The term "Borrower" in this Deed of Trust means, individually and collectively if more than one, DKC Holdings, L.L.C..

This Deed of Trust secures the Indebtedness.

The term "Indebtedness" in this Deed of Trust is used in its most comprehensive sense, means and includes any and all liabilities, obligations and debts of every kind and character, plus interest, costs and fees, including Collection Amounts, arising thereon, of Borrower, or any one of them, to Beneficiary or to a third party and subsequently

acquired by Beneficiary, now existing or hereinafter incurred or created, whether any such liability is voluntarily or involuntarily incurred, due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined; whether Borrower may be liable individually or jointly with others, or primarily or secondarily, or as endorser, guarantor or surety; whether recovery on the Indebtedness may be or may become barred or unenforceable against Borrower for any reason whatsoever; whether the Indebtedness arises from transactions which may be voidable on account of infancy, insanity, ultra vires, or otherwise; whether incurred or accrued (including interest) during the pendency of any bankruptcy, insolvency, receivership or other similar proceedings, regardless of whether allowed or allowable in such proceeding; and all renewals, extensions, modifications, consolidations, restatements or consolidations of any Indebtedness.

As examples, and not as limitation, the Indebtedness of Borrower includes: (a) any overdraft in any deposit account of Borrower, accruing for any reason; (b) any obligations, including any overdraft in any deposit account of Borrower, related to Automated Clearing House ("ACH") services or products, deposit account services or products, or treasury management services or products, including any agreement with respect thereto; (c) any transaction (including any agreement with respect thereto) between Borrower and Beneficiary or JPMorgan Chase & Co., or any of its subsidiaries or affiliates or their successors, which is a rate swap, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, forward transaction, currency swap transaction, cross-currency rate swap transaction, currency option, derivative transaction or any other similar transaction (including any option with respect to any of these transactions) or any combination thereof, whether linked to one or more interest rates, foreign currencies, commodity prices, equity prices or other financial measures (each a "Rate Management Transaction"); (d) any obligation related to any loan or credit transaction (including any agreement with respect thereto), whether evidenced by a promissory note, credit agreement, letter of credit application, or any other agreement, including without limitation, the obligation described herein; (e) any obligation related to commercial credit card transactions (including an agreement with respect thereto); (f) any obligation related to any lease (including an agreement with respect thereto); (g) any obligation related to any guaranty of the obligations of others by Borrower; (h) any obligation under a Related Document; (i) Collection Amounts; and (j) all other obligations of Borrower to Beneficiary. The Indebtedness does not include Indebtedness of Borrower incurred primarily for personal, family or household purposes.

The Trustor specifically contemplate that Indebtedness includes liabilities hereafter incurred by the Borrower to the Beneficiary. The term "Indebtedness" includes, without limitation, the following:

- (1) That certain promissory note, dated March 24, 2014 in the original principal amount of Four Hundred Seventy Five Thousand and 00/100 Dollars (\$475,000.00), executed and delivered by Borrower to the Beneficiary, together with all renewals, extensions, modifications, refinancings, consolidations and substitutions thereof; and
- (2) The performance of all of the promises and agreements contained in the Deed of Trust.

This Deed of Trust shall not apply to any obligation or debt incurred for personal, household or family purposes unless the note or guaranty evidencing such personal, household or family debt expressly states that it is secured by this Deed of Trust.

The term "Collection Amounts" in this Deed of Trust means any fees, charges, costs and expenses, including reasonable attorneys' fees (including fees and expenses of counsel for Beneficiary that are employees of Beneficiary or its affiliates, to the extent not prohibited by law) and court costs, that Beneficiary may pay in collecting from Borrower, any other obligor on the Indebtedness, and for liquidating any Collateral, including without limitation, the Premises, both before and after judgment, and such Collection Amounts include without limitation any costs or expenses incurred by Beneficiary in any bankruptcy, reorganization, insolvency or other similar proceeding.

The term "Related Documents" in this Deed of Trust means all loan agreements, credit agreements, reimbursement agreements, security agreements, mortgages, deeds of trust, pledge agreements, assignments, guaranties, or any other instrument or document executed in connection with any of the Indebtedness.

The Trustor promises and agrees with the Beneficiary that each of the following is true and will remain true until termination of this Deed of Trust and full and final payment of all Indebtedness:

**1. Payment of Indebtedness; Performance of Obligations.** The Trustor shall promptly pay when due, whether by acceleration or otherwise, the Indebtedness for which the Trustor is liable, and shall promptly perform all obligations to which the Trustor has agreed under the terms of this Deed of Trust and any of the other Related Documents.

**2. Taxes and Liens.** The Trustor shall pay, when due, before any interest, collection fees or penalties shall accrue, all taxes, assessments, fines, impositions, and other charges which may become a lien prior to this Deed of Trust. Should the Trustor fail to make those payments, the Beneficiary may at its option and at the expense of the Trustor, pay the amounts due for the account of the Trustor. Upon the request of the Beneficiary, the Trustor shall immediately furnish to the Beneficiary all notices of amounts due and receipts evidencing payment. The Trustor shall promptly notify the Beneficiary of any lien on all or any part of the Premises and shall promptly discharge any unpermitted lien or encumbrance.

**3. Change in Taxes.** In the event of the passage of any law or regulation, state, federal or municipal, subsequent to the date of this Deed of Trust, which changes or modifies the laws now in force governing the taxation of mortgages, deeds of trust or debts secured by mortgages or deeds of trust, or the manner of collecting those taxes, the Indebtedness shall become due and payable immediately at the option of the Beneficiary.

