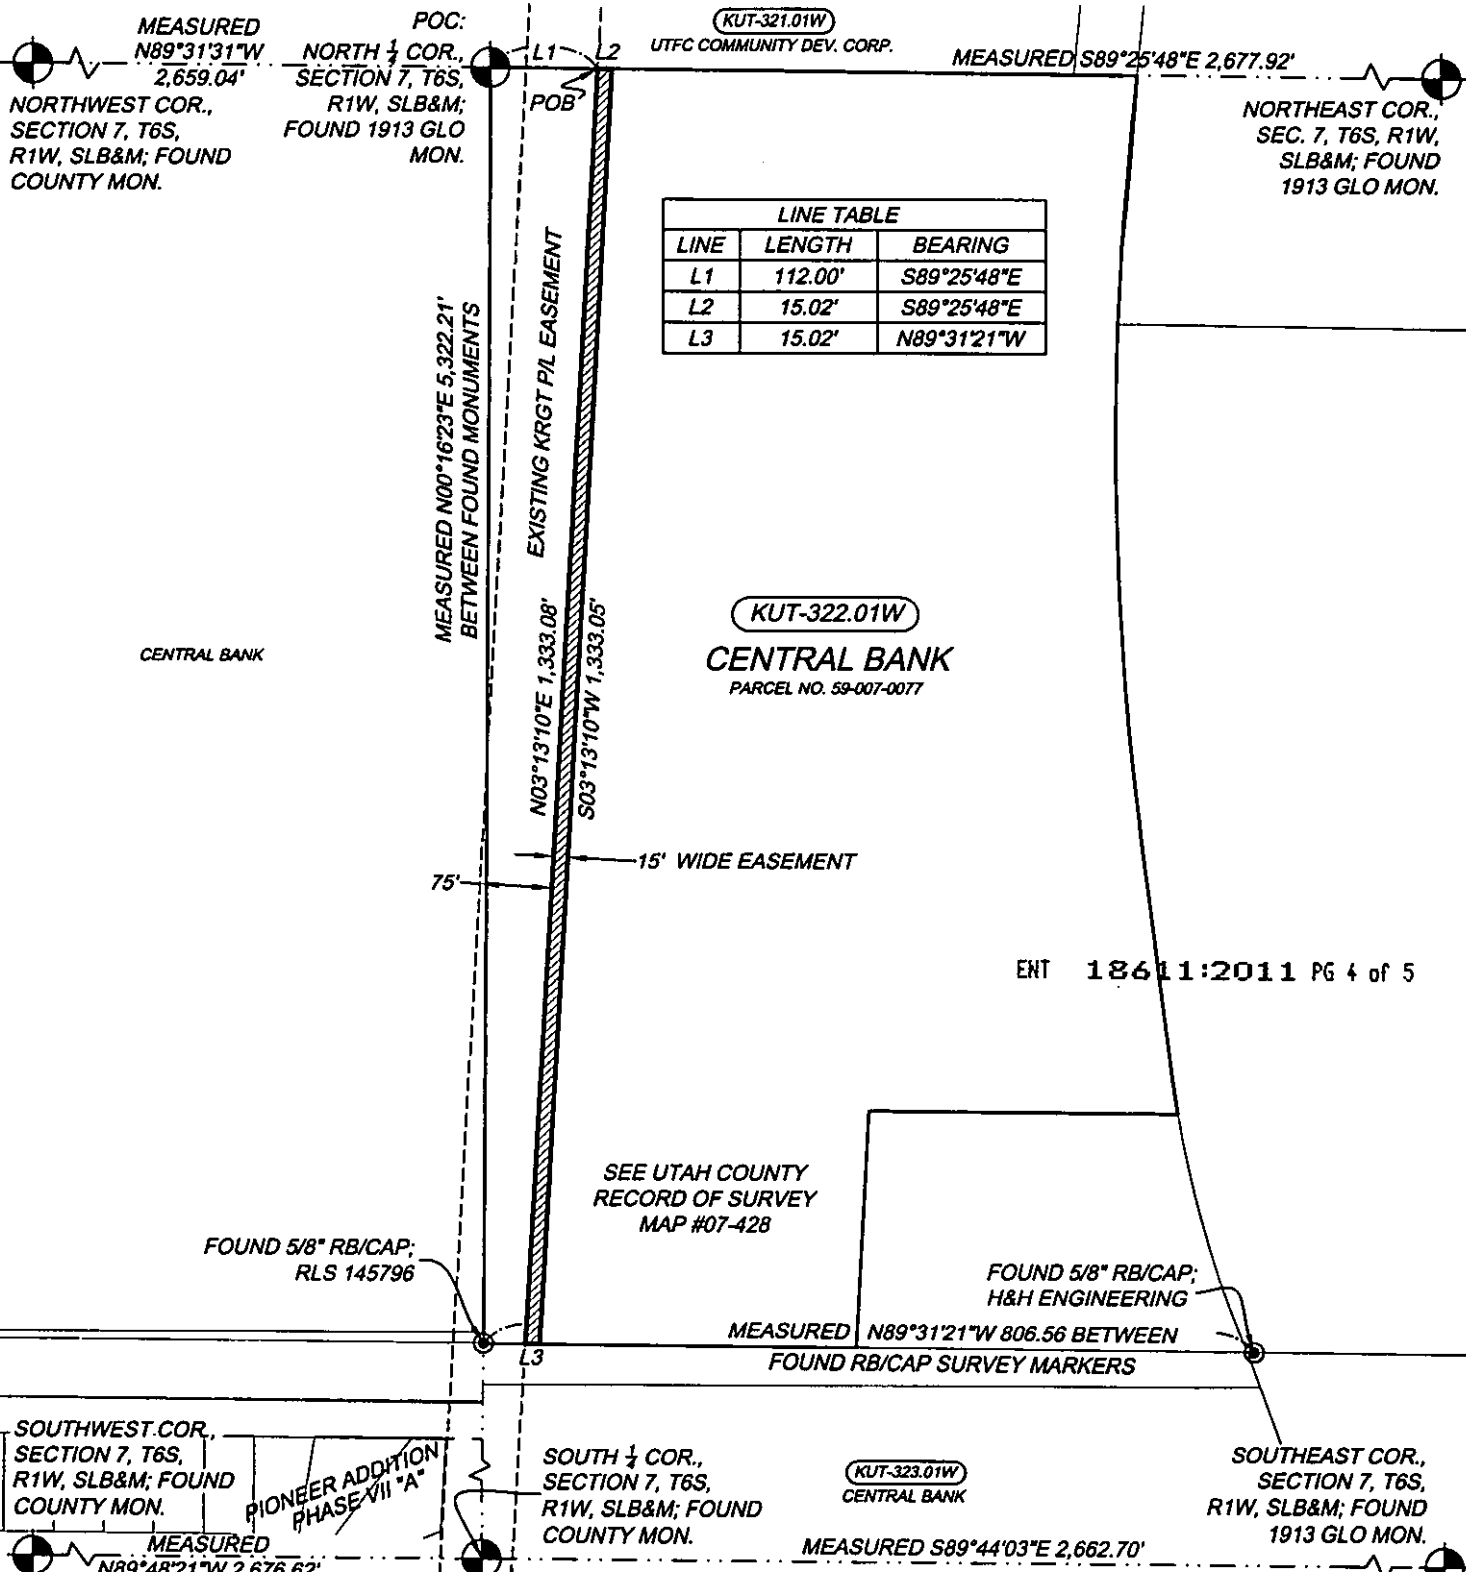

TO HAVE AND TO HOLD the above described rights and easements, together with all rights necessary to operate, protect and maintain the facilities over the right-of-way hereby granted, and Grantee may assign the rights and easement herein excepted and reserved, either in whole or in part, subject to the terms of this reservation, and such rights and easements shall be covenants running with the land and be binding upon Grantor, their heirs, legal representatives and successors in title.

Grantee may at any time permanently abandon said right-of-way and at its discretion may remove or abandon in place facilities constructed thereon and upon such abandonment action Grantee may at its discretion execute and record a reconveyance and release hereof, whereupon this right-of-way and easement and all rights and privileges herein excepted and reserved shall be fully cancelled and terminated.

Grantee further agrees that within a reasonable time following the completion of construction, Grantee shall restore said right-of-way. Restoration shall include, where necessary, final grading, reseeding and installation of erosion control measures. Grantee shall have the right to cut and keep clear without payment of damages all trees, brush and other obstructions that may in Grantee's opinion endanger, hinder or conflict with the construction, operation, inspection, protection, maintenance and use of the facilities.

EXHIBIT "B" – DESCRIPTION #1

EAGLE MT. CLASS 3 PROJECT
 KERN RIVER TRACT NO. KUT-322.01W
CENTRAL BANK
 UTAH COUNTY, UTAH

DESCRIPTION OF A 15' WIDE PIPELINE EASEMENT
 AND RIGHT-OF-WAY UPON THE PROPERTY OF
CENTRAL BANK

Description of a 15 (fifteen) foot wide pipeline easement and right-of-way situated in the northeast one-quarter of Section 7, Township 6 South, Range 1 West, Salt Lake Base and Meridian, Utah County, Utah, said 15 (fifteen) foot wide pipeline easement and right-of-way abutting the easterly side of and running parallel along an existing 75 (seventy-five) foot wide Kern River Gas Transmission Company pipeline easement and right-of-way resulting in a combined total pipeline easement and right-of-way width of 90 (ninety) feet;