**4. Insurance.** The Trustor shall keep the Premises and the present and future buildings and other improvements (the "Improvements") on the Premises continuously insured for the benefit of the Beneficiary, at replacement cost for the full insurable value, without any reduction based upon the Trustor's acts, against fire and such other hazards and risks customarily covered by the standard form of extended coverage endorsement available in the state where the Premises are located, including risks of vandalism and malicious mischief. The Trustor shall further at all times provide flood insurance covering all Improvements and tangible personal property, if any, located on the Premises, if the Premises are at any time determined by the Beneficiary to be situated in an area designated as a Special Flood Hazard Area under the Flood Disaster Protection Act of 1973, as amended by the National Flood Insurance Reform Act of 1994 and regulations issued under it (the "Flood Insurance Act"). Such flood insurance policy shall be in the amount required by the Beneficiary (which may exceed the amount required under the Flood Insurance Act) and include a non-contributing mortgagee clause naming the Beneficiary as mortgagee. The Trustor shall additionally provide such other appropriate insurance as the Beneficiary may require from time to time. If required by Beneficiary, Trustor agrees to obtain and maintain earthquake insurance on the Premises for the term of the loan for the full unpaid balance of all loans securing the Premises. All insurance policies and renewals must be in form and substance acceptable to the Beneficiary, must provide for payment to the Beneficiary in the event of loss, regardless of any act or omission by the Trustor, must require thirty (30) days notice to the Beneficiary in the event of nonrenewal or cancellation and must be delivered to the Beneficiary within thirty (30) days prior to their respective effective dates. Should the Trustor fail to insure or fail to pay the premiums on any insurance or fail to deliver the policies or certificates or renewals to the Beneficiary, then the Beneficiary, at its option, may have the insurance written or renewed, and may pay the premiums, for the account of the Trustor. In the event of loss or damage, the proceeds of the insurance shall be paid to the Beneficiary alone. No loss or damage shall itself reduce the Indebtedness. The Beneficiary is authorized to adjust and compromise a loss without the consent of the Trustor, to collect, receive and receipt for any proceeds in the name of the Beneficiary and the Trustor and to endorse the Trustor's name upon any check in payment of proceeds. The proceeds shall be applied first toward reimbursement of all costs and expenses of the Beneficiary in collecting the proceeds and then toward payment of the Indebtedness or any portion of it, whether or not then due or payable, or the Beneficiary, at its option, may apply the proceeds, or any part of the proceeds, to the repair or rebuilding of the Premises provided that the Trustor (a) is not then or at any time during the course of restoration of the Premises in default under this Deed of Trust and (b) has complied with all requirements for application of the proceeds to restoration of the Premises as the Beneficiary, in its sole discretion may establish. The Trustor shall also provide and maintain comprehensive general liability insurance in such coverage amounts as the Beneficiary may request, with the Beneficiary being named as an additional insured on such policies. Evidence of the renewal of such liability insurance shall be delivered to the Beneficiary at the same time as evidence of the renewal of the property insurance required above must be delivered to the Beneficiary. If the Trustor fails to provide such liability insurance, and/or the renewals thereof, or fails to pay the premiums on such liability insurance when such premiums are due, then the Beneficiary may have such liability insurance written or renewed, and may pay the premiums, for the account of the Trustor.

**5. Reserves for Taxes and Insurance.** The Trustor shall, if requested by the Beneficiary, pay to the Beneficiary, at the time of and in addition to the scheduled installments of principal and/or interest due under the Indebtedness, a sum equal to (a) the amount estimated by the Beneficiary to be sufficient to enable the Beneficiary to pay, at least thirty (30) days before they become due and payable, all taxes, assessments and other similar charges levied against the Premises, plus (b) the amount of the annual premiums on any policies of insurance required to be carried by the Trustor, divided by (c) the number of installments due each year ((a) and (b) are collectively referred to as the "Charges"). Upon notice at any time, the Trustor will, within ten (10) days, deposit such additional sum as may be required for the payment of increased Charges. These sums may be commingled with the general funds of the Beneficiary and no interest shall be payable on them, nor shall these sums be deemed to be held in trust for the benefit of the Trustor. Notwithstanding payment of any sums by the Trustor to the Beneficiary under the terms of this Section, the Beneficiary shall have no obligation to pay any Charges. The obligation of the Trustor to pay the Charges is not affected or modified by the arrangements set out in this Section. Payment by the Beneficiary on any one or more occasions of all or any part of the Charges shall not be construed as obligating it to pay any Charges on any other occasion. If the Beneficiary elects to pay any Charge, it shall not be required to do so at any time prior to the date on which penalties, interest or collection fees begin to accrue. If the Beneficiary elects to pay any premium on any policy of insurance required to be carried by the Trustor, it may do so at any time prior to the cancellation of the policy.

In the event of the sale of the Premises by power of sale, or of the foreclosure of this Deed of Trust as a mortgage, any of the moneys then remaining on deposit with the Beneficiary or its agent shall be applied against the Indebtedness prior to the commencement of such sale or such foreclosure proceedings. Any default by the Trustor in the performance of the provisions of this Section shall constitute a default under this Deed of Trust.

**6. Waste, Abandonment.** The Trustor shall not abandon the Premises, commit or permit waste on the Premises, or do any other act causing the Premises to become less valuable. The Trustor will keep the Premises in good order and repair and in compliance in all material respects with any law, regulation, ordinance or contract affecting the Premises and, from time to time, will make all needful and proper replacements so that all fixtures, improvements and Equipment will at all times be in good condition, fit and proper for their respective purposes. Without limitation of the foregoing, nonpayment of the Charges shall constitute waste. Should the Trustor fail to effect any necessary repairs, the Beneficiary may, at its option and at the expense of the Trustor, make the repairs for the account of the Trustor. The Trustor shall use and maintain the Premises in conformance with all applicable laws, ordinances and regulations. The Beneficiary and/or the Trustee, or their authorized agents, shall have the right to enter upon and inspect the Premises at all reasonable times. The Trustor unconditionally agrees to timely pay all fees with respect to inspections of the Premises.

**7. Alterations, Removal.** No building, structure, improvements, fixture, personal property or Equipment constituting any part of the Premises shall be removed, demolished or substantially altered without the prior written consent of the Beneficiary.

**8. Payment of Other Obligations.** The Trustor shall also pay all other obligations which may become liens or charges against the Premises for any present or future repairs or improvements made on the Premises, or for any other goods, services, or utilities furnished to the Premises and shall not permit any lien or charge of any kind securing the repayment of borrowed funds (including the deferred purchase price for any property) to accrue and remain outstanding against the Premises.

**9. Assignment of Leases and Rents.** As additional security for the Indebtedness, the Trustor, by executing and delivering this Deed of Trust, absolutely, unconditionally, irrevocably and immediately assigns, grants, conveys and sets over unto the Beneficiary all of the Trustor's right, title and interest in and to all Leases and Rents. Copies of existing Leases and Lease amendments have been delivered to the Beneficiary. The Trustor will provide copies of any future Leases and Lease amendments to the Beneficiary.

Subject to the license granted to the Trustor below, the Beneficiary shall have the complete right and authority, at any time from and after the occurrence of any default in the payment or performance of any of the Indebtedness or the occurrence of any default under this Deed of Trust, to collect and receive the Rents. For this purpose, the Beneficiary is hereby given and granted the following rights, powers and authority: (a) the Beneficiary may send notices to any and all tenants of the Premises advising them of this assignment and directing all the Rents to be paid

directly to the Beneficiary or the Beneficiary's agent; (b) the Beneficiary may (i) enter upon and take possession of the Premises, (ii) demand, collect and receive from the tenants (or from any other persons liable therefor) all of the Rents, (iii) institute and carry on all legal proceedings necessary for the protection of the Premises, including such proceedings as may be necessary to recover possession of the Premises and collect the Rents, (iv) remove any tenant or other persons from the Premises, (v) enter upon the Premises to maintain the Premises and keep the same in repair, and pay the costs thereof and of all services of all employees, including their equipment, and of all continuing costs and expenses of maintaining the Premises in proper repair and condition and (vi) pay all taxes, assessments and water utilities and the premiums on fire and other insurance effected by the Beneficiary on the Premises; (c) Beneficiary may do any and all things necessary or advisable to execute and comply with all applicable laws, rules, orders, ordinances and requirements of all governmental agencies; (d) the Beneficiary may (i) rent or lease the whole or any part of the Premises for such term or terms and on such conditions as the Beneficiary may deem appropriate, (ii) modify, terminate or accept the surrender of any Leases and/or (iii) waive, release, discharge or compromise any Rents or any obligations of any of the tenants under any Leases; (e) the Beneficiary may make any payment, including necessary costs, expenses and reasonable attorneys' fees and court costs, or perform any action, required of the Trustor under any Lease, without releasing the Trustor from the obligation to do so and without notice to or demand on the Trustor; (f) the Beneficiary may engage such agent or agents as the Beneficiary may deem appropriate, either in the Beneficiary's name or in the Trustor's name, to rent and manage the Premises, including the collection and application of the Rents; and (g) the Beneficiary may do all such other things and acts with respect to the Premises, the Leases and the Rents as Beneficiary may deem appropriate and may act exclusively and solely in the place and stead of the Trustor. The Beneficiary has all of the powers of the Trustor for the purposes stated above. The Beneficiary shall not be required to do any of the foregoing acts or things and the fact that the Beneficiary shall have performed one or more of the foregoing acts or things shall not require the Beneficiary to do any other specific act or thing. The foregoing rights and remedies of the Beneficiary are in addition to and not in limitation of the rights and remedies of Trustee and/or the Beneficiary at law, in equity, under this Deed of Trust or under any of the other Related Documents. The exercise by the Beneficiary of any of the foregoing rights and remedies shall not constitute a cure or waiver of any default in the payment or performance of any of the Indebtedness or of any default under this Deed of Trust.

Any Rents received by the Beneficiary shall be applied against the Indebtedness in such order or manner as the Beneficiary shall elect in its sole discretion.

The Trustor hereby irrevocably authorizes and directs the tenants under the Leases to pay the Rents to the Beneficiary upon written demand by the Beneficiary, without further consent of the Trustor. The tenants may rely upon any written statement delivered by the Beneficiary to the tenants. Any such payment to the Beneficiary shall constitute payment to the Trustor under the Leases. The provisions of this paragraph are intended solely for the benefit of the tenants and shall never inure to the benefit of the Trustor or any person claiming through or under the Trustor, other than a tenant who has not received such notice. This assignment is not contingent upon any notice or demand by the Beneficiary to the tenants.

This assignment shall not, prior to entry upon and taking possession of the Premises by the Beneficiary, be deemed to constitute the Beneficiary a "mortgagee in possession", nor obligate the Beneficiary to: (a) appear in or defend any proceedings relating to any of the Leases, the Rents or to the Premises; (b) take any action hereunder; (c) expend any money, incur any expense or perform any obligation or liability under the Leases; or (d) assume any obligation for any deposits delivered to the Trustor by any tenant and not delivered to the Beneficiary.

The Trustor consents to the appointment of a receiver for the Premises, without notice, if this is believed necessary or desirable by the Beneficiary.

The Rents constitute cash collateral as defined under federal bankruptcy law.

This assignment shall continue to be operative during the exercise of any power of sale, during any foreclosure or other proceeding taken to enforce this Deed of Trust and during any redemption period.

Until the occurrence of any default in the payment or performance of any of the Indebtedness or the occurrence of a default under this Deed of Trust or under any loan papers related to the Indebtedness the Trustor shall have a license, subject to the other covenants of the Trustor set forth in this assignment, to (a) remain in possession and control of

the Premises, (b) operate and manage the Premises and (c) collect the Rents; provided that the granting of such license shall not constitute the Beneficiary's consent to the use of cash collateral in any bankruptcy proceedings. The foregoing license shall automatically and immediately terminate, without notice to the Trustor, upon the occurrence of any default in the payment or performance of any of the Indebtedness or upon the occurrence of any default under this Deed of Trust or under any loan papers related to the Indebtedness. Thereafter, the Trustor shall promptly pay or otherwise deliver to the Beneficiary all Rents that the Trustor may receive, and the Trustor shall hold such Rents in trust for the benefit of the Beneficiary until so paid or delivered to the Beneficiary.