Being more particularly described as follows with all bearings shown being based on the Utah Coordinate System of 1983, Central Zone, as derived from a Global Positioning System survey performed by UniversalPegasus International in December, 2010, and all distances shown being ground distances in U.S. Survey Feet (combined scale factor: 0.999702):

COMMENCING at the 1913 Government Land Office (GLO) monument for the north one-quarter corner of Section 7, Township 6 South, Range 1 West, Salt Lake Base and Meridian, from said monument the GLO monument for the northeast corner of said Section 7 bears South 89°25'48" East 2,677.92 feet, in conformance with the Utah Coordinate System of 1983, Central Zone;

THENCE South 89°25'48" East 112.00 feet along the section line to a point on the easterly line of said existing 75 foot wide pipeline easement, said point being the **TRUE POINT OF BEGINNING**;

AND RUNNING THENCE the following bearings and distances:

THENCE along the section line South 89°25'48" East 15.02 feet; THENCE along a line parallel along and offset 15 feet easterly from the easterly line of said 75 foot wide pipeline easement South 03°13'10" West 1,333.05 feet to the southerly line of the Central Bank property referenced as Parcel 4 in that certain Trustee's Deed recorded on 20 November, 2009, as Entry Number 120637:2009, in the office of the Utah County Recorder--said southerly line monumentalized by found rebar and cap survey markers shown on the certain record of survey map prepared by H & H Engineering and Surveying, Inc., and filed in 2007 in the office of the Utah County Surveyor as filing number 07-428; THENCE along said southerly line North 89°31'21" West 15.02 feet to a point on the easterly line of said 75 foot wide pipeline easement; THENCE along the easterly line of said 75 foot wide pipeline easement North 03°13'10" East 1,333.08 to the **TRUE POINT OF BEGINNING**.

CONTAINING 0.46 acre.