The Trustor covenants, represents and warrants to the Beneficiary that the following statements are true and will remain true until the Deed of Trust is terminated and the Indebtedness is paid in full:

(i) The Trustor will fulfill and perform its obligations under all the Leases and give the Beneficiary prompt notice of any default in the performance of the terms and conditions of the Leases by either the Trustor or the tenant, together with copies of notices sent or received by the Trustor in connection with any Lease;

(ii) Without the prior written consent of the Beneficiary, the Trustor shall not in any way (a) enter into any new Lease, (b) amend, modify, assign its interest under, cancel or terminate any Lease, (c) accept a surrender of any Lease, (d) accept any payment of Rent under any Lease more than thirty (30) days in advance or (e) waive, release, discharge or compromise any Rent or any of the tenant's obligations under any Lease, except that the Trustor may increase Lease rentals without the Beneficiary's consent;

(iii) The Trustor will appear and defend or prosecute any action growing out of any Lease at the Trustor's cost and expense;

(iv) The Beneficiary may, but shall not be required to, make any payment including necessary costs, expenses and reasonable attorneys' fees and court costs, or perform any action required of the Trustor under any Lease, without releasing the Trustor from the obligation to do so and without notice to or demand on the Trustor. The Trustor will, immediately upon demand, reimburse the Beneficiary for all such costs, expenses and fees, together with interest at the highest rate permitted by any instrument evidencing any of the Indebtedness, all of which shall be added to the Indebtedness;

(v) The Trustor has not previously assigned any of its rights under any Lease. The Trustor has not accepted Rent more than thirty (30) days in advance of accrual. There is no present default under any Lease by either the Trustor or any tenant. All existing Leases are in full force and effect and unmodified. To the best of the Trustor's knowledge, no person or entity is in possession of the Premises, except pursuant to a valid and fully executed Lease that has been assigned to the Beneficiary pursuant to this assignment. The Trustor owns the Leases, is entitled to receive the Rents and has authority to assign the Leases and the Rents to the Beneficiary as set forth in this assignment. The Trustor will enforce the tenant's obligations under their respective Leases;

(vi) The Beneficiary shall not be obligated by this assignment to perform or discharge any obligation under any Lease; and

(vii) The Trustor covenants not to execute any other assignment of the Leases or the Rents as security for any debt without the prior written consent of the Beneficiary.

**10. Assignment of Interest as Tenant or Purchaser.** If the Trustor's interest in the Premises is that of a tenant or a purchaser, the Trustor also grants, transfers, conveys and assigns to the Beneficiary and/or the Trustee, as additional security for the Indebtedness, all of the Trustor's right, title and interest in and to any Leases, land contracts or other agreements by which the Trustor is leasing or purchasing all or any part of the Premises, including all modifications, renewals and extensions, and all of the Trustor's right, title and interest in and to any purchase options contained in any such Leases or other agreements. The Trustor agrees to pay each installment of rent, principal and interest required to be paid by it under any such Lease, land contract or other agreement when each installment becomes due and payable, whether by acceleration or otherwise. The Trustor further agrees to pay and perform all of its other obligations under any such Lease, land contract or other agreement.

If the Trustor defaults in the payment of any installment of rent, principal or interest, or in the payment or performance of any other obligation, under any such Lease, land contract or other agreement, the Beneficiary shall have the right, but not the obligation, to pay the installment or installments and to pay or perform the other obligations on behalf of and at the expense of the Trustor. If the Beneficiary receives a written notice of the Trustor's default under any such Lease, land contract or other agreement, the Beneficiary may rely on that notice as cause to take any action it deems necessary or reasonable to cure the default, even if the Trustor questions or denies the existence or nature of the default.

**11. Security Agreement.** This Deed of Trust also constitutes a security agreement within the meaning of the Uniform Commercial Code as is in effect from time to time in the state in which the Premises is located (the "UCC"). In addition, to the extent that any Equipment or other personal property, tangible or intangible, that is included within the definition of the Premises; and all proceeds, products and supporting obligations of any of the foregoing (the "Collateral") is not real property but is covered by the UCC, the Trustor grants to the Beneficiary a security interest in any such Collateral. Accordingly, the Beneficiary and/or the Trustee shall each have all of the rights and remedies available to a secured party under the UCC. Upon the occurrence of any default under this Deed of Trust, the Beneficiary and the Trustee shall have, in addition to the remedies provided by this Deed of Trust, the right to use any method of disposition of collateral authorized by the UCC with respect to any portion of the Premises subject to the UCC. The Beneficiary and/or the Trustee shall have the right to require the Trustor to assemble the Collateral and make it available to the Beneficiary and/or the Trustee at a place designated by the Beneficiary and/or the Trustee which is reasonably convenient to both parties, the right to take possession of the Collateral with or without demand and with or without process of law, and the right to sell and dispose of the Collateral and distribute the proceeds according to law. Should a default occur, the Trustor will pay to the Beneficiary and/or the Trustee all costs reasonably incurred by the Beneficiary and/or the Trustee for the purpose of enforcing its rights hereunder, to the extent not prohibited by law, including, without limitation: costs of foreclosure; costs of obtaining money damages; and a reasonable fee for the services of internal and outside attorneys employed or engaged by the Beneficiary and/or the Trustee for any purpose related to this security agreement, including, without limitation, consultation, drafting documents, sending notices or instituting, prosecuting or defending litigation or any proceeding. The Trustor agrees that upon default the Beneficiary and/or the Trustee may dispose of any of the Collateral in its then present condition, that the Beneficiary and/or the Trustee has no duty to repair or clean the Collateral prior to sale, and that the disposal of the Collateral in its present condition or without repair or clean-up shall not affect the commercial reasonableness of such sale or disposition. The Beneficiary's and/or the Trustee's compliance with any applicable state or federal law requirements in connection with the disposition of the Collateral will not adversely affect the commercial reasonableness of any sale of the Collateral. In connection with the right of the Beneficiary and/or the Trustee to take possession of the Collateral, the Beneficiary and/or the Trustee may, without liability on the part of the Beneficiary and/or the Trustee, take possession of any other items of property in or on the Collateral at the time of taking possession and hold them for the Trustor. If there is any statutory requirement for notice, that requirement shall be met if the Beneficiary and/or the Trustee sends notice to the Trustor at least ten (10) days prior to the date of the sale, disposition, or other event giving rise to the required notice. Upon the request of the Beneficiary and/or the Trustee, the Trustor shall execute and file such financing statements or similar records and shall take any other action requested by the Beneficiary and/or the Trustee to perfect and continue as perfected the Beneficiary's and/or the Trustee's security interests in the Equipment and other personal property included in the definition of the Premises. The Trustor shall pay (and shall reimburse the Beneficiary and/or the Trustee for) all costs, including attorneys' fees and court costs, of the preparation and filing of any financing statements and the taking of any such other actions. A carbon, photographic or other reproduction of this Deed of Trust is sufficient as, and can be filed as, a financing statement. The Beneficiary and/or the Trustee is irrevocably appointed the Trustor's attorney-in-fact to execute any financing statement or similar record on the Trustor's behalf covering the Equipment and other personal property, tangible or intangible, that is included within the definition of Premises. Additionally, if permitted by applicable law, the Trustor authorizes the Beneficiary and/or the Trustee to file one or more financing statements or similar records related to the security interests created by this Deed of Trust and further authorizes the Beneficiary and/or the Trustee, instead of the Trustor, to sign such financing statements or similar records. The Trustor shall execute and deliver, or cause to be executed and delivered, such other documents as the Beneficiary and/or the Trustee may from time to time request to perfect or to further evidence the security interest created in the Collateral by this Deed of Trust. The Trustor further represents and warrants to the Beneficiary that (a) its principal residence or chief executive office is at the address shown above and (b) the Trustor's name as it appears in this Deed of Trust is identical to the name of the Trustor appearing in the Trustor's organizational documents, as amended, including trust documents. The Trustor will not, without the

Beneficiary's prior written consent, change (a) the Trustor's name, (b) the Trustor's business organization, (c) the jurisdiction under which the Trustor's business organization is formed or organized, or (d) the address of the Trustor's chief executive office or principal residence or of any additional places of the Trustor's business.

**12. Reimbursement of Advances.** If the Trustor fails to perform any of its obligations under this Deed of Trust, or if any action or proceeding is commenced which materially affects the Trustee's or the Beneficiary's interest in the Premises (including but not limited to a lien priority dispute, eminent domain, code enforcement, insolvency, bankruptcy or probate proceedings), then the Beneficiary at its sole option may make appearances, disburse sums and take any action it deems necessary to protect the Beneficiary's and/or the Trustee's interests (including but not limited to disbursement of reasonable attorneys' fees and court costs and entry upon the Premises to make repairs). Any amounts disbursed shall become additional Indebtedness, shall be immediately due and payable upon notice from the Beneficiary to the Trustor, and shall bear interest at the highest rate permitted under any of the instruments evidencing any of the Indebtedness. The Beneficiary's rights under this Section shall be in addition to all other rights and remedies of the Beneficiary and/or the Trustee under this Deed of Trust and the other Related Documents. Any action taken by the Beneficiary under this Section shall not be construed as curing any default that gave rise to such action by the Beneficiary.

**13. Due on Transfer.** If all or any part of the Premises or any interest in the Premises is transferred without the Beneficiary's prior written consent, the Beneficiary may, at its sole option, declare the Indebtedness to be immediately due and payable.

**14. No Additional Lien.** The Trustor covenants not to execute any mortgage, deed of trust, security agreement, assignment of leases and rentals or other agreement granting a lien against the interest of the Trustor in the Premises without the prior written consent of the Beneficiary, and then only when the document granting that lien expressly provides that it shall be subject to the lien of this Deed of Trust for the full amount secured by this Deed of Trust and shall also be subject and subordinate to all present and future leases affecting the Premises.

**15. Eminent Domain.** Notwithstanding any taking under the power of eminent domain, alteration of the grade of any road, alley, or the like, or other injury or damage to or decrease in value of the Premises by any public or quasi-public authority or corporation, the Trustor shall continue to pay the Indebtedness in accordance with the terms of the Related Documents. By executing this Deed of Trust, the Trustor assigns, transfers and conveys the entire proceeds of any award or payment and any interest to the Beneficiary. The Trustor will notify the Beneficiary of any action or proceeding related to any taking of all or any part of the Premises, shall defend that action or proceeding in consultation with the Beneficiary and shall, if requested by the Beneficiary, deliver to the Beneficiary all documents and instruments that may be required to allow the Beneficiary to directly participate in or control such action or proceeding. The proceeds of any taking or grant in lieu of any taking shall be applied first toward reimbursement of all costs and expenses of the Beneficiary in collecting the proceeds, including reasonable attorneys' fees and court costs, and then toward payment of the Indebtedness, whether or not then due or payable, or the Beneficiary, at its option, may apply the proceeds, or any part, to the alteration, restoration or rebuilding of the Premises.

**16. Environmental Provisions.** As used herein: the term "Hazardous Substance" shall mean any substance, material, or waste that is (a) included within the definitions of "hazardous substances," "hazardous materials," "hazardous waste," "toxic substances," "toxic materials," "toxic waste," or words of similar import in any Environmental Law, (b) listed as hazardous substances by the United States Department of Transportation or by the Environmental Protection Agency, or (c) petroleum, petroleum-related, or a petroleum by-product, asbestos or asbestos-containing material, polychlorinated biphenyls, flammable, explosive, radioactive, freon gas, radon, or a pesticide, herbicide, or any other agricultural chemical. The term "Environmental Law" shall mean any federal, state or local law, rule, regulation, decision, policy or guideline, pertaining to Hazardous Substances, or protection of the environment, and all present and future amendments thereto. Except as disclosed in writing by the Trustor to the Beneficiary, the Trustor represents and warrants to the Beneficiary that (i) neither the Premises nor the Trustor are in violation of any Environmental Law applicable to the Premises, or are subject to any existing, pending or threatened governmental investigation pertaining to the Premises, or are subject to any remedial obligation or lien under or in connection with any Environmental Law, (ii) the Trustor has no actual knowledge or notice of the presence or release of Hazardous Substances in, on or around any part of the Premises or the soil, groundwater or soil vapor on or under the Premises, or the migration of any Hazardous Substance, from or to any other property in the vicinity of the Premises, and (iii) the Trustor's intended future use of the Premises will not result in the release of any

Hazardous Substance in, on or around any part of the Premises or in the soil, groundwater or soil vapor on or under the Premises, or the migration of any Hazardous Substance from or to any other property in the vicinity of the Premises.

The Trustor shall neither use nor permit any third party to use, generate, manufacture, produce, store, or release, on, under or about the Premises, or transfer to or from the Premises, any Hazardous Substance, except in compliance with all Environmental Laws, and shall otherwise comply, at the Trustor's sole expense and responsibility, with all Environmental Laws, provided that if any such occurrence shall nevertheless happen, the Trustor shall promptly remedy such condition, at its sole expense and responsibility. The Trustor shall not permit any environmental liens to be placed on any portion of the Premises. The Trustor shall promptly notify the Beneficiary in writing if (a) any of the representations and warranties herein are no longer accurate, (b) there may be any Hazardous Substance in, on or around the Premises or the soil, groundwater or soil vapor on or under the Premises, or (c) any violation of any Environmental Law on or affecting or otherwise in respect of the Premises has occurred. The Beneficiary and its agents shall have the right, and are hereby authorized, at any reasonable time to enter upon the Premises for the purposes of observing the Premises, taking and removing soil or groundwater samples, and conducting tests and/or site assessments on the Premises, or taking such other actions as the Beneficiary deems necessary or advisable to cleanup, remove, resolve, or minimize the impact of, or otherwise deal with, any Hazardous Substances on or affecting the Premises following receipt of any notice from any person or entity asserting the existence or possible existence of any Hazardous Substances pertaining to the Premises, that, if true, could jeopardize the Beneficiary's security for the Indebtedness. All reasonable costs and expenses paid or incurred by the Beneficiary in the exercise of any such rights shall be secured hereby and shall be payable by the Trustor upon demand.

The Trustor shall indemnify and hold the Beneficiary harmless from, for and against any and all actions, causes of action, claims, liabilities, damages (including foreseeable and unforeseeable consequential damages), losses, fines, penalties, judgments, awards, settlements, and costs and expenses (including, without limitation, reasonable attorneys' fees, experts', engineers' and consultants' fees, and costs and expenses of investigation, testing, remediation and dispute resolution) (collectively referred to as "Environmental Costs") that directly or indirectly arise out of or relate in any way to: (a) Any investigation, cleanup, removal, remediation, or restoration work of site conditions of the Premises relating to Hazardous Substances; (b) Any resulting damages, harm, or injuries to the person or property of any third parties or to any natural resources involving Hazardous Substances relating to the Premises; (c) Any actual or alleged past or present disposal, generation, manufacture, presence, processing, production, release, storage, transportation, treatment, or use of any Hazardous Substance on, under, or about the Premises; (d) Any actual or alleged past or present violation of any Environmental Law relating to the Premises; (e) Any lien on any part of the Premises under any Environmental Law; or (f) Breach of any representation or warranty by or covenant of the Trustor herein. Notwithstanding anything contained herein to the contrary, the foregoing indemnity shall not apply to (i) matters resulting from the gross negligence or willful misconduct of the Beneficiary, or (ii) matters resulting solely from the actions of the Beneficiary taken after the Beneficiary has taken title to, or exclusive possession of the Premises, provided that, in both cases, such matters shall not arise from or be accumulated with any condition of the Premises, which condition was not caused by the Beneficiary. **The foregoing indemnity is expressly intended to include, and does include, any Environmental Costs arising as a result of any strict liability imposed or threatened to be imposed on the Beneficiary in connection with any of the indemnified matters described in this Section or arising as a result of the negligence of the Beneficiary in connection with such matters.** This indemnity shall continue in full force and effect and shall survive the payment and performance of the Indebtedness, the release of record of the lien, or any foreclosure (or action in lieu thereof), of this Mortgage, the exercise by the Beneficiary of any other remedy under this Mortgage or any other document or instrument evidencing or securing the Indebtedness, and any suit, proceeding or judgment against the Trustor by the Beneficiary hereon.

**17. Events of Default; Remedies.** If any of the Indebtedness are not paid at maturity, whether by acceleration or otherwise, or if a default occurs by anyone under the terms of this Deed of Trust, or any Related Documents, then the Beneficiary and/or the Trustee may exercise all of the rights, powers and remedies expressly or impliedly conferred on or reserved to them under this Deed of Trust or any other Related Document, or now or later existing at law or in equity, including without limitation the following: (i) the Beneficiary may declare the Indebtedness to be immediately due, (ii) the Beneficiary and/or the Trustee may proceed at law or in equity to collect the Indebtedness, sell the Premises by power of sale, foreclose this Deed of Trust as a mortgage or otherwise pursue any of their rights or remedies available at law, in equity, pursuant to this Deed of Trust or pursuant to any of the other Related

Documents and (iii) the Beneficiary and/or the Trustee may exercise any of their rights, powers or remedies pursuant to the UCC. The Beneficiary shall be entitled to the appointment of a receiver for the Premises as a matter of right and without notice (without regard to the value of the Premises) and the Trustor specifically consents to that appointment without notice. Without limitation, the receiver shall have the power to protect and preserve the Premises, operate the Premises prior to and during any foreclosure proceedings, to collect any Rents and apply the proceeds, over and above the costs of the receivership, to the Indebtedness. The receiver shall serve without bond, if permitted by law.

The Premises may be sold in one parcel as an entirety or in such parcels, manner and order as the Beneficiary and/or the Trustee may elect. The proceeds of any sale of the Premises, whether by power of sale or foreclosure, shall be retained by the Beneficiary, up to the amount due on the Indebtedness, including costs of sale and any environmental remediation or other costs and expenses incurred by the Beneficiary and/or the Trustee in connection with the Indebtedness and/or the Premises, including without limitation, attorneys' fees and court costs. By executing this Deed of Trust, the Trustor waives, in the event of a sale of the Premises by power of sale, a foreclosure of this Deed of Trust as a mortgage or the enforcement by the Beneficiary and/or the Trustee of any other rights and remedies in this Deed of Trust, any right otherwise available in respect to marshalling of assets which secure the Indebtedness or to require the Beneficiary or the Trustee to pursue their remedies against any other such assets. The Trustor waives all errors and imperfections in any proceedings instituted by the Beneficiary and/or the Trustee to enforce any of their rights and remedies. The exercise of any one right or remedy by the Beneficiary and/or the Trustee under this Deed of Trust or any of the other Related Documents shall not impair or waive the Beneficiary's and/or the Trustee's right to exercise any other rights or remedies available to either of them at law, in equity, under this Deed of Trust or under any of the other Related Documents, all such rights and remedies being cumulative. All fees, costs and expenses incurred by the Beneficiary and/or the Trustee in pursuing or enforcing their rights and remedies at law, in equity, under this Deed of Trust or under any of the other Related Documents, whether or not a lawsuit or legal action is filed, including attorneys' and paralegals' fees, shall be payable by the Trustor to the Beneficiary on demand and shall be secured by this Deed of Trust.

**18. Pledge.** If the Trustor is not liable for all or any part of the Indebtedness then the Trustor agrees that:

1. If any moneys become available from any source other than the Premises that the Beneficiary can apply to the Indebtedness, the Beneficiary may apply them in any manner it chooses, including but not limited to applying them against obligations, indebtedness or liabilities which are not secured by this Deed of Trust.
2. The Beneficiary may take any action against the Borrower, the Premises or any other collateral for the Indebtedness, or any other person or entity liable for any of the Indebtedness
3. The Beneficiary may release the Borrower or anyone else from the Indebtedness, either in whole or in part, or release the Premises in whole or in part or any other collateral for the Indebtedness, and need not perfect a security interest in the Premises or any other collateral for the Indebtedness.
4. The Beneficiary does not have to exercise any rights that it has against the Borrower or anyone else, or make any effort to realize on the Premises or any other collateral for the Indebtedness, or exercise any right of setoff.

6. The Trustor's obligations hereunder shall not be released, diminished or affected by (a) any act or omission of the Beneficiary, (b) the voluntary or involuntary liquidation, sale or other disposition of all or substantially all of the assets of the Borrower, or any receivership, insolvency, bankruptcy, reorganization, or other similar proceedings affecting the Borrower or any of its assists or any other obligor on the Indebtedness or that obligor's assets, (c) any change in the composition or structure of the Borrower or any

- other obligor on the Indebtedness, including a merger or consolidation with any other person or entity, or (d) any payments made upon the Indebtedness.
7. The Trustor expressly consents to any impairment of any other collateral for the Indebtedness, including, but not limited to, failure to perfect a security interest and release of any other collateral for the Indebtedness and any such impairment or release shall not affect the Trustor's obligations hereunder.
  8. The Trustor waives and agrees not to enforce any rights of subrogation, contribution or indemnification that it may have against the Borrower, any person or entity liable on Indebtedness, or the Premises, until the Borrower and the Trustor have fully performed all their obligations to the Beneficiary, even if those obligations are not covered by this Deed of Trust.
  9. The Trustor waives (a) to the extent not prohibited by applicable law, all rights and benefits under any laws or statutes regarding sureties, as may be amended, (b) any right the Trustor may have to receive notice of the following matters before the Beneficiary enforces any of its rights; (i) the Beneficiary's acceptance of the Deed of Trust, (ii) incurrence or acquisition of any Indebtedness, any credit that the Beneficiary extends to the Borrower, (iii) the Borrower's default, (iv) any demand, diligence, presentment, dishonor and protest, or (v) any action that the Beneficiary takes regarding the Borrower, anyone else, any other collateral for the Indebtedness, or any of the Indebtedness, which it might be entitled to by law or under any other agreement, (c) any right it may have to require the Beneficiary to proceed against the Borrower, any guarantor or other obligor on the Indebtedness, the Premises or any other collateral for the Indebtedness, or pursue any remedy in the Beneficiary's power to pursue, (d) any defense based on any claim that the Trustor's obligations exceed or are more burdensome than those of the Borrower, (e) the benefit of any statute of limitations affecting the Trustor's obligations hereunder or the enforcement hereof, (f) any defense arising by reason of any disability or other defense of the Borrower or by reason of the cessation from any cause whatsoever (other than payment in full) of the obligation of the Borrower for the Indebtedness, and (g) any defense based on or arising out of any defense that the Borrower may have to the payment or performance of the Indebtedness or any portion thereof. The Beneficiary may waive or delay enforcing any of its rights without losing them. Any waiver affects only the specific terms and time period stated in the waiver.
  10. The Trustor agrees that to the extent any payment or transfer is received by the Beneficiary in connections with the Indebtedness, and all or any part of such payment or transfer is subsequently invalidated, declared to the fraudulent or preferential, set aside or required to be transferred or repaid by the Beneficiary or paid over to a trustee, receiver or any other person or entity, whether under any bankruptcy act or otherwise (any of those payments or transfers is hereinafter referred to as a "Preferential Payment"), then this Deed of Trust shall continue to be effective or shall be reinstated, as the case may be, even if all Indebtedness has been paid in full, and whether or not the Beneficiary is in possession of this Deed of Trust or whether this Deed of Trust has been marked paid, cancelled, released or returned to Trustor, and, to the extent of the payment or repayment or other transfer by the Beneficiary, the Indebtedness or part intended to be satisfied by the Preferential Payment shall be revived and continued in full force and effect as if the Preferential Payment had not been made. If this Deed of Trust must be reinstated, the Trustor agrees to execute and deliver to the Beneficiary any new deeds of trust and agreements, if necessary or if requested by the Beneficiary, in form an substance acceptable to the Beneficiary, covering the Premises.

The Trustor has (a) without reliance on the Beneficiary or any information received from the Trustor and based upon the records and information the Trustor deems appropriate, made an independent investigation of the Borrower, the Borrower's business, assets, operations, prospects and condition, financial or otherwise, and any circumstances that may bear upon those transactions, the Borrower or the obligations, indebtedness and risks undertaken pursuant to this agreement; (b) adequate means to obtain from the Borrower on a continuing basis information concerning the Borrower and the Trustor has no duty to provide any information concerning the Borrower or other obligor on the Indebtedness to the Trustor; (c) full and complete access to the Borrower and any and all records relating to any Indebtedness now or in the future owing by the Borrower; (d) not relied and will not rely upon any representations or warranties of the Trustor not embodied in this agreement or any acts taken by the Trustor prior to or after the execution or other authentication and delivery of this agreement (including but not limited to any review by the Trustor

of the business, assets, operations, prospects and condition, financial or otherwise, of the Borrower); and (e) determined that the Trustor will receive benefit, directly or indirectly, and has or will receive fair and reasonably equivalent value, for the execution and delivery of this agreement and the rights provided to the Beneficiary. By entering into this agreement, the Trustor does not intend: (i) to incur or believe that the Trustor will incur debts that would be beyond the Trustor's ability to pay as those debts mature; or (ii) to hinder, delay or defraud any creditor of the Trustor. The Trustor is neither engaged in nor about to engage in any business or transaction for which the remaining assets of the Trustor are unreasonably small in relation to the business or transaction, and any property remaining with the Trustor after the execution or other authentication of this agreement is not unreasonably small capital.

**21. Miscellaneous.** If any provision of this Deed of Trust is in conflict with any statute or rule of law or is otherwise unenforceable for any reason whatsoever, then that provision is null and void to the extent of the conflict or unenforceability and shall be severed from but shall not invalidate any other provision of this Deed of Trust. No waiver by the Beneficiary or the Trustee of any right or remedy granted or failure to insist on strict performance by the Trustor waives any other right or remedy of the Beneficiary and/or the Trustee or waives or bars the subsequent exercise of the same right or remedy by the Beneficiary and/or the Trustee for any subsequent default by the Trustor. All rights and remedies of the Beneficiary and the Trustee are cumulative.

These promises and agreements bind and these rights benefit the parties and their respective successors and assigns. If there is more than one Trustor, the obligations under this Deed of Trust are joint and several and their agreements, representations, warranties and covenants shall be individual, joint and several. The Trustor agrees that the Beneficiary may at any time sell or transfer interests in all or any part of the Indebtedness to one or more purchasers whether or not related to the Beneficiary.

This Deed of Trust and the Related Documents constitute the entire understanding of the parties hereto and may not be amended or altered except by a written instrument that has been signed by the party(ies) against which enforcement of the amendment or alteration is sought.

Captions in this Deed of Trust are for convenience of reference only and do not limit the provisions of this Deed of Trust.

Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon the Trustee and by applicable law.

**22. SECTIONS 85) AND THE LAW OF THE STATE OF OHIO, WHERE THE MAIN OFFICE OF BENEFICIARY IS LOCATED, and provided further, that if the Premises subject of this Deed of Trust are located in a state other than the LPO State, the laws of such other state shall govern the validity, enforceability, perfection, priority, construction, effect, enforcement and remedies with respect to this Deed of Trust. Nothing herein shall be construed to provide that the laws of any state other than the LPO State and the State of Ohio shall apply to the obligations and Indebtedness secured by this Deed of Trust. The Trustor agrees that any legal action or proceeding with respect to any of its obligations under this Deed of Trust may be brought by Beneficiary in any state or federal court located in LPO State, as Beneficiary in its sole discretion may elect. The indemnification provided for in this Section shall survive the termination of this agreement and shall not be affected by the presence, absence or amount of or the payment or nonpayment of any claim under, any insurance.

The Trustor's indemnity obligations under this Section shall not in any way be affected by the presence or absence of covering insurance, or by the amount of such insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policy or policies affecting the Trustor's assets or the Trustor's business activities. Should any Claim be made or brought against any Indemnified Person by reason of any event as to which the Trustor's indemnification obligations apply, then, upon any Indemnified Person's demand, the Trustor, at its sole cost and expense, shall defend such Claim in the Trustor's name, if necessary, by the attorneys for

the Trustor's insurance carrier (if such Claim is covered by insurance), or otherwise by such attorneys as any Indemnified Person shall approve. Any Indemnified Person may also engage its own attorneys at its reasonable discretion to defend the Indemnified Person and to assist in its defense and the Trustor agrees to pay the fees and disbursements of such attorneys.

**24. THIS PROVISION IS A MATERIAL INDUCEMENT TO THE BENEFICIARY TO PROVIDE THE FINANCING DESCRIBED HEREIN.
